N. COMMISSION REFERRALS TO STAFF

- **Commissioner Galassi's referral to staff regarding properties on PCH for historic landmarks**

Submitted by Commissioner Galassi:

Request for follow up regarding these properties located at 201-205 S. PCH . They do not appear to be listed on the Historic Register nor on the Historic Resources Survey yet they appear to have retained much of the character defining features. These 4 properties sit adjacent to one another and have the potential to be landmarked together creating a historic district.
