RECOMMENDATION

Approve check number 000496 in the amount of \$475.73.

EXECUTIVE SUMMARY

The attached Summary Check Register lists check number 000496 in the amount of \$475.73. Check 000496 is a payment to the City for quarterly sewer fees associated with the Kincaid's Restaurant building.

BACKGROUND

The Redondo Beach Public Financing Authority ("PFA"), a joint powers authority, was formed on June 25, 1996, to provide financing for capital improvement projects. The former Redevelopment Agency of the City Redondo Beach, now known as the Successor Agency ("Agency"), joined with the City to form the PFA. The PFA operated rental property and issued bonds to provide funds for public capital improvements. The PFA has the same governing board as the City, which also performs all accounting and administrative functions for the PFA. With the elimination of the City's Redevelopment Agency, the Public Financing Authority has been renamed the Community Financing Authority ("CFA").

In 1997, the City leased the Pier pad known as 500 Fisherman's Wharf to the PFA. The PFA leased the site and acts as building owner and landlord to its tenant, RUI One Corp. ("RUI" dba Kincaid's). In negotiating the lease, the City was to own the building, but did not have the funding available to build the building. RUI had the ability to build the restaurant building at a lower cost than the City, and the PFA was able to obtain a loan to purchase the building. Thus, RUI built the restaurant building and the PFA utilized loan funds to purchase the building from RUI at completion.

Per the lease agreement, the City is responsible for the cost of monthly service costs for water, sewer, and trash; possessory interest taxes; common area expenses as defined; and the repairs to the structural portions of the Building. On a monthly basis, the City is reimbursed for such expenses by the CFA.

Administrative Report

Authority Action Date: June 7, 2022

To: CHAIRMAN AND MEMBERS OF THE HOUSING AUTHORITY

From: CAMERON HARDING, HOUSING ADMINISTRATOR

Subject: STATUS REPORT ON THE SECTION 8 AND FAIR HOUSING PROGRAMS

RECOMMENDATION

Receive and file a quarterly status report on the Section 8 and Fair Housing Programs.

EXECUTIVE SUMMARY

The City of Redondo Beach Housing Authority (RBHA) receives federal funding from the U.S. Department of Housing and Urban Development (HUD) to operate the Section 8 Program. Section 8 is a rent assistance program that enables very low-income persons to live in decent, safe and sanitary, privately-owned housing. Tenants in Redondo Beach select their own rental housing per program guidelines. This report includes information regarding Housing Authority activity for the months of March, April and May of 2022.

The Redondo Beach Housing Authority continues to operate the Section 8 Program within its available resources. On May 12, 2022, the RBHA received its Calendar Year (CY) 2022 Renewal Funding Allocation notice from HUD. The CY 2022 allocation fully funded the Redondo Beach housing assistance contracts for CY 2022. On August 02, 2021, RBHA received notification from the Los Angeles Community Development Authority (LACDA) of continued funding of the Homeless Incentive Program for Fiscal Year 2021-2022. The amount of funding under this agreement is not to exceed \$25,917.

Consistent with HUD guidelines and current funding levels, the Housing Authority's goal is to backfill vacant voucher slots as they become available through attrition and/or terminations. The vacant slots would be filled by families who are on the Redondo Beach Section 8 waiting list. There are approximately 4,260 families currently on the Redondo Beach Section 8 waiting list. The Housing Authority is providing referral and supportive information to renters of all types who may be under housing stress during the Pandemic.

BACKGROUND

Section 8 Program Activity

The Housing Authority is currently assisting 441 households under the Section 8 Housing Choice Voucher Program. Of those households, approximately 324 are headed by elderly and/or disabled persons; the remaining 117 are families headed by non-elderly, non-disabled persons.

During the months of March, April, and May of 2022, the Housing Authority executed 6 new contracts. The Housing Authority also renewed 119 leases. Four (4) tenants moved out of their rent assistance units and are permanently off the program. During this reporting quarter, the Housing Authority spent \$1,675,573 on housing assistance payments. The average per-unit client rent subsidy for this period was \$1,272/month. The Housing Authority's goal, as outlined in the 5-year and 1-year agency plans, is to assist an average of approximately 633 families. Attainment of this goal is affected by available units, market pricing and participating landlords.

The Housing Authority's attrition rate is approximately one to two vouchers per month. The Housing Authority has resumed conducting in-person eligibility interviews for families who are on the Section 8 waiting list. There are approximately 4,260 families on the Redondo Beach Section 8 waiting list.

HUD-VASH Vouchers

Veterans experiencing homelessness are referred to the HA by the Veteran's Affairs office. RBHA has a total of 30 veterans housed in Redondo Beach under the HUD-VASH program. The goal of RBHA is to utilize all 40 VASH vouchers allocated to the city. The renewal of these vouchers is included in the overall program funding for CY 2022.

Section 8 Funding

Housing Assistance Payments (HAP) are comprised of HUD monies provided to the Redondo Beach Housing Authority for rental assistance payments made to landlords on behalf of qualifying Section 8 program participants.

In May of 2022, HUD notified the Housing Authority that it would receive \$6,580,684 in HAP funding for CY 2022 (this is the total funding for the HCV and VASH Program). For comparison purposes, the Housing Authority received \$6,331,245 for CY 2021.

In May of 2022, HUD also provided its determination of the RBHA administrative fee. For FY 22-23, the administrative fee, subject to proration, was set at \$120.59 per unit leased.

In comparison, the Housing Authority received approximately \$108.66 per unit leased in CY 2021.

On May 10, 2021, HUD offered RBHA \$419,268 plus ongoing administrative fee funding to administer 29 Emergency Housing Vouchers (EHV). EHV eligible recipients are individuals and families who are experiencing homelessness; at risk of experiencing homelessness; fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or human trafficking; or were recently homeless and for whom providing rental assistance will prevent the family's homelessness or having high risk of housing instability. RBHA has partnered with the Los Angeles Homeless Services Authority, LAHSA, for program support and family referrals. The EHV Vouchers will be administered under the City's Housing Choice Voucher Program policies and procedures. Families accepted through the EHV program will be subject to the same criminal background and income eligibility screening as families accepted through the waiting list. Additionally, EHV families will be responsible for complying with the same program rules and federal regulations to maintain their housing assistance. On February 16, 2022, the RBHA entered into an interagency agreement with the Los Angeles County Development Authority (LACDA) for the administration of the Emergency Housing Voucher Program. Whereas voucher holders could only look for housing within the issuing Housing Authority's jurisdiction, this interagency agreement will allow EHV voucher holders to secure housing anywhere within the Los Angeles County area where their housing voucher is accepted. Year to date (YTD), the RBHA has received a total of 32 referrals from LAHSA and has leased 3 EHV families in Redondo Beach.

Payment Standards

The Department of Housing and Urban Development (HUD) requires Housing Authorities to establish a payment standard in the "basic" approvable range 90%-110% of the published fair market rent (FMR) for Los Angeles County. The basic range complies with section 24 of the Code of Federal Regulations (CFR) 982.503 and Public and Indian Housing (PIH) Notice 2002-20. Rental rates and rent increases continue to burden many of our low-income families that live in subsidized rental units under the Section 8 program.

In March of 2020, the Department of Housing and Urban Development (HUD) granted RBHA an exception payment standard for the HUD-VASH voucher program. Effective May 1, 2022 the VASH payment standards for RBHA were increased to 140% of the Federal Fiscal Year (FFY) 2022 Fair Market Rents. This increase in payment standard will enable veterans to competitively search and secure housing throughout Los Angeles County.

The Housing Authority reviews and updates its payment standards for the Section 8 rental assistance program on an annual basis or as needed. The payment standards are updated to reflect current rental market conditions to offer Section 8 families greater housing choices. Effective May 1, 2022 RBHA's payment standards for the HCV

(Housing Choice Voucher Program) were increased to 95% of the Federal Fiscal Year (FFY) 2022 Small Area Fair Market Rents. Payment standards for the HCV program had been last increased in July 2020.

The following Payment Standards became effective May 1, 2022:

	90277	90278	VASH (for both Zip Codes)
0 Bedroom	\$1,824	\$1,682	\$1,938
1 Bedroom	\$2,119	\$1,948	\$2,246
2 Bedroom	\$2,698	\$2,480	\$2,862
3 Bedroom	\$3,553	\$3,268	\$3,770
4 Bedroom	\$3,876	\$3,563	\$4,106

Section 8 Staff

The Housing Authority staff consists of 3 full-time and 2 part-time personnel who manage section 8 client files, interview program candidates from the waiting list, perform housing inspections, provide customer service, and submit required information to HUD.

Section 8 Waiting List

The Section 8 waiting list has been closed to new enrollees since September 2015. This strategy is consistent with funding, the agency's 5-year plan, and the discretionary authority granted to the Redondo Beach Housing Authority (RBHA). There are approximately 4,260 families currently on the Redondo Beach Section 8 waiting list. The goal for the waiting list is to maintain an active pool of approximately 1,000 applicants at all times. Preference on the waiting list is given to Redondo Beach residents and to persons who work in Redondo Beach. Priority is also given to the Elderly, Disabled, Families (2 or more people in a household), honorably discharged Veterans of the U.S. Armed Forces and individuals experiencing homelessness. One of the Housing Authority's goals is to refresh the waiting list and reopen it to attract eligible families already living or working in Redondo Beach.

Section 8 waiting list applicants that wish to check their status on the waiting list are encouraged to visit www.waitlistcheck.com or call (855) 361-9512.

U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT
WASHINGTON, DC 20410-5000

OFFICE OF PUBLIC AND INDIAN HOUSING

May 12, 2022

Dear Executive Director:

Subject: Housing Choice Voucher Program Calendar Year (CY) 2022 Renewal Funding Allocation

The purpose of this letter is to advise public housing agencies (PHAs) of the CY 2022 Housing Assistance Payments (HAP) renewal funding allocations for the Housing Choice Voucher Program (HCVP). The funding allocations described herein are based on the requirements of the Consolidated Appropriations Act, 2022, (P.L. 117-103) referred to hereafter as “the 2022 Act,” enacted on March 15, 2022. HUD is in the process of publishing the 2022 HCV Funding Implementation Notice and will notify PHAs by email when that occur. The Notice will be posted at the following link:

http://portal.hud.gov/hudportal/HUD?src=/program_offices/administration/hudclips/notices/pih.

Your agency’s CY 2022 HAP renewal funding is identified at the top of the Enclosure A provided with this letter. Enclosure A sets forth the funding calculations for your PHA and provides estimated RAD 1 funding for the first full year of conversion and CY budget authority associated with tenant protection actions; the calculations are fully explained in the descriptions provided for this enclosure, and you are encouraged to review them thoroughly. Also included are Appendix I and II. Appendix I provides calculations related to the CY 2022 offset for reallocation. Appendix II provides a list of funding increments for which the PHA is receiving an additional inflation factor in CY 2022 to support increased costs since the increments were initially funded. If your agency is administering HUD Veterans Affairs Supported Housing (VASH) vouchers, the renewal of these vouchers is included in the overall renewal calculations. These vouchers are not renewed separately, other than for Moving to Work (MTW) agencies. PHAs must comply, however, with the statutory requirement that VASH vouchers may only be used to assist VASH-eligible participants, both initially and upon turnover.

The 2022 Act requires the Department to establish a new baseline for HAP funding eligibility, based on Voucher Management System (VMS) data for CY 2021 (January 1, 2021, through December 31, 2021). This practice is commonly referred to as re-benchmarking. Consistent with prior years, the Department provided PHAs with the opportunity to review and update all VMS data related to the funding calculations as detailed in this letter and the enclosure. The VMS data used is the data reported by each PHA and accepted in VMS as of the end of the data review period on January 28, 2022, the same date as the December 2021 data submission deadline. There will be no further appeals or adjustments to these data items, except at the direction of the Department.

The 2022 Act provides that HUD may offset PHAs’ CY 2022 allocations based on the excess amounts of PHAs’ Restricted Net Position (RNP), including HUD-held program reserves (in accordance with VMS data in CY 2022 that is verifiable and complete), as determined by the Secretary. The Department has decided to exercise the offset for reallocation authority in CY 2022 (impacting a limited number of PHAs) but only to increase the national HAP proration to 100%. No portion of the offset will be for Shortfall Prevention.

For the months of January through May of 2022, your agency received HAP obligations based on an estimated CY 2022 renewal level. If your PHA has been under-obligated renewal funds through May 2022, based on the prorated funding eligibility indicated on Enclosure A (applicable only to non-MTW PHAs, MTW PHAs will receive a different eligibility enclosure), the additional amount due will be obligated in the immediate future. If your PHA has been over-obligated funds through May 2022, the June obligation will be reduced accordingly, so that your PHA is obligated the accurate amount for the year. HAP disbursements for January through May of 2022, and for the rest of the CY 2022, have and will be based on cash management procedures established in PIH Notice 2017-06.

Except for MTW PHAs, no HAP funds provided for a PHA under the 2022 Act may be used to incur in over leasing, to support prior year deficits or provide for administrative expenses, nor may they be loaned or transferred to cover other program obligations, such as Low-Rent and/or Capital Fund programs. Therefore, it is each PHA's responsibility to retain the appropriate records to support VMS submissions for the collected periods, as they are subject to on-site review by the Quality Assurance Division (QAD). Subsequent recalculation of CY 2022 funding eligibility will occur if a QAD or other HUD review demonstrates that costs were incorrectly reported, resulting in excess funding.

Finally, it is strongly recommended that PHAs utilize the Two-Year Forecasting tool on the HUD web site, in consultation with their local HUD field office, to ensure that correct variables for the PHA are entered into the tool to arrive at the most accurate forecast to enable the PHA to maximize leasing while avoiding the need to terminate assistance to any households. The tool and instructions can be found by clicking on the following link: [Two-Year Tool and Instructions](#). Additionally, HAP Set-Aside funds are available in CY 2022 to address shortfalls, but in order to qualify, a PHA must have the shortfall confirmed by the Shortfall Prevention Team (SPT) and must initiate cost reduction steps. This process is detailed in the implementation notice referenced at the start of this letter.

If you have any questions concerning your CY 2022 HAP renewal funding, please contact your Financial Analyst (FA) at the Financial Management Center (FMC).

Sincerely,

Miguel A. Fontánez

N.1. DISCUSSION AND POSSIBLE ACTION ON THE ASSESSMENT OF THE REDONDO BEACH FIRE DEPARTMENT

CONTACT: KEITH KAUFFMAN, INTERIM FIRE CHIEF

Interim Fire Chief Keith Kauffman gave a report and discussed the following:

- Assessment of the Redondo Beach Fire Department
- Goal
- Methodology
- Priority Matrix
- Process
- Takeaways
- 21 Recommendations
- Discussion and Possible Action

Mayor Brand suggested looking at both a county quote and exploration of a tri-city agreement and to take a comprehensive approach to next steps.

Interim Fire Chief Kauffman stated he did not suggest delaying anything that has come forward in the assessment waiting for an answer on the other end.

Mayor Brand pointed out that the City spent \$3.7M in overtime in 2020-21. He also supported the firefighters in Redondo Beach and suggested working closely with the Firefighters Association and staff through the process. He further suggested forming a subcommittee.

Councilmember Nehrenheim supported a better overall level of service with a better overall cost, which can't be done with the City's own resources.

In response to Councilmember Nehrenheim, Interim Fire Chief Kauffman stated the overall cost for implementation and ongoing costs would be approximately \$1.4M, including three firefighter positions. He also supported fully staffing and reducing the overtime level.

Councilmember Nehrenheim supported sending the report to the Budget and Finance Commission and including a request for zero-base budgeting for the Fire Department. He also said the Harbor Commission should be involved and looking at overlapping services.

Councilmember Nehrenheim asked about conditions of fire stations and infrastructure. Interim Fire Chief Kauffman stated this is one of the recommendations but pointed out that the Police Department needs upgrades as well.

City Manager Witzansky stated staff is evaluating the conditions, and recommendations will be brought forward such as improvements to the stations as part of the budget.

In response to Councilmember Nehrenheim, Interim Fire Chief Kauffman stated automatic aid is occurring approximately once a day, noted three different dispatch systems, there could be a delay in certain services, but there is some preplanning involved as well.

Councilmember Nehrenheim suggested looking at all options.

Councilmember Loewenstein supported and thanked Interim Fire Chief Kauffman and asked about Harbor Commission input. Interim Fire Chief Kauffman stated he met with every member of the Harbor Commission for their thoughts and expectations regarding the Harbor Patrol but they did not all respond. He expressed concern with the growth of the harbor and a greater need for public safety which needs to be considered in the decisions moving forward.

Councilmember Loewenstein expressed concern with getting away from the mission of the Harbor Patrol and response times for North Redondo, supported including numbers and costs, doing due diligence, including all options, being prepared when equipment is down, Pers costs, new hires, and pointed out that the \$1.4M will climb through the years.

Interim Fire Chief Kauffman stated response times in North Redondo are very important and said the Harbor Patrol still acts as a rescue but not as a full assessment unit. He said the goal would be to always have waterside response and the ability to respond 24/7 needs to be in place. He also said a captain's license is required for all involved in the Harbor Patrol, and he did not support reducing qualifications or skill sets. He said apparatus costs are a concern as well and said they have redundancy.

Councilmember Loewenstein supported upgrading the infrastructure of the fire houses for the future of the Fire Department.

Councilmember Emdee said the residents love the Fire Department and feel safe and protected. She asked about the cost saving at approximately \$2M by doing all of the recommendations. Interim Fire Chief Kauffman said the savings are unknown at this time, but there will definitely be savings due to efficiencies including savings in overtime.

Councilmember Emdee also supported the Fire Union who is open to many of the changes proposed. She also referred to Recommendation #5 and requested a BRR regarding the new technology and pointed out that having the Harbor Master in place will focus on safety of the harbor and not neglect.

Interim Fire Chief Kauffman gave a history on the Harbor Master and suggested reformulating the Division Chiefs to be included with the harbor. Councilmember Emdee supported everyone using the harbor to have one person to go to at all times, which is a priority.

Councilmember Emdee recommended over-hiring clerical, having a shared Battalion Chief, and that technology and the Harbor Patrol come back for further discussion.

In response to Councilmember Emdee, Interim Fire Chief Kauffman stated the Harbor Master used to have their own admin person which was defunded. He said a Decision Package will be brought back to reallocate funding for that Admin Specialist. He also said the integration of a Senior Management Analyst would help the City have an emergency manager.

Councilmember Emdee stated the Harbor Master should be focused on safety and the department and focusing on issues in the harbor, prioritizing and supporting recreational boating.

Councilmember Horvath supported moving forward with the assessment which will benefit the department going forward and a combined public safety department, noting there is overlap between both departments.

He recommended bringing back the DP's over the next month as unique discussion items. He also suggested considering the tri-cities, and further discussions regarding the Harbor Patrol.

Mayor Brand called for public comment via Zoom and eComment.

Eugene Solomon discussed the following items:

- Security and infrastructure upgrades to be included
- Class 1 designation will not lower insurance costs
- Chief Castro hired as a part-time Program Coordinator rather than a consultant - total cost of services?
- Regional approach - Torrance will have a ½ percent sales tax increase on the June ballot to raise \$18M
- Manhattan Beach Fire Department shared services currently in a labor dispute
- Unintended consequences and possible expenses - Beach Cities Health District and Healthy Living Campus - higher volume of calls with regard to responses for falls
- Over hire and costs - much higher inflation now than when MOU's created

Roger Carlson supported the service of the Harbor Patrol, supported having boat inspections, stated the harbor needs a specific dedicated response, supported having a Harbor Master, lower calls in winter may change the numbers and should be studied, and supported to start planning now for a boat ramp.

Motion by Councilmember Obagi, seconded by Councilmember Nehrenheim, to extend Mr. Carlson's time for one minute. Hearing no objection, Mayor Brand so ordered.

Mark Hansen, King Harbor boater, thanked Interim Fire Chief Kauffman and Chief Castro for their work and outreach to the boaters and harbor stakeholders. He also discussed the following:

- Have just one person in charge of the boat and suggested keeping the title "Boat Captain"
- Supported having 24/7 rescue response from within the harbor at all times
- Bay Watch coverage during the day while they are out covering the county beaches is not an acceptable safety option
- Harbor Patrol response from an inland fire station is also not an acceptable safety option
- Boats disabled near the breakwater, which is not uncommon, a response from inland or from down the coast will simply arrive too late to save lives

Motion by Councilmember Obagi, seconded by Councilmember Nehrenheim, to extend Mr. Hansen's time for 30 seconds. Hearing no objections, Mayor Brand so ordered.

- Supported having a standalone person not under the umbrella of public safety
- A defined Division Chief for the Harbor Patrol is a simple organizational issue to address who may or may not have any background in harbor management or recreational boating
- Long-identified need of our harbor has been a true Harbor Master, with experience in harbor management and recreational boating

Administrative Specialist Melissa Villa read the comments submitted via eComment by:

Wayne Craig, Mel Samples, Lee Collier and Donna Capraro.

There being no further comments, Mayor Brand closed the public comment period.

Mayor Brand thanked those that sent in emails of detailed comments regarding the assessment and how to proceed.

Councilmember Obagi believed the assessment provides the tools for a great fire response in Redondo Beach, said there is room for improvement and comparing costs if the City contracts county or partnerships with neighboring cities.

Councilmember Nehrenheim asked about the total cost of the report. City Manager Witzansky stated staff can run the analysis. He also said the Budget and Finance Commission looked at a zero based budget for the Fire Department over the last four to five years. He also suggested bringing back on May 1 the members to choose on a subcommittee.

In response to Councilmember Nehrenheim, City Attorney Webb said a subcommittee can be appointed tonight but can only be the Mayor and two Councilmembers for it not to be a Brown Act. He also encouraged speaking to Interim Fire Chief Kauffman regarding the previous discussions on the three cities.

Councilmember Nehrenheim suggested any new items and expenses go through BRR's and to go through the Budget and Finance Commission looking at the costs associated with the Fire Department.

Councilmember Horvath suggested including "move forward" in the title of the motion. He also asked about any concerns regarding hiring an Interim Fire Chief. Interim Fire Chief Kauffman said it would depend on the person, and City Manager Witzansky stated the new hire would have to recognize it is a transitory position, and he also pointed out a short term hire will be needed to get to a long term hire.

Councilmember Horvath suggested including Councilmember Emdee on the Subcommittee to allow for more representation across the City.

Motion by Councilmember Obagi, seconded by Councilmember Nehrenheim to move forward with the Redondo Beach Fire Department Assessment Directions:

1. Institute an over-hire program at the firefighter rank.
2. Hire additional administrative staff.
3. Explore and create a 1-year pilot MOU with MB, El Segundo and/or possibly Torrance
4. Harbor Patrol operations:
 - a. Send the recommendations regarding the Harbor Patrol to the Harbor Commission for their recommendation.
5. The purchase of new technology for the fire station alerting systems.
6. Conduct further analysis of the infrastructure improvements required at the fire houses and costs.
7. New BRRs should go to the Budget and Finance Commission as much as possible.

Amended Motion by Councilmember Nehrenheim to form a subcommittee to include the Mayor, Councilmember Nehrenheim and Councilmember Loewenstein. Councilmember Obagi accepted the amendment.

Motion carried unanimously, with the following roll call vote:

AYES: Nehrenheim, Loewenstein, Horvath, Obagi, Emdee
NOES: None
ABSENT: None

Assistant to the City Manager Luke Smude gave a report and discussed the following:

- 10-Step Process
- Preliminary Study - information provided to the Fire Authority
- Additional Services
- Recommendation

Mayor Brand called for public comment via Zoom and eComment.

Eugene Solomon, Redondo Beach, reviewed his concerns regarding inaccurate Fire Department costs and expenses and asked that these be thoroughly investigated.

Sondra Segall, Redondo Beach, CERT, opposed outsourcing fire services to the county and doing a feasibility study and noted the Firefighter's Union would like to have a career path. She supported fully funding and staffing the Redondo Beach Fire Department.

Kent Iverson, Redondo Beach, CERT, opposed outsourcing the City's fire protection to the county and said the community needs to be bound together to include police and fire. He supported moving forward with the City, not the county.

Administrative Specialist Melissa Villa read the comments submitted via eComment by:

Mariam Butler, Peter Aziz, Wayne Craig, Lezlie Campeggi, and Charles Hammond.

There being no further comments, Mayor Brand closed the public comment period.

Mayor Brand supported looking at all options.

Councilmember Loewenstein stated Council always does their due diligence, supported looking at all options, and stated he would like a presentation from the county regarding Phase 1 and Phase 2.

Councilmember Obagi supported the Fire Department and said there is a mandate in District 4 to conduct the assessment, and people want to know comparable services. He also reviewed the LA County Fire Department services and supported due diligence to look at county.

Councilmember Nehrenheim supported all decisions being available and clarity from all parties involved. He supported going forward with the study.

Councilmember Emdee thanked Mayor Brand for his letter to Mr. Charles Hammond.

Motion by Councilmember Nehrenheim, seconded by Councilmember Obagi, to receive and file the report, give direction to prepare a report and work with the subcommittee, and to include the scope of services requested from the county.

P.1. DISCUSSION AND POSSIBLE ACTION REGARDING THE ESTABLISHMENT OF A CHARTER REVIEW ADVISORY COMMITTEE

ADOPT RESOLUTION NO. CC-2204-022, A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF REDONDO BEACH, CALIFORNIA, ESTABLISHING A CHARTER REVIEW ADVISORY COMMITTEE.

CONTACT: ELEANOR MANZANO, CITY CLERK

City Manager Witzansky gave a staff report.

Councilmember Horvath opposed the language that a 4/5 vote would remove a member without cause.

In response to Councilmember Nehrenheim, City Attorney Webb stated the meetings are set up with one Saturday per month and he would be the staff member.

Councilmember Emdee suggested adding the selection of Mayor process to the charter review.

Mayor Brand called for public comment via Zoom and eComment.

Eugene Solomon, Redondo Beach, suggested reforming language in the code related to the HAPLA position on the Harbor Commission, as HAPLA for all intents and purposes no longer exists. He suggested broadening the appointment eligibility to include successor organizations or some other language that would still represent harbor interests. This would not limited to one organization that may or may not sustain beyond its current formation.

There being no further comments, Mayor Brand closed the public comment period.

City Manager Witzansky requested that the motion include clean-up/correction of typos in the original resolution, Section 5.

Motion by Councilmember Obagi, seconded by Councilmember Nehrenheim, to include revisions to the Charter Review Committee Ordinance (*sic*) as follows to come back to Council on May 10, 2022:

**N.3. DISCUSSION AND POSSIBLE ACTION REGARDING THE MOBILITY AND PEDESTRIAN MOVEMENT ASSESSMENT IN THE RIVIERA VILLAGE REVISION TO THE CITY'S CAP FOR DEVELOPER IN-LIEU PARK AND RECREATION FEES (QUIMBY FEES)
CONTACT: TED SEMAAN, PUBLIC WORKS DIRECTOR**

City Engineer Andy Winje gave a report on the Mobility and Pedestrian Movement Assessment in Riviera Village and discussed the following:

- Strategic Plan Goal: Invest in the City's Infrastructure
- Objective: Riviera Village Mobility Assessment focusing on Pedestrian Movement
 - Mid-Block Crossings
 - Avenue I
 - Trader Joe's
 - Catalina Intersections
 - Avenue I
 - Avenue Del Norte
 - Vista Del Mar
 - Elena
 - Circulation Changes
 - Avenida Del Norte
 - Via El Prado AWS
 - Catalina Avenue
 - Avenue I Mid-block Crossing Enhancements
 - Trader Joe's Mid-block Crossing - Speed Table
 - Catalina Intersections - bulb outs
- Recommendations
 - Receive and file the report
 - Provide input regarding potential pedestrian improvements in the Riviera Village commercial area

In response to Councilmember Nehrenheim, Public Works Director Semaan stated a circulation change recommendation is to convert Avenida Del Norte between Elena and Via El Prado to one-way in the westbound direction, helping both the pedestrians and inter-circulation in the area. He also said staff would only be looking at the NE corner, since the bulb-out by Riviera House at the SE quadrant of Avenida Del Norte and Catalina has actually been an improvement constructed. He further said an additional stop at Avenue I and Catalina would further enhance the driver awareness as part of enhancement of the median. He further reviewed parking spots that may be lost and gained. He said the proposal would come out of the Traffic Calming budget, and monies asked for in the 2022-23 FY as well.

In response to Councilmember Nehrenheim, City Manager Witzansky stated that stop signs, painting and signage would be more manageable items whereas curb and gutter or anything more structural would need to be brought into proper scheduling. He also noted there are many traffic calming projects in the queue which are all critical.

Councilmember Horvath asked if Avenida Del Norte could be one way all the way out to Catalina and Via El Prado be one way going southeast, and also asked if more parking could then be created. Public Works Director Semaan explained the more one-way circulation proposed impacts the Village circulation as a whole which would require more consideration and discussion with the businesses. He also spoke on enhancing pedestrian traffic and speed tables but noted an issue on Catalina with water flow.

City Engineer Winje explained that Vista Del Mar storm drains are undersized and should be increased but the drainage infrastructure is the least well-funded. He also said Measure W can be incorporated if the City

can build a water quality component into the proposal. He also said ARPA funds are available for storm water infrastructure improvements. He further said speed tables may interfere with emergency vehicle access on Catalina.

In response to Mayor Pro Tem Obagi, City Engineer Winje stated the crosswalk is being proposed on the Trader Joe's side. Public Works Director Semaan reviewed the configuration of the parking lot.

Councilmember Nehrenheim supported Catalina open both ways.

Mayor Pro Tem Obagi called for public comment via Zoom and eComment.

Chief Deputy City Clerk Vickie Kroneberger read the comments submitted via eComment by Brianna Egan.

There being no further comments, Mayor Pro Tem Obagi closed the public comment period.

Motion by Councilmember Nehrenheim, seconded by Mayor Pro Tem Obagi, to utilize the \$50K allocated last budget cycle for the paint and stop sign work as well as the one-way study for Avenida Del Norte, request the money needed for the remaining items for the upcoming budget cycle and to notice the public to seek input on the stop signs. Motion carried unanimously, with the following roll call vote:

AYES: Nehrenheim, Loewenstein, Horvath, Emdee, Mayor Pro Tem Obagi
NOES: None
ABSENT: None

N.4. DISCUSSION AND POSSIBLE ACTION REGARDING THE ENFORCEMENT OF SECTIONS OF THE REDONDO BEACH MUNICIPAL CODE THAT ADDRESS NUISANCE/BLIGHTED PROPERTIES

RECEIVE AND FILE A REPORT ON OPTIONS TO ENHANCE THE CITY'S ENFORCEMENT OF NUISANCE/BLIGHTED PROPERTIES CONTACT: MIKE WITZANSKY, CITY MANAGER

City Manager Witzansky gave an introduction and discussed the options to enhance the City's enforcement of nuisance/blighted properties.

Assistant to the City Manager Elizabeth Hause gave a slide show presentation and discussed the following:

- RBMC Title 4, Chapter 10:
 - Nuisances Defined
 - Abatement Measure
- RBMC Title 5, Chapter 2: Weeds and garbage left to accumulate on property
- RBMC Title 10, Chapter 2: Sign Regulation
- RBMC Title 4, Chapter 24: Noise Regulation
- Pleasanton Municipal Code: Sample Language

Police Chief Joe Hoffman discussed the following:

- RBPD Staffing Adjustments

Mayor Pro Tem Obagi noted a serious problem and impacts to value of homes and businesses. He hoped to see regular patrols going forward ensuring clean up and pursuing the property owners and the City getting reimbursed.

City Manager Witzansky reviewed issues in the City, and additional resources will be included in the proposed budget to address this issue on a more permanent basis.

Chief of Police Joe Hoffman said the goal is to get results quickly with a team and a variety of tools to respond in a more efficient manner to resolve issues and improve the quality of life.

Mayor Pro Tem Obagi called for public comment via Zoom and eComment.

There being no comments, Mayor Pro Tem Obagi closed the public comment period.

Motion by Mayor Pro Tem Obagi, seconded by Councilmember Nehrenheim, to receive and file the report, and provide direction to staff to adopt similar language as the City of Pleasanton to clearly delineate the nuisances to eliminate in the City. Motion carried unanimously, with the following roll call vote:

AYES: Nehrenheim, Loewenstein, Horvath, Emdee, Mayor Pro Tem Obagi
NOES: None
ABSENT: None

**N.5. RECEIVE AND FILE A REPORT ON PUBLIC EDUCATION AND ENFORCEMENT OF THE CITY'S POLYSTYRENE AND SINGLE USE PLASTIC PRODUCTS ORDINANCE
CONTACT: JOE HOFFMAN, CHIEF OF POLICE**

Chief of Police Joe Hoffman gave a report on the City's education and enforcement efforts related to single use plastics.

Captain Steve Sprengel gave a PowerPoint presentation and discussed the following:

- City of Redondo Beach Use of Polystyrene and Single Use Plastic Products
- Ordinance - Background
- RBMC Title 5, Chapter 10 - Prohibited Items
- Education
- Enforcement

In response to Mayor Pro Tem Obagi regarding enforcement action, Captain Sprengel stated only educational efforts are taking place at this point.

Mayor Pro Tem Obagi stated multiuse plastic bags are now being provided by stores and asked if there have been communities banning all plastic bags.

Captain Sprengel stated this Municipal Code doesn't cover the carryout plastic bags but Manhattan Beach passed an ordinance in 2008 that banned carryout plastic bags. Mayor Pro Tem Obagi supported adopting this ban.

Councilmember Loewenstein noted Maui uses a lid and straw that degrades and there are no plastic straws. He suggested a list of three or four different sources in the food industry to buy these in bulk at a discount in the City, starting small such as the farmer's market and patrol and educate with options and then concentrate in other areas.

Mayor Pro Tem Obagi called for public comment via Zoom and eComment.

Craig Cadwallader, Surf Rider Foundation South Bay Chapter, stated he is familiar with the ordinances with over 150 foodware plastics ordinances in the State of California. He said LA County just adopted a foodware single-use plastics ordinance for the unincorporated area and the City of LA will be introducing their own version as well. He said he would be happy to share his resources and knowledge with the City. He said the California State bag ban is preemptive and only allows limited items at the local level. He also said the heavier bags are meant to be reused, and there are different examples of cities supplying lists of suppliers

for the businesses. He said he can bring ideas to help, noting it is important to get the single use plastics out of the environment.

There being no further comments, Mayor Pro Tem Obagi closed the public comment period.

Councilmember Nehrenheim supported working with enforcement currently in place rather than creating more issues and work for staff.

Councilmember Loewenstein suggested focusing on a small area first and then go from there. He also agreed with being careful with further expansion and not enforcing what's already in place.

Motion by Mayor Pro Tem Obagi, seconded by Councilmember Horvath, to investigate whether the City can pass a similar ban as Manhattan Beach, eliminating carryout plastics of any sort and to find out if Manhattan Beach has enforcement, and bringing back a ban if allowed. Motion carried with the following roll call vote:

AYES: Lowenstein, Horvath, Mayor Pro Tem Obagi
NOES: Nehrenheim, Emdee
ABSENT: None

This Paragraph f. applies separately to you and any additional insured.

3. Financial Responsibility Laws

- a. When this policy is certified as proof of financial responsibility for the future under the provisions of any motor vehicle financial responsibility law, the insurance provided by the policy for "bodily injury" liability and "property damage" liability will comply with the provisions of the law to the extent of the coverage and limits of insurance required by that law.
- b. With respect to "mobile equipment" to which this insurance applies, we will provide any liability, uninsured motorists, underinsured motorists, no-fault or other coverage required by any motor vehicle law. We will provide the required limits for those coverages.

4. Legal Action Against Us

No person or organization has a right under this Coverage Form:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this Coverage Form unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this insurance or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

5. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this policy to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom a claim is made or "suit" is brought.

6. Representations

a. When You Accept This Policy

By accepting this policy, you agree:

- (1) The statements in the Declarations are accurate and complete;
- (2) Those statements are based upon representations you made to us; and

- (3) We have issued this policy in reliance upon your representations.

b. Unintentional Failure To Disclose Hazards

If unintentionally you should fail to disclose all hazards relating to the conduct of your business at the inception date of this Coverage Part, we shall not deny any coverage under this Coverage Part because of such failure.

7. Other Insurance

If other valid and collectible insurance is available for a loss we cover under this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when **b.** below applies. If other insurance is also primary, we will share with all that other insurance by the method described in **c.** below.

b. Excess Insurance

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis:

(1) Your Work

That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

(2) Premises Rented To You

That is fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

(3) Tenant Liability

That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner;

(4) Aircraft, Auto Or Watercraft

If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of Section A. – Coverages.

(5) Property Damage To Borrowed Equipment Or Use Of Elevators

If the loss arises out of "property damage" to borrowed equipment or the use of elevators to the extent not subject to Exclusion k. of Section A. – Coverages.

(6) When You Are Added As An Additional Insured To Other Insurance

That is other insurance available to you covering liability for damages arising out of the premises or operations, or products and completed operations, for which you have been added as an additional insured by that insurance; or

(7) When You Add Others As An Additional Insured To This Insurance

That is other insurance available to an additional insured.

However, the following provisions apply to other insurance available to any person or organization who is an additional insured under this Coverage Part:

(a) Primary Insurance When Required By Contract

This insurance is primary if you have agreed in a written contract, written agreement or permit that this insurance be primary. If other insurance is also primary, we will share with all that other insurance by the method described in c. below.

(b) Primary And Non-Contributory To Other Insurance When Required By Contract

If you have agreed in a written contract, written agreement or permit that this insurance is primary and non-contributory with the additional insured's own insurance, this insurance is primary and we will not seek contribution from that other insurance.

Paragraphs (a) and (b) do not apply to other insurance to which the additional insured has been added as an additional insured.

When this insurance is excess, we will have no duty under this Coverage Part to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach, each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

8. Transfer Of Rights Of Recovery Against Others To Us

a. Transfer Of Rights Of Recovery

If the insured has rights to recover all or part of any payment, including Supplementary Payments, we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them. This condition does not apply to Medical Expenses Coverage.

b. Waiver Of Rights Of Recovery (Waiver Of Subrogation)

If the insured has waived any rights of recovery against any person or organization for all or part of any payment, including Supplementary Payments, we have made under this Coverage Part, we also waive that right, provided the insured waived their rights of recovery against such person or organization in a contract, agreement or permit that was executed prior to the injury or damage.

This Paragraph f. applies separately to you and any additional insured.

3. Financial Responsibility Laws

- a. When this policy is certified as proof of financial responsibility for the future under the provisions of any motor vehicle financial responsibility law, the insurance provided by the policy for "bodily injury" liability and "property damage" liability will comply with the provisions of the law to the extent of the coverage and limits of insurance required by that law.
- b. With respect to "mobile equipment" to which this insurance applies, we will provide any liability, uninsured motorists, underinsured motorists, no-fault or other coverage required by any motor vehicle law. We will provide the required limits for those coverages.

4. Legal Action Against Us

No person or organization has a right under this Coverage Form:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this Coverage Form unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this insurance or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

5. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this policy to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom a claim is made or "suit" is brought.

6. Representations

a. When You Accept This Policy

By accepting this policy, you agree:

- (1) The statements in the Declarations are accurate and complete;
- (2) Those statements are based upon representations you made to us; and

- (3) We have issued this policy in reliance upon your representations.

b. Unintentional Failure To Disclose Hazards

If unintentionally you should fail to disclose all hazards relating to the conduct of your business at the inception date of this Coverage Part, we shall not deny any coverage under this Coverage Part because of such failure.

7. Other Insurance

If other valid and collectible insurance is available for a loss we cover under this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when b. below applies. If other insurance is also primary, we will share with all that other insurance by the method described in c. below.

b. Excess Insurance

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis:

(1) Your Work

That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

(2) Premises Rented To You

That is fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

(3) Tenant Liability

That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner;

(4) Aircraft, Auto Or Watercraft

If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of Section A. – Coverages.

(5) Property Damage To Borrowed Equipment Or Use Of Elevators

If the loss arises out of "property damage" to borrowed equipment or the use of elevators to the extent not subject to Exclusion k. of Section A. – Coverages.

(6) When You Are Added As An Additional Insured To Other Insurance

That is other insurance available to you covering liability for damages arising out of the premises or operations, or products and completed operations, for which you have been added as an additional insured by that insurance; or

(7) When You Add Others As An Additional Insured To This Insurance

That is other insurance available to an additional insured.

However, the following provisions apply to other insurance available to any person or organization who is an additional insured under this Coverage Part:

(a) Primary Insurance When Required By Contract

This insurance is primary if you have agreed in a written contract, written agreement or permit that this insurance be primary. If other insurance is also primary, we will share with all that other insurance by the method described in **c.** below.

(b) Primary And Non-Contributory To Other Insurance When Required By Contract

If you have agreed in a written contract, written agreement or permit that this insurance is primary and non-contributory with the additional insured's own insurance, this insurance is primary and we will not seek contribution from that other insurance.

Paragraphs **(a)** and **(b)** do not apply to other insurance to which the additional insured has been added as an additional insured.

When this insurance is excess, we will have no duty under this Coverage Part to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1)** The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2)** The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach, each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

8. Transfer Of Rights Of Recovery Against Others To Us

a. Transfer Of Rights Of Recovery

If the insured has rights to recover all or part of any payment, including Supplementary Payments, we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them. This condition does not apply to Medical Expenses Coverage.

b. Waiver Of Rights Of Recovery (Waiver Of Subrogation)

If the insured has waived any rights of recovery against any person or organization for all or part of any payment, including Supplementary Payments, we have made under this Coverage Part, we also waive that right, provided the insured waived their rights of recovery against such person or organization in a contract, agreement or permit that was executed prior to the injury or damage.

F. OPTIONAL ADDITIONAL INSURED COVERAGES

If listed or shown as applicable in the Declarations, one or more of the following Optional Additional Insured Coverages also apply. When any of these Optional Additional Insured Coverages apply, Paragraph 6. (Additional Insureds When Required by Written Contract, Written Agreement or Permit) of Section C., Who Is An Insured, does not apply to the person or organization shown in the Declarations. If the Tyler Software does not perform as warranted, we will use all reasonable efforts, in accordance with industry standards, to cure the Defect as set forth in the Maintenance and Support Agreement.

SECTION C – PROFESSIONAL SERVICES

1. Services. We will provide you the various implementation-related services itemized in the Investment Summary, if any.
2. Professional Services Fees. You agree to pay us the professional services fees in the amounts set forth in the Investment Summary. Those amounts are payable in accordance with our Invoicing and Payment Policy. You acknowledge that the fees stated in the Investment Summary are good-faith estimates of the amount of time and materials required for your implementation. We will bill you the actual fees incurred based on the in-scope services provided to you; provided, however, that

you consent to any variance. Any discrepancies in the total values set forth in the Investment Summary will be resolved by multiplying the applicable hourly rate by the quoted hours.

3. **Additional Services.** The Investment Summary contains the scope of services and related costs (including programming and/or interface estimates) required for the project based on our understanding of the specifications you supplied. If additional work is required, or if you use or request additional services, we will provide you with an addendum or change order, as applicable, outlining the costs for the additional work. The price quotes in the addendum or change order will be valid for forty-five (45) days from the date of the quote.
4. **Cancellation.** We make all reasonable efforts to schedule our personnel for travel, including arranging travel reservations, at least two (2) weeks in advance of commitments. Therefore, if you cancel services less than two (2) weeks in advance (other than for Force Majeure or breach by us), you will be liable for all (a) non-refundable expenses incurred by us on your behalf, and (b) daily fees associated with cancelled professional services if we are unable to reassign our personnel. We will make all reasonable efforts to reassign personnel in the event you cancel within two (2) weeks of scheduled commitments.
5. **Services Warranty.** We will perform the services in a professional, workmanlike manner, in accordance with industry standards. In the event we provide services that do not conform to this warranty, we will re-perform such services at no additional cost to you.
6. **Site Access and Requirements.** At no cost to us, you agree to provide us with full and free access to your personnel, facilities, and equipment as may be reasonably necessary for us to provide implementation services, subject to any reasonable security protocols or other written policies provided to us as of the Effective Date, and thereafter as mutually agreed to by you and us. You further agree to provide a reasonably suitable environment, location, and space for the installation of the Tyler Software and any Third Party Products, including, without limitation, sufficient electrical circuits, cables, and other reasonably necessary items required for the installation and operation of the Tyler Software and any Third Party Products.
7. **Client Assistance.** You acknowledge that the implementation of the Tyler Software is a cooperative process requiring the time and resources of your personnel. You agree to use all reasonable efforts to cooperate with and assist us as may be reasonably required to meet the agreed upon project deadlines and other milestones for implementation. This cooperation includes at least working with us to schedule the implementation-related services outlined in this Agreement. We will not be liable for failure to meet any deadlines and milestones when such failure is due to Force Majeure or to the failure by your personnel to provide such cooperation and assistance (either through action or omission).
8. **Background Checks.** For at least the past twelve (12) years, all of our employees have undergone criminal background checks prior to hire. All employees sign our confidentiality agreement and security policies.

SECTION D – MAINTENANCE AND SUPPORT

If you have purchased ongoing maintenance and support services, and continue to make timely payments for them according to our Invoicing and Payment Policy, we will provide you with

maintenance and support services for the Tyler Software under the terms of our standard Maintenance and Support Agreement.

If you have opted not to purchase ongoing maintenance and support services for the Tyler Software, the Maintenance and Support Agreement does not apply to you. Instead, you will only receive ongoing maintenance and support on the Tyler Software on a time and materials basis. In addition, you will:

- (i) receive the lowest priority under our Support Call Process;
- (ii) be required to purchase new releases of the Tyler Software, including fixes, enhancements and patches;
- (iii) be charged our then-current rates for support services, or such other rates that we may consider necessary to account for your lack of ongoing training on the Tyler Software;
- (iv) be charged for a minimum of two (2) hours of support services for every support call; and
- (v) not be granted access to the support website for the Tyler Software or the Tyler Community Forum.

SECTION E – THIRD PARTY PRODUCTS

To the extent there are any Third Party Products set forth in the Investment Summary, the following terms and conditions will apply:

1. Third Party Hardware. We will sell, deliver, and install onsite the Third Party Hardware, if you have purchased any, for the price set forth in the Investment Summary. Those amounts are payable in accordance with our Invoicing and Payment Policy.
2. Third Party Software. Upon payment in full of the Third Party Software license fees, you will receive a non-transferable license to use the Third Party Software and related documentation for your internal business purposes only. Your license rights to the Third Party Software will be governed by the Third Party Terms.
 - 2.1 We will install onsite the Third Party Software. The installation cost is included in the installation fee in the Investment Summary.
 - 2.2 If the Developer charges a fee for future updates, releases, or other enhancements to the Third Party Software, you will be required to pay such additional future fee.
 - 2.3 The right to transfer the Third Party Software to a replacement hardware system is governed by the Developer. You will give us advance written notice of any such transfer and will pay us for any required or requested technical assistance from us associated with such transfer.
3. Third Party Products Warranties.
 - 3.1 We are authorized by each Developer to grant or transfer the licenses to the Third Party Software.
 - 3.2 The Third Party Hardware will be new and unused, and upon payment in full, you will receive

free and clear title to the Third Party Hardware.

3.3 You acknowledge that we are not the manufacturer of the Third Party Products. We do not warrant or guarantee the performance of the Third Party Products. However, we grant and pass through to you any warranty that we may receive from the Developer or supplier of the Third Party Products.

4. Third Party Services. If you have purchased Third Party Services, those services will be provided independent of Tyler by such third-party at the rates set forth in the Investment Summary and in accordance with our Invoicing and Payment Policy.
5. Maintenance. If you have a Maintenance and Support Agreement in effect, you may report defects and other issues related to the Third Party Software directly to us, and we will (a) directly address the defect or issue, to the extent it relates to our interface with the Third Party Software; and/or (b) facilitate resolution with the Developer, unless that Developer requires that you have a separate, direct maintenance agreement in effect with that Developer. In all events, if you do not have a Maintenance and Support Agreement in effect with us, you will be responsible for resolving defects and other issues related to the Third Party Software directly with the Developer.

SECTION F – INVOICING AND PAYMENT; INVOICE DISPUTES

1. Invoicing and Payment. We will invoice you for all fees set forth in the Investment Summary per our Invoicing and Payment Policy, subject to Section F(2).
2. Invoice Disputes. If you believe any delivered software or service does not conform to the warranties in this Agreement, you will provide us with written notice within forty-five (45) days of your receipt of the applicable invoice. The written notice must contain reasonable detail of the issues you contend are in dispute so that we can confirm the issue and respond to your notice with either a justification of the invoice, an adjustment to the invoice, or a proposal addressing the issues presented in your notice. We will work with you as may be necessary to develop an action plan that outlines reasonable steps to be taken by each of us to resolve any issues presented in your notice. You may withhold payment of the amount(s) actually in dispute, and only those amounts, until we complete the action items outlined in the plan. If we are unable to complete the action items outlined in the action plan because of your failure to complete the items agreed to be done by you, then you will remit full payment of the invoice. We reserve the right to suspend delivery of all services, including maintenance and support services, if you fail to pay an invoice not disputed as described above within fifteen (15) days of notice of our intent to do so.

SECTION G – TERM AND TERMINATION

1. Term. This Agreement, including all exhibits, shall commence on the Effective Date and shall continue in perpetuity unless and until terminated in accordance with Section (G)2 of this Agreement. The term of the Maintenance and Support Agreement is set forth in Exhibit C Section 1.
2. Termination. This Agreement may be terminated as set forth below. In the event of termination, you will pay us for all undisputed fees and expenses related to the software, products, and/or services you have received, or we have incurred or delivered, prior to the effective date of termination. Disputed fees and expenses in all terminations other than your termination for cause

must have been submitted as invoice disputes in accordance with Section F(2).

- 2.1 For Convenience. You may terminate this Agreement for convenience with ninety (90) days prior written notice to Tyler. You shall be entitled to a refund of prepaid annual maintenance and support fees, prorated from the date of termination through the end of the then-current term.
- 2.2 For Cause. If you believe we have materially breached this Agreement, you will invoke the Dispute Resolution clause set forth in Section I(3). You may terminate this Agreement for cause in the event we do not cure, or create a mutually agreeable action plan to address, a material breach of this Agreement within the thirty (30) day window set forth in Section I(3).
- 2.3 Force Majeure. Either party has the right to terminate this Agreement if a Force Majeure event suspends performance of this Agreement for a period of forty-five (45) days or more.
- 2.4 Lack of Appropriations. If you should not appropriate or otherwise receive funds sufficient to purchase, lease, operate, or maintain the software or services set forth in this Agreement, you may unilaterally terminate this Agreement upon thirty (30) days written notice to us. You will not be entitled to a refund or offset of previously paid license and other fees.

SECTION H – INDEMNIFICATION, LIMITATION OF LIABILITY AND INSURANCE

1. Intellectual Property Infringement Indemnification.

- 1.1 We will defend you against any third party claim(s) that the Tyler Software or Documentation infringes that third party's patent, copyright, or trademark, or misappropriates its trade secrets, and will pay the amount of any resulting adverse final judgment (or settlement to which we consent). You must notify us promptly in writing of the claim and give us sole control over its defense or settlement. You agree to provide us with reasonable assistance, cooperation, and information in defending the claim at our expense.
- 1.2 Our obligations under this Section H(1) will not apply to the extent the claim or adverse final judgment is based on your: (a) use of a previous version of the Tyler Software and the claim would have been avoided had you installed and used the current version of the Tyler Software, and we provided notice of that requirement to you; (b) combining the Tyler Software with any product or device not provided, contemplated, or approved by us; (c) altering or modifying the Tyler Software, including any modification by third parties at your direction or otherwise permitted by you; (d) use of the Tyler Software in contradiction of this Agreement, including with non-licensed third parties; or (e) willful infringement, including use of the Tyler Software after we notify you to discontinue use due to such a claim.
- 1.3 If we receive information concerning an infringement or misappropriation claim related to the Tyler Software, we may, at our expense and without obligation to do so, either: (a) procure for you the right to continue its use; (b) modify it to make it non-infringing; or (c) replace it with a functional equivalent, in which case you will stop running the allegedly infringing Tyler Software immediately. Alternatively, we may decide to litigate the claim to judgment, in which case you may continue to use the Tyler Software consistent with the terms of this Agreement.

