Attached is the updated petition with signatures from Alta Vista tennis club members against converting an Alta Vista tennis court to pickleball. We are requesting that the parks and recreation department consider placing the pickleball courts in a location that does not take away a tennis court and increase parking issues at the facility.

Thanks

# Petition to Preserve Alta Vista Tennis Courts for Tennis

Petition summary and background

As members of the **Alta Vista Tennis Center**, we are concerned that conversion of Court 5 from a tennis court to 4 pickleball courts would be extremely disruptive to the playing environment.

- Allowing 4 pickleball courts on Tennis Court 5 at Alta Vista would be very disruptive to the playing environment
- 12 additional people on the court would result in 12 additional cars in the lot and a total of 24 cars (pre and post court changeover to new players on the hour)
- The current 8 tennis courts are fully booked during most hours of the day with a waiting list in the evening and weekends for reservations
- USTA and Marine League play would be impacted due to noise from 4 simultaneous matches on court 5
- The Alta Vista Tennis courts are the best surface in the South Bay, doesn't make sense to convert to pickleball
- We are requesting that the city consider other sites in Redondo Beach for pickleball
