**AGREEMENT TITLE: MKCPP 2024 MODEL YEAR METRO VEHICLE BID RENEWAL**

**AGREEMENT PERIOD: NOVEMBER 21, 2023 TO NOVEMBER 20, 2024**

Clay County hereby exercises its option to renew the above referenced agreement for the **fourth of four** possible renewals unless either party notifies the other of intent not to renew, modify or alter terms of the agreement. Notifications must be in writing within a minimum of 30 days prior to the end of an annual renewal period.

Vendors MUST meet the Minimum Standard Specification of every item listed in the Standard Vehicle portion of the Detailed Specifications of Exhibit A for all vehicles bid. If Minimum Standard Specifications cannot be met, Vendor shall note such exceptions in Exhibit A. If Make/Model has additional Standard Equipment not listed in Minimum Standard Specifications, Vendor must list Equipment and Manufacturer's Codes for all additional Standard Equipment not listed using a separate sheet noting Item Number, Group Number, Equipment Description, and Manufacturer Code(s). Vendor shall supply an available options sheet for every vehicle bid, including any Manufacturer Codes and pricing that reflects requested MSRP discount from Exhibit A; Table 5. Such options will generally be considered "OEM" (original equipment manufacturer), but may be from other suppliers that the OEM may utilize and/or may be considered part of the OEM's standard line of products for the vehicle involved. The options would normally be readily available from the "factory" when the OEM is building the vehicle and would normally be expected to be listed in the OEM's offering of options.