1.4 If an infringement or misappropriation claim is fully litigated and your use of the Tyler Software is enjoined by a court of competent jurisdiction, in addition to paying any adverse final judgment (or settlement to which we consent), we will, at our option, either: (a) procure the right to continue its use; (b) modify it to make it non-infringing; (c) replace it with a functional equivalent; or (d) terminate your license. We will pursue those options in the order listed herein. This section provides your exclusive remedy for third party copyright, patent, or trademark infringement and trade secret misappropriation claims.

2. General Indemnification.

2.1 We will indemnify and hold harmless you and your agents, officials, and employees from and against any and all third-party claims, losses, liabilities, damages, costs, and expenses (including reasonable attorney's fees and costs) for (a) personal injury or property damage to the extent caused by our negligence or willful misconduct; or (b) our violation of PCI DSS requirements or a law applicable to our performance under this Agreement. You must notify us promptly in writing of the claim and give us sole control over its defense or settlement. You agree to provide us with reasonable assistance, cooperation, and information in defending the claim at our expense.

2.2 To the extent permitted by applicable law, you will indemnify and hold harmless us and our agents, officials, and employees from and against any and all third-party claims, losses, liabilities, damages, costs, and expenses (including reasonable attorney's fees and costs) for personal injury or property damage to the extent caused by your negligence or willful misconduct; or (b) your violation of a law applicable to your performance under this Agreement. We will notify you promptly in writing of the claim and will give you sole control over its defense or settlement. We agree to provide you with reasonable assistance, cooperation, and information in defending the claim at your expense.

3. **DISCLAIMER. EXCEPT FOR THE EXPRESS WARRANTIES PROVIDED IN THIS AGREEMENT AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, WE HEREBY DISCLAIM ALL OTHER WARRANTIES AND CONDITIONS, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES, DUTIES, OR CONDITIONS OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**

4. **LIMITATION OF LIABILITY. EXCEPT AS OTHERWISE EXPRESSLY SET FORTH IN THIS AGREEMENT, OUR LIABILITY FOR DAMAGES ARISING OUT OF THIS AGREEMENT, WHETHER BASED ON A THEORY OF CONTRACT OR TORT, INCLUDING NEGLIGENCE AND STRICT LIABILITY, SHALL BE LIMITED TO YOUR ACTUAL DIRECT DAMAGES, NOT TO EXCEED THE THEN-CURRENT ANNUAL MAINTENANCE AND SUPPORT FEE. THE PARTIES ACKNOWLEDGE AND AGREE THAT THE PRICES SET FORTH IN THIS AGREEMENT ARE SET IN RELIANCE UPON THIS LIMITATION OF LIABILITY AND TO THE MAXIMUM EXTENT ALLOWED UNDER APPLICABLE LAW, THE EXCLUSION OF CERTAIN DAMAGES, AND EACH SHALL APPLY REGARDLESS OF THE FAILURE OF AN ESSENTIAL PURPOSE OF ANY REMEDY. THE FOREGOING LIMITATION OF LIABILITY SHALL NOT APPLY TO CLAIMS THAT ARE SUBJECT TO SECTIONS H(1) AND H(2).**

5. **EXCLUSION OF CERTAIN DAMAGES. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL WE BE LIABLE FOR ANY SPECIAL, INCIDENTAL, PUNITIVE, INDIRECT, OR CONSEQUENTIAL DAMAGES WHATSOEVER, EVEN IF WE HAVE BEEN ADVISED OF THE POSSIBILITY**

OF SUCH DAMAGES.

6. Insurance. During the course of performing services under this Agreement, we agree to maintain the following levels of insurance: (a) Commercial General Liability of at least \$1,000,000; (b) Automobile Liability of at least \$1,000,000; (c) Professional Liability of at least \$1,000,000; (d) Workers Compensation complying with applicable statutory requirements; and (e) Excess/Umbrella Liability of at least \$5,000,000. We will add you as an additional insured to our Commercial General Liability and Automobile Liability policies, which will automatically add you as an additional insured to our Excess/Umbrella Liability policy as well. We will provide you with copies of certificates of insurance upon your written request.

SECTION I – GENERAL TERMS AND CONDITIONS

1. Additional Products and Services. You may purchase additional products and services at our then-current list price, also by executing a mutually agreed addendum. The terms of this Agreement will control any such additional purchase(s), unless otherwise specifically provided in the addendum.
2. Dispute Resolution. You agree to provide us with written notice within thirty (30) days of becoming aware of a dispute. You agree to cooperate with us in trying to reasonably resolve all disputes, including, if requested by either party, appointing a senior representative to meet and engage in good faith negotiations with our appointed senior representative. Senior representatives will convene within thirty (30) days of the written dispute notice, unless otherwise agreed. To the extent allowed under applicable law, all Tyler proprietary information contained in meetings and discussions between senior representatives will be deemed confidential settlement discussions not subject to disclosure under Federal Rule of Evidence 408 or any similar applicable state rule. If we fail to resolve the dispute, then the parties shall participate in non-binding mediation in an effort to resolve the dispute. If the dispute remains unresolved after mediation, then either of us may assert our respective rights and remedies in a court of competent jurisdiction. Nothing in this section shall prevent you or us from seeking necessary injunctive relief.
3. Taxes. Unless otherwise expressly indicated therein, the fees in the Investment Summary do not include any taxes, including, without limitation, sales, use, or excise tax. If you are a tax-exempt entity, you agree to provide us with a tax-exempt certificate. Otherwise, we will pay all applicable taxes to the proper authorities and you will reimburse us for such taxes. If you have a valid direct-pay permit, you agree to provide us with a copy. For clarity, we are responsible for paying our income taxes, both federal and state, as applicable, arising from our performance of this Agreement.
4. Nondiscrimination. We will not discriminate against any person employed or applying for employment concerning the performance of our responsibilities under this Agreement. This discrimination prohibition will apply to all matters of initial employment, tenure, and terms of employment, or otherwise with respect to any matter directly or indirectly relating to employment concerning race, color, religion, national origin, age, sex, sexual orientation, ancestry, disability that is unrelated to the individual's ability to perform the duties of a particular job or position, height, weight, marital status, or political affiliation. We will post, where appropriate, all notices related to nondiscrimination as may be required by applicable law.
5. E-Verify. We have complied, and will comply, with the E-Verify procedures administered by the U.S. Citizenship and Immigration Services Verification Division for all of our employees assigned to your

project.

6. Subcontractors. We will not subcontract any services under this Agreement without your prior written consent, not to be unreasonably withheld.
7. Binding Effect; No Assignment. This Agreement shall be binding on, and shall be for the benefit of, either your or our successor(s) or permitted assign(s). Neither party may assign this Agreement without the prior written consent of the other party; provided, however, your consent is not required for an assignment by us as a result of a corporate reorganization, merger, acquisition, or purchase of substantially all of our assets.
8. Force Majeure. Except for your payment obligations, neither party will be liable for delays in performing its obligations under this Agreement to the extent that the delay is caused by Force Majeure; provided, however, that within ten (10) business days of the Force Majeure event, the party whose performance is delayed provides the other party with written notice explaining the cause and extent thereof, as well as a request for a reasonable time extension equal to the estimated duration of the Force Majeure event.
9. No Intended Third Party Beneficiaries. This Agreement is entered into solely for the benefit of you and us. No third party will be deemed a beneficiary of this Agreement, and no third party will have the right to make any claim or assert any right under this Agreement. This provision does not affect the rights of third parties under any Third Party Terms.
10. Entire Agreement; Amendment. This Agreement represents the entire agreement between you and us with respect to the subject matter hereof, and supersedes any prior agreements, understandings, and representations, whether written, oral, expressed, implied, or statutory. Purchase orders submitted by you, if any, are for your internal administrative purposes only, and the terms and conditions contained in those purchase orders will have no force or effect. This Agreement may only be modified by a written amendment signed by an authorized representative of each party.
11. Severability. If any term or provision of this Agreement is held invalid or unenforceable, the remainder of this Agreement will be considered valid and enforceable to the fullest extent permitted by law.
12. No Waiver. In the event that the terms and conditions of this Agreement are not strictly enforced by either party, such non-enforcement will not act as or be deemed to act as a waiver or modification of this Agreement, nor will such non-enforcement prevent such party from enforcing each and every term of this Agreement thereafter.
13. Independent Contractor. We are an independent contractor for all purposes under this Agreement.
14. Notices. All notices or communications required or permitted as a part of this Agreement, such as notice of an alleged material breach for a termination for cause or a dispute that must be submitted to dispute resolution, must be in writing and will be deemed delivered upon the earlier of the following: (a) actual receipt by the receiving party; (b) upon receipt by sender of a certified mail, return receipt signed by an employee or agent of the receiving party; (c) upon receipt by sender of proof of email delivery; or (d) if not actually received, five (5) days after deposit with the United States Postal Service authorized mail center with proper postage (certified mail, return receipt

requested) affixed and addressed to the other party at the address set forth on the signature page hereto or such other address as the party may have designated by proper notice. The consequences for the failure to receive a notice due to improper notification by the intended receiving party of a change in address will be borne by the intended receiving party.

15. Client Lists. You agree that we may identify you by name in client lists, marketing presentations, and promotional materials.
16. Confidentiality. Both parties recognize that their respective employees and agents, in the course of performance of this Agreement, may be exposed to confidential information and that disclosure of such information could violate rights to private individuals and entities, including the parties. Confidential information is nonpublic information that a reasonable person would believe to be confidential and includes, without limitation, personal identifying information (e.g., social security numbers) and trade secrets, each as defined by applicable state law. Each party agrees that it will not disclose any confidential information of the other party and further agrees to take all reasonable and appropriate action to prevent such disclosure by its employees or agents. The confidentiality covenants contained herein will survive the termination or cancellation of this Agreement. This obligation of confidentiality will not apply to information that:
 - (a) is in the public domain, either at the time of disclosure or afterwards, except by breach of this Agreement by a party or its employees or agents;
 - (b) a party can establish by reasonable proof was in that party's possession at the time of initial disclosure;
 - (c) a party receives from a third party who has a right to disclose it to the receiving party; or
 - (d) is the subject of a legitimate disclosure request under the open records laws or similar applicable public disclosure laws governing this Agreement; provided, however, that in the event you receive an open records or other similar applicable request, you will give us written notice prior to disclosing any records pursuant to the request and otherwise perform the functions required by applicable law.
 - (e) is posted on Client's website as part of its contract approval process, provided however, Client may not post the Tyler Software, Third Party Products or Documentation on its website.
17. Governing Law. This Agreement will be governed by and construed in accordance with the laws of your state of domicile, without regard to its rules on conflicts of law.
18. Multiple Originals and Authorized Signatures. This Agreement may be executed in multiple originals, any of which will be independently treated as an original document. Any electronic, faxed, scanned, photocopied, or similarly reproduced signature on this Agreement or any amendment hereto will be deemed an original signature and will be fully enforceable as if an original signature. Exhibit B
Schedule 1
Business Travel Policy

1. Air Travel

A. Reservations & Tickets

The Travel Management Company (TMC) used by Tyler will provide an employee with a direct flight within two hours before or after the requested departure time, assuming that flight does not add more than three hours to the employee's total trip duration and the fare is within \$100 (each way) of the lowest logical fare. If a net savings of \$200 or more (each way) is possible through a connecting flight that is within two hours before or after the requested departure time and that does not add more than three hours to the employee's total trip duration, the connecting flight should be accepted.

Employees are encouraged to make advanced reservations to take full advantage of discount opportunities. Employees should use all reasonable efforts to make travel arrangements at least two (2) weeks in advance of commitments. A seven (7) day advance booking requirement is mandatory. When booking less than seven (7) days in advance, management approval will be required.

Except in the case of international travel where a segment of continuous air travel is six (6) or more consecutive hours in length, only economy or coach class seating is reimbursable. Employees shall not be reimbursed for "Basic Economy Fares" because these fares are non-refundable and have many restrictions that outweigh the cost-savings.

B. Baggage Fees

Reimbursement of personal baggage charges are based on trip duration as follows:

- Up to five (5) days = one (1) checked bag
- Six (6) or more days = two (2) checked bags

Baggage fees for sports equipment are not reimbursable.

2. Ground Transportation

A. Private Automobile

Mileage Allowance – Business use of an employee's private automobile will be reimbursed at the current IRS allowable rate, plus out of pocket costs for tolls and parking. Mileage will be calculated by using the employee's office as the starting and ending point, in compliance with IRS regulations. Employees who have been designated a home office should calculate miles from their home.

B. Rental Car

Employees are authorized to rent cars only in conjunction with air travel when cost, convenience, and the specific situation reasonably require their use. When renting a car for Tyler business, employees should select a "mid-size" or "intermediate" car. "Full" size cars may be rented when three or more employees are traveling together. Tyler carries leased vehicle coverage for business car rentals; except for employees traveling to Alaska and internationally (excluding Canada), additional insurance on the rental agreement should be declined.

C. Public Transportation

Taxi or airport limousine services may be considered when traveling in and around cities or to and from airports when less expensive means of transportation are unavailable or impractical. The actual fare plus a reasonable tip (15-18%) are reimbursable. In the case of a free hotel shuttle to the airport, tips are included in the per diem rates and will not be reimbursed separately.

D. Parking & Tolls

When parking at the airport, employees must use longer term parking areas that are measured in days as opposed to hours. Park and fly options located near some airports may also be used. For extended trips that would result in excessive parking charges, public transportation to/from the airport should be considered. Tolls will be reimbursed when receipts are presented.

3. Lodging

Tyler's TMC will select hotel chains that are well established, reasonable in price, and conveniently located in relation to the traveler's work assignment. Typical hotel chains include Courtyard, Fairfield Inn, Hampton Inn, and Holiday Inn Express. If the employee has a discount rate with a local hotel, the hotel reservation should note that discount and the employee should confirm the lower rate with the hotel upon arrival. Employee memberships in travel clubs such as AAA should be noted in their travel profiles so that the employee can take advantage of any lower club rates.

"No shows" or cancellation fees are not reimbursable if the employee does not comply with the hotel's cancellation policy.

Tips for maids and other hotel staff are included in the per diem rate and are not reimbursed separately.

Employees are not authorized to reserve non-traditional short-term lodging, such as Airbnb, VRBO, and HomeAway. Employees who elect to make such reservations shall not be reimbursed.

4. Meals and Incidental Expenses

Employee meals and incidental expenses while on travel status within the continental U.S. are in accordance with the federal per diem rates published by the General Services Administration. Incidental expenses include tips to maids, hotel staff, and shuttle drivers and other minor travel expenses. Per diem rates are available at www.gsa.gov/perdiem.

Per diem for Alaska, Hawaii, U.S. protectorates and international destinations are provided separately by the Department of State and will be determined as required.

A. Overnight Travel

For each full day of travel, all three meals are reimbursable. Per diems on the first and last day of a trip are governed as set forth below.

Departure Day

Depart before 12:00 noon	Lunch and dinner
Depart after 12:00 noon	Dinner

Return Day

Return before 12:00 noon	Breakfast
Return between 12:00 noon & 7:00 p.m.	Breakfast and lunch
Return after 7:00 p.m.*	Breakfast, lunch and dinner

*7:00 p.m. is defined as direct travel time and does not include time taken to stop for dinner.

The reimbursement rates for individual meals are calculated as a percentage of the full day per diem as follows:

Breakfast	15%
Lunch	25%
Dinner	60%

B. Same Day Travel

Employees traveling at least 100 miles to a site and returning in the same day are eligible to claim lunch on an expense report. Employees on same day travel status are eligible to claim dinner in the event they return home after 7:00 p.m.*

*7:00 p.m. is defined as direct travel time and does not include time taken to stop for dinner.

5. Internet Access – Hotels and Airports

Employees who travel may need to access their e-mail at night. Many hotels provide free high speed internet access and Tyler employees are encouraged to use such hotels whenever possible. If an employee's hotel charges for internet access it is reimbursable up to \$10.00 per day. Charges for internet access at airports are not reimbursable.

6. International Travel

All international flights with the exception of flights between the U.S. and Canada should be reserved through TMC using the "lowest practical coach fare" with the exception of flights that are six (6) or more consecutive hours in length. In such event, the next available seating class above coach shall be reimbursed.

When required to travel internationally for business, employees shall be reimbursed for photo fees, application fees, and execution fees when obtaining a new passport book, but fees related to passport renewals are not reimbursable. Visa application and legal fees, entry taxes and departure taxes are reimbursable.

The cost of vaccinations that are either required for travel to specific countries or suggested by the U.S. Department of Health & Human Services for travel to specific countries, is reimbursable.

Section 4, Meals & Incidental Expenses, and Section 2.b., Rental Car, shall apply to this section.

Exhibit C

Maintenance and Support Agreement

We will provide you with the following maintenance and support services for the Tyler Software. Capitalized terms not otherwise defined will have the meaning assigned to such terms in the Agreement.

1. Term. We provide maintenance and support services on an annual basis. The initial term commences on July 1, 2020 or November 20, 2020, as set forth in the Investment Summary, and remains in effect for one (1) year. The term will renew automatically for up to four (4) additional one (1) year terms unless terminated in writing by either party at least thirty (30) days prior to the end of the then-current term. We agree to limit increases to the annual maintenance and support fees to 5% per year for the first three (3) renewals of the maintenance and support term.
2. Maintenance and Support Fees. Your maintenance and support fees for the Tyler Software are listed in the Investment Summary, and your payment obligations are set forth in the Invoicing and Payment Policy. We reserve the right to suspend maintenance and support services if you fail to pay undisputed maintenance and support fees within thirty (30) days of our written notice. We will reinstate maintenance and support services only if you pay all past due maintenance and support fees, including all fees for the periods during which services were suspended.
3. Maintenance and Support Services. As long as you are not using the Help Desk as a substitute for our training services on the Tyler Software, and you timely pay your maintenance and support fees, we will, consistent with our then-current Support Call Process:
 - 3.1 perform our maintenance and support obligations in a professional, good, and workmanlike manner, consistent with industry standards, to resolve Defects in the Tyler Software (subject to any applicable release life cycle policy); provided, however, that if you modify the Tyler Software without our consent, our obligation to provide maintenance and support services on and warrant the Tyler Software will be void;
 - 3.2 provide support during our established support hours;
 - 3.3 maintain personnel that are sufficiently trained to be familiar with the Tyler Software and Third Party Software, if any, in order to provide maintenance and support services;
 - 3.4 provide you with a copy of all releases to the Tyler Software (including updates and enhancements) that we make generally available without additional charge to customers who have a maintenance and support agreement in effect; and
 - 3.5 provide non-Defect resolution support of prior releases of the Tyler Software in accordance with any applicable release life cycle policy.
4. Client Responsibilities. We will use all reasonable efforts to perform any maintenance and support

services remotely. Currently, we use a third-party secure unattended connectivity tool called Bomgar, as well as GotoAssist by Citrix. Therefore, you agree to maintain a high-speed internet connection capable of connecting us to your PCs and server(s). You agree to provide us with a login account and local administrative privileges as we may reasonably require to perform remote services. We will, at our option, use the secure connection to assist with proper diagnosis and resolution, subject to any reasonably applicable security protocols. If we cannot resolve a support issue remotely, we may be required to provide onsite services. In such event, we will be responsible for our travel expenses, unless it is determined that the reason onsite support was required was a reason outside our control. Either way, you agree to provide us with full and free access to the Tyler Software, working space, adequate facilities within a reasonable distance from the equipment, and use of machines, attachments, features, or other equipment reasonably necessary for us to provide the maintenance and support services, all at no charge to us. We strongly recommend that you also maintain a VPN for backup connectivity purposes.

5. Hardware and Other Systems. If you are a self-hosted customer and, in the process of diagnosing a software support issue, it is discovered that one of your peripheral systems or other software is the cause of the issue, we will notify you so that you may contact the support agency for that peripheral system. We cannot support or maintain Third Party Products except as expressly set forth in the Agreement.

In order for us to provide the highest level of software support, you bear the following responsibility related to hardware and software:

- (a) All infrastructure executing Tyler Software shall be managed by you;
 - (b) You will maintain support contracts for all non-Tyler software associated with Tyler Software (including operating systems and database management systems, but excluding Third-Party Software, if any); and
 - (c) You will perform daily database backups and verify that those backups are successful.
6. Other Excluded Services. Maintenance and support fees do not include fees for the following services: (a) initial installation or implementation of the Tyler Software; (b) onsite maintenance and support (unless Tyler cannot remotely correct a Defect in the Tyler Software, as set forth above); (c) application design; (d) other consulting services; (e) maintenance and support of an operating system or hardware, unless you are a hosted customer; (f) support outside our normal business hours as listed in our then-current Support Call Process; or (g) installation, training services, or third party product costs related to a new release. Requested maintenance and support services such as those outlined in this section will be billed to you on a time and materials basis at our then current rates. You must request those services with at least one (1) weeks' advance notice.
7. Current Support Call Process. Our current Support Call Process for the Tyler Software is attached to this Exhibit C at Schedule 1.

Issue Handling

Incident Tracking

Every support incident is logged into Tyler's Customer Relationship Management System and given a unique incident number. This system tracks the history of each incident. The incident tracking number is used to track and reference open issues when clients contact support. Clients may track incidents, using the incident number, through the portal at Tyler's website or by calling software support directly.

Incident Priority

Each incident is assigned a priority number, which corresponds to the client's needs and deadlines. The client is responsible for reasonably setting the priority of the incident per the chart below. This chart is not intended to address every type of support incident, and certain "characteristics" may or may not apply depending on whether the Tyler software has been deployed on customer infrastructure or the Tyler cloud. The goal is to help guide the client towards clearly understanding and communicating the importance of the issue and to describe generally expected responses and resolutions.

Priority Level	Characteristics of Support Incident	Resolution Targets
1 Critical	Support incident that causes (a) complete application failure or application unavailability; (b) application failure or unavailability in one or more of the client's remote location; or (c) systemic loss of multiple essential system functions.	Tyler shall provide an initial response to Priority Level 1 incidents within one (1) business hour of receipt of the support incident. Tyler shall use commercially reasonable efforts to resolve such support incidents or provide a circumvention procedure within one (1) business day. For non-hosted customers, Tyler's responsibility for lost or corrupted data is limited to assisting the client in restoring its last available database.
2 High	Support incident that causes (a) repeated, consistent failure of essential functionality affecting more than one user or (b) loss or corruption of data.	Tyler shall provide an initial response to Priority Level 2 incidents within four (4) business hours of receipt of the support incident. Tyler shall use commercially reasonable efforts to resolve such support incidents or provide a circumvention procedure within ten (10) business days. For non-hosted customers, Tyler's responsibility for loss or corrupted data is limited to assisting the client in restoring its last available database.
3 Medium	Priority Level 1 incident with an existing circumvention procedure, or a Priority Level 2 incident that affects only one user or for which there is an existing circumvention procedure.	Tyler shall provide an initial response to Priority Level 3 incidents within one (1) business day of receipt of the support incident. Tyler shall use commercially reasonable efforts to resolve such support incidents without the need for a circumvention procedure with the next published maintenance update or service pack. For non-hosted customers, Tyler's responsibility for lost or corrupted data is limited to assisting the client in restoring its last available database.

Priority Level	Characteristics of Support Incident	Resolution Targets
4 Non-critical	Support incident that causes failure of non-essential functionality or a cosmetic or other issue that does not qualify as any other Priority Level.	Tyler shall provide an initial response to Priority Level 4 incidents within two (2) business days. Tyler shall use commercially reasonable efforts to resolve such support incidents, as well as cosmetic issues, with a future version release.

Incident Escalation

Tyler Technology's software support consists of four levels of personnel:

- (1) Level 1: front-line representatives
- (2) Level 2: more senior in their support role, they assist front-line representatives and take on escalated issues
- (3) Level 3: assist in incident escalations and specialized client issues
- (4) Level 4: responsible for the management of support teams for either a single product or a product group

If a client feels they are not receiving the service needed, they may contact the appropriate Software Support Manager. After receiving the incident tracking number, the manager will follow up on the open issue and determine the necessary action to meet the client's needs.

On occasion, the priority or immediacy of a software support incident may change after initiation. Tyler encourages clients to communicate the level of urgency or priority of software support issues so that we can respond appropriately. A software support incident can be escalated by any of the following methods:

- (1) Telephone – for immediate response, call toll-free to either escalate an incident's priority or to escalate an issue through management channels as described above.
- (2) Email – clients can send an email to software support in order to escalate the priority of an issue
- (3) On-line Support Incident Portal – clients can also escalate the priority of an issue by logging into the client incident portal and referencing the appropriate incident tracking number.

Remote Support Tool

Some support calls require further analysis of the client's database, process or setup to diagnose a problem or to assist with a question. Tyler will, at its discretion, use an industry-standard remote support tool. Support is able to quickly connect to the client's desktop and view the site's setup, diagnose problems, or assist with screen navigation. More information about the remote support tool Tyler uses is available upon request.

- 1.1** In this Agreement a "**License Key**" means any license key, activation code, or similar installation, access or usage control codes, including serial numbers digitally created and or provided by Eclipse Corporation ,designed to provide unlocked access to the Software and its functionality.
- 1.2** **Evaluation License.** Subject to all of the terms and conditions of this Agreement, Eclipse Corporation grants You a limited, royalty-free, non-exclusive, non-transferable license to download and install a copy of the Software from www.docorigin.com on a single machine and use it on a royalty-free basis for no more than 120 days from the date of installation (the "**Evaluation Period**"). You may use the Software during the Evaluation Period solely for the purpose of testing and evaluating it to determine if You wish to obtain a commercial, production license for the Software. This evaluation license grant will automatically end on expiry of the Evaluation Period and you acknowledge and agree that Eclipse Corporation will be under no obligation to renew or extend the Evaluation Period. If you wish to continue using the Software You may, on payment of the applicable fees, upgrade to a full license (as further described in section 1.3 below) on the terms of this Agreement and will be issued with a License Key for the same. If you do not wish to continue to license the Software after expiry of the Evaluation Period, then You agree to comply with the termination obligations set out in section [7.3] of this Agreement. For greater certainty, any document generated by you under an evaluation license will have a 'spoiler' or watermark on the output document. Documents generated by DocOrigin software that has a valid license key file also installed will not have the 'spoiler' produced. You are not permitted to remove the watermark or 'spoiler' from documents generated using the software under an evaluation license.
- 1.3** **Development and Testing Licenses.** Development and testing licenses are available for purchase through authorized distributors and resellers of Eclipse Corporation only. Subject to all of the terms and conditions of this Agreement, Eclipse Corporation grants You, a perpetual (subject to termination by Eclipse Corporation due to your breach of the terms of this Agreement), non-exclusive, non-transferable, worldwide

non-sub license able license to download and install a copy of the Software from www.docorigin.com on a single machine and use for development and testing to create collateral deployable to Your production system(s). You are not entitled to use a development and testing license for live production purposes.

- 1.4 Production Licenses.** Production licenses are available for purchase through authorized distributors and resellers of Eclipse Corporation only. Subject to all of the terms and conditions of this Agreement, Eclipse Corporation grants You, a perpetual (subject to termination by Eclipse Corporation due to your breach of the terms of this Agreement), non-exclusive, non-transferable, worldwide non-sub license able license to use the Software in accordance with the license type purchased by you as set out on your purchase order as further described below. For greater certainty, unless otherwise agreed in a purchase order concluded with an approved distributor of the Software, and approved by Eclipse Corporation, the default license to the Software is a per-CPU license as described in A. below:
- A. Per-CPU.** The total number of CPUs on a computer used to operate the Software may not exceed the licensed quantity of CPUs. For purposes of this license metric: (a) CPUs may contain more than one processing core, each group of two (2) processing cores is consider one (1) CPU., and any remaining unpaired processing core, will be deemed a CPU. (b) all CPUs on a computer on which the Software is installed shall be deemed to operate the Software unless You configure that computer (using a reliable and verifiable means of hardware or software partitioning) such that the total number of CPUs that actually operate the Software is less than the total number on that computer. Virtual Machines ("VM's") are considered as a server. Installing and configuring the software on multiple VM's requires one license per VM server. An enterprise license is available upon request. Pricing varies based on the size of the company.
 - B. Per-Document.** This is defined as a fee per document based on the total number of documents generated annually by merging data with a template created by the Software. The combined data and template produce documents of one or more pages. A document may contain 1 or more pages. For instance, a batch of invoices for 250 customers may contain 1,000 pages, this will be counted as 250 documents which should correspond to 250 invoices.
 - C. Per-Surface.** This is defined as a fee per surface based on the total number of surfaces generated annually by merging data with a template created by the Software. The combined data and template produce documents of one or more pages, the pages may be printed one side (one surface) or duplexed (2 surfaces). The documents may be rendered to a computer file (i.e. PDF), each page placed in the file is considered a surface. A document may contain 1 or more surfaces. For instance, a batch of invoices for 250 customers may contain 500 pages duplexed, this will be counted as 1000 surfaces.
- 1.5 Disaster Recovery License.** You may request a Disaster Recovery license of the Software for each production license You have purchased as a failover in the event of loss of use of the production server(s). This license is for disaster recovery purposes only and under no circumstance may the disaster recovery license be used for production simultaneously with a production license with which it is paired.
- 1.6 Backup Copies.** After installation of the Software pursuant to this EULA, you may store a copy of the installation files for the Software solely for backup or archival purposes. Except as expressly provided in this EULA, you may not otherwise make copies of the Software or the printed materials accompanying the Software.
- 1.7 Third-Party Software License Rights.** If a separate license agreement pertaining to an item of third-party software is: delivered to You with the Software, included in the Software download package, or referenced in any material that is provided with the Software, then such separate license agreement shall govern Your use of that item or version of Third-Party Software. Your rights in respect to any third-party software, third-party data, third-party software or other third-party content provided with the Software shall be limited to those rights necessary to operate the Software as permitted by this Agreement. No other rights in the Software or third-party software are granted to You.

2. LICENSE RESTRICTIONS

Any copies of the Software shall include all trademarks, copyright notices, restricted rights legends, proprietary markings and the like exactly as they appear on the copy of the Software originally provided to You. You may not remove or alter any copyright, trademark and/or proprietary notices marked on any part of the Software or related documentation and must reproduce all such notices on all authorized copies of the Software and related documentation. You shall not sublicense, distribute or otherwise make the Software available to any third party (including, without limitation, any contractor, franchisee, agent or dealer) without first obtaining the written agreement of (a) Eclipse Corporation to that use, and (b) such third party to comply with this Agreement. You further agree not to (i) rent, lease, sell, sublicense, assign, or otherwise transfer the Software to anyone else; (ii) directly or indirectly use the Software or any information about the Software in the development of any software that is competitive with the Software, or (iii) use the Software to operate or as a part of a time-sharing service, outsourcing service, service bureau, application service provider or managed service provider offering. You further agree not to reverse engineer, decompile, or disassemble the Software.

3. UPDATES, MAINTENANCE AND SUPPORT

- 3.1 During the validity period of Your License Key, You will be entitled to download the latest version of the Software from the DocOrigin website www.docorigin.com. Use of any updates provided to You shall be governed by the terms and conditions of this Agreement. Eclipse Corporation reserves the right at any time to not release or to discontinue release of any Software and to alter prices, features, specifications, capabilities, functions, licensing terms, release dates, general availability or other characteristics of the Software.
- 3.2 On expiry of your maintenance and support contract, you will have the right to continue using the current version(s) of the Software which you downloaded prior to the date of expiry of your License Key. However, you will need to renew maintenance and support in order to receive a new License Key that will unlock the more current version(s) of the Software. For greater certainty, if you attempt to use an expired License Key to download the latest version of the Software, the Software will revert to being a locked, evaluation copy of that version of the Software.

4. INTELLECTUAL PROPERTY RIGHTS.

This EULA does not grant you any rights in connection with any trademarks or service marks of Eclipse Corporation or DocOrigin. All title and intellectual property rights in and to the Software, the accompanying printed materials, and any copies of the Software are owned by Eclipse Corporation or its suppliers. Other Insurance Provisions

The general liability and automobile liability policies shall contain, or be endorsed to contain, the following provisions:

Additional Insured Endorsement:

General Liability: The City, its officers, elected and appointed officials, employees, and volunteers shall be covered as insureds with respect to liability arising out of work performed by or on behalf of the Newspaper. General liability coverage can be provided in the form of an endorsement to the Newspaper's insurance, or as a separate owner's policy.

Each insurance policy shall be endorsed to state that the inclusion of more than one insured shall not operate to impair the rights of one insured against another insured, and the coverages afforded shall apply as though separate policies had been issued to each insured.

Each insurance policy shall be in effect prior to awarding the contract and each insurance policy or a successor policy shall be in effect for the duration of the project. The maintenance of proper insurance coverage is a material element of the contract and failure to maintain or renew coverage or to provide evidence of renewal may be treated by the City as a material breach of contract on the Newspaper's part.

The endorsements should be on the City authorized forms provided with the contract specifications. Standard ISO forms which shall be subject to City approval and amended to conform to the City's requirements may be acceptable in lieu of City authorized forms. All certificates and endorsements shall be received and approved by the City before the contract is awarded. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements effecting the coverage required by these specifications at any time.

Subcontractor

KRONOS SALES, SOFTWARE LICENSE AND SERVICES AGREEMENT

Rev KR-022811.1

THIS KRONOS SALES, SOFTWARE LICENSE AND SERVICES AGREEMENT (this "Agreement") is made between the City of Redondo Beach, a Chartered Municipal Corporation ("Customer") and Kronos Incorporated, a Massachusetts Corporation doing business as Kronos Data Systems Incorporated ("Kronos" or "Contractor").

The parties hereby agree that the terms and conditions set forth in this Agreement shall apply to all Kronos Equipment, Software, Professional and Educational Services, Support, and such other Kronos offerings selected with the execution of this Agreement or subsequently ordered. The initial products and services ordered are outline in Appendix A and B of this Agreement.

Kronos and Customer hereby agree that the terms and conditions of this Agreement apply to Order Form executed by Kronos and Customer which expressly references this Agreement and the Order Form incorporated to this Agreement as an Appendix. For the purposes of future order, either party may discontinue use of this Agreement for such future orders upon thirty (30) days prior written notice to the other party, provided however that any Order Form prior to the effective date of such notice shall remain in effect unless otherwise specifically terminated in accordance with the terms of this Agreement. Kronos may require additional terms and conditions for the sale or license of products or services not contemplated by this Agreement (including without limitation those that may be related to international services) provided that no such additional terms and conditions shall be binding upon Customer unless a subsequent amendment is executed by both parties. All orders are subject to the approval of Kronos' corporate office in Chelmsford, Massachusetts. This Agreement and the Order Form shall supersede the pre-printed terms of any Customer purchase order or other Customer ordering document, and no such other Customer or Kronos pre-printed terms shall apply to the items ordered. **In no event shall any Order Form be effective unless incorporated within the Agreement or any subsequent amendment executed by Customer and Kronos.**

1. **PAYMENT AND DELIVERY.** Unless otherwise set forth in this Agreement, payment terms are Net 30 days from the receipt of the invoice unless a longer term is indicated on the Order Form or other contemporaneous ordering document containing product-specific payment terms signed by the parties. Delivery terms are as stated on the Order Form ("Delivery"). Kronos will invoice Customer for products upon Delivery. Customer shall pay annual support charges for the initial term in accordance with the payment terms on the Order Form and for any renewal term upon receipt of invoice. Customer agrees to pay all applicable taxes levied or based on the products, services or other charges hereunder, including state and local sales and excise taxes, and any taxes or amount in lieu thereof paid or payable by Kronos, exclusive of taxes based on net income. Provided however, if Customer presents to Kronos a validly issued tax-exempt certificate, or other sufficient evidence of tax exemption, Customer shall not be liable for those taxes for which Customer is exempt.

Customer may not provide service bureau or other data processing services that make use of the Software without the express prior written consent of Kronos.

4. OBJECT CODE ONLY

Customer may use the computer programs included in the Software (the "Programs") in object code form only, and shall not reverse compile, disassemble or otherwise convert the Programs into uncompiled or unassembled code. Upon any such termination, Customer shall return all Equipment and Software (and related documentation) to Kronos, and Kronos shall refund any monies paid by Customer to Kronos for the returned Equipment and Software. Neither party shall then have any further liability to the other for the products that were the subject of the Acceptance Test.

If the Scope of Services defined in this document changes at any time during the course of this project, Kronos and City of Redondo Beach will review and adjust the scope and budget of services through standard Kronos change control procedures.

Please review the Kronos Change Control Policy:

<http://www.kronos.com/professionalservicesengagementpolicies.aspx>

2.2. CUSTOMER APPROVAL OF SERVICE DELIVERABLES

As part of the project, service deliverables may be provided to City of Redondo Beach for approval and/or acceptance. To avoid project delays and increased costs, City of Redondo Beach should expect to approve/accept deliverables or provide written notification of errors to Kronos within five (5) business days after receipt of the deliverable. Following the receipt of a revised deliverable, City of Redondo Beach will then have an additional ten (10) business days to report that all errors have been resolved and provide deliverable acceptance.

2.3. FIXED FEE GUIDELINES

For the services set forth in this Services Scope Statement (and on the corresponding Order Form for such services), Kronos agrees to complete the services described herein for the fixed fee set forth herein, unless additional hours are required to complete such services due to a material change in the scope of the project, City of Redondo Beach's delay in fulfilling its obligations, or as a result of a change in the complexity of the original scope of services based on information unknown at the time the parties entered into this SSS. Any such additional hours shall be agreed upon by the parties pursuant to the Change Order process described in the SSS and the fixed fee amount described herein shall be amended as provided in such Change Order. If Kronos has not invoiced for the entire fixed fee amount as set forth in this SSS (and any Change Orders, if applicable) upon completion of the services, Kronos will invoice City of Redondo Beach for any remaining fees up to the fixed fee amount and City of Redondo Beach shall pay such fees upon the payment terms agreed upon by the parties.

1.1. ENGAGEMENT GUIDELINES

Please review the Kronos engagement guidelines:

<http://www.kronos.com/professionalservicesengagementpolicies.aspx>

1.2. HOSTING GUIDELINES AND ASSUMPTIONS

- Estimated availability of Production server hardware is approximately 45 to 60 days after contract signature.
- Customer must remain current on Software and Terminal maintenance for the volume of licenses and/or terminals included within the scope of this Service
- One (1) VPN connection shall be made available at no charge, should VPN connectivity be required for any reason. Additional VPN connections are available, if requested, and shall incur additional fees. No more than 3 VPN connections to the Kronos Private Cloud are permitted.
- Should VPN connectivity be required, the Customer shall supply their own VPN hardware capable of establishing an IPSEC tunnel to the Hosting site over the open Internet. Kronos will work with customer Network Engineers to bring up the VPN connection. The customer is responsible for the management of the VPN device on their side, their local Internet connection, as well as the configuration of the tunnel. It is the customer's responsibility to report tunnel connectivity issues, should they occur. Customer understands that they must have the resource knowledge to install and support the customer side of a VPN tunnel.
- In cases where Network Address Translation is required for terminals, the customer is responsible for applying the translations on their network.
- Kronos related Internet traffic cannot be filtered by proxy or caching devices on the client network. Exclusions must be added for the fully qualified domain names and public IP addresses assigned to the environments.
- Custom Reports for Workforce Central are created using Microsoft Visual Studio. A basic version of Visual Studio is included with your installation and will be made available to the customer in their Development environment.
- Customer reports for Workforce HR and Payroll are created with Crystal Reports designer. Should customer require that Crystal be installed in their Development environment additional fees shall apply.
- Transparent Data Encryption is not supported.
- Modem clocks not supported.
- Retention policies must be configured in the application(s). Setting retention policies will ensure that unnecessary system data (i.e. temp files, deleted records, empty rows, etc) is routinely purged from the system and will help in managing database growth.

- Pricing set forth in this document includes sizing considerations based on a 3 year growth projection of the Production database environment. After 3 years an archiving strategy may be reviewed with the Customer.
- *Workforce Record Manager* (if included) – Hosting of Workforce Record Manager requires that an archiving server is included in Customer's solution. When Workforce Record Manager is hosted it may only be used for archiving purposes. Setup Data Manager only supports import and export of configuration via XML files between production environment and development environment, a direct connection between environments is not supported. Customer should open a ticket with Kronos Global Support to request migrations when necessary. Customer is allowed one ticket per month at no charge to request migration of changes. Additional requests for configuration and/or interface migrations between customer environments shall incur a time and materials fee.
- *Workforce Analytics* (if included) – Customer environment shall be designed to support up to 20% of the total licensed users concurrently. Additional concurrent users may require additional infrastructure and associated fees to support.
- The Cloud environment(s) will be sized based upon Kronos Best Practices and the scope of the project, as defined in the Professional Services Statement of Work or Services Scope Statement. Frequent execution of resource intensive interfaces and/or specialized use cases may require additional infrastructure to support. Kronos will work with the customer to scope the additional requirements. Should additional infrastructure or services be required, incremental fees shall apply. Incremental infrastructure fees will become effective when such changes are available in Customer's Production environment.
- For security purposes, Customers are restricted from accessing the desktop, file systems, databases and operating system of the hosted servers. Additionally, direct database and ODBC connectivity is not permitted.

1.3. APPLICATION SECURITY IN THE HOSTED ENVIRONMENT

Kronos offers a hosting environment that complements and enhances the ability for Kronos to deliver application services in a secure manner capable of achieving a SSAE 16 SOC 1 and AT101 SOC 2 compliance report. Kronos hosting sites have achieved SSAE 16 SOC 1 and AT101 SOC 2 compliance.

Each customer environment is hosted in a segregated VLAN. Traffic to the VLANs is regulated via redundant, next generation firewalls that limit access to authorized management and customer traffic.

Customer Access

Customers will access the Kronos web application via encrypted SSL sessions in the hosted environment. The application provides the customer with the ability to configure application security and logical access per customer's business process. In the event the Customer identifies an issue related to the security, availability or confidentiality of the data or system, the Customer will notify Kronos by contacting the Cloud Customer Manager.

Customer may require file transfers to populate or extract Kronos application data. This shall be accomplished using SFTP to send or retrieve files from the customer's application server. Kronos utilizes a commercial SFTP solution that runs over SSH and that enforces a Public/Private Key Exchange to authenticate the end point and encrypt the data over the wire. In addition, each customer has a unique named user account and associated password. This provides access to allowed endpoints, end point authentication, user authentication, and a private key to encrypt the data. Customer must provide all keys, if keys will be used. SFTP data access cannot be restricted based on IP address.

Kronos Management Access

Management access to the hosted environment is limited to authorized Kronos support staff and customer authorized integrations. The security architecture has been designed to segregate appropriate logical access to the environment to achieve a SOC 2 compliance standard.

A centralized secure file transfer solution facilitates data transfers between the customer and their hosted environment. This solution provides for an encrypted transmission and logging of all files transferred into or out of a customer environment.

Kronos performs continuous monitoring in the hosted environment to achieve the SSAE 16 SOC 1 and AT101 SOC 2 compliance standards. This includes performance, availability and security monitoring.

2. CLOUD HOSTING PROGRAM

The description of the particular Program ordered by the Customer, the Program term, the Monthly Service Fee rates, and other fees, if any, applicable to the Program are described in the applicable SSS/SOW and the Order Form. Kronos will not change the Monthly Service Fee rates it charges for Customer's existing Program, or the SLA, during the Initial Term. Kronos may change such Monthly Service Fee rates or the associated SLA for a renewal term of the particular Program by notifying Customer at least sixty (60) days prior to the expiration of the then current term. SLAs are only available in a Production Environment. Unless the SSS/SOW indicates that the Program is to be implemented in a Temporary Environment, the Program will be deemed to be implemented in a Production Environment.

3. AUTHORIZED USE

Customer shall take all reasonable steps to ensure that no unauthorized persons have access to the Program, and to ensure that no persons authorized to have such access shall take any action that would be in violation of this Addendum.

4. MAINTENANCE ACCESS

If Kronos, its Suppliers, or the local access provider, as applicable, requires access to Customer sites in order to maintain or repair the Program, Customer shall cooperate in a timely manner and reasonably provide such access and assistance as necessary. As part of Kronos' support services, Kronos will make updates to the Applications available to Customer at no charge as they are released generally to Kronos' customers. Customer agrees to receive those updates automatically as part of the Program. Customer may be required to purchase additional Hosting Related Services to address infrastructure requirements as released by Kronos for a new version of a particular Application.

5. CUSTOMER REPRESENTATIONS AND WARRANTIES; CUSTOMER OBLIGATIONS

5.1 Customer represents and warrants to Kronos that it has the right to publish and disclose Customer's Content in the Program.

5.2 Customer represents and warrants to Kronos that Customer's Content will not: (a) infringe or violate any third-party right, including (but not limited to) intellectual property, privacy, or publicity rights; (b) be abusive, profane, or offensive to a reasonable person; or (c) be hateful or threatening.

5.3 Customer will, at its own cost and expense, provide all end user equipment, operating systems, and software (including a web browser) not provided by Kronos and needed to access and use the Program. Customer will also provide, at its own cost and expense, all connections from its computer systems to the Program, which shall include all related costs

associated with Customer accessing the Program, unless such connectivity services are purchased from Kronos as indicated on the SSS/SOW and Order Form

5.4 Customer shall not, and shall not permit any person or entity under Customer's direct or indirect control to: (a) recirculate, republish, distribute or otherwise provide access to the Program to any third party; (b) use the Program on a service bureau, time sharing or any similar basis, or for the benefit of any other person or entity; (c) alter, enhance or make derivative works of the Program; (d) reverse engineer, reverse assemble or decompile, or otherwise attempt to derive source code from, the Program or any software components of the Program; (e) use, or allow the use of, the Program in contravention of any applicable law, or rules or regulations of regulatory or administrative organizations; (f) introduce into the Program any virus or other code or routine intended to disrupt or damage the Program, alter, damage, delete, retrieve or record information about the Program or its users; or, (g) otherwise act in a fraudulent, malicious or negligent manner when using the Program.

6. CONNECTIVITY AND ACCESS

6.1 Customer acknowledges that Customer shall (a) be responsible for securing, paying for, and maintaining connectivity to the Services (including any and all related hardware, software, third party services and related equipment and components); and (b) provide Kronos and Kronos' representatives with such physical or remote access to Customer's computer and network environment as Kronos deems reasonably necessary in order for Kronos to perform its obligations under the Agreement. Customer will make all necessary arrangements as may be required to provide access to Customer's computer and network environment if necessary for Kronos to perform its obligations under the Agreement. Customer agrees that Kronos may audit Customer's use of the Services.

7. FEES AND PAYMENT TERMS

7.1 In consideration of the delivery of the Program, Customer shall pay Kronos the Monthly Services Fee as defined in the applicable Order Form. The Monthly Services Fee shall begin to accrue on the date the stated on the Order Form, and shall be invoiced monthly in arrears. Notwithstanding the foregoing, the Monthly Services Fee set forth in Appendices A and B, shall begin to accrue 60 days following the date of signature of this Agreement

7.2 All fees payable hereunder shall be paid in United States Dollars and sent to the attention of Kronos as specified on the invoice. Payment terms shall be net 30 days following receipt of invoice.

7.3 SLA Credits, if any, which are due and owing to a Customer under an SLA for a particular month of the Program shall be paid by Kronos in the month following the month in which the SLA Credits were earned.

8. INDEMNIFICATION

8.1 Customer shall defend Kronos, its Suppliers and their respective directors, officers, employees (collectively, the "**Kronos Indemnified Parties**") harmless, from and against any and all notices, charges, claims, proceedings, actions, causes of action and suits, brought by a third party (each a "**Claim**") alleging that: (a) employment-related claims arising out of Customer's configuration of the Program; (b) Customer's modification or combination of the Program with other services, software or equipment not furnished by Kronos, provided that such Customer modification or combination is the cause of such infringement and was not authorized by Kronos; or, (c) a claim that the Customer Content infringes in any manner any intellectual property right of any third party, or any of the Customer Content contains any material or information that is obscene, defamatory, libelous, or slanderous violates any person's right of publicity, privacy or personality, or has otherwise caused or resulted in any tort, injury, damage or harm to any other person. Customer will have sole control of the defense of any such action and all negotiations for its settlement or compromise. Kronos will cooperate fully at Customer's expense with Customer in the defense, settlement or compromise of any such action. Customer will indemnify and hold harmless the Kronos Indemnified Parties against any liabilities, obligations, costs or expenses (including without limitation reasonable attorneys' fees) actually awarded to a third party as a result of such Claims by a court of applicable jurisdiction or as a result of Customer's settlement of such a Claim. Notwithstanding the foregoing, the Customer shall not be liable in the event any claim arises from Kronos' negligence or willful misconduct.

8.2 The Kronos Indemnified Party(ies) shall provide written notice to the indemnifying party promptly after receiving notice

of such Claim. If the defense of such Claim is materially prejudiced by a delay in providing such notice, the purported indemnifying party shall be relieved from providing such indemnity to the extent of the delay's impact on the defense. The indemnifying party shall have sole control of the defense of any indemnified Claim and all negotiations for its settlement or compromise, provided that such indemnifying party shall not enter into any settlement which imposes any obligations or restrictions on the applicable Indemnified Parties without the prior written consent of the other party. The Indemnified Parties shall cooperate fully, at the indemnifying party's request and expense, with the indemnifying party in the defense, settlement or compromise of any such action. The indemnified party may retain its own counsel at its own expense, subject to the indemnifying party's rights above.

9. SERVICE LEVEL AGREEMENT

CUSTOMER'S SOLE AND EXCLUSIVE REMEDY IN THE EVENT OF ANY SERVICE OUTAGE, INTERRUPTION OR DEFICIENCY OF SERVICE(S) OR FAILURE BY KRONOS TO MEET THE TERMS OF AN APPLICABLE SLA, SHALL BE THE REMEDIES PROVIDED IN THE SLA; PROVIDED THAT ANY REMEDIES OR CREDITS CONTAINED IN THE SLA ARE NOT AVAILABLE FOR OUTAGES, INTERRUPTIONS OR DEFICIENCIES OCCURRING DURING ANY PERIOD IN WHICH CUSTOMER IS IN BREACH OF THIS ADDENDUM OR THE AGREEMENT. KRONOS DISCLAIMS ANY AND ALL OTHER LIABILITIES OR REMEDIES FOR SUCH OUTAGES, INTERRUPTIONS OR DEFICIENCIES OF SERVICES.

10. LIMITATION OF LIABILITY

IN ADDITION TO THE LIMITATIONS SET FORTH IN THE AGREEMENT, EXCEPT WITH RESPECT TO LIABILITY ARISING FROM KRONOS' GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, KRONOS DISCLAIMS ANY AND ALL LIABILITY AND SERVICE CREDITS, INCLUDING SUCH LIABILITY RELATED TO A BREACH OF SECURITY OR DISCLOSURE, RESULTING FROM ANY EXTERNALLY INTRODUCED HARMFUL PROGRAM (INCLUDING VIRUSES, TROJAN HORSES, AND WORMS), CUSTOMER'S CONTENT OR APPLICATIONS, THIRD PARTY UNAUTHORIZED ACCESS OF EQUIPMENT OR SOFTWARE OR SYSTEMS, OR MACHINE ERROR.

11. DATA SECURITY

11.1 As part of the Program, Kronos shall provide those administrative, physical, and technical safeguards for protection of the security, confidentiality and integrity of Customer data as described at: <http://www.kronos.com/products/smb-solutions/workforce-central-saas/security-description.aspx>

Customer acknowledges that such safeguards endeavor to mitigate security incidents, but such incidents may not be mitigated entirely or rendered harmless. Customer should consider any particular Kronos supplied security-related safeguard as just one tool to be used as part of Customer's overall security strategy and not a guarantee of security. Both parties agree to comply with all applicable privacy or data protection statutes, rules, or regulations governing the respective activities of the parties under the Agreement.

11.2 As between Customer and Kronos, all Personally Identifiable Data is Customer's Confidential Information and will remain the property of Customer. Customer represents that to the best of Customer's knowledge such Personally Identifiable Data supplied to Kronos is accurate. Customer hereby consents to the use, processing of Personally Identifiable Data by Kronos and Kronos' Suppliers wherever located only for the purposes described herein and only to the extent such use or processing is necessary for Kronos to carry out Kronos' duties and responsibilities under the Agreement or as required by law.

