Dear Karen Nakamura,

It is with regret that I submit my resignation from the RB Library Commission. I enjoyed living in Redondo for more than twenty years but was forced to relocate when the house I was renting was sold. I will still be involved in the Friends organization, but unfortunately, I no longer meet the criteria to serve on the Commission.

Thank you for all your communications and for always being willing to explain to me how things work in the Library system.

I love the RBPL and plan to keep working with you, even during CovidTimes.

Sincerely,

Mary Simun

Library Commissioner
