Public Works Commission Meeting – January 23, 2023

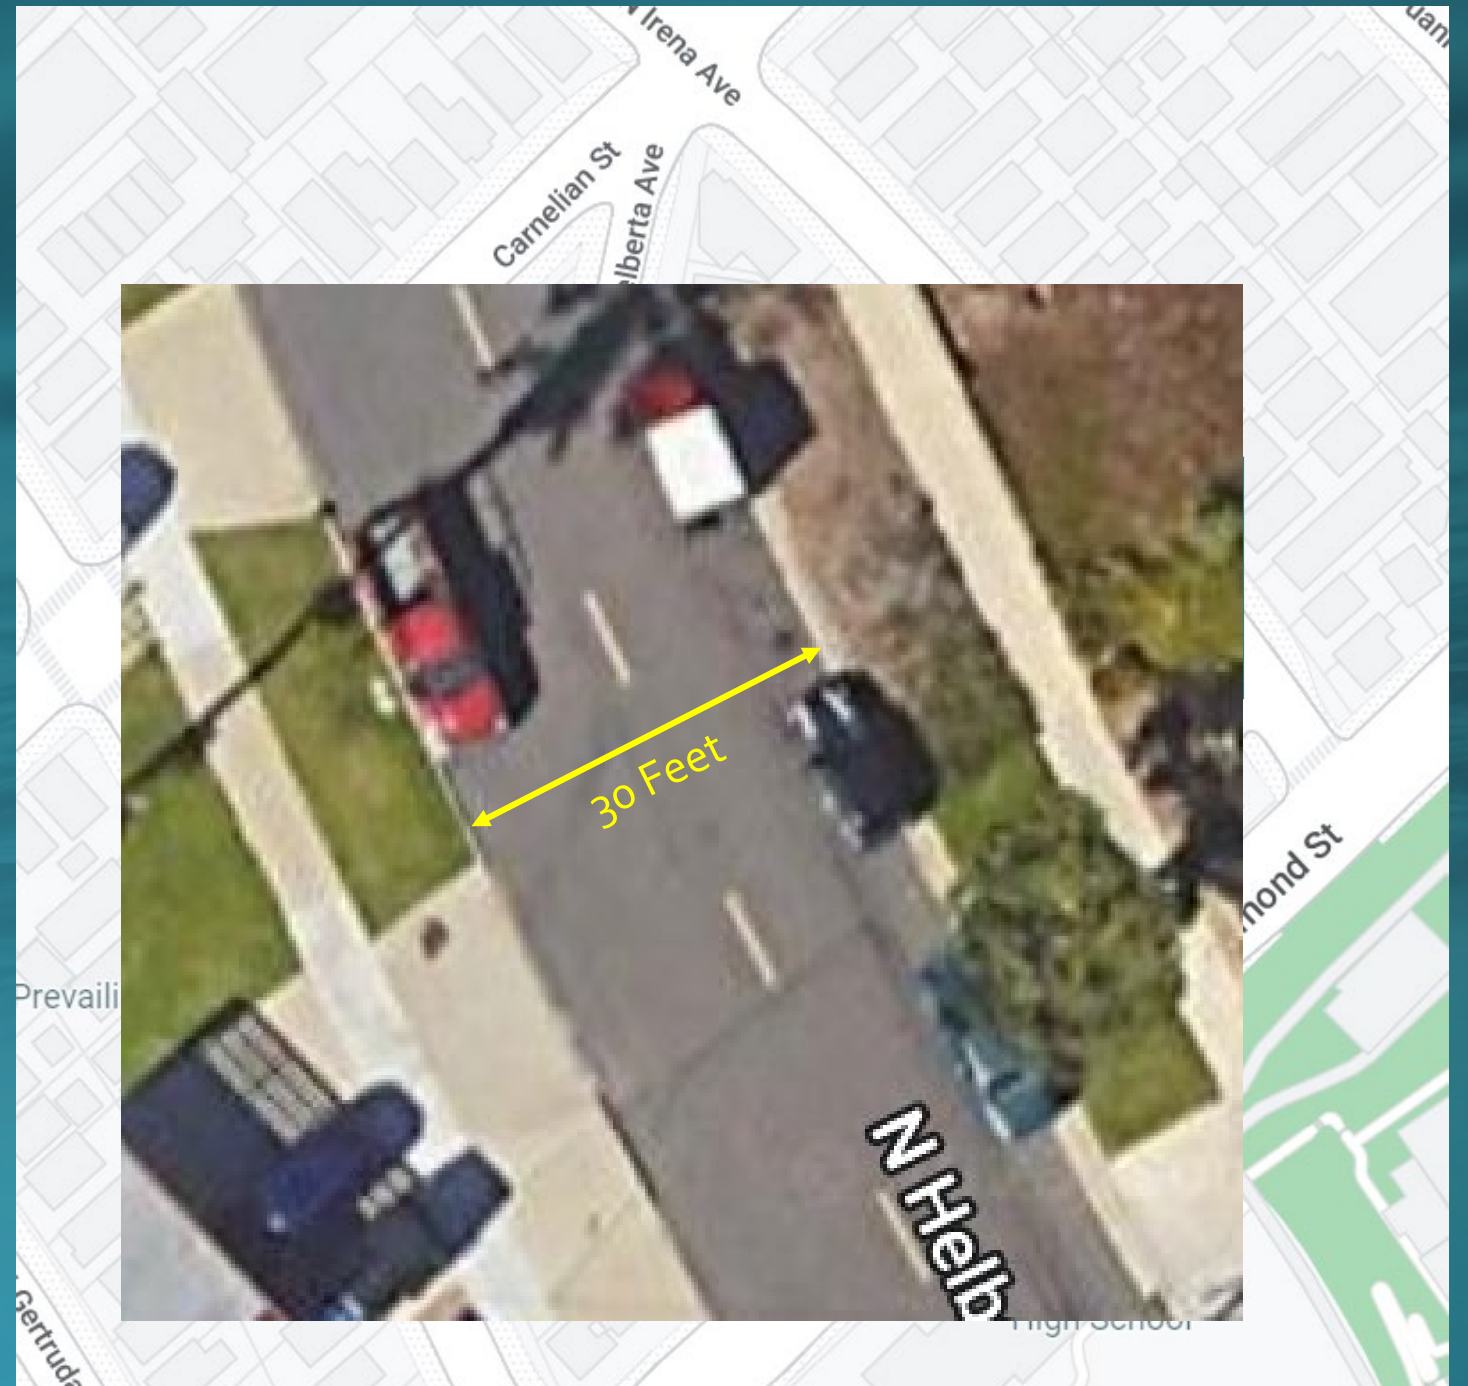

Background

- Roadway Conflict
