This amount is referred to as the "Employer Minimum Contribution for Retirees." In combination with this unequal contribution, the City will also pay the Tier I Retiree the difference between the Employer Minimum Contribution for Retirees and the employee-only monthly flexible spending allowance for active employees, as outlined in Article IV, Section 1.01 ("Tier I Retiree Differential Payment"). This benefit shall be provided to only a Tier I Retiree who meets all of the following criteria:

- A. Must have a minimum of five years full-time service with the City; and,
- B. Must retire with CalPERS within 120 days of separation from service with the City; and,
- C. Must have completed a minimum of 20 years full-time verifiable service in a public agency at the time of their separation from the City.

When a Tier I retiree becomes eligible to enroll in the Federal Medicare program and/or any Medicare Supplement plans the Tier I Retiree will not be entitled to the Tier I Retiree Differential Payment. The premium cost for any additional insurance coverage selected by the Tier I retiree, including but not limited to, dental insurance, life insurance, and dependent medical insurance, shall be paid entirely by the Tier I retiree selecting any such option.

Employees hired on or after July 1, 2011, are not eligible to receive benefits under this Section. However, the City Manager shall have the option to authorize benefits under this section for the Police Chief and Fire Chief positions, irrespective of their hire date.

Tier II Retirees - Retirees Hired On or After July 1, 2011 and Not Medicare-Age Eligible

3.02 For employees hired on or after July 1, 2011 ("Tier II Retirees"), the City's contribution towards medical premium rates, if any shall be determined as follows:

The Employer Minimum Contribution for Retirees, plus the differential payment applicable to the Tier II Retiree as follows (collectively, "Tier II Retiree Differential Payment"):

- A. For Tier II Retirees who retire with 10 years of continuous City service the City shall pay the Tier II Retiree the difference between the Employer Minimum Contribution for Retirees and 25% of the Tier I Retiree Differential Payment as outlined in Section 3.01;

- B. For Tier II Retirees who retire with 15 years of continuous City service the City shall pay the Tier II Retiree the difference between the Employer Minimum Contribution for Retirees and 50% of the Tier I Retiree Differential Payment as outlined in Section 3.01;
- C. For Tier II Retirees who retire with 20 years of continuous City service the City shall pay the Tier II Retiree the difference between the Employer Minimum Contribution for Retirees and 75 % of the Tier I Retiree Differential Payment as outlined in Section 3.01;
- D. For Tier II Retirees who retire with 25 or more years of continuous City service the City shall pay the Tier II Retiree the difference between the Employer Minimum Contribution for Retirees and 100 % of the Tier I Retiree Differential Payment as outlined in Section 3.01.

When a Tier II Retiree becomes eligible to enroll in the Federal Medicare program or any Medicare Supplement plans, the Tier II Retiree will not be entitled to any Tier II Retiree Differential Payment. The premium cost for any additional insurance coverage selected by the Tier II Retiree, including but not limited to, dental insurance, life insurance, and dependent medical insurance, shall be paid entirely by the Tier II Retiree selecting any such option. When the Tier II Retiree dies, he or she will no longer be entitled to the Employer Minimum Contribution for Retirees or any Tier II Retiree Differential Payment

The benefits provided under this Section shall only be offered through the City to Tier II Retirees who meet all of the following criteria:

- 1. The employee must retire and begin receiving pension benefits from CalPERS within 120 days of separation (either through a service retirement or a disability retirement);
- 2. Individuals receiving benefits under this section are solely responsible for paying any portion of the health insurance premium (and any other costs) not paid for by the City;
- 3. Individuals must ensure continuity of coverage through City insurance plans. Termination of the individual's participation in City-sponsored insurance plans for any reason shall automatically result in the termination of the City's obligation to provide any contribution under this section. Once the City's obligation to provide benefits is terminated, the City shall have no future obligation to provide a retiree with further benefits under this section above the minimum amounts required by law.

