Councilmember Kaluderovic reported that Items H.17 and H.18 represent a total net loss for the City of \$255,000; spoke about having a conversation about wants versus needs and felt this is not opportune during these times.

Councilmember Behrendt asked how costs were developed and City Manager Witzansky reported it is based on monthly projections for typical parking and is a rough estimate; noted the item has been budgeted and generally speaking, it has been a historical practice during the holidays.

Discussion followed regarding whether the practice invites more people to the area, getting input from the businesses in the area, general support for the practice from Harbor businesses and reevaluating revenue streams to update projections.

Waterfront & Economic Development Director Kapovich added that staff meets regularly with business tenants; stated that they have asked about the program and support it, especially in the International Boardwalk; discussed projections and agreed that the revenue stream may be higher than stated.

Mayor Pro Tem Loewenstein noted that it is already built into the budget and that it has been a tradition in Redondo Beach for many years and spoke about it being a gift to the community.

Councilmember Nehrenheim spoke about it being included in the budget; stated it is a gift to Riviera Village in acknowledgement of the BID's phenomenal work; reported the practice in Manhattan Beach and Hermosa Beach; commented on needing to stay competitive and relative and felt it brings in a lot of people to the area who would not otherwise, stay for a longer length of time.

Councilmember Obagi suggested shortening the time period from December 20, 2023 through January 1, 2023 and referenced negotiations with employee groups.

Councilmember Nehrenheim stressed that businesses in the area have expectations that the practice will continue; suggested that next year, this be part of the budget conversation and expressed support for continuing the practice.

Brad Waller, District 1, spoke in support of Councilmember Obagi's idea to shorten the time period for free parking and noted it can serve as a compromise while also paying employees a reasonable wage.

Niki Negrete-Mitchell, District 3, spoke about free parking being a tradition and spoke in support of remaining competitive with Hermosa Beach and Manhattan Beach.

Bob Pinzler, via Zoom, claimed a sale that is lost by not having free parking is lost revenue and urged Council to consider that a customer that might go to Manhattan Beach or Hermosa Beach is a greater loss of revenue than the loss of parking.

There were no other public comments.

Councilmember Obagi acknowledged that businesses in the area need as much support as possible during the Holidays.

Councilmember Behrendt spoke about the possibility of reprogramming the revenue for the Tidelands or Riviera Village.

Councilmember Kaluderovic stated that if the intent of free parking is to make a sale, then the City should offer free parking year-round; noted that community spreads cheer, not free parking; spoke in support of properly compensated workers; reported she is amenable to a reduced time period for free parking and felt that given the circumstances, tradition does not always mean it is the right thing to do.

Motion by Councilmember Kaluderovic, to amend the free parking period to include Hanukah and then from December 22, 2023 to January 1, 2024 for both Riviera Village and Pier Plaza.

The motion failed for lack of a second.

In reply to Councilmember Behrendt's questions, City Manager Witzansky addressed other parking districts in the City, the estimated revenue over ten years, having staff create a Budget Response Report (BRR) on the two items as part of the budge process, this item being allocated under the Uplands Fund, and the four-hour turnover requirement.

Councilmember Nehrenheim commented on addressing this item during the budge process; noted Riviera Village is always looking for improvements and offered to discuss the issue with the BID.

Motion by Councilmember Nehrenheim, seconded by Councilmember Obagi, to ADOPT BY TITLE ONLY RESOLUTION NO CC-2311-114, A RESOLUTION OF THE CITY COUNCIL OF REDONDO BEACH, CALIFORNIA, APPROVING THE WAIVER OF PARKING METER FEES FOR AREAS OF THE RIVIERA VILLAGE, SOUTH CATALINA AVENUE, AND PEARL STREET FOR THE 2023 HOLIDAY SEASON FROM DECEMBER 2, 2023 THROUGH JANUARY 1, 2024; and

P. MAYOR AND COUNCIL ITEMS

The City Council discussed Agenda Item No. P.1, after No. J.1 1 – Public Comments, Non Agenda Items.

P.1. DISCUSSION AND POSSIBLE ACTION REGARDING THE CHARTER REVIEW ADVISORY COMMITTEE'S RECOMMENDATIONS ON POSSIBLE CHARTER AMENDMENTS AND THE PREPARATION OF ASSOCIATED BALLOT MEASURES

Mayor Pro Tem Loewenstein invited Rolf Strutzenberg, Chair, Charter Review Advisory Committee (CRAC) to the podium and address the City Council regarding this item.

Rolf Strutzenberg, Chair, Charter Review Advisory Committee, discussed three items for which the CRAC has developed specific recommendations for changes to the City Charter language for the City Clerk, the method of having a City Attorney and inclusion of the School District in the Charter.

Chair Strutzenberg first provided information regarding the School Board District position. The CRAC wanted to have feedback from the School District and after several meetings by the CRAC, their finding was that having the School Board items described in the City Charter was extremely rare. The School Board presented a letter stating that no further action was recommended. The CRAC consensus was that the language be removed, detail regarding at-large member, and revert to the Education Code.

Chair Strutzenberg continued with the more complicated matter relating to the City Clerk's position. He stated that there are duties of the City Clerk that are described as "shall" are not currently being performed, and is in violation of the Charter. Duties relating to financial and accounting matters were to be moved under the prevue of the City Manager. In the past several attempt to modify such language was proposed in 1979, 1982, and 2001, and an advisory vote in 1999 to appoint the City Clerk, but has consistently failed. Currently, the goal was to bring the Charter into alignment with the current functions to resolve the violation of the Charter. He stated that after extensive conversation with City Clerk Manzano, there were substantial changes specifically to Paragraph F relating to key duties of financial matters.

In reply to Councilmember Behrendt's question regarding whether the City Clerk and City Manager agree to the proposed changes with respect to the City Clerk's duties, City Clerk Manzano confirmed speaking with the City Manager, agreeing to the proposed changes and discussed the need for checks and balances in regarding finance

CRAC Chair Strutzenberg explained that the requirements for a bachelor's degree go along with the five years of experience in accounting and in lieu of those, five years of City Clerk experience would suffice and agreed there are ways to add clarity to that language.

In response to Councilmember Obagi's question whether working as a Deputy City Clerk counts as acceptable experience, CRAC Chair Strutzenberg stated there was discussion about that and it was determined it does not count as acceptable experience. He added that relative to the School District being included in the Charter, the CRAC decided to leave it to the City Council to figure it out and that relative to splitting up the City Attorney position to a Civil Attorney and a Prosecutor, the Committee did not find that in existence in other charter cities and spoke about the City of San Diego considering moving in that direction.

Councilmember Obagi stated he favors splitting the City Attorney position to a Civil Attorney and a Prosecutor; commented on the Committee having challenges reaching conclusions; referenced Council's last direction to return with a conclusion about splitting the City Attorney position and favored City Council having a discussion and placing the matter on the ballot.

In reply to Councilmember Nehrenheim's question, City Clerk Manzano explained her duties include reviewing accounts payable and doing financial analysis using the information from the financial system.

CRAC Chair Strutzenberg added that the City Clerk's language in the Charter has not changed since the original Charter in 1949 with the exception of the eligibility for running for office.

City Clerk Manzano recalled that prior to her working for the City, the entire Finance Department, including the Finance Director, was under the City Clerk and the City Clerk oversaw it. However, when the Finance Department was placed under the City Manager, by approval of a City Council resolution. This happened after an election in approximately 2001, in which the proposed change, failed, but the City Council move forward to make the change.

Mayor Pro Tem Loewenstein briefly left the dais at approximately 8:00 p.m.

Councilmember Obagi briefly left the dais at approximately 8:10 p.m.

Mayor Pro Tem Loewenstein returned to the dais at 8:11 p.m.

Councilmember Obagi returned to the dais at 2:11 p.m.

City Attorney Webb added there was no way to interpret having an elected official be, "Under the direction of the City Manager" and discussed a history of the City Clerk's position, responsibilities and related changes to same. He stated that it is not that the City has not been following the City Charter, but rather that it "is

indecipherable what it means to have an elected City Clerk under the direction of the City Manager.” In his review of edits by previous attorney, there were no explanations. Based on a discussion when John Parson was on the City Council, and at that time, former City Manager Bill Workman, City Attorney Webb, and City Clerk Manzano were able to arrange so that the City Clerk had access to MUNIS Financial System and could then complete the duties.

During the City Attorney’s explanation and providing information. City Clerk Manzano also provided historical information that during the time she did not have access to the material and “the budget didn’t tie in”, the former City Manager directed the Finance Department Analyst to “fix it”, the Analyst then went to the City Clerk which resulted in her having access.

Councilmember Nehrenheim asked about the Committee’s consideration of other cities in terms of having an elected prosecutor and appointed City Attorney and CRAC Chair stated it was discussed as a possibility but, because there are no existing examples, the Committee did not take it further. He added that the Committee looked at what other cities have done; commented on the Committee’s discussion of moral turpitude noting the Committee did not find a better solution for moral turpitude and that the decision was to leave it as it is currently addressed in the Charter. Additionally, he addressed the definition of residency; talked about making the residency requirements consistent for the different elected offices and commented on the use of “publish” and support for actual and necessary expenditures for the School Board under the Education Code.

Councilmember Nehrenheim agreed with Councilmember Obagi that Council place the issue of splitting the City Attorney position in two, one as Prosecutor and the other as City Attorney on the ballot as well as whether these should be appointed or elected and mentioned updates for the City Treasurer’s office.

CRAC Chair Strutzenberg addressed next steps relative to the City Treasurer’s office.

Councilmember Kaluderovic mentioned if the item is to be included in the ballot, it should be on the November election versus the March election.

CRAC Chair Strutzenberg reported it can be on the March election.

City Attorney Webb reported it is not allowed to be on the March ballot, pursuant to Section 1415 of the Election Code; spoke about Consulting Counsel Colantuono’s opinion; commented on elected officials being Executive Level Employees and discussed scenarios where it could be included in the November ballot.

Mayor Pro Tem Loewenstein invited public comments on this item.

Bob Pinzler, via Zoom, reported that 473 out of 482 cities in California have an appointed City Attorney; added that out of the 100 top safest cities in California, only one (San Francisco) has an elected City Attorney; commented on challenges of an elected City Attorney injecting his/her own political opinions into his/her advice to Council; suggested Redondo Beach join all other Charter cities and appoint a City Attorney and commented on the matter of the School District being included in the Charter.

Diane Lewis, District 4, opined that an appointed City Attorney smacks of possible cronyism; believed an elected City Attorney is a way to keep maximum control to local voters and not the leanings of the City Council’s interests and spoke about increased costs in having an appointed City Attorney.

Vicki Edsel, District 3, opposed the Charter changes relative to the City Attorney position going from and elected position to an appointed position; believed that if it were an appointed position, the Mayor and City Council majority would appoint someone who would only work in their interests and Council would have the power to fire the City Attorney if he/she did not do what they demand.

Ron Maroko, District 3, CRAC Member, referenced CRAC Chair Strutzenberg’s recommendations; stated he was the dissenting vote on two of the three recommendations; spoke about the Committee’s vote relative to

the proposed City Attorney changes; provided a brief history of the issue including how it was voted down in past elections and encouraged Council to look at the 1999 ballot language; listed the pros and cons of having an elected versus appointed City Attorney; expressed concerns with the qualifications of the City Clerk requiring a bachelor's degree; felt it limits the pool of people qualified to run for the Office of City Clerk and opined Council needs to wait until the City Treasurer issue is brought forward to make it a more-rounded situation. He added that if someone wants to run for City Clerk, they should be allowed to run.

Discussion followed regarding there being no qualifications for the City Treasurer position.

Mayor Pro Tem Loewenstein stated that as written now, specifying 15 units of specific accounting classes, is very limiting; noted he has an MBA and does not have many of the classes listed and striking the language opens up the possibility of more people running and understood it was designed to shut people out.

Brad Waller, District 1, stated he saw this as a solution in search of a problem; spoke in support of having and elected City Attorney with the latitude to make independent and unbiased legal decisions; noted that citizens deserve someone who will protect the interests of the people and not just carry out the wishes of the City Manager and City Council and discussed reasons for keeping the current system.

Robert Moore, District 3, spoke about the recent District 3 community meeting; noted the consensus of attending residents was in support of having an elected City Attorney; pointed out that the matter was voted on before without success and discussed the need to save money.

Mayor Pro Tem Loewenstein explained this is not about having an elected or appointed City Attorney but giving the voters the option to choose and asked the City Clerk to address costs related to placing the item on the ballot for the November or March elections.

City Clerk Manzano referenced an election calculator published by the L.A. County Register Recorder; explained her methodology for estimating costs for two and three measures for both March and November 2024 elections. She provided that if there are 3 measures, the estimated cost was \$267,000 and for 2 measures, the estimated cost was \$252,000, for the March 2024 election. For a November 2024 election, 3 measures was estimated at \$225,000 and 2 measures was estimated at \$208,000. In response to Mayor Pro Tem Loewenstein, she stated that the November cost is lower because there are more agencies involved. She also estimated that if there was only 1 measure relating to the City Clerk, as asked by Mayor Pro Tem, it may be approximately a \$10,000-\$15,000 difference. 2:24

City Attorney Webb provided additional information regarding a March 2025 election option regarding the language for the position of Deputy at-will with no change to the City Clerk status.

Jim Light, District 1, voiced support for having an appointed City Attorney; noted cities are moving away from elected City Attorneys; expressed concerns regarding eligibility requirements for elected City Attorneys; suggested requiring experience in government law; felt the number of candidates is very limited when requiring that he/she live within the limits of Redondo Beach; agreed that an appointed City Attorney can be political and suggested a hybrid system where the City Manager gets to run a hiring process, recommend someone to Council and then Council would vote on the recommendations of the City Manager. He added that things have changed since 1999; spoke in support of letting the people decide; referenced the State Code of Ethics for City Attorneys to be followed by either appointed or elected City Attorneys and agreed with the idea, but felt the item needs more work relative to how to implement it.

Paul Moses, District 2, opposed placing this matter on the ballot; noted that every 20 years, the people vote against it; spoke about the City wasting time and money and opined that no one wants this.

Wayne Craig, District 1, referenced the School Board letter; alleged that if the City continues to allow the School Board to have at-large elections, Council may be exposing the City to potential liability and recommended removing the School Board from the Charter, keeping it separate from City Council. In addition,

he spoke about the City settling a big lawsuit regarding the AES site and wondered what was done with the money, noting he made a previous public records request which has not been addressed.

Mayor Pro Tem Loewenstein commented on the School Board staying with the City; noted there was a lawsuit to keep them away from the City relative to term limits; referenced comments about an elected City Attorney being a political position; stressed that the City Attorney's responsibility is to represent the City and offer sound legal advice to the City. From his point of view, Mayor Pro Tem Loewenstein felt this is an opportunity for the people to have a say.

City Attorney Webb pointed out that there is a check and balance in that if someone violates the Charter, it can be filed as a misdemeanor and presented case law examples.

Matt Kilroy, District 5, CRAC Member, asserted the Committee is filled with smart people who have done a tremendous amount of work; stated it is a balancing act for Council to decide how much to limit the pool of qualified candidates (City Clerk, City Attorney and City Treasurer) and how much to let the voters decide who is qualified and who is not. He did not appreciate the characterization and disagreed with CRAC Member Pinzler that there are no benefits to having an elected City Attorney. Committee Member Kilroy mentioned an incident when he was on Council and disagreed with the advice of the City Attorney. In response to a previous question by the City Council, he stated that they discussed the splitting of the City Attorney's position at length, however, he noted that the biggest issue the Committee had with splitting the City Attorney position into two, was cost; adding that the Committee felt the additional costs would not justify splitting the position into two.

Marian Butler, via Zoom, spoke about the people already having voted on the issue of an elected versus appointed City Attorney; commented on additional costs related to placing the item on the ballot, again; discussed risks in having an appointed City Attorney; talked about the great job done by the current City Attorney and urged Council to stop wasting time and energy on placing unnecessary items on the ballot and start working on the City's economy and giving increased attention to North Redondo Beach.

Brianna Egan, District 1, via Zoom, spoke about voter participation and elections in Redondo Beach; wondered if holding municipal elections in March of odd years is in the best interest of the City; referenced SB 415 which prohibits local governments from holding elections on dates other than Statewide election dates if doing so in the past has resulted in a significant decrease in voter turnout and asked that Council looks into SB 415 and move to even year elections in support of civic and voter participation and turnout.

Mayor Pro Tem Loewenstein referenced SB 415, noting the City sued the State and won.

City Clerk Manzano reported receiving 18 E-Comments related to the City Attorney position with 14 opposed, one neutral, two in support and one not commenting.

There were no other public comments on this item.

In reply to Councilmember Obagi's question, City Clerk Manzano reported language for the November 2024 ballot measure would be due the first week of August. Relative to splitting the City Attorney position, City Attorney Webb reported that the Long Beach model could be on the March election because the current Charter, for the City Attorney, specifically says the Council can remove prosecution and go the District Attorney's office.

Councilmember Obagi noted that Council has placed five measures of Charter amendments on the ballot; asserted the City does not do things recklessly; dispelled a comment regarding declining revenues; announced he favors the split model for the City Attorney; declared he sees no benefit to having an elected Civil Attorney considering the public does not see the advice of Civil Attorneys during Closed Sessions and agreed with the suggestion to have the Civil Attorney appointed by the City Manager and confirmed by City Council. He added that he favors having the issue on the ballot in November 2024; addressed costs and the

need for additional resources to oversee the City's civil and criminal cases as well as provide advice on matters; commented on the use of Outside Counsel; agreed with electing a City Prosecutor and proposed having three separate discussions on the three subjects and putting together ballot measures at a later time with direction to return with a report by June 2024.

Councilmember Obagi commented on the work of the CRAC; wondered what direction would be needed for the Committee to provide written advisements; asked whether the Committee has discussed extending City Councilmember limits to match Manhattan Beach practices and mentioned issues with the City Treasurer position and the possibility of Council discussing it rather than waiting on the CRAC.

Discussion followed regarding the status of CRAC discussions regarding the subject, inclusion of the School Board in the Charter and whether the Charter is consistent with the Education Code.

Councilmember Obagi reiterated that he would like separate discussions on the various subjects at a later time, with notice that the discussion will be in part, at least in part, about splitting the City Attorney position responsibilities into City Prosecutor and Civil City Attorney.

City Attorney Webb noted Council had indicated the consensus was not to put it on the ballot until November 2026, taking effect March or April of 2029 and explained the reason for not placing it on the November 2024 ballot.

Councilmember Obagi declared he does not favor removing the City Prosecutor from being elected and suggested a discussion as to when the effective date of that ballot measure should be, including putting it out to be effective 2029 in the election of 2026.

City Attorney Webb indicated the City is still short of an attorney and mentioned he cannot hire someone if the City Attorney's office would cease to exist if the City Attorney is appointed.

Councilmember Nehrenheim understood the CRAC taking its time; felt they have ideas to fix the City Treasurer position as well as other issues; suggested placing all on the November election and believed Council should wait for the CRAC to finish its work; added Council can then have a discussion regarding an appointed City Treasurer and elected City Prosecutor.

Discussion followed regarding considering all Charter amendments during the State election, engaging Consulting Counsel Colantuono only for the limited purpose of the actual Charter amendment, potential conflicts by splitting the City Attorney position into Civil and Prosecutor and having the Committee work with City Attorney Webb to develop appropriate language.

Motion by Councilmember Nehrenheim, seconded by Councilmember Obagi, to direct the Charter Review Advisory Committee to return to Council with a report of all items that the Committee is currently discussing and that need to be on the November election by the first City Council meeting in April 2024, have City Council discussions in May 2024, regarding splitting the City Attorney position into City Prosecutor and Civil Attorney, revisions for the City Clerk position and the City Treasurer position, School Board revisions and term limits and that the CRAC rotate the Committee Chair.

Discussion followed regarding remaining issues to be addressed by the CRAC, having some of the amendments on the March ballot and the remainder on the November ballot, having the CRAC submit its report in April and Council discussing it in May, for the March 2025 election, regarding splitting the City Attorney position into City Prosecutor and Civil Attorney, revisions for the City Clerk position and the City Treasurer position, School Board revisions and term limits.

City Attorney Webb commented on the CRAC's discussion of the City Clerk position and the Deputy City Clerk position and addressed positions that are Civil Service protected as well as at-will.

Discussion continued regarding determining the effective dates of measures at the time Council discusses the item and options for Council to consider in terms of when measures take effect.

Councilmember Behrendt commended CRAC Chair Strutzenberg for his leadership and work on this item and agreed with the need to rotate Chairs.

City Attorney Webb stated he believed it was up to the Mayor to remove the Chair and he would need to circle back to Council.

In response to Councilmember Behrendt's questions, City Attorney Webb reported that he has come to favor the Long Beach model because the job of City Attorney is becoming more difficult on each end; referenced a PowerPoint presentation included in Blue Folder Items where he addressed special projects such as the homelessness issue; mentioned challenges in L.A. County; felt it makes sense to split the position and would provide a larger pool of candidates and opined that both positions should be elected positions. He added that with an elected City Attorney, the City would have the checks and balances it needs and he/she could handle simple litigation where particular expertise is not needed.

Councilmember Behrendt reported reading through the literature of the League of California Cities regarding this subject; noted it indicates that, "appointment by the City Council may create a more traditional employer/employee relationship and at times loyalty and reporting obligations may become blurred. Elected City Attorneys are likely to have a greater sense of duty to the public who they serve and who elected them. The relative independence of the elected City Attorney from the City Council, who after all cannot fire them, can also lead City Attorneys to be more direct and emphatic in communicating their legal advice. Although the elected City Attorney is accountable to the public for elections, the City, and not the public, is the City Attorney's client" and agreed with discussing the item at a later date.

Councilmember Nehrenheim recalled he asked for a report in August and then in September and Council did not receive it until now.

Discussion followed regarding asking for a substantive, written report from the CRAC and term limits begin open-ended.

Councilmember Kaluderovic confirmed that the motion will not prohibit the City Attorney from hiring and spoke about him needing to continue the homeless efforts.

Councilmember Obagi stated the report from the Committee could be bullet points, include conclusions and what the vote was and added the ballot language and resolution will be resolved by the City Attorney and staff.

Councilmember Obagi restated the motion for clarification that the Charter Review Advisory Committee develop conclusions to present to City Council by May 2024, that staff agendize separate discussions to place the Charter amendments on the March 2025 ballot including numerous Charter revisions regarding whether to split the City Attorney position into City Prosecutor and Civil Attorney, revisions for the City Clerk position and the City Treasurer position, School Board revisions, and term limits of Councilmembers.

PUBLIC COMMENTS

Lina Carrillo, President, Redondo Beach Professional and Supervisory Association (PSA), noted that PSA is the only employee group to not have reached a new agreement; reported that PSA feels that the City's offer of a 15% addition to salary ranges fall short and does not achieve the market median shortfall; spoke about base salary ranges being the main drivers of retention, not total compensation; noted more than half of the items listed were prepared by PSA employees not the Department Heads listed under them and indicated City Council should question PSA's expertise and knowledge if they were to accept what the City is offering.

I. EXCLUDED CONSENT CALENDAR ITEMS

H.10. APPROVE CHANGES TO STREET SWEEPING HOURS ALONG THE SOUTH SIDE OF DIAMOND STREET BETWEEN PACIFIC COAST HIGHWAY AND DEL AMO STREET

CONTACT: TED SEMAAN, PUBLIC WORKS DIRECTOR

Public Works Director Semaan and Traffic Engineer Lou presented details of the Administrative Report.

Mayor Pro Tem Loewenstein expressed concerns regarding negative comments of residents; spoke about residents complaining that students park in neighborhood streets during street sweeping hours and asked about efforts by the School District to ensure their parking lots are being used.

Mayor Pro Tem Loewenstein invited School Board Member Dan Elder to the podium.

School Board Member Elder addressed the Council; spoke about expensive parking spots noting they are well-utilized.

Mayor Pro Tem Loewenstein noted that most of the parking spots in the lower parking lot are empty.

School Board Member Elder reported that lot is for school staff and spoke about safety concerns with the lower parking lot.

Discussion followed regarding having the street sweepers start at 8:00 a.m., getting more input from residents and Councilmember Obagi and the possibility of creating a pilot program to determine effectiveness.

City Manager Wtizansky suggested approving the item as a pilot program or delaying it to January 16, 2024, for further discussion.

Mayor Pro Tem Loewenstein suggested delaying the change until the City Council meeting of January 16, 2024 and placing a start time of 8:00 a.m. on Mondays.

Councilmember Kaluderovic spoke about overflow parking in the Police lot; discussed a one-hour window where the street sweeper, Athens, can commit to working within that window instead of a three-hour window and commented on how the school serves the entire City.

Councilmember Nehrenheim voiced his support for the item.

Mayor Pro Tem Loewenstein invited public comments.

Lynn Bailey spoke about the lack of parking for students and residents; felt that Mondays at 8:00 a.m. is still early and urged City Council to institute permit parking on North Irena so that high school students are not allowed to park there.

Steve Bopp spoke about impacts on daily parking in the area around the high school; reported there is an unnecessary red curb between the auto shop and the science building that could provide additional parking; hoped City Council will leave things the way they are and consider residents versus the school district.

Public Works Director Semaan reported there are a variety of reasons for the red curb and offered to return to City Council to consider it as part of the assessment.

Wayne Craig believed increased community outreach is in order for this item; questioned why this item is being considered; felt people's ability to park in front of their own homes should be respected

and noted the need for further consideration.

Additionally, she opined Councilmember Nehrenheim should also recuse himself as he received money for his reelection campaign from a lobbyist for a cannabis company that initiated the Councilmember Obagi recall effort. Discussion followed regarding setting a hierarchy of priorities, developing an appropriate tax rate in the current environment, having staff focus on the cannabis delivery application process, cannabis being an area that is fraught with litigation and getting best practices in place.

City Treasurer Solomon stated that in terms of retail businesses, taxes are being levied and the retail businesses are not paying them or are in arrears in order to survive and suggested using METRIC for seed-to-sale tracking where data is delineated by zip code to generate sale tax reports and identify those businesses that are in arrears or not paying taxes for suspension of their permits or their CUPs.

In response to Councilmember Kaluderovic's question, City Manager Witzansky reported the sales tax rate would be set by resolution.

Discussion followed regarding the pros and cons of cannabis delivery in the City.

Motion by Councilmember Nehrenheim, seconded by Mayor Pro Tem Loewenstein, to direct staff to return with a contract with TR West for the full scope of reviewing the cannabis ordinance and the application process and to create a resolution on cannabis sales tax on retail and delivery at 5% and direct the City Attorney to return with a written report by March 4, 2024.

CivicPlus Master Services Agreement

This Master Services Agreement (this “Agreement”) governs all Statements of Work (“SOW”) entered into by and between CivicPlus, LLC (“CivicPlus”) and the customer entity identified on the SOW (“Customer”). This Agreement governs the use and provision of any Services purchased by Customer, as described in any signed SOW, and the effective date of this Agreement shall commence on the date of signature of the SOW (“Effective Date”). If a SOW has not been executed, then the Effective Date shall be determined as the start date of implementation of any software solution by CivicPlus for Customer. CivicPlus and Customer referred to herein individually as “Party” and jointly as “Parties”.

