Iam against the octógono park
For the following reason
Risk of accidents
Easy drug dealing
Parent not responsible
Too much noise
If the city canot control
The bicycle path high speed roller blade etc everyday ,how you are going to control it ??
It Willa attraction for the wrong crowd for drug Dealing There is never any kind of enforcement at all But it is what it is I
am against it I suggest to open a Aquarian só students can come and learn Thank you