11.3 Prior to initiation of the Program and on an ongoing basis thereafter, Customer agrees to provide notice to Kronos of any extraordinary privacy or data protection statutes, rules, or regulations which are or become applicable to Customer's industry and which could be imposed on Kronos as a result of provision of the Program. Customer will ensure that: (a) the transfer to Kronos and storage of any Personally Identifiable Data by Kronos or Kronos' Supplier's data center is permitted under applicable data protection laws and regulations; and, (b) Customer will obtain consents from individuals for such transfer and storage to the extent required under applicable laws and regulations.

12. TERM AND TERMINATION

12.1 At the expiration of the Initial Term, the applicable Program shall renew for additional subsequent or additional terms on the anniversary date of its commencement date ("Renewal Date") by mutual written agreement of the parties or automatically month to month unless Customer terminate the Agreement for convenience. Kronos may suspend or terminate the Program upon notice in the event of any breach by Customer of this Addendum if such breach is not cured

within ten (10) days of the date of Kronos' written notice. No Program interruption shall be deemed to have occurred during, and no Program credits shall be owed for, any authorized suspension of the Program.

12.2 Customer may terminate the Program by written notice at any time during the term of the Addendum if Kronos materially breaches any provision of this Addendum, and such default is not cured within thirty (30) days after receipt of written notice from Customer. In the event of such termination by Customer, Customer shall pay Kronos within thirty (60) days all fees then due and owing for the Program prior to the date of termination.

12.3 Customer may terminate the Program for convenience on no less than ninety (90) days prior written notice to Kronos.

12.4 In the event of termination of the Program by Customer for convenience or by Kronos for cause during the Initial Term, Customer will pay to Kronos any out of pocket expenses incurred by Kronos in terminating the Program plus an early termination fee based on the following calculation: one (1) month of the then-current Monthly Services Fees for every twelve (12) month period (or portion thereof) remaining in the Initial Term. By way of example only, if Customer terminates the Program for convenience with fifteen (15) months remaining in the Initial Term, Customer will be responsible to pay Kronos two (2) months of the then-current Monthly Services Fees. Notwithstanding the foregoing, Kronos agrees that during the Initial Term, in the event of a termination 90 days after the Monthly Services Fees billing commencement, the Customer shall not be responsible for an early termination fee.

12.5 At no cost to Customer, Kronos shall upon (i) request by Customer at any time and (ii) the cessation of the Program, promptly return to Customer, in the format and on the media in use as of the date of the request, Customer's Content.

EXHIBIT A
SERVICE LEVEL AGREEMENT (SLA)

Service Level Agreement: The Services, in a production environment and as described in the Statement of Work, are provided with the service levels described herein. SLAs are only applicable to production environments. SLAs will be available upon Customer's signature of Kronos' Go Live Acceptance Form for Customer's production environment.

99.75% Application Availability

Actual Application Availability % = (Monthly Minutes (MM) minus Total Minutes Not Available (TM)) multiplied by 100) and divided by Monthly Minutes (MM), but not including Excluded Events

Service Credit Calculation: An Outage will be deemed to commence when the Applications are unavailable to Customer in Customer's production environment hosted by Kronos and end when Kronos has restored availability of the Services. Failure to meet the 99.75% Application Availability SLA, other than for reasons due to an Excluded Event, will entitle Customer to a credit as follows:

Actual Application Availability % (as measured in a calendar month)	Service Credit to be applied to Customer's monthly invoice for the affected month
<99.75% to 98.75%	10%
<98.75% to 98.25%	15%
<98.25% to 97.75%	25%
<97.75 to 96.75%	35%
<96.75	50%

"Outage" means the accumulated time, measured in minutes, during which Customer is unable to access the Applications for reasons other than an Excluded Event.

"Excluded Event" means any event that results in an Outage and is caused by (a) the acts or omissions of Customer, its employees, customers, contractors or agents; (b) the failure or malfunction of equipment, applications or systems not owned or controlled by Kronos, including without limitation Customer Content, failures or malfunctions resulting from circuits provided by Customer, any inconsistencies or changes in Customer's source environment, including either intentional or accidental connections or disconnections to the environment; (c) Force Majeure events as described in the Agreement; (d) scheduled or emergency maintenance, alteration or implementation provided during the Maintenance Period defined below; (e) any suspension of the Services in accordance with the terms of the Agreement; (f) the unavailability of required Customer personnel, including as a result of failure to provide Kronos with accurate, current contact information; or (g) using an Application in a manner inconsistent with the product documentation for such Application.

"Maintenance Period" means scheduled maintenance periods established by Kronos to maintain and update the Services, when necessary. During these Maintenance Periods, the Services are available to Kronos to perform periodic maintenance services, which include vital software updates. Kronos will use its commercially reasonable efforts during the Maintenance Period to make the Services available to Customer; however, some changes will require downtime. Kronos will provide notice for planned downtime via an email notice to the primary Customer contact at least one day in advance of any known downtime so planning can be facilitated by Customer.

Currently scheduled Maintenance Periods for the Services are:

Monday through Friday 04:00 am – 06:00 am (U.S. eastern time)
Saturday and Sunday 12:00 am – 06:00 am (U.S. eastern time)

Maintenance Periods include those maintenance periods mutually agreed upon by Customer and Kronos.

"Monthly Minutes (MM)" means the total time, measured in minutes, of a calendar month commencing at 12:00 am of the first day of such calendar month and ending at 11:59 pm of the last day of such calendar month.

"Total Minutes Not Available (TM)" means the total number of minutes during the calendar month that the Services are unavailable as the result of an Outage.

Limitations: Service Credits will not be provided if: (a) Customer is in breach or default under the Agreement at the time the Outage occurred; or (b) the Outage results from an Excluded Event. If Kronos does not provide the appropriate Service Credit as due hereunder, Customer must request the Service Credit within sixty (60) calendar days of the conclusion of the month in which the Service Credit accrues. Customer waives any right to Service Credits not requested within this time period. All performance calculations and applicable Service Credits are based on Kronos records and data unless Customer can provide Kronos with clear and convincing evidence to the contrary.

The Service Level Agreements in this Exhibit, and the related Service Credits, apply on a per production environment basis. For the avoidance of doubt, Outages in one production environment may not be added to Outages in any other production environment for purposes of calculating Service Credits.

Customer acknowledges that Kronos manages its network traffic in part on the basis of Customer's utilization of the Services and that changes in such utilization may impact Kronos' ability to manage network traffic. Therefore, notwithstanding anything else to the contrary, if Customer significantly changes its utilization of the Services than what is contracted with Kronos and such change creates a material and adverse impact on the traffic balance of the Kronos network, as reasonably determined by Kronos, the parties agree to co-operate, in good faith, to resolve the issue.

Yields: The book yield of the portfolio is 1.36%. The effective rate of return for the fiscal year to date is 1.53%. The book yield is a snapshot on a specific day whereas the effective rate of return is annualized return generated for the period.

Investment Portfolio Performance vs. Benchmark: At the end of the quarter, the yield on the City's general investment portfolio was 1.36%. This yield provided a 77 basis point advantage to the yield provided by the investment portfolio benchmark, U.S. Treasury Note 0-5 year index (30 month moving average), which yielded 0.59%. The 30 month moving average is used to represent a market rate of return.

All Agency, Authority and Miscellaneous Funds in Banks

Bank Account Descriptions

General Fund - 201

Into the City's general checking account are deposited most of the City's revenue, including General Fund taxes, grant revenue (with the exception of that for the Housing Authority), Harbor Enterprise rental income, and sewer fees. From the general checking account are automatic transfers to the payroll and warrant accounts (as payments clear the bank) and purchases of investments.

Workmen's Compensation Fund - 210

A Bank of America checking account has been established for the payment of workers' compensation claims. The City's third party administrator, AdminSure, writes the checks from this account on the City's behalf. Monthly, the City replenishes the account with a City Council approved accounts payable check.

Successor Agency of RDA - 213 / Successor Agency of RDA - 694

The Successor Agency to the former Redevelopment Agency maintains both a Bank of America checking account (with a larger balance) and a Bank of America interest checking account (with a smaller balance). A few years ago, the bank changed the accounts to this structure from a checking account and a savings account. The checking account activity reflects biannual deposits of Redevelopment Property Tax Trust Fund (RPTTF) revenue as a result of the Recognized Obligation Payment Schedule (ROPS) process whereby the City reports to the Department of Finance the amount of funding necessary to make its Redevelopment Agency debt service payments (together with the applicable administrative costs). Those debt service payments are then made from this checking account, and the administrative cost reimbursement is transferred to the City's general checking account. The activity in the interest checking account is currently only deposits of interest earned.

Trust Account - 212

The Police Department deposits bail money into this checking account and then transfers these funds to the courts by way of checks. The balance of the account has been \$7,364.40 for several years, but it could be higher at the end of the month/quarter if a check is outstanding at the time.

Housing Authority – 207/Housing Authority – 023

The Housing Authority maintains both a checking account and a government money market savings account. Into the checking account are deposited grant funds from HUD for operation of the Fair Housing and Section 8 housing programs. Payments to landlords are then made monthly from this account, and periodically a check is written to the City as reimbursement for administrative costs paid by the City on the Housing Authority's behalf. The activity in the government money market savings account is currently only deposits of interest earned.

Financing Authority -168

The Community Financing Authority (CFA), a joint powers authority of the City and the Parking Authority, was formed January 31, 2012 when the Kincaid's Restaurant lease was transferred from the Public Financing Authority (PFA), a joint powers authority of the City and the Redevelopment Agency, upon the Redevelopment Agency's elimination by the State. The Financing Authority checking account is used for the lease-related transactions, including rental income, loan payments, sewer user fees, and possessory interest property tax payments.

Parking Authority - 675

The Parking Authority was established on March 3, 1969, pursuant to the provisions of the Streets and Highway Code of the State of California. Its primary purpose has been to provide public off-street parking within the City. The Parking Authority is currently inactive with a little more than \$5,000 remaining in a Bank of America interest checking account and a little less than \$5,000 remaining in a LAIF account from its previous activities.

Measure R Local Return - 874

Measure R monies come from a 2008 voter-approved ½ cent sales tax levied within Los Angeles County for public transportation purposes. Per a Los Angeles County Metropolitan Transportation Authority (LACMTA) audit recommendation, Measure R monies are to be maintained in a separate bank account. Because expenditures from the Measure R Fund (primarily for capital improvement projects) are paid through the City's accounts payable system and "General Fund" bank account, this separate Measure R Local Return interest checking account is funded by periodic transfers from the "General Fund" bank account instead of Measure R monies deposited directly to the account.

City of Redondo Beach – FSA - 825

The City contracts with Sterling to offer its employees Flexible Spending Accounts (FSAs) which allow the employees to set aside, before taxes, a portion of their yearly income to pay for qualified medical and/or dependent care expenses. These funds withheld from the employees' paychecks are transferred to this separate checking account each pay period. The medical and dependent care expenses are then paid by Sterling from this account.

Investment Reporting Guidelines

Please note the following guidelines from the Government Finance Officers Association *Financial Management Checklists for Elected Officials*.

Always remember whose money it is (it's the community's, not yours)—and act accordingly in a responsible stewardship capacity.

The generally accepted objectives in managing public funds, in priority order, are:

- Safety
- Liquidity
- Yield

An investment manager's objective is to earn a reasonable rate of return on the city's investments, while preserving capital in the overall portfolio. It should *never* be an investment manager's goal to earn *maximum* returns on the city's portfolio as this would expose the city to an unacceptable level of risk. Failures in public investing occur when either:

- Policies were not clear.
- Policies were inappropriate.
- Policies were not followed.
- Oversight was inadequate.

Questions to Ask:

- Do you review the investment policy?
- Do you understand the city's investment program?
- Do you receive and review periodic investment reports?
- Are they clear, concise? Are they readable? Do you fully understand them? (If you can't, this is more likely to be because they've been presented poorly, and may in fact reflect problems, than any "technical" problems with your ability to

understand them because it's too "complex." First, it's the job of your staff to make them readable and understandable; and secondly, if the city's portfolio is genuinely that complex, perhaps it shouldn't be.)

- Are there lots of investments and transactions? Why? Most cities do not have portfolios that justify "active" management with lots of sales, purchases and trades.
- Are your investments diversified? Or have you placed "all of your eggs in one basket?"
- What ongoing oversight is there? By whom?

Administrative Report

Meeting Date: 6/7/2022

To: MAYOR AND CITY COUNCIL
From: JOE HOFFMAN, CHIEF OF POLICE

TITLE

RECEIVE AND FILE A REPORT ON THE AGREEMENT WITH PALOS VERDES ESTATES FOR USE OF THE CITY'S JAIL SERVICES.

EXECUTIVE SUMMARY

On June 1, 2021, the City of Redondo Beach entered into an agreement to provide jail services for the City of Palos Verdes Estates for the term of June 1, 2021 to May 31, 2022. The term of the original agreement has concluded and the Police Department is not seeking to extend or renew the agreement. This report provides a summary of the services provided by the City to date and why staff is not recommending its renewal.

BACKGROUND

In 2019, the City of Palos Verdes Estates (PVE) Police Department contacted the Redondo Beach Police Department requesting a one-year agreement to book and house in-custody PVE arrests in the Redondo Beach Jail, when needed, due to organizational and staffing challenges faced by the City of PVE at the time. The estimated number of annual in-custody bookings at the start of the agreement was 100. The total actual bookings by the Palos Verdes Estates Police Department in the Redondo Beach Jail for the period June 1, 2021 to April 30, 2022 was 123. Of the 123 bookings, ten arrestees required follow up attention from Redondo Beach Police and/or Fire Department personnel to respond to in-custody calls for medical or police services (re-arrest), while still in jail or upon release on City of Redondo Beach property. The follow up calls for service placed extra burden on City resources and outweighed the value of the contract.

The agreement listed a maximum amount of \$44,500 for the term of the contract. This amount allowed for a total of 153 bookings at the agreed upon rate of \$290 per arrestee. Based on the estimated number of bookings (100), the anticipated revenue for the term of the contract was \$29,000. The agreement billing to date for the period June 1, 2021- April 30, 2022, totals \$37,990. Billing for May 1-31, 2022 was not available at the time the report was submitted.

Based on current Police Department staffing levels and the increased draw on City emergency resources created by the additional in-custody bookings and post release activities by PVE arrestees, the Redondo Beach Police Department does not recommend renewing the shared jail services agreement for Fiscal Year 2022-23.

COORDINATION

The Police Department coordinated with the City of Palos Verdes Estates Police Department in the preparation of this report.

FISCAL IMPACT

The Police Department received approximately \$32,861 in revenue from the City of Palos Verdes Estates from June 1, 2021 to April 30, 2022, after deducting approximately 13.5% in jail expenses for food, clothing, etc. from the total billed amount. The net realized revenue tied directly to the number of bookings and deposited into the Police Department operating budget will not be included in future revenues due to the expiration of this agreement. This reduction in revenue is anticipated in FY 2022-23 and does not require subsequent budget action.

Meeting Date: 6/1/2021

To: MAYOR AND CITY COUNCIL
From: KEITH KAUFFMAN, CHIEF OF POLICE

TITLE

APPROVE AN AGREEMENT WITH THE CITY OF PALOS VERDES ESTATES TO ALLOW THE CITY OF REDONDO BEACH TO PROVIDE JAIL SERVICES IN THE AMOUNT OF \$290 PER ARRESTEE NOT TO EXCEED \$44,500, FOR THE TERM BEGINNING JUNE 1, 2021 AND ENDING MAY 31, 2022, OR UPON REACHING THE MAXIMUM REIMBURSEMENT AMOUNT, UNLESS TERMINATED BY EITHER PARTY.

EXECUTIVE SUMMARY

The Redondo Beach Police Department seeks approval to provide jail services for the City of Palos Verdes Estates Police Department for one-year or once the maximum cost reimbursement in the amount of \$44,500 has been reached By the City of Palos Verdes Estates. The City of Palos Verdes Estates is looking to reduce budget costs by outsourcing jail services. Based upon arrest statistics from prior years, the Palos Verdes Estates Police Department estimates processing/booking approximately 100 arrestees during the term of this agreement.

BACKGROUND

In 2019, The Palos Verdes Estates Police Department contacted the Redondo Beach Police Department requesting a one-year agreement allowing Palos Verdes Estates to book and house in custody arrests at the Redondo Beach City Jail when needed. Palos Verdes Estates estimates annual in-custody bookings at 100. Based upon this estimate, existing Redondo Beach Police Department staffing is capable of performing these supplemental jail/custody services with Palos Verdes Estates. For purposes of this agreement, the supplemental jail services will include furnishing jail staff and supervision, equipment, inmate communications, meals for inmates, and any other supplies necessary to provide the jail services agreed upon. The Palos Verdes Estates Police Department will maintain responsibility for any non-emergent transportation needs of their inmates. Redondo Beach Police Department will take necessary steps to assure that emergency medical treatment and transport is provided to a medical facility. In the event of a medical transport, Palos Verdes Estates personnel will immediately respond to the medical facility where the inmate is being treated to provide police services / security while the inmate is hospitalized. Palos Verdes Estates shall pay for the cost of all medical treatment of Palos Verdes Estates inmates.

Palos Verdes Estates shall compensate Redondo Beach for the supplemental jail services in an amount of \$290 per arrestee. This amount was determined after an internal analysis of associated costs for jail services. At the estimated number of 100 arrestee bookings, the City of Redondo Beach

anticipates revenue of \$29,000 during the term of this agreement less an estimated 13.5% for inmate booking and housing costs resulting in actual revenue for the City of Redondo Beach of approximately \$25,000 based on the booking estimate. A maximum cost reimbursement amount of \$44,500 is included in the agreement which allows for a total of 153 bookings for the agreement term. The agreement may be extended by a subsequent written agreement at the conclusion of the one-year agreement term or upon reaching the maximum reimbursement amount, whichever occurs first.

COORDINATION

The Police Department coordinated this agreement with the City Attorney's Office and Human Resources Department.

FISCAL IMPACT

The City of Palos Verdes Estates will compensate the City of Redondo Beach for the supplemental jail services performed in an amount of \$290 per arrestee not to exceed the total amount of \$44,500. City of Redondo Beach jail expenses are estimated at 13.5% of the compensation received. The estimated 100 bookings will realize jail revenues of approximately \$29,000 into jail budget account 100-21700-401190 and jail expenses of \$4,000 from jail contract and professional services account 100-21700-520040. Using the maximum cost reimbursement amount of \$44,500, provides for 153 bookings and jail revenue of approximately \$44,500 into jail budget account 100-21700-401190 and jail expenses of \$6,000 from jail contract and professional services account 100-21700-520040.

The revenue figures in this report are estimates only based upon statistical data provided while developing the attached agreement. Exact revenue figures will be directly tied to the number of in-custody arrestee bookings requested by Palos Verdes Estates during the term of the agreement.

TITLE

ADOPT BY TITLE ONLY ORDINANCE NO. 3230-22, AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF REDONDO BEACH, CALIFORNIA, ADDING MUNICIPAL CODE CHAPTER 15 TO TITLE 3 REGARDING THE UNLAWFUL POSSESSION OF CATALYTIC CONVERTERS, FOR SECOND READING AND ADOPTION.

EXECUTIVE SUMMARY

On May 17, 2022, the City Council approved the attached ordinance related to regulations prohibiting the unlawful possession of catalytic converters for introduction and first reading. The ordinance is now ready for adoption and second reading. If adopted, the ordinance will take effect in thirty days.

As part of the approval of First Reading of the ordinance, the City Council directed staff to increase the penalty from \$500 to \$1000 per violation. The requested modification is reflected in the attached ordinance.

BACKGROUND

Adoption of the proposed ordinance would establish regulations prohibiting the unlawful possession of catalytic converters in the City of Redondo Beach. The theft of catalytic converters has been an on-going concern in the City for several years. Catalytic converter thefts contribute significantly to theft related crime statistics within the City and cost victims thousands of dollars in repairs. There is currently no local, state, or federal legislation to define and punish the possession of detached catalytic converters absent an identifiable victim. On May 17, 2022, the Redondo Beach Police Department proposed for first reading, the attached ordinance which is needed to establish regulations prohibiting the unlawful possession of catalytic converters in the City of Redondo Beach.

COORDINATION

The Police Department coordinated the development of this ordinance with the City Attorney's Office.

FISCAL IMPACT

Funding for the staff associated with the implementation and enforcement of the ordinance is available in the annual operating budgets of the Police Department and City Attorney's Office - Prosecution Division.

REDONDO BEACH, CALIFORNIA, ADDING CHAPTER 15 TO
TITLE 3 OF THE REDONDO BEACH MUNICIPAL CODE TO
ESTABLISHING REGULATIONS PROHIBITING THE
UNLAWFUL POSSESSION OF CATALYTIC CONVERTERS**

WHEREAS, the Redondo Beach Police Department has seen a marked increase in catalytic converter thefts from automobiles over the past several years; and

WHEREAS, there is currently no City, State, or Federal legislation applicable within the City of Redondo Beach to define and punish catalytic converter thefts absent an identifiable victim; and

WHEREAS, there is currently no City, State, or Federal legislation applicable within the City of Redondo Beach to define and punish the recycling or sale of unlawfully obtained catalytic converters, thus incentivizing criminal enterprise of catalytic converter thefts; and

WHEREAS, catalytic converters contain expensive precious metals including platinum, palladium, and rhodium, which costs more than \$11,000 per ounce; and

WHEREAS, the average cost of replacing a stolen catalytic converter and repairing the damage to the vehicle is typically more than \$2,000 to the victim; and

WHEREAS, there are currently no City, State, or Federal legislation applicable within the City of Redondo Beach requiring individuals to provide proof to law enforcement as to how they obtained catalytic converters, thus limiting law enforcement's ability to protect the public by preventing catalytic converter thefts and preventing law enforcement from seizing suspected stolen catalytic converters when no victim is present; and

WHEREAS, catalytic converter thefts are on the rise because individuals are incentivized to commit catalytic converter thefts for numerous reasons including, but not limited to: (1) the ease and undetectable nature of committing the thefts in a matter of seconds using common tools such as a reciprocating saw, (2) the ability to recycle catalytic converters at scrap metal yards for high dollar returns ranging from \$200 to \$1,200 per catalytic converter, and (3) loopholes in legislation protecting criminals from prosecution unless a victim can be identified; and

WHEREAS, finding a victim of these crimes is nearly impossible due to the undetectable nature of the catalytic converter thefts and catalytic converters being untraceable to link back to a victim (no identifying markers on the catalytic converters); and

WHEREAS, there have been multiple instances in which Redondo Beach Police Officers have contacted individuals in possession of suspected stolen catalytic converters (e.g. discovering freshly cut catalytic converters on a consensual vehicle search) and the officers are

unable to make an arrest for theft or possession of stolen property, because they could not identify a victim or lawful owner of the catalytic converters; and

WHEREAS, due to lack of legislation defining and prosecuting these thefts, 99% of all catalytic converter theft cases in the City of Redondo Beach have gone unsolved, which is fundamentally unacceptable for the citizens of the City of Redondo Beach; and

WHEREAS, the citizens of Redondo Beach and the Redondo Beach Police Department are in need of legislation for multiple reasons including, but not limited to: (1) deterrence by establishing zero-tolerance for catalytic converter thefts, (2) sanctions for possessing stolen catalytic converters, (3) preventing criminals from profiting from the sale and recycling of stolen catalytic converters, (4) providing indirect justice to the victims of catalytic converters whose cases will go unsolved, (5) reducing Part I crime statistics which have been substantially negatively impacted by catalytic converter thefts, and (6) minimizing the fiscal and personnel impact on the City of Redondo Beach invested in deterring and investigating catalytic converter thefts; and

WHEREAS, it is well established that individuals who are in possession of stolen catalytic converters then recycle them for substantial profit while both the community and the victims of these thefts suffer tremendous consequences in the form of costly repairs, inconvenience, and leading the community to feel and overall lack of safety.

WHEREAS, the City of Redondo Beach has held numerous events etching catalytic converters for citizens of Redondo in an effort to prevent such thefts which has been successful; however, the City wants to add this ordinance as another tool to fight the plague of catalytic converter thefts; and

WHEREAS, individuals who are in possession of stolen catalytic converters recycle them for substantial profit while victims of these thefts suffer tremendous consequences of paying thousands of dollars in repairs, the inconvenience of repairing their vehicles, and feeling unsafe in the community; and

WHEREAS, this Ordinance is necessary to provide the City of Redondo Beach Police Department clearly established legal authority to protect the public and deter this criminal activity.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF REDONDO BEACH, CALIFORNIA, DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. The above recitals are true and correct and incorporated herein.

TITLE

DISCUSSION AND POSSIBLE ACTION REGARDING A CHANGE TO THE MUNICIPAL CODE TO ESTABLISH AN ORDINANCE FOR THE UNLAWFUL POSSESSION OF CATALYTIC CONVERTERS

INTRODUCE BY TITLE ONLY ORDINANCE NO. 3230-22, AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF REDONDO BEACH, CALIFORNIA, ADDING MUNICIPAL CODE CHAPTER 15 TO TITLE 3 REGARDING THE UNLAWFUL POSSESSION OF CATALYTIC CONVERTERS. FOR INTRODUCTION AND FIRST READING.

EXECUTIVE SUMMARY

Adoption of the proposed Ordinance would establish regulations prohibiting the unlawful possession of catalytic converters in the City of Redondo Beach. The theft of catalytic converters has been an on-going concern in the City for several years. There is currently no local, state, or federal legislation to define and punish the possession of detached catalytic converters absent an identifiable victim.

BACKGROUND

The City of Redondo Beach has experienced numerous catalytic converter thefts from automobiles over the past several years. Catalytic converter thefts contribute significantly to theft related crime statistics within the City and cost victims thousands of dollars in repairs.

Currently there is no local, state or federal legislation applicable within the City of Redondo Beach to prosecute catalytic converter thefts absent an identifiable victim. Nor is there law that allows for conviction for the recycling or sale of unlawfully obtained catalytic converters. Additionally, there is currently no local, state, or federal legislation applicable within the City of Redondo Beach requiring individuals to provide proof to law enforcement as to how a catalytic converter was obtained, thus limiting law enforcement's ability to prevent catalytic converter thefts and seize suspected stolen catalytic converters when no victim is present or able to be identified. The lack of laws on the subject has emboldened criminal enterprise. The adoption of this Ordinance would help improve the situation by making the possession of a detached catalytic converter illegal, in violation of the Redondo Beach Municipal Code.

Catalytic converter thefts are on the rise because individuals are incentivized to commit catalytic converter thefts for multiple reasons including:

- The ease and undetectable nature of committing the thefts in a matter of seconds using

common tools such as a cordless reciprocating saw.

- The ability to recycle catalytic converters at scrap metal yards for high dollar amounts.
- Legislation protecting criminals from prosecution unless the owner of a catalytic converter can be identified and located.

Catalytic converters are not serialized vehicle components so finding an owner is typically very difficult. Due to a lack of legislation defining and prosecuting these thefts when a victim cannot be identified, the vast majority of all catalytic converter theft cases in the City of Redondo Beach are unsolved or result in a lack of criminal charges being filed.

The City of Redondo Beach and the Redondo Beach Police Department would benefit from the creation of this ordinance for multiple reasons including:

- Creating a deterrent by establishing zero-tolerance for catalytic converter thefts.
- Sanctions for possessing stolen catalytic converters.
- Preventing criminals from profiting from the sale and recycling of stolen catalytic converters.
- Providing justice to the victims of catalytic converters whose cases would otherwise go unsolved.
- Reducing Part I crime statistics which have been negatively impacted by catalytic converter thefts.
- Minimizing the impact on City of Redondo Beach resources dedicated to deterring and investigating catalytic converter thefts.

Individuals who are in possession of stolen catalytic converters recycle them for substantial profit while victims of these thefts suffer tremendous consequences by paying thousands of dollars in repairs, loss of time, and a reduced perception of individual safety in the community.

This ordinance will provide the Redondo Beach Police Department a legal option to further protect the citizens of Redondo Beach and deter this criminal activity.

COORDINATION

The Police Department coordinated the development of this Ordinance with the City Attorney's Office.

FISCAL IMPACT

Funding for the staff associated with the implementation and enforcement of the Ordinance is available in the annual operating budgets of the Police Department and City Attorney's Office - Prosecution Division.

ADOPT BY TITLE ONLY RESOLUTION NO. CC-2206-030, A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF REDONDO BEACH, CALIFORNIA, APPROVING THE SUSPENSION OF PREFERENTIAL PARKING HOURS IN THE VINCENT AND VINCENT 2 PREFERENTIAL PARKING DISTRICTS FOR LIMITED HOURS ON JUNE 8 AND JUNE 9, 2022 FOR REDONDO BEACH UNIFIED SCHOOL DISTRICT COMMENCEMENT AND GRADUATION CEREMONIES

EXECUTIVE SUMMARY

Staff recommends that the City Council allow parking by the general public, for limited hours, in the Vincent and Vincent 2 preferential parking districts for the two days of the school district's annual commencement ceremonies. This mitigation will allow for parking of guests and alumni that may attend the separate middle school commencement and high school graduation ceremonies.

BACKGROUND

The City Council has previously approved the suspension of preferential parking districts on the north and south sides of the Redondo Union High School campus for prior High School and Middle School Commencement Ceremonies. The Vincent districts restrict parking from 8:00 a.m. to 10:00 p.m. daily. The Vincent 2 district restricts parking from 2:00 p.m. to 10:00 p.m. Monday through Friday and from 8:00 a.m. to 10:00 p.m. on Saturday.

The commencement ceremonies for both Perras Middle School and Adams Middle School will be held in the afternoon of Wednesday, June 08, 2022 at the Redondo Union High School campus football stadium. The High School graduation ceremony will be held in the stadium on the afternoon of Thursday, June 09, 2022.

The families of the graduates are informed to park on the north side of the high school in the parking lots adjacent to Diamond St. However, due to the size of past crowds, staff members are concerned that additional parking areas may be utilized as the extended families, friends, school alumni and individuals with disabilities will park on the south side of the school in the Vincent and Vincent 2 preferential parking districts.

The City Council may revise the hours of a preferential parking district pursuant to section 3-7.1701 of the Redondo Beach Municipal Code. Staff requests that City Council suspend the parking restrictions in the Vincent and Vincent 2 preferential parking districts on June 8th and June 9th, 2022, as issuance of citations during the ceremonies would not be in the best interest of the community.

COORDINATION

The Police Department coordinated this resolution with the City Attorney's Office.

FISCAL IMPACT

There is no fiscal impact to the City.

TITLE

APPROVE AN AMENDMENT TO THE AGREEMENT WITH AXON ENTERPRISE, INC. FOR THE PURCHASE OF THIRTY-SEVEN (37) PRO-EVIDENCE.COM LICENSES FOR ACCESS TO BODY-WORN CAMERA FOOTAGE FOR AN ADDITIONAL AMOUNT OF \$51,948 AND A NEW TOTAL CONTRACT NOT TO EXCEED AMOUNT OF \$476,621.95

EXECUTIVE SUMMARY

The Police Department is currently in year three of a five-year agreement with Axon Enterprise, Inc for Body-worn camera services, covering the term of April 15, 2020 - April 14, 2025. The current agreement includes three (3) individual Pro-Evidence.com licenses. The Pro-Evidence.com licenses allow authorized police supervisors, detectives and City Attorney personnel access to body-worn camera footage for investigative and court filing needs. An additional thirty-seven (37) Pro-Evidence.com licenses will give additional authorized personnel access to review critical body-worn camera footage for investigative and court filing needs. Approval of the amendment, will provide the Police Department with a total of forty (40) Pro-Evidence.com licenses.

BACKGROUND

In 2019, the Police Department applied for a U.S. Department of Justice Body-Worn Camera Policy and Implementation grant and was awarded \$190,000 in Federal matching funds for the Body-Worn Camera program. City Council approved the acceptance of the grant and the appropriation of Asset Forfeiture funding for the required matching funds in FY 2019-20. That year, following an RFP process, the City Council approved a five-year agreement with Axon Enterprise, Inc for the purchase of body-worn cameras, digital evidence management, data storage, annual software and maintenance for an amount not to exceed \$424,673.95. The City is currently in year three (3) of that five (5) year agreement.

The current agreement with Axon offers three (3) Pro-Evidence.com licenses. Pro-Evidence.com licenses provide individual access to body-worn camera footage from the stored data. Authorized Police Department supervisors, detectives, and City Attorney's Office personnel all need regular access to the footage for investigative and court filing purposes.

In early 2022, Axon Enterprise, Inc. conducted an internal audit of their products and services. Axon Enterprise, Inc. discovered that the current agreement as written only provides for three (3) Pro-Evidence.com licenses while in practice the Police Department has operated with unlimited access. To respond to Axon's audit and request for contract amendment, a review of Police Department data

access needs was conducted to determine the number of needed licenses for Police and City Attorney personnel. Given the number of Department Supervisors (essentially all personnel with a rank of sergeant or above) a total of (40) Pro-Evidence.com licenses is required to meet the ongoing needs of the Police Department and City Attorney's Office.

COORDINATION

The Police Department coordinated this report with the City Attorney's Office and the Financial Services Department.

FISCAL IMPACT

The 37 additional licenses, increases the annual cost of the agreement by \$17,314.27 in years three (3) and four (4), and \$17,319.46 in year five (5), for an amended amount of \$51,948.00 and a new contract not to exceed total of \$476,621.95. The additional Pro.Evidence.com licenses will be purchased with Asset Forfeiture funds.

Master Services and Purchasing Agreement

This Master Services and Purchasing Agreement ("**Agreement**") is between Axon Enterprise, Inc., a Delaware corporation ("**Axon**"), and the Redondo Beach Police Department ("**Agency**"). This Agreement is effective as of the later of the (a) last signature date on this Agreement or (b) signature date on the quote ("**Effective Date**"). Axon and Agency are each a "**Party**" and collectively "**Parties**". This Agreement governs Agency's purchase and use of the Axon Devices and Services detailed in the Quote Appendix ("**Quote**"). The Parties therefore agree as follows:

- 1 **Term.** This Agreement begins on the Effective Date and continues until terminated pursuant to this Agreement ("**Term**"). Agency may renew this Agreement for an additional 5 years upon execution of a new quote. New devices and services may require additional terms. Axon will not authorize services until Axon receives a signed Quote or accepts a purchase order, whichever is first.
- 2 **Definitions.**

"**Axon Cloud Services**" means Axon's web services for Axon Evidence, Axon Records, Axon Dispatch, and interactions between Evidence.com and Axon Devices or Axon client software. Axon Cloud Service excludes third-party applications, hardware warranties, and my.evidence.com.

"**Axon Devices**" means all hardware provided by Axon under this Agreement.

"**Quote**" means an offer to sell and is only valid for devices and services on the quote at the specified prices. Any terms within Agency's purchase order in response to a Quote will be void. Orders are subject to prior credit approval. Changes in the deployment estimated ship date may change charges in the Quote. Shipping dates are estimates only. Axon is not responsible for typographical errors in any offer by Axon, and Axon reserves the right to cancel any orders resulting from such errors.

"**Services**" means all services provided by Axon under this Agreement, including software, Axon Cloud Services, and professional services.
- 3 **Payment.** Axon invoices upon shipment. Payment is due net 30 days from the invoice date. Payment obligations are non-cancelable. Agency will pay invoices without setoff, deduction, or withholding. If Axon sends a past due account to collections, Agency is responsible for collection and attorneys' fees.
- 4 **Taxes.** Agency is responsible for sales and other taxes associated with the order unless Agency provides Axon a valid tax exemption certificate.
- 5 **Shipping.** Axon may make partial shipments and ship Devices from multiple locations. All shipments are FOB shipping point via common carrier. Title and risk of loss pass to Agency upon Axon's delivery to the common carrier. Agency is responsible for any shipping charges in the Quote.
- 6 **Returns.** All sales are final. Axon does not allow refunds or exchanges, except warranty returns or as provided by state or federal law.
- 7 **Warranty.**
 - 7.1 **Hardware Limited Warranty.** Axon warrants that Axon-manufactured Devices are free from defects in workmanship and materials for 1 year from the date of Agency's receipt, except Signal Sidearm, which Axon warrants for 30 months from the date of Agency's receipt. Axon warrants its Axon-manufactured accessories for 90-days from the date of Agency's receipt. Used conducted energy weapon ("**CEW**") cartridges are deemed to have operated properly. Extended warranties run

from the expiration of the 1-year hardware warranty through the extended warranty term. Non-Axon manufactured Devices are not covered by Axon's warranty. Agency should contact the manufacturer for support of non-Axon manufactured Devices.

- 7.2 Claims.** If Axon receives a valid warranty claim for an Axon manufactured Device during the warranty term, Axon's sole responsibility is to repair or replace the Device with the same or like Device, at Axon's option. A replacement Device will be new or like new. Axon will warrant the replacement Device for the longer of (a) the remaining warranty of the original Device or (b) 90-days from the date of repair or replacement.

If Agency exchanges a device or part, the replacement item becomes Agency's property, and the replaced item becomes Axon's property. Before delivering a Device for service, Agency must upload Device data to Axon Evidence or download it and retain a copy. Axon is not responsible for any loss of software, data, or other information contained in storage media or any part of the Device sent to Axon for service.

- 7.3 Spare Devices.** Axon may provide Agency a predetermined number of spare Devices as detailed in the Quote ("**Spare Devices**"). Spare Devices will replace broken or non-functioning units. If Agency utilizes a Spare Device, Agency must return to Axon, through Axon's warranty return process, any broken or non-functioning units. Axon will repair or replace the unit with a replacement Device. Upon termination, Axon will invoice Agency the MSRP then in effect for all Spare Devices provided. If Agency returns the Spare Devices to Axon within 30 days of the invoice date, Axon will issue a credit and apply it against the invoice.

- 7.4 Limitations.** Axon's warranty excludes damage related to: (a) failure to follow Device use instructions; (b) Devices used with equipment not manufactured or recommended by Axon; (c) abuse, misuse, or intentional damage to Device; (d) force majeure; (e) Devices repaired or modified by persons other than Axon without Axon's written permission; or (f) Devices with a defaced or removed serial number.

7.4.1 To the extent permitted by law, the above warranties and remedies are exclusive. Axon disclaims all other warranties, remedies, and conditions, whether oral, written, statutory, or implied. If statutory or implied warranties cannot be lawfully disclaimed, then such warranties are limited to the duration of the warranty described above and by the provisions in this Agreement.

7.4.2 Axon's cumulative liability to any Party for any loss or damage resulting from any claim, demand, or action arising out of or relating to any Axon Device or Service will not exceed the purchase price paid to Axon for the Device, or if for Services, the amount paid for such Services over the 12 months preceding the claim. Neither Party will be liable for direct, special, indirect, incidental, punitive or consequential damages, however caused, whether for breach of warranty or contract, negligence, strict liability, tort or any other legal theory.

- 8 Statement of Work.** Certain Axon Devices and Services, including Axon Interview Room, and Axon Fleet, may require a Statement of Work that details Axon's Service deliverables ("**SOW**"). In the event Axon provides an SOW to Agency, Axon is only responsible to perform Services described in the SOW. Additional services are out of scope. The Parties must document scope changes in a written and signed change order. Changes may require an equitable adjustment in fees or schedule. The SOW is incorporated into this

Agreement by reference.

- 9 **Device Warnings.** See www.axon.com/legal for the most current Axon device warnings.
- 10 **Design Changes.** Axon may make design changes to any Axon Device or Service without notifying Agency or making the same change to Devices and Services previously purchased by Agency.
- 11 **Insurance.** Axon will maintain General Liability, Workers' Compensation, and Automobile Liability insurance. Upon request, Axon will supply certificates of insurance.
- 12 **Indemnification.** Axon will indemnify Agency's officers, directors, elected officials, volunteers and employees ("**Agency Indemnitees**") against all claims, damages, demands, losses, liabilities and expenses arising out of a third-party claim against an Agency Indemnitee arising out of or resulting from any acts, errors or omissions, or willful misconduct by Axon, its subcontractors or anyone directly or indirectly employed by Axon or its subcontractors arising out of or related to this Agreement, and breach of this agreement or violation of applicable law except to the extent of Agency's negligence or willful misconduct, or claims under workers compensation.
- 13 **IP Rights.** Axon owns and reserves all right, title, and interest in Axon devices and services and suggestions to Axon, including all related intellectual property rights. Agency will not cause any Axon proprietary rights to be violated.
- 14 **IP Indemnification.** Axon will indemnify Agency Indemnitees against all claims, losses, and reasonable expenses from any third-party claim alleging that the use of Axon Devices or Services infringes or misappropriates the third-party's intellectual property rights. Agency must promptly provide Axon with written notice of such claim, tender to Axon the defense or settlement of such claim at Axon's expense and cooperate fully with Axon in the defense or settlement of such claim. Axon's IP indemnification obligations do not apply to claims based on (a) modification of Axon Devices or Services by Agency or a third-party not approved by Axon; (b) use of Axon Devices and Services in combination with hardware or services not approved by Axon; (c) use of Axon Devices and Services other than as permitted in this Agreement; or (d) use of Axon software that is not the most current release provided by Axon.
- 15 **Agency Responsibilities.** Agency is responsible for: (a) Agency's use of Axon Devices; (b) breach of this Agreement or violation of applicable law by Agency or an Agency end user; and (c) a dispute between Agency and a third-party over Agency's use of Axon Devices.
- 16 **Termination.**
- 16.1 **For Breach.** A Party may terminate this Agreement for cause if it provides 30 days written notice of the breach to the other Party, and the breach remains uncured at the end of 30 days. If Agency terminates this Agreement due to Axon's uncured breach, Axon will refund prepaid amounts on a prorated basis based on the effective date of termination.
- 16.2 **By Agency.** If sufficient funds are not appropriated or otherwise legally available to pay the fees, Agency may terminate this Agreement. Agency will deliver notice of termination under this section as soon as reasonably practicable.
- 16.3 **Effect of Termination.** Upon termination of this Agreement, Agency rights immediately terminate. Agency remains responsible for all fees incurred before the effective date of termination. If Agency

purchases Devices for less than the manufacturer's suggested retail price ("MSRP") and this Agreement terminates before the end of the Term, Axon will invoice Agency the difference between the MSRP for Devices received and amounts paid towards those Devices. If terminating for non-appropriation, Agency may return Devices to Axon within 30 days of termination. MSRP is the standalone price of the individual Device at the time of sale. For bundled Devices, MSRP is the standalone price of all individual components.

17 Confidentiality. "Confidential Information" means nonpublic information designated as confidential or, given the nature of the information or circumstances surrounding disclosure, should reasonably be understood to be confidential. Each Party will take reasonable measures to avoid disclosure, dissemination, or unauthorized use of the other Party's Confidential Information. Unless required by law, neither Party will disclose the other Party's Confidential Information during the Term and for 5-years thereafter. Axon pricing is Confidential Information and competition sensitive. If Agency is required by law to disclose Axon pricing, to the extent allowed by law, Agency will provide notice to Axon before disclosure. Axon may publicly announce information related to this Agreement.

18.5 Export Compliance. Each Party will comply with all import and export control laws and regulations.

18.6 Assignment. Neither Party may assign this Agreement without the other Party's prior written consent. Axon may assign this Agreement, its rights, or obligations without consent: (a) to an affiliate or subsidiary; or (b) for purposes of financing, merger, acquisition, corporate reorganization, or sale of all or substantially all its assets. This Agreement is binding upon the Parties respective successors and assigns.

18.7 Waiver. No waiver or delay by either Party in exercising any right under this Agreement constitutes a waiver of that right.

Axon Cloud Services Terms of Use Appendix

1 Definitions.

"Agency Content" is data uploaded into, ingested by, or created in Axon Cloud Services within Agency's tenant, including media or multimedia uploaded into Axon Cloud Services by Agency. Agency Content includes Evidence but excludes Non-Content Data.

"Evidence" is media or multimedia uploaded into Axon Evidence as 'evidence' by an Agency. Evidence is a subset of Agency Content.

"Non-Content Data" is data, configuration, and usage information about Agency's Axon Cloud Services tenant, Axon Devices and client software, and users that is transmitted or generated when using Axon Devices. Non-Content Data includes data about users captured during account management and customer support activities. Non-Content Data does not include Agency Content.

- 2 Subscription Term.** For Axon Evidence subscriptions, including Fleet 2 Unlimited, the subscription begins after shipment of the applicable Axon Device. If Axon ships the Device in the first half of the month, the start date is the 1st of the following month. If Axon ships the Device in the second half of the month, the start date is the 15th of the following month. For phased deployments, the start date begins on shipment of phase one. For purchases solely of Axon Evidence subscriptions, the start date is the Effective Date. The Axon Evidence subscription term ends upon completion of the Axon Evidence subscription stated in the Quote ("**Axon Evidence Subscription Term**").

- 3 Access.** Upon Axon granting Agency a subscription to Axon Cloud Services, Agency may access and use Axon Cloud Services to store and manage Agency Content. Agency may not exceed more end users than the Quote specifies. Axon Air requires an Axon Evidence subscription for each drone operator. For Axon Evidence Lite, Agency may access and use Axon Evidence only to store and manage TASER CEW and TASER CAM data ("**TASER Data**"). Agency may not upload non-TASER Data to Axon Evidence Lite.

- 4 Agency Owns Agency Content.** Agency controls and owns all right, title, and interest in Agency Content. Except as outlined herein, Axon obtains no interest in Agency Content, and Agency Content are not business records of Axon. Agency is solely responsible for uploading, sharing, managing, and deleting Agency Content. Axon will have limited access to Agency Content solely for providing and supporting Axon Cloud Services to Agency and Agency end users.

- 5 Security.** Axon will implement commercially reasonable and appropriate measures to secure Agency Content against accidental or unlawful loss, access or disclosure. Axon will maintain a comprehensive information security program to protect Axon Cloud Services and Agency Content including logical, physical access, vulnerability, risk, and configuration management; incident monitoring and response; encryption of uploaded digital evidence; security education; and data protection. Axon agrees to the Federal Bureau of Investigation Criminal Justice Information Services Security Addendum.

- 6 Agency Responsibilities.** Agency is responsible for (a) ensuring Agency owns Agency Content; (b) ensuring no Agency Content or Agency end user's use of Agency Content or Axon Cloud Services violates this Agreement or applicable laws; and (c) maintaining necessary computer equipment and

Internet connections for use of Axon Cloud Services. If Agency becomes aware of any violation of this Agreement by an end user, Agency will immediately terminate that end user's access to Axon Cloud Services.

Agency will also maintain the security of end user names and passwords and security and access by end users to Agency Content. Agency is responsible for ensuring the configuration and utilization of Axon Cloud Services meet applicable Agency regulation and standards. Agency may not sell, transfer, or sublicense access to any other entity or person. Agency shall contact Axon immediately if an unauthorized party may be using Agency's account or Agency Content, or if account information is lost or stolen.

- 7** **Privacy.** Axon will not disclose Agency Content or information about Agency except as compelled by a court or administrative body or required by law or regulation. If Axon receives a disclosure request for Agency Content, Axon will give Agency notice, unless legally prohibited from doing so, to allow Agency to file an objection with the court or administrative body. Agency agrees to allow Axon access to certain information from Agency to (a) perform troubleshooting services upon request or as part of regular diagnostic screening; (b) enforce this Agreement or policies governing the use of Axon Evidence; or (c) perform analytic and diagnostic evaluations of the systems.

- 8** **Storage.** For Axon Evidence Unlimited, Agency may store unlimited data in Agency's Axon Evidence account only if data originates from Axon Capture or an Axon body-worn camera. For Axon Air Evidence subscriptions, Agency may store unlimited data in Agency's Axon Evidence account only if data originates from an Axon Air device. For Axon Interview Room Unlimited, Agency may store unlimited data in Agency's Axon Evidence account only if data originates from Axon Interview Room hardware. For Axon Fleet Unlimited, Agency may store unlimited data in Agency's Axon Evidence account only if data originates from Axon Fleet hardware.

Axon may charge Agency additional fees for exceeding purchased storage amounts. Axon may place Agency Content that Agency has not viewed or accessed for 6 months into archival storage. Agency Content in archival storage will not have immediate availability and may take up to 24 hours to access.

- 9** **Location of Storage.** Axon may transfer Agency Content to third-party subcontractors for storage. Axon will determine the locations of data centers for storage of Agency Content. For United States agencies, Axon will ensure all Agency Content stored in Axon Cloud Services remains within the United States. Ownership of Agency Content remains with Agency.

- 10** **Suspension.** Axon may temporarily suspend Agency's or any end user's right to access or use any portion or all of Axon Cloud Services immediately upon notice, if Agency or end user's use of or registration for Axon Cloud Services may (a) pose a security risk to Axon Cloud Services or any third-party; (b) adversely impact Axon Cloud Services, the systems, or content of any other customer; (c) subject Axon, Axon's affiliates, or any third-party to liability; or (d) be fraudulent.

Agency remains responsible for all fees incurred through suspension. Axon will not delete Agency Content because of suspension, except as specified in this Agreement.

- 11** **Axon Cloud Services Warranty.** Axon disclaims any warranties or responsibility for data corruption

or errors before Agency uploads data to Axon Cloud Services.

- 12 Axon Cloud Services Restrictions.** Agency and Agency end users (including employees, contractors, agents, officers, volunteers, and directors), may not, or may not attempt to:
- 12.1.** copy, modify, tamper with, repair, or create derivative works of any part of Axon Cloud Services;
 - 12.2.** reverse engineer, disassemble, or decompile Axon Cloud Services or apply any process to derive any source code included in Axon Cloud Services, or allow others to do the same;
 - 12.3.** access or use Axon Cloud Services with the intent to gain unauthorized access, avoid incurring fees or exceeding usage limits or quotas;
 - 12.4.** use trade secret information contained in Axon Cloud Services, except as expressly permitted in this Agreement;
 - 12.5.** access Axon Cloud Services to build a competitive device or service or copy any features, functions, or graphics of Axon Cloud Services;
 - 12.6.** remove, alter, or obscure any confidentiality or proprietary rights notices (including copyright and trademark notices) of Axon's or Axon's licensors on or within Axon Cloud Services; or
 - 12.7.** use Axon Cloud Services to store or transmit infringing, libelous, or other unlawful or tortious material; to store or transmit material in violation of third-party privacy rights; or to store or transmit malicious code.
- 13 After Termination.** Axon will not delete Agency Content for 90-days following termination. There will be no functionality of Axon Cloud Services during these 90-days other than the ability to retrieve Agency Content. Agency will not incur additional fees if Agency downloads Agency Content from Axon Cloud Services during this time. Axon has no obligation to maintain or provide Agency Content after these 90-days and will thereafter, unless legally prohibited, delete all Agency Content. Upon request, Axon will provide written proof that Axon successfully deleted and fully removed all Agency Content from Axon Cloud Services.
- 14 Post-Termination Assistance.** Axon will provide Agency with the same post-termination data retrieval assistance that Axon generally makes available to all customers. Requests for Axon to provide additional assistance in downloading or transferring Agency Content, including requests for Axon's data egress service, will result in additional fees and Axon will not warrant or guarantee data integrity or readability in the external system.
- 15 U.S. Government Rights.** If Agency is a U.S. Federal department or using Axon Cloud Services on behalf of a U.S. Federal department, Axon Cloud Services is provided as a "commercial item," "commercial computer software," "commercial computer software documentation," and "technical data", as defined in the Federal Acquisition Regulation and Defense Federal Acquisition Regulation Supplement. If Agency is using Axon Cloud Services on behalf of the U.S. Government and these terms fail to meet the U.S. Government's needs or are inconsistent in any respect with federal law, Agency will immediately discontinue use of Axon Cloud Services.
- 16 Survival.** Upon any termination of this Agreement, the following sections in this Appendix will survive: Agency Owns Agency Content, Storage, Axon Cloud Services Warranty, and Axon Cloud Services Restrictions.

