Some funding should be allocated to wrong way drivers in the 500 block of N. Prospect. Some funding should also be allocated for enforcement at the BCHD and Prospect intersection to stop illegal U-turns and BCHD left turners refusing to yield the right of way to lawful right turns from the Prospect frontage.

As I spot checked, I did not find any strike throughs nor any underlining. Therefore, we the public have NO IDEA what changed without researching. That seems a violation of our due process rights to understand the votes of the Council.

Seriously - what an enormous waste of Council time and taxpayer funding. Just as the logo didn't need to be updated, the City flag process did not need to be this painful or time consuming.
