Consultant shall perform in accordance with generally accepted professional practices and standards of Consultant's profession.

PROJECT DESCRIPTION AND/OR SCOPE OF SERVICES

PROJECT DESCRIPTION

The City plans to update the existing residential design guidelines, also including accessory dwelling units (ADUs). The design guidelines are intended to inform the public about development opportunities within the residential zones, including both single and multi-family structures. With the addition of ADUs and the R-1A Zone to the guidelines, the document will span the breadth of residential infill opportunities available within the City.

As a part of this exercise, new handout sheets shall be created for easy application of the standards.