- 3 **Out of Scope Services.** Axon is only responsible to perform the professional services described in the Quote and this Appendix. Any additional professional services are out of scope. The Parties must document scope changes in a written and signed change order. Changes may require an equitable adjustment in the charges or schedule.
- 4 **Delivery of Services.** Axon personnel will work Monday through Friday, 8:30 a.m. to 5:30 p.m., except holidays. Axon will perform all on-site tasks over a consecutive timeframe. Axon will not charge Agency travel time by Axon personnel to Agency premises as work hours.
- 5 **Access Computer Systems to Perform Services.** Agency authorizes Axon to access relevant Agency computers and networks, solely for performing the Services. Axon will work to identify as soon as reasonably practicable resources and information Axon expects to use and will provide an initial itemized list to Agency. Agency is responsible for and assumes the risk of any problems, delays, losses, claims, or expenses resulting from the content, accuracy, completeness, and consistency of all data, materials, and information supplied by Agency.
- 6 **Site Preparation.** Axon will provide a hardcopy or digital copy of current user documentation for the Devices ("User Documentation"). User Documentation will include all required environmental

specifications for the professional Services and Devices to operate per the Device User Documentation. Before installation of Devices (whether performed by Agency or Axon), Agency must prepare the location(s) where Devices are to be installed ("**Installation Site**") per the environmental specifications in the Device User Documentation. Following installation, Agency must maintain the Installation Site per the environmental specifications. If Axon modifies Device User Documentation for any Devices under this Agreement, Axon will provide the update to Agency when Axon generally releases it.

- 7** **Acceptance.** When Axon completes professional Services, Axon will present an acceptance form ("**Acceptance Form**") to Agency. Agency will sign the Acceptance Form acknowledging completion. If Agency reasonably believes Axon did not complete the professional Services in substantial conformance with this Agreement, Agency must notify Axon in writing of the specific reasons for rejection within 7 calendar days from delivery of the Acceptance Form. Axon will address the issues and re-present the Acceptance Form for signature. If Axon does not receive the signed Acceptance Form or written notification of reasons for rejection within 7 calendar days of delivery of the Acceptance Form, Axon will deem Agency to have accepted the professional Services.
- 8** **Agency Network.** For work performed by Axon transiting or making use of Agency's network, Agency is solely responsible for maintenance and functionality of the network. In no event will Axon be liable for loss, damage, or corruption of Agency's network from any cause.

Technology Assurance Plan Appendix

If Technology Assurance Plan ("**TAP**") or a bundle including TAP is on the Quote, this appendix applies.

- 1 **Term.** TAP begins after shipment of Devices covered under TAP. If Axon ships Devices in the first half of the month, TAP starts the 1st of the following month. If Axon ships Devices in the second half of the month, TAP starts the 15th of the following month. ("**TAP Term**").
- 2 **TAP Warranty.** The TAP warranty is an extended warranty that starts at the end of the 1-year Hardware Limited Warranty.
- 3 **Officer Safety Plan Standard.** The Officer Safety Plan Standard ("**OSP Standard**") includes Axon Evidence Unlimited, TAP for Axon body-worn camera ("**BWC**") and Axon Dock, one TASER X2 or X26P CEW with a 4-year extended warranty, one CEW battery, and one CEW holster. Agency must purchase OSP for 5 years ("**OSP Term**"). At any time during the OSP Term, Agency may choose to receive the X2 or X26P CEW, battery and holster by providing a \$0 purchase order.
- 4 **Officer Safety Plan 7.** Both the Officer Safety Plan 7 ("**OSP 7**") and Officer Safety Plan 7 Plus ("**OSP 7 Plus**") include Axon Evidence Unlimited, TAP for Axon BWC and Axon Dock, TASER 7 Certification Plan, Axon Records, and Axon Aware. OSP 7 Plus also includes Axon Aware Plus, Signal Sidearm, Auto-Tagging, Axon Performance, Axon Redaction Assistant, and Axon Citizen for Communities. Both bundles are subject to additional terms for services in their bundle. Agency must purchase an OSP 7 subscription for every TASER 7 CEW user. Agency must accept delivery of the TASER 7 CEW and accessories as soon as available from Axon. Some offerings in the OSP 7 bundles may not be generally available at the time of Agency's OSP 7 purchase. Axon will not provide a refund, credit, or additional discount beyond what is in the Quote due to a delay of availability or Agency's election not to utilize any portion of an OSP 7 bundle.

Axon Records is the software-as-a-service product that is generally available at the time Agency purchases an OSP 7 bundle. During the Term, you will be entitled to receive Axon's Update and Upgrade releases on an if-and-when available basis.

An "Update" is a generally available release of Axon Records that Axon makes available from time to time. An Upgrade includes (i) new versions of Axon Records that enhance features and functionality, as solely determined by Axon; and/or (ii) new versions of Axon Records that provide additional features or perform additional functions. Upgrades exclude new products that Axon introduces and markets as distinct products or applications.

New or additional Axon products and applications, as well as any Axon professional services needed to configure Axon Records, are not included in the OSP 7 bundle. The Axon Records subscription will begin upon the start of the OSP 7 Term and end at the end of the OSP 7 Term, as defined below.

- 5 **OSP 7 Term.** OSP 7 begins after Axon ships the Axon Body 3 or TASER 7 hardware to Agency. If Axon ships in the first half of the month, OSP 7 starts the 1st of the following month. If Axon ships in the second half of the month, OSP 7 starts the 15th of the following month. For phased deployments, each phase has its own start and end date based on the phase's first shipment per the above. OSP 7 runs for 5 years from the OSP 7 start date ("**OSP 7 Term**").

- 6** **TAP BWC Upgrade.** If Agency purchased 3 years of Axon Evidence Unlimited or TAP as a standalone and makes all payments, Axon will provide Agency a new Axon BWC 3 years after TAP starts ("**BWC Upgrade**"). If Agency purchases 5 years of Axon Evidence Unlimited, an OSP, or TAP as a standalone and makes all payments, Axon will provide Agency a BWC Upgrade 2.5 and 5 years after TAP starts. If Agency purchased TAP as a standalone, Axon will provide a BWC Upgrade that is the same or like Device, at Axon's option. Axon makes no guarantee the BWC Upgrade will utilize the same accessories or Axon Dock. If Agency purchased Axon Evidence Unlimited or an OSP, Agency may choose a new BWC of Agency's choice.
- 7** **TAP Dock Upgrade.** If Agency purchased 3 years of Dock TAP and makes all payments, Axon will provide Agency a new Axon Dock 3 years after TAP starts ("**Dock Upgrade**"). If Agency purchases 5 years of Axon Evidence Unlimited, an OSP, or Dock TAP and makes all payments, Axon will provide Agency a Dock Upgrade 2.5 and 5 years after TAP starts. The Dock Upgrade at year 2.5 will only include a new Axon Dock bay configuration unless a new Axon Dock core is required for BWC compatibility. If Agency originally purchased a single-bay Axon Dock, the Dock Upgrade will be a single-bay Axon Dock model that is the same or like Device, at Axon's option. If Agency originally purchased a multi-bay Axon Dock, the Dock Upgrade will be a multi-bay Axon Dock that is the same or like Device, at Axon's option.
- 8** **Upgrade Delay.** Axon may ship the BWC and Dock Upgrades at year 2.5 without prior confirmation from Agency unless the Parties agree in writing otherwise at least 90 days in advance. Axon may ship the second BWC and Dock Upgrade 60 days before the end of the Term without prior confirmation from Agency.
- 9** **Upgrade Change.** If Agency wants to change Device models for the offered BWC or Dock Upgrade, Agency must pay the price difference between the MSRP for the offered BWC or Dock Upgrade and the MSRP for the model desired. If the model Agency desires has an MSRP less than the MSRP of the offered BWC Upgrade or Dock Upgrade, Axon will not provide a refund. The MSRP is the MSRP in effect at the time of the upgrade.
- 10** **Return of Original Device.** If Axon provides a warranty replacement 6 months before the date of a BWC Upgrade or Dock Upgrade, the replacement is the upgrade. Within 30 days of receiving a BWC or Dock Upgrade, Agency must return the original Devices to Axon or destroy the Devices and provide a certificate of destruction to Axon including serial numbers for the destroyed Devices. If Agency does not return or destroy the Devices, Axon will deactivate the serial numbers for the Devices received by Agency.
- 11** **Termination.** If Agency's payment for TAP, OSP, or Axon Evidence is more than 30 days past due, Axon may terminate TAP or OSP. Once TAP or OSP terminates for any reason:
- 11.1.** TAP and OSP coverage terminates as of the date of termination and no refunds will be given.
 - 11.2.** Axon will not and has no obligation to provide the Upgrade Models.
 - 11.3.** Agency must make any missed payments due to the termination before Agency may purchase any future TAP or OSP.

Axon Auto-Tagging Appendix

- 1 **Scope.** Axon Auto-Tagging consists of the development of a module to allow Axon Evidence to interact with Agency's Computer-Aided Dispatch ("CAD") or Records Management Systems ("RMS"). This allows end users to auto-populate Axon video meta-data with a case ID, category, and location-based on data maintained in Agency's CAD or RMS. Agency must purchase Axon Auto-Tagging for every Axon Evidence user in Agency, even if the user does not have an Axon body camera.
- 2 **Support.** For thirty days after completing Auto-Tagging Services, Axon will provide up to 5 hours of remote support at no additional charge. Axon will provide free support due to a change in Axon Evidence, so long as long as Agency maintains an Axon Evidence and Auto-Tagging subscription. Axon will not provide support if a change is required because Agency changes its CAD or RMS.
- 3 **Changes.** Axon is only responsible to perform the Services in this Appendix. Any additional Services are out of scope. The Parties must document scope changes in a written and signed change order. Changes may require an equitable adjustment in fees or schedule.
- 4 **Agency Responsibilities.** Axon's performance of Auto-Tagging Services requires Agency to:
 - 4.1. Make available relevant systems, including Agency's current CAD or RMS, for assessment by Axon (including remote access if possible);
 - 4.2. Make required modifications, upgrades or alterations to Agency's hardware, facilities, systems and networks related to Axon's performance of Auto-Tagging Services;
 - 4.3. Provide access to the premises where Axon is performing Auto-Tagging Services, subject to Agency safety and security restrictions, and allow Axon to enter and exit the premises with laptops and materials needed to perform Auto-Tagging Services;
 - 4.4. Provide all infrastructure and software information (TCP/IP addresses, node names, network configuration) necessary for Axon to provide Auto-Tagging Services;
 - 4.5. Promptly install and implement any software updates provided by Axon;
 - 4.6. Ensure that all appropriate data backups are performed;
 - 4.7. Provide assistance, participation, and approvals in testing Auto-Tagging Services;
 - 4.8. Provide Axon with remote access to Agency's Axon Evidence account when required;
 - 4.9. Notify Axon of any network or machine maintenance that may impact the performance of the module at Agency; and
 - 4.10. Ensure reasonable availability of knowledgeable staff and personnel to provide timely, accurate, complete, and up-to-date documentation and information to Axon.
- 5 **Access to Systems.** Agency authorizes Axon to access Agency's relevant computers, network systems, and CAD or RMS solely for performing Auto-Tagging Services. Axon will work diligently to identify as soon as reasonably practicable resources and information Axon expects to use and will provide an initial list to Agency. Agency is responsible for and assumes the risk of any problems, delays, losses, claims, or expenses resulting from the content, accuracy, completeness, and consistency of all data, materials, and information supplied by Agency.

TITLE

ADOPT BY TITLE ONLY RESOLUTION NO. CC-2206-031, A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF REDONDO BEACH, CALIFORNIA AMENDING THE OFFICIAL BOOK OF CLASSIFICATIONS FOR THE POSITION OF FIRE DIVISION CHIEF

EXECUTIVE SUMMARY

The recruitment for the next Fire Division Chief is set to begin this fall with an anticipated retirement. In an effort to widen the applicant pool and provide promotional opportunities for several capable internal candidates the job specification needs to be updated. The requirement for a Bachelor's Degree, for internal candidates only, has been removed due to their expansive knowledge of Redondo Beach and experience in navigating City processes. The Department currently has several members interested in the position and changing the degree requirement will expand the group of applicants significantly. These changes have been discussed and approved by the appropriate bargaining groups. Staff requests the classification specification for this position be updated to recruit the next Division Chief from an expanded group of capable internal candidates.

BACKGROUND

The City maintains an Official Book of Class Specifications for positions in the service of the City. As recruitments for open positions are initiated, class specifications are updated to validate job duties, responsibilities and qualifications. This action is recommended pursuant to Section 2-3.502 of Article 5 and Section 2-3.603 of Article 6, Chapter 3, Title 2 of the Redondo Beach Municipal Code, which authorizes the Mayor and City Council to set forth from time to time the class titles and specifications.

Under the direction of the Fire Chief, the Division Chiefs are the principal members of the leadership team for the Fire Department. Division Chiefs serve as the lead supervisor working 24-hour shifts coordinating complex emergency responses to large fires and multi-victim accidents. This role facilitates efficient emergency operations, coordinated mutual aid responses, effective risk management, and rapid community recovery. Each Division also carries a significant administrative assignment facilitating the direction, budgeting, and accountability for all aspects of the organization. The three different Fire Division Chief assignments include operations, fire prevention, and emergency management. These administrative assignments direct the principal actions of the Fire Department and set the future course of the agency. This direction, in collaboration with the Fire Chief and Fire Association, is the critical guiding force implementing industry best practices and bringing innovative solutions to the Department.

COORDINATION

Changing the classification specification for the Fire Division Chief has been coordinated with the Human Resources Department and Redondo Beach Firefighters Association. Fire Division Chiefs are members of the Management and Confidential labor group with no formal bargaining group. The City Attorney's Office approved the Resolution as to form.

FISCAL IMPACT

There is no fiscal impact associated with changing the classification specification.

To: MAYOR AND CITY COUNCIL

From: BRANDY FORBES, COMMUNITY DEVELOPMENT DIRECTOR

TITLE

APPROVE THE FIRST AMENDMENT TO THE AGREEMENT WITH VERONICA TAM & ASSOCIATES, INC. FOR CONSULTING SERVICES ASSOCIATED WITH THE HOUSING ELEMENT UPDATE AND THE PREPARATION OF AN INCLUSIONARY HOUSING ORDINANCE FOR AN ADDITIONAL AMOUNT OF \$10,440 FOR A NEW TOTAL AMOUNT NOT TO EXCEED \$172,390 AND TO EXTEND THE TERM THROUGH DECEMBER 31, 2022

EXECUTIVE SUMMARY

The City of Redondo Beach is in the process of updating its Housing Element for the 6th Cycle 2021-2029 planning period, as mandated by State Law. Additionally, the City Council has requested preparation of an Inclusionary Housing Ordinance.

A contract with Veronica Tam & Associates (VTA) was approved on October 20, 2020 for both tasks, with a term through June 30, 2022. Additional time is needed to revise the Housing Element for California Department of Housing and Community Development (HCD) approval and to adopt the Inclusionary Housing Ordinance. Therefore, the Community Development Department requests that the contract term be extended to December 31, 2022.

Additionally, there have been multiple revisions to the City's Housing Element, due to a number of new HCD requirements, needed to achieve certification. In order for VTA to assist in completing the next draft, coordinate the public hearing process, and submit the document for HCD certification, her contract needs to be increased by \$10,440 for a new not to exceed amount of \$172,390.

BACKGROUND

On October 20, 2020, the City Council approved a contract with Veronica Tam & Associates to begin work on the 6th Cycle Housing Element update and Inclusionary Housing Ordinance. Veronica Tam & Associates (VTA) has substantial experience in assisting municipalities in preparing Housing Element Updates and in preparing Inclusionary Housing Ordinances. Subconsultants for the contract include Environmental Science Associates (ESA), to prepare the CEQA analysis for the Housing Element, and Keyser Marston Associates (KMA), to conduct the financial evaluation for the Inclusionary Housing Ordinance. Both firms have extensive experience in their respective fields, and the City has utilized ESA to conduct CEQA processes in the past.

VTA completed work on the Housing Element, which was adopted by City Council on October 5, 2021 and then submitted it to the California Department of Housing and Community Development

(HCD) for certification. HCD issued comments on January 5, 2022. City Council provided direction to respond. Staff worked with VTA to prepare a revised Housing Element, which was adopted by City Council on February 8, 2022.

On April 12, 2022 HCD provided a comment letter, requiring additional revisions to the Housing Element. As those revisions need to be made and adopted, and because HCD requires 60 days for review and determination on the revised plan, the timeline for completing the Housing Element work will extend beyond the current contract term. This additional work requires a contract increase of \$10,440, for a new total amount not to exceed of \$172,390.

Since staff and City Council have had to focus on the Housing Element rather than moving forward with completion of the Inclusionary Housing Ordinance, the contract extension will also provide time to complete that portion of the work as well.

COORDINATION

Preparation of the contract amendment was coordinated with the City Attorney's Office.

FISCAL IMPACT

Funding for the original contract amount of \$161,950 was provided by the SB2 Grant Award (\$106,700) for the Housing Element portion of the work and by the General Plan Maintenance Fund (\$55,250) for the Inclusionary Housing Ordinance.

The increased contract amount of \$10,440, which will bring the total not to exceed amount to \$172,390, will be funded by the General Plan Maintenance Fund.

AND VERONICA TAM & ASSOCIATES, INC.**

THIS AGREEMENT FOR CONSULTING SERVICES (this "Agreement") is made between the City of Redondo Beach, a Chartered Municipal Corporation ("City") and Veronica Tam & Associates, a California S corporation ("Consultant" or "Contractor").

The parties hereby agree as follows:

1. Description of Project or Scope of Services. The project description or scope of services to be provided by Consultant, and any corresponding responsibilities of City, or services required to be performed by City are set forth in Exhibit "A."
2. Term and Time of Completion. Consultant shall commence and complete the project or services described in Exhibit "A" in accordance with the schedule set forth in Exhibit "B".
3. Compensation. City agrees to pay Consultant for work performed in accordance with Exhibit "C".

* * * * *

GENERAL PROVISIONS

1. Independent Contractor. Consultant acknowledges, represents and warrants that Consultant is not a regular or temporary employee, officer, agent, joint venturer or partner of the City, but rather an independent contractor. This Agreement shall not be construed as a contract of employment. Consultant shall have no rights to any benefits which accrue to City employees unless otherwise expressly provided in this Agreement. Due to the independent contractor relationship created by this Agreement, the City shall not withhold state or federal income taxes, the reporting of which shall be Consultant's sole responsibility.
2. Brokers. Consultant acknowledges, represents and warrants that Consultant has not hired, retained or agreed to pay any entity or person any fee, commission, percentage, gift, or any other consideration, contingent upon or resulting from the award or making of this Agreement.
3. Services. The project or services set forth in Exhibit "A" shall be performed to the full satisfaction and approval of the City. In the event that the project or services set forth in Exhibit "A" are itemized by price in Exhibit "C", the City in its sole discretion may, upon notice to Consultant, delete certain items or services set forth in Exhibit "A", in which case there shall be a corresponding reduction in the amount of compensation paid to Consultant. City shall furnish Consultant to the extent available, with any City standards, details, specifications and regulations applicable to the Project and necessary for the performance of

Consultant's services hereunder. Notwithstanding the foregoing, any and all additional data necessary for design shall be the responsibility of Consultant.

4. Changes and Extra Work. All changes and/or extra work under this Agreement shall be provided for by a subsequent written amendment executed by City and Consultant.
5. Additional Assistance. If this Agreement requires Consultant to prepare plans and specifications, Consultant shall provide assistance as necessary to resolve any questions regarding such plans and specifications that may arise during the period of advertising for bids, and Consultant shall issue any necessary addenda to the plans and specifications as requested. In the event Consultant is of the opinion that City's requests for addenda and assistance is outside the scope of normal services, the parties shall proceed in accordance with the changes and extra work provisions of this Agreement.
6. Professional Ability. Consultant acknowledges, represents and warrants that Consultant is skilled and able to competently provide the services hereunder, and possesses all professional licenses, certifications, and approvals necessary to engage in its occupation. City has relied upon the professional ability and training of Consultant as a material inducement to enter into this Agreement. Consultant shall perform in accordance with generally accepted professional practices and standards of Consultant's profession.
7. Business License. Consultant shall obtain a Redondo Beach Business License before performing any services required under this Agreement. The failure to so obtain such license shall be a material breach of this Agreement and grounds for immediate termination by City; provided, however, that City may waive the business license requirement in writing under unusual circumstances without necessitating any modification of this Agreement to reflect such waiver.
8. Termination Without Default. Notwithstanding any provision herein to the contrary, the City may, in its sole and absolute discretion and without cause, terminate this Agreement at any time prior to completion by Consultant of the project or services hereunder, immediately upon written notice to Consultant. In the event of any such termination, Consultant shall be compensated for: (1) all authorized work satisfactorily performed prior to the effective date of termination; and (2) necessary materials or services of others ordered by Consultant for this Agreement, prior to Consultant's receipt of notice of termination, irrespective of whether such materials or services of others have actually been delivered, and further provided that Consultant is not able to cancel such orders. Compensation for Consultant in such event shall be determined by the City in accordance with the percentage of the project or services completed by Consultant; and all of Consultant's finished or unfinished work product through the time of the City's last payment shall be transferred and assigned to the City. In conjunction with any termination of this Agreement, the City may, at its own expense, make

copies or extract information from any notes, sketches, computations, drawings, and specifications or other data, whether complete or not.

9. Termination in the Event of Default. Should Consultant fail to perform any of its obligations hereunder, within the time and in the manner provided or otherwise violate any of the terms of this Agreement, the City may immediately terminate this Agreement by giving written notice of such termination, stating the reasons for such termination. Consultant shall be compensated as provided immediately above, provided, however, there shall be deducted from such amount the amount of damages if any, sustained by the City by virtue of Consultant's breach of this Agreement.
10. Conflict of Interest. Consultant acknowledges, represents and warrants that Consultant shall avoid all conflicts of interest (as defined under any federal, state or local statute, rule or regulation, or at common law) with respect to this Agreement. Consultant further acknowledges, represents and warrants that Consultant has no business relationship or arrangement of any kind with any City official or employee with respect to this Agreement. Consultant acknowledges that in the event that Consultant shall be found by any judicial or administrative body to have any conflict of interest (as defined above) with respect to this Agreement, all consideration received under this Agreement shall be forfeited and returned to City forthwith. This provision shall survive the termination of this Agreement for one (1) year.
11. Indemnity. To the maximum extent permitted by law, Consultant hereby agrees, at its sole cost and expense, to defend protect, indemnify, and hold harmless the City, its elected and appointed officials, officers, employees, volunteers, attorneys, and agents (collectively "Indemnitees") from and against any and all claims, including, without limitation, claims for bodily injury, death or damage to property, demands, charges, obligations, damages, causes of action, proceedings, suits, losses, stop payment notices, judgments, fines, liens, penalties, liabilities, costs and expenses of every kind and nature whatsoever, in any manner arising out of, incident to, related to, in connection with or arising from any act, failure to act, error or omission of Consultant's performance or work hereunder (including any of its officers, agents, employees, Subcontractors) or its failure to comply with any of its obligations contained in the Agreement, or its failure to comply with any current or prospective law, except for such loss or damage which was caused by the sole negligence or willful misconduct of the City. Consultant's obligation to indemnify shall not be restricted to insurance proceeds, if any, received by Consultant or Indemnitees. This indemnification obligation shall survive this Agreement and shall not be limited by any term of any insurance policy required under this Agreement.
 - a. Nonwaiver of Rights. Indemnitees do not and shall not waive any rights that they may possess against Consultant because the acceptance by City, or the

deposit with City, of any insurance policy or certificate required pursuant to this Agreement.

- b. Waiver of Right of Subrogation. Consultant, on behalf of itself and all parties claiming under or through it, hereby waives all rights of subrogation and contribution against the Indemnitees.
12. Insurance. Consultant shall comply with the requirements set forth in Exhibit "D." Insurance requirements that are waived by the City's Risk Manager do not require amendments or revisions to this Agreement.
13. Non-Liability of Officials and Employees of the City. No official or employee of the City shall be personally liable for any default or liability under this Agreement.
14. Compliance with Laws. Consultant shall comply with all federal, state and local laws, statutes, ordinances, rules and regulations, and the orders and decrees of any courts or administrative bodies or tribunals, with respect to this Agreement, including without limitation all environmental laws, employment laws, and non-discrimination laws.
15. Limitations upon Subcontracting and Assignment. Consultant acknowledges that the services which Consultant shall provide under this Agreement are unique, personal services which, except as otherwise provided herein, Consultant shall not assign or sublet to any other party without the prior written approval of City, which approval may be withheld in the City's sole and absolute discretion. In the event that the City, in writing, approves any assignment or subletting of this Agreement or the retention of subcontractors by Consultant, Consultant shall provide to the City upon request copies of each and every subcontract prior to the execution thereof by Consultant and subcontractor. Any attempt by Consultant to assign any or all of its rights under this Agreement without first obtaining the City's prior written consent shall constitute a material default under this Agreement.

The sale, assignment, transfer or other disposition, on a cumulative basis, of twenty-five percent (25%) or more of the ownership interest in Consultant or twenty-five percent (25%) or more the voting control of Consultant (whether Consultant is a corporation, limited liability company, partnership, joint venture or otherwise) shall constitute an assignment for purposes of this Agreement. Further, the involvement of Consultant or its assets in any transaction or series of transactions (by way of merger, sale, acquisition, financing, transfer, leveraged buyout or otherwise), whether or not a formal assignment or hypothecation of this Agreement or Consultant's assets occurs, which reduces Consultant's assets or net worth by twenty-five percent (25%) or more shall also constitute an assignment for purposes of this Agreement.

16. Subcontractors. Consultant shall provide properly skilled professional and technical personnel to perform any approved subcontracting duties. Consultant

shall not engage the services of any person or persons now employed by the City without the prior written approval of City, which approval may be withheld in the City's sole and absolute discretion.

17. Integration. This Agreement constitutes the entire agreement between the parties concerning the subject matter hereof and supersedes any previous oral or written agreement; provided, however, that correspondence or documents exchanged between Consultant and City may be used to assist in the interpretation of the exhibits to this Agreement.
18. Amendment. This Agreement may be amended or modified only by a subsequent written amendment executed by both parties.
19. Conflicting Provisions. In the event of a conflict between the terms and conditions of this Agreement and those of any exhibit or attachment hereto, this Agreement proper shall prevail. In the event of a conflict between the terms and conditions of any two or more exhibits or attachments hereto, those prepared by the City shall prevail over those prepared by Consultant.
20. Non-Exclusivity. Notwithstanding any provision herein to the contrary, the services provided by Consultant hereunder shall be non-exclusive, and City reserves the right to employ other contractors in connection with the project.
21. Exhibits. All exhibits hereto are made a part hereof and incorporated herein by reference; provided, however, that any language in Exhibit "A" which does not pertain to the project description, proposal, or scope of services (as applicable) to be provided by Consultant, or any corresponding responsibilities of City, shall be deemed extraneous to, and not a part of, this Agreement.
22. Time of Essence. Time is of the essence of this Agreement.
23. Confidentiality. To the extent permissible under law, Consultant shall keep confidential its obligations hereunder and the information acquired during the performance of the project or services hereunder.
24. Third Parties. Nothing herein shall be interpreted as creating any rights or benefits in any third parties. For purposes hereof, transferees or assignees as permitted under this Agreement shall not be considered "third parties."
25. Governing Law and Venue. This Agreement shall be construed in accordance with the laws of the State of California without regard to principles of conflicts of law. Venue for any litigation or other action arising hereunder shall reside exclusively in the Superior Court of the County of Los Angeles, Southwest Judicial District.

26. Attorneys' Fees. In the event either party to this Agreement brings any action to enforce or interpret this Agreement, the prevailing party in such action shall be entitled to reasonable attorneys' fees (including expert witness fees) and costs. This provision shall survive the termination of this Agreement.
27. Claims. Any claim by Consultant against City hereunder shall be subject to Government Code §§ 800 *et seq.* The claims presentation provisions of said Act are hereby modified such that the presentation of all claims hereunder to the City shall be waived if not made within six (6) months after accrual of the cause of action.
28. Interpretation. Consultant acknowledges that it has had ample opportunity to seek legal advice with respect to the negotiation of this Agreement. This Agreement shall be interpreted as if drafted by both parties.
29. Warranty. In the event that any product shall be provided to the City as part of this Agreement, Consultant warrants as follows: Consultant possesses good title to the product and the right to transfer the product to City; the product shall be delivered to the City free from any security interest or other lien; the product meets all specifications contained herein; the product shall be free from material defects in materials and workmanship under normal use for a period of one (1) year from the date of delivery; and the product shall be fit for its intended purpose(s). Notwithstanding the foregoing, consumable and maintenance items (such as light bulbs and batteries) shall be warranted for a period of thirty (30) days from the date of delivery. All repairs during the warranty period shall be promptly performed by Consultant, at Consultant's expense, including shipping. Consultant shall not be liable under this warranty for an amount greater than the amount set forth in Exhibit "C" hereto.
30. Severance. Any provision of this Agreement that is found invalid or unenforceable shall be deemed severed, and all remaining provisions of this Agreement shall remain enforceable to the fullest extent permitted by law.
31. Authority. City warrants and represents that upon City Council approval, the Mayor of the City of Redondo Beach is duly authorized to enter into and execute this Agreement on behalf of City. The party signing on behalf of Consultant warrants and represents that he or she is duly authorized to enter into and execute this Agreement on behalf of Consultant, and shall be personally liable to City if he or she is not duly authorized to enter into and execute this Agreement on behalf of Consultant.
32. Waiver. The waiver by the City of any breach of any term or provision of this Agreement shall not be construed as a waiver of any subsequent breach.

SIGNATURES FOLLOW ON NEXT PAGE

EXHIBIT "A"

PROJECT DESCRIPTION AND/OR SCOPE OF SERVICES

Consultant shall perform the following duties:

TASK 1 – PROJECT ADMINISTRATION AND COORDINATION

Veronica Tam & Associates (VTA) shall work with City staff and coordinate with the General Plan consultant as necessary to achieve Housing Element adoption on time (by October 15, 2021 or within the 120-day grace period, which will likely be utilized). Regular progress updates with City staff shall occur. These meetings shall be conducted via audio/video conferencing.

TASK 2 – HOUSING ELEMENT ASSESSMENT

Task 2.1 – Evaluation of the 2013-2021 Housing Element

As an initial task to the Housing Element update, VTA shall review and evaluate the City's progress in implementing the programs in the City 2017 Midterm Review of the 2013-2021 Housing Element and recommend changes in programs and objectives needed. The City's 2019 Housing Element Annual Progress Report (APR) is a good starting point for this evaluation.

Task 2.2 – Needs Analysis

The Housing Needs Assessment shall contain the following topics to satisfy Government Code Section 65583(a) requirements:

- Demographics, income, and employment trends;
- Household characteristics;
- Housing stock characteristics;
- At-risk housing analysis; analysis of special housing needs; and
- Affirmatively furthering fair housing analysis.

Most recently, HCD released a Technical Memo for AB 686 (Affirmatively Furthering Fair Housing). VTA shall consult this memo and HCD staff to ensure this new requirement is adequately addressed in the Housing Element update.

Task 2.3 – Sites Inventory and Analysis

The 6th Cycle RHNA is significant for the entire region. The City's draft RHNA is 2,483 units, doubled the City's 5th cycle RHNA. This Housing Element update would require significant efforts to identify additional sites with sufficient capacity for the increased RHNA, taking into considerations the adequate sites requirements under new Housing Element laws (SB 166, AB 1397, etc.). Specifically, HCD recommends a 20 percent buffer to accommodate the No Net Loss requirements.

VTA shall begin with the City's 2017 Housing Element Midterm Review sites inventory and remove parcels that are no longer available for development due to recent development/improvements or change in circumstance. VTA shall then identify additional sites to meet the RHNA. Identification of adequate sites for the RHNA require coordination with the General Plan consultant. The proposed Land Use Policy for the General Plan update may need to be adjusted in order to provide adequate sites for the RHNA.

Task 2.4 – Housing Constraints and Opportunities

VTA shall identify potential governmental and non-governmental constraints to housing production, including environmental and infrastructural constraints. This analysis must contain a review of factors that may potentially constrain the development, improvement, and preservation of housing in Redondo Beach. Factors to be reviewed include market, governmental, environmental, and infrastructural constraints. With the anticipated need to designate additional capacity for residential uses, the impacts of Measure DD would have to be analyzed as a potential constraint.

New Housing Element laws require the assessment of non-governmental constraints, including NIMBYism, lending practices, shortage of labor, and other economic factors.

In addition to the sites inventory, VTA shall also discuss other resources such as funding available and partnership opportunities, as well as opportunities for energy conservation.

Task 2.5 – Housing Implementation Plan

Based upon the analyses and research conducted in the previous tasks, VTA shall update the Housing Element. For each program included in the Housing Element, VTA shall establish the timeframe for implementation, specific objectives, funding sources, and responsible agencies. The programs shall satisfy requirements of Government Code Sections 65583(b) and (c). Several new programs are mandated:

- Program to incentivize Accessory Dwelling Units
- Program to address impediments to fair housing

TASK 3 – COMMUNITY PARTICIPATION (4 MEETINGS)

During the development of the Housing Element, the City is required to conduct outreach for community participation. The Housing Element shall summarize outreach activities and public participation efforts conducted as part of the General Plan Update that are relevant to the Housing Element. In addition, the budget and scope include the following:

- GPAC (1 Meeting) – To discuss with GPAC members regarding the Land Use Alternative and the need for adequate capacity for the RHNA
- Planning Commission and City Council (3 Meetings)
 - Housing Element Kickoff (2 Meetings) - To discuss the Housing Element update, new requirements, and potential challenges for the Redondo Beach Housing Element before the Planning Commission and City Council. Agencies and organizations serving low and moderate income residents and special needs groups, developers, and community stakeholders will be invited to these meetings.
 - Review of Draft Housing Element (1 Meeting) – To review the Draft Housing Element with the Planning Commission prior to submittal to HCD for review

Agencies and organizations serving low and moderate income residents and special needs groups, developers, and community stakeholders will be invited to these public meetings.

TASK 4 – REVIEW AND APPROVAL OF HOUSING ELEMENT AMENDMENT

Task 4.1 – Staff Review of Draft Housing Element

With the analyses conducted in the previous tasks, VTA shall comprehensively update the City's 2017 Midterm Review Housing Element for the 2021-2029 cycle. A Screendraft Housing Element shall be prepared for staff review.

Task 4.2 – Public Review Draft Housing Element

VTA shall revise the Screendraft Housing Element, responding to staff comments to formulate the Public Review Draft. VTA recommends presenting this Draft Housing Element to the Planning Commission prior to submitting for HCD review (see Task 3). VTA shall revise the Public Review Draft Housing Element to reflect any changes desired by the Planning Commission and respond to public comments.

Task 4.3 – HCD Submittal and Review

HCD review of the Draft Housing Element is mandatory. During the review, VTA shall work to address all HCD comments. VTA shall communicate with HCD and facilitate review of the revisions via revised pages. All revisions made to the Draft Housing Element shall be shown as tracked changes. The goal is to secure a Finding of Substantial Compliance on the Draft Element before proceeding to adoption. This way, final certification would be contingent upon adopting the Housing Element as revised and reviewed by HCD, and the City would avoid adopting a Housing Element that does not completely meet HCD requirements and needing to repeat the review and adoption process again.

Task 4.4 – Adoption Public Hearings (2)

Upon completion of HCD review, VTA shall conduct two public hearings one before the Planning Commission and one before the City Council for the adoption of the Housing Element.

Task 4.5 – Final Housing Element and State Certification

After the City Council adoption hearing, VTA shall package a Final Adopted Housing Element, along with the signed resolution, and send to HCD for its final 90-day review. VTA shall follow through with assisting the City in achieving State certification of the Housing Element.

TASK 5 – CEQA CLEARANCE

The Housing Element shall proceed before the General Plan Update. However, all redesignation of sites shall occur as part of the General Plan Update. Therefore, it is assumed the Housing Element shall be able to obtain CEQA clearance via a Negative Declaration or Mitigated Negative Declaration.

VTA will subcontract the CEQA services through ESA. ESA shall provide the following CEQA services for a not to exceed amount of \$18,290:

Scope of Work ESA – CEQA Clearance

ESA anticipates that an Initial Study/(M)ND shall be adequate to provide for CEQA clearance of the Project. While not expected, should it be determined that the Project's potential environmental effects could be significant and cannot be reduced to less than significant levels, and thus potentially require the preparation of an EIR, ESA shall immediately notify the Veronica Tam & Associates and the City (Project Team).

In accordance with CEQA requirements, ESA shall complete the environmental review process for the Project through preparation of an IS/(M)ND with the City of Redondo

Beach as the Lead Agency. The following tasks are required for the timely completion of the environmental review process:

Task 5.1 – Collect Data/Prepare Project Description

ESA shall attend a kickoff meeting with City staff and the Project Team prior to commencing work on the environmental document. Subjects for review and discussion at the meeting shall include, but not be limited to:

- finalize project description details;
- identify any prior environmental documentation that may be relevant to the Housing Element Update;
- identify project databases, sources of information, and key contacts; and
- identify key issues known to be of concern to agencies, interest groups, and the public.

It is assumed that the City shall provide any site-specific studies prepared to date, exhibits, project description details, and materials for development of the environmental document at the kick-off meeting. If additional data is required, ESA shall submit a memo detailing data needs to the City with recommendations on how best to fill them.

ESA shall prepare a draft (M)ND Project Description, with input from the Team, for City review, which shall include: a project location map; a description of the regional and local setting; the housing element history; planning context; population and housing characteristics and trends; and opportunity sites, if any. ESA assumes the necessary amendments shall be included as part of the City's General Plan Update that is currently underway. The Project Description shall be used as the basis for preparing the City's Initial Study Checklist, which is described below. Upon receipt of the City's consolidated comments, ESA shall make necessary changes to the Project Description and submit for the City's final review and approval.

Deliverables:

- Data Needs Memorandum, if needed (electronic submittal)
- Draft and Final Project Description to City for review and approval (electronic submittal)

Task 5.2 – Prepare Initial Study/(M)ND Package

The documentation necessary for completion of the Initial Study/(M)ND shall consist of the City's Initial Study Checklist form accompanied by an Explanation of Checklist Determinations and the Project Description cited above. The Initial Study Checklist is comprised of a number of technical questions under 19 issue areas, each of which must be addressed with supporting data, evidence, and logic based analysis. The Explanation of Checklist Determinations shall substantiate why each of the environmental issues included within the Initial Study Checklist shall not result in significant and unavoidable impacts to the environment. Given the nature of the Housing Element Update, it is anticipated that most issue areas would result in less than significant or no impacts as the Housing Element Update shall lay the groundwork for the City to provide the housing necessary to comply with the RHNA allocation, thereby increasing the housing stock as required. While ESA does not anticipate the need for extensive analysis of environmental issues in light of the nature of the Project, sufficient analysis based on information received in Task 1 shall be provided to satisfy the requirements of CEQA. The following CEQA issue areas would be discussed in the IS/(M)ND:

Aesthetics: ESA shall discuss the visual character of the City and the potential visual and aesthetics impacts to surrounding land uses as a result of implementation of the Housing Element Update.

Agricultural and Forestry Resources: There are currently no agriculture or forest resources in the City. Thus, it is anticipated that this analysis of this environmental topic would not result in impacts.

Air Quality: The air quality impact analysis shall include a general discussion of potential temporary, short-term (i.e., construction) air pollutant effects. ESA shall discuss short-term emissions attributable to development anticipated under the housing element and quantitatively assess the proposed project. Projected construction emissions shall be discussed based on construction data (e.g., assumed duration of construction, amount of land to be disturbed/graded, typical types of equipment to be used) for the proposed housing sites. Longterm (i.e., operational) air pollutant emissions, including stationary, area, and mobile source emissions shall be assessed. Regional mobile source emissions shall be estimated based on trip generation data from the transportation analysis. With respect to GHG emissions associated with future development under the housing element, ESA shall evaluate consistency with applicable strategies to reduce GHG emissions.

Biological Resources: The City of Redondo Beach is primarily developed. Given that development would likely occur in already urban areas, it is unlikely that there would be significant impacts associated with this topic. Nevertheless, the IS/MND shall consider the Housing Element Update's impact on biological resources, including direct and indirect impacts that could arise and identify appropriate mitigation, if necessary.

Cultural Resources: ESA shall identify and evaluate the potential impacts to cultural resources associated with the Housing Element Update and identify appropriate mitigation measures, if necessary. ESA shall rely in part on information provided in any previous studies done within the City of Redondo Beach to evaluate the cultural context. In addition, ESA shall conduct a cultural resources investigation to assess potential impacts to cultural resources associated with opportunity sites, if such are identified. A desktop geoarchaeological review to assess subsurface sensitivity for archaeological resources shall be conducted. Historic architectural resources shall be identified through a record search and any other available information. The results of the archaeological records search, geoarchaeological review, and historic database review shall be summarized in the IS/(M)ND. ESA shall further request a Sacred Lands File search from the Native American Heritage Commission (NAHC) to determine if any Native American traditional/cultural sites are located within the City. In consultation with the City, ESA shall prepare SB 18 and AB 52 letters in anticipation of a General Plan amendment and the preparation of a CEQA document, respectively. ESA assumes no cultural resources survey shall be conducted. ESA also assumes the City shall not require tribal assistance beyond the preparation of the letters.

Energy: ESA shall consider the increase in energy resources associated with the implementation of the Housing Element Update. This analysis shall consider the potential for any significant direct, indirect, and cumulative energy impacts, and associated mitigation measures. The section shall be closely coordinated with the

Project Description and GHG analysis to ensure the project and associated environmental effects are consistently characterized.

Geology and Soils: ESA shall conduct analyses of the potential impacts associated with geology and soils based on available public information, information in the General Plan, and any information provided by the City. In addition, with regard to paleontological resources, which are analyzed under the geology and soils topic, ESA shall conduct background research on the project area. ESA shall also discuss the potential impacts to paleontological resources and provide any necessary mitigation.

Greenhouse Gas Emissions: As discussed above under the Air Quality topic, ESA shall evaluate potential GHG impacts associated with the implementation of the Housing Element Update including the potential for any significant direct, indirect, and cumulative impacts. The section shall be closely coordinated with the Project Description and Air Quality analysis to ensure the Housing Element Update and associated environmental effects are consistently characterized.

Hazards and Hazardous Materials: ESA shall evaluate the potential for hazards and hazardous materials impacts associated with the implementation of the Housing Element Update, and identify mitigation measures, if necessary. ESA shall rely in part on information provided in any previous studies done within the City of Redondo Beach as well as other available information to evaluate the potential for hazards and hazardous materials.

Hydrology and Water Quality: ESA shall evaluate whether the implementation of the Housing Element Update would result in any direct or indirect physical changes to the environment as it relates to hydrology and water quality and whether the Housing Element Update would change programs or policies related to hydrology or water quality.

Land Use and Planning: The analysis of land use impacts shall evaluate the Housing Element Update's consistency with existing land use plans and zoning. This section shall discuss the existing land use and planning setting and the potential for environmental impacts associated with the Housing Element Update and identify mitigation measures, where appropriate. Any amendment needed to implement the Housing Element Update shall be evaluated through the General Plan Update process.

Mineral Resources: ESA shall describe that the Housing Element Update would not result in direct or indirect physical changes to the environment that would affect mineral resources.

Noise: ESA shall prepare a noise analysis that shall describe the noise impacts resulting from construction and on-site noise levels associated with existing and future traffic on local roadways. ESA shall rely on long-term noise data in the General Plan to the extent possible. The impacts of the project's noise and vibration levels shall be determined relative to the City's applicable noise level criteria in its Noise Control Ordinance and General Plan Noise Element.

Population and Housing: The Housing Element Update shall include programs to increase housing development within the City of Redondo Beach and, as a result, it is anticipated that this Update would increase population. ESA shall evaluate the potential

for the Housing Element Update to directly or indirectly induce population, housing, and employment growth within the City. The evaluation shall identify the existing population, housing, and employment conditions with reliance on the General Plan, other City sources, Census 2010 data, and associated projections for population, housing, and employment, including those provided by SCAG and evaluate the Housing Element Update's effects relative to projected population, housing, and employment to determine any conflicts related to growth, particularly those that would translate to significant physical impacts on the environment.

Public Services/Recreation: The Housing Element Update would include proposed programs that would increase population growth and demand for public services, including fire protection, police protection, schools, parks/recreation, and other public facilities such as libraries, in the City of Redondo Beach. ESA shall evaluate whether implementation of the of the Housing Element Update would result in any direct or indirect physical changes to the environment that would affect public services.

Transportation and Circulation: The Housing Element Update has the potential to increase population growth and the use of transportation services. While CEQA section 15064.3 requires an evaluation of Vehicle Miles Traveled (VMT), this analysis is required for development projects and transportation projects, and the adoption of the Housing Element Update would not be considered as either a development or transportation project. Thus, the evaluation shall consider consistency with applicable programs, plans, ordinances, or policies addressing the circulation system and whether the Housing Element Update would result in an increase in hazards or impacts to emergency access.

Tribal Cultural Resources: While AB 52 is the responsibility of the lead CEQA agency, ESA shall assist the City in preparing AB 52 letters. ESA assumes that the City shall conduct consultation with tribal representatives who have requested notification of projects within the City pursuant to California Public Resources Code Section 21080.3.1 (Assembly Bill 52). ESA shall document the results of the City's consultation in the Tribal Cultural Resources discussions. ESA is available to assist with consultation if so requested by the City under a separate scope and cost.

Utilities and Service Systems: The Housing Element Update would include proposed programs that would increase population growth and demand for utilities and services systems, including water, wastewater, stormwater drainage, electric power, natural gas, telecommunication systems, and solid waste, in the City of Redondo Beach. ESA shall evaluate whether implementation of the of the Housing Element Update would result in any direct or indirect physical changes to the environment as it related to utilities and service systems.

Wildfire: The City of Redondo Beach is not located within a California Department of Forestry and Fire Protection (CAL FIRE-defined Fire Hazard Severity Zone) Very High Fire Hazard Severity Zone. ESA shall evaluate whether the implementation of the Housing Element Update would result in any direct or indirect physical changes to the environment as it relates to wildfire.

Upon completion of the Initial Study/(M)ND, ESA shall submit the document to the City for review. ESA shall incorporate revisions to the document based on the single set of consolidated City comments. Upon incorporation of City revisions, ESA shall prepare a proof-check of the Initial Study/(M)ND package for City review. Upon finalization of the

Initial Study/(M)ND package, ESA shall provide a public review Draft (M)ND for City use. The City or ESA shall prepare and circulate the Notice of Intent to Adopt an (M)ND to Responsible Agencies, trustee agencies, other interested parties and the County Clerk as mandated by CEQA. In addition, ESA assumes the City shall arrange for publication of the notice in a newspaper of general circulation pursuant to CEQA Guidelines Section 15072(b)(1). It is assumed that posting of the NOC would be provided at City Hall and/or on the City Website, and would be posted by the City. This scope of work assumes ESA shall be responsible for the distribution of the IS/MND to the State Clearinghouse, agencies, interested organizations, and selected public libraries. This notice shall start the 30-day review period for the proposed (M)ND.

Deliverables:

- Draft Initial Study/(M)ND for City review (1 electronic copy)
- Proof-Check Draft Initial Study /(M)ND for City Review (1 electronic copy)
- Public Review Draft MND (1 electronic copy)

Task 5.3 – Prepare Final Initial Study/(M)ND

Upon completion of the public review period mandated by CEQA, ESA shall respond to comments on the IS/(M)ND and shall revise the document if necessary. The Responses to Comments shall be included in the Final MND, or as a standalone document. Public reaction to the IS/(M)ND cannot be predicted with accuracy and could range from a small number of largely positive comments to a substantial number of technical and/or strongly negative comments. In light of the fact that the City shall have involved the public during the preparation of the Housing Element Update, it is assumed that comments on the environmental document shall be light. If the Housing Element Update is approved and the IS/(M)ND is adopted, ESA shall prepare a Notice of Determination (NOD) consistent with Appendix D of the State CEQA Guidelines or in a format typically used by the City. Upon approval, ESA shall file the notice with the County Clerk within 5 working days. It is assumed that the City will provide any necessary filing fees. Filing of the NOD starts a 30-day statute of limitations for CEQA challenges on the Housing Element Update. ESA shall attend up to two (2) public hearings regarding the IS/(M)ND during the process.

Deliverables:

- Draft - Final MND for City review (1 electronic copy)
- Proof-Check – Final MND for City Review (1 electronic copy)
- Final MND (1 electronic copy)
- Notice of Determination

TASK 6 – INCLUSIONARY HOUSING ORDINANCE

Task 6.1 – Financial Feasibility Study

VTa will subcontract the Inclusionary Housing duties to Keyser Marston Associates (KMA). KMA shall conduct a feasibility study to test various parameters for the program, such as:

Ownership versus rental units

- Housing unit type
- Project size threshold
- Percent of requirement
- Income distribution of required affordable units

The KMA study shall also include a summary of recently adopted inclusionary housing programs in the State and compare the various parameters used in these programs. The cost for the KMA analysis shall be \$39,200 and cover the following scope:

Scope of Work KMA – Inclusionary Housing Financial Feasibility Study

The purpose of the KMA analysis shall be to evaluate the financial feasibility of imposing inclusionary housing requirements on the following types of new residential development within Redondo Beach:

1. Single family homes;
2. Condominiums; and
3. Apartment projects.

For analysis purposes, KMA shall create prototype developments for each of the three identified housing types. These prototypes shall be developed in consultation with the City staff, and they shall be representative of project types currently being developed in Redondo Beach.

The foundation of the Financial Evaluation shall be a market analysis, affordability gap analyses, and the use of KMA's proprietary pro forma models. KMA shall also review the City's anticipated Regional Housing Needs Assessment (RHNA) targets to gain an

understanding of the existing unmet need for affordable housing at varying income levels. The RHNA information and the results of financial feasibility testing will inform the recommendations regarding the percentage of affordable housing and the depth of affordability to be included in an inclusionary housing program.

The Financial Evaluation shall include be used to assist in recommending the following inclusionary housing program characteristics:

1. The threshold project size that will trigger the inclusionary requirements;
2. The percentage of affordable units that will be required to be provided;
3. The income and affordability restrictions that will be imposed;
4. The comparability standards that will be imposed on inclusionary units;
5. The treatment of inclusionary requirements that result in fractional units;
6. The supportable in-lieu fee payment amounts given the affordability gaps associated with the prototype residential types being evaluated;
7. Off-site alternatives to developing the inclusionary units on site within a market-rate project; and
8. Identification of project types that may be exempt from the inclusionary housing requirements.

In addition, KMA shall conduct a comparative analysis of the salient characteristics of other inclusionary housing policies and undertake a survey of the programs adopted throughout California. The purpose of the comparative analysis is to identify characteristics of inclusionary housing programs that are typically imposed. The results shall be used by KMA to identify the best practices being employed. This information shall provide context for the inclusionary housing program parameters to be recommended to the City.

DELIVERABLE PRODUCTS

FINANCIAL EVALUATION

As part of the Financial Evaluation, KMA proposes to deliver the following work products to the City:

1. The major assumptions to be applied in the pro forma analyses shall be identified.
2. A draft report shall be prepared that shall be supported by tables, data and other materials relevant to the analysis.

INCLUSIONARY POLICY RECOMMENDATIONS

KMA proposes to set forth policy recommendations that shall be based on the results of the Financial Evaluation, and the following other sources of information:

1. The City's zoning documents, including the anticipated RHNA targets;
2. The City's affordable housing planning documents;
3. Community input;
4. The best practices identified in the survey of existing inclusionary housing programs; and

5. Ongoing discussions with City staff.

The policy recommendations memorandum shall be organized as follows:

1. The findings of the Financial Evaluation shall be summarized.
2. The components of the recommended policies shall be identified. The following policy recommendations for ownership and rental housing development shall be included:
 - a. The financially feasible income targeting to be imposed;
 - b. The percentage of housing units that should be set aside as inclusionary housing units;
 - c. The alternatives to on-site inclusionary housing development that should be allowed by right and those that should require approval by the City Council;
 - d. The role that the California Government Code Section 65915 – 65918 density bonus should play in establishing income and affordability requirements for the City's inclusionary housing program; and
 - e. The implementation and administrative tools that should be created by the City after an inclusionary housing program is adopted.
3. The recommendations implementation package shall be described.
4. Case studies shall be presented that compare the inclusionary housing options that could potentially be applied to hypothetical projects.