Recitals

I. WHEREAS, CivicPlus is engaged in the business of developing and providing access to proprietary community engagement and government content, workflow, and general management software solutions, platforms and associated services (the “Services”); and

II. WHEREAS, Customer wishes to engage CivicPlus for the procurement of the Services and/or receive a license subscription for the ongoing use of the Services, as set forth in the SOW;

NOW, THEREFORE, Customer and CivicPlus agree as follows:

Agreement

Term & Termination

1. This Agreement shall commence on the Effective Date and shall remain in full force and effect for as long as any SOW is in effect between CivicPlus and Customer, or Services are being provided by CivicPlus to Customer, unless terminated in accordance with this §1 or as otherwise provided in this Agreement (the “Term”). Either Party may terminate this Agreement or any SOW as set forth in such SOW, or at its discretion, effective immediately upon written notice to the other Party, if the other Party materially breaches any provision of this Agreement and does not substantially cure the breach within thirty (30) days after receiving notice of such breach. A delinquent Customer account remaining past due for longer than 90 days is a material breach by Customer and is grounds for CivicPlus termination. CivicPlus reserves the right to withhold, remove and/or discard Customer Data without notice for any breach, including, without limitation, Customer’s non-payment. Upon termination for Customer’s breach, Customer’s right to access or use Customer Data immediately ceases, and CivicPlus shall have no obligation to maintain or forward any Customer Data.

2. Upon termination of this Agreement or any SOW for any reason, (a) the licenses granted for such relevant SOW by §11 below will terminate and Customer shall cease all use of the CivicPlus Property and Services associated with the terminated SOW and (b) any amounts owed to CivicPlus for work performed prior to termination shall immediately become due in full and payable. If Customer has paid in advance for the Services, and this Agreement terminates due to material breach of this Agreement by CivicPlus, CivicPlus shall refund Customer a prorated amount of any amount already paid. Upon termination by Customer for convenience or due to material breach by Customer, in addition to any remedy

provided in this Agreement or provided in law or equity, CivicPlus shall be entitled to retain any amounts already paid. Sections 7, 8, 10, 14, 15, 18, 32 -34, 40, and 42 will survive any expiration or termination of this Agreement.

3. At any time during the Term, CivicPlus may, immediately upon notice to Customer, suspend Customer and any of its Users access to any Service due to a threat to the technical security or technical integrity of the Services.

Invoicing & Payment Terms

4. Customer will pay the amounts owed to CivicPlus for the development and implementation of the Customer's Services, as defined in the SOW ("Project Development"), subscription and licensing, and annual hosting, support and maintenance services ("Annual Recurring Services") in accordance with the payment schedule set forth on the applicable SOW. Invoices shall be sent electronically to the individual/entity designated in the SOW's contact sheet that is required to be filled out and submitted by Customer (the "Contact Sheet"). Customer shall provide accurate, current and complete information of Customer's legal business name, address, email address, and phone number in the Contact Sheet upon submission of a signed SOW. Customer will maintain and promptly update the Contact Sheet information if it should change. Upon Customer's request, CivicPlus will mail hard-copy invoices for a \$5.00 convenience fee to be added to the mailed invoice.

5. Each SOW will state the amount of days from date of invoice payment is due. Unless otherwise limited by law, a finance charge of 1.5 percent (%) per month or the maximum rate permitted by applicable law, whichever is less, will be added to past due accounts from due date until paid. Payments received will be applied first to finance charges, then to the oldest outstanding invoice(s). If the Customer's account exceeds 60 days past due, support will be discontinued until the Customer's account is made current. If the Customer's account exceeds 90 days past due, CivicPlus may suspend in progress Project Development and Annual Recurring Services will be discontinued, and the Customer will no longer have access to the Services until the Customer's account is made current. Customer will be given 15 days' notice prior to discontinuation of Services for non-payment.

6. During the performance of Project Development, if Customer requests a change that requires repeated efforts to previously approved work product and such change causes CivicPlus to incur additional expenses (i.e. airline change fees, resource hours, consultant fees, Customer does not show up for scheduled meetings or trainings), Customer agrees to reimburse CivicPlus for such additional expenses. CivicPlus shall notify Customer prior to incurring such expenses and shall only incur those expenses which are approved by Customer.

Ownership & Content Responsibility

7. Upon full and complete payment of amounts owed for Project Development under the applicable SOW, Customer will own any website graphic designs, Services content, module content, importable/exportable data, and archived information ("Customer Content") created by CivicPlus on behalf of Customer pursuant to this Agreement. "Customer Content" also includes, without limitation, any elements of text, graphics, images, photos, audio, video, designs, artworks, logos, trademarks, services marks, and other materials or content which Customer provides to CivicPlus for processing, transmission, storage, or inputs into any website, software or module in connection with any Services. Customer Content excludes any content in the public domain and any content owned or licensed by CivicPlus, whether in connection with providing Services or otherwise.

8. Upon completion of the Project Development, Customer will take over the management and control of the Services and Customer will assume full responsibility for Customer Content maintenance and administration. Customer, not CivicPlus, shall have sole responsibility for the accuracy, quality, integrity, legality, reliability, appropriateness, and

intellectual property ownership or right to use of all Customer Content. Customer hereby grants CivicPlus a worldwide, non-exclusive right and license to reproduce, distribute and display the Customer Content as necessary to provide the Services. Customer represents and warrants that Customer owns all Customer Content or that Customer has permission from the rightful owner to use each of the elements of Customer Content and that Customer has all rights necessary for CivicPlus to use the Customer Content in connection with providing the Services. Customer agrees that CivicPlus shall not be responsible or liable for the content of messages created by Customer or by Customer's Users or end-users who access Service. Notwithstanding the foregoing, CivicPlus retains the right, but not the obligation, to remove any Customer Content that is libelous, harassing, abusive, fraudulent, defamatory, excessively profane, obscene, abusive, hate related, violent, harmful to minors, that advocates racial or ethnic intolerance, intended to advocate or advance computer hacking or cracking, or other material, products or services that violate or encourage conduct that would violate any laws or third-party rights.

9. At any time during the term of the applicable SOW, Customer will have the ability to download the Customer Content and export the data that is processed through the Services ("Customer Data"). Customer may request CivicPlus to perform the export of Customer Data and provide the Customer Data to Customer in a commonly used format, at any time, for a fee to be quoted at time of request and approved by Customer. Upon termination of the applicable SOW for any reason, whether or not Customer has retrieved or requested the Customer Data, CivicPlus reserves the right to permanently and definitively delete the Customer Content and Customer Data held in the Services thirty (30) days following termination of the applicable SOW. During the thirty (30) day period following termination of the SOW, regardless of the reason for its termination, Customer will not have access to the Services.

10. Intellectual Property in the software or other original works created by or licensed to CivicPlus, including all software source code, documents, and materials used in performing the Services ("CivicPlus Property") will remain the property of CivicPlus. CivicPlus Property specifically excludes Customer Content. Customer shall not (i) license, sublicense, sell, resell, reproduce, transfer, assign, distribute or otherwise commercially exploit or make available to any third party any CivicPlus Property in any way, except as specifically provided in the applicable SOW; (ii) adapt, alter, modify or make derivative works based upon any CivicPlus Property; (iii) create internet "links" to the CivicPlus Property software or "frame" or "mirror" any CivicPlus Property administrative access on any other server or wireless or internet-based device that may allow third party entities, other than Customer, to use the Services; (iv) reverse engineer, decompile, disassemble or otherwise attempt to obtain the software source code to all or any portion of the Services; (v) make any attempt to gain unauthorized access to the Services and/or any of CivicPlus' systems or networks; or (vi) access any CivicPlus Property in order to: (a) build a competitive product or service, (b) build a product using similar ideas, features, functions or graphics of any CivicPlus Property, or (c) copy any ideas, features, functions or graphics of any CivicPlus Property. The CivicPlus name, the CivicPlus logo, and the product and module names associated with any CivicPlus Property are trademarks of CivicPlus, and no right or license is granted to use them outside of the licenses set forth in this Agreement.

11. Provided Customer complies with the terms and conditions herein, the relevant SOW, and license restrictions set forth in §10, CivicPlus hereby grants Customer a limited, nontransferable, nonexclusive, non-assignable license to access and use the CivicPlus Property associated with any valid and effective SOW, for the term of the respective SOW. The license set forth herein, shall only apply to the extent that Customer is using the Services for legitimate business use as intended by the purpose of the Services and not for the purpose of comparing the Services to a competitor or similar product of CivicPlus. Customer hereby warrants and affirms its purpose in accessing or otherwise using the Services is for their intended purpose only and understands and agrees that any other use shall be considered fraud.

12. All CivicPlus helpful information and user's guides for the Services ("Documentation") are maintained and updated electronically by CivicPlus and can be accessed through the CivicPlus "Help Center". CivicPlus does not provide paper copies of its Documentation. Customer and its Users are granted a limited license to access Documentation as needed. Customer shall not copy, download, distribute, or make derivatives of the Documentation.

13. Customer acknowledges that CivicPlus may continually develop, alter, deliver, and provide to the Customer ongoing

innovation to the Services, in the form of new features and functionalities. CivicPlus reserves the right to modify the Services from time to time. Any modifications or improvements to the Services listed on the SOW will be provided to the Customer at no additional charge. In the event that CivicPlus creates new products or significant enhancements to the Services (“New Services”), and Customer desires these New Services, then Customer will have to pay CivicPlus the appropriate fee for the access to and use of the New Services. CivicPlus shall use its reasonable best efforts to provide workarounds in the event any modification to the Services causes Customer to lose substantial functionality of the Services.

14. CivicPlus in its sole discretion, may utilize all comments and suggestions, whether written or oral, furnished by Customer to CivicPlus in connection with its access to and use of the Services (all reports, comments and suggestions provided by Customer hereunder constitute, collectively, the “Feedback”). Customer hereby grants to CivicPlus a worldwide, non-exclusive, irrevocable, perpetual, royalty-free right and license to incorporate the Feedback in the CivicPlus products and services.

Indemnification

15. CivicPlus will defend at its expense or settle any third-party claim against Customer alleging that the Services provided under this Agreement infringe intellectual property rights. CivicPlus will pay infringement claim defense costs, CivicPlus–negotiated settlement amounts, and damages finally awarded by a court. CivicPlus has no obligation for any claim of infringement arising from Customer's use of the Services for purposes not contemplated by this Agreement. CivicPlus’s indemnification obligations under this Section 15 are conditioned upon the Customer (i) promptly notifying the CivicPlus of any claim in writing; (ii) cooperating with CivicPlus in the defense of the claim; and (iii) granting CivicPlus sole control of the defense or settlement of the claim. The indemnification obligations of CivicPlus herein shall not apply to any claims of intellectual property infringement related to Client Content.

Responsibilities of the Parties

16. CivicPlus will not be liable for any act, omission of act, negligence or defect in the quality of service of any underlying carrier, licensor or other third-party service provider whose facilities or services are used in furnishing any portion of the Service received by the Customer.

17. CivicPlus will not be liable for any failure of performance that is caused by or the result of any act or omission by Customer or any entity employed/contracted on the Customer’s behalf. During Project Development, Customer will be responsive and cooperative with CivicPlus to ensure the Project Development is completed in a timely manner.

18. Lessor hereby agrees to lease and/or make available to Lessee subject to the terms, conditions and provisions set forth in this Schedule and in the Agreement, the Products described below. Any capitalized term used herein and not defined herein shall have the meaning ascribed to it in the Agreement.

PRODUCT SELLER: Dell Marketing L.P. One Dell Way Round Rock TX 78682

<u>Product Description</u>	<u>Product Location</u>	<u>Lessee Purchase Order No.</u>	<u>Rent*</u>	<u>Primary Term (Mos.)</u>	<u>Commencement Date**</u>

Total Product Acquisition Cost: \$550,880.00

Rent is payable: In Advance

Payment Period: Annual

*Lessee is responsible for applicable taxes, shipping and other amounts as described in the Agreement, and, with the first payment of Rent, any prorated Rent if applicable. Such amounts are further described in Exhibit "A".

**The Commencement Date may be extended for one Payment Period until the Schedule is returned in accordance with the terms in the Agreement. Lessor may charge Lessee prorated Rent accruing from the Acceptance Date to the Commencement Date, as such date is finally determined.

TRUE LEASE PROVISIONS

The following provisions shall apply with respect to this Schedule in addition to those provisions in the Agreement:

1. **TRUE LEASE:** The parties intend for this lease to constitute a true lease of Products under the UCC and all applicable laws. If this Lease is determined to be a lease intended as security, in no event shall Lessee be obligated to pay any time price balance differential in excess of the maximum amount permitted by applicable law (as specified herein or the state where the Products are located, whichever law permits the greater amount). In the event Lessor shall receive anything of value under a Lease that is deemed interest which would exceed the maximum amount of interest allowed under the law, the excess amount shall be applied to the reduction of the unpaid time price balance or shall be refunded to Lessee. In order to reduce the unpaid time price balance, any amount deemed interest shall, to the fullest extent permitted by applicable law, be amortized and spread uniformly throughout the Lease Term.

2. **END OF LEASE OPTIONS.**

(a) Provided that no Event of Default has occurred and is continuing, and at least 90 days but no more than 180 days prior to the expiration of the Primary Term (the "Expiration Date"), Lessee will give irrevocable written notice to Lessor of its intention to either:

- (i) purchase all of the Products at the Fair Market Value (as defined below);
- (ii) renew the Lease Term for a minimum of six (6) months at a rate and for a term agreed upon by both parties; or
- (iii) return all of the Products in accordance with the Agreement.

(b) If Lessee exercises the option to purchase the Products then, upon receipt of payment of the "Fair Market Value" (defined below), plus applicable taxes, Lessor will sell the Products to Lessee AS IS-WHERE IS, WITHOUT WARRANTY OR RECOURSE, EXPRESS, IMPLIED OR OTHERWISE, INCLUDING ANY WARRANTIES OF DESIGN, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR AGAINST INFRINGEMENT. The Fair Market Value purchase price shall be paid on or before the last day of the Primary Term. "Fair Market Value" means the price of the Products, installed, in use and in the condition required by the Agreement as determined by Lessor in its reasonable judgment. If Lessee disagrees with the Fair Market Value, Lessee shall notify Lessor in writing within 60 days prior to the Expiration Date and, upon Lessee's request, and within ten (10) days after receipt of Lessee's notice, Lessor shall appoint a qualified appraiser reasonably acceptable to Lessee to appraise the retail value of the Products. The amount determined by such appraiser shall be the final Fair Market Value. Lessor and Lessee shall share the expense of such appraisal equally.

(c) If Lessee desires to renew a lease, Lessee and Lessor shall enter into a supplement to this Schedule describing the length of the renewal Lease Term and the renewal Rent provided, however, all other terms of this Schedule and the Agreement shall remain in full force and effect.

(d) Whether or not Lessee has given Lessor notice if its intent as described above, if Lessee does not return or purchase the Products or renew the Lease as required above, the Lease Term shall automatically extend on a month-to-month basis at the Rent in effect on the Expiration Date (prorated on a monthly basis if the Payment Period was other than monthly during the Primary Term). Such extension shall continue until Lessee: (i) provides thirty (30) days prior written notice of its intention to return or purchase the Products (to take effect on the next Rent payment date that is at least 30 days after the notice is received by Lessor) and (ii) either returns or purchases all of the Products in accordance with the End of Lease options above. Payments of Rent during the month-to-month extension are due and payable monthly as specified in Lessor's invoice. If Lessee fails to return or purchase any Products, the Schedule and associated Rent for the Products that have not been returned or purchased shall extend on a month-to-month basis in accordance with the prior sentence.

3. **COMPLETION OF SCHEDULE.** Lessee hereby authorizes Lessor to insert or update the serial numbers of the Products from time to time if necessary.

If Lessee delivers this signed Schedule, any amendment or other document related to this Schedule or the Master Lease (each a "Document") to Lessor by facsimile transmission, and Lessor does not receive all of the pages of that Document, Lessee agrees that, except for any pages which require a signature, Lessor may supply the missing pages to the Document from Lessor's database which conforms to the version number at the bottom of the page. If Lessee delivers a signed Document to Lessor as an e-mail attachment, facsimile transmission or by U.S. mail, Lessee acknowledges that Lessor is relying on Lessee's representation that the Document has not been altered. Lessee further agrees that, notwithstanding any rule of evidence to the contrary, in any hearing, trial or proceeding of any kind with respect to a Document, Lessor may produce a tangible copy of the Document transmitted by Lessee to Lessor by facsimile or as an e-mail attachment and such signed copy shall be deemed to be the original of the Document. To the extent (if any) that the Document constitutes chattel paper under the Uniform Commercial Code, the authoritative copy of the Document shall be the copy designated by Lessor or its assignee, from time to time, as the copy available for access and review by Lessee, Lessor or its assignee. All other copies are deemed identified as copies of the authoritative copy. In the event of inadvertent destruction of the authoritative copy, or corruption of the authoritative copy for any reason or as the result of any cause, the authoritative copy may be restored from a backup or archive copy, and the restored copy shall become the authoritative copy. At Lessor's option, this electronic record may be converted into paper form. At such time, such paper copy will be designated or marked as the authoritative copy of the Document.

By signing below, each of the parties hereto agrees to be bound by the terms of the Agreement, this Schedule and the attached Exhibit "A".

Attention: *

This Master Lease Agreement (this "Agreement"), effective as of the Effective Date set forth above, is between the Lessor and Lessee named above. Capitalized terms have the meaning set forth in this Agreement.

1. LEASE.

Lessor hereby leases to Lessee and Lessee hereby leases the equipment ("Products"), Software (defined below), and services or fees, where applicable, as described in any lease schedule ("Schedule"). Each Schedule shall incorporate by reference the terms and conditions of this Agreement and contain such other terms as are agreed to by Lessee and Lessor. Each Schedule shall constitute a separate lease of Products ("Lease"). In the event of any conflict between the terms of a Schedule and the terms of this Agreement, the terms of the Schedule shall prevail. Lessor reserves all rights to the Products not specifically granted to Lessee in this Agreement or in a Schedule. Execution of this Agreement does not create an obligation of either party to lease to or from the other.

2. ACCEPTANCE DATE; SCHEDULE.

(a) Subject to any right of return provided by the Product seller ("Seller") named on the Schedule, Products are deemed to have been irrevocably accepted by Lessee upon delivery to Lessee's ship to location ("Acceptance Date"). Lessee shall be solely responsible for unpacking, inspecting and installing the Products.

(b) Lessor shall deliver to Lessee a Schedule for Products. Lessee agrees to sign or otherwise authenticate (as defined under the Uniform Commercial Code, "UCC") and return each Schedule by the later of the Acceptance Date or five (5) days after Lessee receives a Schedule from Lessor. If the Schedule is not signed or otherwise authenticated by Lessee within the time provided in the prior sentence, then upon written notice from Lessor and Lessee's failure to cure within five (5) days of such notice, Lessor may require the Lessee to purchase the Products by paying the Product Cost charged by the Seller, plus any shipping charges, Taxes or Duties (defined below) and interest at the Overdue Rate accruing from the date the Products are shipped through the date of payment. If Lessee returns any leased Products in accordance with the Seller's return policy, it will notify Lessor. When Lessor receives a credit from the Seller for the returned Product, the Schedule will be deemed amended to reflect the return of the Product and Lessor will adjust its billing records and Lessee's invoice for the applicable Lease. In addition, Lessee and Lessor agree that a signed Schedule may be amended by written notice from Lessor to Lessee provided such notice is (i) to correct the serial (or service tag) number of Products or (ii) to adjust the related Rent (defined below) on the Schedule (any increase up to 15% or any decrease) caused by any change made by Lessee in Lessee's order with the Seller.

3. TERM.

The initial term (the "Primary Term") for each Lease shall begin on the date set forth on the Schedule as the Commencement Date (the "Commencement Date"). The period beginning on the Acceptance Date and ending on the last day of the Primary Term, together with any renewals or extensions thereof, is defined as the "Lease Term". The Lease is non-cancelable by Lessee, except as expressly provided in Section 5.

4. RENT; TAXES; PAYMENT OBLIGATION.

(a) The rental payment amount ("Rent"), and the payment period for each installment of Rent ("Payment Period") shall be stated in the Schedule. A prorated portion of Rent calculated based on a 30-day month, 90-day quarter, or 360-day year (as appropriate) for the period from the Acceptance Date to

the Commencement Date shall be added to the first payment of Rent. All Rent and other amounts due and payable under this Agreement or any Schedule shall be paid to Lessor in lawful funds of the United States of America at the payment address for Lessor set forth above or at such other address as Lessor may designate in writing from time to time. Whenever Rent and other amounts payable under a Lease are not paid when due, Lessee shall pay interest on such amounts at a rate equal to the lesser of 1% per month or the highest such rate permitted by applicable law ("Overdue Rate"). Rent shall be due and payable whether or not Lessee has received an invoice showing such Rent is due. Late charges and reasonable attorney's fees necessary to recover Rent and other amounts owed hereunder are considered an integral part of this Agreement.

(b) EACH LEASE SHALL BE A NET LEASE. In addition to Rent, Lessee shall pay sales, use, excise, purchase, property, added value or other taxes, fees, levies or assessments lawfully assessed or levied against Lessor or with respect to the Products and the Lease ("collectively "Taxes"), and customs, duties or surcharges on imports or exports (collectively, "Duties"), plus all expenses incurred in connection with Lessor's purchase and Lessee's use of the Products, including but not limited to shipment, delivery, installation, and insurance. Unless Lessee provides Lessor with a tax exemption certificate acceptable to the relevant taxing authority prior to Lessor's payment of such Taxes, Lessee shall pay to Lessor all Taxes and Duties upon demand by Lessor. Lessor may, at its option, invoice Lessee for estimated personal property tax with the Rent Payment. Lessee shall pay all utility and other charges incurred in the use and maintenance of the Products.

(c) EXCEPT AS EXPRESSLY PROVIDED IN SECTION 5, LESSEE'S OBLIGATION TO PAY ALL RENT AND OTHER AMOUNTS WHEN DUE AND TO OTHERWISE PERFORM AS REQUIRED UNDER THIS AGREEMENT AND EACH SCHEDULE SHALL BE ABSOLUTE AND UNCONDITIONAL, AND SHALL NOT BE SUBJECT TO ANY ABATEMENT, REDUCTION, SET-OFF, DEFENSE, COUNTERCLAIM, INTERRUPTION, DEFERMENT OR RECOUPMENT FOR ANY REASON WHATSOEVER WHETHER ARISING OUT OF ANY CLAIMS BY LESSEE AGAINST LESSOR, LESSOR'S ASSIGNS, THE SELLER, OR THE SUPPLIER OR MANUFACTURER OF THE PRODUCTS, TOTAL OR PARTIAL LOSS OF THE PRODUCTS OR THEIR USE OR POSSESSION, OR OTHERWISE. If any Product is unsatisfactory for any reason, Lessee shall make its claim solely against the Seller of such Product (or the Licensor in the case of Software, as defined below) and shall nevertheless pay Lessor or its assignee all amounts due and payable under the Lease.

5. APPROPRIATION OF FUNDS.

(a) Lessee intends to continue each Schedule for the Primary Term and to pay the Rent and other amounts due thereunder. Lessee reasonably believes that legally available funds in an amount sufficient to pay all Rent during the Primary Term can be obtained and agrees to do all things lawfully within its power to obtain and maintain funds from which the Rent and other amounts due may be paid.

(b) Lessee may terminate a Schedule in whole, but not in part by giving at least sixty (60) days notice prior to the end of the then current Fiscal Period (as defined in the Lessee's Secretary/Clerk's Certificate provided to Lessor) certifying that: (1) sufficient funds were not appropriated and budgeted by Lessee's governing body or will not otherwise be available to continue the Lease beyond the current Fiscal Period; and (2) that the Lessee has exhausted all funds legally available for payment of the Rent beyond the current Fiscal Period. Upon termination of the Schedule, Lessee's obligations under the Schedule (except those that expressly

survive the end of the Lease Term) and any interest in the Products shall cease and Lessee shall surrender the Products in accordance with Section 8. Notwithstanding the foregoing, Lessee agrees that, without creating a pledge, lien or encumbrance upon funds available to Lessee in other than its current Fiscal Period, it will use its best efforts to take all action necessary to avoid termination of a Schedule, including making budget requests for each Fiscal Period during each applicable Lease Term for adequate funds to meet its Lease obligations and to continue the Schedule in force.

(c) Lessor and Lessee intend that the obligation of Lessee to pay Rent and other amounts due under a Lease constitutes a current expense of Lessee and is not to be construed to be a debt in contravention of any applicable constitutional or statutory limitation on the creation of indebtedness or as a pledge of funds beyond Lessee's current Fiscal Period.

6. LICENSED MATERIALS.

Software means any operating system software or computer programs included with the Products (collectively, "Software"). "Licensed Materials" are any manuals and documents, end user license agreements, evidence of licenses, including without limitation, any certificate of authenticity and other media provided in connection with such Software, all as delivered with or affixed as a label to the Products. Lessee agrees that this Agreement and any Lease (including the sale of any Product pursuant to any purchase option) does not grant any title or interest in Software or Licensed Materials. Any use of the terms "sell," "purchase," "license," "lease," and the like in this Agreement or any Schedule with respect to Licensed Materials shall be interpreted in accordance with this Section 6.

7. USE; LOCATION; INSPECTION.

Lessee shall (a) comply with all forms and conditions of any Licensed Materials and (b) possess and operate the Products only (i) in accordance with the Seller's supply contract and any service provider maintenance and operating manuals, documentation and applicable laws; and (ii) for the business purposes of Lessee. Lessee agrees not to move Products from the location(s) specified in the Schedule without providing Lessor with at least 30 days prior written notice, and then only to a location within the continental United States and at Lessee's expense. Without notice to Lessor, Lessee may temporarily use laptop computers at other locations, including outside the United States, provided Lessee complies with the United States Export Control Administration Act of 1979 and the Export Administration Act of 1985, as those Acts are amended from time to time (or any successor or similar legislation). Provided Lessor complies with Lessee's reasonable security requirements, Lessee shall allow Lessor to inspect the premises where the Products are located from time to time during reasonable hours after reasonable notice in order to confirm Lessee's compliance with its obligations under this Agreement.

8. RETURN.

At the expiration or earlier termination of any Schedule, and except for Products purchased pursuant to any purchase option under the Lease, if any, Lessee will (a) remove all proprietary data from the Products; and (b) return them to Lessor at a place within the contiguous United States designated by Lessor. Upon return of the Products, Lessee's right to the operating system Software in returned Products will terminate and Lessee will return the Products with the original certificate of authenticity (attached and unaltered) for the original operating system Software. Lessee agrees to deinstall and package the Products for return in a manner which will protect them from damage. Lessee shall pay all costs associated with the packaging and return of the Products and shall promptly reimburse Lessor for all costs and expenses for missing or damaged Products or operating system Software. If Lessee fails to return all of the Products at the expiration of the Lease Term or earlier termination (other than for non-appropriation) in accordance with this Section, the Lease Term with respect to the Products that are not returned shall continue to be renewed as described in the Schedule.

9. RISK OF LOSS; MAINTENANCE; INSURANCE.

(a) From the time the Products are delivered to Lessee's ship to location until the Products are returned to Lessor's designated return location or purchased by Lessee, Lessee agrees: (i) to assume the risk of loss or damage to the Products; (ii) to maintain the Products in good operating condition and appearance, ordinary wear and tear excepted; (iii) to comply with all requirements necessary to enforce all warranty rights; and (iv) to promptly repair any repairable damage to the Products. For the Lease Term, Lessee shall ensure that the Products are covered by a manufacturer approved maintenance agreement or, with Lessor's prior consent, are self-maintained in

accordance with the standards set forth herein. At all times, Lessee shall provide the following insurance: (x) casualty loss insurance for the Products for no less than the Stipulated Loss Value (defined below) naming Lessor as a loss payee; (y) liability insurance with respect to the Products for no less than an amount as required by Lessor, with Lessor named as an additional insured; and (z) such other insurance as may be required by law which names Lessee as an insured and Lessor as an additional insured. Upon Lessor's prior written consent, Lessee may provide this insurance pursuant to Lessee's existing self insurance policy or as provided for under state law. Lessee shall provide Lessor with either an annual certificate of third party insurance or a written description of its self insurance policy or relevant law, as applicable. The certificate of insurance will provide that Lessor shall receive at least ten (10) days prior written notice of any material change to or cancellation of the insurance policy or Lessee's self-insurance program, if previously approved by Lessor. If Lessee does not give Lessor evidence of insurance in accordance with the standards herein, Lessor has the right, but not the obligation, to obtain such insurance covering Lessor's interest in the Products for the Lease Term, including renewals. If Lessor obtains such insurance, Lessor will add a monthly, quarterly or annual charge (as appropriate) to the Rent to reimburse Lessor for the insurance premium and Lessor's then current insurance administrative fee.

