**CONTACT: ELIZABETH HAUSE, COMMUNITY SERVICES DIRECTOR**

Deputy Community Services Director Orta introduced J.3 as an informational item, explaining that there were no expectations for definitive actions until November. She expressed hope for the Youth Commission to map out expectations and goals for the upcoming year and briefed the Youth Commission regarding last year's progress on the Youth Commission as well as the function of a Subcommittee, including how they were assigned last year.

Deputy Community Services Director Orta outlined subcommittees and initiatives of the previous Youth Commission, including:

- Substance Abuse Subcommittee
- Communications Subcommittee
  - Focused on community outreach, most specifically through Instagram
  - Staff tries to post on the Instagram but support from teens for content creation is heavily needed.
- Teen Center & Events Subcommittee
  - Focus on events in and beyond the Teen Center

Deputy Community Services Director Orta further explained that the previous commission's subcommittees provided the following input for the current commission to consider:

- Substance Abuse Subcommittee
  - Consider renaming it the "Substance Control Subcommittee"
  - Work closely with adults in the industry including Beach Cities Health District and alcove
  - The original intent for the Substance Abuse Subcommittee was to see whether the City could provide help at either the Teen Center or Youth Commission; However, discovered after research, the City had many outside resources who would benefit from the City's guidance.

- Communications Subcommittee
  - Coordinate monthly posts; which was difficult for staff to keep up with consistent posts without the Communications Subcommittee's support
  - Designate someone to ensure consistent posting
  - Consider posting a series of small highlights to promote local businesses
  - Repost local high school events and activities
- Teen Center & Events Subcommittee
  - The Teen Center is open daily and will need the support of the Teen Center & Events Subcommittee to keep up momentum
  - Program holiday events

Additionally, Orta provided additional topics for the commission's consideration, including:

- E-bike use and safety for all road users
  - Safety for E-bikers
  - Traffic concerns
- Branding of Redondo Beach for the upcoming 2028 Olympic games
  - How the City's website and social media could better youth engagement
  - Last year, the majority of concentration was on the RBTeens Instagram page without consideration for the City's social media accounts or a possibility for collaborations.
- Desires for future stores/attractions at the Pier, making it safer and more engaging for teens.

Deputy Community Services Director Orta asked for the Youth Commission for a motion to receive and file; opened the floor to the Youth Commission for questions and clarification.

Vice Chair Ramcharan asked when they could bring ideas for the Teen Center.

Deputy Community Services Director Orta clarified that if the idea were in regard to programming or activities, it would be appropriate to mention ideas at the end of the Youth Commission meeting.

Councilmember Kaluderovic explained what a substitute motion was and provided the positives and negatives of subcommittees. She encouraged Youth Commissioners to ask questions and recommended a member of the Communication Subcommittee to arrive to the next Youth Commission meeting with prepared social media content. She stressed the Teen Center was the Commission's space and to take ownership of it. Councilmember Kaluderovic reiterated the Olympic branding for the City and recommended the Youth Commission to ask staff about the City flag or other identifiers.
