RE: Proposition 1 Grant Application

Dear Elizabeth:

Congratulations, your grant application for Design Plan for 30 acres of Open Space at the AES power Plant Site is being recommended for a partial funding award of \$500,000 by the Coastal Conservancy from its Proposition 1 grant program.

Formal grant awards will not occur until the project is approved by the Coastal Conservancy board at a public meeting. The Coastal Conservancy will assign a project manager to work with you now to move the project forward. Your project manager will be in touch with you in the next month.

We look forward to working with you on this project.

Congratulations!