(b) If the Products are lost, stolen, destroyed, damaged beyond repair or in the event of any condemnation, confiscation, seizure or expropriation of such Products ("Casualty Products"), Lessee shall promptly (i) notify Lessor of the same and (ii) pay to Lessor the Stipulated Loss Value for the Casualty Products. The Stipulated Loss Value is an amount equal to the sum of (a) all Rent and other amounts then due and owing (including interest at the Overdue Rate from the due date until payment is received) under the Lease, plus (b) the present value of all future Rent to become due under the Lease during the remainder of the Lease Term, plus (c) the present value of the estimated in place Fair Market Value of the Product at the end of the Primary Term as determined by Lessor; plus (d) all other amounts to become due and owing during the remaining Lease Term. Unless priced as a tax-exempt Schedule, each of (b) and (c) shall be calculated using the federal funds rate target reported in the Wall Street Journal on the Commencement Date of the applicable Schedule. The discount rate applicable to tax-exempt Schedules shall be federal funds rate target reported in the Wall Street Journal on the Commencement Date of the applicable Schedule less 100 basis points.

10. ALTERATIONS.

Lessee shall, at its expense, make such alterations to the Products during the Lease Term as are legally required or provided at no charge by Seller. Lessee may make other alterations, additions or improvements to the Products provided that any alteration, addition or improvement shall be readily removable and shall not materially impair the value or utility of the Products. Upon the return of any Product to Lessor, any alteration, addition or improvement that is not removed by Lessee shall become the property of Lessor free and clear of all liens and encumbrances.

11. REPRESENTATIONS AND WARRANTIES OF LESSEE.

Lessee represents, warrants and covenants to Lessor and will provide to Lessor at Lessor's request all documents deemed necessary or appropriate by Lessor, including Certificates of Insurance, financial statements, Secretary or Clerk Certificates, essential use information or documents (such as affidavits, notices and similar instruments in a form satisfactory to Lessor) and Opinions of Counsel (in substantially such form as provided to Lessee by Lessor and otherwise satisfactory to Lessor) to the effect that, as of the time Lessee enters into this Agreement and each Schedule that:

(a) Lessee is an entity duly organized and existing under and by virtue of the authorizing statute or constitutional provisions of its state and is a state or political subdivision thereof as described in Section 103(a) of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder as in effect and applicable to the Agreement or any Schedule, with full power and authority to enter into this Agreement and any Schedules and perform all of its obligations under the Leases;

(b) This Agreement and each Schedule have been duly authorized, authenticated and delivered by Lessee by proper action of its governing board at a regularly convened meeting and attended by the requisite majority of board members, or by other appropriate official authentication, as applicable, and all requirements have been met and procedures have occurred in order to ensure the validity and enforceability of this Agreement against Lessee;

(c) This Agreement and each Schedule constitute the valid, legal and binding obligations of Lessee, enforceable in accordance with their terms;

(d) No other approval, consent or withholding of objection is required from any federal, state or local governmental authority or instrumentality with respect to the entering into or performance by Lessee of the Agreement or any Schedule and the transactions contemplated thereby;

(e) Lessee has complied with such public bidding requirements and other state and federal laws as may be applicable to the Agreement and any Schedule and the acquisition by Lessee of the Products;

(f) The entering into and performance of the Agreement or any Schedule will not (i) violate any judgment, order, law or regulation applicable to Lessee; (ii) result in any breach of, or constitute a default under, any instrument to which the Lessee is a party or by which it or its assets may be bound; or (iii) result in the creation of any lien, charge, security interest or other encumbrance upon any assets of the Lessee or on the Products, other than those created pursuant to this Agreement;

(g) There are no actions, suits, proceedings, inquiries or investigations, at law or in equity, before or by any court, public board or body, pending or threatened against or affecting Lessee, nor to the best of Lessee's knowledge and belief is there any basis therefor, which if determined adversely to Lessee will have a material adverse effect on the ability of Lessee to fulfill its obligations under the Agreement or any Schedule;

(h) The Products are essential to the proper, efficient and economic operation of Lessee or to the services which Lessee provides to its citizens. Lessee expects to make immediate use of the Products, for which it has an immediate need that is neither temporary nor expected to diminish during the applicable Lease Term. The Products will be used for the sole purpose of performing one or more of Lessee's governmental or proprietary functions consistent within the permissible scope of Lessee's authority; and

(i) Lessee has, in accordance with the requirements of law, fully budgeted and appropriated sufficient funds to make all Rent payments and other obligations under this Agreement and any Schedule during the current Fiscal Period, and such funds have not been expended for other purposes.

12. WARRANTY ASSIGNMENT; EXCLUSION OF WARRANTIES; LIMITATIONS ON LIABILITY; FINANCE LEASE.

(a) Provided no Event of Default has occurred and is continuing, Lessor assigns to Lessee for the Lease Term the benefit of any Product warranty and right of return provided by any Seller.

(b) LESSEE ACKNOWLEDGES THAT LESSOR DID NOT SELECT, MANUFACTURE, SUPPLY OR LICENSE ANY PRODUCT AND THAT LESSEE HAS MADE THE SELECTION OF PRODUCTS BASED UPON ITS OWN JUDGMENT AND EXPRESSLY DISCLAIMS ANY RELIANCE ON STATEMENTS MADE BY LESSOR OR ITS AGENTS. LESSOR LEASES THE PRODUCTS AS-IS AND MAKES NO WARRANTY, EXPRESS, IMPLIED, OR OTHERWISE, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTIES OF DESIGN, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE. LESSEE HEREBY WAIVES ANY CLAIM IT MIGHT HAVE AGAINST LESSOR OR ITS ASSIGNEE FOR ANY LOSS, DAMAGE OR EXPENSE CAUSED BY OR WITH RESPECT TO ANY PRODUCTS.

(c) IN NO EVENT SHALL LESSOR BE LIABLE FOR ANY ACTUAL, SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR RELATED TO THIS AGREEMENT, ANY SCHEDULE OR THE SALE, LEASE OR USE OF ANY PRODUCTS EVEN IF LESSOR IS ADVISED IN ADVANCE OF THE POSSIBILITY OR CERTAINTY OF SUCH DAMAGES AND EVEN IF LESSEE ASSERTS OR ESTABLISHES A FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY PROVIDED IN THIS AGREEMENT.

(d) Lessee agrees that it is the intent of both parties that each lease qualify as a statutory finance lease under Article 2A of the UCC. Lessee acknowledges either (i) that Lessee has reviewed and approved any written supply contract covering the Products purchased from the Seller for lease to Lessee or (ii) that Lessor has informed or advised Lessee, in writing, either previously or by this Agreement, that Lessee may have rights under the supply contract evidencing the purchase of the Products and that Lessee should contact the Seller for a description of any such rights. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, LESSEE HEREBY WAIVES ALL RIGHTS AND REMEDIES CONFERRED UPON A LESSEE BY ARTICLE 2A OF THE UCC.

13. EVENTS OF DEFAULT.

It shall be an event of default hereunder and under any Schedule ("Event of Default") if:

(a) Lessee fails to pay any Rent or other amounts payable under this Agreement or any Schedule within 15 days after the date such payment is due;

(b) Any representation or warranty made by Lessee to Lessor in connection with this Agreement, any Schedule or any other Documents is at the time made materially untrue or incorrect;

(c) Lessee fails to comply with any other obligation or provision of this Agreement or any Schedule and such failure shall have continued for 30 days after notice from Lessor;

(d) Lessee (i) is generally not paying its debts as they become due or (ii) takes action for the purpose of invoking the protection of any bankruptcy or insolvency law, or any such law is invoked against or with respect to Lessee or its property and such petition is not dismissed within 60 days;

(e) Any provision of this Agreement ceases to be valid and binding on Lessee, is declared null and void, or its validity or enforceability is contested by Lessee or any governmental agency or authority whereby the loss of such provision would materially adversely affect the rights or security of Lessor, or Lessee denies any further liability or obligation under this Agreement; or

(f) Lessee is in default under any other lease, contract, or obligation now existing or hereafter entered into with Lessor or Seller or any assignee of Lessor.

14. REMEDIES; TERMINATION.

(a) Upon an Event of Default under any Schedule, all of Lessee's rights (including its rights to the Products), but not its obligations thereunder, shall automatically be canceled without notice and Lessor may exercise one or more of the following remedies in its sole discretion:

(i) require Lessee to return any and all such Products in accordance with Section 8, or if requested by Lessor, to assemble the Products in a single location designated by Lessor and to grant Lessor the right to enter the premises where such Products are located (regardless of where assembled) for the purpose of repossession;

(ii) sell, lease or otherwise dispose of any or all Products (as agent and attorney-in-fact for Lessee to the extent necessary) upon such terms and in such manner (at public or private sale) as Lessor deems advisable in its sole discretion ("Disposition");

(iii) declare immediately due and payable as a pre-estimate of liquidated damages for loss of bargain and not as a penalty, the Stipulated Loss Value of the Products in lieu of any further Rent, in which event Lessee shall pay such amount to Lessor within 10 days after the date of Lessor's demand; or

(iv) proceed by appropriate court action either at law or in equity (including action for specific performance) to enforce the performance by Lessee or recover damages associated with such Event of Default or exercise any other remedy available to Lessor in law or in equity.

(b) Lessee shall pay all costs and expenses arising or incurred by Lessor, including reasonable attorney fees, in connection with or related to an Event of Default or the repossession, transportation, re-furbishing, storage and Disposition of any or all Products ("Default Expenses"). In the event Lessor recovers proceeds (net of Default Expenses) from its Disposition of the Products, Lessor shall credit such proceeds against the owed Stipulated Loss Value. Lessee shall remain liable to Lessor for any deficiency. With respect to this Section, to the extent the proceeds of the Disposition (net of Default Expenses) exceed the Stipulated Loss Value owed under the Lease, or Lessee has paid Lessor the Stipulated Loss Value, the Default Expenses and all other amounts owing under the Lease, Lessee shall be entitled to such excess and shall have no further obligations with respect to such Lease. All rights of Lessor are cumulative and not alternative and may be exercised by Lessor separately or together.

15. QUIET ENJOYMENT.

Lessor shall not interfere with Lessee's right to possession and quiet enjoyment of Products during the relevant Lease Term, provided no Event of Default has occurred or is continuing. Lessor represents and warrants that as of the Commencement Date of the applicable Schedule, Lessor has the right to lease the Products to Lessee.

16. INDEMNIFICATION.

To the extent permitted by law, Lessee shall indemnify, defend and hold Lessor, its assignees, and their respective officers, directors, employees, representatives and agents harmless from and against, all claims, liabilities, costs or expenses, including legal fees and expenses (collectively, "Claims"),

arising from or incurred in connection with this Agreement, any Schedule, or the selection, manufacture, possession, ownership, use, condition, or return of any Products (including Claims for personal injury or death or damage to property, and to the extent Lessee is responsible, Claims related to the subsequent use or disposition of the Products or any data in or alteration of the Products. This indemnity shall not extend to any loss caused solely by the gross negligence or willful misconduct of Lessor. Lessee shall be responsible for the defense and resolution of such Claim at its expense and shall pay any amount for resolution and all costs and damages awarded against or incurred by Lessor or any other person indemnified hereunder; provided, however, that any person indemnified hereunder shall have the right to participate in the defense of such Claim with counsel of its choice and at its expense and to approve any such resolution. Lessee shall keep Lessor informed at all times as to the status of the Claim.

17. OWNERSHIP; LIENS AND ENCUMBRANCES; LABELS.

As between Lessor and Lessee, title to the Products (other than the Licensed Materials) is and shall remain with Lessor. Products are considered personal property and Lessee shall, at Lessee's expense, keep the Products free and clear of liens and encumbrances of any kind (except those arising through the acts of Lessor) and shall immediately notify Lessor if Lessor's interest is subject to compromise. Lessee shall not remove, cover, or alter plates, labels, or other markings upon Products by Lessor, Seller or any other supplier.

18. NON-PERFORMANCE BY LESSEE.

If Lessee shall fail to perform any of its obligations hereunder or under any Schedule, Lessor shall have the right but not the obligation to effect such performance and Lessee shall promptly reimburse Lessor for all out of pocket and other reasonable expenses incurred in connection with such performance, with interest at the Overdue Rate.

19. NOTICES.

All notices shall be given in writing and, except for billings and communications in the ordinary course of business, shall be delivered by overnight courier service, delivered personally or sent by certified mail, return receipt requested, and shall be effective on the date of receipt unless mailed, in which case the effective date will be four (4) Business Days after the date of mailing. Notices to Lessor by Lessee shall be sent to: Dell Financial Services L.L.C., Legal Department, One Dell Way, Round Rock, TX 78682, or such other mailing address designated in writing by Lessor. Notices to Lessee shall be to the address on the first page of this Agreement or such other mailing address designated in writing by Lessee.

20. ASSIGNMENT.

(a) LESSEE MAY ASSIGN THIS AGREEMENT OR ANY SCHEDULE, OR SUBLEASE ANY PRODUCT(S) WITH THE PRIOR WRITTEN CONSENT OF LESSOR (SUCH CONSENT NOT TO BE UNREASONABLY WITHHELD). LESSOR, AT ITS SOLE DISCRETION, MAY ASSESS AN ADMINISTRATIVE FEE FOR ANY APPROVED ASSIGNMENT OR SUBLEASE. No assignment or sublease shall in any way discharge Lessee's obligations to Lessor under this Agreement or Schedule.

(b) Lessor may at any time without notice to Lessee, but subject to the rights of Lessee, transfer, assign, or grant a security interest in any Product, this Agreement, any Schedule, or any rights and obligations hereunder or thereunder in whole or in part. Lessee hereby consents to such assignments, agrees to comply fully with the terms thereof, and agrees to execute and deliver promptly such acknowledgments, opinions of counsel and other instruments reasonably requested to effect such assignment.

(c) Subject to the foregoing, this Agreement and each Schedule shall be binding upon and inure to the benefit of Lessor, Lessee and their successors and assigns.

21. GOVERNING LAW; JURISDICTION AND VENUE; WAIVER OF JURY TRIAL.

THIS AGREEMENT AND EACH SCHEDULE SHALL BE GOVERNED BY CALIFORNIA LAW WITHOUT REGARD TO ITS CONFLICTS OF LAW PRINCIPLES AND, TO THE EXTENT APPLICABLE, THE ELECTRONIC SIGNATURES IN GLOBAL AND NATIONAL COMMERCE ACT. LESSEE CONSENTS TO THE JURISDICTION OF ANY FEDERAL COURT LOCATED IN LOS ANGELES COUNTY, CALIFORNIA AND WAIVES ANY OBJECTION TO VENUE IN SUCH COURT, AND FURTHER WAIVES ANY RIGHT TO A TRIAL BY JURY.

22. MISCELLANEOUS.

(a) The headings used in this Agreement are for convenience only and shall have no legal effect. This Agreement shall be interpreted without any strict construction in favor of or against either party.

(b) The provisions of Sections 6, 8, 11, 12(b), 12(c), 12(d), 16, 21 and 22 shall continue in full force and effect even after the termination or expiration of this Agreement or any Schedule.

(c) Failure of Lessor at any time to require Lessee's performance of any obligation shall not affect the right to require performance of that obligation. No term, condition or provision of this Agreement or any Schedule shall be waived or deemed to have been waived by Lessor unless it is in writing and signed by a duly authorized representative of Lessor. A valid waiver is limited to the specific situation for which it was given.

(d) Lessee shall furnish such financial statements of Lessee (prepared in accordance with generally accepted accounting principles) and other information as Lessor may from time to time reasonably request.

(e) If any provision(s) of this Agreement is deemed invalid or unenforceable to any extent (other than provisions going to the essence of this Agreement) the same shall not in any respect affect the validity, legality or enforceability (to the fullest extent permitted by law) of the remainder of this Agreement and the parties shall use their best efforts to replace such illegal, invalid or unenforceable provision with an enforceable provision approximating, to the extent possible, the original intent of the parties.

(f) Unless otherwise provided, all obligations hereunder shall be performed or observed at the respective party's expense.

(g) Lessee shall take any action reasonably requested by Lessor for the purpose of fully effectuating the intent and purposes of this Agreement or any Schedule. If any Lease is determined to be other than a true lease, Lessee hereby grants to Lessor a first priority security interest in the Products and all proceeds thereof. Lessee acknowledges that by signing this Agreement, Lessee has authorized Lessor to file any financing statements or related filings as Lessor may reasonably deem necessary or appropriate. Lessor may file a copy of this Agreement or any Schedule in lieu of a financing statement.

(h) This Agreement and any Schedule may be signed in any number of counterparts each of which when so executed or otherwise authenticated and delivered shall be an original but all counterparts shall together constitute one and the same instrument. To the extent each Schedule would constitute chattel paper as that term is defined in the UCC, no security interest may be created through the transfer or control or possession, as applicable, of a counterpart of a Schedule other than the original in Lessor's possession marked by Lessor as either "original" or "Counterpart Number 1".

(i) This Agreement and the Schedules hereto between Lessor and Lessee set forth all of the understandings and agreements between the parties and supersede and merge all prior written or oral communications, understandings, or agreements between the parties relating to the subject matter contained herein. Except as permitted herein, this Agreement and any Schedule may be amended only by a writing duly signed or otherwise authenticated by Lessor and Lessee.

(j) If Lessee delivers this signed Master Lease, or any Schedule, amendment or other document related to the Master Lease (each a "Document") to Lessor by facsimile transmission, and Lessor does not receive all of the pages of that Document, Lessee agrees that, except for any pages which require a signature, Lessor may supply the missing pages to the Document from Lessor's database which conforms to the version number at the bottom of the page. If Lessee delivers a signed Document to Lessor as an e-mail attachment, facsimile transmission or by U.S. mail, Lessee acknowledges that Lessor is relying on Lessee's representation that the Document has not been altered. Lessee further agrees that, notwithstanding any rule of evidence to the contrary, in any hearing, trial or proceeding of any kind with respect to a Document, Lessor may produce a tangible copy of the Document transmitted by Lessee to Lessor by facsimile or as an e-mail attachment and such signed copy shall be deemed to be the original of the Document. To the extent (if any) that the Document constitutes chattel paper under the Uniform Commercial Code, the authoritative copy of the Document shall be the copy designated by Lessor or its assignee, from time to time, as the copy available for access and review by Lessee, Lessor or its assignee. All other copies are deemed identified as copies of the authoritative copy. In the event of inadvertent destruction of the authoritative copy, or corruption of the authoritative copy for any reason or as the result of any cause, the authoritative copy may be restored from a backup or archive copy, and the restored copy shall become the authoritative copy. At Lessor's option, this electronic record may be converted into paper form. At such time, such paper copy will be designated

or marked as the authoritative copy of the Document.

TITLE

APPROVE AN AGREEMENT WITH POWERPHONE FOR EMERGENCY MEDICAL DISPATCH SOFTWARE FOR THE TERM JANUARY 23, 2024 THROUGH JANUARY 22, 2026, WITH AN OPTION TO RENEW FOR TWO ADDITIONAL YEARS, FOR A TOTAL NOT TO EXCEED AMOUNT OF \$41,404.30

EXECUTIVE SUMMARY

The proposed Agreement with PowerPhone provides mandated services, training, certification, and support for the Redondo Beach Police Department Communications Unit to perform Emergency Medical Dispatch (EMD) duties, which include providing enhanced medical assistance and pre-arrival instructions during medical emergencies. Funding for implementing an EMD program was included in the Police Department's Fiscal Year 2023-24 operating budget.

BACKGROUND

The PowerPhone EMD system will provide enhanced medical assistance from the City's Communications Center. EMD is performed by Communications Dispatchers through a process that allows them to quickly narrow down the type of medical emergency. With this knowledge, Dispatchers follow EMD recommendations for what resources to dispatch and provide scripted medical instructions to assist with patient care prior to the arrival of emergency services. If approved, the EMD program in the Redondo Beach Communications Center can be implemented as soon as February, 2024.

Historically, the Redondo Beach Communications Center has not performed EMD or provided pre-arrival instructions for medical emergencies. Initiating the PowerPhone EMD program has the potential to enhance life-saving efforts during medical emergencies. The Los Angeles County Department of Health Services currently mandates all agencies that dispatch Emergency Medical Services (EMS) to incorporate pre-arrival instructions for callers. EMD would satisfy that mandate and provide the highest level of care for individuals utilizing the 911 system in Redondo Beach.

The PowerPhone EMD system would also improve emergency resource usage by initiating response from the closest resource unit upon receipt of a 911 call, rather than deploying a single high-level response package for most medical emergencies. Dispatchers would then follow a nationally validated questioning process provided by the EMD program to tailor additional resources appropriate for the medical emergency. This process improves response times and uses emergency resources more efficiently by getting a resource on-scene faster and tailoring total response to the

individualized event.

Dispatchers are required to complete 24-hours of training and pass various examinations to obtain EMD certification, and must also complete a recertification every two years by completing 24-hours of continued training. PowerPhone EMD is evaluated by a Quality Assessment/Quality Improvement (QA/QI) program to confirm program outcomes. A Communications Supervisor, or a third-party, reviews emergency calls and confirms that dispatchers follow EMD protocol. Training content to improve EMD performance is authorized by a medical advisor that provides oversight of the program. Dr. Sam Stratton currently serves as the Medical Director for Emergency Medical Services and would provide EMD program oversight.

COORDINATION

The Police Department coordinated with the Fire Department, Information Technology Department, and the City Attorney's Office to prepare the agreement. Implementation will be subject to the meet and confer process with represented employees, as it will represent a change in working conditions.

FISCAL IMPACT

Funding was approved in the FY 2023-24 Police Department budget through the Emergency Communications Fund. Dispatchers performing the mandated EMD duties received a 10% increase in pay as part of their recently approved MOU as compensation for the additional responsibilities.

TOTAL RESPONSE

Stand Alone (SA) Version Implementation & Service Agreement

**Prepared for:
Jason Kilpatrick**

**1/11/2024
Document # 21843**

Introduction

Total Response Stand Alone (SA) Call Handling System. This document provides an overview of the implementation process, the responsibilities of both organizations in the process, and identification of key personnel who will be involved in ensuring a successful implementation of the system.

PowerPhone's Proposed Solution

PowerPhone will implement a Total Response Stand Alone (SA) Call Handling Solution for City of Redondo Beach. The delivered solution will include Total Response SA software for call handling and provide access to PowerPhone's full range of educational services. The process to implement and realize the full benefits of the system will be led by a dedicated PowerPhone Implementation Manager assigned to your agency. Of critical importance to the success of this initiative is a close working relationship between PowerPhone and City of Redondo Beach to set objectives, fulfill deliverables, and secure full adoption of this system among all end users. Ongoing use of the Total Response SA system will help ensure that your agency's performance goals are met. You will be able to measure your success, identify areas for improvement, and get a complete view of call handling with tools and knowledge the Total Response SA system provides you.

Total Response SA Implementation Process

Implementing Total Response SA is a partnership between PowerPhone and City of Redondo Beach. PowerPhone will work closely with you in all phases of deploying your Total Response SA system, from installation to education to launch. PowerPhone will work with you to set a schedule of deliverables that brings you from "Kickoff" to "Go Live" as quickly as possible. To achieve this, it is important for all stakeholders at your agency to understand and agree to identified timelines.

Your agency will be assigned a dedicated PowerPhone Implementation Manager (IM) to bring Total Response SA to your agency. Our IMs have both deep experience in emergency communications and expert knowledge of Total Response SA. ***Keeping in consistent contact with your assigned PowerPhone IM is of vital importance.*** Below are the major milestones in your implementation project. Please note that these milestones are not inclusive of all the work a project may entail, and that tasks that fall within each milestone may overlap as we work to launch your Total Response SA system as soon as possible.

1. Kickoff. Not just a mere formality, the kickoff phase sets expectations for the project and puts your agency and PowerPhone on a path to success. During this phase, your assigned PowerPhone IM identifies who will be responsible for completing various tasks on the project and reviews deliverables and timelines. This phase will also include a formal kick-off meeting to outline everything for all parties who will be involved in the project.

During the KOC (kick off call) you will be introduced to the project planning program site and added as an interactive team member. This site will allow you to view the project tasks from start to finish and will include task for you (customer) and your IM (Implementation Manager). The outline includes, Kick-off, Installation, Online Training, End User Training and Go Live. Another aspect of the KOC is to review the Site License Training Program and review best practices for your agency's guide through courses. Together we will create a training plan for your agency.

2. Installation. Technical personnel at City of Redondo Beach will be fully empowered to install Total Response SA in the agency's operating environment. Your IM will provide you with installation instructions that will lead your personnel step-by-step through the process.

Your IM will guide the process and scheduling of the installations being sent. Installation of the program requires administrative access to the workstations. The install instructions and license will be included in an email from our Tech team. The program is downloaded to one workstation and then copied to removable drive and process is repeated for subsequent workstations. Both your IM and Technician will be available for any assistance during the installation process. Once your program is downloaded it will be ready for use.

3. Education. Your current telecommunicators and any new telecommunicators hired within the term of Annual Service Plan will have unlimited access to PowerPhone's full portfolio of self-paced online courseware through PowerPhone's Site Licensed Training (SLT) offering. This includes Total Response SA application training, Emergency Medical Dispatch, Fire Service Dispatch, Law Enforcement Dispatch, Call Assessment, and Continuing Education on specialized topics. Certification is available but not required.

During the KOC your IM will explore the SLT with you. A best practice program plan will be developed specifically for your agency's needs. There are currently 2 course offerings that will train your agency staff in the use of the program. In addition to the SLT courses your IM will be available to schedule live webinar

trainings should your agency require them. You will be asked to provide a current roster to your IM to begin enrollments. A timeframe for enrollments and completion of courses will be established during the KOC.

4. Go Live. In the event of unresolved issues, technicians will be assigned based on the seriousness level of the problem to promptly resolve the issue within a specified time frame as follows. Once contacted for a priority one technical error, technical support personnel will attempt to resolve the question or problem immediately. If the question or problem cannot be resolved immediately, PowerPhone will provide a resolution or follow-up plan within 24 business hours. Emergency Support is available twenty-four (24) hours per day, seven (7) days per week for Priority 1 errors. Customer shall be provided with a technical support phone number. A technical support representative will return the call within one hour. After all other milestones have been reached, your Total Response SA system is ready for production use. Your IM will coordinate a date for your go live and be available along with PowerPhone technicians to assist as City of Redondo Beach takes this critical step on the path to more consistent and effective call handling.

Once your agency has completed the courses as established by your agency and have had sufficient time to acclimate to the program you will set a go live date. A go live date is the time when your call-takers begin to process live calls utilizing the TR SA program. Once the installation is complete, the program is available to use. It is strongly encouraged to have your agency staff practice and become familiar with the program prior to setting the go live date. Working together with your IM you will determine when your team is trained and ready for processing live calls.