3.03 Retirees That Are Medicare-Age Eligible

Beginning with the transition to the PERS Health program, and for retirees that are eligible to enroll in the Federal Medicare program or any Medicare supplemental programs ("Medicare-Eligible Retirees"), the City shall make the Employer Minimum Contribution for Retirees. The City's obligation to make mandatory contributions on behalf of Medicare-eligible retirees shall be limited to the minimum contribution required by law, and only for so long as the City contracts with CalPERS for medical insurance.

The premium cost for any additional insurance coverage selected by the Medicare-Eligible Retirees, including but not limited to, dental insurance, life insurance, and dependent medical insurance, shall be paid entirely by the Medicare-Eligible Retiree selecting any such option. When the Medicare-Eligible Retiree dies, he or she will no longer be entitled to the Employer Minimum Contribution for Retirees.

ARTICLE IV. INSURANCE BENEFITS

SECTION 1 - MEDICAL BENEFITS

- 1.01 The City shall contract with the California Public Employees' Retirement System (PERS) for medical insurance coverage in accordance with the Public Employees' Medical and Hospital Care Act (PEMHCA). The City will contribute the Public Employees' Medical and Hospital Care Act (PEMHCA) statutory minimum on behalf of each participant in the program. A participant is defined as 1) an enrolled employee and eligible dependents, 2) an enrolled retiree and eligible dependents or 3) a surviving annuitant. The PEMHCA statutory minimum for 2021 is \$143 per month, and changes each year in accordance with Government Code section 22892(b) ("Employer Minimum Contribution for Employee"). Eligible new hires will be covered under this program on the first day of the month following enrollment.

In addition, the City has implemented a flexible spending cafeteria plan ("Cafeteria Plan") in accordance with Internal Revenue Code Section 125 for all active employees. The following health care benefits shall be offered through the Cafeteria Plan: medical, dental (with orthodontia), and vision insurance. Employees participating in the Cafeteria Plan shall receive a monthly flexible spending allowance ("Monthly Allowance") to purchase benefits offered under the Cafeteria Plan. The Monthly Allowances shall be awarded to employees who enroll in the PERS health plan as follows:

Effective January 1, 2026:

EMPLOYEE	EMPLOYEE + 1	FAMILY
\$ 1,400	\$ 1,900	\$ 2,450

Each participating employee shall pay the Employer Minimum Contribution for Employee and the employee's remaining portion of the premium ("Employee Contribution") from the Employee's Monthly Allowance. The Employer Minimum Contribution for Employee and the Employee Contribution together comprise the "Total Mandatory Medical Contribution." After the Total Mandatory Medical Contribution has been made, the employee has the option (a) to waive the other benefits and have the excess Monthly Allowance converted to taxable income or (b) to purchase the other supplementary products. If premiums and/or costs for the selected benefits exceed the Monthly Allowance, the balance will be paid by the employee through an automatic pre-tax payroll deduction, as permitted under Internal Revenue Code Section 125.

Although the Employer Minimum Contribution for Employee may increase as a matter of law, the Monthly Allowance will not increase.

- 1.02 As an added benefit, the City shall pay the cost of life insurance, accidental death and dismemberment insurance, and employee assistance plan premiums for each employee.

SECTION 2 – OPT OUT

Employees may elect to not participate in the PERS Health Plan medical insurance coverage and therefore “Opt Out” of PERS Health insurance coverage. Upon proof of other qualifying group coverage, unit employees may elect to waive PERS Health insurance and receive the monthly flexible spending allowance for which they are eligible (Employee, Employee+1, or Family) to purchase other items in Cafeteria Plan or convert this allowance to taxable income. Effective January 12, 2021, the monthly flexible spending allowance “opt out” amount was frozen at \$800 per month for Employee, \$1,150 per month for Employee Plus One, and \$1,450 per month for Family, based upon eligibility.

