

Preferential Parking Permit Ordinance

Potential Reforms

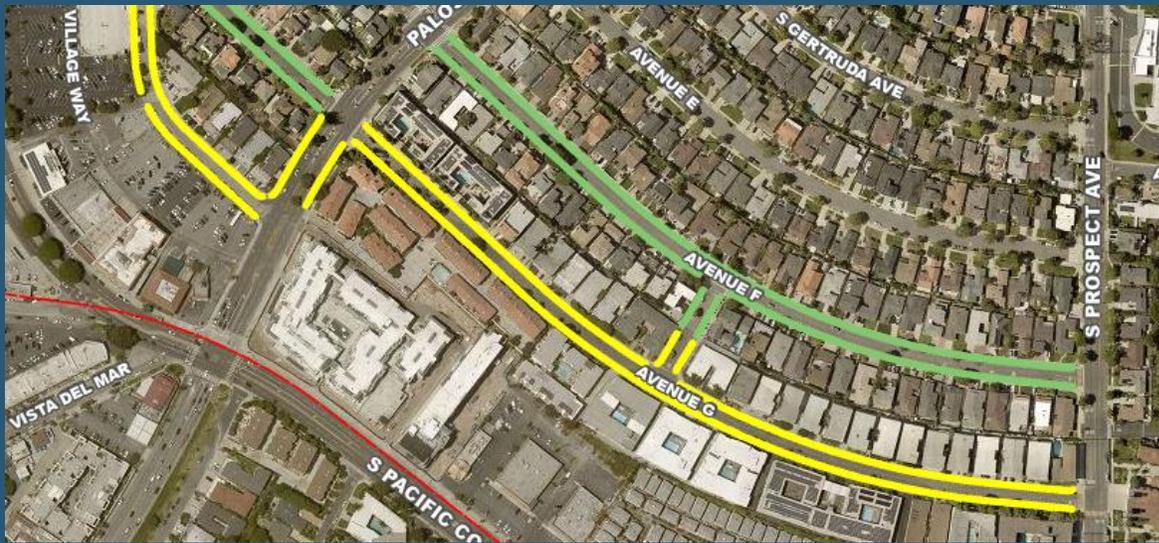

Background

- Parking Demand
- Meters / Paid Parking
- General Permits
- Vehicle Permits
- Preferential Permits

Preferential Parking Permits (PPP)

- Residential / Other Land Use Interface
- Protect parking availability for residents
- Exempts permit holder from parking restrictions

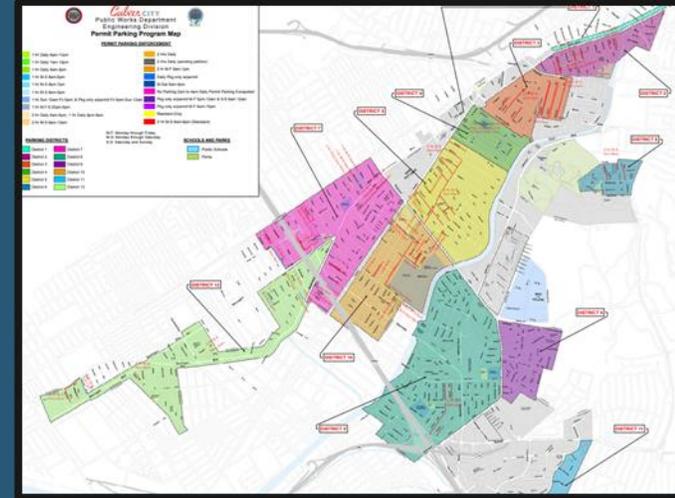

PPP – Room for Improvement

- Event Based / Seasonal Permits
- Exemption for Hour-based Parking Restrictions
- Enforcement Efficiency
- Flexibility for Council Approvals / Modifications
- Support New Technology (ALPR, Online Services)

Potential Ordinance Changes

- Add Temporal / Seasonal Permit
- Define Parking Districts City-wide
- Simplify process to modify existing zones
- Address abuse by visitor permit limits
- Improve permit administration
- Relegate engineering methodology
- General modernization of language

Why Now?

- Request/recommendation by the PWSC
- Residents of Avenue H neighborhood
 - Hoping to address for this Holiday Season
- Resident complaints over one-block PPP zones

RECOMMENDATION

- Provide direction on potential changes to Preferential Parking Program
- Confirm timeline to address for 2025 holiday period
