In the event that the City, in writing, approves any assignment or subletting of this Agreement or the retention of subcontractors by Contractor, Contractor shall provide to the City upon request copies of each and every subcontract prior to the execution thereof by Contractor and subcontractor. Any attempt by Contractor to assign any or all of its rights under this Agreement without first obtaining the City's prior written consent shall constitute a material default under this Agreement.
 19. Subcontractors. Contractor shall provide properly skilled professional and technical personnel to perform any approved subcontracting duties. Contractor shall not engage the services of any person or persons now employed by the City without the prior written approval of City, which approval may be withheld in the City's sole and absolute discretion.
 20. Integration. This Agreement constitutes the entire agreement between the parties concerning the subject matter hereof and supersedes any previous oral or

written agreement; provided, however, that correspondence or documents exchanged between Contractor and City may be used to assist in the interpretation of the exhibits to this Agreement.

21. Amendment. This Agreement may be amended or modified only by a subsequent written amendment executed by both parties.
22. Conflicting Provisions. In the event of a conflict between the terms and conditions of this Agreement and those of any exhibit or attachment hereto, this Agreement proper shall prevail. In the event of a conflict between the terms and conditions of any two or more exhibits or attachments hereto, those prepared by the City shall prevail over those prepared by Contractor.
23. Non-Exclusivity. Notwithstanding any provision herein to the contrary, the services provided by Contractor hereunder shall be non-exclusive, and City reserves the right to employ other contractors in connection with the project.
24. Exhibits. All exhibits hereto are made a part hereof and incorporated herein by reference.
25. Reserved.
26. Confidentiality. To the extent permissible under law, Contractor shall keep confidential its obligations hereunder and the information acquired during the performance of the project or services hereunder.
27. Third Parties. Nothing herein shall be interpreted as creating any rights or benefits in any third parties. For purposes hereof, transferees or assignees as permitted under this Agreement shall not be considered "third parties."
28. Governing Law and Venue. This Agreement shall be construed in accordance with the laws of the State of California without regard to principles of conflicts of law. Venue for any litigation or other action arising hereunder shall reside exclusively in the Superior Court of the County of Los Angeles, Southwest Judicial District.
29. Attorneys' Fees. In the event either party to this Agreement brings any action to enforce or interpret this Agreement, the prevailing party in such action shall be entitled to reasonable attorneys' fees (including expert witness fees) and costs. This provision shall survive the termination of this Agreement.
30. Claims. Any claim by Contractor against City hereunder shall be subject to Government Code §§ 800 *et seq.* The claims presentation provisions of said Act are hereby modified such that the presentation of all claims hereunder to the City shall be waived if not made within six (6) months after accrual of the cause of action.

31. Interpretation. Contractor acknowledges that it has had ample opportunity to seek legal advice with respect to the negotiation of this Agreement. This Agreement shall be interpreted as if drafted by both parties.
32. Warranty. Contractor guarantees City's satisfaction with Contractor's Assigned Individuals by extending to City a one day (eight hours) guarantee for members of the finance & accounting contract talent practice group (as applicable, the "Guarantee Period"). If, for any reason, City is dissatisfied with the Assigned Individual assigned to City, Contractor will not charge for the Guarantee Period worked, provided Contractor is allowed to replace the Assigned Individual. Unless City contacts Contractor before the end of the guarantee period, City agrees that Contractor's Assigned Individual is satisfactory for purposes of this guarantee.
33. Severance. Any provision of this Agreement that is found invalid or unenforceable shall be deemed severed and all remaining provisions of this Agreement shall remain enforceable to the fullest extent permitted by law.
34. Authority. City warrants and represents that upon City Council approval, the Mayor of the City of Redondo Beach is duly authorized to enter into and execute this Agreement on behalf of City. The party signing on behalf of Contractor warrants and represents that he or she is duly authorized to enter into and execute this Agreement on behalf of Contractor, and shall be personally liable to City if he or she is not duly authorized to enter into and execute this Agreement on behalf of Contractor.
35. Waiver. The waiver by the City of any breach of any term or provision of this Agreement shall not be construed as a waiver of any subsequent breach.
36. Additional Terms. Nothing in this Agreement shall obligate Contractor's practice group or branch offices, other than Robert Half's finance & accounting contract talent practice group of the Contractor's branch office located in Torrance, CA (the "Branch"), to perform services under the terms and conditions contained herein this Agreement. Notwithstanding the foregoing, Contractor shall be responsible for any liability or claim arising out of the Branch's performance of the services under the terms of this Agreement.

