This City Council is a mess! The City is broke supposedly. But there is always \$\$\$\$\$ found for anything BUT remedy of REAL public safety and noise nuisances, that you all know about, and refuse to fix. You don't listen to Residents, you disrespect us over and over. You are a group of incompetent, feckless hacks. God Save Redondo Beach!

While I support a gateway artwork at the eastern boundary of Redondo Beach on Artesia, I oppose the purchase of other artwork for installation in the median. Drivers are distracted enough. We do not need to further distract drivers. Let's place artwork on the sides, where they can be enjoyed at a pedestrian pace.
