- 2. Brokers. Contractor acknowledges, represents and warrants that Contractor has not hired, retained or agreed to pay any entity or person any fee, commission, percentage, gift, or any other consideration, contingent upon or resulting from the award or making of this Agreement.
- 3. Inspection. If the services set forth in Exhibit "A" shall be performed on City or other public property, the City shall have the right to inspect such work without notice. If such services shall not be performed on City or other public property, the City shall have the right to inspect such work upon reasonable notice. Inspections by the City shall not relieve or minimize the responsibility of Contractor to conduct any inspections Contractor has agreed to perform pursuant to the terms of this Agreement. Contractor shall be solely liable for said

4. Services. The project or services set forth in Exhibit "A" shall be performed to the full satisfaction and approval of the City. In the event that the project or services set forth in Exhibit "A" are itemized by price in Exhibit "C", the City in its sole discretion may, upon notice to Contractor, delete certain items or services set forth in Exhibit "A", in which case there shall be a corresponding reduction in the amount of compensation paid to Contractor. City shall furnish Contractor, to the extent available, with any City standards, details, specifications and regulations applicable to the Project and necessary for the performance of Contractor's services hereunder. Notwithstanding the foregoing, any and all additional data necessary for design shall be the responsibility of Contractor.

Contractor shall perform in accordance with generally accepted professional practices and standards of Contractor's profession.
8. Business License. Contractor shall obtain a Redondo Beach Business License before performing any services required under this Agreement. The failure to so obtain such license shall be a material breach of this Agreement and grounds for immediate termination by City; provided, however, that City may waive the business license requirement in writing under unusual circumstances without necessitating any modification of this Agreement to reflect such waiver.

9. Termination Without Default. Notwithstanding any provision herein to the contrary, the City may, in its sole and absolute discretion and without cause, terminate this Agreement at any time prior to completion by Contractor of the project or services hereunder, immediately upon written notice to Contractor. In the event of any such termination, Contractor shall be compensated for all authorized work satisfactorily performed prior to the effective date of termination. Compensation for Contractor in such event shall be determined by the City in accordance with the percentage of the project or services completed by Contractor; and all of Contractor's finished or unfinished work product through the time of the City's last payment shall be transferred and assigned to the City.
10. Termination in the Event of Default. Should Contractor fail to perform any of its obligations hereunder, within the time and in the manner provided or otherwise violate any of the terms of this Agreement, the City may immediately terminate this Agreement by giving written notice of such termination, stating the reasons for such termination. Contractor shall be compensated as provided immediately above, provided, however, there shall be deducted from such amount the amount of damages if any, sustained by the City by virtue of Contractor's breach of this Agreement.
11. Conflict of Interest. Contractor acknowledges, represents and warrants that Contractor shall avoid all conflicts of interest (as defined under any federal, state or local statute, rule or regulation, or at common law) with respect to this Agreement. Contractor further acknowledges, represents and warrants that Contractor has no business relationship or arrangement of any kind with any City official or employee with respect to this Agreement. Contractor acknowledges that in the event that Contractor shall be found by any judicial or administrative body to have any conflict of interest (as defined above) with respect to this Agreement, all consideration received under this Agreement shall be forfeited and returned to City forthwith. City. Contractor's obligation to indemnify shall not be restricted to insurance proceeds, if any, received by Contractor or Indemnitees. This indemnification obligation shall survive this Agreement and shall not be limited by any term of any insurance policy required under this Agreement.

- a. Nonwaiver of Rights. Indemnitees do not and shall not waive any rights that they may possess against Contractor because the acceptance by City, or the deposit with City, of any insurance policy or certificate required pursuant to this Agreement.

Any claim by Contractor against City hereunder shall be subject to Government Code §§ 800 *et seq.* The claims presentation provisions of said Act are hereby modified such that the presentation of all claims hereunder to the City shall be waived if not made within six (6) months after accrual of the cause of action.