The opt-out option will not be provided and shall not be used for the purpose of purchasing either an individual health plan or insurance on the ACA exchange. Such alternative insurance must provide minimum essential health coverage pursuant to the U.S. Patient Protection and Affordable Care Act (ACA), and cover both the employee and all individuals in the employee’s expected tax family, if any. During open enrollment or as otherwise required by the City, the employee must each year provide the City with an attestation or other reasonable documentation, subject to the City’s approval confirming such alternative coverage. According to the ACA, the City must not make payment if the City knows that the employee or family member does not have the alternative coverage.

Employees wishing to subsequently re-enroll in the PERS Health plan may only do so during the open enrollment period, unless a qualifying event occurs.

ARTICLE V. SICK LEAVE BENEFITS

SECTION 1 - SICK LEAVE ACCRUAL PLAN

- 1.01 Employees shall be eligible to accrue eight hours of sick leave per month up to a maximum of 2,080 hours over his/her entire career with the City.
- 1.02 An employee who suffers a serious injury or illness may utilize a long-term disability sick leave bank 2,080 non-replenishing hours that shall be available for use following a 30 day qualifying period. During the qualifying period, such employee may use accrued sick leave, vacation leave, holiday leave, authorized professional time, or any other paid leave to provide salary continuation. Any long term disability sick leave used from the bank after the qualifying period shall reduce the balance of sick leave available for any subsequent long-term disability for the duration of the employee’s career with the City.
- 1.03 The City Manager may require sick leave verification without prior written notice at any time during a sick leave absence.
- 1.04 Accrued sick leave may be used to supplement temporary disability payments in order to provide full pay during periods of occupational illness or injury.

- 1.05 No employee shall be entitled to use accrued sick leave or long-term disability sick leave to defer the effective date of a disability retirement. This provision shall be construed as a local rule and regulation within the meaning of Section 21025.2 of the Government Code as it now exists or may hereafter be amended.
- 1.06 The sick leave plan set forth in this Section shall supersede and make null and void any and all conflicting provision of the Redondo Beach Municipal Code, Section 2-3.514 (d) related to limits of sick leave with pay.

SECTION 2 - FAMILY SICK LEAVE PROGRAM

- 2.01 For family sick leave as defined by State law, each employee may use, in any one fiscal year, 96 hours of Sick Leave or Long Term Disability leave bank, or 50% of his or her annual accrued Sick Leave, whichever is greater.

The leave benefit provided for in this Subsection shall supersede the Emergency Family Sick Leave benefit described in Section 2-3.515 of the Redondo Beach Municipal Code.

- 2.02 An employee may designate one person per 12-month period at the time the employee requests family sick leave. In addition the City agrees to allow employees to pre-designate and substitute other family members for those persons defined as immediate family. The intent of this provision is not to expand the number of persons included in the definition of "immediate family" or to increase paid leave opportunities, but rather to recognize variations in family structure (e.g., substitute a stepmother for mother)
- 2.03 Immediate family shall mean father, mother, father-in-law, mother-in-law, brother, sister, spouse, domestic partner, child, legal dependent, grandparent or grandchild.

During the calendar year following the pre-designation, an employee may choose an increment of vacation leave cash-out in May. If no cash-out occurs during the year any remaining balance of the pre-designated amount will be cashed out in November. If the employee does not have the vacation leave hours available to satisfy the amount pre-designated for cash-out, the employee will be precluded from making an irrevocable election and cashing out for the following calendar year. The payment will appear in the employee's paycheck at the current value of their regular rate of pay.

2.06 At the discretion of the City Manager, employees who are hired from another public agency may be credited with time served in other public agencies as years of service completed for purposes of establishing their vacation accrual rate.

All APT time earned each year must be used by the last pay period in December of the same year or it will be forfeited.

SECTION 4 - RETIREMENT HEALTH SAVINGS PLAN

This employer-sponsored health benefit savings vehicle allows employees to accumulate assets to pay for medical expense for the employee, spouse, and/or dependents (e.g., health insurance and prescriptions) upon retirement on a tax-free basis.
