According to the listing, BCHD is a "hospital". That has not been accurate since 1984 when the publicly owned hospital closed. If the District needs to be rebilled at a different rate, please take this as a formal notice from a taxpayer to do so.

For centuries the middle East has been the battle ground for the aggressors in exploitation of the natural resources by slaughtering the innocent defenseless citizens.

This GENOCIDE DID NOT START WITH HAMAS. IT STARTED 75 years ago in 1948, through British ZIONISM PROJECT in occupation of Palastine by slaughtering palastinians, JAILING A MAJORITY OF THEM UNDER TORTURE, and EXILING THE REST TO THE NEIGHBORING COUNTRIES.

Many Jewish religious leaders have repeatedly announced their opposition to the formation of Israel through British ZIONISM: " .NOT UNDER OUR NAMES "".

ZIONISM IS NOT JUDISM.

ANTI ZIONISM IS NOT ANTI SEMITISM.

CAPITALISM THRIVES ON MAKING WAR BY SELLING ARMS AND ABUSING THE NAME OF RELIGION TO DIVIDE AND CONQUER.

In USA, we are facing many acute urgent issues such as homelessness, sky high rents, unaffordable health care, high prices for medications, unaffordable higher education, unemployment, many living paycheck to paycheck, if lucky and employed, social security repeatedly announcing lack of sufficient funds for retirement,!!!

YET BILLIONS AND BILLIONS OF AMERICANS MONEY IS FUNDING GENOCIDE, ASSISTING ISRAEL IN ITS MASSACRE OF INNOCENT DEFENSELESS CITIZENS. AMERICA IS GOING BROKE!!!

THERE IS AN END TO THIS MONEY SOONER THAN WE CAN IMAGINE. Soon USA will be listed in the list of third world countries

Dear Redondo council members ,

As you may know Israel has killed more than 31,000 Palestinian, 21,000 of them are women and children.

Israel bombed hospitals, schools and mosques and churches.

Israel has killed more than 115 journalists,

So please support a ceasefire resolution at the city of Redono.

Thanks,

Mahmoud

I am writing to express our urgent concern about the ongoing conflict and the devastating impact it is having on children. We believe that an immediate ceasefire resolution is essential to protect the lives and well-being of innocent children.

We have witnessed countless reports of children being killed, orphaned, and subjected to war crimes. This is a humanitarian crisis that cannot be ignored. We urge you to take immediate action to pass a ceasefire resolution and help bring an end to the violence.

Thank you for your attention to this matter.

Sincerely,
Dr. Mohammed Kaleel

Hello,

I'm writing to implore you to pass a ceasefire resolution. At this point, it doesn't even matter what side you're on there is only one side: the side of humanity. A manufactured famine is not self-defense. Every day children die of starvation. There are 35,000 orphans in Gaza right now, 17,000 of whom have lost or been separated from all relatives and who have no one to take care of them. 99% of these children are starving.

What kind of an acceptable foreign policy is this?? Please stand on the right side of history and call for a ceasefire.

Thank you,

Concerned resident,

Nasiha

Dear City Council of Redondo Beach,

It is of the utmost importance people of conscience use their privilege to speak up for the oppressed.

Over 30,000 innocent lives have been cut short. Right now, 2.3 million people are at risk of death by starvation and infection due to lack of basic necessities, including food, clean water, and medical aid. The humanitarian crisis that is unfolding in Gaza is far worse than anyone could imagine to happen in the year 2024.

Most of the population in Gaza are women and children. The effects of this war on innocent civilians is catastrophic and will impact those who survive for generations.

Please do the right thing, Redondo Beach should stand for justice and join the many other cities like Long Beach, Santa Ana, and San Francisco and call for a permanent and immediate ceasefire.

A life long Redondo Beach community member,

Ameera Azzam

Good afternoon! As a 30 year resident of Redondo Beach and member of Codepink Women for Peace, I urge the Redondo Beach City Council to support a RESOLUTION for an Immediate Ceasefire. We need an immediate cessation of hostilities from both Hamas and Israel . Both sides are suffering . As of March 5th, over 31000 people have been killed (30,228 Palestinian and 1410 Israelis). The disproportionate amount of killing of women and children in Palestine has reached Genocidal proportions. We need to STOP this and allow AID to flow in or thousands MORE will die of disease and starvation. THIS IS A HUMANITARIAN issue!

Please join in with members of the Redondo Beach Community and allies as we rally EVERY Sunday (until there is Peace) in front of the South Bay Galleria on the corner of Hawthorne and Artesia from 11am-1pm. PEACE NOW!

Thank you !

I am a Redondo resident and I am being deeply affected by the Israel GAZA conflict. Please vote for a ceasefire and stopping the killing of civilians and release of hostages.

This is affecting my personal and professional life.

I am requesting of city council to vote yes on the resolution for immediate ceasefire in GAZA and stopping the bombing and starving of the innocent people and release of hostages.

Hello City Clerk,

I live across the street from AV Park. I heard that eight pickle ball courts will be taking over a few of the tennis courts down at the park. Is there any recourse on getting that up to a vote from the people who live around the park? I don't mind a lot of things that go on there - believe me, it's a lot and each year it seems like more and more! And I know I live next to a park (and a school) where a lot goes on. I'm not complaining about that. What I am complaining about is adding this feature to the park without maybe knocking on a few doors across the street to see if anyone cares about that. Hearing the sound of a pickle ball whacking all day and night is not appealing to me.

Thanks for the consideration.