Key Personnel and Responsibilities

PowerPhone will assign an Implementation Manager (IM) who will be in touch with you within 10 business days after this agreement is finalized. To streamline communication during the implementation process, your assigned IM will be the sole point of contact during implementation. If you have any questions before you are contacted by your IM, please contact your Account Manager:

Administrative Report

H.8., File # 23-7085

Meeting Date: 1/23/2024

To: MAYOR AND CITY COUNCIL
From: JOSEPH HOFFMAN, CHIEF OF POLICE

TITLE

APPROVE AN AGREEMENT WITH SPIDR TECH FOR CUSTOMER ENGAGEMENT SOFTWARE FOR A TOTAL AMOUNT NOT TO EXCEED \$108,579.40 AND THE TERM FEBRUARY 6, 2024 THROUGH FEBRUARY 5, 2029

EXECUTIVE SUMMARY

Approval of this Agreement will continue the Police Department's use of existing SPIDR Tech mobile survey analysis services for up to five additional years. SPIDR Tech's mobile survey software has been a highly valuable community engagement and citizen response tool.

BACKGROUND

The SPIDR Tech platform engages citizens that request services through the City of Redondo Beach Communications Center, provides immediate automated messaging specific to their issue, and conducts a mobile survey analysis. This platform provides immediate reporting party acknowledgment messages in most circumstances when a citizen calls the Communications Center and requests services. The Police Department has enabled certain types of calls and events that trigger the messages to be sent and all of the messages have been customized to provide information relevant to the specific incident or event the citizen is calling about. Approximately 80% of all call types have associated messages that can be sent with this platform. Information included in the text message provides confirmation of the request for service, case or incident number, contact information, how to follow up, and links to other useful information.

In addition to the auto response feature, the SPIDR Tech platform implemented a mobile survey feature that allows for reporting party surveys. These surveys provide the Police Department with valuable feedback and the ability to measure community interactions. This feature was enabled for the Police Department in June 2018. Since being enabled, thousands of surveys have been sent out. The surveys are only sent to citizens that have called the Communications Center, requested services, and received the previously mentioned reporting party acknowledgment message. The surveys are sent via text message shortly after the first message. Each survey consists of six multiple choice questions and a space for free comments.

On January 3, 2017, the City Council approved an agreement with SPIDR Tech for the purchase and installation of the SPIDR engage customer engagement platform. The extended time frame of initial set-up and implementation resulted in a first amendment to the SPIDR Tech subscription agreement being approved by City Council on March 6, 2018, allowing the platform to function fully. The second

amendment extended the term of the Agreement to January 4, 2024, which was approved by Council on February 5, 2019. Approval of this item would renew the subscription for five years beginning February 6, 2024 through February 5, 2029.

In 2022, SPIDR Tech enhanced their platform to allow for public engagement with crime victims to relay case status updates based to the victim's telephone number and/or e-mail address as provided upon completion of a police report. The Police Department Investigations Division has established the types of cases that that will relay updates to crime victims via text message or e-mail. The information relayed also includes the Case number, the assigned investigator, the date of the case status update and the action completed that activated the case status update to be sent. This enhancement also offers a victim survey for the public to complete similar to the Communications Center response.

SPIDR Tech, has been an effective partner for the Police Department in establishing a reliable customer engagement platform that puts the community in closer contact with the Department while providing valuable community insights that can be used to enhance Department performance.

Executive Summary

SPIDR Tech was founded by former law enforcement officers to help law enforcement agencies leverage their own data to improve public perception and increase efficiency by providing excellent customer service. Following extensive market research, we designed and built the world's first comprehensive customer service infrastructure for law enforcement with the goal of improving communication and transparency between agency and community.

Overview of the Technology

The SPIDR Tech Platform is designed to incorporate relevant data from your agency's Records Management System (RMS) and/or Computer Aided Dispatch (CAD) system to automatically generate and send customized text and email messages to victims of crime and reporting parties. Subsequently, customers will receive mobile-friendly surveys comprised of questions chosen by your agency that can be utilized to measure community trust and satisfaction.

The platform offered in this proposal is entirely Software-as-a-Service (SaaS) and requires no hardware to be installed locally with the agency. The software can be accessed using any modern browser, such as Chrome, Firefox, Safari, and Edge.

Your agency can push data to the SPIDR Tech Platform via our Application Program Interface (API), or the SPIDR Tech deployment team can read data from a server through a secure connection.

1. Provision of the Service.

1.1 Provision Generally. SPIDR Tech will provide Customer with access to SPIDR Tech's proprietary service for the modules specified in the Sales Proposal (collectively the "Service") in accordance with the terms and conditions of this Agreement. In order to access and use the Service, Customer is responsible at its own expense for obtaining its own Internet access, and any hardware and software required therefor.

1.2 Grant of Rights. Subject to the terms and conditions of this Agreement, SPIDR Tech hereby grants to Customer a limited, non-exclusive, non-transferable right to access and use the Service, solely for Customer's purposes during the Term. All rights not expressly granted to Customer are reserved by SPIDR Tech and its licensors. There are no implied rights.

1.3 Restrictions. Customer shall not (and shall not allow any third party to): (a) use the Service for the benefit of any third party, or to develop or market any product, software or service that is functionally similar to or derivative of the Service, or for any other purpose not expressly permitted herein; (b) permit any third party or individual to access or use the Service; (c) sell, distribute, rent, lease, service bureau, post, link, disclose or provide access to the Service, directly or indirectly, to any third party; (d) alter, modify, debug, reverse engineer, decompile, disassemble, or otherwise attempt to derive or gain access to any software (including source code) associated with the Service; or (e) use any robot, spider, scraper or other automated means to access the Service, or engage in any scraping, data-mining, harvesting, screen-scraping, data aggregating or indexing of the Service. Customer shall keep all passwords and API Keys provided to it safe and secure, and shall be responsible for all use of the Service using passwords or API keys issued to Customer. Customer shall notify SPIDR Tech immediately of any actual or suspected unauthorized use of its passwords or API keys for the Service. Without limiting any of its other rights or remedies, SPIDR Tech reserves the right to suspend access to the Service if SPIDR Tech reasonably believes that Customer has materially violated the restrictions and obligations in this Agreement (in which case, it shall provide Customer prompt written notice of such suspension).

1.4 Customer Cooperation. Customer shall: (a) reasonably cooperate with SPIDR Tech in all matters relating to the Service; (b) respond promptly to any SPIDR Tech request to provide information, approvals, authorizations or decisions that are reasonably necessary for SPIDR Tech to provide the Service in accordance with this Agreement; and (c) provide such Customer materials or information as SPIDR Tech may reasonably request to provide the Service and ensure that such materials or information are complete and accurate in all material respects.

SPIDR Tech shall use commercially reasonable efforts to provide twenty-four (24) hour advance notice to Customer in the event of any scheduled Downtime. SPIDR Tech shall have no obligation during performance of such operations to mirror Customer Data on any other server or to transfer Customer Data to any other server. SPIDR Tech shall use commercially reasonable efforts to minimize any disruption, inaccessibility and/or inoperability of the service in connection with Downtime, whether scheduled or not.

4. Ownership. Customer acknowledges and agrees that as between SPIDR Tech and Customer, all right, title and interest in and to the Service (including the data, information, text, images, designs, sound, music, marks, logos, compilations (meaning the collection, arrangement and assembly of information) and other content on or made available through the Service, other than Customer Data), the SPIDR Tech Technology and all improvements and derivatives of the foregoing (including all intellectual property and proprietary rights embodied therein or associated therewith) are and shall remain owned by SPIDR Tech or its licensors, and this Agreement in no way conveys any right, title or interest in the Service or the SPIDR Tech Technology other than a limited right to use the Service in accordance with the terms and conditions herein. No right or license is granted hereunder to Customer under any trademarks, service marks, trade names or logos. 5.2 Taxes. All amounts due hereunder are exclusive of all sales, use, excise, service, value added, or other taxes, duties and charges of any kind (whether foreign, federal, state, local or other) associated with this Agreement, the Service, or Customer's access to the Service. Customer shall be solely responsible for all such taxes, duties and charges (except for taxes imposed on SPIDR Tech's income), which may be invoiced by SPIDR Tech from time-to-time.

5.3 Payment Method. Customer shall make all payments hereunder, in US dollars, in the manner specified by SPIDR Tech, and without deduction of any charges, taxes or other amounts.

5.4 Late Payments. Reserved.

The entire term before termination is collectively referred to as the "Term" herein.

6.2 Termination for Breach. Either Party may terminate this Agreement by written notice thereof to the other Party, if the other Party materially breaches this Agreement and does not cure such breach within 30 days after written notice thereof.

Except as specified otherwise in this Agreement (including the Sales Proposal), Customer shall be solely responsible for providing, updating, uploading and maintaining all Customer Data. The content of Customer Data shall be Customer’s sole responsibility. SPIDR Tech shall operate the Service in a manner that provides reasonable information security for Customer Data, using commercially reasonable data backup, security, and recovery protections (as regulated by CJIS requirements).

8.2 SPIDR Tech Limited Warranty. SPIDR Tech warrants that it will provide the Service in a competent and workmanlike manner. SPIDR Tech does not warrant that it will be able to correct all reported defects or that use of the Service will be uninterrupted or error free. SPIDR Tech makes no warranty regarding features or services provided by any third parties. SPIDR Tech retains the right to modify its services and the SPIDR Tech Technology in its sole discretion; provided that doing so does not have a material adverse impact on the Service hereunder. Customer’s sole remedy for SPIDR Tech’s breach of the warranty in this paragraph shall be that SPIDR Tech shall remedy the applicable error, or if SPIDR Tech is unable to do so in a timely manner, refund to Customer actual damages.

8.3 Disclaimer. EXCEPT FOR THE WARRANTIES SET FORTH IN SECTIONS 8.1-8.2 ABOVE, SPIDR TECH MAKES NO REPRESENTATION OR WARRANTY WHATSOEVER, AND HEREBY DISCLAIMS ALL REPRESENTATIONS AND WARRANTIES, WITH RESPECT TO THE SERVICE (IN EACH CASE WHETHER EXPRESS OR IMPLIED BY LAW, COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OF TRADE OR OTHERWISE), INCLUDING ANY WARRANTY (A) OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT, (B) THAT THE SERVICE WILL MEET CUSTOMER’S REQUIREMENTS, WILL ALWAYS BE AVAILABLE, ACCESSIBLE, UNINTERRUPTED, TIMELY, SECURE OR OPERATE WITHOUT ERROR, (C) AS TO THE RESULTS THAT MAY BE OBTAINED FROM THE USE OF THE SERVICE, OR (D) AS TO THE ACCURACY OR RELIABILITY OF ANY INFORMATION OBTAINED FROM THE SERVICE.

9. Limitations of Liability.

9.2 TO THE FULLEST EXTENT PERMISSIBLE BY LAW, SPIDR TECH’S TOTAL LIABILITY FOR ALL DAMAGES ARISING OUT OF OR RELATED TO THE SERVICE OR THIS AGREEMENT, WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE, SHALL NOT EXCEED THE TOTAL AMOUNT OF FEES PAID BY CUSTOMER TO SPIDR TECH UNDER THIS AGREEMENT DURING THE PRIOR 6 MONTHS.

9.3 Disclaimer of Indirect Damages. EXCEPT FOR (A) CUSTOMER’S OBLIGATION TO PAY ALL AMOUNTS DUE HEREUNDER, (B) ITS INDEMNIFICATION OBLIGATIONS OR (C) ITS BREACH OF ANY INTELLECTUAL PROPERTY OR CONFIDENTIALITY OBLIGATIONS OR RESTRICTIONS HEREIN (INCLUDING ANY LIMITATIONS OR RESTRICTIONS ON USE OF THE SERVICE), IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY INDIRECT, CONSEQUENTIAL, INCIDENTAL, SPECIAL, EXEMPLARY OR PUNITIVE DAMAGES (INCLUDING LOSS OF DATA, PROFITS OR REVENUE) ARISING OUT OF OR RELATED TO THE SERVICE OR THIS AGREEMENT, WHETHER SUCH DAMAGES ARISE IN CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE.

9.4 Basis of the Bargain. THE PARTIES AGREE THAT THE LIMITATIONS OF LIABILITY SET FORTH IN THIS SECTION 9 ARE A FUNDAMENTAL BASIS OF THE BARGAIN, THAT SPIDR TECH HAS SET ITS FEES IN RELIANCE ON THE ENFORCEABILITY OF THESE PROVISIONS, AND THAT THEY SHALL APPLY NOTWITHSTANDING THAT ANY REMEDY SHALL FAIL ITS ESSENTIAL PURPOSE.

10. Indemnification.

10.1 SPIDR Tech Indemnification. SPIDR Tech shall defend, indemnify and hold harmless Customer and its directors, officers, employees and agents (“Customer Indemnified Parties”) from and against any third party claims, actions, proceedings, demands, lawsuits, damages, liabilities and expenses (including reasonable attorneys’ fees and court costs) (collectively, “Claims”) to the extent based on any claim that the Service infringes, misappropriates or otherwise violates (collectively, “Infringes”) any third party intellectual property or proprietary right (excluding patents).

10.2 Customer Indemnification. Customer shall defend, indemnify and hold harmless SPIDR Tech and its directors, officers, employees, agents and providers (“SPIDR Tech Indemnified Parties”) from and against any Claims to the extent based on any claim that the Customer Data Infringes any third party intellectual property or proprietary right (excluding patents).

10.3 Indemnification Process. As conditions of the indemnification obligations in Sections 10.1-10.2 above: (a) the applicable Customer Indemnified Party or SPIDR Tech Indemnified Party (the “Indemnitee”) will provide the indemnifying Party (the “Indemnitor”) with prompt written notice of any Claim for which indemnification is sought (provided that failure to so notify will not remove the Indemnitor’s indemnification obligations except to the extent it is prejudiced thereby), (b) the Indemnitee will permit the Indemnitor to control the defense and settlement of such Claim, and (c) the Indemnitee will reasonably cooperate with the Indemnitor in connection with the Indemnitor’s evaluation, defense and settlement of such Claim. In defending any Claim, the Indemnitor shall use counsel reasonably satisfactory to the other Party. The Indemnitor shall not settle or compromise any such Claim or consent to the entry of any judgment without the prior written consent of the other Party (not unreasonably withheld).

10.4 Exclusions. SPIDR Tech's obligations in Section 10.1 above shall not apply to any Claim to the extent arising from or relating to (a) misuse of the Service (including any use not strictly in accordance with the documentation therefor, SPIDR Tech's instructions, and this Agreement), (b) any modification, alteration or conversion of the Service not created or approved in writing by SPIDR Tech, (c) any combination of the Service with any computer, hardware, software or service not provided by SPIDR Tech, (d) SPIDR Tech's compliance with specifications or other requirements of Customer, or (e) any third party data or Customer Data. If the Service is or may be subject to a Claim of Infringement described in Section 10.1 above, SPIDR Tech may, at its cost and sole discretion: (i) obtain the right for Customer to continue using the Service as contemplated herein; or (ii) replace or modify the Service so that it becomes non-Infringing without substantially compromising its principal functions; or (iii) to the extent the foregoing are not commercially reasonable, terminate this Agreement and return to Customer any pre-paid fees for the Service associated with the then-remaining Term. SPIDR Tech's obligations in this Section 10 shall be SPIDR Tech's sole obligations, and Customer's sole remedies, in the event of any Infringement of intellectual property or proprietary rights by or related to the Service.

11. Confidentiality.

11.1 Definition. "Confidential Information" means information that is disclosed by either Party (the "Disclosing Party") to the other Party (the "Receiving Party") hereunder during the Term that is clearly labeled or identified as confidential or proprietary when disclosed, or that, under the circumstances, should reasonably be treated as confidential, except that "Confidential Information" shall not include any information that (a) is or becomes generally known to the public through no fault of, or breach of this Agreement by, the Receiving Party; (b) is rightfully in the Receiving Party's possession at the time of disclosure without an obligation of confidentiality; (c) is independently developed by the Receiving Party without use of the Disclosing Party's Confidential Information; or (d) is rightfully obtained by the Receiving Party from a third party without restriction on use or disclosure; (e) required to be disclosed by the Receiving Party pursuant to law, rule, regulation, subpoena, or court order including but not limited to the California Public Records Act (CALIFORNIA PUBLIC RECORDS ACT GOVERNMENT CODE SECTION 6250 ET SEQ); (f) disclosed due to any rule, order, referral, or request, including without limitation any rule, order, referral, or request of the Customer's City Council; (g) disclosed as part of the Customer's customary contract approval process.

11.2 In addition, (i) the terms and conditions of this Agreement shall be deemed to be Confidential Information of both Parties; and (ii) the Service and SPIDR Tech Technology shall be deemed Confidential Information of SPIDR Tech, regardless of whether or not they are labeled or identified or would reasonably be considered confidential.

11.3 General Obligations. Each Party agrees that it will during the Term and thereafter (a) not disclose the other Party's Confidential Information to any third party (other than as permitted in the last sentence of this paragraph); (b) use the other Party's Confidential Information only to the extent reasonably necessary to perform its obligations or exercise its rights under this Agreement; (c) disclose the other Party's Confidential Information only to those of its employees and independent contractors who reasonably need to know such information for purposes of this Agreement and who are bound by confidentiality obligations offering substantially similar protection to those in this Section 11; and (d) protect all Confidential Information of the other Party from unauthorized use, access, or disclosure in the same manner as it protects its own confidential information of a similar nature, and in no event with less than reasonable care. Notwithstanding the above, this paragraph shall not prohibit: (i) a Party from disclosing Confidential Information of the other Party to the extent required by applicable law, rule or regulation (including a court order or other government order) or the rules and regulations of the SEC or any national securities exchange; provided that such Party provides the other Party prior written notice of such disclosure, to the extent practicable, and reasonably cooperates with efforts of the other Party to seek confidential treatment thereof, to the extent such cooperation is requested by the other Party; or (ii) a Party from disclosing the terms and conditions of this Agreement to its attorneys and financial advisors, or current or potential lenders, other sources of financing, investors or acquirors; provided that such third parties are bound by confidentiality obligations offering substantially similar protection to those in this Section 11 (provided further that such third parties are only permitted to use such information for the purpose of advising, lending or providing financing to, or investing in or acquiring, such Party, as applicable).

11.4 Return or Destruction. Except as otherwise expressly provided in this Agreement, the Receiving Party will return to the Disclosing Party, or destroy or erase, the Disclosing Party's Confidential Information in tangible form, upon the termination of this Agreement; provided that (a) Receiving Party may retain a copy of Disclosing Party's Confidential Information solely for the purposes of tracking Receiving Party's rights and obligations hereunder with respect thereto, (b) Receiving Party may retain copies of Disclosing Party's Confidential Information solely to the extent required by law or by applicable professional standards which require such Party to retain copies of its working papers, and (c) Receiving Party may retain Disclosing Party's Confidential Information solely to the extent reasonably necessary for Receiving Party to exercise rights or perform obligations under this Agreement that survive such termination.

11.5 Feedback. Notwithstanding the above or anything to the contrary herein, to the extent that Customer at any time provides SPIDR Tech with any feedback or suggestions regarding the Service, including potential improvements or changes thereto (collectively, "Feedback"), the Feedback shall not be considered Confidential Information of Customer, and SPIDR Tech shall be free to use, disclose, and otherwise exploit in any manner, the Feedback for any purpose.

12. Miscellaneous.

12.1 Compliance with Laws. Each Party shall comply with all laws, rules, regulations, and ordinances applicable to its activities hereunder.

12.2 Hosting Providers. Customer acknowledges that the Service is hosted by third party hosting providers (the "Hosting Contractors"). SPIDR Tech may change its Hosting Contractors at any time. Customer's use of the Service is subject to any applicable restrictions imposed by the Hosting Contractors. While SPIDR Tech shall not be liable for direct problems, failures, defects or errors caused exclusively by the Hosting Contractors, SPIDR Tech shall be liable for issues within its control and commits to addressing and rectifying such service disruptions in a timely manner. Customer acknowledges that the fees payable for the Service reflect the balance of responsibilities shared between SPIDR Tech and the Hosting Contractors.

12.3 Assignment. Customer may not assign this Agreement, or assign any of its rights or delegate any of its obligations under this Agreement, without the prior written consent of SPIDR Tech. SPIDR Tech may freely assign this Agreement, or assign any of its rights or delegate any of its obligations under this Agreement. Any purported assignment or delegation in violation of this paragraph is null and void. This Agreement will bind and inure to the benefit of each Party's successor and permitted assigns.

12.4 Entire Agreement; Amendment. This Agreement (including the Sales Proposal attached hereto) contains the complete understanding and agreement of the Parties with respect to the subject matter hereof, and supersedes all prior or contemporaneous agreements or understandings, oral or written, with respect thereto. No pre-printed terms on any purchase order, invoice or similar document issued in relation to this Agreement shall have any effect on the Parties or this Agreement. This Agreement may be amended or modified only by an express written agreement signed by duly authorized representatives of both Parties.

12.5 Notices. Unless otherwise specifically provided herein, all notices required or permitted by this Agreement shall be in writing and may be delivered personally, or may be sent by facsimile, overnight delivery or certified mail, return receipt requested, to the addresses provided in the Sales Proposal.

12.6 Force Majeure. SPIDR Tech shall not be liable or responsible to Customer, nor be considered to have defaulted or breached this Agreement, for any failure or delay in fulfilling or performing any provision of this Agreement to the extent such failure or delay is caused by or results from any act, circumstance or other cause beyond the reasonable control of SPIDR Tech, including acts of God, flood, fire, earthquake, explosion, war, invasion or hostilities (whether war is declared or not), terrorist threats or acts, riot, or other civil unrest, national emergency, revolution, insurrection, epidemic, lockouts, strikes.

12.7 Publicity. SPIDR Tech shall have the right to use Customer's name and logo on client lists published on SPIDR Tech's website and in marketing materials. SPIDR Tech may announce the relationship hereunder in a press release provided that SPIDR Tech obtains Customer's prior approval of the wording of the release (not to be unreasonably withheld).

12.8 Choice of Law. This Agreement is and will be governed by and construed under the laws of California USA, without giving effect to any conflicts of laws provision thereof or of any other jurisdiction that would produce a contrary result. The Parties hereby consent to the jurisdiction of any federal or state court located in the state of California for any claim or other proceeding related to this Agreement or their activities hereunder, and waive any objections of improper venue or inconvenient forum.

12.9 Injunctive Relief. Each Party acknowledges that its breach of any intellectual property or confidentiality obligations or restrictions herein (including any limitations or restrictions on use of the Service) will cause substantial harm to the other Party that could not be remedied by payment of damages alone. Accordingly, the other Party will be entitled to seek preliminary, temporary and permanent injunctive relief, and other equitable relief, for any such breach, without any requirement to post bond, in any court of competent jurisdiction.

12.10 Relationship of the Parties. The relationship between the Parties is that of independent contractors. Nothing contained in this Agreement shall be construed as creating any agency, partnership, joint venture or other form of joint enterprise or employment relationship between the Parties, and neither Party shall have authority to contract for or bind the other Party in any manner whatsoever.

12.11 Waiver. No waiver by either Party of any of the provision of this Agreement is effective unless explicitly set forth in writing and signed by such Party. No failure to exercise, or delay in exercising, any right, remedy, power or privilege arising from this Agreement operates, or may be construed, as a waiver thereof. No single or partial exercise of any right, remedy, power or privilege hereunder precludes any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

12.12 Severability. If any provision of this Agreement is invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision of this Agreement or invalidate or render unenforceable such provision in any other jurisdiction.

12.13 Headings; Interpretation. Headings are provided for convenience only and will not be used to interpret the substance of this Agreement. Unless the intent is expressly otherwise in specific instances, use of the words "include," "includes," or "including" in this Agreement shall not be limiting and "or" shall not be exclusive.

12.14 Counterparts. This Agreement may be executed in two counterparts (which may be delivered by .pdf or other facsimile format acceptable to the Parties), each of which shall be an original and both of which taken together shall form one agreement.

SUBSCRIPTION AGREEMENT

This Subscription Agreement (this "Agreement") is made as of January 3, 2017 (the "Effective Date"), by and between SPIDR Tech Inc., a Delaware corporation with offices at 1100 Manhattan Boulevard #203, Manhattan Beach, CA, 90266 ("SPIDR Tech"), and the City of Redondo Beach ("Customer"). SPIDR Tech and Customer may be referred to as a "Party" herein and together as the "Parties." The attached Quote (the "Quote") and the terms therein shall be deemed incorporated herein.

WHEREAS, SPIDR Tech's proprietary systems, applications and related APIs permit police departments to gather, review and analyze data in connection with law enforcement intelligence, officer productivity and related community engagement; and

WHEREAS, Customer desires to access and use SPIDR Tech's proprietary system, and SPIDR Tech desires to provide such access, in accordance with the terms and conditions herein.

NOW, THEREFORE, in consideration of the covenants set forth herein, SPIDR Tech and Customer hereby agree as follows:

1. **Provision of the Service.**

1.1 Provision Generally. SPIDR Tech will provide Customer with access to SPIDR Tech's proprietary service for the modules specified in the Quote (collectively the "Service") in accordance with the terms and conditions of this Agreement. In order to access and use the Service, Customer is responsible at its own expense for obtaining its own Internet access, and any hardware and software required therefor.

1.2 Grant of Rights. Subject to the terms and conditions of this Agreement, SPIDR Tech hereby grants to Customer a limited, non-exclusive, non-transferable right to access and use the Service, solely for Customer's purposes during the Term. All rights not expressly granted to Customer are reserved by SPIDR Tech and its licensors. There are no implied rights.

1.3 Restrictions. Customer shall not (and shall not allow any third party to): (a) use the Service for the benefit of any third party, or to develop or market any product, software or service that is functionally similar to or derivative of the Service, or for any other purpose not expressly permitted herein; (b) permit any third party or individual to access or use the Service; (c) sell, distribute, rent, lease, service bureau, post, link, disclose or provide access to the Service, directly or indirectly, to any third party; (d) alter, modify, debug, reverse engineer, decompile, disassemble, or otherwise attempt to derive or gain access to any software (including source code) associated with the Service; or (e) use any robot, spider, scraper or other automated means to access the Service, or engage in any scraping, data-mining, harvesting, screen-scraping, data aggregating or indexing of the Service. Customer shall keep all passwords and API Keys provided to it safe and secure, and shall be responsible for all use of the Service using passwords or API keys issued to Customer. Customer shall notify SPIDR Tech immediately of any

actual or suspected unauthorized use of its passwords or API keys for the Service. Without limiting any of its other rights or remedies, SPIDR Tech reserves the right to suspend access to the Service if SPIDR Tech reasonably believes that Customer has materially violated the restrictions and obligations in this Agreement (in which case, it shall provide Customer prompt written notice of such suspension).

1.4 **Customer Cooperation.** Customer shall: (a) reasonably cooperate with SPIDR Tech in all matters relating to the Service; (b) respond promptly to any SPIDR Tech request to provide information, approvals, authorizations or decisions that are reasonably necessary for SPIDR Tech to provide the Service in accordance with this Agreement; and (c) provide such Customer materials or information as SPIDR Tech may reasonably request to provide the Service and ensure that such materials or information are complete and accurate in all material respects.

2. **SPIDR Tech Technology.** In connection with providing the Service, SPIDR Tech and its licensors shall operate and support the hosted environment used by SPIDR Tech to provide the Service, including the SPIDR Tech Technology, the server hardware, disk storage, firewall protection, server operating systems, management programs, web server programs, documentation and all other technology or information so used by SPIDR Tech. As used herein, "SPIDR Tech Technology" means all of SPIDR Tech's proprietary technology (including software, hardware, products, processes, algorithms, user interfaces, know-how, techniques, designs and other tangible or intangible technical material or information) made available to Customer by SPIDR Tech in providing the Service.

