**SUBJECT: Discussion of Stop Sign Installation(s) at Clark Ln & Goodman Av
and Clark Ln & Stanford Av**

The City of Redondo Beach has been asked to consider an installation of all-way stop controls at the intersection of Clark Ln & Goodman Av and the intersection of Clark Ln & Goodman Av. Staff from the City will make a presentation at a meeting of the Redondo Beach City Council on **Tuesday, December 5, 2023**. The meeting will be held at 6:00 p.m. or shortly thereafter. You are invited to attend this meeting in person or online, as described on the City Council meeting agenda for December 5, 2023, which should be available on the City's webpage no later than 6:00 p.m. on Thursday, November 30, 2023. (See <https://redondo.legistar.com/Calendar.aspx>.) Your input is welcome and appreciated.

If you have any questions or comments, please contact us at TrafficEngineering@redondo.org.
