

ORDINANCE NO.
AN ORDINANCE OF THE CITY OF REDONDO BEACH,
CALIFORNIA, AMENDING SECTIONS 10-2.402 AND 10-2.1642
OF THE REDONDO BEACH MUNICIPAL CODE, RELATING TO
SMOKE SHOPS AND TOBACCO SALES

THE COUNCIL OF THE CITY OF REDONDO BEACH DOES ORDAIN AS FOLLOWS:

SECTION 1. Section 10-2.402(a) of the Redondo Beach Municipal Code is amended to read as follows:

(168) "Smoke shop and tobacco store" shall mean any premises dedicated to the display, sale, distribution, delivery, offering, furnishing, or marketing of tobacco, tobacco products, or tobacco paraphernalia; provided, however, that any grocery store, supermarket, convenience store or similar retail use that only sells conventional cigars, cigarettes or tobacco as an ancillary sale shall not be defined as a "smoke shop and tobacco store" and shall not be subject to the restrictions in this chapter (See Section 10-2.1642 for additional definitions).

SECTION 2. Section 10-2.1642 of the Redondo Beach Municipal Ordinance is amended to read as follows:

Smoke Shops and Tobacco Sales.

(a) Purpose. The regulation of smoke shops and tobacco stores is necessary and in the interests of the public health, safety and general welfare as the expansion of smoke shops and tobacco stores in the city could result in undesirable impacts to the community. Among these impacts are increased potential for tobacco sales to minors along with greater opportunity for the sale of cannabis, illegal drugs and associated paraphernalia. These regulations address such negative impacts of smoke shops and tobacco stores while providing a reasonable number of locations and zones for such shops to locate within the city.

(b) Definitions. For the purpose of this section, unless the context clearly indicates otherwise, the words, terms, and phrases shall have the following meanings:

"Ancillary sale" shall mean where a grocery store, supermarket, convenience store or similar market uses no more than two percent of its gross floor area, or 200 square feet, whichever is less, for the display, sale, distribution, delivery, offering, furnishing, or marketing of conventional cigars, cigarettes or tobacco. For any grocery store, convenience store, retail kiosk or similar use consisting of 250 square feet or less, "ancillary sale" shall mean where no more than five square feet are used for the display, sale, distribution, delivery, offering, furnishing, or marketing of conventional cigars, cigarettes or tobacco.

"E-cigarette" shall mean any electronically actuated device or inhaler meant to simulate cigarette smoking that uses a heating element to vaporize a liquid solution, popularly referred to as "juice," and that causes the user to exhale any smoke, vapor, or substance other than that produced by unenhanced human exhalation. The juice used in e-cigarettes typically contains nicotine, and for this reason e-cigarettes and their juice can be classified as both tobacco products and tobacco paraphernalia.

"Smoke shop and tobacco store" shall mean any premises dedicated to the display, sale, distribution, delivery, offering, furnishing, or marketing of tobacco, tobacco products, or

tobacco paraphernalia; provided, however, that any grocery store, supermarket, convenience store or similar retail use that only sells conventional cigars, cigarettes or tobacco as an ancillary sale shall not be defined as a “smoke shop and tobacco store” and shall not be subject to the restrictions in this chapter.

“Tobacco” shall mean any preparation of the nicotine-rich leaves of the tobacco plant, which are cured by a process of drying and fermentation for use in smoking, chewing, absorbing, dissolving, inhaling, snorting, sniffing, or ingesting by any other means into the body.

“Tobacco paraphernalia” shall mean any paraphernalia, equipment, device, or instrument that is primarily designed or manufactured for the smoking, chewing, absorbing, dissolving, inhaling, snorting, sniffing, or ingesting by any other means into the body of tobacco, tobacco products, or other controlled substances as defined in California Health and Safety Code Section 11054 et seq. Items or devices classified as tobacco paraphernalia include but are not limited to the following: pipes, punctured metal bowls, bongs, water bongs, electric pipes, e-cigarettes, e-cigarette juice, buzz bombs, vaporizers, hookahs, and devices for holding burning material. Lighters and matches shall be excluded from the definition of tobacco paraphernalia.

“Tobacco product” shall mean any product in leaf, flake, plug, liquid, or any other form, containing nicotine derived from the tobacco plant, or otherwise derived, which is intended to enable human consumption of the tobacco or nicotine in the product, whether smoked, chewed, absorbed, dissolved, inhaled, snorted, sniffed, or ingested by any other means. For the purposes of this chapter, the term “tobacco product” excludes any product that has been specifically approved by the United States Food and Drug Administration (FDA) for sale as a tobacco/smoking cessation product or for other medical purposes, where such product is marketed and sold solely for such an approved purpose.
