- (b) Whereas, the County is agreeable to rendering such supplemental law enforcement services within the County on the terms and conditions set forth in this Agreement; and
- (c) Whereas, this Agreement is authorized by the provisions of Section 56-1/2 and/or 56-3/4 of the Charter of the County of Los Angeles and/or Section 51301 of the California Government Code; and
- (d) Whereas, the County is agreeable to rendering such supplemental law enforcement services, as available, on the terms and conditions set forth in this Agreement.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

- 1.1 The County agrees, as available, through the Sheriff's Department, to provide supplemental law enforcement services in the form of Court security services to the Public Entity to protect the health and welfare of Court patrons and employees, and

to ensure an orderly and safe event.

- 1.2 The specific services to be provided each month shall be as set forth in the Operations Plan, which is attached hereto as Exhibit A, Los Angeles County Sheriff's Department – Torrance Superior Courthouse Event Action Plan. The Operations Plan describes the event, its location, the date thereof, a general description of the services, and personnel to be provided. In the event that the services change, a new Operations Plan shall be reflected in a revised Exhibit A and attached to this Agreement as an Amendment consistent with Section 8.0, Amendments, of this Agreement to reflect any updates.
- 1.3 The classification and approximate numbers of personnel provided by the County shall be determined and mutually agreed upon by the Sheriff's Department and the Public Entity prior to the provision of supplemental law enforcement services, and set forth in an operations plan which shall be attached hereto as Exhibit A, Los Angeles County Sheriff's Department - Torrance Superior Courthouse Event Action Plan, to this Agreement and incorporated herein by this reference. The hours of duty performed by County employees will be established and agreed upon in accordance with the requested supplemental law enforcement services.
- 1.4 The request for supplemental law enforcement services shall be a written request on official Public Entity letterhead. The request shall contain specific dates of service, hours of operation, number of personnel requested, classification of personnel requested, and duties and responsibilities associated with the type of service requested.
- 1.5 The request shall be signed by a representative of the Public Entity who is duly authorized to enter into such agreements for supplemental law enforcement services. The request shall be submitted to the Los Angeles County Sheriff's Department's Contract Law Enforcement Bureau located at:
211 W. Temple Street, 7th Floor
Los Angeles, California 90012.
- 1.6 For the purpose of performing said services, County shall furnish and supply, as available, all necessary labor, supervision, personnel, helicopters, equipment,

communications, fuel, and supplies necessary to provide the supplemental law enforcement services to be rendered hereunder. Notwithstanding the foregoing, the Public Entity may provide additional resources for the County to utilize in the performance of the supplemental law enforcement services.

- 1.7 If applicable, the Public Entity hereby grants to the County, the Sheriff's Department, and its personnel responding to requests for supplemental law enforcement services herein the right to transmit and broadcast communications to the Public Entity's police department's units via the primary dispatch frequency and/or any other law enforcement frequency for which the Public Entity is licensed by FCC. Communication Plan shall be set forth in an operations plan which shall be attached hereto as Exhibit A, Los Angeles County Sheriff's Department - Torrance Superior Courthouse Event Action Plan.
- 1.8 Except as otherwise specifically set forth in this Agreement, supplemental law enforcement services shall encompass duties and functions within the jurisdiction of and customarily rendered by the Sheriff's Department under the Charter of the County and the statutes of the State of California.

- 2.2 The rendition of the services performed by the Sheriff's Department, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

No Public Entity employees shall become employees of the County.
- 2.5 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof and not to establish an agency relationship, every County officer and/or employee engaged in performing any such service and function shall be deemed to be an officer or employee of the Public Entity while performing such service for the Public Entity, as long as the service is within the scope of this Agreement and is a Public Entity function.
- 2.6 The Public Entity shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said Public Entity. 5.0 RIGHT OF TERMINATION

- 5.1 Either party may terminate this Agreement with or without cause by giving not less than sixty (60) calendar days advance written notice to the other party.
- 5.2 Notwithstanding the foregoing, the Sheriff may cancel the provision of services with only ten (10) calendar days advance notice, or less in the event of exigent circumstances, if the Sheriff concludes that there are insufficient personnel to provide the agreed upon services and still perform other Sheriff's duties as required by law.
- 5.3 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations, which would otherwise accrue subsequent to the date of termination.

6.0 BILLING RATES

- 6.1 For and in consideration of the rendition of the supplemental law enforcement services to be performed by the County for the Public Entity under this Agreement,

the Public Entity shall pay County for said services provided by County under the terms of this Agreement at the appropriate and prevailing billing rates set forth on Exhibit B, Supplemental Law Enforcement Services Rates, as established by the County Auditor-Controller. The billing rates listed shall be readjusted annually by the County Auditor-Controller effective July 1 of each year to reflect the cost of such service. In such case, the annual rate adjustment shall be reflected in a revised Exhibit B and attached to this Agreement as an Amendment consistent with Section 8.0, Amendments, of this Agreement to reflect the change in billing rates each fiscal year.

- 6.2 The billing rates depicted on Exhibit B, Supplemental Law Enforcement Services Rates, are developed and deemed appropriate by the County Auditor-Controller to reflect the County's actual costs in the compensation of employees at premium overtime rates (except Deputy Sheriff - Reserves), the administration of workers' compensation benefits, and the overhead of the County attributable to the provision of services pursuant to this Agreement. The foregoing rates are adjusted annually pursuant to the policies and practices adopted by the Los Angeles County Board of Supervisors governing the determination of such actual costs.

