I would like to thank the commission for hearing the voices of the residents on Palos Verdes Blvd and Prospect Ave. We still have issues on Prospect, but we plan to formally appeal to the Council. For example, the bus stop has no access to a sidewalk without crossing the street without a crosswalk. The nearest ADA crosswalk opening to the bus stop is over 200-feet away. If you are able to advocate for us at the Council, we would appreciate your help. Thank you.
