TITLE

ADOPT BY TITLE ONLY RESOLUTION NO. CC-2106-056, A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF REDONDO BEACH, CALIFORNIA, APPROVING AND ADOPTING THE ANNUAL APPROPRIATIONS LIMIT FOR FISCAL YEAR 2021-2022.

EXECUTIVE SUMMARY

As required by the California Constitution, the City has computed an annual appropriations limit for the coming fiscal year. The City's appropriations limit for Fiscal Year 2021-2022 has been computed at \$150,235,730.

BACKGROUND

Article XIIIB of the California Constitution (Gann Limit) requires that the City compute an annual appropriations limit. This limit sets the maximum amount of appropriations that can be made from tax receipts. Taxes exceeding this limit must be returned to the residents or may be spent with the approval of a majority vote. The City exceeded the limit in 1983 and voter approval to expend was received. The estimated annual tax receipts for Fiscal Year 2021-2022 are approximately \$68.4 million and well below the limit of \$150.0 million.

The annual adjustment for the limit is also provided by Article XIIIB and is to be based on the change in the California per capita personal income combined with the greater of the change in population in the jurisdiction or the jurisdiction's county. For the purposes of calculating the City's appropriations limit for the Fiscal Year 2021-2022, staff has used the City's population factor as it exceeds the County's population growth factor for the past year. Using these two factors, the coming year's limit is \$150,235,730.

The attached Exhibit A provides the calculation information for Fiscal Year 2021-2022.

COORDINATION

The City Attorney's Office approved the resolution as to form.

FISCAL IMPACT

The costs to calculate and prepare the appropriations limit document are included within the Department's adopted 2020-2021 Annual Budget and are part of the department's annual administrative work program. Failure to adopt an appropriations limit will result in the State withholding gas taxes. Estimated gas tax revenues for Fiscal Year 2021-2022 are approximately \$3.0 million.
