**HISTORIC PROPERTY PRESERVATION AGREEMENT BETWEEN
THE CITY OF REDONDO BEACH AND MINA LLC**

THIS HISTORIC PROPERTY PRESERVATION AGREEMENT (this "Agreement") is made by and between the CITY OF REDONDO BEACH, a municipal corporation ("City"), MINA LLC ("Owner") with reference to the following:

R E C I T A L S

A. California Government Code Section 50280, et seq. authorizes cities to enter into contracts with the owners of qualified historical property to provide for the use, maintenance and restoration of such historical property so to retain its characteristics as property of historical significance;

B. Owner holds fee title in and to that certain real property, together with associated structures and improvements thereon, commonly known as 102,102 1/2,104,106 N Broadway and 401,403,405,405 1/2 & 405 3/4 Emerald St , Redondo Beach, California, (the "Historic Property"). A legal description of the Historic Property is attached hereto, marked as Exhibit "A" and is incorporated herein by this reference;

C. On April 9, 2025, the Preservation Commission of the City of Redondo Beach adopted Resolution No. 2025-04-PA-02 (Exhibit "C") thereby declaring and designating the Historic Property as a landmark pursuant to the terms and provisions of Chapter 4, Title 10 of the Redondo Beach Municipal Code, and subject to the execution and recordation of this Agreement;

D. City desires to enter into this Agreement for the purpose of protecting and preserving the characteristics of historical significance of the Historic Property;

E. Owner, in consideration for abiding by the terms of this Agreement, shall be entitled to qualify for a reassessment of valuation of the Historic Property, pursuant to the

provisions of Chapter 3, Part 2, of Division 1 of the California Revenue and Taxation Code, and any corresponding adjustment in property taxes resulting therefrom.

NOW, THEREFORE, in consideration of the mutual covenants and conditions set forth herein, the parties do hereby agree as follows:

1. Effective Date and Term of Agreement. This Agreement shall be effective and commence on November 5, 2025 ("Effective Date"), and shall remain in effect for a term of ten (10) years thereafter. Each year upon the anniversary of the effective date, such initial term will automatically be extended as provided in paragraph 2, below.

2. Renewal. On each yearly anniversary of the Effective Date of this Agreement (hereinafter referred to as the "renewal date"), an additional one-year term shall automatically be added to the initial term of this Agreement unless a notice of nonrenewal ("Notice of Nonrenewal") is mailed as provided herein. If either Owner or City desires in any year not to renew this Agreement, Owner or City shall serve a written Notice of Nonrenewal upon the other party in advance of the annual renewal date of this Agreement. Such Notice of Nonrenewal shall be effective if served by Owner upon City at least ninety (90) days prior to the annual renewal date, or if served by City upon Owner, such Notice of Nonrenewal shall be effective if served upon Owner at least sixty (60) days prior to the annual renewal date.

3. Owner Protest of City Nonrenewal. Within fifteen (15) days of receipt by Owner of a Notice of Nonrenewal from City, Owner may make and file a written protest of the Notice of Nonrenewal. Upon receipt of such protest, the City Council shall set a hearing prior to the expiration of the renewal date of this Agreement. Owner may furnish the City Council with any information which the Owner deems relevant, and shall furnish the City Council with any information it may require. The City Council may, at any time prior to the annual renewal date of this Agreement, withdraw its Notice of Nonrenewal. If either City or Owner serves a Notice of Nonrenewal in any year, this Agreement shall remain in effect for the balance of the term then remaining, either from its original execution or from the last renewal of this Agreement, whichever may apply.

4. Assessment of Valuation. Tax relief afforded to the Owner pursuant to Chapter 3, Part 2, of Division 1 of the California Revenue and Taxation Code will require negotiation with the Los Angeles County Assessor's Office.

5. Standards for Historical Property. Owner shall preserve and maintain the Historic Property and its Character Defining Features according to the rules and regulations of the Office of Historic Preservation of the California Department of Parks and Recreation, the U.S. Secretary of the Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings, and the City of Redondo Beach Preservation Commission Design Guidelines. Character Defining Features include, but are not necessarily limited to, the general architectural form, style, materials, design, scale, details, mass, roof line, porch, and other aspects of the appearance of the exterior. The Secretary of Interior's Standards for Rehabilitation (attached hereto and marked as

Exhibit "B") shall be incorporated herein by reference and constitute the minimum standards and conditions for maintenance, use, and preservation of the Historic Property. Such Standards shall apply to the property throughout the term of this Agreement.

6. Periodic Examinations. Owner shall allow reasonable periodic examinations, by prior appointment, of the exterior of the Historic Property by representatives of the County Assessor, State Department of Parks and Recreation, State Board of Equalization, and/or the City, as may be necessary to determine owner's compliance with the terms and provisions of this Agreement.

7. Provision of Information of Compliance. Owner hereby agrees to furnish City with any and all information requested by the City which may be necessary or advisable to determine compliance with the terms and provisions of this Agreement.

8. Cancellation. City, following a duly noticed public hearing, as set forth in California Government Code Sections 50285, et seq., may cancel this Agreement if it determines that Owner breached any of the conditions of this Agreement or has allowed the property to deteriorate to the point that it no longer meets the standards for a qualified historic property. City may also cancel this Agreement if it determines that the Owner has failed to maintain and preserve the Historic Property in accordance with the terms of this Agreement. If this Agreement is cancelled because of failure of the Owner to preserve, maintain, and rehabilitate the Historic Property as specified above, the Owner shall pay a cancellation fee to the state Controller as set forth by the provisions of Government Code Section 50286.