- Alternatives Developed
- Survey of Residents

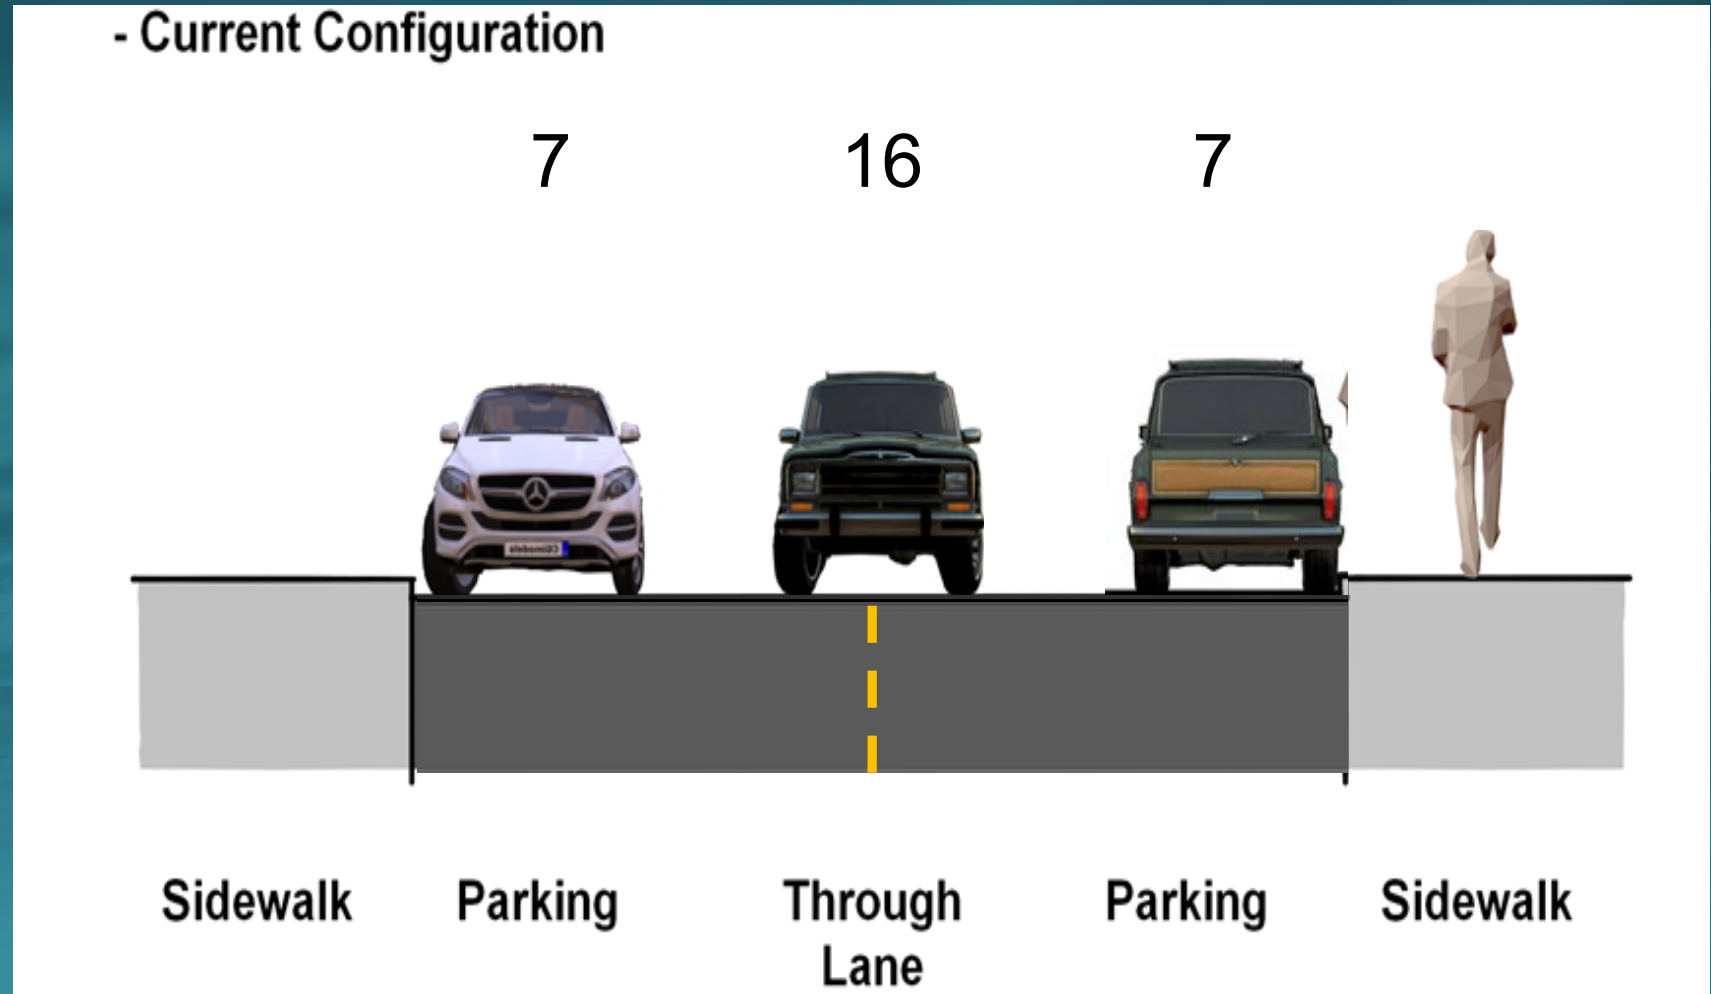

Background

- Roadway Conflict
- Alternatives Developed
- Survey of Residents

Alternatives

- Eliminate Parking on one side
- Establish One-Way Traffic
- Eliminate Centerline

