South Bay Fiber Network (SBFN)
Letter of Commitment

To: South Bay Cities Council of Governments:

On behalf of the City of Redondo Beach ("City"), we confirm our organization's commitment to connect to the South Bay Fiber Network (SBFN). We commit to participate in the SBFN at a minimum service level of at least 1 GB at \$1,000/month for each city/agency designated building/site. We understand that, for sites in the South Bay region, up-front capital costs will be paid by South Bay Cities Council of Governments (SBCCOG) using approved sub-regional Measure M funds. Sites outside the South Bay will be addressed on a case by case basis. We commit to paying the monthly recurring costs for our elected term of either a three- or five-year period.

We commit to:

- Execute an addendum to the final SBCCOG contract with American Dark Fiber, LLC (ADF), the selected vendor, to provide broadband services, provided that, the terms and conditions are acceptable to the City;
- Work with SBCCOG and ADF personnel to:
 - Meet to address and resolve our questions;
 - Enumerate buildings and sites within the South Bay Cities region to be connected, by **August 16, 2019**;
 - Define a timeline for permitting, construction, and installation to enable SBFN network connections;
 - Assist with expediting necessary permits;
 - Jointly agree with SBCCOG the date that ADF will provide initial service to your designated, expected in April-June 2020.

At this time, we commit to a count of three sites to be connected. (Confirm addresses on the next page and complete the table.)
