Dear Mrs. Mazano;

The following are photos for public comment by, Ami Brasili, on Blue Folder Submission Item N1. Please see attached

Mathews & Perkins

Heading West

From the corner either looking north or south the view is blocked. My son and I have to step into the street to see if it's safe to cross.

Mathews & Perkins

To see traffic coming up the hill on the left, after stopping at the stop sign, you must move forward past the line.

On the right the view is blocked by the wall and cars come speeding from Artesia

Mathews & Felon

This intersection has become extremely busy during the weekdays. With Madison families, but also Adams students walking to one of the various businesses 7-11, Coffee Bean, frozen yogur, etc.
