Dear Ms. Manzano,

The HAPLA understands the importance of having the interests of our organization represented on the Harbor Commission and we appreciate your office reaching out to solicit our recommendation. However, due to the COVID-19 pandemic, it has not been possible to gather the membership of the HAPLA to consider a formal recommendation for the re-appointment of Matthew Kilroy to the Harbor Commission.

With that said, the Association is also not in a position to rescind its previous recommendation.

Therefore, it may be prudent for Mr. Matthew Kilroy to remain on the Commission in a hold-over status until such time as our membership is able to meet and take up this matter.

Sincerely,

Ann Belson