II. Expected Services

A. The Community Services Department will provide the following services for the contractor:

- **Facilities:** Provide a suitable facility for the class, if necessary. Location may change at the discretion of the City, but every effort will be made to find a suitable location that meets the needs of the class.

- Promote a safe and harassment free environment at all times.
- Provide student accountability by taking attendance for each class meeting.
- Review class rosters each of the first three classes/camp days to ensure participants are enrolled. **Instructor must remain aware of any transfers, drops, or additions.** This is important because participants that have enrolled have acknowledged and signed a Release of Liability Waiver. Those that have not registered through the City are not allowed to participate under any circumstances.
- Instructors are responsible for notifying the Recreation Coordinator if a class is cancelled and are responsible for contacting all participants to inform of the cancelation. The classes will not be automatically cancelled.

III. Facilities

- A. Returning classes receive priority scheduling for facilities.
- B. Please leave the room set up as it was found. Instructors are expected to clean up upon the completion of every class meeting, including, but not limited to, wiping away spills, washing the tabletops, remove debris from the floor, etc. Repeated complaints of poorly maintained classrooms, or any other City facility, may result in agreement termination.
- C. Doors, windows, and alarms are to be secured when leaving the building. If the instructor is the last person to vacate the building for the day, secure and double check ALL exterior doors at the facility. It is possible that other users

(sibling, parent, park visitor, etc.) may have entered the building during your class using a different point of entry.

- D. The consumption of alcohol and smoking of any kind at any City facility is strictly prohibited.

IV. Newsletter Brochure & Class Submission

- A. The City accepts applications for new instructors throughout the year. However, new classes are added to the City's programming on an as-needed basis during the creation of the quarterly newsletter.
- B. Community Services Newsletter Brochure: The Recreation Coordinator will send out a call for content via email with announced deadlines. If submission deadlines are missed, the contractor runs the risk of not being able to hold their class that season. The Community Services Department produces a newsletter four (4) times a year for the following seasons:

Season	Class Dates	Class Info. Submission
Winter Classes	January to Mid-March	Early July
Spring Classes	Late March- May	December
Summer Camps	June to August	December
Summer Classes	June to August	March
Fall Classes	Early September to November	May

- D. Returning classes receive priority for times and all new class proposals are approved on an as-needed basis and are dependent on facility availability.
- E. Scheduling of classroom facilities, class time, and locations for agreement classes must be done through the Recreation Coordinator prior to class registration. Requests for changes are not guaranteed. Any changes initiated without informing the Recreation Coordinator may result in immediate termination of the agreement.

- F. Material fees are not allowed and must be included in the class fee. No additional fees are permitted outside of the City's contracted class program.

V. Enrollment & Registration

- A. Instructors will receive login credentials to RecTrac registration software to access and print class rosters. The class roster will list the names, addresses, and telephone numbers of the students. Information listed on the class roster is confidential and may not be used for business purposes (or personal use) outside of the City's contracted class program. Instructors must run rosters each of the first three weeks of each session, to ensure their list is updated.
- B. All students must be registered before they may participate in class. In-class registrations are not allowed. Registration is available online any time during the enrollment period at www.redondo.org/classes or in person at the Community Services office at 1922 Artesia Blvd during office hours.
- C. Instructors must collect the Release of Liability Form from students *before* they may participate in class.
- D. Instructors will not be paid for students who do not properly register for a class and are not listed on the roster. Instructors should take roll call at the beginning of each class to ensure all students are properly registered. It is the instructor's responsibility to make sure all of their participants have paid the class fee.
- E. Classes will be monitored by the City for unpaid students/participants. If there are participants who have not registered with the City, are not on the roster, and are participating in the class, the Independent Contractor Agreement will be immediately terminated.
- F. Private instruction or services may not be solicited by the contract instructor with any class participants without prior approval of the Recreation Coordinator. All requests for approval must be submitted in writing.

