FROM: KELLY ORTA, DEPUTY COMMUNITY SERVICES DIRECTOR

TITLE

RECEIVE AND FILE PRESENTATION FROM THE BEACH CITIES TRANSIT TEAM REGARDING TRANSIT SERVICES AND YOUTH RIDERSHIP

BACKGROUND

The Transit Division of the Community Services Department oversees the South Bay cities transit program, Beach Cities Transit (BCT), including services that run through Redondo Beach, Hermosa Beach, Manhattan Beach, and El Segundo. Staff from the Transit Division will provide an overview of current public transportation services available to residents, with a focus on fixed-route services. The presentation will highlight notable destinations and corridors currently served by BCT routes, including areas commonly accessed by youth for school, recreation, and community activities. BCT staff will also seek input from Commissioners regarding potential service gaps, unserved or underserved areas, and opportunities for improvements that could enhance accessibility and increase youth ridership. This discussion will help inform future service planning and ensure transit options better align with the mobility needs of Redondo Beach youth.

Staff recommends the Commission receive and file the presentation and provide input on additional improvements or program enhancements for Beach Cities Transit.