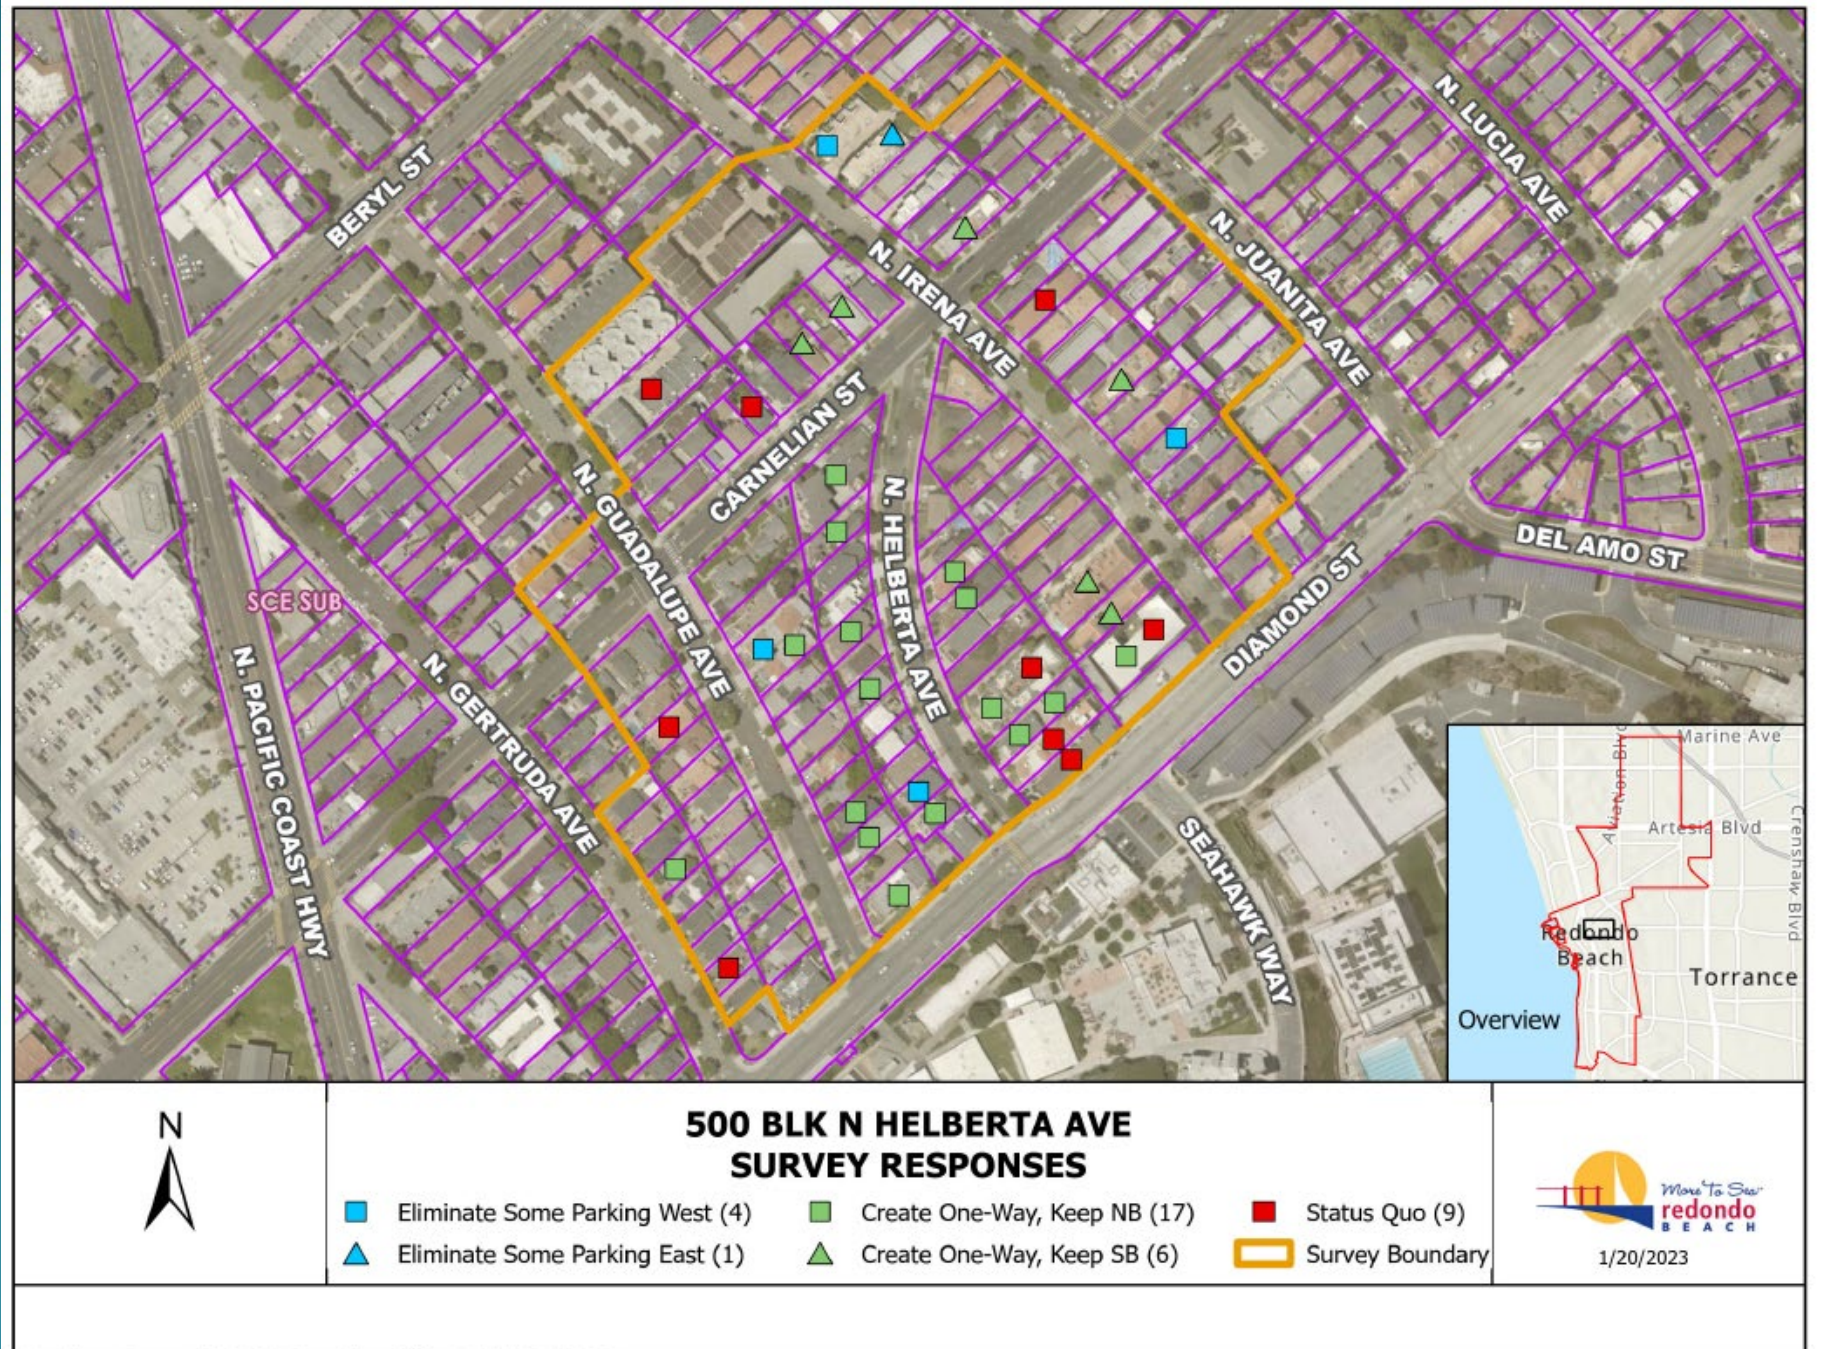

Results

Survey Boundaries

One Way

Eliminate Parking

Remove Centerline

Survey Results (All Responses)

- Eliminate Parking on one side (11.6%)
- Establish One-Way Traffic (62.8%, n/b ~74%)
- Eliminate Centerline (25.6%)

Survey Results (On the block)

- Eliminate Parking on one side (7.1%)
- Establish One-Way Traffic (71.5%, n/b 100%)
- Eliminate Centerline (21.4%)

Alternative Recommendations Available:

- Eliminate parking on one side (state which side) and modify centerline; or
- Maintain parking and establish one-way (state which direction); or
- Eliminate centerline and otherwise leave as is; or
- Other actions as determined by the Public Works Commission.
