What happened to you Zane,  
your selling out N Redondo and  
folding to Bill and his  
agenda...Sad brother, N  
Redondo has a long memory,  
ask the last guy who had your  
seat. What's the real agenda?

Tom where have you been in  
the process? I thought you  
wanted to sell to multifamily

No agenda except minimize  
traffic through the town

Putting transit especially low  
income at transit is age old  
smart planning

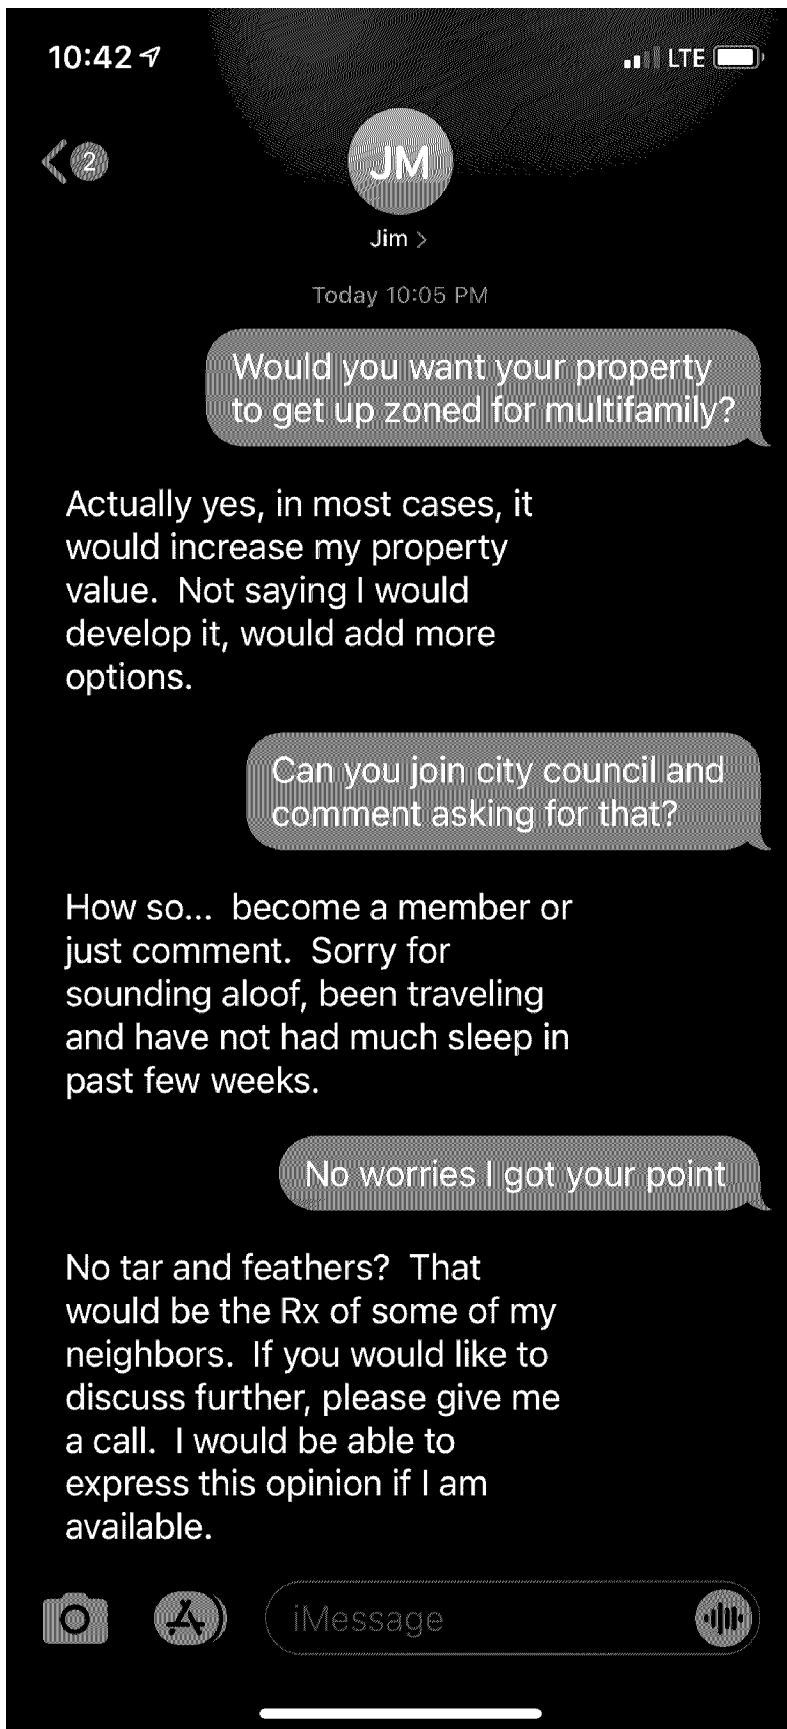

Why shove to the South for no  
reason to increase congestion  
in the whole town

How do you propose to move  
the people down Kingsdale and  
all the the additional Streep foot  
traffic and you just agreed to  
keep our homes non multi  
family...
