

J.2 Proposed Marked Crosswalk Del Amo Street & Paulina Avenue

Public Works & Sustainability Commission— July 22, 2024

Overview

- Referral from PWSC at June 2024 meeting.
- Staff reached out to RBUSD and SBBC+ for input
 - Both organizations were in favor of improving pedestrian crossing conditions.
- Engineers from City performed visibility and sight distance observations at the intersection

Existing Conditions (Driver Perspective)

Eastbound Del Amo from roadway

Westbound Del Amo from roadway

Existing Conditions (Pedestrian Perspective)

North side sidewalk, looking east

North side sidewalk, looking west

Existing Conditions (Pedestrian Perspective)

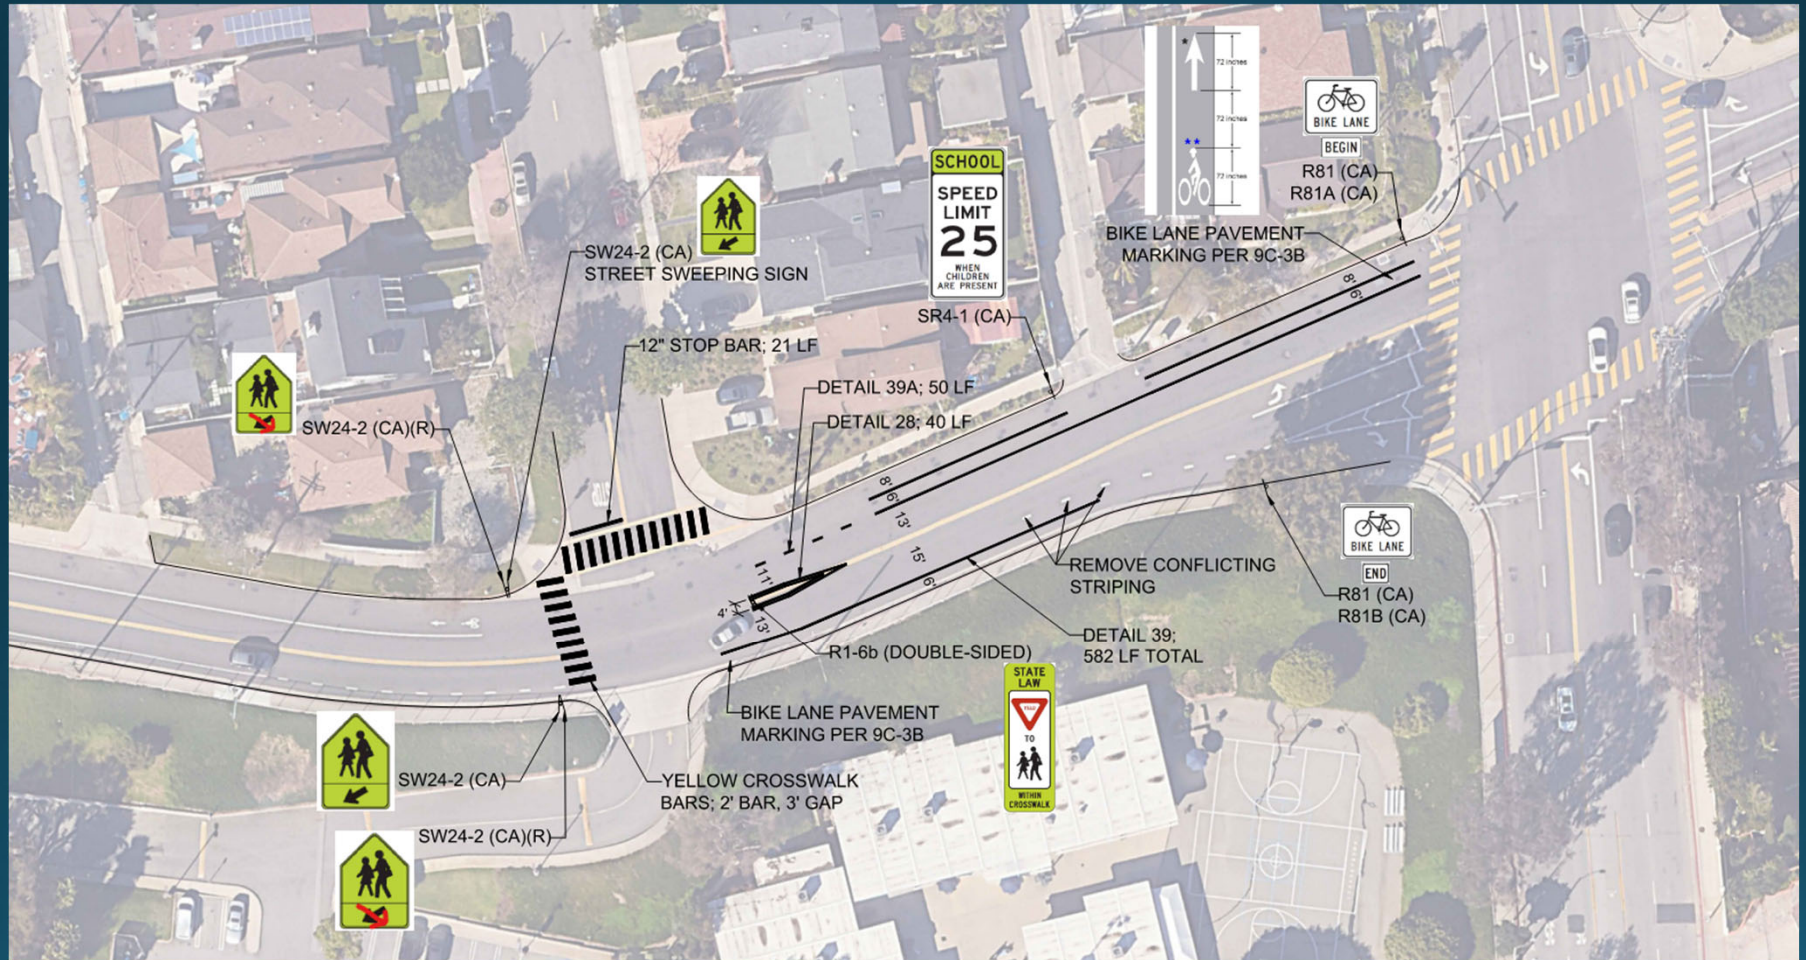

South side sidewalk, looking east

South side sidewalk, looking west

Proposed Crosswalk Striping

Available Alternatives

- Recommend installation of marked crosswalk across Del Amo Street at the Paulina Avenue intersection. Staff would implement.
- Don't recommend installation of the marked crosswalk.
- Other options as determined by the PWSC.
