

# CITY OF REDONDO BEACH PARKING METER APPLICATION RFP

Discussion and possible action regarding the adoption of a parking mobile application system in the City of Redondo Beach.

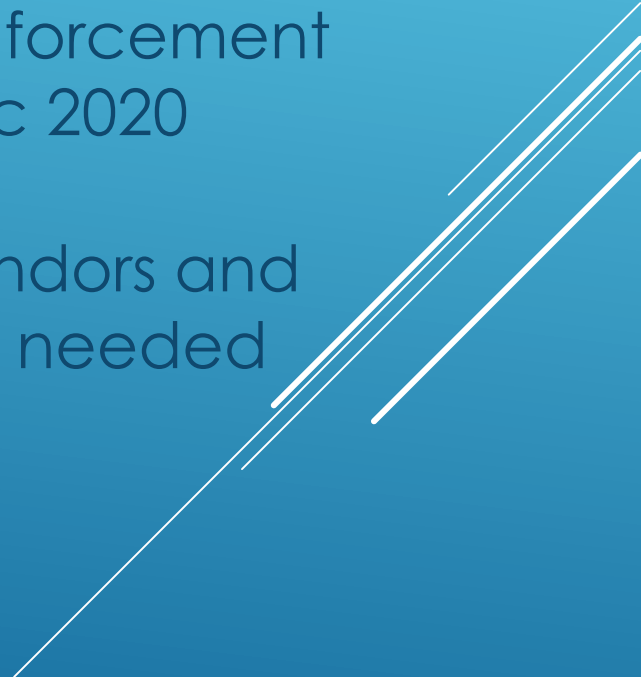

# Background

## Positive year for parking programs:

- ▶ Transitioned 77 parking locations for dining parkettes in the Riviera Village and signage for additional Sunday Farmer's Market spaces
- ▶ Completed installation of 544 smart meters spaces in August 2020 following RfP process
- ▶ Parking revenues sustained due to smart meters and high volume
- ▶ Proposals created for parking improvements in remainder of City and WED Area to be considered by Council in Proposed FY2021-22 budget
- ▶ Preparing detailed Budget Response Report to outline paid parking status
- ▶ Mobile parking app recommendation to council for consideration

# Background

## Mobile Parking Application RfP

- ▶ City Council requested staff conduct RFP for mobile parking application
  - ▶ Staff researched operational, technical, financial and enforcement concerns addressed during process and issued RfP in Dec 2020
  - ▶ Selection Committee reviewed all materials, met with vendors and gathered additional input from subject matter experts as needed
- 
- Three white diagonal lines of varying lengths and thicknesses are positioned in the bottom right corner of the slide, extending from the right edge towards the center.