- G. The City reserves the right to refund any class participant's program fee due to medical reasons, extraordinary situations, or customer dissatisfaction. The City has sole discretion on the issuance of refunds. In cases where the City issues a refund, a partial payment for the classes where instruction was given will be provided to the contractor.
- H. Instructors are responsible for notifying the Recreation Coordinator if a class is cancelled and are responsible for contacting all participants. The classes will not be automatically cancelled.
- I. If the City cancels the class due to low enrollment, or any other reason, the City is responsible to notify participants.

VI. Class Cancellations/Instructor Illness/Class Start Times

- A. If the minimum enrollment, determined by the instructor and the City at the time of class submission, has not been met one week prior to the start of class, the instructor or the City, has the option to cancel the class. The instructor must contact the Recreation Coordinator to notify of the cancellation at that time, at which time the Community Services Department will send cancellation notices to all registered students. If the instructor decides to hold the first class without meeting their minimum, the instructor must commit to teaching the class for the entire session.
- B. The Community Services Department reserves the right to cancel a class for any reason.
- C. Refunds or Household Account Credits are processed for students whose classes have been officially cancelled by the City of Redondo Beach.
- D. Classes with a history of cancellation or have regular low enrollments will not be approved for inclusion in subsequent quarterly newsletter brochures. **Additionally, classes with fees in excess of the industry's competitive market may not be considered for future sessions.**

- E. If minimum enrollment numbers are met, the instructor is expected to hold class.

- F. If an instructor must miss class due to illness or emergency, it is the instructor's responsibility to contact the Recreation Coordinator and/or the Community Services office at (310) 318-0610 to coordinate possible "make-up" times. **The instructor must make arrangements to contact students regarding the status of the class.** Illness or emergency (i.e. accident, family illness, etc.) are the only acceptable reasons for an instructor to miss a class. Other reasons may result in immediate termination of the agreement.

- G. Instructors are expected to arrive at least 10-15 minutes prior to start of class to allow time to set-up the room, prep for the lesson, greet participants, and begin instruction *on time*. Repeated complaints regarding instructor tardiness or absences may result in immediate termination of the agreement. If an instructor needs more than 15 minutes of prep time, they must inform the Recreation Coordinator to ensure facility availability.

VII. Emergencies/Accidents/Incident Reports

- A. Contact the Recreation Coordinator or onsite facility operator to identify the locations of an automated external defibrillator (AED) machine and fire extinguisher. If you do not know how to operate a fire extinguisher, contact the facility supervisor to receive instructions.

- B. If there is a medical emergency, call 911 immediately. You should only administer aid to the extent that you are professionally trained or certified in.

- C. All accidents and incidents involving the public, patrons, parents, participants, etc. must be reported to the Recreation Coordinator immediately. Instructors are required to complete and submit an Accident/Incident Report to the Recreation Coordinator within 24 hours of

the accident/incident. Reports are available through the Recreation Coordinator.

- D. Never discuss an accident or injury with others. Do not engage with reporters or any other patrons regarding the incident or injury. If they insist on speaking with someone, refer them to the Recreation Coordinator and then call the Recreation Coordinator immediately with pertinent information regarding the situation.

VIII. Invoice & Payment

- A. Invoices must be submitted to the designated Recreation Coordinator as early as the 4th week of class and/or by the end of the last class in the session (for example, the last day of a weekly camp), unless other arrangements have been made with the Recreation Coordinator. For prompt payment processing, instructors must review, sign, and return the Invoice along with the completed Release of Liability forms with the class attendance sheets.

Failure to provide proper documentation will result in delay of payment.

- B. The City collects a \$5 per class, per participant registration fee. This is collected on top of the advertised class/program fee. **This fee is not included in the instructor invoice or payment and is retained by the City to support administration of the class/camp program.** In addition, if a participant pays fees with a credit/debit card, the 3% credit card fee collected by the City, will not be included in the instructor invoice or payment.
- C. Payment will be issued within 6-8 weeks after the invoice is submitted and pending City Council approval. Contractors can request the expected date of issuance of payment.
- D. Payment is mailed directly to the address listed on the agreement unless otherwise indicated. As stated in the agreement, instructors operate independently from the City and are responsible for their own taxes.
