

Goals for the Pickleball Subcommittee satisfy Public Amenities Ordinance for Recreation and Parks purviews :

- act as adviser in all matters pertaining to recreation programs
- provide recommendations on annual budget for recreation programming across the city to the city manager
- provide recommendations for the development of recreation and stimulate public interest and collaborate with schools

These are the goals for the Pickleball Subcommittee:

- 1) Research and collect information on local pickleball programming in neighboring cities to inform best practices for Redondo Beach.
- 2) Work with staff to determine options for hours of reservation play and open play.
- 3) Evaluate and provide recommendations for fee structure for pickleball reservations and open play
- 4) Assist staff to determine rules and culture for the program
- 5) Provide examples of and recommend signage wording
- 6) Work with staff to plan and implement launch event
- 7) Assist staff with community outreach
- 8) Assist staff to evaluate current reservation system and determine if it will meet the needs of the pickleball program and capture accurate revenue data. Recommend possible solutions so they can be recommended to city manager for inclusion in city budget, if there are costs associated.
- 9) Review at agreed upon intervals the revenue generation of the new program and provide additional recommendations for stimulation of public interest.
- 10) In collaboration with schools, develop a program for school age students
- 11) Be available to staff to provide any support or help they need to ensure successful implementation and maintenance of pickleball program
