1. PROBLEM STATEMENT

The City of Redondo Beach is 6.2 square miles with a population of approximately 67,693 (U.S. Census Bureau, 2012). There are 2 traffic-related target areas of the city that the Redondo Beach Police Department would like to focus grant funding upon - commuter traffic and harbor-area leisure traffic.

Redondo Beach has a large tourist industry, which centers on the harbor consisting of the beach and pier areas. A portion of State Route 1, Pacific Coast Highway, serves the City of Redondo Beach, as well as thousands of commuters per day. Traffic crashes along this major thoroughfare severely impact residents and non-residents alike and redirection of highway traffic around a crash can send sizeable flows of vehicular traffic through the surrounding neighborhoods. In addition to State Route 1, a majority of crashes the department responds to are on 3 major arterial roads within the city limits - Inglewood Avenue, Artesia Boulevard and Manhattan Beach Boulevard. These high-capacity roadways handle a majority of the commuter traffic feeding Interstate 405 from both north and south.

The Redondo Beach Police Department responded to 1,666 service calls for traffic crashes in 2019. Of those 1,666 calls, 644 generated reports. Of the 644 reports, 244 involved injury or complaint of pain, and 400 were property damage only. Officers also responded to 448 hit-and-run crashes, 17 of which were injury-related. In 2020, a year that experienced an artificial and temporary decrease in traffic crashes due to California's Stay at Home Order and the global COVID-19 pandemic, the department responded to 1,190 service calls for local traffic crashes. Of those 1,190 calls, 508 generated reports. Of the 508 reports, 185 involved injury or complaint of pain, and 323 were property damage only. Officers also responded to 212 hit-and-run crashes that year, 17 of which were injury-related.

It is the mission of the Redondo Beach Police Department to make every effort to increase the safety of all drivers, passengers, bicyclists and pedestrians. A reduction in traffic crashes would make for a safer driving environment and enhanced quality of life for drivers and residents alike in the City of Redondo Beach, as well as the neighboring communities.

3. METHOD OF PROCEDURE

A. Phase 1 – Program Preparation (1st Quarter of Grant Year)

- Develop operational plans to implement the “best practice” strategies outlined in the objectives section.
- Finalize OTS related paperwork in order to receive funds.
- Negotiate and finalize subcontract and purchase order agreements.
- Train staff on program responsibilities and reporting procedures.
- Purchase safety supplies.
- Order educational materials needed to initiate programming.
- Create calendar of outreach, education and training events.

Media Requirements

- Issue a press release approved by the OTS PIO announcing the kick-off of the grant by November 15, but no sooner than October 1. The kick-off release must be approved by the OTS PIO and only distributed after the grant is fully signed and executed. If you are unable to meet the November 15 deadline to issue a kick-off press release, communicate reasons to your OTS coordinator and OTS PIO.

B. Phase 2 – Program Operations (Throughout Grant Year)

- Complete ordering of safety supplies.
- Coordinate distribution of safety supplies.
- Conduct outreach, education and training events.

Media Requirements

The following requirements are for all grant-related activities:

- Send all media advisories, alerts, videos, graphics, artwork, posters, radio/PSA/video scripts, storyboards, digital and/or print educational materials for grant-related activities to the OTS PIO at pio@ots.ca.gov for approval and copy your OTS coordinator. Optimum lead time would be 7 days before the scheduled release but at least 3 business days prior to the scheduled release date for review and approval is appreciated.
- The OTS PIO is responsible for the approval of the design and content of materials. The agency understands OTS PIO approval is not authorizing approval of budget expenditure or cost. Any cost approvals must come from the Coordinator.
- Pre-approval is not required when using any OTS-supplied template for media advisories, press releases, social media graphics, videos or posts, or any other OTS-supplied educational material. However, copy the OTS PIO at pio@ots.ca.gov and your OTS coordinator when any material is

distributed to the media and public, such as a press release, educational material, or link to social media post. The OTS-supplied kick-off press release templates and any kickoff press releases are an exception to this policy and require prior approval before distribution to the media and public.

- If an OTS-supplied template, educational material, social media graphic, post or video is substantially changed, the changes shall be sent to the OTS PIO at pio@ots.ca.gov for approval and copy to your OTS Coordinator. Optimum lead time would be 7 days prior to the scheduled release date, but at least 3 business days prior to the scheduled release date for review and approval is appreciated.
- Press releases, social media posts and alerts on platforms such as NextDoor and Nixle reporting immediate and time-sensitive grant activities (e.g. enforcement operations, day of event highlights or announcements, event invites) are exempt from the OTS PIO approval process. The OTS PIO and your Coordinator should still be notified when the grant-related activity is happening (e.g. car seat checks, bicycle rodeos, community presentations, DUI checkpoints, etc.).
- Enforcement activities such as warrant and probation sweeps, court stings, etc. that are embargoed or could impact operations by publicizing in advance are exempt from the PIO approval process. However, announcements and results of activities should still be copied to the OTS PIO at pio@ots.ca.gov and your Coordinator with embargoed date and time or with "INTERNAL ONLY: DO NOT RELEASE" message in subject line of email.
- Any earned or paid media campaigns for TV, radio, digital or social media that are part of a specific grant objective, using OTS grant funds, or designed and developed using contractual services by a subgrantee, requires prior approval. Please send to the OTS PIO at pio@ots.ca.gov for approval and copy your grant coordinator at least 3 business days prior to the scheduled release date.
- Social media posts highlighting state or national traffic safety campaigns (Distracted Driving Month, Motorcycle Safety Awareness Month, etc.), enforcement operations (DUI checkpoints, etc.), or any other grant-related activity such as Bicycle rodeos, presentations, or events, are highly encouraged but do not require prior approval.
- Submit a draft or rough-cut of all digital, printed, recorded or video material (brochures, posters, scripts, artwork, trailer graphics, digital graphics, social posts connected to an earned or paid media campaign grant objective) to the OTS PIO at pio@ots.ca.gov and copy your OTS Coordinator for approval prior to the production or duplication.
- Use the following standard language in all press, media, and printed materials, space permitting: Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
- Space permitting, include the OTS logo on all grant-funded print materials, graphics and paid or earned social media campaign grant objective; consult your OTS Coordinator for specifics, format-appropriate logos, or if space does not permit the use of the OTS logo.
- Email the OTS PIO at pio@ots.ca.gov and copy your OTS Coordinator at least 21 days in advance, or when first confirmed, a short description of any significant grant-related traffic safety event or program, particularly events that are highly publicized beforehand with anticipated media coverage so OTS has sufficient notice to arrange for attendance and/or participation in the event. If unable to attend, email the OTS PIO and coordinator brief highlights and/or results, including any media coverage (broadcast, digital, print) of event within 7 days following significant grant-related event or program. Media and program highlights are to be reflected in QPRs.
- Any press releases, work plans, scripts, storyboards, artwork, graphics, videos or any educational or informational materials that received PIO approval in a prior grant year needs to be resubmitted for approval in the current grant year.
- Contact the OTS PIO or your OTS Coordinator for consultation when changes from any of the above requirements might be warranted.

The Final Evaluation should provide a brief summary of the grant's accomplishments, challenges and significant activities. This narrative should also include whether goals and objectives were met, exceeded, or an explanation of why objectives were not completed.

The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary tier participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction.