3. **Downtime.** Subject to the terms and conditions of this Agreement, SPIDR Tech shall use commercially reasonable efforts to provide access to the Service for twenty-four (24) hours a day, seven (7) days a week throughout the term of this Agreement. Customer agrees that from time to time the Service may be inaccessible or inoperable for various reasons, including (i) equipment malfunctions; (ii) periodic maintenance procedures or repairs which SPIDR Tech may undertake from time to time; or (iii) causes beyond the control of SPIDR Tech or which are not reasonably foreseeable by SPIDR Tech, including interruption or failure of telecommunication or digital transmission links, hostile network attacks or network congestion or other failures, or failures or issues experienced by the Hosting Contractors independent of and not related to the Service or SPIDR Tech (collectively "Downtime"). SPIDR Tech shall use commercially reasonable efforts to provide twenty-four (24) hour advance notice to Customer in the event of any scheduled Downtime. SPIDR Tech shall have no obligation during performance of such operations to mirror Customer Data on any other server or to transfer Customer Data to any other server. SPIDR Tech shall use commercially reasonable efforts to minimize any disruption, inaccessibility and/or inoperability of the service in connection with Downtime, whether scheduled or not.

4. **Ownership.** Customer acknowledges and agrees that as between SPIDR Tech and Customer, all right, title and interest in and to the Service (including the data, information, text, images, designs, sound, music, marks, logos, compilations (meaning

the collection, arrangement and assembly of information) and other content on or made available through the Service, other than Customer Data), the SPIDR Tech Technology and all improvements and derivatives of the foregoing (including all intellectual property and proprietary rights embodied therein or associated therewith) are and shall remain owned by SPIDR Tech or its licensors, and this Agreement in no way conveys any right, title or interest in the Service or the SPIDR Tech Technology other than a limited right to use the Service in accordance with the terms and conditions herein. No right or license is granted hereunder to Customer under any trademarks, service marks, trade names or logos. Customer shall not remove any SPIDR Tech trademark, service mark or logo, or any proprietary notices or labels (including any copyright or trademark notices) from the Service.

5. Fees; Payments; Taxes.

5.1 Fees. In consideration of the provision of the Service hereunder, Customer shall pay SPIDR Tech the fees as set forth and the scheduled laid out on the Quote.

5.2 Taxes. All amounts due hereunder are exclusive of all sales, use, excise, service, value added, or other taxes, duties and charges of any kind (whether foreign, federal, state, local or other) associated with this Agreement, the Service, or Customer's access to the Service. Customer shall be solely responsible for all such taxes, duties and charges (except for taxes imposed on SPIDR Tech's income), which may be invoiced by SPIDR Tech from time-to-time.

5.3 Payment Method. Customer shall make all payments hereunder, in US dollars, in the manner specified by SPIDR Tech, and without deduction of any charges, taxes or other amounts. Payments will be made within thirty days of Customer's receipt of SPIDR Tech's invoice.

6. Term; Termination.

6.1 Term. The term of this Agreement shall commence on the Effective Date and, unless earlier terminated as set forth herein, shall continue until terminated as provided hereunder. Either Party may terminate this Agreement by providing the other Party 30 days' advance written notice of its desire to terminate. The entire term before termination is collectively referred to as the "Term" herein.

6.2 Termination for Breach. Either Party may terminate this Agreement by written notice thereof to the other Party, if the other Party materially breaches this Agreement and does not cure such breach within 30 days after written notice thereof.

6.3 Effects of Termination; Survival. Upon any termination of this Agreement: (a) all rights granted to Customer hereunder shall terminate and SPIDR Tech shall no longer provide access to the Service to Customer, and (b) Customer shall cease using the Service. Any obligations that have accrued prior to termination shall survive termination of this Agreement. In addition, the following Sections, as well as any other provisions herein which by their nature should survive, shall survive termination of this Agreement: Sections 4 through 12.

7. Customer Data.

7.1 Data Generally. All data and information which the Customer inputs or provides to the Service (the "Customer Data") is stored in a private and secure fashion (as regulated by CJIS requirements), and will not be used by SPIDR Tech except as permitted herein. Customer hereby grants to SPIDR Tech a limited, non-exclusive, non-transferable, royalty-free right to use, reproduce, manipulate, display, transmit and distribute the Customer Data solely in connection with providing the Service to Customer, and improving and developing the Service. In addition, SPIDR Tech may analyze Customer Data, and data of other customers, to create aggregated or anonymized statistics or data that do not identify Customer or any individual, and SPIDR Tech may during and after the Term use and disclose such statistics or data in its discretion. Except as specified otherwise in this Agreement (including the Quote), Customer shall be solely responsible for providing, updating, uploading and maintaining all Customer Data. The content of Customer Data shall be Customer's sole responsibility. SPIDR Tech shall operate the Service in a manner that provides reasonable information security for Customer Data, using commercially reasonable data backup, security, and recovery protections (as regulated by CJIS requirements).

7.2 Additional Customer Responsibilities. Customer is solely responsible for all Customer Data. SPIDR Tech does not guarantee the accuracy, integrity or quality of Customer Data. Customer shall not: (a) upload or otherwise make available to SPIDR Tech any Customer Data that is unlawful or that violates the rights of any third parties; (b) upload or otherwise make available to SPIDR Tech any Customer Data that Customer does not have a right to transmit due to any law, rule, regulation or other obligation; (c) use, upload or otherwise transmit any Customer Data that infringes any intellectual property or other proprietary rights of any third party; (d) upload or otherwise make available to SPIDR Tech any material that contains software viruses or any other computer code, files or programs designed to interrupt, destroy, limit the functionality of any computer software or hardware or telecommunications equipment; (e) interfere with or disrupt the Service or servers or networks connected to the Service; (f) upload or otherwise make available to SPIDR Tech any Customer Data that constitutes protected health information subject to the Health Insurance Portability and Accountability Act or any regulation, rule or standards issued thereunder; or (g) violate any applicable law, rule or regulation, including those regarding the export of technical data.

8. Representations and Warranties; Disclaimer.

8.1 General Representations and Warranties. Each Party hereby represents and warrants to the other Party that: (a) it is a corporation, company or other entity (as applicable) duly organized, validly existing and in good standing in its jurisdiction of organization; (b) its execution, delivery and performance of this Agreement have been duly and validly authorized by all necessary organizational action on its part; (c) the provisions set forth in this Agreement constitute legal, valid, and binding obligations of such Party enforceable against such Party in accordance with their terms, subject to

bankruptcy, insolvency and other laws affecting creditors' rights generally; and (d) its execution, delivery and performance of this Agreement do not and will not conflict with, result in a breach of, constitute a default under, or require the consent of any third party under, any agreement or other obligation to which such Party is subject.

8.2 SPIDR Tech Limited Warranty. SPIDR Tech warrants that it will provide the Service in a competent and workmanlike manner. SPIDR Tech does not warrant that it will be able to correct all reported defects or that use of the Service will be uninterrupted or error free. SPIDR Tech makes no warranty regarding features or services provided by any third parties. SPIDR Tech retains the right to modify its services and the SPIDR Tech Technology in its sole discretion; provided that doing so does not have a material adverse impact on the Service hereunder. Customer's sole remedy for SPIDR Tech's breach of the warranty in this paragraph shall be that SPIDR Tech shall remedy the applicable error, or if SPIDR Tech is unable to do so in a timely manner, refund to Customer actual damages up to a limit of the fees paid for the Service for the 12-month period immediately prior to when the breach of warranty occurred.

8.3 Disclaimer. EXCEPT FOR THE WARRANTIES SET FORTH IN SECTIONS 8.1-8.2 ABOVE, SPIDR TECH MAKES NO REPRESENTATION OR WARRANTY WHATSOEVER, AND HEREBY DISCLAIMS ALL REPRESENTATIONS AND WARRANTIES, WITH RESPECT TO THE SERVICE (IN EACH CASE WHETHER EXPRESS OR IMPLIED BY LAW, COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OF TRADE OR OTHERWISE), INCLUDING ANY WARRANTY (A) OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NONINFRINGEMENT, (B) THAT THE SERVICE WILL MEET CUSTOMER'S REQUIREMENTS, WILL ALWAYS BE AVAILABLE, ACCESSIBLE, UNINTERRUPTED, TIMELY, SECURE OR OPERATE WITHOUT ERROR, (C) AS TO THE RESULTS THAT MAY BE OBTAINED FROM THE USE OF THE SERVICE, OR (D) AS TO THE ACCURACY OR RELIABILITY OF ANY INFORMATION OBTAINED FROM THE SERVICE.

9. **Limitations of Liability.**

9.1 Damages Cap. TO THE FULLEST EXTENT PERMISSIBLE BY LAW, SPIDR TECH'S TOTAL LIABILITY FOR ALL DAMAGES ARISING OUT OF OR RELATED TO THE SERVICE OR THIS AGREEMENT, SHALL NOT EXCEED THE TOTAL AMOUNT OF FEES PAID BY CUSTOMER TO SPIDR TECH UNDER THIS AGREEMENT DURING THE PRIOR 6 MONTHS. NOTWITHSTANDING THE FOREGOING, NOTHING PROVIDED HEREIN SHALL LIMIT SPIDR TECH'S LIABILITY IN THE EVENT ANY DAMAGE WAS CAUSED BY ITS NEGLIGENCE, GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.

9.2 Disclaimer of Indirect Damages. EXCEPT FOR (A) CUSTOMER'S OBLIGATION TO PAY ALL AMOUNTS DUE HEREUNDER, (B) ITS INDEMNIFICATION OBLIGATIONS OR (C) ITS BREACH OF ANY INTELLECTUAL PROPERTY OR CONFIDENTIALITY OBLIGATIONS OR RESTRICTIONS HEREIN (INCLUDING ANY LIMITATIONS OR RESTRICTIONS ON USE OF THE SERVICE), IN NO EVENT SHALL

EITHER PARTY BE LIABLE FOR ANY CONSEQUENTIAL, EXEMPLARY OR PUNITIVE DAMAGES (INCLUDING LOSS OF DATA, PROFITS OR REVENUE) ARISING OUT OF OR RELATED TO THE SERVICE OR THIS AGREEMENT.

10. Indemnification.

10.1 SPIDR Tech Indemnification. SPIDR Tech shall defend, indemnify and hold harmless Customer and its officials, officers, employees, volunteers, and agents ("Customer Indemnified Parties") from and against any third party claims, actions, proceedings, demands, lawsuits, damages, liabilities and expenses (including reasonable attorneys' fees and court costs) (collectively, "Claims") to the extent based on any claim that the Service infringes, misappropriates or otherwise violates (collectively, "Infringes") any third party intellectual property or proprietary right (excluding patents).

10.2 Customer Indemnification. Customer will defend, indemnify and hold harmless SPIDR Tech and its directors, officers, employees, agents and providers ("SPIDR Tech Indemnified Parties") from and against any Claims to the extent based on any claim that the Customer Data Infringes any third party intellectual property or proprietary right (excluding patents).

10.3 Indemnification Process. As conditions of the indemnification obligations in Sections 10.1-10.2 above: (a) the applicable Customer Indemnified Party or SPIDR Tech Indemnified Party (the "Indemnitee") will provide the indemnifying Party (the "Indemnitor") with prompt written notice of any Claim for which indemnification is sought (provided that failure to so notify will not remove the Indemnitor's indemnification obligations except to the extent it is prejudiced thereby), (b) the Indemnitee will permit the Indemnitor to control the defense and settlement of such Claim, and (c) the Indemnitee will reasonably cooperate with the Indemnitor in connection with the Indemnitor's evaluation, defense and settlement of such Claim. In defending any Claim, the Indemnitor shall use counsel reasonably satisfactory to the other Party. The Indemnitor shall not settle or compromise any such Claim or consent to the entry of any judgment without the prior written consent of the other Party (not unreasonably withheld).

10.4 Exclusions. SPIDR Tech's obligations in Section 10.1 above shall not apply to any Claim to the extent arising from or relating to (a) Customer's misuse of the Service (including any use not strictly in accordance with the documentation therefor, SPIDR Tech's instructions, and this Agreement), (b) any modification, alteration or conversion of the Service not created or approved in writing by SPIDR Tech, (c) any combination of the Service with any computer, hardware, software or service not provided by SPIDR Tech, (d) SPIDR Tech's compliance with specifications or other requirements of Customer, or (e) any third party data or Customer Data. If the Service is or may be subject to a Claim of Infringement described in Section 10.1 above, SPIDR Tech may, at its cost and by mutual agreement with the Customer: (i) obtain the right for Customer to continue using the Service as contemplated herein; or (ii) replace or modify the Service so that it becomes non-Infringing without substantially compromising its principal functions; or (iii) to the extent the foregoing are not commercially reasonable, terminate this Agreement

and return to Customer any pre-paid fees for the Service associated with the then-remaining Term.

11. **Confidentiality.**

11.1 **Definition.** "Confidential Information" means information that is disclosed by either Party (the "Disclosing Party") to the other Party (the "Receiving Party") hereunder during the Term that is clearly labeled or identified as confidential or proprietary when disclosed, or that, under the circumstances, should reasonably be treated as confidential, except that "Confidential Information" shall not include any information that (a) is or becomes generally known to the public through no fault of, or breach of this Agreement by, the Receiving Party; (b) is rightfully in the Receiving Party's possession at the time of disclosure without an obligation of confidentiality; (c) is independently developed by the Receiving Party without use of the Disclosing Party's Confidential Information; or (d) is rightfully obtained by the Receiving Party from a third party without restriction on use or disclosure. In addition, (i) the terms and conditions of this Agreement shall be deemed to be Confidential Information of both Parties; and (ii) the Service and SPIDR Tech Technology shall be deemed Confidential Information of SPIDR Tech, regardless of whether or not they are labeled or identified, or would reasonably be considered confidential.

11.2 **General Obligations.** Each Party agrees that it will during the Term and thereafter (a) not disclose the other Party's Confidential Information to any third party (other than as permitted in the last sentence of this paragraph); (b) use the other Party's Confidential Information only to the extent reasonably necessary to perform its obligations or exercise its rights under this Agreement; (c) disclose the other Party's Confidential Information only to those of its employees and independent contractors who reasonably need to know such information for purposes of this Agreement and who are bound by confidentiality obligations offering substantially similar protection to those in this Section 11; and (d) protect all Confidential Information of the other Party from unauthorized use, access, or disclosure in the same manner as it protects its own confidential information of a similar nature, and in no event with less than reasonable care. Notwithstanding the above, this paragraph shall not prohibit: (i) a Party from disclosing Confidential Information of the other Party to the extent required by applicable law, rule or regulation, including but not limited to, the rules and regulations of the SEC, any national securities exchange, and California Public Records Act (California Government Code Section 6250 et. seq), and a court order or other government order ; provided that such Party provides the other Party prior written notice of such disclosure, to the extent practicable, and reasonably cooperates with efforts of the other Party to seek confidential treatment thereof, to the extent such cooperation is requested by the other Party; or (ii) a Party from disclosing the terms and conditions of this Agreement to its attorneys and financial advisors, or current or potential lenders, other sources of financing, investors or acquirors; provided that such third parties are bound by confidentiality obligations offering substantially similar protection to those in this Section 11 (provided further that such third

parties are only permitted to use such information for the purpose of advising, lending or providing financing to, or investing in or acquiring, such Party, as applicable).

11.3 Return or Destruction. Except as otherwise expressly provided in this Agreement, the Receiving Party will return to the Disclosing Party, or destroy or erase, the Disclosing Party's Confidential Information in tangible form, upon the termination of this Agreement; provided that (a) Receiving Party may retain a copy of Disclosing Party's Confidential Information solely for the purposes of tracking Receiving Party's rights and obligations hereunder with respect thereto, (b) Receiving Party may retain copies of Disclosing Party's Confidential Information solely to the extent required by law or by applicable professional standards which require such Party to retain copies of its working papers, and (c) Receiving Party may retain Disclosing Party's Confidential Information solely to the extent reasonably necessary for Receiving Party to exercise rights or perform obligations under this Agreement that survive such termination.

11.4 Feedback. Notwithstanding the above or anything to the contrary herein, to the extent that Customer at any time provides SPIDR Tech with any feedback or suggestions regarding the Service, including potential improvements or changes thereto (collectively, "Feedback"), the Feedback shall not be considered Confidential Information of Customer, and SPIDR Tech shall be free to use, disclose, and otherwise exploit in any manner, the Feedback for any purpose.

12.6 Force Majeure. SPIDR Tech shall not be liable or responsible to Customer, nor be considered to have defaulted or breached this Agreement, for any failure or delay in fulfilling or performing any provision of this Agreement to the extent such failure or delay is caused by or results from any act, circumstance or other cause beyond the reasonable control of SPIDR Tech, including acts of God, flood, fire, earthquake, explosion, governmental actions, war, invasion or hostilities (whether war is declared or not), terrorist threats or acts, riot, or other civil unrest, national emergency, revolution, insurrection, epidemic, lockouts, strikes or other labor disputes (whether or not relating to either Party's workforce), or restraints or delays affecting carriers or inability or delay in obtaining supplies of adequate or suitable technology or components, telecommunication breakdown, or power outage.

Deployment and Installation Pricing Rationale

The SPIDR Engage platform is integrated into the Customer's RMS/CAD. The deployment process takes longer if the Customer is using an RMS/CAD vendor that has never been connected to the SPIDR Engage platform in the past. After initial discovery is complete, SPIDR TECH deploys in the following four step process.

Step 1: SPIDR Tech sets up a read-only database connection and extraction process that targets only the necessary tables and pulls data into our transformation process (*approximately 5 hours of work*).

Step 2: SPIDR Tech sets up a transformation process, turning all raw data into clean, loadable data (*approximately 20 hours of work*).

Step 3: SPIDR Tech sets up a loading process to bring that data into the Customer's web-based instance of SPIDR Engage (*approximately 20 hours' worth of work*).

Step 4: SPIDR Tech tests all connections and processes to ensure accuracy and effectiveness of clean data within the SPIDR Engage platform (*4 hours' worth of work*).

Step 5: SPIDR Tech cleans and loads one-years' worth of citizen and incident data (*approximately 10 hours' worth of work*).

Maintenance and Support

SPIDR Tech offers complimentary maintenance and technical support to all of our customers. If SPIDR Tech determines that the customer is facing technical issues with the platform due to the integration setup or the platform itself, then SPIDR Tech will provide

the necessary support required to fix those issues. If necessary, this includes free on-site technical support. Customer will have a dedicated program manager that Customer can call or email at any time. Our service level agreement to Customer is to return your call or email within 24 hours.

Administrative Report

H.9., File # 23-7326

Meeting Date: 1/23/2024

To: MAYOR AND CITY COUNCIL
From: TED SEMAAN, PUBLIC WORKS DIRECTOR

TITLE

APPROVE AN ON-CALL PROFESSIONAL SERVICES AGREEMENT WITH DAVID EVANS AND ASSOCIATES, INC., AN OREGON CORPORATION, FOR CIVIL AND TRANSPORTATION ENGINEERING SERVICES FOR AN AMOUNT NOT TO EXCEED \$100,000 AND A TERM ENDING JANUARY 22, 2026

EXECUTIVE SUMMARY

In an effort to accelerate CIP project delivery, Public Works Department staff has negotiated on-call professional service agreements with various engineering, architecture, and surveying firms to allow for quick assignment of smaller work tasks by setting-up contract conditions in advance of the project. On-call service contracts are flexible and not fully defined as to the scope, amount, and funding source. To overcome these uncertainties, these contracts allow staff to receive quotes and award work on a task by task basis, with a specified not to exceed limit for the amount of work awarded to a consulting firm over the life of the contract. Funding for each task comes from projects and programs that have already received Council appropriations.

The City Council has awarded a number of these contracts in the past, and they have been successfully used to accelerate project delivery timelines for a number of projects. The proposed on-call contract will provide professional services related to civil and transportation engineering and is specifically anticipated to assist with the City's multiple street improvement and active transportation projects. David Evans and Associates, Inc. is based in Oregon, but has several Southern California offices with local employees to complete work on City projects.

BACKGROUND

During the FY 2018-19 budget adoption process, a Budget Response Report identified on-call contracting for professional services as one of several tools that would be useful in accelerating the pace of delivery of CIP projects. Their flexibility allows staff to quickly assign smaller work tasks (e.g. geotechnical engineering, surveying, etc.) without having to develop and present an individual contract to City Council for consideration of approval. Funding sources for on-call contracts are not identified at the time of approval. Rather, as tasks are assigned to an on-call vendor, the funding is assigned using purchase orders tied to funding sources that have already been appropriated for a particular project.

Staff developed a contract template for on-call consulting services that was released via a request for proposal process. The template stipulates a two-year term with a not to exceed value of \$100,000.

Many of these contracts have been renewed and new vendors have been awarded contracts as the City's need for on-call firms has expanded or changed.

These agreements provide the City with a deep and broad bench of firms to supplement staff efforts to deliver CIP projects. Staff is now recommending a new contract with David Evans and Associates, Inc., which is a civil and municipal engineering consultancy specializing in multiple municipal engineering disciplines. This contract is needed to provide civil and transportation engineering services to support the City's Capital Improvement Program.

COORDINATION

The proposed on-call contract has been coordinated between the City Attorney's Office and the Engineering Services Division of the Public Works Department. The City Attorney's Office prepared and approved the professional services agreement.

FISCAL IMPACT

There are no additional funding impacts as a result of the contract. Funding for the work is committed as tasks are assigned by staff and only from funds that have been previously appropriated by City Council for the related CIP projects and programs.

APPROVED BY:

Mike Witzansky, City Manager

* * * * *

GENERAL PROVISIONS

1. Independent Contractor. Consultant acknowledges, represents and warrants that Consultant is not a regular or temporary employee, officer, agent, joint venturer or partner of the City, but rather an independent contractor. This Agreement shall not be construed as a contract of employment. Consultant shall have no rights to any benefits which accrue to City employees unless otherwise expressly provided in this Agreement. Due to the independent contractor relationship created by this Agreement, the City shall not withhold state or federal income taxes, the reporting of which shall be Consultant's sole responsibility.
2. Brokers. Consultant acknowledges, represents and warrants that Consultant has not hired, retained or agreed to pay any entity or person any fee, commission, percentage, gift, or any other consideration, contingent upon or resulting from the award or making of this Agreement.
3. City Property. All plans, drawings, reports, calculations, data, specifications, videos, graphics or other materials prepared for or obtained pursuant to this Agreement shall upon request be delivered to the City within a reasonable time, and the rights thereto shall be deemed assigned to the City. If applicable, Consultant shall prepare check prints upon request. Said plans, drawings, reports, calculations, data, specifications, videos, graphics or other materials,

shall be specific for the project herein and shall not be used by the City for any other project without Consultant's consent. Notwithstanding the foregoing, Consultant shall not be obligated to assign any proprietary software or data developed by or at the direction of Consultant for Consultant's own use; provided, however, that Consultant shall, pursuant to Paragraph 14 below, indemnify, defend and hold the City harmless from and against any discovery or Public Records Act request seeking the disclosure of any such proprietary software or data.

4. Inspection. If the services set forth in Exhibit "A" shall be performed on City or other public property, the City shall have the right to inspect such work without notice. If such services shall not be performed on City or other public property, the City shall have the right to inspect such work upon reasonable notice. Inspections by the City shall not relieve or minimize the responsibility of Consultant to conduct any inspections Consultant has agreed to perform pursuant to the terms of this Agreement. Consultant shall be solely liable for said inspections performed by Consultant. Consultant shall certify in writing to the City as to the completeness and accuracy of each inspection required to be conducted by Consultant hereunder.
5. Services. The project or services set forth in Exhibit "A" shall be performed to the full satisfaction and approval of the City. In the event that the project or services set forth in Exhibit "A" are itemized by price in Exhibit "C", the City in its sole discretion may, upon notice to Consultant, delete certain items or services set forth in Exhibit "A", in which case there shall be a corresponding reduction in the amount of compensation paid to Consultant. City shall furnish Consultant to the extent available, with any City standards, details, specifications and regulations applicable to the Project and necessary for the performance of Consultant's services hereunder. Notwithstanding the foregoing, any and all additional data necessary for design shall be the responsibility of Consultant.
6. Records. Consultant, including any of its subcontractors shall maintain full and complete documents and records, including accounting records, employee time sheets, work papers, and correspondence pertaining to the project or services set forth in Exhibit "A". Consultant, including any of its subcontractors shall make such documents and records available for City review or audit upon request and reasonable notice, and shall keep such documents and records, for at least four (4) years after Consultant's completion of performance of this Agreement. Copies of all pertinent reports and correspondence shall be furnished to the City for its files.
7. Changes and Extra Work. All changes and/or extra work under this Agreement shall be performed and paid for in accordance with the following:

Only the City Council, City Manager, or the Department Head responsible for the administration of, or supervision of the scope of work under, this Agreement may

authorize extra and/or changed work. Consultant expressly recognizes that other City personnel are without authorization to either order extra and/or changed work or waive contract requirements. Failure of Consultant to secure the written authorization for such extra and/or changed work shall constitute a waiver of any and all right to adjustment in contract price due to such unauthorized work and Consultant thereafter shall be entitled to no compensation whatsoever for performance of such work.

If Consultant is of the opinion that any work which Consultant has been directed to perform is beyond the scope of this Agreement and constitutes extra work, Consultant shall promptly notify the City of the fact. The City shall make a determination as to whether or not such work is, in fact, beyond the scope of this Agreement and constitutes extra work. In the event that the City determines that such work does constitute extra work, City shall provide extra compensation to Consultant on a fair and equitable basis. A written amendment providing for such compensation for extra work shall be executed by Consultant and the City.

8. Additional Assistance. If this Agreement requires Consultant to prepare plans and specifications, Consultant shall provide assistance as necessary to resolve any questions regarding such plans and specifications that may arise during the period of advertising for bids, and Consultant shall issue any necessary addenda to the plans and specifications as requested. In the event Consultant is of the opinion that City's requests for addenda and assistance is outside the scope of normal services, the parties shall proceed in accordance with the changes and extra work provisions of this Agreement.
9. Professional Ability. Consultant acknowledges, represents and warrants that Consultant is skilled and able to competently provide the services hereunder, and possesses all professional licenses, certifications, and approvals necessary to engage in its occupation. City has relied upon the professional ability and training of Consultant as a material inducement to enter into this Agreement. Consultant shall perform in accordance with generally accepted professional practices and standards of Consultant's profession.
10. Business License. Consultant shall obtain a Redondo Beach Business License before performing any services required under this Agreement. The failure to so obtain such license shall be a material breach of this Agreement and grounds for immediate termination by City; provided, however, that City may waive the business license requirement in writing under unusual circumstances without necessitating any modification of this Agreement to reflect such waiver.
11. Termination Without Default. Notwithstanding any provision herein to the contrary, the City may, in its sole and absolute discretion and without cause, terminate this Agreement at any time prior to completion by Consultant of the project or services hereunder, immediately upon written notice to Consultant. In the event of any such termination, Consultant shall be compensated for: (1) all

authorized work satisfactorily performed prior to the effective date of termination; and (2) necessary materials or services of others ordered by Consultant for this Agreement, prior to Consultant's receipt of notice of termination, irrespective of whether such materials or services of others have actually been delivered, and further provided that Consultant is not able to cancel such orders. Compensation for Consultant in such event shall be determined by the City in accordance with the percentage of the project or services completed by Consultant; and all of Consultant's finished or unfinished work product through the time of the City's last payment shall be transferred and assigned to the City. In conjunction with any termination of this Agreement, the City may, at its own expense, make copies or extract information from any notes, sketches, computations, drawings, and specifications or other data, whether complete or not.