City shall supervise Assigned Individuals providing services to City. City shall not permit or require Assigned Individuals (i) to perform services outside of the scope of Assigned Individual's assignment; (ii) to sign contracts or statements (including SEC documents); (iii) to make any management decisions; (iv) to make any final decisions regarding system design, software development or the acquisition of hardware or software; (v) to sign, endorse, wire, transport or otherwise convey cash, securities, checks, or any negotiable instruments or valuables; (vi) to use computers, or other electronic devices, software or network equipment owned or licensed by Assigned Individual; (vii) to operate machinery (other than office

machines) or automotive equipment. City may request that Contractor permit its Assigned Individuals to provide services to City remotely (i.e., from a location other than City's offices) using City's or Contractor's laptop and/or other computer or telecommunications equipment (the "Equipment"). City acknowledges and agrees that Contractor shall have no control over, and City shall be solely responsible for, (i) the logical and physical performance, reliability and security of the Equipment or related devices, network accessibility and availability, software, services, tools and e-mail accounts (collectively, "Computer Systems") used by the Assigned Individual, and (ii) the security, integrity, and backing up of the data and other information stored therein or transmitted thereby.

Moreover, City must not require Assigned Individual to save or store any of City's files or other data on the Computer Systems provided by Contractor (including, but not limited to, any virtual desktop infrastructure solution). Since Contractor is not a professional accounting firm, City agrees that City will not permit or require Assigned Individual (a) to render an opinion on behalf of Contractor or on City's behalf regarding financial statements; (b) to sign the name of Contractor on any document; or (c) to sign their own names on financial statements or tax returns.

It is understood that City has full responsibility for: (i) providing safe working conditions as required by law, including compliance with all public health and occupational safety regulations and guidelines applicable to City's business, and (ii) ensuring that safety plans exist for, and safety related training is provided to, Assigned Individuals working on City's premises.

If City requires Contractor to perform background checks or other placement screenings of Assigned Individuals, City agrees to notify Contractor prior to the start of services under this Agreement. Contractor will conduct such checks or screenings only if they are described in a signed, written amendment to this Agreement. If City requests a copy of the results of any checks conducted on Contractor's Assigned Individuals, City agrees to keep such results strictly confidential and to use such results in accordance with applicable laws..

Unless otherwise provided by law, City agrees to agree to implement and maintain reasonable security procedures and practices to protect such information from unauthorized access, use, modification or disclosure to hold in confidence the Assigned Individual's legally protected personal information.

SCHEDULE FOR COMPLETION

TERM. The term of this Agreement shall commence November 21, 2023 and expire December 31, 2024 ("Term"), unless otherwise terminated as herein provided.

EXHIBIT "C"

In the event City wishes to convert any of Contractor's Assigned Individuals, City agrees to pay a conversion fee in accordance with this Section. The conversion fee will equal a percentage of the Assigned Individual's aggregate annual compensation, including bonuses, based on length of assignment. City agrees to pay a conversion fee if Contractor's Assigned Individual is hired by an affiliate or other related business entity as a result of City's subsequent referral of the Assigned Individual or one of City's customers as a result of Assigned Individual providing services to that customer. The conversion fee is payable if City hires the Assigned Individual, regardless of the job classification, on either a full-time, temporary (including temporary assignments through another agency) or consulting basis within twelve months after the last day of the assignment. The same calculation will be used if City converts Contractor's Assigned Individual on a part-time basis using the full-time equivalent salary; however, the conversion fee will not be less than \$1,000.

The conversion fee will equal a percentage of the Professional's aggregate annual compensation, including bonuses, based on the length of assignment:

160+ hours worked = 17% of person's annual base salary
320+ hours worked = 14% of person's annual base salary
480+ hours worked = 11% of person's annual base salary

720+ hours worked = 5% of person's annual base salary
880+ hours worked = \$2000 flat fee

2. **METHOD OF PAYMENT.** Assigned Individual will present a time sheet or an electronic time record to City for verification and approval at the end of each week.

Contractor will bill City weekly for the total hours worked. If applicable, overtime will be billed at 1.50 times the normal billing rate. Federal law defines overtime as hours in excess of 40 hours per week, state laws vary. If state law requires double time pay, the double time hours will be billed at 2.00 times the normal billing rate. Contractor may charge City a fee for the provision of equipment or technology, if City requests that Assigned Individual use equipment or technology provided by Contractor. Contractor may also increase Contractor's rates to reflect increases in Contractor's cost of doing business, including costs associated with higher wages for workers and/or related taxes, benefits or other costs. Contractor will provide written or verbal notice of technology charges and/or increases in rates. Any increase in rates will be prospective, starting as of the effective date Contractor specifies.