- 7.2 If such payment is not delivered to the County office, which is described on said invoice, within sixty (60) calendar days after the date of the invoice, the County is entitled to recover interest thereon. For all disputed amounts, the Public Entity shall provide the County with written notice of the dispute including the invoice date, amount, and reasons for dispute within ten (10) calendar days after receipt of the invoice. The parties shall memorialize the resolution of the dispute in writing. For

any disputed amounts, interest shall accrue if payment is not received within sixty (60) calendar days after the dispute resolution is memorialized.

GENERAL MESSAGE
LASD ICS - 213

Incident Name
Redondo Beach Homeless
Court

Operational Period

Date: September 09, 2020, 0800 to 1200 hours re-occurring once a month

Situation

In 2019 the Los Angeles County Board of Supervisors provided funding to the South Bay Cities Council of Governments to administer Innovation Funds for Homeless Services in the South Bay. The City of Redondo Beach is the only jurisdiction awarded an Innovation grant to combat homelessness. A major component of the program is the once a month collaborative Homeless Court heard in Judge Rene Gilbertson's courtroom. The program offers an informal diversion program offering wrap around services such as mental health counseling, substance abuse treatment and housing placement. The success of the program has been in large part due to the hands-on approach of the community partners who transport clients to and from court and service providers in the South Bay. The Redondo Beach model is now the basis for Assemblyman Al Muratsuchi's Assembly Bill 2339 forming "Homeless Aid Courts."

Like it has in all areas, COVID-19 has drastically disrupted the normal operations of the Redondo Beach Homeless Court. COVID-19 has disproportionately affected the homeless population significantly increasing the danger to the transportation providers, community partners, attorneys, court staff, and Judges. In cooperation with the Public Defender, Alternate Public Defender, Sheriff's Department, Community Partners, City of Redondo Beach, South West District Administrator, Torrance Criminal Operations Manager, Judge Gilbertson; we are seeking to hold Homeless Court off-site in a secured open air location once a month beginning September 9th. This open-air location will eliminate the need to transport homeless defendants to and from court and service providers. The Court and wrap around services will all be on site in a safer environment offering "one-stop" services to this vulnerable population.

EXPENSES - There will be no expense to the Court. The City of Redondo Beach has agreed to cover all logistical needs including paying for necessary Sheriff personnel to provide security. If necessary, they will also indemnify the Court and Judicial Council.

LOCATION – Homeless court will be held in the fenced parking area located at 200 N. PCH. Redondo Beach, adjacent to the RBPB Detective Bureau and the Redondo Union High School Auditorium. This location is directly across the street from St. James Church which serves a daily lunch to the South Bay homeless.

<p>Redondo Public Works Department will be providing all logistical support including ADA compliant bathrooms. The Redondo Beach Annex is 200 feet North to South and 234 feet East to West.</p> <p>SECURITY - Located inside of open area, the courtroom would be visually screened from those outside of the fence line which will be obscured by meshing. The currently assigned bailiff for Dept. 2 would accompany Judge Gilbertson and provide "courtroom" security. An additional Deputy and Security Officers would secure the weapons screening and locker/property storage areas. The Redondo Beach Police Department will provide three additional uniformed police officers for security. The main gate located on the west side of the gated parking area will be left open approximately 10 feet. The 10 feet open area will be the only entrance/exit to the gated parking area. There will be two Security Officers manning the inner perimeter near weapon screening. In the event of an emergency, the Redondo Beach Police Department will transport to the local hospital. This also will include any police action in regard to the use of force. There are to be no persons remanded by the judge during the proceedings at this location. In the event an arrest is to be made outside of judicial court proceedings, the Redondo Beach Police Department will take the individual(s) into custody.</p> <p>STAFF – The courtroom clerk and court reporter will remain at Torrance Court utilizing audio WebEx to communicate with the court proceedings being held in Redondo Beach.</p>	<p>Concept</p> <p>The mission of the Los Angeles County Sheriff's Department is to provide a high level of security for the Judges, court staff, involved parties, and patrons entering and exiting the courthouse. The general court order regarding media regulations prohibiting photography/filming in the courthouse, (see attached signed court order), will be strictly enforced by Sheriff's personnel, and media access will be granted based on court instructions. The Sheriff's Department will work closely with Redondo Beach Police Department, who have jurisdiction for any issues that occur at the location.</p> <p>The Incident Commander's intent is to maintain a safe environment, and to minimize disruptions in and around the location by utilizing Redondo Beach personnel. Being that the situation is dynamic, it therefore will be subject to modification by the Incident Commander. In the event of a large media presence and possible protestors near the location one additional deputy have been assigned to the location, along with three Redondo Beach Police Officers.</p>
---	---

Two Sheriff's Department Security Officers will be posted at the main entrance to perform weapon screening procedures. Weapons screening personnel will be designated to coordinate all media, and direct them to the west side of the courtroom near the entrance. The general court order regarding media regulations prohibiting photography/filming in the courthouse will be strictly enforced by Sheriff's personnel.

When court is not in session, Judge Gilbertson will remain inside the Redondo Beach Detective Office. When court is ready, Judge Gilbertson will be escorted by two Redondo Beach Police Officers and will enter the courtroom from the west side entrance.

The building site judge, Judge Alan A. Honeycutt, Sheriff's Headquarters Social Media section (sibecomm@lasd.org) SOU Security Operations Unit, Department Operations Center (DOCINFO@LASD.ORG) and the Court's Public Information Officer (Mary Hearn, 213-830-0801) are all aware of the case.

Redondo Beach Police Department, Captain Jon Naylor will have units ready to respond, if the needed.
