Have you ever been to the circus when the little car drives out under the Big Top and clown after clown gets out?

That's what the Charter Review Advisory Committee is.

This committee is nothing but a sham to give the appearance of legitimacy to their unethical actions.

Their main goal is to eliminate the position of elected City Attorney and make it an appointed position. The City Attorney is the only check on the power of the Mayor his Council cronies.

This was attempted years ago.

It failed because Redondo voters saw the corrupt intent.

Redondo voters know better than to let those in power write the rules.

If there is any elected position that should be eliminated, it should be the office of Mayor.
