Hi,

As I had informed the staff during the survey process for the date selection of this special meeting, I will be traveling on Nov 20 and won't be able to attend the meeting. Please register my excuse in the official attendance record.

I also object to the election of the commission officers ( Agenda Item J1) during a Special Meeting of which the meeting date was set only recently and falls outside of the published regular meeting dates of the commission.

Election of the Officers is a serious business item with long-term implications. I therefore suggest that the discussion of the item J1 be postponed until the first REGULAR meeting of the commission, allowing a fair election resulting from a wider, if not full, participation by the commissioners in this important vote.

Thank you.

Sincerely yours,

Orhan Taner