12. Termination in the Event of Default. Should Consultant fail to perform any of its obligations hereunder, within the time and in the manner provided or otherwise violate any of the terms of this Agreement, the City may immediately terminate this Agreement by giving written notice of such termination, stating the reasons for such termination. Consultant shall be compensated as provided immediately above, provided, however, there shall be deducted from such amount the amount of damages if any, sustained by the City by virtue of Consultant's breach of this Agreement.
13. Conflict of Interest. Consultant acknowledges, represents and warrants that Consultant shall avoid all conflicts of interest (as defined under any federal, state or local statute, rule or regulation, or at common law) with respect to this Agreement. Consultant further acknowledges, represents and warrants that Consultant has no business relationship or arrangement of any kind with any City official or employee with respect to this Agreement. Consultant acknowledges that in the event that Consultant shall be found by any judicial or administrative body to have any conflict of interest (as defined above) with respect to this Agreement, all consideration received under this Agreement shall be forfeited and returned to City forthwith. This provision shall survive the termination of this Agreement for one (1) year.
14. Indemnity Design Professional Services. In connection with its design professional services and to the maximum extent permitted by law, Consultant shall hold harmless and indemnify City, and its officials, officers, employees, agents, and designated volunteers (collectively, "Indemnitees"), with respect to any and all claims, demands, causes of action, damages, injuries, liabilities, losses, costs or expenses, including reimbursement of attorneys' fees and costs of defense, which arise out of, pertain to, or relate to in whole or in part to the negligence, recklessness, or willful misconduct of Consultant or any of its officers, employees, subcontractors, or agents in the performance of its design professional services under this Agreement.

- a. Other Indemnities. TITLE

REJECT ALL BIDS FOR THE BICYCLE TRANSPORTATION PLAN IMPLEMENTATION PHASE 1 PROJECT, JOB NO. 40510, AND DIRECT STAFF TO RE-BID THE PROJECT

EXECUTIVE SUMMARY

On January 19, 2021, the City Council approved plans and specifications for the Redondo Beach Bicycle Transportation Plan Implementation Project, Job No. 40510. The City worked with the Los Angeles County Metropolitan Transportation Authority (Metro) Board to secure federal funding for the project. The effort took multiple years to coordinate and required Caltrans E-76 approval, as a precursor for the City to advertise the project for construction bidding. On December 14, 2023, 3 bids were received and publicly opened. The apparent low bid for the Project contained calculation errors and the bidder asked for a formal bid withdrawal, which was granted. The next low bid exceeded the appropriated funding amount by \$700,000 to \$800,000 depending on final construction management costs. Therefore, staff recommends that the City Council reject all bids, direct staff to identify aspects of the project as optional to provide contract flexibility during future contract award, and re-advertise the Project for bidding.

BACKGROUND

The Redondo Beach Bicycle Transportation Plan Implementation Project includes the installation of signs, street markings, and video detection cameras for new bicycle facilities on streets throughout the City including portions of Torrance Boulevard, Beryl Street, Catalina Avenue, and Avenue I.

The majority of the project is federally funded, with funding administrated through Metro. The original funding Agreement had a project completion date of June 30, 2016. Metro approved six amendments that extended the Agreement through June 30, 2023. A seventh amendment is expected to extend the project completion date to June 2024, which will be presented to Council for consideration at a later date.

On September 11, 2023, the City received E-76 approval from Caltrans to advertise the project. Caltrans approval was required due to the federal funding component. On November 16, 2023, the project was advertised. Bids were opened on December 14, 2023.

Metro allocated \$1,558,860 in the Call-For-Projects (CFP) Grant, and the City programmed required matching funds in the amount of \$389,715 from Local Prop C monies, plus \$531,000 in storm drain improvement funds (to address necessary storm drain relocation) for a total funding package of approximately \$2,480,000.

Although the original lowest bid was close to the project funding amount, depending on final construction management costs, the bid contained calculation errors that affected the total. The low bidder subsequently sent a formal letter to withdraw their bid, which is allowed under certain circumstances according to the Public Contract Code and the City's bid documents. The request to withdraw the bid was approved. The next low bid exceeded the project budget amount by \$700,000 to \$800,000. As such, staff is recommending a rejection of all bids due to a shortfall of funds.

To address the shortfall, City staff is planning to review the scope of the project and designate some of the project items as optional tasks, reducing the base scope of the project, while still addressing the primary project goals and objectives.

If the follow up bids are favorable, the optional items can be added to the contract at the time of award.

Staff recommends that the City Council reject the bids received and publicly opened on December 14, 2020, and authorize the City Clerk to re-advertise the project with revisions.

COORDINATION

This project was coordinated by the Engineering Services Division with assistance from Metro.

Charles,

Please see the attached documentation from our bidding program. It consists of the following:

1. Concise bid report **without** holding account distributed to intended bid items totaling:
\$2,137,990.25

2. Concise bid report **with** holding account distributed to the intended bid items totaling:
\$2,641,457.25
3. A cost report on the specific holding account showing the cost of the item that was supposed to be spread. A total of **\$431,342.60** (\$431,373 when rounded in system) **that with the appropriate markup of ~ 16%** would have added **\$503,467** to our bid total had we not made the clerical error.

Bid items 4,7, and 16 have been highlighted on these reports to show the significant difference in unit price provided vs what we intended them to be.

Please let us know if you have any questions or need further documentation.

Administrative Report

H.11., File # 24-0068

Meeting Date: 1/23/2024

To: MAYOR AND CITY COUNCIL
From: TED SEMAAN, PUBLIC WORKS DIRECTOR

TITLE

APPROVE ESCROW AGREEMENT NO. 2247 WITH TORO ENTERPRISES, INC. FOR THE DEPOSIT OF THE MONTHLY PROGRESS PAYMENTS' 5% RETENTION FOR THE MANHATTAN BEACH BOULEVARD RESURFACING - AVIATION BOULEVARD TO INGLEWOOD AVENUE PROJECT

EXECUTIVE SUMMARY

Toro Enterprises, Inc. (Toro) was awarded a Public Works Contract in the amount of \$4,162,813.75 to complete the Manhattan Beach Boulevard Resurfacing - Aviation Boulevard to Inglewood Avenue Project, Job No. 41160, and will begin work in mid-2024.

As part of the contract administration and under the provision of the Public Contract Code, Toro has opted to open an escrow account into which the City will make retention deposits, in lieu of the City retaining 5% of the monthly progress payments. The attached Escrow Agreement between Toro, the City, and Banner Bank is necessary for the administration of that account. Establishment of the account does not increase costs to the City and the account governed by this Agreement will be closed immediately upon the disbursement of all funds after the project is accepted as complete by the City and the 35-day notice period for potential claims has passed with no claims being submitted.

BACKGROUND

Toro was awarded a Public Works Contract in the amount of \$4,162,813.75 to complete the Manhattan Beach Boulevard Resurfacing - Aviation Boulevard to Inglewood Avenue Project, Job No. 41160. Construction is expected to start in May 2024 and be completed within one hundred working days.

As required by Public Contract Code Section 9203, the City withholds a 5% retention of each progress payment made to the contractor to ensure that the contractor completes the project per the Agreement. Section 22300 of the Public Contract Code provides contractors with the option of having retention funds deposited in a joint escrow account rather than being retained by the administering public agency. Toro has requested that contract retention payments be placed in escrow pursuant to Escrow Agreement 2247 with Banner Bank named as the Escrow Agent.

The Escrow Agreement gives the City the right to draw on the funds held in escrow in the event of default by the Contractor. Upon the City's written notice that the construction Contract is final and complete, the escrow will be closed and all funds therein will be returned to the Contractor less

applicable escrow fees and charges. The Escrow Agreement requires Toro to pay all costs incurred by the escrow agent.

COORDINATION

The City Attorney's Office has approved the Escrow Agreement as to form.

FISCAL IMPACT

There is no fiscal impact associated with the item. All costs associated with the escrow account will be paid by Toro.

This Escrow Agreement is made and entered into on the **23rd** of **January 2024**, by and between **City of Redondo Beach**, whose address is **415 Diamond Street, Redondo Beach, CA 90277**, hereinafter called "Owner"; **Toro Enterprises, Inc.**, whose address is **PO Box 6285, Oxnard, CA 93031** hereinafter called "Contractor", and **Banner Bank, a State chartered bank**, whose address is 5901 Priestly Drive Suite 160, Carlsbad CA 92008, hereinafter called "Escrow Agent".

For the consideration hereinafter set forth, the Owner, Contractor, and Escrow Agent agree as follows:

- (1) Pursuant to Section 22300 of the Public Contract Code of the State of California, Contractor has the option to deposit securities with Escrow Agent as a substitute for retention earnings required to be withheld by Owner pursuant to the Construction Contract entered into between the Owner and Contractor for **Manhattan Beach Blvd Resurfacing from Aviation Blvd to Inglewood Ave. Project 41160** in the amount of *****Four Million One Hundred Sixty Two Thousand Eight Hundred Thirteen Dollars and Seventy Five Cents*** (\$4,162,813.75)** dated **December 5, 2023** (hereinafter referred to as "Contract"). Alternatively, on written request of the Contractor, the Owner shall make payments of the retention earnings directly to the Escrow Agent. When the Contractor deposits the securities as a substitute for Contract earnings, the Escrow Agent shall notify the Owner within 10 days of the deposit. The Contractor may direct the investment of the payments into securities. All terms and conditions of this agreement and the rights and responsibilities of the parties shall be equally applicable and binding when the Owner pays the Escrow Agent directly.
- (4) Contractor shall be responsible for paying all fees for the expenses incurred by the Escrow Agent in administering the Escrow Account and all expenses of the Owner. These expenses and payment terms shall be determined by the Owner, Contractor and Escrow Agent.
- (5) The interest earned on the securities or the money market accounts held in escrow and all interest earned on that interest shall be for the sole account of Contractor and shall be subject to withdrawal by Contractor at any time and from time to time without notice to the Owner.
- (6) Contractor shall have the right to withdraw all or any part of the principal in the Escrow Account only by written notice to Escrow Agent accompanied by written authorization from the Owner to the Escrow Agent that Owner consents to the withdrawal of the amount sought to be withdrawn by Contractor.

- (7) The Owner shall have a right to draw upon the securities in the event of default by the Contractor. Upon seven days' written notice to the Escrow Agent from the Owner of the default, the Escrow Agent shall immediately convert the securities to cash and shall distribute the cash as instructed by Owner.
- (8) Upon receipt of written notification from the Owner certifying that the Contract is final and complete, and that the Contractor has complied with all requirements and procedures applicable to the Contract, Escrow Agent shall release to Contractor all securities and interest on deposit less escrow fees and charges of the Escrow Account. The escrow shall be closed immediately upon disbursement of all moneys and securities on deposit and payments of fees and charges.
- (9) Escrow Agent shall rely upon the written notification from the Owner and the Contractor pursuant to Sections (5) to (8), inclusive, of this Agreement and the Owner and Contractor shall hold Escrow Agent harmless from Escrow Agent's release and disbursement of the securities and interest as set forth above.

Administrative Report

H.12., File # 24-0086

Meeting Date: 1/23/2024

To: MAYOR AND CITY COUNCIL

From: MIKE COOK, INFORMATION TECHNOLOGY DIRECTOR

TITLE

APPROVE A FIVE-YEAR LEASE OF CANON COPIERS, PRINTERS, AND MANAGED PRINT SERVICES FROM CANON SOLUTIONS AMERICA, INC. TO REPLACE THE EXISTING CANON, DELL, AND LEXMARK COPY AND PRINT DEVICES FOR AN AMOUNT NOT TO EXCEED \$288,881.30

EXECUTIVE SUMMARY

The City currently leverages a combination of Canon, Lexmark, and Dell copiers and printers across its 15 facilities. The current fleet of printing devices is far beyond end of life with approximately 50% of its devices 8 years old, or older, causing frequent delays and inefficiencies due to service outages and a lack of availability of replacement parts and supplies. Of the City's over 100 printing devices, only 6 carry an active support agreement with all other maintenance, repair, and supply management performed by Information Technology Staff. The move to managed and leased copiers and printers from Canon Solutions America, Inc. (Canon) not only ensures that devices will be refreshed on a regular basis, but includes management services to ensure a minimum service level for each device, maintenance, monitoring, and just in time delivery of consumables including toner, fusers, and other necessities. In coordination with each City Department and Canon, this new printing fleet signifies a consolidation of our printing devices from 104 devices to 60, exemplifying the impact of new paperless services such as Laserfiche and DocuSign, as well as our shift from in-house print shop services to outsourced service providers. The equipment consolidation is expected to save the City roughly \$130,000 over the five-year period.

BACKGROUND

This project is part of the Department's scheduled IT work plan for FY 2023-24 and is funded from the IT operational budget. This Agreement will enhance the Department's ability to support the organization technologically and strategically increase employee productivity by promoting the effective delivery of services to the public. Like the City's equipment replacement program, these technological refreshes provide an opportunity for IT staff to plan for, and move, the City towards next generation technology while enhancing the efficient operation and resiliency of the organization going into the future.

The Canon copiers and printers specified feature touchscreen displays and appropriate capacity for each user Department based on average monthly printing studies completed City-wide. In some cases, the new fleet will provide printing capacity of up to 75 pages per minute.

While the City is moving toward paperless solutions in many areas, paper documents remains critical to many operations such as new employee onboarding processes and Courthouse documentation. Each device will be capable of scanning to promote paperless transactions and eliminate the need for desktop scanners.

To procure the new lease for services, a competitive Request for Proposals (RFP 2324-002) was issued and the City received 13 responses. Following the completion of a thorough evaluation process, Canon emerged as the highest scoring bidder. Canon's proposal leverages OMNIA Partners Cooperative Agreement Pricing (Agreement #2020002755) which allows the City to obtain favorable terms and pricing based on the enhanced purchasing power offered through the cooperative agreement.

Staff recommends the approval of the Agreement with Canon Solutions America, Inc. for a five-year lease of Canon Copiers, Printers and Managed Print Services for an amount not to exceed \$ 288,881.30.

COORDINATION

Information Technology staff worked directly with all Departments to specify required equipment to structure the Agreement. The Agreement will be coordinated between Information Technology, Financial Services, and Canon. The purchase documents have been approved as to form by the City Attorney's Office.

FISCAL IMPACT

The total cost of \$288,881.30 will be spread evenly across the 5-year lease duration, with payments made from the appropriate Fiscal Years' IT Department Internal Service Fund. Funding is included in the IT Department's annual operating budget. The reduction in citywide copier and printer equipment is expected to save the City roughly \$130,000 over the five-year period.

Funding

Expenditures

TITLE

APPROVE AN AGREEMENT WITH TIERRA WEST ADVISORS, INC. FOR CONSULTING SERVICES TO ASSIST WITH REVIEW OF THE CITY'S CANNABIS REGULATORY ORDINANCES AND DEVELOPMENT OF THE PERMIT SELECTION PROCESS FOR AN AMOUNT NOT TO EXCEED \$58,000 FOR THE TERM JANUARY 23, 2024 TO JANUARY 22, 2025

EXECUTIVE SUMMARY

On September 6, 2022, the City Council adopted cannabis regulatory Ordinances for both inland and coastal areas of Redondo Beach, allowing no more than two storefront commercial cannabis retailers to operate in the City. The inland Ordinance became effective 30 days after adoption, and the coastal ordinance became effective when it was certified by the California Coastal Commission on March 9, 2023.

(Tierra West) for review of the City's final cannabis regulatory ordinances and permit application guidelines, along with providing assistance with application processing. Tierra West is a consulting firm that provides a comprehensive suite of services to municipalities implementing cannabis-related programs. The attached Agreement addresses only the review of the regulatory ordinances and application guidelines at this time. The City must first finalize its permit fee schedule to determine the appropriate cost for application processing assistance. Once a fee schedule is approved by Council, an amendment to the Agreement will be drafted to include application processing services.

BACKGROUND

The analysis and identification of cannabis regulations most appropriate for Redondo Beach began in 2018 with the appointment of a Cannabis Steering Committee. Since that time, the City Council has provided direction, with review and recommendations from the Planning Commission, on regulatory measures for cannabis business within Redondo Beach. The City Council adopted the Cannabis Regulatory Ordinances on September 6, 2022, which allowed for no more than two storefront commercial cannabis retailers to operate in the City.

The City Council approved an agreement with HdL to review the City's draft cannabis regulatory ordinances and other cannabis-related procedural tasks, including assistance with the development of an application process for future cannabis permits. This effort included extensive research into processes other cities have established, and consideration of the regulations set forth by the City's

Ordinances. On May 16, September 5, and December 19, 2023, the City Council discussed the draft Guidelines and provided direction to staff on proposed revisions and requested further research be conducted.

At the December 19, 2023 meeting, portions of the regulatory ordinance and the permit application process were identified as needing further review. The City contract with HdL expired on June 20, 2023. Given the need for additional ordinance and application analysis, staff proposed entering into an agreement with Tierra West, a consulting firm that works exclusively with municipalities and has been employed by numerous other cities to develop cannabis regulations and processes. The firm comes highly recommended to City staff and, after outreach to other firms and companies, was determined to meet the City's needs most comprehensively in both ordinance/application review and application processing. City Council provided direction to engage Tierra West on their proposed scope of work to include the following:

Phase 1: Cannabis Ordinance and Application Process Review Services

- Objective 1: Review the City's Draft Cannabis Regulatory Ordinance
- Objective 2: Application Process Review
- Objective 3: Cost Recovery Fee Analysis
- Objective 4: Attendance, Support or Presentations at Meetings or Workshops
- Objective 5: Technical Assistance and Subject Matter Expertise
- Objective 6: Drafts and Final Work Products

Phase 2: Cannabis Application Processing Services

- Objective 1: Application Reviews and Merit-Based Scoring
- Objective 2: Applicant Interviews
- Objective 3: Preparation of Final Report
- Objective 4: Technical Assistance and Subject Matter Expertise

Given that the City's permit application fee schedule has yet to be finalized, the cost for Phase 2 can not yet be determined. These costs will be recuperated in full through permit application fees, and this scope of work will be recommended as an amendment to the Tierra West agreement at a later date once those fees have been approved. The proposed agreement addresses only Phase 1 of the scope outlined above at this time.

COORDINATION

Agreement preparation was coordinated with the City Attorney's Office and the Community Development Department.

FISCAL IMPACT

Funding for the \$58,000 of proposed consulting services is immediately available in the Community Development Department's annual operating budget for contracts and professional services. It is anticipated that a majority of the expenses will be recuperated through future cannabis permit processing fees.

RECEIVE AND FILE THE MONTHLY UPDATE TO THE TWELVE-MONTH STRATEGIC PLAN OBJECTIVES ADOPTED BY CITY COUNCIL ON MAY 30, 2023

EXECUTIVE SUMMARY

On April 25, 2023, the City Council held a strategic planning session to discuss and update the City's Strategic Plan. At the session, the City Council considered recent accomplishments, completed a strengths, weaknesses, opportunities, and threats (SWOT) analysis, re-affirmed the previously established three-year goals, and listed specific objectives for the upcoming planning period which was set for the next twelve-months. The objectives were adopted at the May 30, 2023 City Council meeting. The City's strategic planning process also includes periodic updates on the status of the approved objectives to allow for progress monitoring. This report and the attached matrix serve as the seventh update on the current Strategic Plan.

BACKGROUND

The City has been committed to a strategic planning process since 1998, a process that focuses staff resources on achievable policy goals and objectives set by the City Council. A contract with Leading Resources, Inc. for strategic planning consulting services was approved by Council in August of 2022 for the facilitation of two strategic planning sessions/periods. The first occurred shortly after contract approval and the most recent strategic planning session was held on April 25, 2023.

During the session, the City Council discussed the City's prior accomplishments (there were 65 objectives, projects, and initiatives that were recognized as having been completed during the planning period), re-affirmed the previously established three-year goals, and identified the objectives for the new plan.

The Council re-affirmed the previously established three-year goals (2022-2025) which are as follows (not in priority order):

- Modernize the City's Communication Systems
- Vitalize Core Commercial Areas of the City
- Increase Environmental Sustainability
- Invest in the City's Infrastructure
- Maintain a High Level of Public Safety
- Enhance the Delivery of City Services

The Council also listed and discussed twelve-month objectives that focus staff time and resources to help achieve the identified goals. On May 30, 2023, the City Council adopted the objectives after making minor additions.

The City Manager provides periodic updates to the adopted twelve-month objectives to enable the Mayor and Council to monitor the City's progress on the Strategic Plan. The attached matrix includes updates and notations provided by the department(s) responsible for each objective. This is the seventh update on the Plan.

COORDINATION

All Departments participated in the development of the Strategic Plan and assisted with the attached update.

FISCAL IMPACT

The cost for this activity is included in the City's annual operating budget.

TITLE

DISCUSSION AND POSSIBLE ACTION REGARDING A CHARTER AMENDMENT RELATED TO AN INSTANT RUNOFF VOTING SYSTEM AND AUTHORIZING THE CITY ATTORNEY TO PREPARE AN ORDINANCE AMENDING THE CITY'S MUNICIPAL CODE TO IMPLEMENT A VOTING METHOD IN MARCH 2025

EXECUTIVE SUMMARY

The City of Redondo Beach held its General Municipal Election on March 7, 2023, conducted by an all-mail ballot. The electorate successfully voted (by 76.67%) for Measure CA5, adopted by Resolution No. CC-2303-033, amending the City Charter Section 18.4 (Majority vote: Instant runoff election), which replaces runoff elections for the elected offices of the City with an instant runoff voting system.

Staff is seeking Council's direction to implement Ranked Choice Voting (RCV), as it is the only instant runoff voting method that has election tabulation equipment certified by the California Secretary of State. If directed to do so, the City Attorney's Office, in coordination with the City Clerk's Office, will then prepare an ordinance detailing the RCV system process and present the item to Council in April 2024. Staff recommends that an ordinance be completed by September 1, 2024 to allow ample time to negotiate vendor contracts. Sample ordinances from the California cities of Albany, Berkeley, and Eureka are attached as examples of how other jurisdictions have implemented RCV.

The City Clerk's Office will also prepare a voter education and outreach plan to present at a future City Council meeting. A sample Voter Outreach Plan from City and County of San Francisco is attached for Council reference.

BACKGROUND

At the Regular Meeting of November 9, 2021, City Council was presented with a demonstration of the RCV method. Before determining to move forward with RCV, Council directed staff to return with a demonstration and explanation of the STAR (Score-Then-Automatic-Runoff) voting method at the City Council meeting of January 11, 2022. At that meeting, Council was advised that the STAR voting method had not been used by any city in the state of California.

At the Regular Meeting of November 8, 2022, Council directed staff to return with a Charter amendment to allow for instant runoff voting and therefore, replace the current runoff system (separate elections), whereby submitting a Charter amendment to the voters to enact instant runoff

voting.

As a result of the General Municipal Election on March 7, 2023, a majority of the voters voted in favor of Measure CA5, amending the City Charter Section 18.4 (Majority vote: Instant runoff election). With the favorable result, an ordinance amending the City's Municipal Code will need to be prepared to implement an instant runoff voting method.

COORDINATION

This report was prepared in coordination with the City Attorney's Office.

6 **WHEREAS**, the Notice of Intent to circulate a Petition supporting the RCV Initiative
7 was filed on Jan. 22, 2020.

8 **WHEREAS**, on Mar. 16, 2020, Voter Choice Albany was forced to halt its efforts to
9 circulate the Petition, due to the Shelter-in-Place Order that was issued on that date by Alameda
10 County.

11 **WHEREAS**, but for the outbreak of the COVID-19 pandemic, the RCV Initiative
12 could have garnered the voter support necessary to qualify for the Nov. 3, 2020 General
13 Municipal Election.

14 **NOW, THEREFORE**, to ensure that the voters may vote on the RCV Initiative, the
15 City Council resolves to place the RCV Initiative on the ballot for the Nov. 3, 2020 General
16 Municipal Election, pursuant to Section 5.01 of the City Charter and Section 306 of the
17 Elections Code, in the following form:

18 **THE RANKED CHOICE VOTING INITIATIVE**

19 The people of the City of Albany do ordain as follows:

20 **ARTICLE I TITLE**

21 This Initiative shall be known and referred to as “The Ranked Choice Voting
22 Initiative”.

23 **ARTICLE II FINDINGS AND PURPOSE**

24 After three years of study, Albany’s Charter Review Committee found Ranked Choice
25 Voting at large to be the best method for electing Albany’s City Council and Board of
26 Education, and unanimously recommended that Albany transition to this method. Currently,
27 members of both bodies are elected by plurality at large (“first past the post”) regime. A
28 significant body of academic research has found that the plurality at large regime acts as a

1 substantial barrier to representation for all groups other than the majority – or can, in certain
2 cases, result in an outcome where a powerful minority wrests control of every single seat. As
3 such, the plurality at large regime produces election results that do not accurately reflect the
4 votes and preferences of Albany electors. Besides being unfair, such an election regime
5 reduces voter turnout and weakens the effectiveness of our democracy.

6 In 2018 the Charter Review Committee presented its recommendation to the City
7 Council and the Board of Education. On this basis, the Board of Education unanimously
8 requested that the City Council place a Charter amendment on the ballot to transition to Ranked
9 Choice Voting at large for electing the Board. Two Councilmembers supported placing this
10 question in front of the voters, while three Councilmembers denied both the Charter Review
11 Committee’s recommendation and the Board of Education’s request.

12 This Initiative adds a chapter to the Albany Municipal Code for the purpose of
13 instituting Ranked Choice Voting at large for electing members of the City Council – which,
14 pursuant to Paragraph (a) of Section 6.01 of the City Charter, will have the effect of instituting
15 Ranked Choice Voting at large for electing members of the Board of Education. Ranked
16 Choice Voting will make Albany’s elections more representative of the votes and preferences
17 of its voters. This will improve Albany’s democracy by providing representation for a broader
18 range of perspectives on its governing bodies, as well as reducing the chance that a powerful
19 minority can capture control of our government. This change will also increase voter turnout.
20 Continued inaction represents a risk to not just the quality of governance of Albany, but to
21 members of our community whose voices are not being heard under the current regime.

22 **ARTICLE III SEVERABILITY.**

23 Each provision of this Initiative is severable. If any provision is held to be invalid, that
24 invalidity shall not affect any other provision that can be given effect without the invalid
25 provision. This Initiative shall become effective upon passage.

26 **ARTICLE IV ADDITION OF CHAPTER 7 TO THE MUNICIPAL CODE.**

27 Chapter 7 (Ranked Choice Voting Elections) is hereby added to the Albany Municipal
28 Code, as follows:

1 §7.1 GENERAL PROVISIONS AND DEFINITIONS

2 §7-1.1 Enacted pursuant to Section 5.01 of the Albany City Charter (the “City
3 Charter”), this Chapter provides the manner by which members (“Members”) of the Albany
4 City Council shall be elected. Specifically, Ranked Choice Voting shall be used for electing
5 Members, at large, during each general municipal election, beginning with the November 8,
6 2022 general municipal election. Ranked Choice Voting shall also be used for electing
7 Members, at large, during any special election called after November 8, 2022.

8 §7-1.2 This Chapter establishes procedures to be used in Ranked Choice
9 Voting elections, and shall be liberally construed to give effect to its purposes. This Chapter
10 may not be amended or repealed, unless (1) a majority of voters vote to do so at a general
11 municipal election, provided that the ballot measure was placed on the ballot by way of (a)
12 initiative petition, or (b) the affirmative vote of at least four (4) members of the five-member
13 City Council, irrespective of any absences, recusals, or vacancies at the time of such vote; or
14 (2) the City Council votes to do so by the affirmative vote of at least four (4) members of the
15 five-member City Council, irrespective of any absences, recusals, or vacancies at the time of
16 such vote.

