Assessment

There is no change in the method and basis of levying the assessment.

Assessment

The annual assessment rate is one percent (1%) of gross short term room rental revenue. Based on the benefit received, assessments will not be collected on: stays of more than thirty (30) consecutive days; stays by any Federal or State officer when on official business; stays by any officer, employee or consultant/contractor of the City when on official business; and stays by any officer or employee of a foreign government who is exempt by reason of express provisions of Federal law or international treaty; and that portion of gross short-term room rental revenue allocable to food and beverage products of every kind provided by the lodging business for consumption by transients and invitees of transients.

Long term contract renters shall receive a partial exemption from the RBTMD assessment as detailed below. A “long term contract renter” means a person that has entered into a contract with a lodging business to rent a block of nine (9) or more rooms for a continuous period of at least twelve (12) months. “LTC room night rental” means the rent charged for a room for one night in accordance with the provisions of a long term contract. Lodging businesses shall receive a base partial exemption from the RBTMD assessment for LTC room night rentals pursuant to the following four (4) categories:

- Lodging businesses that rent 500 or less LTC room night rentals in a single month shall receive an eighty percent (80%) exemption from the amount of the RBTMD assessment owed therefor;
- Lodging businesses that rent 501 to 1,500 LTC room night rentals in a single month shall receive a seventy percent (70%) exemption from the amount of the RBTMD assessment owed therefor for each LTC room night greater than 500 and less than 1,501;
- Lodging businesses that rent 1,501 to 2,000 LTC room night rentals in a single month shall receive a fifty-five percent (55%) exemption from the amount of the RBTMD assessment owed therefor for each LTC room night greater than 1,500 and less than 2,001; and
- Lodging businesses that rent 2,000 or more LTC room night rentals in a single month shall receive a fifteen percent (15%) percent exemption from the amount of RBTMD assessment owed therefor for each LTC room night over 2,000.

The term “gross room rental revenue” as used herein means: the consideration charged, whether or not received, for the occupancy of space in a lodging business valued in money, whether to be received in money, goods, labor, or otherwise, including all receipts, cash, credits, property, and services of any kind or nature, without any deduction therefrom whatsoever. Gross room rental revenue shall not include any federal, state or local taxes collected, including but not limited to transient occupancy taxes.

The assessment is levied upon and a direct obligation of the assessed lodging business, comprised of twenty (20) rooms or more. However, the assessed lodging business, comprised of twenty (20) rooms or more, may, at its discretion, pass the assessment on to transients. The amount of assessment, if passed on to each transient, shall be disclosed in advance and separately stated from the amount of rent charged and any other applicable taxes, and each transient shall receive a receipt for payment from the business. The RBTMD assessment shall be disclosed as the “RBTMD Assessment.” As an alternative, the disclosure may include the amount of the RBTMD assessment and the amount of the assessment imposed pursuant to the California Tourism Marketing Act, Government Code §13995 et seq. and shall be disclosed

as the “Tourism Assessment.” The assessment is imposed solely upon, and is the sole obligation of the assessed lodging business, comprised of twenty (20) rooms or more, even if it is passed on to transients. The assessment shall not be considered revenue for any purpose, including calculation of transient occupancy taxes.

Bonds shall not be issued.

Delinquencies

Original Delinquency

Any lodging business that shall fail to remit any assessment imposed within the time required shall pay a penalty in the amount of ten percent (10%) of the assessment in addition to the amount of the assessment.

Continued Delinquency

Any lodging business that shall fail to remit any delinquent remittance on or before a period of thirty (30) days following the date on which the remittance first became delinquent shall pay a second delinquency penalty in the amount of ten percent (10%) of the assessment in addition to the amount of the assessment and the ten percent (10%) percent penalty first imposed.

Fraud

If the City shall determine that the nonpayment of any remittance due is due to fraud, a penalty in the amount of twenty-five percent (25%) of the amount of the assessment shall be added thereto in addition to the penalties set forth in subparagraphs 1 and 2 of this Section.

Interest

In addition to the penalties imposed, any lodging business that shall fail to remit any assessment imposed shall pay interest at the rate of one-half of one percent (0.5%), or fraction thereof, on the amount of the assessment, exclusive of penalties, from the date on which the remittance first became delinquent until paid.

Penalties Merged with Assessment

Every penalty imposed, and such interest as accrues shall become a part of the assessment required to be paid.
