Dear Mayor and City Council,  
Could you please put a crossing guard at Ford Avenue and Aviation Boulevard. I see lots of kids riding their bikes and walking to school. I think it would be safer if we had a crossing guard there. Thank you for your time. I hope you think about putting a crossing guard there.

Dear Mayor and City Council,

Please put a crossing guard on Aviation Boulevard and Ford Avenue. So kids ride, walk or bike to school and right now it's scary now because the driver isn't looking so they might hit someone.
