Public Comment - Redondo Beach City Council 12/17/24 Non-Agenda Item Comment

In the past, Bakaly scoffed at "to the penny" accounting and benefits analysis "like the private sector". Apparently election percentages by BCHD are made up as well. Perhaps the Registrar's data helps?

Why do we let BCHD handle money? The top table is BCHD math

StopBCHD.com (StopBCHD@gmail.com) is a Neighborhood Quality-of-Life Community concerned about the quality-of-life, health, and economic damages that BCHDs 110-foot above the street, 800,000 sqft commercial development will inflict for the next 50-100 years. Our neighborhoods have been burdened since 1960 by the failed South Bay Hospital project and have not received the benefit of the voter-approved acute care public hospital since 1984. Yet we still suffer 100% of the damages and we will suffer 100% of the damages of BCHDs proposal.
