The record on the bike path is incomplete. With regard to the comments of Mr. Geoff Gilbert on Diamond St, Mr. Gilbert is correct that BCHD allows homeless encampment and other nefarious uses of the hillside. Any plan must EXPLICITLY deal with such problems. Further, the "Flagler Alley" is routinely left with standing water from BCHD excess watering of 510 and 514 that runs south on Prospect, east on Diamond and into the Flagler Alley. This year, and in prior years, Vector control has been required to inspect the alley way and set traps for counts. Until the water and homeless issues are dealt with, all bike path issues need to be suspended.