9. Destruction. Notwithstanding any provision of this Agreement to the contrary, the Owner may cancel this Agreement without payment of the cancellation fee set forth in Paragraph 8, if the existing single-family residence [the "Structure"] on the Historic Property is damaged by fire, earthquake, or other Act of God or accidental cause to the extent (1) the then fair market value of said Structure is reduced by 51 percent or more; or (2) 51 percent or more of said Structure's floor area is destroyed or irreparably damaged; or (3) 51 percent or more of the Structure's Character Defining Features are destroyed or irreparably damaged; or (4) that the cost to the Owner (exclusive of insurance proceeds) to restore the Structure to its prior condition would exceed \$10,000.00. If the Owner desires to cancel this Agreement under this Paragraph 9, written notice shall be given to the City within 90 days after such damage or destruction occurs.

In the event the Owner desires to cancel this Agreement due to the circumstances outlined in this Paragraph 9, either party may request a hearing before the City Council to determine (a) the extent of diminution of value, (b) the extent of the damage or destruction to the floor area of said Structure, and/or (c) extent of damage or destruction to the Character Defining Features of the said Structure. The City Council may refer any matter relating to (c) to the Preservation Commission for its findings and recommendations.

10. Enforcement of Agreement. City may specifically enforce, or enjoin the breach of, the terms of this Agreement. In the event of a default under the provisions of this Agreement by Owner, City shall give written notice to Owner by registered or certified mail addressed to the address stated in this Agreement of violations of this Agreement. If such a violation is not corrected to the reasonable satisfaction of the City within thirty (30) days after the date of the notice of violation, or within such a reasonable time as may be required to cure the breach or default (provided that acts to cure the breach or default are commenced within thirty (30) days and thereafter diligently pursued to completion), then City may, without further notice, declare a default under the terms of this Agreement and bring any action necessary to specifically enforce the obligations of Owner growing out of the terms of this Agreement, including, but not limited to, bringing an action for injunctive relief against the Owner or for such other relief as may be appropriate.

City does not waive any claim of default by Owner if City does not enforce or cancel this Agreement. All other remedies at law or in equity which are not otherwise provided for in this Agreement or in City's regulations governing historic properties are available to the City to pursue in the event that there is a breach of this Agreement. No waiver by City or any breach or default under this Agreement shall be deemed to be a waiver of any other subsequent breach thereof or default hereunder.

11. Binding Effect of Agreement. The Owner hereby subjects the Historic Property described in Exhibit "A" hereto to the covenants, reservations and restrictions as set forth in this Agreement. City and Owner hereby declare their specific intent that the covenants, reservations and restrictions as set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Owner's successors and assigns in title or interest to the Historic Property. Each and every contract, deed or other instrument hereinafter executed, covering or conveying the Historic Property, or any portion thereof, shall conclusively be held to have been executed, delivered and accepted subject to the covenants, reservations and restrictions expressed in this Agreement regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instrument.

12. Covenants Run With the Land. City and Owner hereby declare their understanding and intent that the burden of the covenants, reservations and restrictions set forth herein touch and concern the land in that the value of the Owner's legal interest in the Historic Property may be affected thereby. City and Owner hereby further declare their understanding and intent that the benefit of such covenants, reservations and restrictions touch and concern the land by enhancing and maintaining the historic characteristics and significance of the Historic Property for the benefit of the public and Owner.

SECRETARY OF THE INTERIOR'S STANDARDS FOR REHABILITATION

1. A property will be used as it was historically or be given a new use that requires minimal change to its distinctive materials, features, spaces and spatial relationships.
2. The historic character of a property will be retained and preserved. The removal of distinctive materials or alteration of features, spaces, and spatial relationships that characterize a property will be avoided.
3. Each property will be recognized as a physical record of its time, place, and use. Changes that create a false sense of historical development, such as adding conjectural features or elements from other historic properties, will not be undertaken.
4. Changes to a property that have acquired historic significance in their own right will be retained and preserved.
5. Distinctive materials, features, finishes, and construction techniques or examples of craftsmanship that characterize a property will be preserved.
6. Deteriorated historic features will be repaired rather than replaced. Where the severity of deterioration requires replacement of a distinctive feature, the new feature will match the old in design, color, texture, and, where possible, materials. Replacement of missing features will be substantiated by documentary and physical evidence.
7. Chemical or physical treatments, if appropriate, will be undertaken using the gentlest means possible. Treatments that cause damage to historic materials will not be used.
8. Archeological resources will be protected and preserved in place. If such resources must be disturbed, mitigation measures will be undertaken.
9. New additions, exterior alterations, or related new construction will not destroy historic materials, features, and spatial relationships that characterize the property. The new work shall be differentiated from the old and will be compatible with the historic materials, features, size, scale and proportion, and massing to protect the historic integrity of the property and its environment.
10. New additions and adjacent or related new construction will be undertaken in such a manner that, if removed in the future, the essential form and integrity of the historic property and its environment would be unimpaired.