PROPOSED TIMING/BUDGET

KMA proposes to complete the draft Financial Evaluation report and Policy Recommendations memorandum within eight weeks of receiving authorization from the City to proceed and the necessary background data from the City. In the following table KMA has provided an estimated fee for each task included in this proposal.

Task	Budget
Inclusionary Housing: Financial Analysis Report	\$27,400
Policy Recommendations Memorandum	\$9,000
Meetings/Presentations	\$2,800
Total	\$39,200

The fee for the individual tasks may vary from these estimates, but the total budget shall not be altered unless the work scope is expanded beyond the parameters identified in

this proposal. The preceding budget includes up to 10 hours of in-person/virtual meeting time with City staff, Planning Commission and City Council.

It is important to note that if the scope of services changes materially, and/or the in-person/virtual meeting time requested by the City exceeds 10 hours, the budget will need to be adjusted accordingly. If once the project has started, KMA believes that the budget could be exceeded, KMA will contact the City immediately for further direction.

Task 6.2 – Public Meetings (5)

VTA has included up to five meetings to discuss the inclusionary housing program with the Planning Commission and City Council:

- Introductory meeting – inclusionary housing program basics, including process and parameters for consideration, and relationship with the Housing Element and RHNA
- Parameters setting – discussions to establish basic parameters for KMA to test feasibility
- Recommendation – KMA to report on findings of study and recommend parameters for City ordinance
- Public hearings (2) – for adoption of ordinance

Task 6.3 – Ordinance Preparation

Based on Council direction (after completion of KMA study), VTA shall draft the Inclusionary Housing Ordinance for the City. Two rounds of revision are anticipated to address staff comments. The budget and scope do not include legal review the Draft Ordinance.

It is assumed that the City may claim exemption status under CEQA for the Inclusionary Housing Ordinance. Therefore, the scope and budget do not include CEQA documentation for the Ordinance.

Meeting Date: 10/20/2020

From: BRANDY FORBES, COMMUNITY DEVELOPMENT DIRECTOR

TITLE

APPROVE CONTRACT WITH VERONICA TAM & ASSOCIATES, INC. FOR CONSULTING SERVICES ASSOCIATED WITH THE HOUSING ELEMENT UPDATE AND THE PREPARATION OF AN INCLUSIONARY HOUSING ORDINANCE FOR THE TOTAL AMOUNT NOT TO EXCEED \$161,950 FOR THE TERM OF OCTOBER 20, 2020 THROUGH JUNE 30, 2022.

EXECUTIVE SUMMARY

The City of Redondo Beach is preparing to update its current Housing Element for the 2021-2029 planning period, as mandated by State law. The Housing Element does require California Environmental Quality Act (CEQA) analysis, typically an Initial Study/Negative Declaration or an Initial Study/Mitigated Negative Declaration.

Additionally, the City Council has expressed interest in having an Inclusionary Housing Ordinance prepared. Although this type of ordinance is expected to be eligible for a CEQA exemption, there is typically a financial feasibility analysis that accompanies an Inclusionary Housing Ordinance to ensure that the requirements established in the ordinance are justifiable and in accordance with State housing laws.

This City Council agenda item is for the approval of a contract with Veronica Tam and Associates, Inc. for the preparation of the Housing Element Update and Inclusionary Housing Ordinance for an amount not to exceed \$161,950 for a term through June 30, 2022.

BACKGROUND

HOUSING ELEMENT UPDATE

The existing Housing Element was updated in 2013, covering an 8-year cycle from 2013-2021. The City provided a mid-term update to the Housing Element in 2017. The City of Redondo Beach is preparing to update its current Housing Element for the 2021-2029 planning period, as mandated by State law. The Housing Element Update provides a timely and extensive process by which the City of Redondo Beach can collectively and comprehensively plan for the development of housing on specific sites throughout the entirety of the City.

As part of the Housing Element Update, Redondo Beach must identify ways to reduce regulatory, physical, and environmental constraints to the production of housing and identify a sufficient amount

of developable land that can accommodate its assigned housing growth. This process and the resulting documentation will identify and zone specific housing sites for the City to meet its Regional Housing Needs Allocation (RHNA) amount of 2,483 for the 6th Cycle. The Housing Element Update also includes outreach to obtain input, allay concerns, and identify solutions from the local community - bringing the public along with the overall planning effort.

Overall, the Housing Element provides a policy-level foundation to expand housing production, coupled with a strong implementation plan that includes specific quantified objectives and programs with some mandates for execution in the first part of the planning period (e.g., within the first three years for any rezoning needed to accommodate the RHNA, Section 65583(c)(1)(A) and 65583.2(c) of Government Code).

INCLUSIONARY HOUSING ORDINANCE

The City Council has expressed interest in the preparation of an Inclusionary Housing Ordinance. This type of ordinance requires a percentage of units to be restricted to certain levels of affordability in housing development projects meeting a set size threshold. There are several parameters that the City Council must decide upon. Once those are selected, it is necessary to conduct a financial feasibility analysis to determine that the ordinance with those parameters would not preclude or deter market rate housing from being built. This is a necessary step to ensure that the ordinance is justifiable and in accordance with State housing laws.

TIMING FOR PROJECT

Once the contract with VTA is approved, the consultant will begin work on both the Housing Element and the Inclusionary Housing Ordinance immediately. These two tasks can be conducted simultaneously.

Timing for Housing Element Update

The process for the Housing Element Update includes evaluating the existing Housing Element and Annual Progress Reports to determine changes needed in programs and objectives. The needs analysis will be conducted. Since the 6th Cycle RHNA amount almost doubled the City's 5th Cycle RHNA obligation, the sites inventory and analysis will need to be updated and expanded. The consultant will then identify housing constraints and opportunities. Finally, the Housing Implementation Plan will be prepared, updating the Housing Element. Community participation meetings will be conducted, including a GPAC meeting and meetings before the Planning Commission and City Council.

The work to prepare the Housing Element Update will occur through the summer of 2021, with an environmental review being conducted once the draft is prepared. The Housing Element adoption deadline is within a 120-day grace period of October 15, 2021. Thus, the Housing Element Update will be submitted to the State Department of Housing and Community Development (HCD) by February 11, 2022. The review schedule for HCD is 90 days after submittal, with additional coordination with HCD incorporated into the scope of work.

Timing for Inclusionary Housing Ordinance

It is expected that the first discussion meeting for the Inclusionary Housing Ordinance could be scheduled as early as mid-November of this year, providing a basic understanding about inclusionary housing programs, a description of the process and parameters for consideration, and the relationship of the ordinance with the Housing Element and RHNA. The next meeting with the

consultant will be initial parameter setting. This discussion will establish the basic parameters the City Council is interested in for the financial feasibility sub-consultant to evaluate. Once that evaluation is completed (approximately 8 weeks from receiving direction on parameters from City Council), the results will be presented to Council to discuss any modifications needed to parameters. The ordinance will then be prepared with those parameters incorporated.

CONSULTANT

Veronica Tam & Associates, Inc. (VTA) has substantial experience in assisting municipalities in preparing Housing Element Updates and in preparing Inclusionary Housing Ordinances. VTA has a long history working with the City of Redondo Beach and is familiar with the constraints the City of Redondo Beach is faced with regarding housing. The subconsultants for this contract include Environmental Science Associates (ESA) to prepare the CEQA analysis for the Housing Element and Keyser Marston Associates (KMA) to conduct the financial evaluation for the Inclusionary Housing Ordinance. Both firms have extensive experience in their respective fields, and the City has utilized ESA to conduct CEQA processes in the past.

The existing Housing Element was updated in 2013, covering an 8-year cycle from 2013-2021. The City provided a mid-term update to the Housing Element in 2017. The City applied for the SB2 Grant Funds from HCD to cover the preparation of the next Housing Element commencing in 2020. That grant agreement was executed in June 2020, authorizing the City to begin the procurement process. The agreement allows the City as the Grantee to utilize its normal procurement policy, including the use of sole source purchasing. The RBMC does permit use of professional services without seeking competitive bids, as authorized by RBMC 2-6.09, and Staff have followed the necessary procurement policies and procedures for this contract.

VTA has worked with the City on housing issues for several years, including providing critical support to the City's decision makers and the Community Development Department regarding preparation of Housing Element reports; review of adopted housing bills; and consideration of RHNA methodologies, allocations, and appeals. VTA has extensive knowledge of Redondo Beach's housing constraints and sites inventory. Utilizing another firm would require an extensive learning curve, adding cost and time to the contract. Due to sole source qualifications of VTA, the time constraints of the Housing Element deadline, and the City Council's interest in pursuing an Inclusionary Housing Ordinance in a timely fashion, Staff is recommending the City Council approve the contract with VTA for a total not to exceed amount of \$161,950.

COORDINATION

The Community Development Department collaborated with the City Attorney's Office to develop the agreement. The City Attorney's Office has approved the agreement as to form.

FISCAL IMPACT

The cost of this agreement includes the Housing Element for \$88,410, the CEQA Clearance for the Housing Element for \$18,290, and the Inclusionary Housing Ordinance for \$55,250, for a total not to exceed amount of \$161,950. The funding sources for this contract include up to \$106,700 (Housing Element and CEQA review) from the SB2 Grant Award received by HCD and the remainder to be funded through the General Plan Maintenance Fund.

APPROVE THE NON-STATE ENTITY SERVICE POLICY AND AGREEMENT (NESPA) WITH THE CALIFORNIA DEPARTMENT OF TECHNOLOGY TO SELF-CERTIFY THE CITY OF REDONDO BEACH AS A VALID NON-STATE ENTITY AUTHORIZED TO PARTICIPATE IN CALIFORNIA NETWORK AND TELECOMMUNICATIONS PROGRAM (CALNET) 4 CONTRACTS

APPROVE THE CALNET 4 AUTHORIZATION TO ORDER FORM WITH THE CALIFORNIA DEPARTMENT OF TECHNOLOGY TO ALLOW THE CITY OF REDONDO BEACH TO ORDER DATA NETWORK AND COMMUNICATIONS SERVICES AND PRODUCTS OFF OF CONTRACT IFB-C4DNCS19 CATEGORIES 20 THROUGH 30, FOR THE TERM APRIL 4, 2020 - JUNE 30, 2025

APPROVE CALNET 4 INDIVIDUAL PRICE REDUCTION AGREEMENT AND CALNET 3 INDIVIDUAL PRICE REDUCTION NOTIFICATION WITH MCI COMMUNICATION SERVICES LLC DBA VERIZON BUSINESS SERVICES FOR DATA CIRCUIT TRANSPORT AND PRIVATE WIRELESS GATEWAY SERVICES SPEED INCREASE FROM 50MBPS TO 300MBPS FOR MOBILE PUBLIC SAFETY NETWORK CONNECTIVITY FOR AN ESTIMATED INCREASE OF \$7,960 PER YEAR ON A MONTH-TO-MONTH TERM

EXECUTIVE SUMMARY

Public Safety mobile data computers securely access the City's Computer Aided Dispatch (CAD) and Records Management Systems (RMS) via a 50Mbps point-to-point data circuit directly connected to Verizon Wireless. Although sufficient for the previous CAD/RMS system, additional bandwidth is required for the new, recently implemented CAD/RMS. Included in the data circuit monthly cost is Verizon Private Wireless Gateway services (PWG) which enables the City to extend isolated private ethernet networks into the Verizon Wireless cellular data network.

Application behavior has also changed in that updates take place more frequently and use significantly larger amounts of bandwidth, which can affect performance and increase wait times in a mission critical environment. The data circuit and PWG 300Mbps upgrade will enable faster access to network services and provide for increased functionality and efficiencies for public safety mobile data users.

The original Verizon Master Agreement (governing agreement) is active on a month-to-month basis following the initial July 18, 2017 to July 17, 2020 service term. CALNET 4 NESPA self-certifies the City as a non-state entity authorized to participate in CALNET 4 contracts. The CALNET 3

Authorization to Order Form (ATO), executed in 2014 and required to order CALNET 3 services, is still valid.

BACKGROUND

From 2002 to 2006 the Police Department operated its mobile data computers on a Motorola private radio network at a speed less than 19.2Kbps per second. The data transfer rate of this system was comparable to a dial-up modem with a home computer. Police vehicle computer access was limited to five to twenty miles outside the City boundaries depending on the surrounding topography. The data had to be routed through the Los Angeles County Sheriff's network and required the assistance of L.A. County network technicians to add or delete units.

From 2006 to 2008 mobile data computers were installed into public safety vehicles. The IT Department then migrated the Police and Fire department's mobile network connectivity to a private point-to-point communication line between the City's network and Verizon Wireless. The increased communication bandwidth from 19.2Kbps per second to 1.5Mbps per second allowed officers and firefighters to access maps, photos, the City intranet and other files that provided for greater effectiveness in the field.

In 2010, the service was upgraded to 9.44Mbps. The speed increase enabled public safety staff to travel throughout Southern California (or wherever there is a Verizon Wireless signal), and retain access to the City's CAD/RMS as well as state and federal databases. An invaluable service when Police and Fire have responded to mutual aid requests for fires, other disasters and civil disorder events. This access level, however, became limited in what it could support as technology advanced.

To accommodate bandwidth consuming applications, the service was upgraded to 50Mbps in July, 2017. The need for more bandwidth to support public safety applications is reflective of the increasing reliance on technology by public safety. The new 300Mbps circuit will meet the current bandwidth requirements of the City's new CAD/RMS and allow for the use of future bandwidth-intensive applications.

COORDINATION

The data circuit and PWG speed upgrade was coordinated between IT staff and Verizon. The CALNET 4 NESPA, CALNET 4 ATO form and CALNET 3 and 4 Individual Price Reduction forms were approved as to form by the City Attorney's Office.

FISCAL IMPACT

Due to complexities with the State's transition from CALNET 3 to CALNET 4, Verizon is providing a 300Mbps data circuit at the 250Mbps cost. The \$7,960/year increase over the current 50Mbps data circuit and PWG costs will be funded from the Information Technology Internal Service Fund. Estimated taxes and management fees are included in the monthly cost and could vary month-to-month.

The contracted CALNET 4 price for the 300Mbps data transport circuit results in a cost reduction from \$2,006.19 to \$1,753.23/month. The contracted CALNET 3 price for 300Mbps PWG services results in a cost reduction from \$2,853.60 to \$865.31/month. Without the price reductions the increase in cost for 300Mbps would have been \$35,505/year.

A.7 INDIVIDUAL PRICING REDUCTIONS (IPR)

A.7.1 IPR GENERAL PROVISIONS

Contractor may enter into price negotiations with CALNET 3 Customers. These price negotiations allow Contractor to reduce prices: a) on one (1) or more service(s); b) for one (1) or more Customers at a time; and/or c) by geographic area or location(s). CALNET 3 allows for three (3) different Individual Price Reduction (IPR) scenarios: Standard IPR, Duration IPR, and Non-Exemption IPR.

The following general provisions apply to all IPRs:

1. Contractor shall submit to CALNET 3 CMO an electronic copy of an MS Excel document consisting of an analysis of current Contract pricing and proposed IPR pricing;
2. The following information and the data fields shall appear as columns on the MS Excel document in the order specified below:
 - a. Category;
 - b. Subcategory;
 - c. Feature Name;
 - d. Product Identifier;
 - e. Customer NRC;
 - f. Proposed IPR Customer NRC;
 - g. IPR Percentage Discount for NRC;
 - h. Customer MRC;
 - i. Proposed IPR Customer MRC;
 - j. IPR Percentage Discount for MRC;
 - k. Term IPR Y/N;
 - l. Term IPR Competitor's Price NRC; and,
 - m. Term IPR Competitor's Price MRC.
3. CALNET 3 CMO has final approval authority for all IPRs. An IPR shall not be implemented until approved in writing by CALNET 3 CMO. An IPR becomes effective on the date that it is approved by CALNET 3 CMO, unless otherwise noted for a future date in the IPR Notification (IPRN) document;
4. Within ten (10) Business Days of a Customer's concurrence to an IPR, the Contractor shall submit the IPR on an IPRN document to the CALNET 3 CMO for written approval;
5. No additional service taxes, fees, surcharges or surcredits will be allowed except as described in Section A.5.8 (Service Taxes, Fees, Surcharges, and Surcredits) and SOW Appendix C, Special Terms and

Conditions - Telecommunications, Section T (Service Taxes, Fees, Surcharges, and Surcredits);

6. Once an IPRN is approved by CALNET 3 CMO, Contractor shall not cancel or increase pricing for any service listed in the IPRN;
7. All IPRs shall be subject to examination and audit pursuant to PMAC General Provisions – Telecommunications, Section 44 (Examination and Audit);
8. The IPRN and information regarding the approved IPR service rate(s) shall be subject to the California Public Records Act; and,
9. Implementation of an approved IPR does not require reduction of Contracted rate(s) for service(s), pursuant to SOW Appendix C, Special Terms and Conditions – Telecommunications, Section I (“Most Favored Nation”) Status of State, and PMAC General Provisions – Telecommunications, Section 30 (Additional Rights). However, if Contracted rate(s) are reduced below the IPR rate(s) for such service(s), the reduced Contracted rate(s) shall automatically apply to the IPR, but the term commitments shall remain in place for Duration IPRs and Non-Exempt IPRs.

A.7.2 STANDARD IPRs

The following provisions apply to Standard IPRs:

1. The Contractor shall be allowed to reduce one (1) or more Contracted service prices for a Customer for the Term of the Contract;
2. IPRs shall be for reduced service pricing only. All other Contract terms and conditions, including Service Level Agreements, will remain unchanged;
3. Customer may cancel any or all services(s) subject to the Standard IPR without penalty; and,
4. The Standard IPR Service rate(s) shall continue in effect from the date of IPR approval by CALNET 3 CMO through the remainder of the Term of the Contract unless terminated earlier by Customer or CALNET 3

CMO in accordance with the terms and conditions of the Contract, or if IFB STPD 12-001-A Section A.7.1 (IPR General Provisions) #8 applies.

A.7.3 DURATION IPRs

The following provisions apply to Duration IPRs:

1. The Contractor may offer individual price reductions that require term commitments;
2. Acceptance of any solicitation or offer from the Contractor shall be at the sole discretion of the Customer;
3. Duration IPRs shall be for reduced service pricing and term commitment only. All other Contract terms and conditions, including Service Level Agreements, will remain unchanged;
4. The duration of a Duration IPR shall not exceed the Term of the awarded IFB STPD 12 001 A Contract; and,
5. In the event that a Customer elects to terminate Service(s) subject to Duration IPR Pricing for reasons other than (1) a Contractor default, or (2) circumstances outside such Customer's reasonable control, such Customer shall be liable to Contractor for an early termination charge. This charge shall be calculated based on the following: a) monthly difference in the original contract rate and the Duration IPR rate multiplied by the number of months the service was used under the Duration IPR; b) 10% of the original Contract Rate multiplied by the number of months used under the Duration IPR; and c) any unrecovered nonrecurring charges owed to Contractor on the date of termination.

A.7.4 NON-EXEMPTION IPRs

The following provisions apply to Non-Exemption IPRs:

1. In response to non CALNET 3 Contracted vendors' proposals presented to Customers, and in accordance with the CALNET 3 CMO exemption process, CALNET 3 Contractors shall be given the opportunity to provide individual price reductions that require term commitments;
2. A minimum of three (3) CALNET 3 Contractors, unless otherwise directed by CALNET 3 CMO, shall be given the opportunity to respond.

Contractors may be selected at the discretion of the Customer or under the direction of the CALNET 3 CMO;

3. IPRs shall be for reduced service pricing and term commitment only. All other Contract terms and conditions, including Service Level Agreements, will remain unchanged;
4. The duration of a Non-Exemption IPR shall not exceed the term of the Contract;
5. The Contractor shall provide a completed Non-Exemption IPR response to the Customer or CALNET 3 CMO within fifteen (15) Business Days of the Customer's or CALNET 3 CMO's Non-Exemption IPR request to the Contractor. If the Contractor's response is to not provide a Non-Exemption IPR, the Contractor must submit a formal declaration stating the Contractor will not provide a Non-Exemption IPR; and,
6. In the event that a Customer elects to terminate service(s) subject to Non-Exemption IPR Pricing for reasons other than (1) a Contractor default, or (2) circumstances outside such Customer's reasonable control, such Customer shall be liable to Contractor for an early termination charge. This charge shall be calculated based on the following: a) monthly difference in the original contract rate and the Non-Exemption IPR rate multiplied by the number of months the service was used under the Non-Exemption IPR; b) plus, 10% of the original Contract Rate multiplied by the number of months used under the Non-Exemption IPR; and c) and any unrecovered nonrecurring charges owed to Contractor on the date of termination.

The undersigned Agency, upon execution of this IPRN, certifies that it has received, reviewed and concurs to the proposed rate (s) applicable to the Service(s) described herein above.

ONLINE MASTER TERMS – UNITED STATES SERVICES

1. **General.** These online Master Terms ("Master Terms"), the online Service Attachments ("Service Attachments") and related information appearing at www.verizonenterprise.com/guide are generally referred to collectively as the Online Terms. The Online Terms are incorporated by reference into an Agreement, which may modify or supplement it. If no unexpired Agreement exists, the Online Terms apply to the receipt or use of any service not covered by a Tariff.
2. **Agreement.** The Agreement establishes a framework under which Customer can order Services from Verizon in the U.S. under the Agreement or pursuant to Contracts. Each resulting Contract is created by way of Service Order and consists of (a) the applicable Agreement; (b) Service Attachments; and (c) other content incorporated by reference. The rules at www.verizonenterprise.com/service/g_service_provider_list.htm identify the relevant U.S. Provider if the Contract does not otherwise do so. A Participating Entity may contract for Service in its own name subject to the terms of an existing Contract. Customer may access CPNI of its Participating Entities.
3. **Definitions.** The Online Definitions apply to the Online Terms and to Contracts with respect to terms not otherwise defined within them.
4. **Service Order-Based Contracts.**
 - 4.1 **Service Order Process.** When required, Verizon will provide Customer a SOF for signature. If Verizon learns that it cannot fulfill a SOF due to third party issues after Customer accepts the SOF, Verizon will notify Customer as soon as possible and shall have no further obligation to provide the Service under that SOF.
 - 4.2 **Order Limitations.** Verizon may decline an order if it would be impossible or impractical to provide it as requested -- for example, but not exclusively, in a location in which Verizon does not have regulatory authorization to provide the service; or sufficient presence, infrastructure or capacity to support it.
 - 4.3 **Effective Date.** Subject to the clause entitled "Service Order Process," a Service Order shall be effective and binding on both Parties on the Commencement Date.
 - 4.4 **No-Sign Service Order Acknowledgement Ordering.** Where available, Customer may use the No-Sign SOF process to document its Service orders. U.S. Customers are automatically able to use the No-Sign SOF process (but may opt-out at their discretion). Under the No-Sign SOF process, Customer submits a request for Service (which may be oral or in writing) that Verizon acknowledges by a No-Sign SOF email to the Customer Agreement signor or designee, which includes the requested services, locations, prices and parties. A No-Sign Service Order is binding on both parties when sent. Customer has five calendar days to notify Verizon of any errors in the No-Sign SOF. The No-Sign SOF process is not available for all services or in all countries.
5. **Order of Precedence.** In the event of an inconsistency between the provisions of a Contract, the following order of precedence applies, with 1 having the highest precedence: (1) the Service Order (if applicable); (2) the Agreement. Within the Agreement the following order of precedence applies with (a) having the highest precedence: (a) Service Attachments, with a state-specific provision having precedence over provisions that are not state specific; and (b) these Master Terms. Where applicable, U.S. Service Tariffs take precedence over all other terms to the extent they are required to take precedence by law.
6. **Changes to U.S. Online Terms.** Verizon may amend the Online Terms from time to time. Changes to the Online Terms are effective upon posting of the Online Terms in the case of new Services, Service features, Service options or Service promotions. Other modifications to the Online Terms are effective on the date indicated in the Online Terms, provided that no such modification becomes effective and binding on Customer until it has been posted in the Online Terms for at least 15 days. Customer may enroll to receive email notifications of Online Terms changes at <http://www.verizonenterprise.com/guide/subscriptions>. If any modification made by Verizon to the Online Terms affects Customer in a material and adverse manner, Customer, as its sole remedy, may discontinue the affected Service without termination liability (except for payment of all charges incurred up to the effective date of such Service discontinuance) by providing Verizon with written notice of discontinuance within 60 days of the date such change is posted in the Online Terms. A "material and adverse" change will not include: (a) the introduction of a new Service element or any new Service feature associated with an existing Service, including all terms, conditions and prices relating thereto; (b) an adjustment (either an increase or a reduction) of a published underlying Service price not expressly fixed in the Agreement; or (c) the introduction or revision of Governmental Charges. If a Service for which the charges are included in Contributing Charges or Eligible Charges, as applicable, is discontinued under this Section, the affected Customer's relevant Volume Commitment will be modified, to reflect the discontinuance upon Customer's request.
7. **Duration.** The Online Terms shall continue until terminated in accordance with the provisions of the Master Terms.
8. **Rates and Charges.** Contracts will identify rates and charges which are fixed (i.e., not subject to change) for the Term. Otherwise, Verizon may change its rates and charges upon 30 days notice to Customer with the following exception: For voice services, Verizon may change its rates and charges at any time upon seven days notice to

ONLINE MASTER TERMS – UNITED STATES SERVICES

Customer. Verizon may give Customer notice of such changes in rates or charges by posting them in the Online Terms, by invoice message, or by other reasonable means. In Contracts that incorporate online pricing, that pricing may be supplemented by the rates and charges for new service options as they become available, such as faster speeds and advanced features. Pricing for such new service options will be clearly distinguished from existing pricing, which will not be affected. Customer may order such new service options at the referenced prices, subject to applicable terms. If Customer's Contract does not already contain the appropriate terms, an amendment may be needed.

- 8.1 **Services.** Charges and rates (including credits and discounts) for Services are provided in the applicable Service Order, Service Attachment, Master Terms, or Tariff (as applicable). The rates and charges for Services will be effective on the Services Effective Date. Except as expressly provided to the contrary in a Service Order, the rates and charges set forth in a Contract for Services are in lieu of, and not in addition to, any other discounts, promotions and/or credits (Tariffed, standard or otherwise). All rates and charges for Services are subject to change under the terms of the applicable Service Order, Service Attachment, Master Terms, Tariff, or other provisions of a Contract specifically applicable to Services, except those that are designated as "fixed" in the Contract, the Master Terms, the Service Attachment, a Service Order or an applicable Tariff. For Services not specifically set forth in a Contract, Verizon's standard rates and terms apply. References in a Contract regarding standard rates and/or discounts and standard Tariffed rates and/or discounts refer to the corresponding standard charges, rates and/or discounts set forth in the Online Terms, the applicable Tariff, or other Verizon standard rate tables.
- 8.2 **Governmental Charges.** Verizon may adjust or introduce Governmental Charges in order to recover amounts it is required or permitted by governmental or quasi-governmental authorities to collect from or pay to others in support of statutory or regulatory programs. Optimized Services were previously referred to as "Dated" Services.
- 8.3 **Accrual of Charges.** Except as otherwise stated in the Agreement or a Contract, Customer is deemed to have accepted a Service upon the Service Activation Date and Verizon will accrue and invoice the charges as follows: (a) recurring charges accrue from the Service Activation Date and are invoiced in advance; (b) usage-based charges accrue from the Service Activation Date and are invoiced in arrears; and (c) one-time or set-up charges accrue from the Commencement Date (or where there is no Commencement Date the date an order under the Agreement is accepted by Verizon) and are invoiced at any time thereafter. If a Service Activation Date is delayed because Customer (a) has not met its obligations or done all that is necessary on its part to activate the Services, then Verizon may deem a date to be the Service Activation Date (whether the Services are ready for use or not) and charges shall commence to accrue in accordance with this clause; or (b) requests a delay. Customer shall be liable for any third party costs and expenses incurred by Verizon, including but not limited to charges in relation to third party Local Access, related Services or Service Equipment during the period of delay. For purposes of computing the daily share of a monthly charge, a month consists of 30 days, except for Optimized Services, for which the calculation will use the actual number of days in the applicable month.
- 8.4 **Ancillary Charges.**
- 8.4.1 **Paper Invoice Charge.** A \$40 monthly recurring charge applies to every paper invoice provided to a Customer (except invoices solely for US intrastate telecommunications services) in lieu of, or in addition to, an online invoice. This charge does not apply where Customer has established to Verizon's satisfaction, or Verizon determines on its own, that online invoicing is not a reasonable substitute for paper invoicing.
- 8.4.2 **Convenience Payment Charge.** A \$5 convenience payment charge applies to any Customer payment by ETF or ACH for Verizon Services that are authorized by telephone. The charge will be made by the same payment method Customer selected. For EFT and ACH payments, it will be added to the total payment amount. The charge does not apply to other payment options.
- 8.4.3 **No Fault Found Charge.** A non-recurring charge applies when a Verizon representative is dispatched to Customer's premises, or performs work remotely, at Customer's request to investigate a suspected issue with the Services, and the Verizon representative responds to the request and finds no fault with the proper functioning of the Services or is prevented from resolving the request due to Customer's failure to provide access or other contractually-required assistance. Examples include (without limitation) situations in which Verizon determines: (a) the fault is with the Customer/third party vendor-maintained equipment or network; (b) the fault has already been resolved; (c) the fault resulted from an interruption to the power supply to the Service Equipment at the Customer Site that was not approved by Verizon; or (d) the fault was caused by an act or omission of Customer in breach of the Agreement or a Contract. Verizon may modify this charge by providing notice to Customer (including by posting online). The following charges apply for each Verizon response, based on time of the visit:

ONLINE MASTER TERMS – UNITED STATES SERVICES

Time of Day	Charge
Normal Working Hours	\$265
After Hours	\$400

A visit to Customer Site or remote response which begins or ends outside of Normal Working Hours is "After Hours."

- 8.5 **Telecommunications Service Priority ("TSP").** The rates and charges, features, and terms and conditions set forth in the online Service terms for TSP Service apply when TSP is provided to Customer.

9. Payment of Invoices.

- 9.1 **General.** Customer shall pay Verizon invoices within 30 days of the invoice date.

9.1.1 Amounts not paid or Disputed on or before 30 days from the invoice date will be past due, and interest shall accrue on any past due amount from the due date until payment (whether before or after judgment) at a rate to be determined by Verizon which may not exceed either (a) 1.5% per month or (b) the maximum amount allowed by applicable law. Verizon may elect to apply any credit balance(s) to the account(s) with the oldest unpaid charges. Verizon may invoice Customer up to six months after the date a charge accrues; for charges invoiced after that, Customer may request a credit (except that in cases involving fraud or third party charges, charges may be invoiced without the time limitation stated above applying provided that they are invoiced within a reasonable period after Verizon becomes aware of such charges).

9.1.2 Without prejudice to any other rights under applicable law, Verizon also may exercise the following remedies with respect to any past due amount other than Disputed Amounts: (i) setting it off against any Security and requiring the Security to be increased by an additional amount; (ii) terminating these Master Terms and/or a Contract in accordance with the clauses entitled "Termination Notice" and "Service Suspension;" and/or (iii) exercising any other rights it may have with respect to any surety, security interest or other assurance of payment. Customer agrees to pay Verizon its reasonable expenses, including legal and collection agency fees, incurred in enforcing its rights under these Master Terms or a Contract.

- 9.2 **Credit Check.** Verizon may, at any time, in the reasonable exercise of its discretion, conduct a credit check of Customer, for purposes of which Customer will provide any financial information reasonably requested by Verizon. Verizon's agreement to extend credit to Customer or to vary credit limits already extended (whether up or down) from time to time shall be at Verizon's absolute discretion.

- 9.3 **Security.** In order to reasonably secure payment from Customer, Verizon may, at any time, request Customer to provide Security or increase existing Security. Customer must comply with any such request.

- 9.4 **Disputed Amounts.** If Customer notifies Verizon of a Disputed Amount within 30 days of the invoice date the Disputed Amount may be withheld. If Verizon (in its reasonable opinion) determines a Disputed Amount is not valid, then any withheld amount will be considered past due and must be paid (including any accrued interest) within five days of notification by Verizon to Customer of that determination or the current due date under the relevant invoice, whichever is the later. If Customer does not give Verizon written notice of a Disputed Amount with respect to charges or the application of Taxes within six months of the date of an invoice, the invoice will be deemed to be correct and binding on Customer.

- 9.5 **Local Access and Currency.** When Customer orders third-party Local Access from Verizon, Customer agrees to pay to Verizon all charges associated with such Local Access, and to be subject to the third-party's terms and conditions for such Local Access, that Verizon has ordered. For this limited purpose only, Verizon may serve as Customer's representative in procuring, on Customer's behalf, domestic and international Access Services from such suppliers. Customer will pay any loss arising in the process of converting a foreign carrier's charges to Dollars, or vice versa, in settlement of such carrier's charges and in collecting payment from Customer.

- 9.6 **E-Rate Funding.** Customer purchasing Services with E-Rate Funding are subject to the E-Rate Funding Provisions.

- 9.7 **Taxes.** All charges are exclusive of Taxes, which Customer will pay. If Customer provides Verizon with a valid, duly executed tax exemption certificate, Verizon will exempt Customer in accordance with the law, effective on the date Verizon receives the exemption certificate. If Customer is required by law to make any deduction or withholding from any payment due hereunder to Verizon, then, notwithstanding anything to the contrary contained in these Master Terms or a Contract, the gross amount payable by Customer to Verizon will be increased so that, after any such deduction or withholding for taxes, the net amount received by Verizon will not be less than Verizon would have received had no such deduction or withholding been required.

10. **Termination Notice.** Customer may terminate Services on 30 days written notice for Service to U.S. locations and 60 days written notice for Service provided to locations outside the U.S. except for termination of services

ONLINE MASTER TERMS – UNITED STATES SERVICES

provisioned under OneView contracts as described under section 10.1 below (the "Notice Period"). Customer must terminate a Service by completing Verizon's standard form via the Verizon Enterprise Center (VEC) online portal at verizonenterprise.com as such URL may be updated from time to time. Any other means of providing notice (including, without limitation, postal mail or email to Customer's account representative) is void and has no effect, even if actually received by Verizon. After submission of the disconnect form online, Customer will receive an email from Verizon ("Request Acknowledgment") which Customer should retain as confirmation of its request. If Customer does not receive a Request Acknowledgment within 24 hours of submitting the disconnect form online, Customer should contact the VEC helpdesk or customer service to avoid delays in disconnection of service.

Notwithstanding any such termination, Customer will remain liable for any applicable termination charges. Termination takes effect on the day that Verizon actually disconnects Service which will be the date specified by Customer or the end of the Notice Period (whichever is later). Customer will be responsible for applicable charges until such date.

Services may immediately be terminated by a Party by written notice (to the extent permitted by applicable law) if the other Party (a) has a receiver or an administrative receiver appointed over it or over any part of its undertaking or assets, or passes a resolution for winding up (other than for the purpose of a bona fide scheme of solvent amalgamation or reconstruction), or a court of competent jurisdiction makes an order to that effect; or (b) becomes subject to an administration order or enters into any voluntary arrangement with its creditors under which it ceases or threatens to cease to carry on business, or (c) undergoes or is subject to any analogous acts or proceedings under any foreign law. The circumstances set forth in the preceding sentence are referred to collectively in these Master Terms as "Insolvency Events." In addition, either Verizon or Customer may terminate a Contract immediately by written notice where, after expiration of all Service Commitments, no Services have been provided under the Contract for a continuous period exceeding three months, or (to the extent permitted by applicable law) if the other Party to the Contract has experienced any of the Insolvency Events. Notwithstanding the foregoing, a court order is not required to effect termination (or suspension) under this clause or any provision of the Termination for Cause and Service Suspension clauses.

10.1 Termination Notice for Services provided under OneView Contracts. Customer may terminate Services purchased under OneView contracts on 90 days written notice for Service to U.S. locations and 120 days written notice for Service provided to locations outside the U.S. All other terms set forth under section 10 otherwise apply. For purposes of this provision, OneView contracts are those contracts which are generated by Verizon's on-line OneView contracting system typically indicated by a text box reflected in the top right corner of the first page of the Verizon service contract which includes information such as a Contract ID and a Billing Code. Termination of services optimized for Verizon's automation platform (Verizon Rapid Delivery services) are excluded from this provision and are subject to the Notice Period set forth under section 10 above.

11. **Termination for Cause.** Either Party may immediately terminate the Agreement, a Contract or Service under the Agreement or a Contract for Cause.
12. **Service Suspension.** Verizon may, subject to giving Customer reasonable notice where practicable, suspend one or more Services (or a part thereof) if: (a) Customer is past due on any invoice for Services which has not been remedied within 10 days after Customer receives notice of such non-payment; (b) suspension of Services is necessary to prevent or protect against fraud, or otherwise protect persons or property, Verizon's personnel, agents, facilities, or services; (c) Verizon is obliged to comply with an order, instruction or request of a court, government agency, emergency service organization (e.g., police or fire service) or other administrative or regulatory authority; (d) Verizon needs to carry out Emergency Works; (e) Verizon has reasonable grounds to consider that use of the Service violates the Acceptable Use Policy or other terms of a Contract; or (f) Customer fails to provide or increase the Security as requested by Verizon. To suspend Services pursuant to sub-clause (a) above, no notice is required beyond the 10 days stated therein. If Verizon exercises its right to suspend the Services, it will resume the Services as soon as practicable after the reason for suspension no longer exists (subject to the exercise of any termination right on the part of Verizon). If one or more Services (or part thereof) is suspended as a consequence of the breach, fault, act or omission of Customer or any Customer Affiliate, Customer will pay to Verizon all reasonable costs and expenses incurred by the implementation of such suspension and/or reconnection of the Service.
13. **Facilities Used for Service.** Verizon determines the facilities it uses to provide Services at all times. Notwithstanding any other provision in a Contract, Verizon reserves the right to allocate or limit its facilities available for Services; to substitute facilities (including without limitation local access facilities) with facilities from alternative suppliers (including Verizon's own facilities); and to deny or discontinue Services (or associated billing options), in whole or in part, in general or to particular Customers, in order to: (a) manage its network in an efficient manner (including by avoiding technical, operational or security problems); (b) meet reasonable customer

ONLINE MASTER TERMS – UNITED STATES SERVICES

service expectations; or (c) furnish Services to existing and future customers based on current and projected available capacity.

14. **Decommissions.** Notwithstanding any provision to the contrary in the Agreement or a Contract, Verizon may terminate Services upon not less than six months written notice whenever Verizon generally decommissions such Services (that is, ceases to provide it on a commercial basis to its customers), provided, however, that this six-month requirement will not apply to customer notices delivered by Verizon prior to April 1, 2013.
15. **DNS Cache Server Functionality.** Verizon may respond to an unsuccessful DNS query by providing alternative information rather than a NXDOMAIN or other error message. To avoid receiving such alternative information, Customer may configure its applications to send its DNS queries to one of the following Verizon DNS cache servers 198.6.100.25, 198.6.100.38 and 198.6.100.53, or notify Verizon customer service to exclude specified Verizon-provided IP addresses from this functionality. Customer browser users may "opt-out" by receiving an opt-out cookie on their system via a link provided with the alternative information. In providing this functionality, Verizon and its suppliers will have access to Customer IP addresses and DNS queries, including information Customer has entered into an address bar, and information about the browser and any referring web page link involved in generating the DNS query (collectively "DNS Information") but will not use the DNS Information for any purpose other than providing the functionality, including to improve the operation and effectiveness of the functionality and its underlying search capabilities. Verizon and its suppliers may use non-identifying DNS Information to support the functionality. The following link provides further operational and privacy information related to the functionality. http://www.verizonbusiness.com/resources/factsheets/fs_domain-name-services_en_xq.pdf
16. **Annual Volume Commitment (AVC).** If applicable, Customer agrees to pay Verizon the amount of Eligible Charges in each Contract Year that is no less than the AVC identified in the Agreement, for the number of Contract Years or Volume Commitment Period identified in the Agreement. If, in any Contract Year, Customer's Eligible Charges are less than the AVC, then Customer shall pay: (1) all accrued but unpaid charges incurred by Customer; and (2) an underutilization charge (which Customer hereby agrees is reasonable) equal to 75% of the difference between Customer's Eligible Charges during such Contract Year and the AVC.
17. **Total Volume Commitment (TVC).** If applicable, Customer agrees to pay Verizon the amount of Eligible Charges during Volume Commitment Period that is no less than the Total Volume Commitment or TVC identified in its Agreement. If, during the Volume Commitment Period, Customer's Eligible Charges are less than the TVC, then Customer shall pay: (1) all accrued but unpaid charges incurred by Customer; and (2) an underutilization charge (which Customer hereby agrees is reasonable) equal to 75% of the difference between Customer's Eligible Charges and the TVC.
18. **Tiered Volume Commitment.** Customer agrees to pay Verizon the amount of Eligible Charges in each Contract Year that is no less than the Tiered Volume Commitment identified in its Agreement, for the number of Contract Years/Volume Commitment Period identified in the Agreement. If the Contract does not identify a Tiered Volume Commitment or number of Contract Years/Volume Commitment Period, then the applicable number is zero. If, in any Contract Year, Customer's Eligible Charges are less than the Tiered Volume Commitment, then Customer shall pay: (1) all accrued but unpaid charges incurred by Customer; and (2) an underutilization charge (which Customer hereby agrees is reasonable) equal to 75% of the difference between Customer's Eligible Charges during such Contract Year and the Tiered Volume Commitment.
19. **Expiration of Commitment Period.**
 - 19.1 **Service Commitment Based Agreements.** Upon expiration of a Service Commitment, the governing Service Order is automatically extended on a month-to-month basis until either Party terminates it upon 60 days written notice.
 - 19.2 **Volume Commitment Based Agreements.**
 - 19.2.1 For standalone Agreements for Optimized Services with a Volume Commitment signed on or after July 18, 2015, upon expiration of a Volume Commitment Period, the governing Agreement is automatically renewed for a subsequent Volume Commitment Period equal to the expired Volume Commitment Period (including any extensions) ("Extended Term") with a Volume Commitment equal to that which was in effect at the end of the expired Volume Commitment Period, unless a Party provides the other Party with notice of its intent not to auto-renew the Agreement at least 90 days prior to the expiration of the Volume Commitment Period. After expiration of the Extended Term, the Agreement is automatically extended on a month-to-month basis until either Party terminates it upon 60 days written notice. The terms of the Agreement (excluding the Volume Commitment) will continue to apply during any service-specific commitments that extend beyond the Volume Commitment Period.
 - 19.2.2 For all other Agreements, upon expiration of a Volume Commitment Period, the governing Agreement is automatically extended on a month-to-month basis until either Party terminates it upon 60 days written notice. The terms of the Agreement (excluding the Volume Commitment) will continue to apply during any service-specific commitments that extend beyond the Volume

Commitment Period.

20. **Consequences of Termination.** Without prejudice to any Party's accrued rights or obligations, upon termination of the Agreement, all Contracts (or parts thereof) and related Services shall terminate immediately. If the Agreement, a Contract or a Service is terminated by (a) Customer for any reason other than for Cause or pursuant to the clauses entitled "Service Level Agreement" or "Force Majeure", or (b) by Verizon for Cause, Customer will pay or refund to Verizon as applicable, without set off or deduction, the following with respect to each of the Services affected by the termination, which Customer acknowledges are liquidated damages reflecting a reasonable measure of actual damages and not a penalty: (i) all accrued but unpaid charges incurred through the date of such termination; (ii) any termination charges or other costs or expenses incurred by Verizon for the cancellation of the Local Access circuits or related Services or Service Equipment and other third party services in connection with the affected Service(s); (iii) the Early Termination Charge; and (iv) any other applicable cancellation or termination charges specified in the Agreement or a Contract. The termination liability provided in this clause is in addition to any other remedies available to Verizon.
- 20.1 **Early Termination Charge for Service Termination.** If Customer terminates an Optimized Services on or after the Service Activation Date but prior to the expiry of the Service Commitment, the Early Termination Charge shall be 75% (or as set forth in the applicable Service Terms) of the monthly recurring charges ("MRCs") for the terminated Service multiplied by the number of months remaining in the Service Commitment. Not all Services have a Service Commitment.
- 20.2 **Early Termination Charges for Agreement Termination.** If the Agreement is terminated pursuant to the clause entitled "Consequences of Termination," the Early Termination Charge shall be equal to 75% of the remaining aggregate of the AVC(s) or Volume Commitments (plus 75% of the unsatisfied AVC in the Contract Year of termination), plus any amounts due under the sub-clause entitled 'Early Termination Charge for Service Termination.'
- 20.3 **Early Termination Charges for Moves, Downgrades.** If Customer moves or downgrades an Optimized Services geographically located within the U.S. Mainland during the Service Commitment, the Early Termination Charge described in the section "Early Termination Charge for Service Termination" will be reduced by the MRC for the replacement Optimized Service multiplied by the number of months in the new Service Commitment. To qualify as a move or downgrade, changes to the Optimized Services must be placed at the same time with related coordinated implementation at the same time. No early termination charge applies to upgrades.
21. **Customer Obligations.**
- 21.1 **Access.** Where Verizon requires access to a Customer Site in order to provide a Service (including but not limited to physical changes to local access facilities), Customer shall grant or shall procure the grant to Verizon of such rights of access to each Customer Site, including any necessary licenses, waivers and consents. Customer shall advise Verizon in writing of all health and safety rules and regulations and any other reasonable security requirements applicable at the Customer Site.
- 21.2 **Assistance.** Customer shall provide Verizon with such facilities, information and cooperation as Verizon may reasonably require to perform its obligations or exercise its rights under a Contract. This includes but is not limited to (a) taking actions needed to enable Verizon to implement new processes or systems, and to change facilities used to provide Services, and (b) responding promptly to notice from Verizon requiring Customer action, such as to coordinate Customer-site access needed for a change in facilities at a mutually convenient time within 30 days of such notice from Verizon.
- 21.3 **Service Equipment.** Where Verizon provides Service Equipment, Customer warrants and undertakes that it shall: (a) use the Service Equipment only for the purpose of receiving Services and in accordance with Verizon's reasonable instructions from time to time and/or any Software license that may be provided with the Service Equipment; (b) not move, modify, relocate, or in any way interfere with the Service Equipment or Verizon Facilities; (c) insure and keep insured all Service Equipment against theft and damage; (d) not create or allow any charges, liens, pledges or other encumbrances to be created over the Service Equipment, title to which at all times belongs and remains with Verizon, a Verizon Affiliate or their subcontractor or financing partner; (e) permit Verizon to inspect, test, maintain and replace the Service Equipment at all reasonable times; (f) comply with Verizon's reasonable instructions, at Customer's own expense, in relation to the modification of the Customer Equipment to enable Customer to receive Services; and (g) upon termination of any of the Services, follow Verizon's reasonable instructions with respect to the return of the Service Equipment including allowing Verizon access to each Customer Site to remove the Service Equipment. Should any construction or alteration to a Customer Site have occurred to facilitate any Service, Verizon is not obliged to restore that Customer Site to the same physical state as prior to delivery of Services. Customer is liable for any and all damage to Service Equipment or Verizon Facilities which is caused by (i) the act or omission of Customer or Customer's breach of the Agreement or a Contract, or (ii) malfunction or failure of any equipment or facility provided by Customer or its agents, employees, or suppliers, including but not limited to the Customer Equipment. Verizon is not liable for any

ONLINE MASTER TERMS – UNITED STATES SERVICES

costs incurred by Customer arising out of any malfunction or failure of any such equipment or facility, including Customer Equipment.

- 21.4 **Software and Documentation.** Software not otherwise subject to a separate agreement or a license is provided to Customer subject to Verizon's standard Software license terms as follows. In consideration for payment of any applicable fees, Customer is granted a personal, non-exclusive, non-transferable non-sublicensable license to use the Software, in object code form only, solely in connection with Services for Customer's internal business purposes on Customer-owned or Customer-leased equipment (the "License"). Customer may not use the Software either in connection with the products and/or services of any third party or to provide services for the benefit of any third party, including without limitation as a service bureau. Customer may make one copy of the Software, other than the documentation, for archival or back-up purposes only if any copyright and other proprietary rights notices are reproduced on such copy. Customer may make a reasonable number of copies of documentation provided as part of the Software solely in support of its use of the Software and Services. Customer may not: (a) attempt to reverse engineer, decompile, disassemble or otherwise translate or modify the Software in any manner; or (b) sell, assign, license, sublicense or otherwise transfer, transmit or convey Software, or any copies or modifications thereof, or any interest therein, to any third party. All rights in the Software, including without limitation any patents, copyrights and any other intellectual property rights therein, remain the exclusive property of Verizon and/or its licensors. Customer agrees that the Software is the proprietary and confidential information of Verizon and/or its licensors subject to the provisions of any Contract between the Parties pertaining to "Confidential Information." Except to the extent otherwise expressly agreed by the Parties in writing, Verizon has no obligation to provide maintenance or other support of any kind for the Software, including without limitation any error corrections, updates, enhancements or other modifications. The License will immediately terminate upon the earlier of: (i) termination or expiration of any contract between Verizon and Customer pertaining to the Software; (ii) termination of the Services with which the Software is intended for use; or (iii) failure of Customer to comply with any provisions of this clause. Upon termination of any License, at Verizon's option, Customer will promptly either (1) destroy all copies of the Software in its possession; or (2) return all such copies to Verizon, and in either event provide an officer's written certification confirming the same.

- 21.5 **Intellectual Property Rights.** All intellectual property, including without limitation trade secrets, know-how, methodologies and processes related to any Verizon Service or product or otherwise made known to Customer in connection with any Verizon Service or product shall at all times remain the exclusive property of Verizon or its suppliers (as the case may be).

- 21.6 **Service Marks, Trademarks and Name.** Neither Verizon nor Customer may: (a) use any service mark or trademark of the other Party; or (b) refer to the other Party in connection with any advertising, promotion, press release or publication unless it obtains the other Party's prior written approval.

- 21.7 **Service Level Agreement ("SLA").** Verizon reserves the right to amend any applicable SLA from time to time effective upon posting of the revised SLA to the URL where the SLA is set out or other notice to Customer of the change, provided that in the event of any amendment resulting in a material reduction of the SLA's service levels or credits, Customer may terminate Services without early termination liability (except for payment of all charges up to the effective date of the termination of any such Services) by providing Verizon at least 30 days written notice of termination during the 30 days following posting of such amendment. Verizon may avoid such termination if, within 30 days of receipt of Customer's written notice, Verizon agrees to amend the relevant SLA so that the affected SLA service levels and credits are not materially reduced for Customer. The SLA sets forth Customer's sole remedies for any claim relating to Services or Verizon Facilities, including any failure to meet any standard set forth in the SLA. Verizon records and data shall be the basis for all SLA calculations and determinations.

22. **Disclaimer of Certain Damages.** No Party is liable to any other for any indirect, consequential, exemplary, special, incidental or punitive damages, or for loss of use or lost business, revenue, profits, savings, or goodwill, arising in connection with these Master Terms, any Contract, the Services, related products, or documentation, even if the Party has been advised, knew or should have known of the possibility of such damages. **Nonetheless, each Party is liable to the other for consequential damages resulting from its breach of confidentiality obligations under the Master Terms provision entitled "Confidentiality".**

23. **Limitation of Liability.** Without limiting the provisions of the Disclaimer of Certain Damages clause above, the total liability of either: Customer or Verizon to the other in contract, warranty, tort or otherwise (including negligence, strict liability, misrepresentation, and breach of statutory duty) in connection with the Agreement and all Contracts and Services provided under them is limited to the lesser of: (a) direct damages proven by the moving Part(ies); or (b) the aggregate amounts due from Customer to Verizon under the Agreement and all Contracts made pursuant to the Agreement for the six months prior to accrual of the latest cause of action for which the limitation of liability under this clause is being calculated. Verizon's liability with respect to individual Services may also be limited pursuant to other terms and conditions of these Master Terms or a Contract. The liability restrictions and liability

and warranty disclaimers in this section apply equally to Verizon's suppliers and contractors as they do to Verizon. Customer acknowledges and accepts the reasonableness of the disclaimers, exclusions, and limitations of liability set forth in this clause.

