RECEIVE AND FILE PUBLIC WORKS AND SUSTAINABILITY APPROVED PROJECTS STATUS UPDATES

SUMMARY

Based on Public Works and Sustainability Commission (PWSC) recommendation, Staff has prepared a table comprised of all projects that have been reviewed and then forwarded by the Commission to City Council for final approval since August 26, 2019. The table is included as Attachment 1. Staff will continue providing ongoing project status updates to the current Public Works and Sustainability Commission in tabular format on a quarterly basis.

The most recent update was given at the Public Works and Sustainability Commission meeting in April 2024 for Q1 of 2024. Three new items have been added since the last report. Four items were deemed complete this last quarter and will be dropped from the tracking table after tonight's meeting.
