

ORDINANCE NO. O-3220-21

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF
REDONDO BEACH, CALIFORNIA, AMENDING MUNICIPAL
CODE TITLE 3, CHAPTER 7, ARTICLE 20, TO CONFORM
REGULATIONS REGARDING STREET VENDING IN THE CITY
OF REDONDO BEACH WITH SENATE BILL 946**

WHEREAS, The City of Redondo Beach is a unique community that prides itself in its community character; and

WHEREAS, on September 17, 2018, California Governor Edmund Gerald Brown signed Senate Bill ("SB") 946 into law, which regulates sidewalk vendors throughout the state including within the City of Redondo Beach;

WHEREAS, SB 946 takes effect January 1, 2019, and limits the authority of the City to regulate sidewalk vendors, except as provided under California Government Code Sections 51038 and 51039;

WHEREAS, although the Redondo Beach Municipal Code does not regulate "sidewalk vendors", as that term is defined in SB 946, it does regulate "peddling" in Title 3, Chapter 7, Article 20 "Vending from Stands in Public Ways" which may include sidewalk vendors, placing the City in conflict with SB 946;

WHEREAS, the City Council adopts this ordinance under the authority of SB 946 and the City Council finds the regulations and requirements provided in this ordinance are directly related to the City's objective in protecting the health, safety and welfare of its residents, businesses, and visitors;

WHEREAS, the City Council finds this ordinance regulates the time, place, and manner of sidewalk vending, as specified, to address health, safety, and welfare concerns;

WHEREAS, the City Council finds the regulations in this ordinance, including, but not limited to those regulations governing minimum sidewalk widths, sidewalk vending receptacle sizes, distance requirements, and food and merchandise storage are necessary to ensure compliance with the federal Americans with Disabilities Act of 1990 (Public Law 101-336) and other disability access standards;

WHEREAS, the City Council finds this ordinance is necessary to ensure the public's use and enjoyment of natural resources and recreational opportunities; and

WHEREAS, the City Council finds this ordinance is necessary to prevent an undue concentration of commercial activity that unreasonably interferes with the scenic and

natural character of City while also respecting constitutional rights of residents, visitors and vendors.

NOW, THEREFORE, THE CITY OF REDONDO BEACH, CALIFORNIA, DOES ORDAIN AS FOLLOWS:

SECTION 1. CEQA FINDINGS. The proposed Ordinance Amendment is not subject to the California Environmental Quality Act (CEQA) pursuant to the CEQA Guidelines, California Code of Regulations, Title 14, Chapter 3, sections: 15060(c)(2) (the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment); 15060(c)(3) (the activity is not a project as defined in Section 15378); and 15061(b)(3), because the activity is covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment.

The proposed ordinance maintains the status quo and prevents changes in the environment. Because there is no possibility that this ordinance may have a significant adverse effect on the environment, the adoption of this ordinance is exempt from CEQA.

SECTION 2. AMENDMENT OF CODE. Title 3, Chapter 7, Article 20, Section 3-7.2001 is hereby repealed in its entirety and amended to read:

“3-7.2001 Findings and purpose

- A. The City Council hereby finds that, to promote the health, safety and welfare, restrictions on street vending are necessary in part to:
1. Ensure no interference with the performance of public safety officers, including, but not limited to, police, firefighter, lifeguard, security and emergency medical personnel services.
 2. Ensure no interference with pedestrian or vehicular traffic including ingress into, or egress from, any residence, public building, or place of business, or from the street to the sidewalk, by persons exiting or entering parked or standing vehicles.
 3. Ensure no interference with barriers (bollards, vehicles, cement or water) which are designed to stop vehicles and prevent injury to people.
 4. Provide reasonable access for Sidewalk Vending Activities in portions of the City while preserving the use and maintenance of sidewalks, pathways, poles, posts, traffic signs or signals, hydrants, restrooms, trash receptacles, firefighting apparatus', mailboxes, public benches and/or planters/trees, as well as access to locations used for public transportation services.
 5. Reduce exposure to the City for personal injury or property damage claims and litigation.
 6. Ensure the safe sale of Food and Merchandise in the public right-of-way. Providing a clear and simple way to enforce Food safety and compliance with Los Angeles County Department of Public Health requirements.

7. Ensure that visibility, sight lines, and accessibility for vehicular and pedestrian traffic on sidewalks and other rights of way are protected, while accommodating Sidewalk Vendor equipment.
8. Protect the flow of pedestrian or vehicular traffic including ingress into, or egress from, any residence, public building, or place of business, or from the street to the sidewalk, by persons exiting or entering parked or standing vehicles.
9. Ensure reasonable access for the use and maintenance of sidewalks, pathways, poles, posts, traffic signs or signals, hydrants, restrooms, trash receptacles, firefighting apparatus, mailboxes, public benches and/or planters/trees, as well as access to locations used for public transportation services.
10. Mitigate the impacts of Sidewalk Vending Activity and protect the unique characteristics of the City, including maximizing public access to and along the coast.
11. Prevent vendors and their customers from creating unsanitary conditions and ensuring that trash and debris in the areas where vending is taking place are removed by Sidewalk Vendors.

B. The City Council hereby finds that the unique characteristics of the City require certain restrictions on Sidewalk Vending Activities as follows:

1. The City Council finds that Sidewalk Vendors in the City seek and do draw patrons to their Food and Merchandise carts. This can create serious safety problems by impacting the ability of pedestrians to move safely on sidewalks and through cross walks and impeding the response time of safety personnel, particularly in the Artesia/Aviation Corridor, at the beach and the Esplanade, at City Parks and in residential areas. Sidewalk Vendors can also impact access to and egress from businesses that abut the sidewalks they utilize to sell their wares. This Chapter imposes reasonable time, place, and manner restrictions on Sidewalk Vendors to the extent necessary to ensure the safety of Sidewalk Vendors, their patrons, the general public, and to prevent unreasonable interference with residents' enjoyment of peace and quiet in the City.
2. The Civic Center contains the City's emergency operation center, the headquarters for the Fire Department, and other critical infrastructure. Restrictions on Sidewalk Vending Activity are necessary to ensure that fire equipment is easily accessible and critical infrastructure is maintained and accessible at all times.
3. City parks provide passive and active recreational opportunities, and restrictions on Sidewalk Vending Activity are necessary to protect the natural resources, recreational and sport opportunities, as well as scenic and natural character of these parks.

4. The City seeks to preserve the peace and quiet of the Residential Zones of the City, by prohibiting commercial activities such as Sidewalk Vendors.
5. Many of the Sidewalks and Pathways in the City are under eight (8) feet wide or less, and Sidewalk Vending Activity in these areas would unreasonably interfere with the flow of pedestrians and disrupt access for persons with disabilities.

The City Council of the City of Redondo Beach does hereby find that the above referenced recitals are true and correct and material to the adoption of this Ordinance.”