24. **Exclusions.** The clause entitled "Limitation of Liability" does not limit: (a) any Party's liability (i) in tort for its willful or intentional misconduct, (ii) for bodily injury or death or loss or damage to real property or tangible personal property proximately caused by a Party's gross negligence (or "negligence" where the concept of "gross negligence" is not recognized in a particular jurisdiction), or (iii) where mandatory local law does not allow the limitation; or (b) Customer payment obligations under a Contract; or (c) Verizon obligations to provide credits and waivers under a Contract; or (d) Customer indemnification obligations under a Contract.
25. **CPE Indemnity.** Verizon is not the manufacturer of the CPE or the owner of any third party Software provided for use with the CPE, which CPE and Software comprising the System are provided hereunder pursuant to the standard terms and conditions of the respective third party manufacturer of the CPE, licensor and/or owner(s) of the Software. Except for such manufacturers', licensors', or owners' indemnities applicable to the CPE and/or Software that Verizon is authorized to pass through for the benefit of Customer, which such indemnities Verizon hereby agrees to pass through to Customer, the CPE, including Software used therewith, is provided to Customer on an AS IS basis, without any express or implied warranties of any type, and without any obligation to defend or indemnify for any infringement.
26. **No Warranties.** EXCEPT AS SPECIFICALLY SET FORTH IN A CONTRACT, VERIZON MAKES NO WARRANTIES, EXPRESS OR IMPLIED, AS TO ANY VERIZON SERVICES, SOFTWARE OR DOCUMENTATION. VERIZON SPECIFICALLY DISCLAIMS ANY AND ALL IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NONINFRINGEMENT OF THIRD-PARTY RIGHTS, OR ANY WARRANTIES ARISING FROM A COURSE OF DEALING, USAGE OR TRADE PRACTICE.
27. **Time Limitation.** No cause of action, howsoever arising, which accrued more than one year prior to the institution of a legal proceeding alleging such cause of action, may be asserted by any Party against another, to the extent permitted by law.
28. **Content Disclaimer.** Verizon exercises no control over and has no responsibility for the accuracy, quality, security or other aspect of any Content accessed, received, transmitted, stored, processed or used through Verizon Facilities or any Service (except to the extent a particular Service explicitly states otherwise). Customer accesses, receives, transmits, stores, processes, or uses any Content at its own risk. Customer is solely responsible for selecting and using the level of security protection needed for the Content it is accessing, receiving, storing, processing or using, including without limitation Customer Data, individual health and financial Content. Verizon is not responsible if the level of security protection Customer uses for any particular Content is insufficient to prevent its unauthorized access or use, to comply with applicable law, or to otherwise fully protect the interests of Customer and others in that Content.
29. **Force Majeure.** Any delay in or failure of performance by any Party under the Agreement or any Contract (other than a failure to comply with payment obligations) is not a breach of that Agreement or Contract to the extent that such delay or failure is caused by events beyond the reasonable control of the Party affected, including, but not limited to, acts of God, embargoes, governmental restrictions, strikes, riots, insurrection, wars or other military action, civil disorders, acts of terrorism, rebellion, fires, explosions, accidents, floods, vandalism, and sabotage. Such an event is hereinafter referred to as a "Force Majeure Event." Market conditions or fluctuations are not Force Majeure Events. A Party whose performance is affected by such Force Majeure Events will promptly provide relevant details to the other Party to the Agreement or relevant Contract and the obligations of the Party giving such notice will be suspended to the extent caused by the Force Majeure Event so long as the Force Majeure Event continues, and the time for performance of the affected obligation will be extended by the delay caused by the Force Majeure Event. If the affected Party is prevented by the Force Majeure Event from performing its obligations with regard to a Service for 30 days, then either Party to the relevant Contract may in its sole discretion immediately terminate the affected Service by giving notice of termination to the other Party, provided that in the case of termination by Customer, Customer first provides Verizon a reasonable opportunity to replace affected Services with comparable Services. Upon such termination, Verizon is entitled to payment of: (a) all accrued but unpaid charges incurred through the date of such termination; and (b) any termination charges or other costs or expenses incurred by Verizon for the cancellation of the Local Access or related Services or equipment and other third party services in connection with the Service. The Parties shall otherwise bear their own costs and Verizon shall be under no further liability to perform the Services affected by the Force Majeure Event.
30. **Indemnification.**
 - 30.1 **Customer Indemnification.** Customer will defend, indemnify and hold harmless the Verizon Indemnitees, from and against any claims, suits, judgments, settlements, losses, damages, expenses (including reasonable legal fees and expenses), and costs (including allocable costs of in-house counsel) asserted against or incurred by any of the Verizon Indemnitees arising out of any of the following allegations by a third party: (a) Customer's connection of Services to any third party service or network; (b) violation, misuse

ONLINE MASTER TERMS – UNITED STATES SERVICES

or misappropriation by Customer, users of the Services, or Customer's customers, of the trademarks, copyrights, trade secrets, or other proprietary rights or intellectual property rights of Verizon, Verizon's Affiliate or of a third party (other than a third party claim that Verizon does not own Verizon service marks or trade marks); and (c) Customer's, use of Services, or Customer's customers' violation of the AUP; or (d) the unauthorized use of or access to Service or Verizon Facilities by any person using Customer's systems or network. Notwithstanding any other provision of the Agreement or a Contract, Customer shall pay all expenses and costs, including costs of investigation, court costs, and reasonable legal fees and expenses (including allocable costs of in-house counsel) incurred by Verizon Indemnitees in enforcing this provision. Verizon holds the benefit of this sub-clause on trust for the other Verizon Indemnitees. Verizon shall be entitled to participate, in a non-interfering manner, in the defense of any such claim, action, or suit, at its own cost.

30.2 **Notice, Cooperation, Control and Consent to Settlement.**

30.2.1 **Excuse from Obligations.** Customer is excused from its obligations relating to any claim, action or suit under the clause entitled "Customer Indemnification" if Verizon fails to: (a) provide prompt written notice of the third party claim, action, or suit to Customer, provided that the failure of Verizon to provide such notice materially prejudices Customer's defense and/or settlement of such claim, action or suit; (b) cooperate with all reasonable requests of Customer in connection with the defense and/or settlement of such claim, action or suit, at Customer's reasonable expense; and/or (c) surrender exclusive control to Customer of the defense and/or settlement of such claim, action, or suit.

30.2.2 **Prior Consent Required.** Customer shall secure the prior written consent of Verizon before settling any claim, action or suit that includes an admission of liability by Customer or imposes material obligations on Verizon other than cessation of infringing activity, confidential treatment of the settlement, and/or payment of money that is fully indemnified by Customer under the clause entitled "Customer Indemnification." Verizon shall not unreasonably withhold or delay consent.

31. **Confidentiality.** Except as required by law or regulation, each Party to these Master Terms and any Contract promises that while any Services are being provided and for three years after, it will use the other Party's Confidential Information only for purposes of such Master Terms or Contract, as applicable, not disclose it to third parties except as provided below, and protect it from disclosure using the same degree of care it uses for its own similar Confidential Information (but no less than a reasonable degree of care). Such a Party may disclose the other Party's Confidential Information to its employees, agents, CPE and/or Software financing sources, suppliers and subcontractors (including professional advisors and auditors), and to those of its Affiliates, who have a need to know and who are bound to protect it from unauthorized use and disclosure under the terms of a written agreement at least as protective of the other Party's Confidential Information as these Master Terms. In any case, a Party is responsible for the treatment of Confidential Information by any third party to whom it discloses it under the preceding sentence. In addition, information, whether or not Confidential Information, may be disclosed by a receiving Party as may be required or authorized by applicable law, rule, regulation, or lawful process provided that the receiving Party, to the extent practicable and permitted by applicable law, rule, regulation or lawful process, first notifies the disclosing Party in order to permit the disclosing Party to seek protective arrangements. Confidential Information (excluding CPNI that is also Confidential Information) remains the property of the disclosing Party and, upon written request of the disclosing Party, must be returned or destroyed. If there is a breach or threatened breach of this confidentiality provision, the disclosing Party may be entitled to seek specific performance and/or injunctive or other equitable relief as a non-exclusive remedy. This clause does not prevent a Party from announcing the existence of the Agreement or a Contract internally (e.g., to its employees and Affiliates). In the event the Parties have signed a separate confidentiality agreement which applies to Services, the terms of this clause will take precedence over that agreement to the extent of any inconsistency.

32. **Customer Data.** Customer acknowledges that Verizon, Verizon Affiliates and their respective agents will, by virtue of the provision of the Service, come into possession of Customer Data.

32.1 **Protection Measures.** Verizon will implement appropriate technical and organizational measures to protect "Regulated Customer Data" against accidental or unlawful destruction or accidental loss, alteration, unauthorized disclosure or access and against other unlawful forms of processing, which measures may for example relate to data handling practices, backup procedures and server, workstation and transmission security for internal communications.

32.2 **Access.** Customer may access Regulated Customer Data in the possession of Verizon, on written notice, and any agreed errors in such Regulated Customer Data shall be rectified.

32.3 **Use of Customer Data.** Verizon and its Affiliates and agents, may use, process and/or transfer Customer Data (including intra-group transfers and transfers to entities in countries that do not provide statutory protections for personal information) as set forth in the Verizon Privacy Policy and as necessary: (a) in connection with provisioning of Services; (b) to incorporate Customer Data into databases controlled by Verizon, Verizon Affiliates or their respective agents for the purpose of providing Service; administration;

provisioning; billing and reconciliation; verification of Customer identity, solvency and creditworthiness; maintenance, support and product development; fraud detection and prevention; sales, revenue and customer analysis and reporting; market and Customer use analysis; and (c) to communicate to Customer regarding the Services.

- 32.4 **Withdrawal of Consent.** Customer may withdraw consent for such use, processing or transfer of Customer Data as set out above, except as it is required to (a) provision, manage, account or bill for the Service; (b) carry out fraud detection; or (c) comply with any statutory or regulatory requirement or the order of a court or other public authority, by sending written notice to Verizon in the prescribed form, available from Verizon on request.
- 32.5 **Customer Consent.** Customer warrants that it has obtained or will obtain all legally required consents and permissions from relevant parties (including data subjects) for the use, processing and transfer of Customer Data as described in this section.
- 32.6 **Customer Consent to Use of U.S. Customer Proprietary Network Information ("CPNI").** Verizon acknowledges that it has a duty, and Customer has a right, under federal and/or state law of the U.S. to protect the confidentiality of Customer's CPNI. In order to better serve Customer and offer additional Services, Verizon, Verizon Wireless and their Affiliates ("Verizon Companies") may need to use and share Customer's CPNI and Confidential Information. CPNI includes information relating to the quantity, technical configuration, type, destination, location, and amount of use of the U.S. telecommunications and interconnected voice over Internet Protocol Services Customer purchases from the Verizon Companies, as well as related local and toll billing information, made available to the Verizon Companies solely by virtue of Customer's relationship with the Verizon Companies. With Customer consent, the Verizon Companies may share Customer's CPNI and other Confidential Information among the Verizon Companies, agents, contractors and partners, so that all may use this information to offer Customer the full range of products and services offered by them (see www.verizon.com for a description of Verizon Companies and services). By signing these Master Terms or a Contract, Customer consents to the Verizon Companies using and disclosing Customer CPNI and Confidential Information as described above. Customer may refuse CPNI consent by signing these Master Terms or a Contract and by notifying Verizon in writing at cpni-notices@verizonwireless.com and cpni-notices@verizon.com of Customer's decision to withhold Customer's consent. This is the method of withdrawing consent for the Verizon Companies' use and sharing of Customer's CPNI, as described above. All other notices and elections for consenting or withdrawing consent are superseded by this notice and consent. Customer's consent or refusal to consent will remain valid until Customer otherwise advises Verizon in writing, and in either case, will not affect Verizon's provision of Service to Customer.
- 32.7 **Relationship Between CPNI, Customer Data and Confidential Information.** The three clauses entitled "Confidentiality," "Customer Data" and "Customer Consent to Use of U.S. Customer Proprietary Network Information ("CPNI")" each address somewhat different concerns and types of information. Each establishes specific rules for handling the particular type of information it is designed to protect. Where a Customer grants consent to Verizon to use its CPNI for the limited purpose of marketing Services to Customer as described in the clause entitled "Customer Consent to Use of U.S. Customer Proprietary Network Information ("CPNI")," that consent will apply to all CPNI, including any CPNI that may also to be considered Confidential Information under the clause entitled "Confidentiality." Note that such consent does not authorize the use of CPNI for any other purpose.
- 32.8 **Protection of Customer U.S. CPNI and Provision of Customer CPNI to Authorized Customer Representatives.**
- 32.8.1 Verizon will protect the confidentiality of Customer CPNI in accordance with applicable U.S. laws, rules and regulations. Verizon may access, use, and disclose Customer CPNI as permitted or required by applicable laws, rules, and regulations or these Master Terms or a Contract.
- 32.8.2 Provided that Customer is served by at least one dedicated Verizon representative under the Agreement or a Contract (that can be reached by Customer by means other than calling through a call center) and as permitted or required by applicable law, Verizon may provide Customer CPNI (including, without restriction, call detail) to representatives authorized by Customer ("Authorized Customer Representatives" as defined below) in accordance with the following.
- 32.8.3 Verizon may provide Customer CPNI to Authorized Customer Representatives via any means authorized by Verizon that is not prohibited by applicable laws, rules, or regulations, including, without restriction: to Customer's email address(es) of record (if any) or other email addresses furnished by Authorized Customer Representatives, to the Customer's telephone number(s) of record or other telephone numbers provided by Authorized Customer Representatives, to Customer's postal (U.S. Mail) address(es) of record or to other postal addresses furnished by Authorized Customer Representatives, or via Verizon's online customer portal or other online communication mechanism.

- 32.8.4 Authorized Customer Representatives include Customer employees, Customer agents, or Customer contractors, other than Verizon, who have existing relationships on behalf of Customer with Verizon customer service, account, or other Verizon representatives and all other persons authorized in written notice(s) (including email) from Customer to Verizon. Authorized Customer Representatives shall remain such until Customer notifies Verizon in writing that they are no longer Authorized Customer Representatives as described below. Customer agrees, and will cause Authorized Customer Representatives, to abide by reasonable authentication and password procedures developed by Verizon in connection with disclosure of Customer CPNI to Authorized Customer Representatives.
- 32.8.5 Customer's notices of authorization or deauthorization must be sent to Verizon's service or account manager, and must contain the following information:
- 32.8.5.1 the name, title, postal address, email address, and telephone number of the person authorized or deauthorized
- 32.8.5.2 that the person is being authorized, or is no longer authorized, (as applicable), to access CPNI
- 32.8.5.3 the full corporate name of the Customer whose CPNI (and whose Affiliates' CPNI) the person can access (or can no longer access, if applicable)
- 32.8.6 At all times that there is a Contract for U.S. Services in effect, Customer may designate in a form provided by Verizon and returned to Verizon (all containing the same data elements listed below) up to three representatives ("CPNI Authorizers") with the power to name Authorized Customer Representatives who may access CPNI under these Master Terms or a Contract as well as additional CPNI Authorizers. Additions or removals of CPNI Authorizers will be effective within a reasonable period after Verizon has received a signed writing of the change, including the affected person(s)' name, title, postal address, email address and telephone number. The person who executes the Agreement or Contract will be a CPNI Authorizer and may add or remove CPNI Authorizers for that Customer and for its Participating Entities.

33. **Acceptable Use Policy ("AUP").**

- 33.1 **Compliance.** Use of Verizon IP Services must comply with the then-current version of the AUP of the countries from which Customer uses such Service (in the event no AUP exists for a country, the U.S. AUP shall apply). The applicable AUP is available at the following URL: <http://www.verizonenterprise.com/terms> or other URL designated by Verizon. Customer shall ensure that each user of the Services complies with the AUP.
- 33.2 **AUP Changes.** Verizon reserves the right to change the AUP from time to time, effective upon posting of the revised AUP at the designated URL or other notice to Customer.

34. **IP Addresses.** Any IP addresses assigned to Customer by Verizon must be used solely in connection with the Service for which they are assigned. If such Services are terminated, Customer's right to use the IP addresses ceases immediately and the IP addresses immediately revert to Verizon.

- 35.1 **General.** Any notice required to be given under these Master Terms or a Contract will be in writing, in English, and transmitted via any of email, overnight courier, hand delivery, a class of certified or registered mail, that includes return of proof of receipt, or for Verizon only, invoice message, to a Party at the addresses set out in the Agreement or Contract or such other addresses as may be specified in accordance with this clause. Notice from Customer must reference the Contract ID of the Contract. Notice sent in accordance with this clause will be deemed effective when received, except for email notice which will be deemed effective the day after being sent. A Party may from time to time designate another address or addresses by written notice to the other Party in compliance with this clause.
- 35.2 **U.S. Service Related Notices.** Notices related to Services for Customer are to be sent to the addresses specified in the applicable Agreement or Contract and for Verizon as set out below:

37. **Relationship.** Nothing in these Master Terms or a Contract, and no action taken by the Parties under it, creates a

partnership, agency, association, joint venture or other co-operative entity between the Parties.

38. **Third Party Beneficiaries.** Except as otherwise stated in these Master Terms or a Contract, nothing in them confers any rights or other benefits in favor of any person other than the Parties.
39. **Resale of Services.** Except as otherwise specified in the Agreement or a Contract, Customer may not resell, charge, transfer or otherwise dispose of Services (or any part thereof) to any third party.
40. **Assignment.** Either Party may assign a Contract or any of its rights thereunder to an Affiliate or successor upon written notice to the other Party. A Customer Affiliate or successor must be a U.S. legal entity and meet Verizon's creditworthiness standards for the assignment to become effective. Verizon may assign rights and obligations related to CPE and CPE Services to a third party finance entity. All other assignments without prior written consent are void.
41. **Variation.** Except as otherwise stated, a Contract may be modified only by the written agreement of the Parties to it.
42. **No Waiver.** Failure or delay by any Party to exercise or enforce, or a partial exercise of, any right under these Master Terms or a Contract is not a waiver of that right.
43. **Survival.** Certain provisions of the Agreement and Contracts shall have full force and effect after the expiration or termination of that particular Contract, including but not limited to the clauses entitled: "Disclaimer of Certain Damages/Limitation of Liability," "Indemnification," "Confidentiality," "Customer Data," "Customer Consent to Use of U.S. CPNI," "Relationship between CPNI, Customer Data and Confidential Information," "Protection of Customer U.S. CPNI and Provision of Customer CPNI to Authorized Customer Representatives," this clause "Survival" and any other clauses which by their nature should survive, including those relating to governing law.
44. **Severability.** If any provision of a Contract is held by any entity of competent jurisdiction to be unenforceable, the remainder of the Contract remains enforceable.
45. **Compliance with Laws.** Verizon will comply with all applicable laws and regulations including all mandatory legal and regulatory requirements in the jurisdiction where Services are to be provided. Customer will comply, and ensure that users of the Services comply, with all applicable laws and regulations including without limitation: (a) local license or permit requirements; (b) applicable export/re-export (including U.S. export regulations), sanctions, import and customs laws and regulations; and (c) data protection requirements. Verizon makes no representation as to whether any regulatory approvals required by Customer to use the Services will be granted. Customer warrants that it holds and shall continue to hold such licenses and/or other authorisations as are required under any relevant legislation, regulation or administrative order, to receive the Services and to run and connect the Customer Equipment to Verizon Facilities and Service Equipment. Verizon reserves the right to disconnect any Customer Equipment where Customer has failed to comply with the provisions of this clause and in no event will Verizon be liable in respect of Customer's failure to comply with this clause.
46. **Export Restrictions.** The export, import, and use of certain hardware, Software, and technical data provided by Verizon are regulated by the United States and other governments. Customer agrees to comply with all applicable laws and regulations, including the U.S. Export Administration Act, the regulations promulgated thereunder by the U.S. Department of Commerce, and any other applicable laws or regulations. Customer represents and warrants that Customer is not subject to any government order suspending, revoking or denying export or import privileges necessary for the performance of Customer's or Verizon's obligations under any Contract.
47. **Network Monitoring.** Transmissions passing through Verizon Facilities may be subject to legal intercept and monitoring activities by Verizon, its suppliers or local authorities in accordance with applicable local law requirements. 48. **Governing Law and Venue for U.S. Services.** This Agreement will be governed by and construed in accordance with the domestic law of New York, without regard to its choice of law principles, except that where the Communications Act of 1934 (as amended) applies, those Contracts will be governed by and construed in accordance with that Act. For any such dispute, the Parties waive any and all objections to venue in New York, United States District Court for the District of New York and the courts of the State of New York in New York, New York.
49. **Dispute Resolution.** Any controversy, claim, or dispute ("Disputed Claim") arising out of or relating to a Contract (including incorporated terms), except for claims relating to indemnity, infringement, or confidentiality obligations or matters relating to injunctions or other equitable relief (together "Equitable Claims"), are first subject to a 30-day negotiation period between Verizon and Customer in which each shall disclose to the other all such documents, facts, statements and any other information which are reasonably requested and are relevant to the dispute in question. If such negotiations fail to resolve the dispute within 30 calendar days, Disputed Claims must be resolved by binding arbitration of a single arbitrator in accordance with the rules of the American Arbitration Association. The decision of the arbitrator must be based upon the Contract and applicable law. The decision of the arbitrator must be reduced to writing, is final and binding except for fraud, misconduct, or errors of law, and judgment upon

the decision rendered may be entered in any court having jurisdiction. In all arbitrations, the arbitrator must give effect to applicable statutes of limitation subject to limitation of actions terms in the Contract and these Master Terms, and has no authority to award relief in excess of what the Contract provides or to order consolidation or class arbitrations. The arbitrator has no authority to award punitive damages in any Disputed Claim. Any such claims arising under a Contract must be pursued on an individual basis in accordance with the procedure noted above. Even if applicable law permits class actions or class arbitrations, the dispute resolution procedure specified here applies and Verizon and Customer waive any rights to pursue any claim arising under the Contract on a class basis. The arbitration will be held in a mutually agreed-to location, and is final and binding.

50. **Counterparts/Facsimile Copies.** A Contract may, where applicable, be executed in counterparts each of which when executed by the requisite Parties shall be deemed to be a complete original agreement. terminating facilities are provided by a Verizon ILEC. Customer will ensure there is adequate capacity on the facility when providing CFA.

2.1.3.2 **Customer-Provided UNI.** Customers providing the UNI between Verizon's Access service and the Customer's equipment will obtain an LOA authorizing Verizon to order an Ethernet virtual connection to the Customer-provided UNI. Customer will ensure there is adequate capacity on the UNI.

2.1.3.3 **Abuse or Fraudulent Use of SIM Cards.** Customer will use SIM cards provisioned by Verizon in connection with Access service only to use that service. Any other use is a material breach of the Agreement.

2.1.3.4 **Quality of Signal.** Customer will check the quality of the signal at the location where the Access with a wireless connection will be installed prior to ordering the service. Wireless network coverage and other factors may affect the availability and performance of the service.

An attribute of PRI, Call-by-Call Service Configuration, allows for these services to share dynamically allocated individual circuits within the PRI. The PRI consists of a 64 kbps D channel and 23 B channels of 64 kbps each. The bearer, or B, channels are used to access Verizon services supported over the PRI. The D channels are used to carry signaling and control information for the associated B channels.

- 3.2 **Access Availability.** The actual availability of Access cannot be determined definitively until the date of installation. If Customer-ordered Access is determined to be unavailable, Verizon will notify Customer promptly, cancel the unavailable order, and upon Customer request, requote the Access based on the latest availability information. There will be instances where a circuit is quoted, using the information available at the time of a quote, but at the time the order is placed or upon installation, the Access is deemed not available and other Access, sometimes with higher charges may be required and in such instances the circuit is requoted to Customer.
- 3.3 **Country-Specific Service Limitations**
- 3.3.1 **Permitted Use.** For Access provided outside Hawaii and the U.S. Mainland or within Alaska, Customer will use Access circuits only in conjunction with a Verizon-provided network service. If Customer violates this use requirement, Verizon may terminate the Access circuit or take other appropriate action to meet its legal and regulatory obligations.
- 3.3.2 **United States – Interstate Service Only.** Access in the US Mainland is offered only on a jurisdictionally interstate basis. With respect to its use of Access, Customer agrees that more than 10 percent) of Customer's per-circuit traffic crosses state line boundaries (which is commonly referred to as 10 PIU – Percent Interstate Usage).
4. **SERVICE LEVEL AGREEMENT (SLA).** There is no separate Service Level Agreement for Access. Access is included in the SLA for the network service to which it is connected (e.g. Private IP, Internet Dedicated, etc.).
5. **FINANCIAL TERMS**

If Customer does not accept the special construction charges, Customer may terminate the order(s) affected by the special construction charges, with no cancellation fee(s).

5.1.4 Wireless Connections. Monthly data plan charges for wireless connections are billed in advance. Overage usage (usage in excess of the monthly data plan amount) will be rounded to the next full GB of traffic and will be billed in arrears. Data usage not used in a particular monthly billing period may not be carried forward to another month the data plan selected by Customer. With regard to Wireless UNI, Customer charges are based on data usage sent through the wireless connection (including resent data), not data usage received by Customer Equipment.

5.1.5 Wireless Connection - Outside the US. With respect to Customer-requested upgrades to its data plan for Access with Wireless UNI, the MRC will be prorated according to the date the new data plan is available to Customer. Overage usage will be based on the data plan in effect on the last day of the billing period when traffic usage is calculated. The billing period with respect to overage usage may differ according to the country where Access with Wireless UNI is provisioned.

Where the facility provider charges Customer directly for port/rider/appearance charges, Customer is responsible for paying for such charges directly to the provider, and Verizon's invoices to Customer will not include such charges. Customer must provide the following information: Meet Me location and ring/hub/parent provider name. If a Verizon (non-Verizon ILEC) Ring, Customer must also provide the Verizon ring/hub status, and Verizon ring/hub type. If Customer provides incorrect information, the CFA may need to be re-quoted.
- 5.1.9 **Charges for Customer-Provided Access.** Where Customer provides its own local access service, an Access MRC and NRC (cross-connect charge) will still apply to cover Verizon's provision of a physical connection from that access service to the Service Equipment used to provide the associated Verizon network service. If incorrect information is provided by Customer, the cross-connect will need to be re-quoted.
- 5.1.10 When Local Access with Wireless Connection provided in the U.S. is used with Verizon's Internet Dedicated Service, such connection is subject to the following Wireless Regulatory Surcharge: \$0.02 per connection per month.
- 5.1.11 **Access Speed Changes.** Speed changes on an existing Access circuit are only supported by Verizon in specific limited circumstances. Otherwise, where alternative Access speeds are available from Verizon, Customer must present a new order to Verizon to obtain such alternative speeds and simultaneously terminate its existing Access service, for which it will pay early termination charges if applicable. Customer will be responsible for any third party charges incurred by Verizon in order to implement any requested Access speed changes or any termination. The applicable NRC and MRC associated with the new Access circuit speed will be effective from the day the changed Access bandwidth is available to Customer.
- 5.1.12 **Access Moves.** Customer-requested moves of Access to a new location will be quoted on an individual case basis and, as with speed changes, may require the termination of Customer's existing Access circuit and installation of a new one. For Customer-requested moves of Access to a new location, Customer will pay early termination charges as applicable and any third party charges incurred by Verizon in order to implement the move. The newly-contracted Access will include the applicable NRC and MRC associated with the new Access circuit.

With Preferred Carrier Designation Diversity, Customer must order and pay for the access circuit, plus an additional charge for the Diversity Feature itself, as applicable.

- 5.2 **Non-Optimized Service.** Customer will pay MRCs and NRCs for non-Optimized Access Service as specified in the Agreement. The online pricing for Access provided by a U.S. entity is at http://www.verizonenterprise.com/external/service_guide/req/cp_access_network_services_local_access.htm.
- 5.2.1 **Commitment Period.** Customer will pay the applicable circuit MRC for any Network Services Local Access Service circuit of DS3 or larger or for any Ethernet Access for a minimum of 12 months, which Customer will pay even if the circuit is cancelled sooner (unless cancelled by Customer for Cause, as defined in Customer's Agreement).
- 5.2.2 **Special Construction.** If, after an order is placed, Verizon finds that third-party special construction services are needed to build, configure or install any additional facilities and/or equipment necessary for Verizon to provide Access service, Verizon will notify the Customer of any such special construction charges. If Customer does not accept the special construction charges, Customer may terminate the order(s) affected by the special construction charges, with no cancellation fee(s).
6. **DEFINITIONS.** The following definitions apply to Access, in addition to those identified in the Master Terms.

Demarcation	The point where the access circuit is delivered. For jointly used office buildings, it is often a common entrance point for telecommunication providers, which may not be the Customer's physical location.
Meet Me Location	If the customer has a dedicated ring, the Meet Me Location is the node on the ring where customer will provide Carrier Facility Assignment (CFA). For customer provided access, the Meet Me Location is the edge of the Verizon network where the customer is bringing their access (usually a Patch Panel on which the Customer's vendor resides).
Time Division Multiplexing (TDM)	A technique for transmitting two or more signals over the same telephone line, radio channel, or other medium. Each signal is sent as a series of pulses or packets, which are interleaved with those of the other signal or signals and transmitted as a continuous stream.

 - 3.9.4 Control all activities associated with the existing Customer Equipment, including without limitation changes, additions or deletions of devices made by any non-Verizon provided technicians.
 - 3.9.5 Properly dispose of or in the European Union return to Verizon for disposal as per Verizon's instructions, of all decommissioned equipment in accordance with applicable law.
 - 3.9.6 Comply with Verizon's reasonable instructions for the modification of Customer's equipment, at Customer's own expense, to enable Installation of the System. If such modification has occurred, Verizon has no obligation to restore that Customer Site.
- 4. **Customer Furnished Equipment.** Equipment furnished by Customer ("CFE") is Customer-provided and Verizon-approved equipment outlined in a detailed bill of materials ("BOM") provided by Customer and approved by Verizon from time to time.
 - 4.1 **CFE Installation.** For CFE Installation services, a Verizon technician installs Customer provided equipment on Customer-provided racks, backboards, or other facilities. Verizon will verify equipment power-up, operation of network interfaces. No demarc extension is provided with CFE Installation. Remote activation of the equipment and transport connectivity will be provided with Verizon transport services only or in certain locations where Verizon has specifically pre-approved remote activation. Local area network configuration or activation is not included with CFE Installation. CFE Installation is performed at Customer designated locations as shown in the applicable Contract.
 - 4.2 **Customer Responsibilities.** Customer will:
 - 4.2.1 Complete the BOM with the detailed information required by Verizon including manufacturer's part number, description, and quantity.
 - 4.2.2 Obtain CFE from the equipment providers.
 - 4.2.3 Notify Verizon in writing (including email), and ship CFE to the Verizon-designated facility with the Verizon-provided inbound delivery number and according to the shipping instructions and Customer-provided BOM.
 - 4.2.4 Work with CFE equipment and maintenance providers, as required, to cause the repair or replacement of any missing, defective or damaged CFE, including CFE "dead on arrival" at the Verizon facility.
 - 4.2.5 Provide for CFE support and maintenance each site, unless the applicable Service Order provides for support and maintenance.
 - 4.3 **Verizon Responsibilities.** Verizon will:

5. **CPE Solutions Financing Program Options.** Where available, Customer may obtain use of a System and/or CPE Service from Verizon or a third party finance company (the "Monthly Recurring Plan," or "MRP") or directly through a third party of Customer's choice ("Third Party Leasing/Financing"), each as provided below.

5.1 **Monthly Recurring Plan.** The following terms and conditions apply to Contracts by a Customer for the right to i) use a System with a monthly recurring payment and, when applicable, ii) receive the provision of CPE Services. A quote will be provided to Customer indicating the terms and conditions related to a specific transaction prior to the issuance of any Service Order for a System or CPE Services for MRP. When Customer accepts the quote, a Service Order will be issued for Customer's review and acceptance. The quote and Service Order will both show the System or CPE Service elements, location of such System or CPE Services, associated monthly recurring charges, whether a TPFC, as defined below, has been engaged for each System or CPE Service element, and the Financing Commitment (as defined below). Notwithstanding any no-sign SOF acknowledgement ordering or similar process, Customer will indicate its acceptance of the Service Order by its physical signature on such Service Order. Customer will upon request provide formal evidence of the signatory's power to sign the Service Order on behalf of Customer (as appropriate for the relevant jurisdiction, for example, a certificate of incumbency, trade register extract or power of attorney).

5.1.1 MRP General Terms.

5.1.1.1 With MRP, Customer will have the right to use Systems and be provided with CPE Services, (when applicable), as indicated on the quote and Service Order as Monthly Recurring Plan. The Service Order will also indicate whether title to the System will be held by Verizon or by a third party financing company, including a Verizon Affiliate ("TPFC") by stating "TPFC Engaged" for each System or CPE Service element where Verizon is acting as an agent for the TPFC for the purpose of billing and collecting payments from Customer under MRP and title to the System is being held by the TPFC.

5.1.1.2 Customer may only use a System on a Customer Site or co-located in Verizon's facilities. The System must be dedicated to use for Customer's benefit and only for Verizon services in accordance with Verizon's reasonable instructions from time to time. All moves, modifications, or relocations of a System must be performed by Verizon for an additional cost provided by a Service Order. After a move, modification or relocation, the MRC for the System may change as a result of tax or other considerations from such move, modification or relocation and such change will be shown on the Service Order. Systems may not be moved across international borders. MRP requires Customer to purchase Verizon Maintenance Service or Verizon Warranty Service, Enhanced Staging and Installation, where available and as applicable.

5.1.1.3 Pursuant to the "Verizon Assignment Under MRP" section below, Verizon reserves the right in its sole discretion to assign certain of its rights, remedies, obligations, and/or pledge or otherwise grant a security interest in certain of its receivables, with respect to a System to the TPFC including the right to exercise remedies contained therein directly against Customer. Notwithstanding such assignment, Verizon will continue to interact directly with Customer on behalf of the assignee TPFC as an agent for the TPFC for the purpose of billing and collecting payments from Customer under MRP, subject to the provisions of the "Events of Default" section below becoming operative. Customer will receive written notice at such time when, or if, the assignee TPFC will exercise such assigned rights directly with Customer. A credit check of Customer may be conducted at any time and, at such time, Customer will provide any financial, System and CPE Service-related information reasonably requested by Verizon.

5.2 **Direct Third Party Leasing/Financing Option.** Where available, Customer may obtain a System and/or CPE Service from Verizon through a direct financing arrangement with a third party financing company approved by Verizon pursuant to the terms of a Schedule and/or other relevant terms provided by such third party. Notwithstanding any terms provided by such third party, Customer will remain responsible for performance of all of its obligations under these terms. In the event the third party financing company fails to pay for the System and/or CPE Services in accordance with the terms of the financing agreement, purchase order or any other terms between such third party financing company and Customer related to a Service Order, Customer shall pay Verizon directly.

6. **Maintenance Service.** Verizon will provide Maintenance Services where available in accordance with these Service Terms.

6.1 Maintenance Service Provisions.

6.1.1 If, i) Verizon did not install the equipment or software intended to be covered by maintenance, ii) the equipment or software is out of warranty or out of third party maintenance coverage, or iii) Verizon has not provided Maintenance Service on the equipment or software for more than 60 days, then the

CUSTOMER PREMISES EQUIPMENT AND RELATED SERVICES +

equipment or software must be accepted by Verizon prior to being eligible for Maintenance Service. Customer warrants that such equipment or software is in good working order and meets all applicable manufacturer specifications. Verizon may recommend corrections or improvements to operating environments or configuration to be performed at Customer's cost and expense. Failure to comply with Verizon's recommended corrections or improvements may cause Verizon to reject the specific part or equipment or software and remove it from the Maintenance Service. If the equipment or software is found not to be in good working order and/or not in compliance with all applicable manufacturer specifications, Verizon will be under no obligation to provide Maintenance Service; provided however, Customer may, upon written notice, request Verizon to upgrade and/or repair such equipment or software at Verizon's then current time and material rate.

- 6.1.2 In the event the manufacturer of the System covered by maintenance, discontinues a piece of the System, and/or the associated support of such System, Verizon will only be obligated to provide the Maintenance Services on the affected System for the period of time that the manufacturer continues to support such System. At the end of such period Verizon will cease to support such System in accordance with the service description, but will use commercially reasonable efforts to provide Maintenance Service on the affected System until Customer upgrades or replaces such System. In such case, Verizon reserves the right to impose additional charges on Customer for Maintenance Service (e.g., for manufacturer imposed charges or additional level of effort).
- 6.1.3 Maintenance Services that include repair or replacement of System components will be provided with new or like new parts, as applicable, to restore the System to the level of working condition existing prior to the fault or problem; provided, however that, unless Customer provides the most current configuration, the software will be configured to the level that was last implemented by Verizon.
- 6.1.4 If Verizon determines that the trouble identified is a Customer network condition instead of a problem with the System covered under Maintenance Service, and if Verizon has preapproved written authorization Verizon will coordinate the resolution of the trouble and charge its then prevailing time and material labor rate to coordinate the resolution.
- 6.1.5 Maintenance Service is available for Systems located within a specified service area related to a Verizon facility or an authorized Verizon service provider's facility. Verizon reserves the right to charge Customer its then prevailing labor rate for travel to Customer locations that are outside of the specified service area.
- 6.2 **Customer Responsibilities.**
 - 6.2.1 Customer will allow Verizon (using reasonable efforts to do so without undue delay or undue impact to Customer's network) to suspend normal operations of the System to inspect, test and/or repair it.
 - 6.2.2 Remote connectivity for diagnostic purposes is a prerequisite for all applicable Systems covered by a Maintenance Service. Customer must provide connectivity, as specified and approved by Verizon, to the maintained System or Maintenance Service response times will be void. Customer further agrees that if Customer does not provide remote connectivity into the applicable System the following applies:
 - 6.2.2.1 If Verizon is required to dispatch an engineer to Customer's site to troubleshoot an outage, Customer may incur a time and material charge at Verizon's then current rate.
 - 6.2.3 Customer will notify Verizon immediately in writing in the event that any substantial or material modifications are made to Customer's network, and shall provide Verizon with such information as it may reasonably request, in order for Verizon to perform the Maintenance Service. In the event such modifications to Customer's network or any of its component parts causes Verizon to incur any increased burden in its performance of the Maintenance Service, Customer acknowledges and agrees that Verizon may increase the fees upon prior written notice to Customer.
 - 6.2.4 In the event Verizon or the manufacturer ships a replacement part to Customer, Customer is responsible for returning the defective part, in accordance with the instructions contained in the replacement part packaging, to Verizon within 15 Business Days of receipt of the replacement part. If Verizon does not receive the defective part within 15 Business Days, Customer may be billed for the list price of the replacement part.
 - 6.2.5 Customer must maintain back-up copies of the original software, current platform configurations, and operating system. Such back-up copies must be available to Verizon when requested to aid in troubleshooting and/or problem resolution. For Systems which are not managed by Verizon, Verizon's only responsibility is to re-load the configuration file as provided by the Customer and Customer is responsible for trouble-shooting and resolving problems with the System configuration files.
 - 6.2.6 Customer may only move, modify, relocate or in any way interfere with the System that is under maintenance (or any words or labels on the System) with Verizon's prior written approval. Customer will not cause the System to be repaired or serviced except by an authorized representative of Verizon or its subcontractors.

6.3 **Exclusions.** Maintenance Service does not include:

- 6.3.1 Additions, changes, relocations, removals, operating supplies or accessories.
- 6.3.2 Services necessitated by accident, casualty, neglect, misuse, intentional acts or any cause other than normal use of the System.
- 6.3.3 Repairs or replacements necessitated by lightning, radio frequency interference, power disturbances, fire, flood, earthquake, excessive moisture, Harmful Code or any event occurring external to the System that directly or indirectly causes a malfunction in the System, a private network to which the System is connected, or in telephone lines, cable or other equipment connecting the System to the public telephone network or to other Customer equipment. Harmful Code means any virus or machine-readable instructions and data designed to intentionally disrupt the operation of the System or intentionally destroy or damage System or data contained therein.
- 6.3.4 Services necessitated by use of the System with any other device or system not supplied or approved as to such combined use by Verizon, or use of any part of the System in a manner not specified by Verizon.

- 6.3.10 Services resulting from Customer installation, configuration or other Customer changes to device software.
- 6.3.11 Application development, scripting, software backups, software customization, application evaluation or troubleshooting, and engineering services.
- 6.3.12 Damage to the System which is caused by (a) the act or omission of Customer or Customer's breach of the terms of these Service Terms; or (b) malfunction or failure of any equipment or facility provided by Customer or its agents, employees, or suppliers, including but not limited to Customer's equipment. Verizon is not liable for any costs incurred arising out of any malfunction or failure of any such equipment or facility.

6.4 **Maintenance Service Provisions.**

6.4.1 **Term and Termination.**

- 6.4.1.1 Maintenance Services will become effective 30 days after Verizon accepts Customer's Maintenance only Service Order as applicable and shall remain in effect for the period set forth in the Service Order as applicable ("Maintenance Service Period"). After the Maintenance Service Period, and if Customer has not renewed for a new Maintenance Service Period, Verizon or Customer may terminate the Maintenance Service upon not less than 60 days prior written notice and the Maintenance Service will be provided at Verizon's then current undiscounted rate, unless terminated in accordance with this Attachment.
- 6.4.1.2 Customer may terminate the Maintenance Service during the Maintenance Service Period (in whole or in part) only for default as defined in this Attachment. If Customer has pre-paid the Maintenance Service and terminates the Maintenance Service (in whole or in part) prior to the end of the applicable term due to Verizon default, Customer will be reimbursed for the unused portion of the terminated Maintenance Service, less any discount received unless a relevant Third Party Services Agreement or Maintenance Service provided via a third party through Verizon does not allow for such reimbursement.

6.4.2 **General Maintenance Service Terms.**

- 6.4.2.1 The determination to order maintenance replacement parts is made by Verizon.

6.4.3 **Verizon Maintenance.** "Verizon Maintenance" means Verizon will do the following:

- 6.4.3.1 Use commercially reasonable efforts to isolate any problems with the System following receipt of Customer's notification that the System is inoperative.
- 6.4.3.2 Investigate trouble reports initiated by Customer and repair or replace, at Verizon's sole discretion, any of the System which fails to meet the manufacturer's published operating specifications for the System.
- 6.4.3.3 Replace Systems it determines needs to be replaced with equipment of like kind and functionality from a manufacturer of Verizon's choice at the time of replacement ("Exchange Unit"). Before replacing the System, Verizon will attempt to contact Customer to schedule the replacement. The replaced unit will be returned to Verizon at Verizon's expense. For

CUSTOMER PREMISES EQUIPMENT AND RELATED SERVICES +

Systems to which Customer holds title, upon replacement, Customer will obtain title to the Exchange Unit and Verizon will obtain title to the replaced System.

6.4.3.4 Maintenance Takeover Service. "Maintenance Takeover Service" means Verizon will provide Verizon Maintenance for CPE supplied by Customer (rather than ordered from Verizon) and identified in a Service Order accepted by Verizon ("Customer-supplied CPE"). Verizon approval of Customer-supplied CPE is required before ordering. For purposes of Maintenance Takeover Service, Customer-supplied CPE will be treated as a System.

6.4.3.5 Verizon Maintenance Reporting. Customer may request that Verizon provide network equipment reports, where available. To facilitate the generation of the reports, Verizon will work remotely with Customer SPOC to coordinate the configuration and deployment of collection software on the designated Customer provided server ("Collector") which must meet the manufacturer's requirements at time of deployment. Customer will provide remote VPN to support the data collection. Customer understands and agrees that Customer network information will be transmitted and used to generate reports. Customer can request Verizon to remotely disable collection features or uninstall Collector software, at which time Verizon will no longer be able to provide this reporting service.

6.4.4 Verizon Warranty Service is a replacement service provided during Business Hours. Verizon will provide next business day parts replacement of certain defective, non-critical peripheral or endpoint equipment (e.g., IP phones, modems, etc.) using new, like new, or refurbished parts or equipment of like kind and functionality. Verizon will remotely assess the equipment and if Verizon validates the equipment is defective, Verizon will authorize and ship replacement equipment. Customer is responsible for installing the replacement equipment. Equipment covered by Verizon Warranty Service will be identified in the applicable quote.

6.5 CPE Related Assessment Services. Verizon will provide on site assessment services in accordance with one or more SOWs, which are incorporated herein by reference (hereinafter "CPE Related Assessment Services").

Part III: Terms and Conditions.

- 1. Change Orders.** Verizon will comply, to the extent it deems feasible and reasonable, with any proposed changes to the System or CPE Services under these Service Terms and any Service Order or any applicable SOW ("Change Orders"). No Change Order will become effective, and no changes in the System or CPE Services will be initiated, until the Change Order is accepted by Verizon. Change Orders are accepted by the same process as Service Orders are accepted. If changes result in an increase or decrease in charges or time needed for performance, such adjustments will be reflected in a written Change Order.
- 2. Risk of Loss.** Risk of loss or damage to a System passes to Customer upon the earlier of i) delivery of the System to the Customer Site, and ii) when Customer takes shipping responsibility (e.g. when Customer takes over shipping from point of import). Customer shall provide notice of loss or damage to the System as soon as Customer receives notice of such loss or damage.
 - 2.1 Risk of Loss for Customer Furnished Equipment.** Risk of loss or damage to CFE passes to Verizon upon the earlier of i) delivery of the CFE (including portions thereof) to the Verizon-designated location, and ii) when Verizon takes shipping responsibility. After delivery to the Verizon-designated location, risk of loss or damage to CFE passes back to Customer upon the earlier of i) delivery of the CFE (including portions thereof) to the Customer-designated location, and ii) when Customer takes shipping responsibility.
- 3. Resale Title and Security Interest.** For Customer purchases where the System is purchased and delivered within the same jurisdiction and Verizon is incorporated in such jurisdiction, Verizon will retain title to the applicable System elements until full payment for the same has been rendered. Upon final payment, title will pass to Customer. Customer will not grant or convey to any other person or entity a security interest in, or permit placement of a lien on, the System unless and until Customer has paid Verizon in full for such System. For other purchase transactions, title to the System will pass to Customer at time of shipment of the System from Verizon's or its third-party vendor's warehouse to Customer, or at the time indicated on the Service Order (including attachments to the Service Order) if different from the time of shipment. Terms and conditions for title and security interests for MRP transactions are located in and subject to the "Title and Security for Systems Under MRP" section below. As between Verizon (including its suppliers) and Customer, Verizon (or its ultimate suppliers or licensors, as applicable) retains all right, title and interest in and to all software provided by Verizon. Until final payment is received from Customer, Customer grants Verizon a security interest or lien in the System, or similar or equivalent interest pursuant to local law, and agrees that Verizon may file all documents necessary to perfect

CUSTOMER PREMISES EQUIPMENT AND RELATED SERVICES +

that interest. At Verizon's request, Customer will provide all assistance required for the enforceability of retention of title. Upon final payment Verizon will release its security or other interest.

3.1 **Title for Customer Furnished Equipment.** Title to CFE remains with Customer at all times.

4. **Delivery.** In those jurisdictions where Verizon has an established legal presence and except as otherwise provided in the Contract, delivery of the System will be "DDP", "Delivered Duty Paid", to the Customer's sites as defined by "Incoterms 2010" published by the International Chamber of Commerce, together with the terms and conditions set forth herein. In those situations where delivery under the DDP term is not available delivery of the System will be "DAP", "Delivered At Place", to the Customer's sites as defined by "Incoterms 2010" published by the International Chamber of Commerce, together with the terms and conditions set forth herein.
5. **Import of Equipment.** Customer will provide such assistance to Verizon as may be necessary in connection with the importation of the System into the countries in which the Customer sites are located, and as required in accordance with local regulations. Such assistance may include but not be limited to acting as the importer of record and paying import duties, fees and taxes, if any, using Customer's Tax Registration Number. Upon becoming the importer of record, Customer may be subject to the obligations placed on 'Producers' as defined and set out in the Waste Electrical and Electronic Equipment Directive 2002/96/EC or any equivalent local directive or regulation, or the relevant local legislation implementing the provisions of any such directive or regulation.
6. **Cancellation.** Prior to Customer Acceptance, either party may cancel a Service Order or a SOW for convenience, in whole or in part. A Customer cancelling any Service Order or a SOW for convenience before it has been accepted is subject to cancellation charges, based on the stage the CPE Service or System has reached toward such acceptance, which may include charges: (i) for all System elements and CPE Services provided up to the date of cancellation; (ii) for all expenses incurred up to the date of cancellation, including but not limited to the costs of cancelling purchase orders, shipping charges for the return of System elements, if permitted by Verizon, removal of System elements and other contractual obligations made by Verizon to meet its obligations under the Contract, and (iii) a minimum restocking fee of 35% of the price of the System, as shown on the applicable Service Order or SOW, for any System elements returned, provided such return is permitted by the provider of the System element, and as authorized by Verizon.
7. **Termination.** Subject to the "MRP Service Terms and Conditions" section below, after Customer Acceptance, either party may terminate a Service Order for CPE Services for convenience, in whole or in part upon 30 days prior written notice to the other party. If a CPE Service is terminated by Customer pursuant to this section, Verizon has no further responsibility under the Service Order and Customer will promptly pay Verizon an amount up to the full amount of the remaining payments due under the Service Order if not terminated and any expenses incurred by Verizon. Where multiple SOWs are associated with these Service Terms, the termination of one or fewer than all of the SOWs will only affect the terminated SOWs, and any additional SOWs will remain in effect.
 - 7.1 **Termination for Cause.** If either party fails to perform material terms of these Service Terms and (i) such failure is not cured within 30 calendar days following receipt of a default notice in writing from the other party; or (ii) if such failure cannot reasonably be cured within such 30 calendar days, and the defaulting party fails to use commercially reasonable efforts to cure such breach as soon as practicable, but in any event within 90 calendar days following written notice, then the non-defaulting party may suspend its performance of and/or terminate the affected CPE Services or System order to which the default pertains. Upon termination of such CPE Service or System order, Customer is liable for any unpaid charges for the terminated CPE Service incurred up to the time of termination of such CPE Service and for any System element provided up to such termination. These Service Terms will not be terminated, and will continue in effect, with respect to all other CPE Services and Systems that are not the subject of such default. Termination of any CPE Service or System will be in addition to and not in substitution of any other rights and remedies available to the non-defaulting party under these Service Terms applicable law, or otherwise.
8. **Confidentiality.** Notwithstanding any contrary term in the Contract and consistent with applicable law, Verizon may disclose the terms of these Service Terms, in whole or in part, to: (a) Verizon Affiliates; (b) Verizon's or Verizon's Affiliate suppliers and/or subcontractors that offer (including new offers or renewal offers), provide, repair, maintain, bill, collect, or perform other functions in connection with Verizon or Verizon Affiliate products or services, including the financing thereof, under or in connection with these Service Terms; (c) successors in interest to Verizon or Verizon Affiliates (by merger or otherwise); and/or (d) persons to whom Verizon or Verizon Affiliates may sell all or part of their respective businesses or assets.
9. **Warranty.** Verizon warrants it will perform the CPE Services provided by Verizon under these Service Terms in a good and workmanlike manner. Unless otherwise set forth herein or in an SOW, Verizon is not the manufacturer or licensor of the System but will transfer or pass through to Customer the benefit of any and all manufacturer warranties on the same terms as offered by such manufacturers which are capable of being transferred or passed through.

9.1 **UNAUTHORIZED ACCESS.** IN ADDITION TO DISCLAIMERS IN THE AGREEMENT, VERIZON WILL NOT

CUSTOMER PREMISES EQUIPMENT AND RELATED SERVICES +

BE LIABLE FOR UNAUTHORIZED ACCESS TO VERIZON'S OR CUSTOMER'S TRANSMISSION FACILITIES OR EQUIPMENT OR FOR UNAUTHORIZED ACCESS TO OR ALTERATION, THEFT OR DESTRUCTION OF CUSTOMER'S DATA FILES, PROGRAMS, PROCEDURES OR INFORMATION THROUGH ACCIDENT, FRAUDULENT MEANS OR DEVICES, OR ANY OTHER METHOD.

