TITLE

DISCUSSION AND UPDATES ON THE DEVELOPMENT OF A THREE-YEAR STRATEGIC PLAN

BACKGROUND

The Historical Commission has a number of sub-committees that were created to accomplish goals towards enhancing the Historical Museum and celebration of the City's history. In an effort to better prioritize these tasks and develop a working timeline to address them, the Commission assigned certain topic areas to each member of the Commission at its April 20 meeting so that collectively, a comprehensive Strategic Plan could be developed. These assignments included the following:

- Commissioner Commiato: physical plant (facilities) including electronics, and clippings.
- Commissioner Warstadt: curator of the collection and the Audio Tour.
- Commissioner Colin: acquisition, artifacts and follow up with staff regarding thank you notes.
- Commissioner Zaremski: events, speakers and special exhibits.
- Commissioner Fernandez: budget, book sales and youth programming.
- Commissioner Klinger: fundraising and marketing.
- Chairperson Maroko: marketing, staffing and research room.

A Strategic Plan typically takes several months to complete. Therefore, this item provides an opportunity for commissioners to share individual updates on the development of each assigned section.