17 §7-1.3 Ranked Choice Voting is a method that allows voters to rank candidates
18 for elected office in order of preference. Elections conducted by Ranked Choice Voting shall
19 be used for single-seat and multi-seat elections. Elections conducted by Ranked Choice Voting
20 are tabulated in rounds, as specified in this Chapter.

21 §7-1.4 For purposes of this Chapter, the following terms have the following
22 meanings:

- 23 a. “City Clerk” means the City Clerk of the City of Albany, or his or her
24 designee.
- 25 b. “Continuing candidate” means a candidate who has not yet been
26 designated as elected or defeated.
- 27 c. “Election threshold” means the number of votes sufficient for a
28 candidate to be elected in a multi-seat contest. The election threshold

1 equals the total votes counted for candidates in the first round of
2 tabulation, divided by the sum of one plus the number of seats to be
3 filled, then adding one, disregarding any fractions. Expressed as a
4 formula, the election threshold = $[(\text{Total votes cast})/(\text{Seats to be}$
5 $\text{elected}+1)] + 1$, with any fraction disregarded.

- 6 d. “Exhausted ballot” means a ballot with a ranking marked for at least
7 one candidate but that does not contain a ranking for any continuing
8 candidate, making the ballot unable to be transferred to another
9 continuing candidate.
- 10 e. “Exhausted by overvote” means an instance in which a voter has
11 ranked more than one candidate at the same ranking.
- 12 f. “Highest ranked continuing candidate” means the continuing
13 candidate on a voter’s ballot with the lowest numerical ranking.
- 14 g. “Multi-seat election” means an election in which two or more
15 candidates can be designated as elected in a single contest to fill
16 multiple seats in the same publicly elected office. This may also be
17 referred to as a multi-winner election.
- 18 h. “Ranking” means the number assigned to a candidate by a voter that
19 establishes the order in which that voter’s ballot is transferred at the
20 transfer value to that candidate during tabulation.
- 21 i. “Seat” means an elected position occupied by one person, one or more
22 of which form a publicly elected office.
- 23 j. “Single-seat election” means an election in which only one continuing
24 candidate can be designated as elected in the contest. This may also be
25 referred to as a single-winner election.
- 26 k. “Skipped ranking” means a voter has left a ranking order unassigned
27 but ranks a candidate at a subsequent ranking order.
- 28

- 1 l. “Special election” means any election that may be called to fill
2 vacancies or unexpired terms pursuant to the City Charter.
- 3 m. “Surplus fraction” means a number equal to the quotient of the
4 difference between an elected candidate’s vote total and the election
5 threshold, divided by the candidate’s vote total (or, expressed as a
6 formula, $(V-T)/V$, in which “V” is the elected candidate’s vote total
7 and “T” is the election threshold), rounded down to four decimal
8 places.
- 9 n. “Transfer value” means the proportion of a vote that a ballot will
10 contribute to its highest ranked continuing candidate. If a ballot
11 contributes to the election of a candidate, it receives a new transfer
12 value pursuant to Subparagraph (3) of Paragraph (a) of Section §7-3.6.

13 §7-1.5 Ballots with Skipped Rankings and Overvotes

- 14 a. If a ballot contains a skipped ranking, the ballot shall be transferred to
15 the highest ranked continuing candidate. *Just as one example,*
16 *suppose that a ballot contains rankings for a voter’s second choice,*
17 *third choice, and fourth choice (i.e., the voter skipped his or her first-*
18 *choice ranking). Assuming that the voter’s second choice is a*
19 *continuing candidate, the ballot shall be transferred to the voter’s*
20 *second choice.*
- 21 b. If a ballot contains an overvote, it shall count as an exhausted ballot
22 when the overvote is reached.

23 §7-1.6 There shall be no nomination of candidates and no write-in candidates
24 to succeed any Member who is the subject of a recall petition. If a Member is recalled, his or
25 her successor shall be determined pursuant to the procedures set forth to fill vacancies under
26 the City Charter.

27 §7-1.7 Any special election called for the same date as a general municipal
28 election must be consolidated with the general municipal election. If they are not consolidated

1 with a general municipal election, two or more special elections to elect Members must
2 themselves be consolidated, provided that those special elections have been called for the same
3 date.

4 §7-1.8 All consolidated elections of Members will be combined into one multi-
5 seat election. Any longer terms to be filled shall be awarded to the candidates who are first to
6 be declared or designated as elected, and any shorter terms shall be awarded to the candidates
7 who are last to be declared or designated as elected.

8 §7-1.9 If any special election is not consolidated pursuant to Section 7-1.8, it
9 shall be held using Ranked Choice Voting in a single-seat election, on the date of the next
10 regularly established election to be held throughout the City of Albany at least 114 days from
11 the call of the special election.

12 §7.2 VOTING

13 §7-2.1 The ballot shall allow voters to assign a different ranking to every
14 candidate, as well as to write-in candidates. If the voting equipment used by the City Clerk
15 cannot feasibly accommodate that number of rankings on the ballot, the City Clerk may limit
16 the number of candidates that a voter may rank to the maximum number allowed by the
17 equipment.

18 §7-2.2 Voters may rank as few candidates as they prefer or as many as they
19 prefer subject to any limitation on the maximum number of candidates established by the City
20 Clerk pursuant to Section §7-2.1.

21 §7.3 VOTE COUNTING

22 §7-3.1 This Subchapter (§7-3) establishes the procedures for electing
23 candidates in single-seat and multi-seat elections using Ranked Choice Voting.

24 §7-3.2 In an election conducted by Ranked Choice Voting, the City Clerk shall
25 provide ballot instructions that make clear the proper voting procedures for voting in a Ranked
26 Choice Voting election.

27 §7-3.3 Each ballot's vote is initially assigned to the highest ranked candidate
28 on that ballot at a transfer value of one.

1 §7-3.4 If the number of candidates is equal to or less than the seats to be filled,
2 each candidate is declared elected. The number of votes for each candidate is counted and
3 tabulation is complete. Otherwise tabulation proceeds in accord with Section 7-3.5 for a single-
4 seat election or Section 7-3.6 for a multi-seat election.

5 §7-3.5 Single-Seat Election Tabulation

6 a. Vote tabulation proceeds in rounds as follows:

- 7 1. Each ballot is counted for the highest ranked continuing
8 candidate on that ballot. If there are only two continuing
9 candidates, the candidate with more votes is declared the
10 winner of the election, and tabulation is complete. Otherwise,
11 tabulation proceeds pursuant to Subparagraph (2) immediately
12 below.
- 13 2. The candidate with the fewest votes is defeated, and votes for
14 the defeated candidate are transferred to the highest ranked
15 continuing candidate of each affected ballot. If two or more
16 candidates are tied with the fewest number of votes, the
17 candidate to be defeated shall be determined by lot. A new
18 round of tabulation starts again pursuant to Subparagraph (1)
19 immediately above.

20 §7-3.6 Multi-Seat Election Tabulation

21 a. Vote tabulation proceeds in rounds as follows:

- 22 1. Each ballot is counted, at its current transfer value, for the
23 highest ranked continuing candidate on that ballot. If there is
24 at least one candidate with more votes than the election
25 threshold, each candidate with more votes than the election
26 threshold is designated as elected. If the number of elected
27 candidates is equal to the number of seats to be filled, the

tabulation is complete. Otherwise, tabulation proceeds pursuant to Subparagraph (2) immediately below.

- 2. If any ballot counted for a candidate who has been designated as elected and who has surplus fraction greater than zero has not been assigned a new transfer value after that candidate was designated as elected, the tabulation proceeds pursuant to Subparagraph (3) immediately below. Otherwise, the tabulation proceeds pursuant to Subparagraph (4) below.
- 3. Of the candidate or candidates who have been designated as elected, the candidate with the greatest number of votes (with any tie decided by lot) is deemed to have a number of votes equal to the election threshold for the contest in all subsequent rounds. Each ballot counted for that candidate is assigned a new transfer value, by multiplying the ballot’s current transfer value by the surplus fraction for the elected candidate, rounded down to four decimal places. Tabulation continues pursuant to Subparagraph (1) above.
- 4. If the total number of elected and continuing candidates is equal to the number of seats to be filled, the continuing candidates are designated as elected and the tabulation is complete. Otherwise, the continuing candidate with the fewest votes is defeated, and a new round of tabulation begins pursuant to Subparagraph (1) above.

§7.4 REPORTING

§7-4.1 For purposes of this Chapter, the following terms have the following meanings:

- a. “Ballot report” means a report in plain text electronic format that lists all of the following for each ballot counted in the tabulation:

1. The candidate indicated at each ranking.
 2. The precinct in which the ballot was cast.
 3. Whether the ballot was cast by mail.
- b. “Summary report” means a report that lists all of the following:
1. The number of ballots counted.
 2. The votes received by each candidate in each round of the tabulation.
 3. In each round of tabulation, the cumulative number of all exhausted ballots and all ballots exhausted by overvotes.
 4. Any other information that the City Clerk chooses to include.

§7-4.2 Reporting Limitations

- a. A ballot report generated pursuant to this Section (§7-4.2) shall not permit the order in which the votes were cast in each precinct to be reconstructed or the identification of the voter that cast the ballot.
- b. This Section (§7-4.2) does not prohibit the City Clerk from providing additional reports or including additional information in any report except for the limitations expressed in Paragraph (a) immediately above.

§7-4.3 Vote Tabulation and Report Publication Timing and Posting

- a. The City Clerk, in coordination with the Alameda County Registrar of Voters, shall do all of the following:
1. Tabulate the results as soon as the City Clerk determines it is feasible after the close of the polls, and publish the corresponding summary report.
 2. Tabulate the results for the last preliminary count of the ballots on election night and publish a corresponding summary report.

- 1 b. The City Clerk shall publish a summary report and ballot report for the
2 final tabulation of the official canvass in conjunction with the certified
3 statement of the results.

4 §7-4.4 The City Clerk shall promptly post links to reports pursuant to Section
5 7-4.2 on the internet website of the City Clerk's Office.

6 §7.5 VOTER EDUCATION

7 §7-5.1 For purposes of this Chapter, the following terms have the following
8 meanings:

- 9 a. “Additional supported language” means a language for which a
10 jurisdiction is required to provide voting materials and assistance
11 under the Federal Voting Rights Act of 1965 (52 U.S.C. Sec. 10101 et
12 seq.) or for which the Secretary of State has determined that it is
13 necessary to provide facsimile ballots at a precinct within the
14 jurisdiction pursuant to subdivision (c) of Section 14201 of the State
15 Elections Code.
- 16 b. “Additional supported language community” means a community that
17 speaks an additional supported language.

18 §7-5.2 Education Planning and Execution

- 19 a. The City Clerk shall conduct a voter education and outreach campaign
20 before each election conducted pursuant to this division, until the
21 conclusion of the second general election conducted in this manner. A
22 campaign conducted pursuant to this chapter shall include public
23 meetings and public service announcements through different media,
24 including media serving additional supported language communities,
25 if available, to familiarize voters with that election method. Materials
26 and information disseminated as part of the campaign shall be
27 provided in all additional supported languages and shall be accessible
28 to individuals with disabilities.

- 1 b. The City Clerk shall, in collaboration with the Alameda County
2 Registrar of Voters, develop a plan describing how they will conduct
3 the voter education and outreach campaign required by this Section
4 (§7-5.2). The plan shall include all of the following information:
- 5 1. How the City Clerk will use media, which may include digital
6 media, newspapers, radio, and television, to inform voters
7 about an upcoming election.
 - 8 2. What information will be publicly available on the City Clerk's
9 internet website.

20 public meeting to discuss the plan. The City Clerk shall also make a
21 good faith effort to invite each of the following to at least one of those
22 public meetings:
- 23 1. Representatives, advocates, and other stakeholders
24 representing each additional supported language community.

2.14.010 Definitions.

A. "Ranked choice voting" shall mean an election system in which voters rank the candidates for office in order of preference, and the ballots are counted in rounds that, in the case of a single-winner election, simulate a series of runoffs until one candidate receives a majority of votes. Also known as "instant runoff voting."

B. "Continuing ballot" shall mean a ballot that counts towards a continuing candidate.

C. "Continuing candidate" shall mean a candidate that has not been eliminated.

D. "Majority of votes" shall mean more than fifty percent of the votes cast on continuing ballots.

E. "Single winner contest" means an election contest in which there is one seat to be elected for a single office.

F. "Choice" means an indication on a ballot of a voter's assigned ranking of candidates (i.e. first choice, second choice, third choice, etc.) for any single office according to the voter's preference.

G. "Vote" means a ballot choice that is counted toward the election of a candidate. During each round of counting, each continuing ballot contains one vote. All first choices are votes and lower ranked choices are potential runoff votes that may, in accordance with the requirements of this chapter, be credited to and become votes for a candidate.

H. "Round of counting" or "round" means a step in the counting process during which votes for all continuing candidates are tabulated for the purpose of determining

whether a candidate has achieved a majority of the votes cast for a particular office, and, absent a majority, which candidate or candidates must be eliminated.

I. "Next ranked" means the highest ranked choice for a continuing candidate.

J. "Exhausted ballot" means any ballot that cannot be advanced because no further continuing candidates are ranked on that ballot.

K. "Overvote" means any ballot with more than one candidate indicated for the same ranking.

L. "Undervote" means any ballot that has no candidates indicated at any ranking.

M. "Skipped ranking" means a ballot contains a higher ranking with no candidate indicated, and contains a lower ranking with a candidate indicated.

N. "Voting equipment" means all ballots and/or voting devices, vote tabulating systems and/or similar or related systems to be used in the conduct of the City's election, including but not limited to paper ballot systems, optical scan systems, and direct recording electronic systems.

2.14.020 General Provisions.

A. Ranked choice voting elections for single-winner city offices shall be conducted according to the procedures in this chapter, upon the certification by the California Secretary of State of an automated vote tabulation system that is able to perform instant runoff voting.

B. Ranked choice voting shall commence with the 2008 General Municipal Election, provided that if no automated system is certified for use for the 2008 General Municipal Election, by July 14, 2008, ranked choice voting will be implemented at the earliest election following certification, as long as certification occurs no later than the start of the candidate filing period for that election.

C. The Registrar of Voters must agree to the request for all election services that allow the City to use ranked choice voting and consolidation of the election prior to the use of ranked choice voting.

2.14.025 Election Services.

The request for election services submitted to the Registrar of Voters shall include all requirements and procedures enumerated in sections 2.14.030, 2.14.040, 2.14.050, 2.14.060, 2.14.070, 2.14.080, 2.14.090, and 2.14.100.

2.14.030 Ballot.

A. The ranked choice voting ballot shall allow voters to rank three choices. The City Council may set a higher number of rankings by resolution provided that the higher number of rankings is consistent with the provisions of Charter Section 5 (12).

B. The ballot shall not interfere with a voter's ability to rank a write-in candidate.

C. Instructions provided to voters shall conform substantially to the following specifications, but may be modified based on ballot design and voting equipment used:

“Vote by ranking candidates in your order of choice. You may rank as many or as few candidates as you choose. Select a different candidate for each ranking. Select only one candidate in each ranking. Ranking more candidates will not hurt your higher ranked candidates. Do not skip rankings.”

2.14.040 Tabulation.

The ballots shall be counted in rounds.

A. In the first round, every ballot shall count as a vote towards the first choice candidate.

B. After any round, if any candidate receives a majority of votes from the continuing ballots, that candidate shall be declared the winner.

C. If no candidate receives a majority, the candidate receiving the fewest number of votes shall be eliminated.

D. Every ballot counting towards the eliminated candidate shall be advanced to the next-ranked continuing candidate. All the continuing ballots for all continuing candidates shall be counted again in a new round.

2.14.050 Ties.

In the event that two or more candidates tie for the fewest number of votes, the candidate to eliminate shall be chosen by lot.

2.14.060 Elimination of More Than One Candidate.

During the elimination stage of any round, in the event that any candidate has more votes than the combined vote total of all candidates with fewer votes, all the candidates with fewer votes shall be eliminated simultaneously, and those ballots advanced to the next-ranked continuing candidate.

2.14.070 Skipped Rankings.

In the first or any round, in the event that any ballot reaches a ranking with no candidate indicated, that ballot shall immediately be advanced to the next ranking.

2.14.080 Undervotes, Overvotes, and Exhausted Ballots.

After each round, any ballot that is not continuing is either an undervote, overvote, or exhausted ballot. Any ballot that has been declared an undervote, overvote, or exhausted shall remain so and shall not count towards any candidate in that round or in subsequent rounds.

2.14.090 Reports.

The following reports shall be produced for public review.

A. The "summary report" for a contest shall mean a report that lists the candidate vote totals in each round, and the cumulative numbers of undervotes, overvotes, and exhausted ballots in each round.

B. The "ballot image report" for a contest shall mean a report that lists, for each ballot, the candidate or candidates indicated at each ranking, the precinct of the ballot, and whether the ballot was cast by a vote-by-mail ballot. In the report, the ballots shall

be listed in an order that does not permit the order in which they were cast in each precinct to be reconstructed.

C. The "comprehensive report" for a contest shall mean a report that lists the vote totals in the summary report by precinct. The report shall list, for each round, the number of ballots cast in each precinct that:

1. were tallied as votes for each candidate in that round,
2. have been declared undervotes,
3. have been declared overvotes, cumulatively for all previous rounds and inclusive of the reported round of tabulation, and
4. have been declared exhausted cumulatively for all previous rounds and inclusive of the reported round of tabulation .

D. Mode and manner of release. Preliminary versions of the summary report and ballot image report shall be made available as soon as possible after the commencement of the canvass of votes cast. The summary report, ballot image report, comprehensive report, and preliminary versions of the summary report and ballot image report shall be made available to the public during the canvass via the Internet and by other means. The ballot image report and preliminary versions of the ballot image report shall be made available in a plain text electronic format. In any case, preliminary versions of these reports shall be made available to the public prior to the commencement of the manual tally.

2.14.100 Manual Tally.

A. A preliminary version of the comprehensive report shall be made available to the public prior to the selection of precincts for the public one percent manual tally, as provided by state law.

B. After each round of the manual tally, the second and third choice votes shall be assigned based of the candidate totals in the summary round-by-round report for the entire contest.

2.14.110 Election Procedures if Ranked Choice Voting is Not Used.

In the event that the City is unable to use ranked choice voting, the City shall hold a general election in November of each even numbered year and a run-off election, if necessary, in February immediately following the general election as provided for in the charter.

Section 2. Copies of this Ordinance shall be posted for two days prior to adoption in the display case located near the walkway in front of Old City Hall, 2134 Martin Luther King Jr. Way. Within 15 days of adoption, copies of this Ordinance shall be filed at each branch of the Berkeley Public Library and the title shall be published in a newspaper of general circulation.

FOR THE OFFICES OF MAYOR AND COUNCIL MEMBER**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF EUREKA AS FOLLOWS:

WHEREAS, on November 3, 2020, the voters of the City of Eureka adopted Measure C, an amendment to the City Charter of the City of Eureka, which included the following language as part of Section 207: "In the elections of the Mayor and Council Member, the Council must provide for Ranked Choice Voting." This ordinance is intended to implement the direction of the Charter.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF EUREKA DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. Section 37.20 is hereby added to Chapter 37 of the City of Eureka Municipal Code to read as follows

§ 37.20 RANKED CHOICE VOTING.

- A. **DEFINITIONS.** For purposes of this chapter, the following words, terms and phrases have these definitions:
1. **RANKED CHOICE VOTING.** "Ranked Choice Voting" means an election system in which voters rank the candidates for office in order of preference, and the ballots are counted in rounds that simulate a series of runoffs until the final round, whereupon the one of those two candidates with the majority of votes is determined to be the winner. Ranked choice voting is also known as "instant runoff voting."
 2. **MAJORITY OF VOTES.** "Majority of votes" means fifty percent (50%) of the votes plus one.
 3. **CONTINUING BALLOT.** "Continuing ballot" means a ballot that counts towards a continuing candidate.
 4. **CONTINUING CANDIDATE.** "Continuing candidate" means a candidate that has not been eliminated. In the first round of counting, this means all candidates including write-ins.
 5. **CHOICE.** "Choice" means an indication on a ballot of a voter's assigned ranking of candidates (i.e., first choice, second choice, third choice, etc.) for any single office, according to the voter's preference.

6. **FINAL ROUND.** The “final round” is the round in which there are only two continuing candidates.
7. **VOTE.** “Vote” means a ballot choice that is counted toward the election of a candidate. During each round of counting, each continuing ballot contains one vote. All first choices are votes and lower ranked choices are potential runoff votes that may, in accordance with the requirements of this chapter, become votes that are subsequently credited for a continuing candidate.
8. **ROUND OF COUNTING.** “Round of counting” or “round” means a step in the counting process during which votes for all continuing candidates are tabulated for the purpose of determining which candidate has achieved a majority of the votes cast for a particular office, and, if no candidate has achieved a majority, which candidate or candidates must be eliminated.
9. **NEXT RANKED.** “Next ranked” means the highest ranked choice for a continuing candidate.

37.21 GENERAL PROVISIONS.

1. Ranked choice voting elections for the offices of Mayor and City Council member must be conducted according to the procedures in this Chapter.
2. Ranked choice voting will commence not later than the 2024 General Municipal Election and continue thereafter for all general municipal elections.
3. The City Elections Official must coordinate with the Humboldt County Registrar of Voters to implement ranked choice voting in the 2022 General Municipal Election if that implementation is feasible.
4. The agreement of the Humboldt County Registrar of Voters is a precondition to the election services that allow the City to use ranked choice voting and to consolidate the City’s municipal election with November General Elections prior to the use of ranked choice voting.

37.22 RANKED CHOICE VOTING BALLOT.

1. In any mayoral or council member election conducted by ranked choice voting, the ballot must allow voters to rank not less than three candidates, including write-in candidates, in order of preference.
2. The ballot must not interfere with a voter’s ability to rank up to three write-in candidates.

37.23 TABULATION.

1. The ballots for each seat must be counted in rounds.

- a. In the first round, every ballot counts as a vote for the first-choice candidate on that ballot.
- b. If no candidate receives a majority in the first or a subsequent round, the candidate receiving the fewest number of votes in that round is eliminated.
- c. Every ballot counting towards the eliminated candidate is then counted again for votes cast for the next-ranked continuing candidate. All the continuing ballots for all continuing candidates are then tabulated in a new round.
- d. In the final round, the candidate who receives the majority of votes from the continuing ballots is the winner. If two candidates in the final round are tied, the winner will be the tied candidate who received the higher number of votes in round one.

SECTION 2. The City Clerk will certify to the adoption of this Ordinance and will cause the same or a summary thereof to be published as required by law.

SECTION 3. This Ordinance takes effect and will be in full force and effect thirty (30) days after the date of its final passage and adoption.

PASSED, APPROVED AND ADOPTED by the City Council of the City of Eureka in the County of Humboldt, State of California, on the 7th day of December, 2021 by the following vote:

I. Background and Outreach Objectives

The mission of the Department of Elections (Department) is to conduct all federal, state, and local elections in the City and County of San Francisco (the City) in a manner that is free, fair, and functional.

The Department's Voter Education and Outreach Division (Outreach Division) administers a year-round Outreach Program in compliance with federal, state, and municipal laws, including the statutory mandates of Section 203 of the Voting Rights Act and the San Francisco Language Access Ordinance. When administering its Outreach Program, the Department utilizes a variety of strategies to communicate general election information to City residents. General election messages highlight key dates such as the last day to register, the first day to vote early, the last day to request a ballot by mail, and the date of the upcoming election. The Outreach Division also develops messages about useful resources, such as online, language, and accessibility services and tools, and opportunities, such as poll worker service, conditional voter registration (the process for registering after the regular deadline), and public observation of election processes.

In addition to the ongoing goal of communicating general election information to City residents, the Department's 2019 Outreach Plan has two additional objectives: 1) to provide detailed information about the City's new voting system, with a focus on a new way of marking the ballot, and 2) to equip voters with a knowledge of the expanded choices in ranked-choice voting (RCV) contests, with a focus on a new grid-like ballot.

In 2019, the Department and Dominion Voting Systems (Dominion) executed an agreement under which the City will lease a voting system from Dominion. Using the newly adopted voting system will require the City's voters to change the way they mark their ballots. In recent elections, voters have connected arrows pointing to their chosen candidates (Yes or No for a ballot measure). The new ballot format replaces these arrows with more intuitive fillable ovals. Another change is that voters will be able to rank up to ten candidates in RCV contests, compared to the previous maximum of three (even when more than three candidates were running for an office).

While developing strategies for educating voters about the new voting system, the Department sought to identify effective outreach practices from other jurisdictions, particularly those jurisdictions that have adopted the City's new voting system or use ranked-choice voting. In addition to adopting best practices of other jurisdictions, the Department plans to build its 2019 RCV educational campaign on the successes of its 2004 RCV educational campaign. Collaboration with community partners features prominently in the 2019 Outreach Plan. As with the initial rollout in 2004, the Department intends to organize a grant program for community organizations interested in working with the Department on RCV outreach education. In developing new materials to reflect the expanded RCV ballot format, the Department will incorporate best practices from other jurisdictions who use this voting method, including Santa Fe, New Mexico and Minneapolis, Minnesota.

In addition to providing outreach and voter education for the general public, the Department will engage with voters with limited English proficiency, seniors and voters with disabilities, voters in areas with turnout below the City's average turnout, and young and first-time voters.

II. Outreach Strategies and Timelines

The Department is committed to reaching every community and every neighborhood in the City with relevant notices about a new way of marking the ballot and expanded rankings in RCV contests. To meet this goal, the Department will roll out a

robust voter education program that includes a wide variety of direct communications via print and digital media, as well as collaboration with community partners.

A. General Public

Citywide communications form the core of the 2019 Outreach Plan. In developing communication strategies, the Department will provide the City's voters with information about the new voting system by utilizing the following strategies.

1. Print Media

Print materials remain an essential part of Department communications. The Department will produce flyers, brochures, and posters, highlighting the features of the new voting system and the changes in ballot marking as well as the expanded RCV ballot format.

Postcards – In most elections, the Department sends a postcard to every residential household in San Francisco containing general information about the upcoming election and highlighting important topics, key dates, and upcoming deadlines. In 2019, the Department will mail a second postcard to provide City residents with information specific to the new voting system and the new RCV ballot. Both postcards will invite voters to use the Department's assistance hotline and website, *sfelections.org*, to find more information.

Timeline: 1st mailing – July, 2nd mailing –September

Voter Information Pamphlet – The November 2019 Voter Information Pamphlet, to be mailed to approximately 500,000 voters, will devote significant space to information about the new voting system and proper ballot marking for RCV contests, with an emphasis on the effects of over-voting or under-voting.

Timeline: October

Vote-by-mail ballot inserts – Approximately 290,000 vote-by-mail (VBM) voters will receive a VBM packet in the mail with a ballot, a postage-paid return envelope, and voting instructions. These instructions will illustrate proper marking of the ballot and provide a link to the webpage on *sfelections.org* with information about RCV, including an interactive practice RCV ballot.

Timeline: October

Newspapers – The Department will place multiple notices in local newspapers, most of which also maintain a presence online. For a list of newspapers in which the Department intends to place notices, see **Appendix A**.

Timeline: 1st run – June, 2nd run – August, 3rd run – September – October

Transit advertising – To reach the City's commuters, the Department will provide ads in local public transit stations and on transit vehicles. Because of the relative complexity of this year's messaging, the Department intends to post election-related notices for longer than usual so that commuters will have more opportunity to view the new information.

