MONTHLY TRAINING: We invited Retired RBPD Sgt. John McIntosh, who now works with Phillip 66 to train the VIPs on the use of skimmers on gas station pumps and gas station ATMs. It is tentatively planned that the VIPs will start checking the gas stations within the city as a free service beginning (approx.) May 1st.

The placement of skimmers on gas pumps and ATMs is a big problem in So. Calif., as it compromises the credit card user's card, usually resulting in significant loss to the credit card company. Ventura Co Sheriff Department implemented a similar plan a couple of years ago and it was widely accepted by the community and the gas station owners.
