There are quite a few punctuation and other errors on the plaques. Do you care about any of these:

Aviation High School

- "Fall" should not be capitalized.

Hollywood Riviera Beach Club

- There should not be a comma after "club": fiftieth anniversary of the club...
- "Fiftieth" should be "50<sup>th</sup>" in this instance.
- "Governor" should be capitalized: "California Governor Culbert Olson."
- There should be a comma after "1984": "In 1984, the clifftop..." — same as the comma after "In 1942, the City of Redondo Beach.." which appears a bit earlier.
- Missing information: Won't people want to know which city had the later drinking curfew?

Old City Hall, etc.

- "mission style building" – should be Mission Revival style (capital M, capital R).
- Comma after building: new, Mission Revival style building, was constructed in 1908.
- Why the different font: corner of Emerald Street and Emerald Avenue?
- Italicize *Los Angeles Herald*

- There should not be a comma after Benita: “door opened onto Benita and was connected to the City Hall with a pergola.
- There should not be a “the” before City Hall unless you want to say, “connected to the City Hall building.”
- There should not be a comma after “almost 50 years...”
- “City” should be capitalized: The City bought the Bank of America building...”
- City Hall should be capitalized: interim City Hall just like it was capitalized earlier: The old City Hall building...”