Timeline: September – October

Brochures and posters – The Department will produce various materials that will be distributed throughout San Francisco by way of community presentations, street fairs and festivals, canvassing, and registration drives. All brochures and posters will also be made available for distribution to community organizations, with downloadable versions available on *sfelections.org*.

Timeline: Creation – April, Distribution – May – October

Demonstration ballots – At all outreach events, Department personnel will emphasize the new RCV ballot format. To reinforce verbal explanations of how to mark an RCV ballot with expanded rankings, presenters will use demonstration ballots to visually demonstrate how to rank a different candidate in each column. Additionally, demonstration RCV ballots will be distributed to participants to facilitate the opportunity to practice marking the ballot and to ask questions.

Timeline: Creation – April, Distribution – May – October

2. Digital Media

Website – The Department will dedicate several pages on *sfelections.org* to information related to the new voting system and the new RCV ballot format. The website will host an interactive practice RCV ballot as well as answers to frequently asked questions on topics such as over-voting, under-voting, skipped columns, and much more.

Timeline: Rollout – April

Press releases – The Department will issue a series of press releases to its media contacts, organizations, and ever-growing list of interested individuals. Press releases will be posted on the Department’s website in order to reach individuals who prefer to obtain election information online.

Timeline: Periodically between April – October

Public Service Announcements – The Department will produce and distribute a 30-second public service announcement (PSA) to air on local television stations about the new voting system and the new ballot format. The PSA will offer viewers a glimpse of the new system and highlight key differences between the old and new ballot formats.

Timeline: 1st run – May, 2nd run – October

Radio broadcasts – The Department will leverage its cooperative relationships with local radio stations, including independent and college stations, to air announcements about the new voting system. Department staff will also participate in live radio interviews to answer any questions from interviewers or listeners. For a list of radio stations with which the Department plans to partner, see **Appendix B**.

Timeline: Periodically between April – October

Social media – The Department will utilize Twitter, Facebook, and Next Door to announce public events, forums, and public voting system demonstrations and to share partner updates with other City departments and community partners.

Timeline: Periodically between April – October

RCV presentation – The Department will develop an online RCV slideshow that describes the new RCV ballot format, illustrates how to rank up to 10 candidates for a single office, discusses the implications of marking an RCV contest incorrectly, and shows how votes are tabulated. This demonstration will be available on *sfelections.org* and presented at events throughout San Francisco.

Timeline: Rollout – April

3. Community Partnerships

Presentations and events – The Department will conduct educational presentations about the new voting system and RCV ballot format at a variety of City locations, including community centers, schools, places of worship, and entertainment and meeting halls. The Department's community partners include non-profit organizations, community-based and private sector organizations, and other City departments and government agencies. At these events, participants will have the opportunity to view a demonstration on RCV, practice marking demonstration ballots, and ask questions. For a list of community partners, see **Appendix C**.

Timeline: Periodically between April – October

Content for community partners – In addition to providing in-person outreach throughout the City, the Department will develop ready-made content available to community partners to share in their newsletters, blog posts, organizational websites, and social media accounts. This content will educate San Franciscans about the changes they will experience when casting their vote by mail or in person.

Timeline: Creation – April, Distribution – May – October

Voting system demonstrations – The Department will host a series of voting system demonstrations, at City Hall and in neighborhood venues around the City.

Voting system demonstrations will offer San Franciscans the opportunity to practice using the new technology in advance of the November 2019 election. These demonstrations will also allow Department staff to observe voter interactions with the new equipment; these observations will inform development of poll worker training guides and other instructional materials.

Timeline: 1st – May, 2nd – July, 3rd – September/October

Grant program – The Department has requested additional funding to develop a grant program for community organizations interested in being involved in RCV outreach. These grants would support the development of community-specific programs for delivery of RCV educational content to voters within each Supervisorial District. Those who may benefit from focused outreach on RCV include voters with limited English proficiency, seniors and persons with disabilities, residents of neighborhoods with below City average voter-turnout, and young or first time voters.

Timeline: August

B. Voters with Limited English Proficiency

As part of its focused outreach programs, the Department will utilize several additional strategies for communicating general and new election information to voters with Limited English Proficiency (LEP). The Department will also leverage the work of its Language Accessibility Advisory Committee (LAAC), a Department networking group comprised of community-based organizations established in 2017, to reach LEP voters and provide recommendations on the Department's outreach strategies to LEP voters.

1. Non-English Media

For every election, the Department produces programs in partnership with local non-English media outlets to reach LEP voters and those who prefer to receive messages in a language other than English. This year, these communications will cover topics related to the new voting system and RCV ballot format, as well as providing general election information.

Newspapers – The Department regularly advertises information about upcoming elections in local non-English newspapers. Newspaper ads are translated and placed in publications serving LEP residents throughout the City. In 2019, the primary focus of such ads will be on educating voters about the new voting system and expanded RCV ballot format.

Timeline: 1st run – June, 2nd run – August, 3rd run – September – October

Public Service Announcement – The Department’s PSA will be translated into Chinese, Spanish and Filipino. Translated PSAs will run on local television stations offering programs in these languages.

Timeline: 1st run – May, 2nd run – October

Radio advertising and on-air interviews – In the upcoming election cycle, the Department’s multilingual content will notify residents about the availability of translated election-related materials and services in addition to providing information specific to the new voting system and RCV ballot format. As with English radio programs, bilingual Department staff will participate in interviews. See **Appendix D** for a list of non-English radio stations to broadcast non-English ads and interviews.

Timeline: Periodically between April – October

Website – The Department’s website provides information in English, Chinese, Spanish, and Filipino, in addition to English. The interactive practice RCV ballot will, along with other information about the new voting system, be translated into Chinese, Spanish, and Filipino and posted on *sfelections.org*.

Timeline: Rollout – April

Print materials – All print materials produced and distributed by the Department will be translated into the required languages, ensuring a consistent experience for LEP voters and San Franciscans who prefer to receive information in a language other than English.

Timeline: Creation – April, Distribution – May – October

2. Non-English Partnerships

Presentations and demonstrations – Bilingual Department staff will be on hand at presentations and tabling events to answer questions in languages other than English. Bilingual staff will also be available to assist voters and members of the public during voting system demonstrations.

Timeline: Periodically between April – October

C. Seniors and Voters with Disabilities

The Department will utilize several additional strategies to communicate information about the new voting system and its accessible features of the new ballot marking device to seniors and voters with disabilities. The Department will also leverage the work of the Voting Accessibility Advisory Committee (VAAC), a Department networking group comprised of accessibility experts and members of the public, established in 2017, to reach voters with disabilities and seniors.

1. Accessible media

Website – The Department’s website includes a number of accessibility features, including screen-reader compatibility, high contrast functionality, adjustable font size, and Alt text for images. The website provides content about accessible voting options and tools available at the Department’s office, the City Hall Voting Center, and at every polling place in the City on Election Day. The Department will update *sfelections.org* with new content focused on the enhanced accessibility functions of the new voting system and highlighting key aspects of the new voting technology.

Timeline: Rollout – April

Public Service Announcement – The Department will work with the Department of Technology and SFGovTV to ensure that this year's PSA carries closed captioning, which will allow voters who use this service to receive all of the information delivered in the announcement.

Timeline: 1st run – May, 2nd run – October

Print materials – In developing its print materials, the Department considers standard accessibility guidelines and best practices; text size, color contrast, and visual placement are all considered during the design process. These materials are available in large-print formats to meet the needs of voters with visual impairment and are distributed to community organizations. Such print materials will include information about the new voting system and the expanded RCV ballot format as well as the information about accessibility services and tools.

Timeline: Creation – April, Distribution – May – October

2. Accessibility Partnerships

Presentations and demonstrations – The Department will partner with community organizations who serve seniors and people with disabilities to disseminate the information about the new voting system. During these presentations, Department staff will demonstrate how to use the new accessible voting functions, highlight key differences between previous accessible ballots and those of the new system, and provide opportunities to practice using the new equipment.

Timeline: Periodically between April – October

D. Residents in Areas with Voter Turnout Below the City's Average Turnout

The Department will utilize several additional strategies to communicate information about the new voting system and the expanded RCV ballot format to reach residents in areas with voter turnout below the City's Average turnout.

OCEIA partnership – The Department will continue its partnership with the Office of Civic Engagement and Immigrant Affairs (OCEIA) to engage San Francisco residents, particularly immigrants and newcomers. The Department will leverage the wide reach of the OCEIA Community Ambassador Street Team to distribute election information and print material. Community Ambassadors are demographically diverse and speak many languages, including Cantonese, Mandarin, Spanish, and Filipino, allowing Department messages to reach San Franciscans who may not receive those messages via traditional methods.

Timeline: September – October

Merchant corridor – To increase the visibility of election-related materials in neighborhoods with turnout below the City's average, the Outreach Division will work directly with small-business owners in those neighborhoods. Collaborating with shopkeepers and merchants interested in displaying election-related collateral will allow the Department to increase opportunities to reach voters with election-related information. The Department will also seek to bolster such efforts by engaging officials elected to represent these areas.

Timeline: Ongoing between April – October

Vocational organizations – The Department will expand its connections with job training and vocational service providers who serve people who reside in areas with below-average voter turnout. The Department will supply election-related educational materials and content for agency publications, to inform program participants about the upcoming election, the new voting system, and opportunities such as poll worker positions and seasonal employment with the Department.

Timeline: Ongoing between April – October

E. First-time and Young Voters (18-24)

The Department will continue to engage with first-time voters through the established programs and partnerships as well as leveraging the connections of youth-serving community organizations.

High School Voter Education Program – The November 2019 High School Voter Education Program will focus on communicating information about registration and voting processes as well as facts about the new voting system to high school juniors and seniors. This program will be offered to high schools throughout San Francisco as part of California's High School Voter Education Weeks in April and September.

Timeline: 1st – April, 2nd – September

High School Ambassador Program – In conjunction with the High School Voter Education Program, the Department will continue to organize the High School Ambassador Program. The Ambassador Program encourages high school students to engage in early civic engagement by enlisting their peers to pre-register 16- and 17-year-olds, register parents, teachers, and other adults, broadcast opportunities to learn about voting processes in San Francisco, and recruit high school poll workers to serve on Election Day.

Timeline: Ongoing between April – October

College and university collaboration – The Department will continue to cultivate existing partnerships with colleges and universities in an effort to expand the engagement of young voters. Leveraging strategic contacts with student advocates, professors, and school administrators, the Department will provide information and resources to trusted school stakeholders and encourage the promotion of election-related messages at activities on campuses.

Timeline: Ongoing between April – October

New resident liaisons – To attract more first-time voters, the Department will leverage partnerships with community-based organizations and City departments that serve new residents. Through these partnerships, the Department will provide new residents with written materials, in-person presentations and voting system demonstrations. These organizations will also be invited to incorporate ready-made elections-related content in their own publications. Channeling official election information through community liaisons allows first-time voters to receive valuable election-related information through a trusted source with whom they already interact.

Timeline: Ongoing between April – October

III. Voter Outreach at the Department's Office and the City Hall Voting Center

In preparation for deployment of the new voting system, the Department will develop outreach and educational materials for use at the Department's office and in the City Hall Voting Center. These materials will include a new poster at the Department's public counter, a flyer for inclusion in the candidate filing documents packet, and slideshows for both the lobby monitors and those in the Voting Center.

Poster at the public counter – In the weeks preceding each election, visitors to the Department's office in Room 48, City Hall greatly increases. When visitors approach the Department's front counter, they will be greeted by a "Did you know?" poster. The poster will indicate that San Francisco will debut a new voting system in the November 5, 2019 election and

highlight that, among other benefits, the system is capable of providing up to 10 ranks in ranked-choice voting contests. The counter-top poster will encourage visitors to “Ask us for more information or visit sfelections.org.”

Timeline: April

Candidate packet flyer – Many local candidates for the November 2019 election will receive filing paperwork packets, with forms and documents to be submitted by various deadlines this coming spring and summer. In anticipation of this process, the Department will develop a new brochure for inclusion in candidate filing packets. The brochure will provide information about the new RCV ballot format and explain the process of counting votes in RCV contests.

Timeline: April – May

Lobby slideshow – Visitors to the Department’s office will be able to view a slideshow of current election-related topics on a large monitor. This slideshow will project announcements regarding important dates for the next election, announcements about the new voting system, and illustrations and information about the expanded RCV ballot format.

Timeline: April – May

Voting Center slides – Starting 29 days before Election Day, monitors in the main corridors of the City Hall Voting Center will also project digital slides with current election-related topics, including information about the new RCV ballot format.

Timeline: September – November

IV. Voter Outreach at the Polls

The Department will develop various educational materials for polling places featuring information about the new voting system and the expanded RCV ballot format.

Ballot and voting booth instructions – In recognition of the importance of providing clear direction on how to mark the ballot to voters at polling places on Election Day, the Department will develop ballot marking illustrations and instructions to be featured on official ballots and voting booth informational posters. These updated instructions will focus on how to properly mark the expanded RCV ballot format, as well as providing details regarding the change from connecting arrows to filling in ovals when making selections on the ballot.

Voter Information Kiosk – For the November 2019 election, the Department will debut a new three-sided, illustrated Voter Information Kiosk with multilingual voting information, which will replace a four-paneled Kiosk previously used at each polling place. The new Kiosk will provide information about voter rights, election laws, and language and accessibility resources, as well as instructions for marking the new RCV ballot format. The fact that the new format allows for selection of up to 10 candidates will be prominently featured on the Kiosk, with the polling place itself serving as another opportunity to disseminate this information to voters when they arrive to cast their ballots.

Secrecy folder – In addition to the instructions on the ballot, in the voting booth, and on the Voter Information Kiosk, the Department will revise the instructions to be printed on the blue secrecy folders used by voters to protect the secrecy of their ballot selections. These instructions focus on the steps of voting, and are designed to work in tandem with the more detailed instructions on getting the ballot, marking regular and RCV contests, and casting the ballot.

Instructional sheet – The Department will create an instructional sheet to be placed near the ballot scanning equipment. This sheet, available in multiple languages, will explain machine-generated ballot condition messages such as “under-vote”

or “over-vote” messages, and is intended to be read by voters directly to encourage minimum poll worker interaction and maximum voter empowerment. The instructional sheet will be written in a manner that permits voters to understand error messages and to decide themselves which course of action to take.

Timeline: The above materials will be developed this summer and made available at the polls on Election Day

V. Poll Worker Training and Election Day Support

Poll workers and Election Day staff play an important role in not only administering voting on Election Day but also providing voters with the knowledge and resources they need to fully participate in elections. Providing comprehensive training to poll workers and Election Day staff is an important outreach method since poll workers can provide direct voter education.

Mailer – The Department will develop and mail election-specific informational materials to poll workers prior to the start of training classes. These materials will serve as an introduction to the features of the new voting system and the new RCV ballot format. The materials will also provide notice to both new and experienced poll workers that some important aspects of Election Day procedure have changed and will require dedicated attention in the upcoming training classes.

Timeline: 1st mailer – May; 2nd mailer – September

Training curriculum – Poll worker training class times will be extended to provide comprehensive and hands-on training with the new voting system. Every class will begin with a video highlighting key features of the system and the expanded RCV ballot format. The Department will develop a curriculum to provide poll workers with the knowledge they will need to assist voters who have questions about marking the ballot, including marking RCV contests. The new curriculum will also provide guidance on setup and operation of the new voting machines, troubleshooting of common issues, answers to anticipated voter questions, and detail procedures on closing the polls.

Online bilingual training – In addition to regular training, the Department will develop and offer online bilingual courses to help prepare bilingual poll workers to serve voters who require assistance in languages other than English. The training will cover common election terminology including voting system terms, language assistance resources available at polling places, and polling place procedures. The course will feature a voice-over in the target language, interactive activities in English and the target language, quizzes, and a final test. Poll workers will have the opportunity to complete this training at their own pace, and, upon completion, print a certificate. To accommodate poll workers who do not have computer access, the Department will designate days when poll workers may complete online training using a workstation in the Department’s office.

Timeline: Ongoing May – September

Training materials – A new poll worker manual, covering every aspect of the new voting equipment, will be developed to support poll worker education, with an emphasis on the new voting equipment. The manual will also feature updated ballot-issuing scripts, highlighting the new RCV ballot format and the new way of marking the ballot. Every poll worker will receive the manual; it will also be posted on sfelections.org. In addition, the Department will make available a multilingual glossary of election-related terminology to facilitate multilingual communication with voters.

Timeline: Ongoing May – September

Practice labs – The Department will organize and offer an increased number of practice labs to all poll workers. During these self-paced learning sessions, poll workers will have the opportunity to independently complete the voting equipment-

related procedural steps outlined in the manual, just as they will do on Election Day. Participants will be able to set up voting machines, print zero reports, practice casting touchscreen or audio ballots, run end-of-day results tapes, and close the polls on voting machines. This supplemental practice will allow poll workers to hone their skills on the new voting equipment, increasing their confidence and preparedness for Election Day.

Timeline: September – October

Phone and Field Support – The Department will organize a multilingual phone bank to provide assistance to poll workers and voters with questions or concerns while the polls are open on Election Day. Telephone assistance will be available in English, Chinese, Spanish, Filipino, and, via interpreters, in hundreds of other languages.

The Department will also organize approximately 85 field support staff to provide Election Day assistance to poll workers and to serve as liaisons between polling places and Department staff working in City Hall. The Department will develop a training curriculum for field support personnel with a special focus on the features of the new voting equipment and the expanded RCV ballot format.

Timeline: Ongoing May – September

VI. Public Feedback

This draft of the 2019 Outreach Plan is intended to initiate a dialogue with the public allowing all stakeholders an opportunity to provide feedback on the Department's proposed methods of engagement and education. Before finalizing the Plan, the Department will evaluate and incorporate comments and suggestions from members of the Language Accessibility Advisory Committee (LAAC), the Voting Accessibility Advisory Committee (VAAC), community organizations, and the general public,

Those interested in contributing their ideas may use the Feedback Form available at sfelections.org/outreach_feedback, email their feedback to sfoutrreach@sfgov.org, call (415) 554-5685, or visit the Department's office to speak to a member of the Outreach Team.

TITLE

DISCUSSION AND POSSIBLE ACTION REGARDING QUALIFICATIONS FOR APPOINTMENT TO THE HARBOR COMMISSION

INTRODUCE BY TITLE ONLY ORDINANCE NO. 3268-24, AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF REDONDO BEACH, CALIFORNIA, AMENDING SECTION 2-9.704 OF ARTICLE 7, CHAPTER 9, TITLE 2 OF THE REDONDO BEACH MUNICIPAL CODE REGARDING THE QUALIFICATIONS FOR APPOINTMENT TO THE HARBOR COMMISSION

EXECUTIVE SUMMARY

Appointments to the Harbor Commission must be made in accordance with Redondo Beach Municipal Code (RBMC) Section 2-9.704, which requires one member to be selected from a list of five (5) names submitted by the Redondo Beach Harbor and Redondo Pier Lessee's Association (HAPLA). HAPLA is no longer a functioning organization and pursuant to the City Council's direction on August 18, 2020, an amendment must be made to Section 2-9.704 of the RBMC to align with contemporary qualifications.

BACKGROUND

On August 18, 2020, City Council directed staff to return with a text amendment to remove any reference of HAPLA from (RBMC) Section 2-9.704 and replace it with reference to the two operating associations within the Waterfront called the King Harbor Association and the Redondo Pier Association. In addition, City Council directed staff to include language in the amendment in which the appointment would become an at-large appointment should the King Harbor Association and Redondo Pier Association fail to submit a list with 5 names in a given time period. The existing qualifications for the remaining appointments would remain unchanged and will continue to require training and experience as either an attorney, architect, engineer, business owner, real estate broker, accountant, property manager, contractor, commercial developer, or boat owner.

On September 1, 2020, the City Council voted to eliminate reference of HAPLA and instead have the King Harbor Association in consultation with the Redondo Pier Association, submit 5 names to the Waterfront and Economic Development Department for consideration. If less than 5 names are submitted or fail to qualify, as determined by the City Clerk, the appointment would become an at-large appointment.

On September 15, 2020, staff returned to City Council for a second reading of the proposed

amendment but the item was not approved due to concerns that the names of the identified associations, King Harbor Association and Redondo Pier Association, were inaccurate. The item was continued to a future City Council meeting.

Staff has verified that references to the King Harbor Association and Redondo Pier Association are accurate and is presenting City Council with the proposed amendment, which has been drafted by the City Attorney's Office and reviewed by the King Harbor Association and Redondo Pier Association.

COORDINATION

The proposed amendment to the qualifications for appointment to the Harbor Commission was coordinated by the City Attorney's Office in consultation with the Waterfront and Economic Development Department and representatives of the King Harbor Association and Redondo Pier Association.

FISCAL IMPACT

There is no fiscal impact associated with the proposed amendment.

WHEREAS, clarification regarding the qualifications for appointments to the Harbor Commission was necessary; and

WHEREAS, previously the City Council considered, discussed and gave direction to amend the section regarding the qualifications for appointment to the Harbor Commission; and

AND FOSTER & FOSTER CONSULTING ACTUARIES, INC.**

THIS AGREEMENT FOR CONSULTING SERVICES (this "Agreement") is made between the City of Redondo Beach, a chartered municipal corporation ("City") and Foster & Foster Consulting Actuaries, Inc., a Florida corporation ("Consultant" or "Contractor").

The parties hereby agree as follows:

1. Description of Project or Scope of Services. The project description or scope of services to be provided by Consultant, and any corresponding responsibilities of City, or services required to be performed by City are set forth in Exhibit "A."
2. Term and Time of Completion. Consultant shall commence and complete the project or services described in Exhibit "A" in accordance with the schedule set forth in Exhibit "B".
3. Compensation. City agrees to pay Consultant for work performed in accordance with Exhibit "C".

* * * * *

GENERAL PROVISIONS

1. Independent Contractor. Consultant acknowledges, represents and warrants that Consultant is not a regular or temporary employee, officer, agent, joint venturer or partner of the City, but rather an independent contractor. This Agreement shall not be construed as a contract of employment. Consultant shall have no rights to any benefits which accrue to City employees unless otherwise expressly provided in this Agreement. Due to the independent contractor relationship created by this Agreement, the City shall not withhold state or federal income taxes, the reporting of which shall be Consultant's sole responsibility.
2. Brokers. Consultant acknowledges, represents and warrants that Consultant has not hired, retained or agreed to pay any entity or person any fee, commission, percentage, gift, or any other consideration, contingent upon or resulting from the award or making of this Agreement.
3. City Property. All plans, drawings, reports, calculations, data, specifications, videos, graphics or other materials prepared for or obtained pursuant to this Agreement shall upon request be delivered to the City within a reasonable time, and the rights thereto shall be deemed assigned to the City. If applicable, Consultant shall prepare check prints upon request. Said plans, drawings,

reports, calculations, data, specifications, videos, graphics or other materials, shall be specific for the project herein and shall not be used by the City for any other project without Consultant's consent. Notwithstanding the foregoing, Consultant shall not be obligated to assign any proprietary software or data developed by or at the direction of Consultant for Consultant's own use; provided, however, that Consultant shall, pursuant to Paragraph 14 below, indemnify, defend and hold the City harmless from and against any discovery or Public Records Act request seeking the disclosure of any such proprietary software or data.

4. Inspection. If the services set forth in Exhibit "A" shall be performed on City or other public property, the City shall have the right to inspect such work without notice. If such services shall not be performed on City or other public property, the City shall have the right to inspect such work upon reasonable notice. Inspections by the City shall not relieve or minimize the responsibility of Consultant to conduct any inspections Consultant has agreed to perform pursuant to the terms of this Agreement. Consultant shall be solely liable for said inspections performed by Consultant. Consultant shall certify in writing to the City as to the completeness and accuracy of each inspection required to be conducted by Consultant hereunder.
5. Services. The project or services set forth in Exhibit "A" shall be performed to the full satisfaction and approval of the City. In the event that the project or services set forth in Exhibit "A" are itemized by price in Exhibit "C", the City in its sole discretion may, upon notice to Consultant, delete certain items or services set forth in Exhibit "A", in which case there shall be a corresponding reduction in the amount of compensation paid to Consultant. City shall furnish Consultant to the extent available, with any City standards, details, specifications and regulations applicable to the Project and necessary for the performance of Consultant's services hereunder. Notwithstanding the foregoing, any and all additional data necessary for design shall be the responsibility of Consultant.
6. Records. Consultant, including any of its subcontractors shall maintain full and complete documents and records, including accounting records, employee time sheets, work papers, and correspondence pertaining to the project or services set forth in Exhibit "A". Consultant, including any of its subcontractors shall make such documents and records available for City review or audit upon request and reasonable notice, and shall keep such documents and records, for at least four (4) years after Consultant's completion of performance of this Agreement. Copies of all pertinent reports and correspondence shall be furnished to the City for its files.
7. Changes and Extra Work. All changes and/or extra work under this Agreement shall be provided for by a subsequent written amendment executed by City and Consultant.

8. Additional Assistance. If this Agreement requires Consultant to prepare plans and specifications, Consultant shall provide assistance as necessary to resolve any questions regarding such plans and specifications that may arise during the period of advertising for bids, and Consultant shall issue any necessary addenda to the plans and specifications as requested. In the event Consultant is of the opinion that City's requests for addenda and assistance is outside the scope of normal services, the parties shall proceed in accordance with the changes and extra work provisions of this Agreement.
9. Professional Ability. Consultant acknowledges, represents and warrants that Consultant is skilled and able to competently provide the services hereunder, and possesses all professional licenses, certifications, and approvals necessary to engage in its occupation. City has relied upon the professional ability and training of Consultant as a material inducement to enter into this Agreement. Consultant shall perform in accordance with generally accepted professional practices and standards of Consultant's profession.
10. Business License. Consultant shall obtain a Redondo Beach Business License before performing any services required under this Agreement. The failure to so obtain such license shall be a material breach of this Agreement and grounds for immediate termination by City; provided, however, that City may waive the business license requirement in writing under unusual circumstances without necessitating any modification of this Agreement to reflect such waiver.
11. Termination Without Default. Notwithstanding any provision herein to the contrary, the City may, in its sole and absolute discretion and without cause, terminate this Agreement at any time prior to completion by Consultant of the project or services hereunder, immediately upon written notice to Consultant. In the event of any such termination, Consultant shall be compensated for: (1) all authorized work satisfactorily performed prior to the effective date of termination; and (2) necessary materials or services of others ordered by Consultant for this Agreement, prior to Consultant's receipt of notice of termination, irrespective of whether such materials or services of others have actually been delivered, and further provided that Consultant is not able to cancel such orders. Compensation for Consultant in such event shall be determined by the City in accordance with the percentage of the project or services completed by Consultant; and all of Consultant's finished or unfinished work product through the time of the City's last payment shall be transferred and assigned to the City. In conjunction with any termination of this Agreement, the City may, at its own expense, make copies or extract information from any notes, sketches, computations, drawings, and specifications or other data, whether complete or not.
12. Termination in the Event of Default. Should Consultant fail to perform any of its obligations hereunder, within the time and in the manner provided or otherwise violate any of the terms of this Agreement, the City may immediately terminate this Agreement by giving written notice of such termination, stating the reasons

for such termination. Consultant shall be compensated as provided immediately above, provided, however, there shall be deducted from such amount the amount of damages if any, sustained by the City by virtue of Consultant's breach of this Agreement.

13. Conflict of Interest. Consultant acknowledges, represents and warrants that Consultant shall avoid all conflicts of interest (as defined under any federal, state or local statute, rule or regulation, or at common law) with respect to this Agreement. Consultant further acknowledges, represents and warrants that Consultant has no business relationship or arrangement of any kind with any City official or employee with respect to this Agreement.
