Dear Council Members,

In case I can't access Zoom or eComments for tonight's meeting, I just want to say thanks for all you do to make Redondo more resident-centered, capable, and more healthy, beautiful, and enlightened.

The SWA Company has some very innovative design ideas to help us move forward with a beautiful make-over for our waterfront. I have checked their website and like their approach. Great cities have great waterfronts and parks.

The people of Redondo are grateful to the city for finally considering the Tree Ordinance.
Great cities have great trees!

Lots to look forward to, and this is just the beginning!
