Section 5: Scope of Work

Description of Purchased Item(s)/Service(s) and Justification for Purchase (attach additional pages if needed): As an Auto Repair shop, we are an essential business & have not closed once during COVID. Cars break down, need servicing etc.

& we as drivers want & need our vehicles working properly to feel safe in case of an emergency. We've been able to make sacrifices personally in order to not have to terminate.

We were able to add a 10999. Our employees Medical (Platinum PPO) was paid 100% by us until 11/1/20. We have implemented temperature readings and paid for covid tests.

Daily, we repair & Service Land Rovers & Jaguars for vehicle owners in the South Bay. Our focus is local. Sitting on the Volunteer Board at BCHD

really aides us in being a trend-setter for COVID "Best Practices" as I'm able to share the latest and spread the word via our business connections. Rent, Utilities & the usual overhead

didn't go away. The cost grew to implement functions of safety. It's important for clients, while it strains our resources, to be able to have drop-off/pick up available as rentals & Uber/Lyft

are considered unsafe to some, so we take them to and from their home, in their own vehicle. Constantly sanitizing, seat/gear/steeringwheel protectors, mask/gloves, touchless

payments are our new normal, even though the Cost per repair for the company is now higher due to these added measures. Our goal is to maintain our 5 star status by enhancing the Auto Repair Experience & alleviating insecurities that a broken down vehicle presents.

Other shops have been hit personally by COVID. Thankfully we're safe & open despite the financial costs associated with COVID. We've also assisted with other car brands, people don't need more uncertainty or stress. BCHD will be here for the South Bay through this pandemic.