- 9.2 **Third Party Services.** Verizon is not the provider of Third Party Services, as defined below, therefore Verizon provides no warranties, guarantees and assurances of quality that apply to Third Party Services but will transfer or pass through to Customer the benefit of any and all third party warranties on the same terms as offered by such third parties which are capable of being transferred or passed through. THE WARRANTIES SET FORTH IN THESE SERVICE TERMS ARE IN LIEU OF ALL OTHER WARRANTIES FROM VERIZON TO THE EXTENT PERMITTED BY LAW. Notwithstanding the foregoing, Verizon warrants that the System will be free from defects for 12 months from delivery (the "Warranty Period"). Should the System become defective within this period, Customer shall initially only be entitled to subsequent performance. For the purpose of such subsequent performance Verizon will be subject to receiving notification of the defect within the Warranty Period, comply with the obligations set out in the third party supplier's warranty supplied with the System or otherwise repair or replace the System within a reasonable time period. All other warranty claims regarding the System may only be asserted if subsequent performance has failed. Verizon does not give a warranty for merely immaterial deviations from the agreed condition of the System and fitness for any particular purpose. Customer shall examine the System without undue delay upon delivery with respect to the amount, condition and quality. Obvious defects must be reported to Verizon within 10 Business Days; claims for warranties for such defects shall be excluded thereafter.

10. Limitation of Liability.

- 10.1 **ENTIRE LIABILITY.** SUBJECT TO THE "EXCLUSIONS" SECTION OF THE CONTRACT, VERIZON'S AND ANY VERIZON ASSIGNEE'S ENTIRE LIABILITY FOR ANY OTHER DAMAGE WHICH MAY ARISE HEREUNDER, FOR ANY CAUSE WHATSOEVER, AND REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT OR IN TORT, INCLUDING VERIZON'S AND ANY VERIZON ASSIGNEE'S NEGLIGENCE, OR OTHERWISE, WILL BE LIMITED TO THE LESSER OF I) THE PURCHASE PRICE OF THE SPECIFIC SERVICE ORDER GIVING RISE TO THE CLAIM; AND II) THE LIMITATION OF LIABILITY IN THE CONTRACT.
- 10.2 **EXCLUSIONS.** VERIZON AND ANY VERIZON ASSIGNEE'S WILL BEAR NO LIABILITY FOR USE OF THE SYSTEM OR CPE SERVICES PROVIDED UNDER THIS ATTACHMENT IN CONNECTION WITH LIFE SUPPORT SYSTEMS OR DEVICES OR PUBLIC SAFETY SYSTEMS. EXCEPT AS EXPRESSLY STATED OTHERWISE HEREIN, VERIZON AND ANY VERIZON ASSIGNEE'S WILL HAVE NO LIABILITY OR RESPONSIBILITY FOR INTEROPERABILITY OR COMPATIBILITY OF THE SYSTEM WITH THIRD-PARTY PRODUCTS OR SYSTEMS THAT CUSTOMER MAY UTILIZE IN CONJUNCTION WITH THE SYSTEM OR TO WHICH CUSTOMER MAY CONNECT EQUIPMENT.
- 10.3 **Acknowledgement.** Customer and Verizon acknowledge that the warranties, limits on liability and exclusions set out in these Service Terms fairly allocate the risk between Customer, Verizon and any Verizon assignee and are reflected in the charges for the System and/or CPE Services.

11. Insurance.

- 11.1 **Coverage.** Customer shall maintain in full force and effect, at its own cost and expense, during the Service Commitment, the following insurance coverage:
- 11.1.1 Commercial General Liability insurance with a minimum combined single limit of \$2,000,000 per occurrence for bodily injury and property damage and \$2,000,000 general aggregate including but not limited to premises-operations; products/completed operations; contractual liability; independent contractors and personal and advertising injury.
- 11.1.2 Commercial Automobile Liability insurance with a minimum combined single limit of \$2,000,000 each accident for bodily injury and property damage. Coverage shall include owned, non-owned, leased and hired vehicles.
- 11.1.3 Workers' Compensation in compliance with the statutory requirements of the state(s) of operation and Employer's Liability with a minimum limit of \$1,000,000 each employee-accident/each employee-disease/policy limit.
- 11.1.4 A combination of primary and excess/umbrella liability policies will be acceptable as a means to meet the limits specifically required hereunder. The required minimum limits of coverage shown above, however, will not in any way restrict or diminish company's liability under this agreement.
- 11.1.5 Errors & Omissions liability in the amount of \$2,000,000 each claim covering the acts, errors or omissions of Customer under this agreement.
- 11.2 **Additional Insured.** All insurance coverage required herein, excluding Workers' Compensation, Employer's liability and Errors & Omissions liability shall name Verizon Communications Inc., its Affiliates and

CUSTOMER PREMISES EQUIPMENT AND RELATED SERVICES +

Subsidiaries as additional insured by means of an unrestricted endorsement to the above policies with regard to any liability arising out of Customer's operations, products or completed operations.

- 11.3 **Policies.** All policies required herein shall (i) contain waivers of subrogation in favor of Verizon (ii) be primary and non-contributory with any insurance or program of self-insurance that may be maintained by Verizon (iii) shall be issued by companies that are licensed, authorized or permitted to conduct business in the jurisdiction in which the work is to be performed (iv) must have an A.M. Best rating of A-; VII or better.

- 11.4 **Certificates.** Prior to commencement of work, Customer shall provide Verizon with certificate(s) of insurance that evidence the coverage required by this agreement. Verizon shall receive 30 days prior written notice of intent to non-renew, cancellation or material adverse change, except 10 day notice for nonpayment of premium shall apply. In the event any of the above policies is cancelled, Customer shall immediately submit documentation to Verizon verifying that Customer has obtained alternative insurance in conformance with these Service Terms.

12. Intellectual Property Infringement Indemnity.

- 12.1 **Verizon CPE Services Indemnity.** Except as provided below, Verizon will defend Customer against any claim, suit, action or proceeding alleging that the purchase or use by Customer of any CPE Services infringes a valid U.S. patent or copyright ("Services Claim"), and Verizon will indemnify and hold harmless Customer against any and all finally awarded costs and expenses, including attorneys' fees, in connection with any such Services Claim.

12.1.1 If the use of any CPE Services is enjoined or subject to a Services Claim, Verizon may, at its option and expense, either procure for Customer the right to continue to use the affected CPE Services, replace the affected CPE Services with substantially equivalent, non-infringing service, or modify the affected CPE Services so that it becomes non-infringing. In the event that none of the foregoing options is commercially reasonable, Verizon may terminate the CPE Services.

12.1.2 Verizon shall have no obligation to defend, indemnify or hold harmless Customer for any Services Claim or portion thereof that arises from (i) any negligent or willful act or omission by or attributable to Customer or, with the exception of Verizon, any agents, contractors, or suppliers acting on behalf of Customer; (ii) any combination, use or operation of any CPE Services with equipment or services provided by Customer or any third party; (iii) any addition to or modification of the CPE Services by Customer, any third party or Verizon at Customer's request; (iv) use of other than the then current unaltered release of any Verizon-provided software used in the CPE Services provided Verizon has made such release available to Customer; (v) any equipment, system, product, process, method or service of Customer which otherwise infringed any U.S. patent or copyright asserted against Customer prior to the supply of the CPE Services to Customer hereunder; (vi) functionality provided by Verizon at the direction of Customer, its agents, employees, or other contractors (including the provision of functionality in accordance with technical specifications provided by Customer); or (vii) use or operation, by Customer, its agents, employees or other contractors, of CPE Services other than as specified in these Service Terms.

- 12.2 **Sole and Exclusive Remedy.** The foregoing states the entire obligation of Verizon to Customer and is Customer's sole and exclusive remedy with respect to any claim of infringement of any intellectual property right of any kind, including the manufacturer's(s') or owner's(s') indemnities applicable to the CPE and software that Verizon is authorized to pass through for the benefit of Customer, if any, and Verizon disclaims all other warranties and obligations with respect thereto.

- 12.3 **Indemnity.** Each party (the "indemnitor") will defend, indemnify, and hold harmless the other party (the "indemnitee") against all claims and liabilities for direct damages imposed on the indemnitee for bodily injuries, including death, and for damages to real or tangible personal property to the extent caused by the negligent or otherwise tortious acts or omissions of the indemnitor, its agents or employees in the course of performance of these Service Terms.

- 12.4 **Contingencies.** The defense and indemnification obligations set forth in this clause are contingent upon (1) the indemnitee providing the indemnitor prompt, written, and reasonable notice of the claims, demands, and/or causes of action subject to indemnification, (2) the indemnitee granting the indemnitor the right to control the defense of the same, and (3) the indemnitee's full cooperation with the indemnitor in defense of the claim, including providing information and assistance in defending the claim. Nothing herein, however, will restrict the indemnitee from participating, on a non-interfering basis, in the defense of the claim, demand, and/or cause of action at its own cost and expense with counsel of its own choosing. No settlement may be entered into by the indemnitor on behalf of the indemnitee that includes obligations to be performed by the indemnitee (other than payment of money that will be fully paid by the indemnitor under sections above) without indemnitee's prior written approval.

Verizon may suspend performance under these Service Terms until the removal or containment has been completed and approved by the appropriate governmental agency and Verizon. Performance obligations under these Service Terms will be extended for the period of delay caused by said cleanup or removal. Customer's failure to remove or contain hazardous substances will entitle Verizon to terminate by virtue of law, without Court intervention, delay, or other formality and liability, these Service Terms, a Service Order, or an SOW at Verizon's option. Upon such termination, Customer will permit Verizon to remove any System that has not been accepted, will reimburse Verizon for expenses incurred in performing these Service Terms, Service Order, or SOW until termination (including but not limited to expenses associated with such termination, such as removing a System, terminating leases, demobilization, etc.), and will complete payment for any portion of a System or CPE Services that has been accepted.

Notice shall be provided to Verizon within 10 days of receiving the above referenced communications or notice of actions to be taken by government officials. Such notice shall include the details of any pending investigation and to what extent Verizon items, hardware, technology, or services are involved.
 - 15.5 Customer further agrees to release, hold harmless, defend, and indemnify Verizon, its officers, directors, shareholders, agents, and employees, from and against any claims, breaches of the representations, costs, damages, penalties, fines or liabilities (including attorneys fees) arising out of, or in connection with any violation or alleged violation by Customer of Export Laws.

20. Additional Service Terms and Conditions for the provision of CPE and CPE Services.

20.1 MRP Service Terms and Conditions.

- 20.1.1 **Term.** The term of the financing commitment for each System ("Financing Commitment") is specified in the related Service Order as a "Service Commitment" and commences on Customer Acceptance. Except in the case of Cause attributable to Verizon, Customer's payment obligation as provided in the Service Order for such System and CPE Service is absolute and unconditional after Customer Acceptance, without set-off, abatement, or deduction. Customer hereby further waives any recoupment, cross-claim, counterclaim, or any other defense at law or in equity to any such payment or other amount due with respect hereto, whether any such defense arises out of these Service Terms, the Agreement, any Statements of Work, or Contract, any claim by Customer against Verizon, its assignees or supplier, or otherwise.
- 20.1.2 **Customer Acceptance.** In addition to the Customer Acceptance procedures in the "CPE Deployment Services" section, Customer must indicate its acceptance of the System by a Customer-authorized signature on the Verizon-provided acceptance document; provided, however, that if Customer has not signed the acceptance document and has not provided written notification of an issue, Customer Acceptance for a System will be deemed to have occurred upon the expiration of the Test Period. In any case, Customer's acceptance shall be irrevocable.
- 20.1.3 **Title and Security for Systems Under MRP.** With MRP, Customer will not have title to the System or any sub-element thereof. Verizon, or a TPFC will have title. Customer waives and releases any right, title and interest that it may have in a System, other than its right to use the System for Verizon services. In the event that MRP is determined by a court to be an extension of credit, Customer hereby grants a security interest in Customer's right, title and interest, now existing and hereafter arising, in and to any System, including all insurance, warranty, and chattel paper arising out of a System to secure payment of all amounts due. Verizon or a TPFC may, at its option, perfect ownership in a System by filing a registration or financing statement (e.g., in the United States, a Uniform Commercial Code filing) naming Customer as the debtor and identifying the ownership or security interest in the System, as applicable.
- 20.1.4 **Verizon Assignment Under MRP.** When the assignee TPFC holds title to a System, Verizon will, at Customer Acceptance, assign certain of its rights with respect to such System and related CPE Service, each as indicated on the Service Order, to such TPFC assignee, including without limitation: (a) the right to receive a portion of the payments due hereunder that relate to the System and CPE Services under MRP; (b) the benefits of (i) any indemnity and/or limitations of liability with respect to the System and CPE Services, and (ii) Customer's representations and warranties with respect to the System and CPE Services, in either case contained herein or in the Master Terms; and (c) in the case of a Customer Event of Default (as defined below), the right to enforce on its own behalf any of its assigned rights, including the right to enforce payment of amounts relating to the System and CPE Services, or to take possession of or enforce title to the System. Such assignment of rights in relation to the TPFC's interest with respect to such System and related CPE Service is nonexclusive and Verizon reserves any rights and benefits relevant to Verizon's interests in such System and related CPE Service. Customer's execution of the Customer Acceptance indicates Customer's consent to such assignment.
- 20.1.5 **Event of Loss.** Customer will promptly notify Verizon in writing if any item of the System becomes unfit or unavailable for use (e.g. lost, stolen, damaged, or destroyed) (an "Event of Loss"). Customer may choose to repair or restore the System to the condition it had prior to such Event of Loss, or replace such damaged System with Like Equipment, as defined below, each at Customer's cost and expense. Otherwise, Customer will pay to Verizon within sixty (60) days after such Event of Loss the System Casualty Value (as defined below) associated with such System as of the date of the Event of Loss, and title to the damaged System will pass to Customer upon such payment. "Like Equipment" is equipment which (a) has been manufactured by the same manufacturer as the System; (b) is of the same type and model as the System (or the manufacturer's equivalent type and model), with all engineering changes incorporated as specified by the manufacturer; (c) has an equal or greater market value as the System Element replaced by Like Equipment; and (d) meets all requirements for the System as set forth in the Service Order or herein. "System Casualty Value" is an amount equal to (i) the present value of all remaining MRC for such System, or element thereof, from the date of the Event of Loss through the end of the Financing Commitment, discounted at an annual rate of 3%, plus (ii) for MRP, the purchase price as of the date of the Event of Loss for such System, or element thereof, as provided by Verizon promptly after receipt by Verizon of a notice of Event of Loss.

20.1.6.3 **Insurance.** For Systems under MRP, Customer shall obtain and maintain for the duration of the Financing Commitment, including any extension thereof, at its own expense, commercial general liability insurance, and special risk insurance against loss or damage to the System as a result of fire, explosion, theft, vandalism and such other risks of loss as are normally maintained on equipment of the type financed hereunder by companies carrying on the business in which Customer is engaged, in the minimum amount of the full replacement cost value, in such form and with such insurers as shall be satisfactory to Verizon. Each insurance policy shall name Customer as insured and Verizon and its successors and assigns as additional insureds and loss payees thereof as their interests may appear and if applicable, and shall provide that it may not be cancelled or materially altered without at least thirty (30) days' prior written notice thereof being given to Verizon (or ten (10) days (fourteen (14) days for Contracts under Swiss Law) in the event of non-payment of premium). Customer shall provide Verizon with a certificate of insurance evidencing the coverage required by these MRP terms. Where applicable, if at any time Customer fails to provide the necessary insurance and Customer does not provide insurance from another insurance company, the foregoing insurance may be provided on behalf of Customer at Customer's sole cost and expense, i.e., "forced place" insurance.

20.1.7 **Hold Harmless.** Customer agrees to indemnify and hold Verizon and its assignees harmless from any and all liability, loss, damage, expense, and causes of action arising from or based upon the System under MRP, or actual or alleged use of same except, with respect to Verizon, for action, suits, claims or judgments arising from Verizon's negligence in providing Services other than MRP.

Customer shall reimburse Verizon for all reasonable and necessary charges, costs, expenses and attorney's fees incurred by Verizon or the assignee in exercising any remedy against Customer hereunder.

20.1.9 **Termination.** Notwithstanding any other provision in these Service Terms, in the event of any termination of MRP by Customer for convenience or for any other reason (including without limitation Customer's invocation of a Force Majeure Event pursuant to a Contract or the Agreement) except for Cause, or in the event of any termination by Verizon for Cause, Customer will pay to Verizon (i) an amount equal to the aggregate of all remaining monthly recurring charges for the System as set forth in the Service Order from the date of termination through the end of the Financing Commitment

CUSTOMER PREMISES EQUIPMENT AND RELATED SERVICES +

discounted at an annual rate of 3%, plus (ii) in the case of TPFC financing, the fair market value (as of the date of termination for the System as provided by Verizon promptly after termination), or regardless of financing entity, return of the System as provided below. Customer agrees that as between Verizon and Customer Verizon shall have the right to determine which portion of Customer's MRP charges represents Services and which represent the System.

20.1.9.1 Return of Equipment. Upon any termination of MRP, Customer shall return the System at its expense, to Verizon or Verizon's designee, and such returned System shall be shipped to be received: (i) no later than 15 Business Days after the termination is effective; and (ii) at the location as provided in writing by Verizon and in the condition provided below. If Customer fails to return the System within the above time period, then such failure shall constitute a "Customer Event of Default" hereunder and Cause under the Master Terms.

20.1.9.2 Condition of Returned Equipment. When a System is returned to Verizon or its designee, Verizon will cause the System to be inspected and certified acceptable for the manufacturer's maintenance service. If any of the System is not in good repair, condition and working order, ordinary wear and tear excepted, Customer will pay Verizon the reasonable out-of-pocket expenses incurred in bringing such System up to such status, but not in excess of the System Casualty Value.

20.1.10 End of MRP Financing Commitment. At the end of the Financing Commitment, the term will continue until terminated by either party, with or without Cause, effective 90 days after written notice of termination is given to the other party. Upon such termination, Customer shall return the System as provided in "Termination" within this section, above.

20.1.11 Disputed Claims. Notwithstanding the Dispute Resolution provision in the Agreement, a TPFC is entitled to enforce, outside of arbitration, all rights held by or assigned to such TPFC following the negotiation period applicable to Disputed Claims (as defined in the Agreement), unless Verizon or such TPFC determines in its sole discretion to submit the issue to arbitration and notifies the Customer in writing within thirty days following the end of such negotiation period. Nothing herein or in the Agreement shall be construed to preclude immediate enforcement outside of arbitration by a TPFC of its rights to enforce its security interests in the event of a Customer Event of Default.

20.1.12 Property Taxes. In addition to any Taxes or Governmental Charges, Customer will pay to Verizon the amount of any personal property taxes incurred on the System. Such personal property taxes will be included in the charges shown in the Service Order, provided however, that changes to such taxes (e.g. for tax rate increases) may require that a new Service Order be issued.

20.1.13 No Warranties or Representations. Under MRP, Verizon or its assignee makes no warranty or representation, express or implied, including but not limited to fitness for a particular purpose, merchantability, quality, design, condition, capacity, suitability or performance of the System, the material and workmanship thereof or as to intellectual property rights, it being agreed that all such risks as between Verizon and Customer are to be borne by Customer alone and at Customer's expense. For the avoidance of doubt, Verizon will transfer or pass through to Customer the benefit of any and all manufacturer warranties for the System on the same terms as offered by such manufacturers which are capable of being transferred or passed through. To the extent deemed applicable and to the extent permitted by applicable law, Customer waives any and all rights or remedies conferred upon a "lessee" under section 2a-508 through 2a-522 of the United States uniform commercial code or similar provisions under another commercial code or statute with respect to a default by a "lessor" as such sections may be applied to MRP.

6. DEFINITIONS

1. GENERAL

- 1.1 **Service Definition.** Verizon offers four variations of this service: Private IP Service, Private IP Layer 2, Private IP Gateway and Private IP Interconnect. Please note that not all variations are available in all regions.

1.1.1 **Platforms.** Except where explicitly stated otherwise, these terms apply to Optimized Service (denoted with a "+" and sometimes referred to as Rapid Delivery) and non-Optimized Service.

2. AVAILABLE VERSIONS PRIVATE IP SERVICE

2.1 Private IP Service

- 2.1.1 **Service Definition.** Private IP is a wide area data networking service which provides any-to-any connectivity to transport Customer data between Customer Sites.

2.1.2 Standard Service Features

- 2.1.2.1 **Route Capacity and IPv4 and IPv6 Protocols.** Verizon will assign a maximum number of routes that Customer may introduce into the Private IP Network based upon the total number of sites expected in a given Customer VPN, as shown in the following table.

Expected Total Number Sites	Maximum Routes IPv4	Maximum Routes IPv6
1 – 50	1,250	150
51 – 250	1,250	750
251 – 500	2,500	1,500
501–1,000	5,000	3,000
1,001+	10,000	6,000

Capacity constraints may vary for Customers using MVIC (available upon request). Customer will select either IPv4 or IPv6 protocol (where available), and a suitable number of IP addresses to be used in conjunction with Private IP and in accordance with Verizon's then-current applicable assignment guidelines.

2.1.3 Optional Service Features

- 2.1.3.1 **Diversity.** With Diversity service, Verizon provides a second equivalent circuit for the same Customer Site that may be configured as either active or passive, and as providing either Geographic Diversity or Router Diversity, as Customer elects.
- 2.1.3.2 **Dynamic Network Manager.** With Dynamic Network Manager (f/k/a Dynamic Bandwidth), Verizon provides a web-based interface through which Customer can dynamically manage its CAR and Private IP Port values. Customer accesses the interface through the Verizon Enterprise Center or via an Application Program Interface.
- 2.1.3.3 **IP Multicasting.** With IP Multicasting, Verizon will simultaneously deliver a single stream of data to multiple recipients in Customer-provided multicast groups.
- 2.1.3.4 **Multiple Virtual Routing and Forwarding.** With Multiple Virtual Routing and Forwarding, Customer may create multiple virtual private network connections via a single Private IP port. Customer may use those connections to extend the privacy and security of the Private IP service to the various LANs at Customer's Site. Customer understands and accepts that packet drops may occur if Customer creates an oversubscription of virtual private network connections on the Private IP port and Verizon is not responsible for such packet drops.
- 2.1.3.5 **Class of Service Selection.** Verizon will route Customer traffic based on the priority assigned by Customer using different classes of service designations, which follow the Internet Engineering Task Force Differentiated Services or Diff-Serv model. If Customer does not set different classes, Verizon will route all Customer traffic using the BE class as the default priority designation.
- 2.1.3.6 **WAN Analysis.** (non-Optimized Service only) For customers receiving non-Optimized Private IP services, the terms and conditions for WAN Analysis are located at the following URL:
- For U.S. Services, click [here](#)
For non-U.S. Services, click [here](#)
- 2.1.3.7 **Burstable Billing.** (Optimized Only) With Burstable Billing, Customer selects a Bandwidth Commitment and may burst up to a higher selected bandwidth as required.

2.1.4 Customer Responsibilities

- 2.1.4.1 **Bandwidth Shaping for Ethernet Access Circuit.** If Verizon provisions 'bandwidth shaping' overhead adjustments on the Ethernet Interfaces at the PE egress, it may be necessary for Customer to apply policies at Customer's CE egress to prevent packet loss due to Ethernet protocol overhead used within the Private IP Network (depending on the Private IP platform and Customer's traffic profile).

2.2 Private IP Layer 2

- 2.2.1 **Service Definition.** Verizon Private IP Layer 2 service provides point-to-point routing, with Customer control of routing, architectural and topology changes.
- 2.2.2 **Optional Service Features.** With the Private IP Permanent Virtual Circuits feature, Verizon will add one or more Private IP PVCs on Customer's Private IP Layer 2 port upon Customer's request.

2.3 Private IP Gateway

2.3.1 Service Definition. With Private IP Gateway service, Verizon provides an interconnection between two private networks based on the characteristics of the gateway, as described below.

2.3.2 Standard Service Features. Verizon provides the following Private IP Gateways:

2.3.2.1 Private Wireless Gateway (U.S. Mainland Only). With Private Wireless Gateway, Verizon provides Customer a port that Customer may use to connect Customer's wireless traffic to the Private IP Network.

2.3.2.2 MVIC Service (Select Locations). With MVIC Service, Verizon connects Verizon's Private IP Network to an MPLS Partner's MPLS networks.

2.3.2.3 Optimized Service-Only Standard Features.

2.3.2.3.1 Secure Cloud Interconnect. With Secure Cloud Interconnect, Verizon provides an interconnection with the network of select third-party cloud providers (with whom the customer has separately contracted) enabling Customer to utilize those third-parties' cloud services over Private IP, Switched E-LAN, or Switched E-LINE network. Secure Cloud Interconnect has unique pricing, network designs, and capabilities; details are available on request.

2.3.2.4 Non-Optimized Service-Only Standard Features.

2.3.2.4.1 Satellite Gateway. With Satellite Gateway, Verizon provides a gateway port to receive Customer's satellite traffic to the Private IP Network. Each Customer individual Virtual LAN will be mapped to a Private IP PVC/CAR. Since multiple sites share a Virtual LAN and PVC to the Private IP Network, the Private IP CAR is sized according to Customer's expected traffic and the total instantaneous traffic load that the satellite network can handle.

2.4 Private IP Interconnect (PIP-I) (Select customers only)

2.4.1 Service Definition. Private IP Interconnect, or PIP-I, is only available to customers who have been approved by Verizon to receive this feature. With this service, Verizon provides a direct, point-to-point interconnection between Private IP site(s) Customer purchases from Verizon and Customer's third party MPLS-based network, using a shared port gateway designed to support multiple customers.

2.4.2 Standard Service Features

2.4.2.1 PIP-I Connection and Port. With PIP-I, Verizon provides a PIP-I Connection and a PIP-I Port. A PIP-I Connection is a physical Port that presents PIP-I at the demarcation point for interconnection to Customer's network. A PIP-I Port is a logical PIP Port associated with a VPN name that attaches to PIP site(s) that Customer has purchased from Verizon.

2.4.2.2 Non-Supported Features. PIP-I does not support multi-Virtual Routing and Forwarding, Dynamic Network Manager and multicasting. PIP-I does not support a redundant configuration.

2.4.3. Customer Responsibilities

2.4.3.1 Ordering PIP-I Ports. Customer will order PIP-I Ports only with an assignment to an existing or new PIP VPN name.

2.4.3.2 Ordering Multiple PIP-I Ports. Each PIP-I Connection can be used with multiple PIP-I Ports but each PIP-I Port can be associated with and route traffic to only one PIP-I Connection. Under no

circumstances will Customer route traffic presented to PIP-I on one PIP-I Connection to another PIP-I Port on a different PIP-I Connection. If Verizon identifies any such usage of the Service, it reserves the right to immediately terminate the Service to Customer.

- 2.4.3.3 **Restriction on use of PIP-I with Existing Customers of Verizon.** Customer will not connect a PIP-I Port to a port on Verizon's MPLS network that is provisioned by Verizon to an existing customer of Verizon.
- 2.4.3.4 With Private IP Port only, Verizon provides a cross-connection to a Verizon IP hub if Customer is located in the same building as the IP hub.
- 2.4.3.5 **Disconnection.** Customer shall ensure no PIP-I ports are active prior to disconnect order or the order will not be processed by Verizon.

3. SUPPLEMENTAL TERMS

- 3.1 **India Ports.** This clause applies if the Private IP Service contains ports in India. Prior to the Service Activation Date the Customer will complete and sign, or will procure the completion and signing by its Indian Affiliate (or other end user) receiving the Private IP Service in India, the document in the form set out in Schedule 1 hereto ("Proforma"). To the extent that the information required by the Proforma cannot be completed (or is otherwise not completed) until after the Service Activation Date the Customer authorizes Verizon to complete the Proforma or undertakes to provide any additional necessary information as requested by Verizon for that purpose.
- 3.2 **Restriction on Selling Encryption Services.** Customer shall not employ bulk encryption equipment in connection with Verizon Facilities in India. Customer is permitted to use encryption up to 40 bit key length in RSA algorithm. If Customer requires encryption higher than this limit, then Customer must obtain approval from the relevant telecom authority and shall deposit the encryption key, split in two parts with such telecom authority.
- 3.3 **Provisioning Entities in China.** Licensed local telecommunication suppliers will be used as Provisioning Entities for any portion(s) of the Private IPs not provided by Verizon or its Affiliates. In China, where Verizon is not licensed to provide any portion of the Private IP and such portion is provided by a licensed local telecommunications supplier, such portion of the Private IP will be part of a greater international network of Private IP provided by Verizon to the Customer. In the event of regulatory changes in China affecting the local supplier's ability to provide the Service, Verizon shall be entitled to terminate the Service, without any further liability, and will transition Customer to another alternative local supplier at a price to be agreed between the parties.
- 3.4 **Use Restrictions in Turkey.** Due to blocking orders issued by the Turkish government prohibiting access to thousands of sites on the Worldwide Web, the use of the Service by Customer or any of its authorized users to access the Worldwide Web from within Turkey, whether directly or indirectly, and whether such access is technically implemented inside or outside Turkey, is strictly prohibited. Customer will take appropriate measures to comply with this prohibition, including expressly notifying any authorized users of the Service in Turkey of the prohibition. Any violation of this prohibition may result in immediate suspension of the Service by Verizon until, in Verizon's sole judgment, the violation has been cured. Customer will indemnify and hold harmless Verizon from any fines, penalties, losses, damages, costs or expenses arising out any violation by Customer or its authorized users of the foregoing prohibition. Each party will promptly notify the other of any such claim.
- 3.5 **Voice over IP ("VoIP") Restrictions.** Customer acknowledges that a number of jurisdictions impose restrictions and/or licensing or registration conditions on VoIP transmission over the Network. To the extent such regulations apply, Customer shall comply with those regulations and indemnify, defend, and hold Verizon harmless for any claims arising from Customer's violation of such regulations.

From: CAMERON HARDING, COMMUNITY SERVICES DIRECTOR

TITLE

APPROVE THE EIGHTH AMENDMENT TO THE AGREEMENT WITH UNIVERSAL PROTECTION SERVICE, DBA ALLIED UNIVERSAL SECURITY SERVICES, FOR CONTINUED TRANSIT CENTER SECURITY SERVICES THROUGH DECEMBER 31, 2022 FOR AN ADDITIONAL AMOUNT OF \$38,860.76.

EXECUTIVE SUMMARY

On July 14, 2011, the City of Redondo Beach issued a Request For Proposals (RFP) for on-site security services at the South Bay Galleria Transit Center. City Council awarded the agreement to Cypress Private Security (CPS) on November 15, 2011, for a one-year term effective January 1, 2012 through December 31, 2012, and provided an option to extend on a month-to-month basis for up to two years, to allow for the construction and relocation of the Transit Center to 1541 Kingsdale Avenue. Since that time, Council has approved seven contract amendments that have extended the term and completed an Assignment Agreement which transferred ownership to Universal Protection Service, LP, DBA Allied Universal Security Services (AUS).

An extension to the agreement is necessary to maintain security services until the new transit center construction project is completed.

Based on the current status of the transit center construction progress, and the expected completion of the of new Transit Center within the calendar year, staff recommends that the City Council approve the proposed Eighth Amendment to the AUS Agreement to increase the amount and extend the term through December 31, 2022. After the opening of the new transit center, the agreement may be terminated at any time.

Funds for transit security services are included in the Transit Fund proposed FY 2022-23 Budget. The cumulative value of the Transit Center Security Agreement with Amendments is \$656,479.30. No General Funds will be used for the Agreement Amendment.

BACKGROUND

The City Council directed staff to issue a request for proposals (RFP) for private transit security services to avoid the significant price increase from Los Angeles County Metropolitan Transportation Authority (Metro). CPS was selected following a review of three proposals that were received and an agreement for services was approved on November 15, 2011.

During its multi-year terms of providing transportation security in Redondo Beach, CPS/AUS has provided a high level of customer service. CPS/AUS management and officer team members have been cooperative and present a positive image to the community, and their presence at the Transit Center has improved public safety for the public transit patrons and the general public, as well as the other municipal transit operators providing service to the Transit Center.

AUS security services has experience with operations similar to the Redondo Beach Transit Center including contracts with the Los Angeles Police Department, the Los Angeles County Public Works Department, the City of Glendale and the Superior Court of Riverside. CPS has an established organizational structure, and provides comprehensive training, employee compensation, and benefit programs.

The existing contract with AUS provides for transit center security services at the Galleria Transit Center on weekdays from 10 a.m. to 6 p.m., and on weekends from 10 a.m. to 4 p.m. The Transit Center security personnel are also responsible for implementing measures that protect the transit customers, the community and transportation employees, while keeping the transit center system operational. In addition to providing security services, the security personnel serve as transportation ambassadors providing essential first line customer service by assisting bus patrons and bus drivers with general information, as well as serving as representatives of Beach Cities Transit.

In May 2019, CPS entered into an agreement that transferred substantially all of its assets and liabilities to Universal Protection Service, LP (UPS), d/b/a Allied Universal Security (AUS). The transfer was finalized in June 2019. On June 18, 2019, the City Council approved the consent of assignment that authorized the transfer of the contract from CPS to AUS who continues to provide the security services for the Redondo Beach Transit Center.

The new transit center site at 1521 Kingsdale Avenue is estimated to be operational in 2022. The new transit center will have parking, bicycle and other transit facilities that will require increased security services. A Request For Proposals (RFP) with an expanded scope for security services was issued in 2021 and City Council awarded the security services agreement to American Guard Services on December 21, 2021. American Guard is prepared to start security services when the new transit center is completed.

COORDINATION

The Eighth Amendment to Agreement has been approved as to form by the City Attorney's Office.

FISCAL IMPACT

Transit security expenses are included in the proposed FY 2022-23 budget. The transit security expenses are funded dedicated transportation funding sources that include, but are not limited to, Proposition A Transportation Funds, and by other dedicated Formula Allocation Procedure and State funds. No General Fund allocations will be used for this Agreement amendment.

- 1. When you report an "occurrence" (coverage for which is provided by this policy) to your compensation insurance carrier, and this "occurrence" later develops into a liability claim, failure to report such "occurrence" to us at the time of such "occurrence" shall not be deemed in violation of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Paragraph 2. Duties in the Event of Occurrence, Offense, Claim or Suit.

This is upon the distinct understanding and agreement however, that you, the insured, as soon as made aware that this particular "occurrence" is a liability case, rather than a compensation case shall give us notification immediately.

- 2. The requirement in Condition 2.a. of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we are notified as soon as practicable of an "occurrence" or an offense, applies only when the "occurrence" or offense is known to:

We will have the right and duty to defend any "suit" seeking those damages. We may, at our discretion, investigate any claim or "suit" that may result. But:

(a) The amount we will pay for damages is limited as described in **SECTION III – LIMITS OF INSURANCE**; and

**AGREEMENT FOR PROJECT SERVICES
BETWEEN THE CITY OF REDONDO BEACH
AND CYPRESS SECURITY, LLC**

THIS AGREEMENT FOR PROJECT SERVICES (this "Agreement") is made between the City of Redondo Beach ("City") and Cypress Security, LLC, a California limited liability company (hereinafter "Contractor" or "Consultant").

The parties hereby agree as follows:

- A. Description of Project or Scope of Services. The project description or scope of services to be provided by Contractor, and any corresponding responsibilities of City or services required to be performed by City are set forth in Exhibit "A".
- B. Term and Time of Completion. Contractor shall commence and complete the project or services described in Exhibit "A" in accordance with the schedule set forth in Exhibit "B".
- C. Compensation. City agrees to pay Contractor in accordance with Exhibit "C".

* * * * *

GENERAL PROVISIONS

- 1. Independent Contractor. Contractor acknowledges, represents and warrants that Contractor is not a regular or temporary employee, officer, agent, joint venturer or partner of the City, but rather an independent contractor. This Agreement shall not be construed as a contract of employment. Contractor shall have no rights to any benefits which accrue to City employees unless otherwise expressly provided in this Agreement. Due to the independent contractor relationship created by this Agreement, the City shall not withhold state or federal income taxes, the reporting of which shall be Contractor's sole responsibility.
- 2. Brokers. Contractor acknowledges, represents and warrants that Contractor has not hired, retained or agreed to pay any entity or person any fee, commission, percentage, gift, or any other consideration, contingent upon or resulting from the award or making of this Agreement.

3. City Property. All plans, drawings, reports, calculations, data, specifications, videos, graphics or other materials prepared for or obtained pursuant to this Agreement shall upon request be delivered to the City within a reasonable time, and the rights thereto shall be deemed assigned to the City. If applicable, Contractor shall prepare check prints upon request. Said plans, drawings, reports, calculations, data, specifications, videos, graphics or other materials shall be specific for the project herein and shall not be used by the City for any other project without Contractor's consent. Notwithstanding the foregoing, Contractor shall not be obligated to assign any proprietary software or data developed by or at the direction of Contractor for Contractor's own use; provided, however, that Contractor shall, pursuant to Paragraph 14 below, indemnify, defend and hold the City harmless from and against any discovery or Public Records Act request seeking the disclosure of any such proprietary software or data.
4. Inspection. If the services set forth in Exhibit "A" shall be performed on City or other public property, the City shall have the right to inspect such work without notice. If such services shall not be performed on City or other public property, the City shall have the right to inspect such work upon reasonable notice. Inspections by the City shall not relieve or minimize the responsibility of Contractor to conduct any inspections Contractor has agreed to perform pursuant to the terms of this Agreement. Contractor shall be solely liable for said inspections performed by Contractor. Contractor shall certify in writing to the City as to the completeness and accuracy of each inspection required to be conducted by Contractor hereunder.
5. Services. The project or services set forth in Exhibit "A" shall be performed to the full satisfaction and approval of the City. In the event that the project or services set forth in Exhibit "A" are itemized by price in Exhibit "C", the City in its sole discretion may, upon notice to Contractor, delete certain items or services set forth in Exhibit "A", in which case there shall be a corresponding reduction in the amount of compensation paid to Contractor. City shall furnish Contractor, to the extent available, with any City standards, details, specifications and regulations applicable to the Project and necessary for the performance of Contractor's services hereunder. Notwithstanding the foregoing, any and all additional data necessary for design shall be the responsibility of Contractor.

6. Records. Contractor, including any of its subcontractors, shall maintain full and complete documents and records, including accounting records, employee time sheets, and correspondence pertaining to the project or services set forth in Exhibit "A". Contractor, including any of its subcontractors, shall make such documents and records available for City review or audit upon request and reasonable notice, and shall keep such documents and records, for at least four (4) years after Contractor's completion of performance of this Agreement. Copies of all pertinent reports and correspondence shall be furnished to the City for its files.
7. Changes and Extra Work. All changes and/or extra work under this Agreement shall be performed and paid for in accordance with the following:

Only the City Council, City Manager, or the Department Head responsible for the administration of, or supervision of the scope of work under, this Agreement may authorize extra and/or changed work. Contractor expressly recognizes that other City personnel are without authorization to either order extra and/or changed work or waive contract requirements. Failure of Contractor to secure the authorization for such extra and/or changed work shall constitute a waiver of any and all right to adjustment in contract price due to such unauthorized work and Contractor thereafter shall be entitled to no compensation whatsoever for performance of such work.

If Contractor is of the opinion that any work which Contractor has been directed to perform is beyond the scope of this Agreement and constitutes extra work, Contractor shall promptly notify the City of the fact. The City shall make a determination as to whether or not such work is, in fact, beyond the scope of this Agreement and constitutes extra work. In the event that the City determines that such work does constitute extra work, City shall provide extra compensation to Contractor on a fair and equitable basis. A written change order providing for such compensation for extra work shall be negotiated between the City and Contractor and executed by Contractor and the appropriate City official.

In the event City determines that such work does not constitute extra work, Contractor shall not be paid extra compensation above that provided herein and if such determination is made by City staff, said determination may be appealed to the City Council as long as a written appeal is submitted to the City Manager within five (5) days after the staff's determination is received by Contractor. Said written appeal shall include a description of each and every ground upon which Contractor challenges the staff's determination.

8. Additional Assistance. If this Agreement requires Contractor to prepare plans and specifications, Contractor shall provide assistance as necessary to resolve any questions regarding such plans and specifications that may arise during the period of advertising for bids, and Contractor shall issue any necessary addenda to the plans and specifications as requested. In the event Contractor is of the opinion that City's requests for addenda and assistance is outside the scope of normal services, the parties shall proceed in accordance with the changes and extra work provisions of this Agreement.
9. Professional Ability. Contractor acknowledges, represents and warrants that Contractor is skilled and able to competently provide the services hereunder, and possesses all professional licenses, certifications, and approvals necessary to engage in its occupation. City has relied upon the professional ability and training of Contractor as a material inducement to enter into this Agreement. Contractor shall perform in accordance with generally accepted professional practices and standards of Contractor's profession.
10. Business License. Contractor shall obtain a Redondo Beach Business License before performing any services required under this Agreement. The failure to so obtain such license shall be a material breach of this Agreement and grounds for immediate termination by City; provided, however, that City may waive the business license requirement in writing under unusual circumstances without necessitating any modification of this Agreement to reflect such waiver.
11. Termination Without Default. Notwithstanding any provision herein to the contrary, the City may, in its sole and absolute discretion and without cause, terminate this Agreement at any time prior to completion by Contractor of the project or services hereunder, immediately upon written notice to Contractor. In the event of any such termination by City, Contractor shall be compensated for: (1) all authorized work satisfactorily performed prior to the effective date of termination; and (2) all necessary materials or services of others ordered by Contractor for this Agreement prior to Contractor's receipt of notice of termination, irrespective of whether such materials or services of others have actually been delivered, and further provided that Contractor is not able to cancel such orders. Compensation for Contractor in such event shall be determined by the City in accordance with the percentage of the project or services completed by Contractor; and all of Contractor's finished or unfinished work product through the time of the City's last payment shall be transferred and assigned to the City. In conjunction with any termination of this Agreement, the City may, at its own expense, make copies or extract information from any notes, sketches, computations, drawings, and specifications or other data, whether complete or not.

12. Termination in the Event of Default. Should Contractor fail to perform any of its obligations hereunder, within the time and in the manner provided or otherwise violate any of the terms of this Agreement, the City may immediately terminate this Agreement by giving written notice of such termination, stating the reasons for such termination. Contractor shall be compensated as provided immediately above, provided, however, there shall be deducted from such amount the amount of damages, if any, sustained by the City by virtue of Contractor's breach of this Agreement. Contractor may terminate this Agreement upon default by the City which is not cured within 30 days following written notice to the City stating the basis of such default.
13. Conflict of Interest. Contractor acknowledges, represents and warrants that Contractor shall avoid all conflicts of interest (as defined under any federal, state or local statute, rule or regulation, or at common law) with respect to this Agreement. Contractor further acknowledges, represents and warrants that Contractor has no business relationship or arrangement of any kind with any City official or employee with respect to this Agreement. Contractor acknowledges that in the event that Contractor shall be found by any judicial or administrative body to have any conflict of interest (as defined above) with respect to this Agreement, all consideration received under this Agreement shall be forfeited and returned to City forthwith. This provision shall survive the termination of this Agreement for one (1) year.
14. Indemnity. To the fullest extent permitted by law, Contractor shall indemnify, defend and hold harmless City and its officers, employees, elected and appointed officials, and volunteers from and against any and all claims, demands, causes of action, lawsuits (whether at law, equity or both), proceedings, liabilities, losses, damages, expenses, costs (including without limitation attorneys' fees and costs and expert witness fees), judgments, penalties, and liens of every nature arising or claimed to arise, directly or indirectly, out of Contractor's performance of work hereunder or its failure to comply with any of its obligations contained in the Agreement, or its failure to comply with any current or prospective law, except for such loss or damage caused by the sole negligent acts or willful misconduct of the City. This indemnification obligation shall survive this Agreement and shall not be limited by any term of any insurance policy required under this Agreement.
15. Insurance. See Exhibit "D." Insurance requirements set forth in Exhibit "D" that are waived by the City's Risk Manager do not require amendments or revisions to this Agreement.

16. Non-Liability of Officials and Employees of the City. No official or employee of the City shall be personally liable for any default or liability under this Agreement.
17. Compliance with Laws. Contractor shall comply with all federal, state and local laws, statutes, ordinances, rules and regulations, and the orders and decrees of any courts or administrative bodies or tribunals, with respect to this Agreement, including without limitation all environmental laws, employment laws, non-discrimination laws and prevailing wage laws.
18. Limitations upon Subcontracting and Assignment. Contractor acknowledges that the services which Contractor shall provide under this Agreement are unique, personal services which, except as otherwise provided herein, Contractor shall not assign or sublet to any other party without the prior written approval of City, which approval may be withheld in the City's sole and absolute discretion. In the event that the City, in writing, approves any assignment or subletting of this Agreement or the retention of subcontractors by Contractor, Contractor shall provide to the City upon request copies of each and every subcontract prior to the execution thereof by Contractor and subcontractor. Any attempt by Contractor to assign any or all of its rights under this Agreement without first obtaining the City's prior written consent shall constitute a material default under this Agreement.

The sale, assignment, transfer or other disposition, on a cumulative basis, of twenty-five percent (25%) or more of the ownership interest in Contractor or twenty-five percent (25%) or more the voting control of Contractor (whether Contractor is a corporation, limited liability company, partnership, joint venture or otherwise) shall constitute an assignment for purposes of this Agreement. Further, the involvement of Contractor or its assets in any transaction or series of transactions (by way of merger, sale, acquisition, financing, transfer, leveraged buyout or otherwise), whether or not a formal assignment or hypothecation of this Agreement or Contractor's assets occurs, which reduces Contractor's assets or net worth by twenty-five percent (25%) or more shall also constitute an assignment for purposes of this Agreement.

19. Subcontractors. Contractor shall provide properly skilled professional and technical personnel to perform any approved subcontracting duties. Contractor shall not engage the services of any person or persons now employed by the City without the prior written approval of City, which approval may be withheld in the City's sole and absolute discretion.

20. Integration. This Agreement constitutes the entire agreement between the parties concerning the subject matter hereof and supersedes any previous oral or written agreement; provided, however, that correspondence or documents exchanged between Contractor and City may be used to assist in the interpretation of the exhibits to this Agreement.
21. Amendment. This Agreement may be amended or modified only by a subsequent written instrument executed by both parties.
22. Conflicting Provisions. In the event of a conflict between the terms and conditions of this Agreement and those of any exhibit or attachment hereto, this Agreement proper shall prevail. In the event of a conflict between the terms and conditions of any two or more exhibits or attachments hereto, those prepared by the City shall prevail over those prepared by Contractor.
23. Non-Exclusivity. Notwithstanding any provision herein to the contrary, the services provided by Contractor hereunder shall be non-exclusive, and City reserves the right to employ other contractors in connection with the project.
24. Exhibits. All exhibits hereto are made a part hereof and incorporated herein by reference.
25. Time of Essence. Time is of the essence of this Agreement.
26. Confidentiality. To the extent permissible under law, Contractor shall keep confidential its obligations hereunder and the information acquired during the performance of the project or services hereunder.
27. Third Parties. Nothing herein shall be interpreted as creating any rights or benefits in any third parties. For purposes hereof, transferees or assignees as permitted under this Agreement shall not be considered "third parties."
28. Governing Law and Venue. This Agreement shall be construed in accordance with the laws of the State of California without regard to principles of conflicts of law. Venue for any litigation or other action arising hereunder shall reside exclusively in the Superior Court of the County of Los Angeles, Southwest Judicial District.
29. Attorneys' Fees. In the event either party to this Agreement brings any action to enforce or interpret this Agreement, the prevailing party in such action shall be entitled to reasonable attorneys' fees (including expert witness fees) and costs. This provision shall survive the termination of this Agreement.

30. Claims. Any claim by Contractor against City hereunder shall be subject to Government Code §§ 800 *et seq.* The claims presentation provisions of said Act are hereby modified such that the presentation of all claims hereunder to the City shall be waived if not made within six (6) months after accrual of the cause of action.
31. Interpretation. Contractor acknowledges that it has had ample opportunity to seek legal advice with respect to the negotiation of this Agreement. This Agreement shall be interpreted as if drafted by both parties.
32. Warranty. In the event that any product shall be provided to the City as part of this Agreement, Contractor warrants as follows: Contractor possesses good title to the product and the right to transfer the product to City; the product shall be delivered to the City free from any security interest or other lien; the product meets all specifications contained herein; the product shall be free from material defects in materials and workmanship under normal use for a period of one (1) year from the date of delivery; and the product shall be fit for its intended purpose(s). Notwithstanding the foregoing, consumable and maintenance items (such as light bulbs and batteries) shall be warranted for a period of thirty (30) days from the date of delivery. All repairs during the warranty period shall be promptly performed by Contractor, at Contractor's expense, including shipping. Contractor shall not be liable under this warranty for an amount greater than the amount set forth in Exhibit "C" hereto.
33. Federal Funding. In the event any portion of the consideration to be paid to Contractor shall be derived from federal sources, Contractor shall comply with all federal nondiscrimination regulations, which are herein incorporated by reference and made a part of this Contract.
34. Severance. Any provision of this Agreement that is found invalid or unenforceable shall be deemed severed and all remaining provisions of this Agreement shall remain enforceable to the fullest extent permitted by law.
35. Authority. City warrants and represents that upon City Council approval, the Mayor of the City of Redondo Beach is duly authorized to enter into and execute this Agreement on behalf of City. The party signing on behalf of Contractor warrants and represents that he or she is duly authorized to enter into and execute this Agreement on behalf of Contractor, and shall be personally liable to City if he or she is not duly authorized to enter into and execute this Agreement on behalf of Contractor.

36. Waiver. The waiver by the City of any breach of any term or provision of this Agreement shall not be construed as a waiver of any subsequent breach.

TITLE

APPROVE AN HISTORIC PROPERTY PRESERVATION AGREEMENT WITH TERRY L. AND LEIGH W. GASPAROVIC, OWNERS, FOR THE PROPERTY LOCATED AT 719 ELVIRA AVENUE BEGINNING ON JUNE 7, 2022 FOR THE TERM OF TEN YEARS WITH AUTOMATIC RENEWAL EVERY YEAR THEREAFTER

EXECUTIVE SUMMARY

The Mills Act is a State law that enables cities to enter into agreements with the owners of officially designated historical buildings that, in exchange for assuring continued preservation, allow property owners to qualify for a property tax reduction. The property located 719 Elvira Avenue was designated as a landmark by the Preservation Commission on November 3, 2021. As such, this property qualifies for consideration of an Historic Property Preservation Agreement (aka Mills Act Agreement).

BACKGROUND

Since October 1992, the City Council has supported the approval of Historic Property Preservation Agreements with owners of properties designated as Local Historic Landmarks under the City's preservation program. This action was taken so that the Preservation Commission could outwardly promote the Mills Act to Redondo Beach property owners. This program has become the major incentive for property owners to apply for Local Historic Landmark designation under the City's Preservation Ordinance, and the number of Redondo Beach property owners interested in the Mills Act program has increased each year as more have become aware of its availability and potential tax benefits.

The subject property is located at 719 Elvira Avenue. The City's Historic Resources Survey identifies the property as a B-rated Craftsman built in 1924. Craftsman is the most prevalent historic architectural style in Redondo Beach. Character-defining features include a covered entry porch, horizontal wood siding and trim, wood double-hung windows, and a gable roof with exposed rafter ends. All of these features are exhibited on this house.

The main residence is 97 years old, far exceeding the minimum 50-year age requirement. The building is an ideal representation of the Craftsman architectural style. The property was also developed by a prominent settler of Redondo Beach with the Whiteside family connected to the Santa Fe train and the Redondo Beach School Board. Thus, the property is considered both architecturally significant and culturally significant for its connection to the Whiteside family. This structure reflects elements of the City's early cultural, social, and economic history, and it also serves

to make the property a valuable historical resource to the community. For all of these reasons, the property merits designation as a local historic landmark, and the Preservation Commission granted landmark status on November 3, 2021.

The proposed Historic Property Preservation Agreement is identical to other agreements previously approved by the City Council. The following is a description of the most pertinent provisions of the agreement.

The Mills Act requires that the initial term of the agreement be ten years. On the anniversary date of the agreement, it is automatically renewed for an additional year so that it has a continual ten-year time horizon. The City or the owner may call for the agreement to not be renewed prior to the anniversary date. If this happens, the agreement continues in effect until its current term expires, but the property will gradually be assessed more each year, incrementally raising the assessed value to match the market value until the agreement expires.