# Request for Proposals (RfP) – Input

# Objectives Addressed in RFP

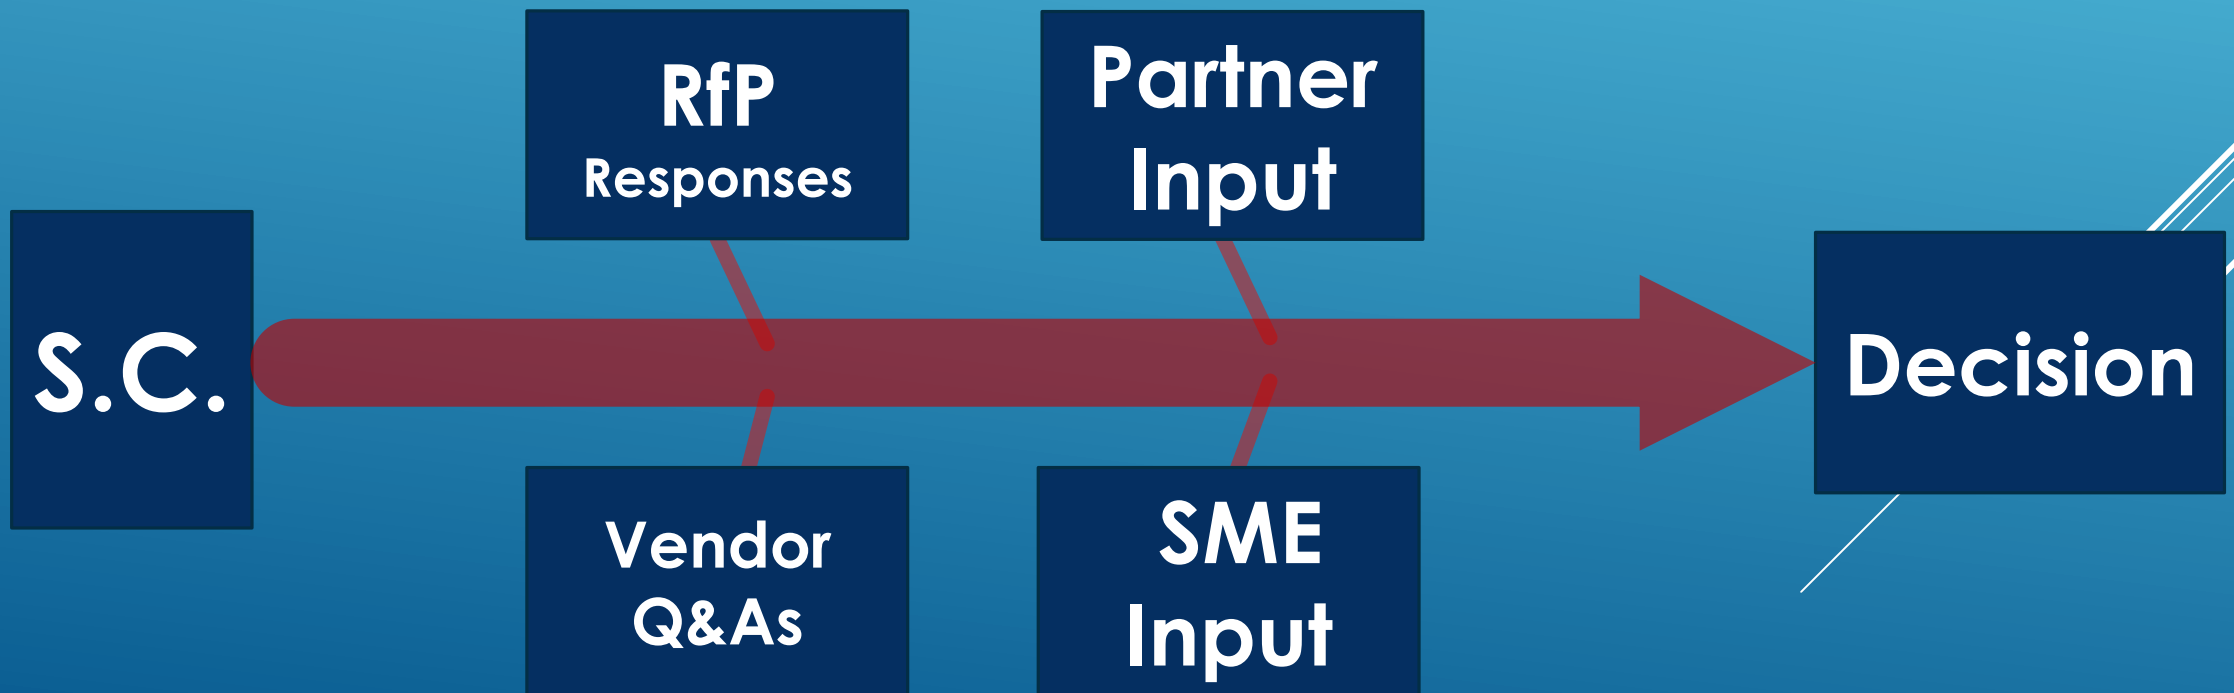

- ▶ Expand consistent, scalable, contactless payment parking options at a low cost to end user
- ▶ Zero direct cost to City and minimal staff resource
- ▶ Provide a simple onboarding process to aid adoption rates
- ▶ Multiple simplified and efficient payment methods (app, website, QR codes, IVR phone...)
- ▶ Responsive customer support service for customer and staff
- ▶ Integration with parking, enforcement and banking systems
- ▶ Potentially reduce future parking hardware and maintenance costs
- ▶ Payment Card Industry Data Security Standard Requirements (PCI DSS) compliant and mitigates payment systems fraud including tampering with QR codes

# Selection Committee

- ▶ Police Department Admin. Analyst (Chair)
  - ▶ Waterfront and Economic Development Director
  - ▶ Parking Meter Technician
  - ▶ Police Department Lieutenant and Sergeant
  - ▶ Parking Enforcement Representative
  - ▶ Information Technology Representative
- 
- A series of three parallel white diagonal lines in the bottom right corner of the slide, extending from the middle of the right edge towards the bottom left.

# Selection Committee Review Process

- ▶ Selection Committee meetings and vendor presentations
- ▶ Approved selection criteria, weighting and scored the 5 proposals
- ▶ Unanimously selected one vendor, ParkMobile, to recommend to Council

# Recommendation and Next Steps

## Options

1. Status Quo
2. Approve ParkMobile agreement
3. Provide alternative direction to staff

**Staff recommendation: Approve ParkMobile agreement and direct staff to implement program before summer 2021**