The agreement requires that the subject building be maintained and preserved in keeping with its historic character for the life of the agreement. As a designated landmark, exterior alterations will be subject to review and approval by the Preservation Commission. The Mills Act requires the agreement to "run with the property," and is binding upon subsequent property owners. The City may cancel the contract immediately (different from non-renewal) if it is found that the owner has failed to comply with the agreement's terms, or if the structure has been allowed to deteriorate to the point where it is no longer a qualified historical structure. Cancellation carries with it a penalty equivalent to 12.5 percent of the property's full market value.

The primary benefit of the agreement to the owners is the reassessment of the historical property by the County Assessor's Office based on a special formula within the Mills Act. The County Assessor, however, will not determine the actual reduction in assessed value until after the agreement is recorded.

Since the City's historic preservation program is completely voluntary, it is dependent upon providing tangible incentives to property owners. The Mills Act is proving to be the primary incentive that is encouraging owners to list their homes as landmarks and fulfill the program's objective of preserving Redondo Beach's historic character and identity. Since older homes are often in need of more upkeep, the tax benefits of the Mills Act provide owners with additional resources toward this objective.

COORDINATION

The preparation of the agreement has been coordinated with the City Attorney's Office.

FISCAL IMPACT

Based on reassessments which have been made for other properties in Redondo Beach with Mills Act agreements, a typical residence would be reassessed at approximately 60% of its current market value. This would reduce the owners' annual property taxes by approximately 40%. The actual amount of the tax reduction is dependent upon the property's current assessed value. For example, if the property is currently valued at \$1,000,000, the reduced property assessment would be in the range of \$600,000.

The City currently receives 16.6 percent of the total property taxes collected on a given property. Based on the above, the annual loss in property tax revenue to the City would be approximately \$660 for a \$1,000,000 property reassessed at \$600,000.

Historic Property Preservation Agreement with Landmark Resolution

**CITY OF REDONDO BEACH
HISTORIC PROPERTY PRESERVATION AGREEMENT**

THIS HISTORIC PROPERTY PRESERVATION AGREEMENT (this "Agreement") is made by and between the CITY OF REDONDO BEACH, a municipal corporation ("City"), and TERRY L. AND LEIGH W. GASPAROVIC, ("Owner") with reference to the following:

RECITALS

A. California Government Code Section 50280, et seq. authorizes cities to enter into contracts with the owners of qualified historical property to provide for the use, maintenance and restoration of such historical property so to retain its characteristics as property of historical significance;

B. Owner holds fee title in and to that certain real property, together with associated structures and improvements thereon, commonly known as 719 Elvira Avenue, Redondo Beach, California, (the "Historic Property"). A legal description of the Historic Property is attached hereto, marked as Exhibit "A" and is incorporated herein by this reference;

C. On November 3rd, 2021, the Preservation Commission of the City of Redondo Beach adopted Resolution No. 2021-11-PR-06 (Exhibit "C") thereby declaring and designating the Historic Property as a landmark pursuant to the terms and provisions of Chapter 4, Title 10 of the Redondo Beach Municipal Code, and subject to the execution and recordation of this Agreement;

D. City desires to enter into this Agreement for the purpose of protecting and preserving the characteristics of historical significance of the Historic Property;

E. Owner, in consideration for abiding by the terms of this Agreement, shall be entitled to qualify for a reassessment of valuation of the Historic Property, pursuant to the provisions of Chapter 3, Part 2, of Division 1 of the California Revenue and Taxation Code, and any corresponding adjustment in property taxes resulting therefrom.

NOW, THEREFORE, in consideration of the mutual covenants and conditions set forth herein, the parties do hereby agree as follows:

1. Effective Date and Term of Agreement. This Agreement shall be effective and commence on June 7, 2022 ("Effective Date"), and shall remain in effect for a term of ten (10) years thereafter. Each year upon the anniversary of the effective date, such initial term will automatically be extended as provided in paragraph 2, below.

2. Renewal. On each yearly anniversary of the Effective Date of this Agreement (hereinafter referred to as the "renewal date"), an additional one-year term shall

automatically be added to the initial term of this Agreement unless a notice of nonrenewal ("Notice of Nonrenewal") is mailed as provided herein. If either Owner or City desires in any year not to renew this Agreement, Owner or City shall serve a written Notice of Nonrenewal upon the other party in advance of the annual renewal date of this Agreement. Such Notice of Nonrenewal shall be effective if served by Owner upon City at least ninety (90) days prior to the annual renewal date, or if served by City upon Owner, such Notice of Nonrenewal shall be effective if served upon Owner at least sixty (60) days prior to the annual renewal date.

3. Owner Protest of City Nonrenewal. Within fifteen (15) days of receipt by Owner of a Notice of Nonrenewal from City, Owner may make and file a written protest of the Notice of Nonrenewal. Upon receipt of such protest, the City Council shall set a hearing prior to the expiration of the renewal date of this Agreement. Owner may furnish the City Council with any information which the Owner deems relevant, and shall furnish the City Council with any information it may require. The City Council may, at any time prior to the annual renewal date of this Agreement, withdraw its Notice of Nonrenewal. If either City or Owner serves a Notice of Nonrenewal in any year, this Agreement shall remain in effect for the balance of the term then remaining, either from its original execution or from the last renewal of this Agreement, whichever may apply.

4. Assessment of Valuation. Tax relief afforded to the Owner pursuant to Chapter 3, Part 2, of Division 1 of the California Revenue and Taxation Code will require negotiation with the Los Angeles County Assessor's Office.

5. Standards for Historical Property. Owner shall preserve and maintain the Historic Property and its Character Defining Features according to the rules and regulations of the Office of Historic Preservation of the California Department of Parks and Recreation, the U.S. Secretary of the Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings, and the City of Redondo Beach Preservation Commission Design Guidelines. Character Defining Features include, but are not necessarily limited to, the general architectural form, style, materials, design, scale, details, mass, roof line, porch, and other aspects of the appearance of the exterior. The Secretary of Interior's Standards for Rehabilitation (attached hereto and marked as Exhibit "B") shall be incorporated herein by reference and constitute the minimum standards and conditions for maintenance, use, and preservation of the Historic Property. Such Standards shall apply to the property throughout the term of this Agreement.

6. Periodic Examinations. Owner shall allow reasonable periodic examinations, by prior appointment, of the exterior of the Historic Property by representatives of the County Assessor, State Department of Parks and Recreation, State Board of Equalization, and/or the City, as may be necessary to determine owner's compliance with the terms and provisions of this Agreement.

7. Provision of Information of Compliance. Owner hereby agrees to furnish City with any and all information requested by the City which may be necessary or advisable to determine compliance with the terms and provisions of this Agreement.

8. Cancellation. City, following a duly noticed public hearing, as set forth in California Government Code Sections 50285, et seq., may cancel this Agreement if it determines that Owner breached any of the conditions of this Agreement or has allowed the property to deteriorate to the point that it no longer meets the standards for a qualified historic property. City may also cancel this Agreement if it determines that the Owner has failed to maintain and preserve the Historic Property in accordance with the terms of this Agreement. If this Agreement is cancelled because of failure of the Owner to preserve, maintain, and rehabilitate the Historic Property as specified above, the Owner shall pay a cancellation fee to the state Controller as set forth by the provisions of Government Code Section 50286.

9. Destruction. Notwithstanding any provision of this Agreement to the contrary, the Owner may cancel this Agreement without payment of the cancellation fee set forth in Paragraph 8, if the existing single-family residence [the "Structure"] on the Historic Property is damaged by fire, earthquake, or other Act of God or accidental cause to the extent (1) the then fair market value of said Structure is reduced by 51 percent or more; or (2) 51 percent or more of said Structure's floor area is destroyed or irreparably damaged; or (3) 51 percent or more of the Structure's Character Defining Features are destroyed or irreparably damaged; or (4) that the cost to the Owner (exclusive of insurance proceeds) to restore the Structure to its prior condition would exceed \$10,000.00. If the Owner desires to cancel this Agreement under this Paragraph 9, written notice shall be given to the City within 90 days after such damage or destruction occurs.

In the event the Owner desires to cancel this Agreement due to the circumstances outlined in this Paragraph 9, either party may request a hearing before the City Council to determine (a) the extent of diminution of value, (b) the extent of the damage or destruction to the floor area of said Structure, and/or (c) extent of damage or destruction to the Character Defining Features of the said Structure. The City Council may refer any matter relating to (c) to the Preservation Commission for its findings and recommendations.

10. Enforcement of Agreement. City may specifically enforce, or enjoin the breach of, the terms of this Agreement. In the event of a default under the provisions of this Agreement by Owner, City shall give written notice to Owner by registered or certified mail addressed to the address stated in this Agreement of violations of this Agreement. If such a violation is not corrected to the reasonable satisfaction of the City within thirty (30) days after the date of the notice of violation, or within such a reasonable time as may be required to cure the breach or default (provided that acts to cure the breach or default are commenced within thirty (30) days and thereafter diligently pursued to completion), then City may, without further notice, declare a default under the terms of this Agreement and bring any action necessary to specifically enforce the obligations of Owner growing out of the terms of this Agreement, including, but not limited to, bringing an action for injunctive relief against the Owner or for such other relief as may be appropriate.

City does not waive any claim of default by Owner if City does not enforce or cancel this Agreement. All other remedies at law or in equity which are not otherwise provided for in this Agreement or in City's regulations governing historic properties are available to the City to pursue in the event that there is a breach of this Agreement. No waiver by City or any breach or default under this Agreement shall be deemed to be a waiver of any other subsequent breach thereof or default hereunder.

11. Binding Effect of Agreement. The Owner hereby subjects the Historic Property described in Exhibit "A" hereto to the covenants, reservations and restrictions as set forth in this Agreement. City and Owner hereby declare their specific intent that the covenants, reservations and restrictions as set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Owner's successors and assigns in title or interest to the Historic Property. Each and every contract, deed or other instrument hereinafter executed, covering or conveying the Historic Property, or any portion thereof, shall conclusively be held to have been executed, delivered and accepted subject to the covenants, reservations and restrictions expressed in this Agreement regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instrument.

12. Covenants Run With the Land. City and Owner hereby declare their understanding and intent that the burden of the covenants, reservations and restrictions set forth herein touch and concern the land in that the value of the Owner's legal interest in the Historic Property may be affected thereby. City and Owner hereby further declare their understanding and intent that the benefit of such covenants, reservations and restrictions touch and concern the land by enhancing and maintaining the historic characteristics and significance of the Historic Property for the benefit of the public and Owner.

None of the terms, provisions or conditions of this Agreement shall be deemed to create a partnership between the parties hereto and any of their heirs, successors or assigns, nor shall such terms, provisions or conditions cause the parties to be considered joint venturers or members of any joint enterprise.

15. Indemnity of City. Owner agrees to protect, defend, indemnify, and shall hold City and its elected officials, officers, agents and employees harmless from liability for claims, loss, proceedings, damages, causes of action, liability, costs or expense, including reasonable attorney's fees in connection with damage for personal injuries, including death, and claims for property damage which may arise from the direct or indirect use or operations of Owner or those of his contractor, subcontractor, agent, employee or other person acting on his behalf which relate to the use, operation and maintenance of the Historic Property. SECRETARY OF THE INTERIOR'S STANDARDS FOR REHABILITATION

1. A property will be used as it was historically or be given a new use that requires minimal change to its distinctive materials, features, spaces and spatial relationships.
2. The historic character of a property will be retained and preserved. The removal of distinctive materials or alteration of features, spaces, and spatial relationships that characterize a property will be avoided.
3. Each property will be recognized as a physical record of its time, place, and use. Changes that create a false sense of historical development, such as adding conjectural features or elements from other historic properties, will not be undertaken.
4. Changes to a property that have acquired historic significance in their own right will be retained and preserved.
5. Distinctive materials, features, finishes, and construction techniques or examples of craftsmanship that characterize a property will be preserved.
6. Deteriorated historic features will be repaired rather than replaced. Where the severity of deterioration requires replacement of a distinctive feature, the new feature will match the old in design, color, texture, and, where possible, materials. Replacement of missing features will be substantiated by documentary and physical evidence.
7. Chemical or physical treatments, if appropriate, will be undertaken using the gentlest means possible. Treatments that cause damage to historic materials will not be used.
8. Archeological resources will be protected and preserved in place. If such resources must be disturbed, mitigation measures will be undertaken.
9. New additions, exterior alterations, or related new construction will not destroy historic materials, features, and spatial relationships that characterize the property. The new work shall be differentiated from the old and will be compatible with the historic materials, features, size, scale and proportion, and massing to protect the historic integrity of the property and its environment.
10. New additions and adjacent or related new construction will be undertaken in such a manner that, if removed in the future, the essential form and integrity of the historic property and its environment would be unimpaired.

EXHIBIT "C"
HISTORIC DESIGNATION RESOLUTION

RESOLUTION NO. 2021-11-PR-06

**A RESOLUTION OF THE PRESERVATION COMMISSION
OF THE CITY OF REDONDO BEACH APPROVING A
LANDMARK DESIGNATION, CERTIFICATE OF
APPROPRIATENESS, AND AN EXEMPTION
DECLARATION FOR ADDITIONS TO AN EXISTING
POTENTIAL HISTORIC RESOURCE LOCATED AT 719 S.
ELVIRA AVENUE**

WHEREAS, an application was filed on October 5, 2021, on behalf of Terry and Leigh Gasparovic (property owners) to request Landmark Designation and a Certificate of Appropriateness to permit the construction of rear additions to an existing potential historic resource pursuant to Chapter 4, Title 10 of the Municipal Code for the property located at 719 S. Elvira Avenue;

WHEREAS, notice of the time and place of the public hearing was given according to the requirements of law; and

WHEREAS, on November 3, 2021, the Preservation Commission of the City of Redondo Beach held a public hearing to consider the applications, at which time all interested parties were given an opportunity to be heard and to present evidence.

NOW, THEREFORE, THE PRESERVATION COMMISSION OF THE CITY OF REDONDO BEACH DOES HEREBY FIND AS FOLLOWS:

SECTION 1. The building meets the minimum eligibility requirement for landmark designation by being at least 50 years old in that evidence indicates that the building was constructed in 1924 and is currently 97 years old.

SECTION 2. The building embodies distinctive characteristics of a style, type, period, or method of construction, and is a valuable example of the use of indigenous materials or craftsmanship in that the building is a representative example of the Craftsman style of architecture which was the most prevalent architectural style during the early development of the City.

SECTION 3. This property reflects special elements of the City's cultural, social, and economic history. The residential structure was constructed on the property in 1924 by one of the earliest settlers in the area. This was during a time when Redondo Beach was a thriving resort with a growing residential community for working men and their families. This structure served as a home for working and middle class families who served the community. This property is representative of the early period of growth and development in Redondo Beach.

SECTION 4. Pursuant to Article 2, Chapter 3, Title 10, of the Redondo Beach Municipal Code, the proposed project has been determined to be categorically exempt from the requirements of the California Environmental Quality Act (CEQA), and an exemption declaration to this effect has been prepared and filed.

SECTION 5. As conditioned below, the proposed project conforms to the prescriptive standards adopted by the Preservation Commission and will not detrimentally alter, destroy or adversely affect any exterior improvement or exterior architectural feature.

NOW, THEREFORE, THE PRESERVATION COMMISSION OF THE CITY OF REDONDO BEACH, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. Based upon the findings contained herein, the Preservation Commission hereby approves the designation of the building and property at 719 S. Elvira Avenue as a historic landmark.

SECTION 2. Based upon the findings contained herein, a Certificate of Appropriateness is hereby approved for the rear second story addition and the rear first story porch addition at the existing residence in accordance with the submitted applications and plans to the extent specified and represented therein, except as such work may be amended or modified by conditions set forth below.

SECTION 3. This Certificate is approved on the basis of, and shall only be operative with, the applicant's compliance with the conditions listed below. Failure by the applicant or his/her successors in interest to comply with these conditions shall provide a basis for initiating enforcement proceedings pursuant to Article 7, Chapter 4, Title 10 of the Redondo Beach Municipal Code.

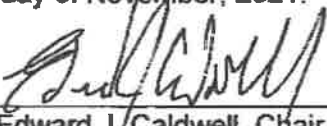

1. The approval granted herein is for the construction of a second story rear addition and a first story rear porch addition at the existing potential historic resource, as reflected on the application and plans reviewed and approved by the Preservation Commission at its meeting on November 3, 2021.
2. No other work is authorized herein. The precise design and architectural treatment of all structures, walks, walls, fences, landscaping and driveways shall not be altered without prior approval of the Preservation Commission or Planning Staff, as appropriate, and issuance of a Certificate of Appropriateness and other necessary permits. If additional work outside of the scope of work identified on the plans is necessary, the applicant shall immediately contact Planning Staff prior to starting any work.

3. The Planning Division shall be authorized to approve minor changes, and shall inform the Commission of any such changes.
4. The applicant shall comply with all applicable requirements and obtain all necessary permits from the Building Division, Engineering Division, Fire Department, and any other agency with jurisdiction over the project.
5. In the event of a disagreement in the interpretation and/or application of these conditions, the issue shall be referred back to the Preservation Commission for a decision. The decision of the Commission shall be final.
6. The Preservation Commission shall retain jurisdiction over the matter for the purpose of enforcing these conditions and for the purpose of modification thereof as circumstances may subsequently indicate.
7. Work performed shall be verified against plans submitted. If modifications to plans are necessary, amended plans shall be submitted prior to a change occurring, and subject to the approval of the Building and Planning Divisions as minor alterations, and the Preservation Commission, if deemed necessary for major changes.
8. Periodic inspections shall be scheduled with Planning Division staff to verify compliance with approved plans.
9. Prior to final inspection from the Building Division, the applicant shall schedule an inspection with Planning Division staff to review the completed work for conformance to the Certificate of Appropriateness. Any non-compliance or unauthorized deviations will be grounds for revocation of the Certificate of Appropriateness and/or subsequent cancellation of the Mills Act Contract.
10. Consistent with the Secretary of the Interior's Standards, the proposed improvements shall be differentiated from the historic structure, but compatible in size, scale, design, material, color, and texture.
11. Any project related maintenance, repair, stabilization, rehabilitation, preservation, conservation, or reconstruction of the historic building, including identified historic landscaping, shall be conducted in a manner consistent with the *Secretary of the Interior's Standards for the Treatment of Historic Properties with Guidelines for Preserving, Rehabilitation, Restoring, and Reconstructing Historic Buildings* and the *Secretary of the Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings*. Detailed design plans shall be submitted to the City's Planning Division, Planning Commission, and Preservation Commission for their review and approval prior to actual physical rehabilitation work.

12. All exterior materials on the original historic home shall remain wood and any features that are in disrepair shall be replaced with wood like-for-like in design.
13. The new westward gable roof element shall have exposed rafter ends with a similar design as the existing rafter ends.

FINALLY BE IT RESOLVED, that the Preservation Commission forward a copy of this resolution to the Planning Commission, City Council, all appropriate City departments, and any other interested governmental and civic agencies.

On April 18, 2022, the Financial Services Department solicited proposals for a new three-year agreement. Responses to RFP Number 2122-016 were as follows:

Ultimate Maintenance Services	\$974,820
Star Brite Building Maintenance	\$760,818
Commercial Building Maintenance	\$518,958

The figures shown above are not to exceed amounts for the three-year term of the agreement, based on monthly pricing for regular services, hourly pricing for special services, projected volumes of special services that will be required, and a 10% contingency.

The Public Works Department has reviewed the proposals and determined that the one submitted by Commercial Building Maintenance presents the best combination of experience, qualifications, references and pricing for the desired services. The company has provided the City with reliable, high quality janitorial services for the last five years. In addition, their proposed pricing is significantly lower than the other two proposers.

The annual cost of the agreement will be as follows:

Regular Maintenance	\$139,740
Special Services	\$17,520
10% Contingency	<u>\$15,726</u>
Total	\$172,986

The combined three-year cost of \$518,958 is approximately 8.9% higher than the City's current agreement. This is primarily attributable to increases in minimum wage and the cost of materials.

COORDINATION

The RFP process was coordinated with the Financial Services Department. The City Attorney's Office prepared and approved the agreement as to form.

FISCAL IMPACT

The annual cost for a three-year agreement for janitorial services at 10 City facilities will not exceed \$172,986, including a 10% contingency. Funding is available for the agreement in the Public Works Department's Building Occupancy Fund annual operating budget. The total three-year cost will not exceed \$518,958.

This Agreement shall not be construed as a contract of employment. Contractor shall have no rights to any benefits which accrue to City employees unless otherwise expressly provided in this Agreement. Due to the independent contractor relationship created by this Agreement, the City shall not withhold state or federal income taxes, the reporting of which shall be Contractor's sole responsibility.

If applicable, Contractor shall prepare check prints upon request. Said plans, drawings, reports, calculations, data, specifications, videos, graphics or other materials shall be specific for the project herein and shall not be used by the City for any

other project without Contractor's consent. Notwithstanding the foregoing, Contractor shall not be obligated to assign any proprietary software or data developed by or at the direction of Contractor for Contractor's own use; provided, however, that Contractor shall, pursuant to Paragraph 14 below, indemnify, defend and hold the City harmless from and against any discovery or Public Records Act request seeking the disclosure of any such proprietary software or data.

4. Inspection. If the services set forth in Exhibit "A" shall be performed on City or other public property, the City shall have the right to inspect such work without notice. If such services shall not be performed on City or other public property, the City shall have the right to inspect such work upon reasonable notice. Inspections by the City shall not relieve or minimize the responsibility of Contractor to conduct any inspections Contractor has agreed to perform pursuant to the terms of this Agreement. Contractor shall be solely liable for said inspections performed by Contractor. Contractor shall certify in writing to the City as to the completeness and accuracy of each inspection required to be conducted by Contractor hereunder.
5. Services. The project or services set forth in Exhibit "A" shall be performed to the full satisfaction and approval of the City. In the event that the project or services set forth in Exhibit "A" are itemized by price in Exhibit "C", the City in its sole discretion may, upon notice to Contractor, delete certain items or services set forth in Exhibit "A", in which case there shall be a corresponding reduction in the amount of compensation paid to Contractor. City shall furnish Contractor, to the extent available, with any City standards, details, specifications and regulations applicable to the Project and necessary for the performance of Contractor's services hereunder. Notwithstanding the foregoing, any and all additional data necessary for design shall be the responsibility of Contractor.

Only the City Council, City Manager, or the Department Head responsible for the administration of, or supervision of the scope of work under, this Agreement may authorize extra and/or changed work. Contractor expressly recognizes that other

City personnel are without authorization to either order extra and/or changed work or waive contract requirements. Failure of Contractor to secure the written authorization for such extra and/or changed work shall constitute a waiver of any and all right to adjustment in contract price due to such unauthorized work and Contractor thereafter shall be entitled to no compensation whatsoever for performance of such work.

If Contractor is of the opinion that any work which Contractor has been directed to perform is beyond the scope of this Agreement and constitutes extra work, Contractor shall promptly notify the City of the fact. The City shall make a determination as to whether or not such work is, in fact, beyond the scope of this Agreement and constitutes extra work. In the event that the City determines that such work does constitute extra work, City shall provide extra compensation to Contractor on a fair and equitable basis. A written amendment providing for such compensation for extra work shall be executed by Contractor and the City.

8. Additional Assistance. If this Agreement requires Contractor to prepare plans and specifications, Contractor shall provide assistance as necessary to resolve any questions regarding such plans and specifications that may arise during the period of advertising for bids, and Contractor shall issue any necessary addenda to the plans and specifications as requested. In the event Contractor is of the opinion that City's requests for addenda and assistance is outside the scope of normal services, the parties shall proceed in accordance with the changes and extra work provisions of this Agreement.

Contractor acknowledges, represents and warrants that Contractor is skilled and able to competently provide the services hereunder, and possesses all professional licenses, certifications, and approvals necessary to engage in its occupation. City has relied upon the professional ability and training of Contractor as a material inducement to enter into this Agreement. Contractor shall perform in accordance with generally accepted professional practices and standards of Contractor's profession.
10. Business License. Contractor shall obtain a Redondo Beach Business License before performing any services required under this Agreement. The failure to so obtain such license shall be a material breach of this Agreement and grounds for immediate termination by City; provided, however, that City may waive the business license requirement in writing under unusual circumstances without necessitating any modification of this Agreement to reflect such waiver.
11. Termination Without Default. Notwithstanding any provision herein to the contrary, the City may, in its sole and absolute discretion and without cause, terminate this Agreement at any time prior to completion by Contractor of the project or services hereunder, immediately upon written notice to Contractor. In the event of any such termination, Contractor shall be compensated for: (1) all authorized work satisfactorily performed prior to the effective date of termination;

and (2) necessary materials or services of others ordered by Contractor for this Agreement prior to Contractor's receipt of notice of termination, irrespective of whether such materials or services of others have actually been delivered, and further provided that Contractor is not able to cancel such orders. Compensation for Contractor in such event shall be determined by the City in accordance with the percentage of the project or services completed by Contractor; and all of Contractor's finished or unfinished work product through the time of the City's last payment shall be transferred and assigned to the City. In conjunction with any termination of this Agreement, the City may, at its own expense, make copies or extract information from any notes, sketches, computations, drawings, and specifications or other data, whether complete or not.

Notwithstanding the foregoing, nothing in this Section 14 shall be construed to encompass Indemnitees' active negligence to the limited extent that this Agreement is subject to Civil Code Section 2782(b). 1. Contractor acknowledges that the project as defined in this Agreement between Contractor and the City, to which this Agreement to Comply with California Labor Law Requirements is attached and incorporated by reference, is a "public work" as defined in Division 2, Part 7, Chapter 1 (commencing with Section 1720) of the California Labor Code ("Chapter 1"), and that this Agreement is subject to (a) Chapter 1, including without limitation Labor Code Section 1771 and (b) the rules and regulations established by the Director of Industrial Relations ("DIR") implementing such statutes. Contractor shall perform all work on the project as a public work. Contractor shall comply with and be bound by all the terms, rules and regulations described in 1(a) and 1(b) as though set forth in full herein.

2. California law requires the inclusion of specific Labor Code provisions in certain contracts. The inclusion of such specific provisions below, whether or not required by California law, does not alter the meaning or scope of Section 1 above.

3. Pursuant to Labor Code Section 1771.4, Contractor shall post job site notices, as prescribed by regulation.

4. Pursuant to Labor Code Section 1773.2, copies of the prevailing rate of per diem wages for each craft, classification, or type of worker needed to perform the Agreement are on file at City Hall and will be made available to any interested party on request. Contractor acknowledges receipt of a copy of the DIR determination of such prevailing rate of per diem wages, and Contractor shall post such rates at each job site covered by this Agreement.

5. Contractor shall comply with and be bound by the provisions of Labor Code Sections 1774 and 1775 concerning the payment of prevailing rates of wages to workers and the penalties for failure to pay prevailing wages. The Contractor shall, as a penalty to the City, forfeit the maximum amount allowable by law for each calendar day, or portion thereof, for each worker paid less than the prevailing rates as determined by the DIR for the work or craft in which the worker is employed for any public work done pursuant to this Agreement by Contractor or by any subcontractor.

6. Contractor shall comply with and be bound by the provisions of Labor Code Section 1776, which requires Contractor and each subcontractor to (1) keep accurate payroll records and verify such records in writing under penalty of perjury, as specified in Section 1776, (2) certify and make such payroll records available for inspection as provided by Section 1776, and (3) inform the City of the location of the records.

7. Contractor shall comply with and be bound by the provisions of Labor Code Sections 1777.5, 1777.6 and 1777.7 and California Administrative Code title 8, section 200 *et seq.* concerning the employment of apprentices on public works projects. Contractor shall be responsible for compliance with these aforementioned Sections for all apprenticeable occupations. Prior to commencing work under this Agreement, Contractor shall provide City with a copy of the information submitted to any applicable apprenticeship program. Within sixty (60) days after concluding work pursuant to this

Agreement, Contractor and each of its subcontractors shall submit to the City a verified statement of the journeyman and apprentice hours performed under this Agreement.

8. Contractor acknowledges that eight (8) hours labor constitutes a legal day's work. Contractor shall comply with and be bound by Labor Code Section 1810. Contractor shall comply with and be bound by the provisions of Labor Code Section 1813 concerning penalties for workers who work excess hours. The Contractor shall, as a penalty to the City, forfeit twenty-five dollars (\$25) for each worker employed in the performance of this Agreement by the Contractor or by any subcontractor for each calendar day during which such worker is required or permitted to work more than eight (8) hours in any one (1) calendar day and forty (40) hours in any one calendar week in violation of the provisions of Division 2, Part 7, Chapter 1, Article 3 of the Labor Code. Pursuant to Labor Code section 1815, work performed by employees of Contractor in excess of 8 hours per day, and 40 hours during any one week shall be permitted upon public work upon compensation for all hours worked in excess of 8 hours per day at not less than 1 and 1/2 times the basic rate of pay.

9. California Labor Code Sections 1860 and 3700 provide that every employer will be required to secure the payment of compensation to its employees. In accordance with the provisions of California Labor Code Section 1861, Contractor hereby certifies as follows:

"I am aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this contract."

10. For every subcontractor who will perform work on the project, Contractor shall be responsible for such subcontractor's compliance with Chapter 1 and Labor Code Sections 1860 and 3700, and Contractor shall include in the written contract between it and each subcontractor a copy of those statutory provisions and a requirement that each subcontractor shall comply with those statutory provisions. Contractor shall be required to take all actions necessary to enforce such contractual provisions and ensure subcontractor's compliance, including without limitation, conducting a periodic review of the certified payroll records of the subcontractor and upon becoming aware of the failure of the subcontractor to pay his or her workers the specified prevailing rate of wages. Contractor shall diligently take corrective action to halt or rectify any failure.

11. To the maximum extent permitted by law, Contractor shall indemnify, hold harmless and defend (at Contractor's expense with counsel acceptable to the City) the City, its officials, officers, employees, agents, independent contractors, and volunteers from and against any demand or claim for damages, compensation, fines, penalties or other amounts arising out of or incidental to any acts or omissions listed above by any person or entity (including Contractor, its subcontractors, and each of their officials, officers, employees and agents) in connection with any work undertaken or in connection with the Agreement, including without limitation the payment of all consequential damages, attorneys' fees, and other related costs and expenses. All duties of Contractor under this Section shall survive termination of the Agreement.

TITLE

APPROVE THE PURCHASE OF TWO 2023 POLICE VEHICLES FROM NATIONAL AUTO FLEET GROUP FOR USE BY THE POLICE DEPARTMENT PATROL DIVISION FOR A TOTAL COST OF \$174,580.11

EXECUTIVE SUMMARY

Staff is seeking authorization from the City Council to purchase two vehicles for the Police Department, Patrol Division. Both units are Patrol Sergeant vehicles, with built in mobile command posts. Both vehicles are at the end of their normal replacement cycles and have been approved for funding in Fiscal Year 2021-22. Competitive pricing for the vehicles has been secured through the City's regular purchasing procedures.

BACKGROUND

In June 2021, the City Council Approved Decision Package #55 -*Vehicle Replacement Purchases*, which set aside \$1,350,055 for the replacement of 22 City vehicles and equipment in the FY 2021-2022 Budget, including the funding for the two Police Patrol Sergeants vehicles recommended for purchase at this time.

The vehicles and equipment approved for replacement as part of the 2021-2022 FY Budget and the status of their acquisition is as follows:

<u>Year</u>	<u>Existing Vehicle</u>	<u>Assigned</u>	<u>Dept</u>	<u>Total Funding per Unit</u>	<u>Status</u>

The vehicles recommended for approval are two Chevrolet Tahoes (units #651 and #652) for the Police Patrol Division. The new vehicles will replace existing vehicles that are at the end of their replacement cycles and were identified for replacement in the FY 2021-22 Budget. The vehicles would be purchased and delivered to the City in the next six to eight months.

As of the beginning of May, ten (10) vehicles and equipment scheduled for FY 2021-22 purchase were still unavailable. Thankfully replacement vehicles for units #651 and #652 are now available. Vehicle purchases have been hampered during the Fiscal Year by severe supply-chain issues across the sector.

The vehicles recommended for purchase would be acquired through the City's regular purchasing procedures. The procedures contain a number of competitive purchasing options including the use of a "Piggyback" Bid which is a procedure of procuring goods or services by utilizing another public entity's recent Request for Proposal or Bid, or the Sourcewell Cooperative Purchasing Program. Cooperative purchasing programs provide valuable benefits to state and local governments. By attaching to national or regional cooperatives, an agency has immediate access to legitimately solicited contracts and guaranteed pricing and delivery options without expending staff resources on the preparation of its own RFB. Pricing is often attractive because of the purchasing power of these cooperatives.

The per vehicle cost, including full outfitting to equip the Patrol Sergeant's vehicles as mobile command post for large incidents, is \$87,290.05. Given the rising costs of vehicles and outfitting being experienced across the sector, the appropriated Vehicle Replacement Fund balance is not sufficient to cover the total cost of the units. There is \$7,992 per vehicle funding gap. The Police Department has identified savings in the Patrol Division's Maintenance and Operations budget to cover the shortfall. If approved, the two recommended vehicles in this report would be acquired via Sourcewell master vehicle contract #091521-NAFG.

COORDINATION

The Public Works Department coordinated this report with the Police Department.

FISCAL IMPACT

Funding for the purchase of the two vehicles, at a total cost of \$174,580.11, is available in the Vehicle Replacement Fund and was approved as part of the FY 2021-2022 Budget, via Decision Package #55 - *Vehicle Replacement Purchases*, in the amount of \$158,598, and from the Patrol Division's annual maintenance and operating budget, in the amount of \$15,984.11. There is no additional appropriation needed for the purchase of the two vehicles.

TITLE

APPROVE THE GRANT AGREEMENT WITH THE STATE OF CALIFORNIA, DEPARTMENT OF PARKS AND RECREATION, DIVISION OF BOATING & WATERWAYS FOR CONSTRUCTION OF THE BASIN 2 SEWER PUMP OUT STATION UPGRADE PROJECT, JOB NO. 50310

EXECUTIVE SUMMARY

Approval of the Grant Agreement with the State of California, Department of Parks and Recreation, Division of Boating & Waterways (DB&W) will provide an additional \$143,881 for construction of the Basin 2 Vessel Sewage Pump Out Station Upgrade Project, Job No. 50310. On May 17, 2022, the City Council approved a Grant Agreement for this project with the same agency for \$200,000. This second grant is being funded through the Clean Vessel Act (CVA). On December 14, 2021, the City Council awarded a contract to Bellingham Marine Industries, Inc. in the amount of \$2,990,267 for the construction of the Basin 2 Sewer Pump Out Station Upgrade Project and the Harbor Patrol Dock Replacement Project, Job No's 50310 & 70690. Funding for the Basin 2 Sewer Vessel Pump Out Station Project was appropriated from the Wastewater Fund and any unused Wastewater Funds will be returned to the Fund at the completion of the project.

BACKGROUND

Approval of the Second Grant Agreement will provide \$143,881 for the Basin 2 Sewer Pump Out Station Upgrade Project. As part of the project, the existing 400 sq. ft timber public sewer pump out dock and two existing guide piles will be removed and replaced with a new 1,200 sq. ft. concrete floating dock supported by five concrete guide piles. The new pump-out dock will be moved entirely outside of the inner breakwall and separated from the operational area of the Harbor Patrol dock, which is an important safety upgrade. In addition, the project will be combined with the rehabilitation the City's Harbor Patrol docks. The current Harbor Patrol dock system, consisting of a floating 2,800 sq. ft. timber dock and nine concrete guide piles, will be removed and replaced with a new 3,600 sq. ft. concrete floating dock supported by ten concrete guide piles.

On May 17, 2022, the City Council approved a Grant Agreement for this project with the same agency under a different program for \$200,000. This second grant is being funded through the Clean Vessel Act. On December 14, 2021, City Council awarded a contract to Bellingham Marine Industries, Inc. in the amount of \$2,990,267 for the construction of the Basin 2 Sewer Pump Out Station Upgrade Project and the Harbor Patrol Dock Replacement Project, Job Nos 50310 & 70690. Competitive grant programs were pursued for the Basin 2 Vessel Sewer Pump Out Station Upgrade Project through California's DB&W. In April 2022, the City was notified that the project was awarded

a DB&W grant from the CVA sewage pump out program.

The grant program is administrated by the California DB&W and provides funding for facilities serving recreational boaters. The program is funded by the Wildlife and Sport Fish Restoration Program from the U.S. Fish and Wildlife service. The CVA grant will help fund the installation of marina pump out stations.

COORDINATION

Project design was coordinated with input from the Harbor Commission and the Fire, Public Works and Waterfront & Economic Development Departments. Project construction will be coordinated through the Public Works Department and the Waterfront & Economic Development Department, and will allow continuous Harbor Patrol operation. The Grant Agreement has been approved by the City Attorney's office.

FISCAL IMPACT

Approval of the Grant Agreement will provide an additional \$143,881 to CIP Job No. 50310.

Mike Witzansky, City Manager

Rates for third-party volunteer services must be consistent with those paid for similar work by the non-Federal entity. In those instances, in which the required skills are not found in the non-Federal entity, rates must be consistent with those paid for similar work in the labor market in which the non-Federal entity competes for the kind of services involved. In either case, paid fringe benefits that are reasonable, necessary, allocable, and otherwise allowable may be included in the valuation.
- D. When a third-party organization furnishes the services of an employee, these services must be valued at the employee's regular rate of pay plus an amount of fringe benefits that is reasonable, necessary, allocable and otherwise allowable, and indirect costs at either the third-party organization's approved federally negotiated indirect cost rate or, a rate in accordance with §200.414. Indirect (F & A) costs, paragraph (d), provided these services employ the same skill(s) for which the employee is normally paid. Where donated services are treated as indirect costs, indirect cost rates will separate the value of the donated services so that reimbursement for the donated services will not be made.
- E. Donated property from third parties may include such items as equipment, office supplies, laboratory supplies, or workshop and classroom supplies. Value assessed to donated property included in the cost sharing or matching share must not exceed the fair market value of the property at the time of the donation.

- F. The value of donated space must not exceed the fair rental value of comparable space as established by an independent appraisal of comparable space and facilities in a privately owned building in the same locality.
- G. The value of loaned equipment must not exceed its fair rental value.
 - 1. For third-party in-kind contributions, the fair market value of goods and services must be documented and to the extent feasible supported by the same methods used internally by the non-Federal entity.
 - 2. For Institutes of Higher Education, see also OMB memorandum M-01-06, dated January 5, 2001, Clarification of OMB A-21 Treatment of Voluntary Uncommitted Cost Sharing and Tuition Remission Costs.

City of Redondo Beach CVA Pumpout Grant
Project Scope and Cost Estimate

Site Details: City of Redondo Beach operates King Harbor Marina located at 280 Marina Way, Redondo Beach on the Pacific Ocean in Los Angeles County California. The facility has 1,400 slips and 25 moorings with a 95% occupancy rate which includes 200 liveaboards. Approximately 200 transient vessels use the pumpouts each month; this is estimated to increase to 400 after the new pumpout installations are completed. The City is currently constructing a new 100-foot pumpout dock using, in part, federal Boating Infrastructure Grant (BIG) funding. The new dock will accommodate these two new pumpouts. The pumpouts will be publicly accessible 24 hours per day and connected to a public wastewater collection system.

Current Status: The public pumpouts are currently located on two separate docks; one on a 50-foot dock outside the bulkhead near the City Harbor Patrol facility and the other on a 45-foot finger attached to the City Harbor Patrol dock. Both pumpouts are aged and due for replacement.

Permits: The City has obtained necessary permits but permits require post-construction eel grass and Caulerpa surveys which will be included in the total project cost for this grant.

Pumpout Fees: The City does not charge for use of the pumpouts.

Cost sharing, proration for ineligible use and minimum required match: The Moffatt and Nichol cost estimate incorporated in Exhibit E page 29, indicates the total project costs for mobilization/demobilization/demolition, electrical, water, and signage are split 50% between the CVA grant and the City. The City is funding those costs as partial match to the BIG grant. The remaining 50% of these costs is attributed to this CVA pumpout grant, however, the City estimates that 5% of pumpout users will be non-recreational vessels and therefore, the total CVA project cost is further prorated by 5% to account for ineligible use. Minimum required matching funds is 25% of the total eligible project cost (total project cost less proration).

Project Scope: This grant will fund the purchase of two new pumpouts; labor for sewer installation and connection; associated electrical installation; associated water connections; signage; and species surveys.

Cost Estimate	
Description	Estimate

Less Proration - 5%	\$10,096.91
Eligible Total Project Cost	\$191,841.22
Less required match (25% of Eligible Total Project Cost)	\$47,960.31

Contractor shall insure that the evaluation and treatment of employees and applicants for employment are free of such discrimination. Code Regs., tit. 2, §11000 et seq.), the provisions of Article 9.5, Chapter 1, Part 1, Division 3, Title 2 of the Government Code (Gov. Code §§11135-11139.5), and the regulations or standards adopted by the awarding state agency to implement such article. Contractor shall permit access by representatives of the Department of Fair Employment and Housing and the awarding state agency upon reasonable notice at any time during the normal business hours, but in no case less than 24 hours' notice, to such of its books, records, accounts, and all other sources of information and its facilities as said Department or Agency shall require to ascertain compliance with this clause. Project Profile

Please Note: All recreational vessels must have reasonable access to pumpout and dump station facilities funded under this grant program.

1. **Describe the project**

The project will consolidate the two existing public sewer pump out docks in the King Harbor marina into a single facility that is more readily accessible and will accommodate larger recreational vessels. There are two pump out stanchions in the King Harbor marina. One is a 50 ft dock located on the opposite side of the bulkhead wall adjacent to the City Harbor Patrol facility. The second pump out is on a 45 ft finger attached to the City Harbor Patrol dock. The equipment is aged and is due for replacement. The project will combine these two pump out stations in a single new facility separate from the Harbor Patrol Dock. The new facility will have two new sewer pump out stanchions on a 100 ft long dock. This will accommodate more vessels and larger vessels than are served under the current configuration. The nearest facility that offers sewer pump out facilities is in Marina del Rey, which is more than 10 miles from the King Harbor marina. Providing new and better pump out equipment will promote better water quality within the harbor and align with the City's goal of environmental stewardship.

RESOLUTION NO. 2020-03-HCR-01

A RESOLUTION OF THE HARBOR COMMISSION OF THE CITY OF REDONDO BEACH, CALIFORNIA, APPROVING A CONDITIONAL USE PERMIT AND HARBOR COMMISSION REVIEW TO ALLOW CONSTRUCTION OF REDONDO BEACH HARBOR PATROL/COUNTY LIFEGUARD AND PUBLIC SEWAGE PUMP OUT FLOATING DOCK IMPROVEMENTS LOCATED AT 280 MARINA WAY, WITHIN THE CITY'S COASTAL ZONE

WHEREAS, the City of Redondo Beach is proposing to demolish and replace the existing Harbor Patrol/County Lifeguard and Public Sewage Pump Out Floating Dock Facilities; and

WHEREAS, the proposed project is located within the City's Coastal Zone, in an area under the jurisdiction of the California Coastal Commission; and

WHEREAS, notice of the time and place of the public hearing where the proposed project would be considered was provided pursuant to State law and local ordinance by publication in the Easy Reader, by posting notices every 200 hundred feet in the subject area within the Coastal Zone, and by mailing notices to property owners within 300 feet and residents within 100 feet of the exterior boundaries of the subject area within the Coastal Zone; and

WHEREAS, the Harbor Commission of the City of Redondo Beach held the public hearing on the 9th day of March, 2020, at which time all interested parties were given an opportunity to be heard and to present evidence.

NOW, THEREFORE, THE HARBOR COMMISSION OF THE CITY OF REDONDO BEACH, CALIFORNIA, DOES HEREBY FIND:

1. Pursuant to Sections 10-5.810 and 10-5.811 (d) of the Redondo Beach Municipal Code, the proposed boating facilities and public safety facilities, are the primary conditionally permitted uses within the Commercial (CC-4) zone.
2. In accordance with Section 10-5.2506(B) of the Redondo Beach Municipal Code, a Conditional Use Permit is in accord with the criteria set forth therein for the following reasons:
 - a) The proposed use is permitted in the land use district in which the site is located, and the site is adequate in size and shape to accommodate the use and all setbacks, open spaces, walls, and fences, parking, loading, landscaping and other features required by this chapter to adjust the use with the land and uses in the neighborhood. The relocation of the

sewage pump out dock would separate the public area from the public safety facilities. Parking in excess of the minimum number of spaces required is provided within the immediate vicinity of the docks.

- b) The site has adequate access to public streets of adequate width to carry the kind and quantity of traffic generated by the proposed use. The Redondo Beach Harbor Patrol/County Lifeguard facilities are located at the most southern tip of the Mole B, which is accessible via Marina Way off Harbor Drive.
 - c) The proposed use shall have no adverse effect on abutting property or the permitted use thereof, subject to the conditions of approval. The project replaces the sewage pump out station and docks which are approaching the end of their useful life.
 - d) The conditions stated in the resolution or design considerations integrated into the project shall be deemed necessary to protect the public health, safety, and general welfare.
3. In accordance with Section 10-5.2502(B) of the Redondo Beach Municipal Code, the applicant's request for Harbor Commission Design Review is consistent with the criteria set forth therein for the following reasons:
- a) The design of the project considers the impact and needs of the user in respect to circulation, parking, traffic, utilities, public services, noise and odor, privacy, private and common open spaces, security and crime deterrence, energy consumption, physical barriers, and other design concerns. The project does not affect the existing, land side buildings and is deemed an operational enhancement for waste water discharge facilities. The new docks are custom designed to meet the specific needs of the Harbor Patrol, Fire Department, and the County Lifeguards.
 - b) The location of the structure respects the natural terrain of the site and is functionally integrated with natural features of the landscape to include the preservation of existing trees, where feasible. The project does not affect the existing terrain as it involves relocation and replacement of the sewage pump out facility and docks.
 - c) The design of the project is harmonious and consistent within the proposed architectural style regarding roofing, materials, windows, doors, openings, textures, colors, and exterior treatment. The project does not involve changes to the existing Harbor Patrol/County Lifeguard Facility.
 - d) The design of the project is integrated and compatible with the neighborhood and is in harmony with the scale and bulk of surrounding

properties. The project does not involve changes to the existing Harbor Patrol/County Lifeguard Facility

- e) The design of the project provides innovation, variety, and creativity in the proposed design solution and serves to minimize the appearance of flat facades and box-like construction. The project does not involve changes to the existing Harbor Patrol/County Lifeguard Facility.
4. Pursuant to Chapter 3, Title 10 of the Redondo Beach Municipal Code, the project is exempt from the preparation of environmental documents pursuant to Section 15303 of the Guidelines for Implementation of the California Environmental Quality Act (CEQA). The Exemption Declaration was considered with the conceptual plans for the Harbor Patrol facilities (docks) and adopted by the Harbor Commission at the October 14, 2019 meeting.
5. The plans, specifications, and drawings have been reviewed by the Harbor Commission and are approved.

NOW, THEREFORE, THE HARBOR COMMISSION OF THE CITY OF REDONDO BEACH, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. Based on the above findings, the Harbor Commission does hereby approve the Conditional Use Permit and Harbor Commission Design Review pursuant to the plans and applications considered by the Harbor Commission at its meeting of the 9th day of March, 2020.

SECTION 2. The Conditional Use Permit and Harbor Commission Design Review shall be void in the event that the applicant does not comply with the following conditions:

1. The final construction documents and plans for the removal and reconstruction of Harbor Patrol/County Lifeguard and Public Sewage Pump Out Floating Dock Facilities is in substantial compliance with the "approval-in-concept" plans reviewed in conjunction with the applications approved by the Harbor Commission on March 9, 2020.
2. The precise architectural treatments of the floating dock facility exterior, deck, walks, and appurtenances shall be subject to Waterfront and Economic Development Department approval prior to issuance of a building permit.
3. A minimum of two (2), 24-inch box trees shall be planted within the parking area. The required trees shall be native trees or palm trees.

4. The contractor shall provide on-site Best Management Practices (BMP's) and erosion protection during construction to protect against negative effects on waters of the harbor, to the satisfaction of the Engineering Department.
5. The Waterfront and Economic Development Department shall be authorized to approve minor changes.
6. In the event of a disagreement in the interpretation and/or application of these conditions, the issue shall be referred back to the Harbor Commission for a decision prior to the issuance of a building permit. The decision of the Harbor Commission shall be final.
7. The design and construction of the project shall not preclude the future siting of a white seabass grow-out facility at this location. The white seabass grow-out facility is subject to and additional permit which shall be brought before the Harbor Commission, in the future.
8. The construction of the project shall be coordinated with the Outrigger Canoe Club to ensure minimum impacts to the Outrigger Canoe Club operations of activities.
9. The project, as constructed, shall accommodate sea-level rise.

SECTION 3. The approved Conditional Use Permit and Harbor Commission Design Review shall become null and void if not vested within 36 months after the Harbor Commission's approval of the project.

SECTION 4. Prior to seeking judicial review of this Resolution, the applicant is required to appeal to the City Council. The applicant has ten days from the date of adoption of this Resolution in which to file an appeal.

FINALLY RESOLVED, that the Harbor Commission forward a copy of this Resolution to the City Council so the Council will be informed of the action of the Harbor Commission.

("W&A") will perform construction management, daily inspection and construction reporting services for the Basin 2 Sewer Pump Out Station Upgrade Project & Harbor Patrol Dock Replacement Project, Job Nos. 50310 & 70690 ("Project").

These inspection services will help ensure requirements of the Project plans and specifications are met and that the Project is completed in a timely, safe, and professional manner. In August 2021, the City solicited proposals to identify an engineering firm to perform these services. W&A responded and provided a proposal that offered the best combination of price, experience, and expertise. Execution of the agreement was delayed pending the Grant agreements with the Department of Boating and Waterways, which were recently awarded. Funding for the agreement is included in the Project budget. W&A is currently working for the City under another contract with a similar scope of work. Staff is very satisfied with their performance to date.

BACKGROUND

On June 8, 2021 City Council approved the plans and specifications for the Basin 2 Sewer Pump Out Station Upgrade Project & Harbor Patrol Dock Replacement Project, Job Nos. 50310 & 70690, and the Project was advertised for competitive bidding on June 17, 2021. On December 14, 2021, the City awarded a public works contract to BMI. Construction is expected to begin in July 2022 and is estimated to take 12 months to complete.

In order to provide construction management, daily inspection, and construction reporting services for a number of upcoming construction efforts, City staff solicited proposals from qualified engineering firms on August 30, 2021 for the Project and other CIP projects nearing design completion and construction. The consultant selection process included evaluating proposals received and completing reference checks. W&A was found to have a good combination of experience, price, and references in relation to marina and pier restoration, harbor & boat docks, and piling projects.

The contract with W&A will help ensure that the Project is completed according to the City's plans and specifications, on time, and in a safe and professional manner. The total not-to-exceed amount of the contract is \$300,000 for the term June 07, 2022 - June 07, 2025. The extended duration of the contract is proposed to allow for contract terms and rates to be durable in the face of potential supply chain or similar delays, which are becoming more the norm in the current construction environment.

COORDINATION

The scope of work identified in the contract has been coordinated by the Public Works Department. The contract has been approved as to form by the City Attorney's Office.

This Agreement shall not be construed as a contract of employment. Due to the independent contractor relationship created by this Agreement, the City shall not withhold state or federal income taxes, the reporting of which shall be Consultant's sole responsibility.

reports, calculations, data, specifications, videos, graphics or other materials, shall be specific for the project herein and shall not be used by the City for any other project without Consultant's consent. Notwithstanding the foregoing, Consultant shall not be obligated to assign any proprietary software or data developed by or at the direction of Consultant for Consultant's own use; provided, however, that Consultant shall, pursuant to Paragraph 14 below, indemnify, defend and hold the City harmless from and against any discovery or Public Records Act request seeking the disclosure of any such proprietary software or data.

4. Inspection. If the services set forth in Exhibit "A" shall be performed on City or other public property, the City shall have the right to inspect such work without notice. If such services shall not be performed on City or other public property, the City shall have the right to inspect such work upon reasonable notice. Inspections by the City shall not relieve or minimize the responsibility of Consultant to conduct any inspections Consultant has agreed to perform pursuant to the terms of this Agreement. Consultant shall be solely liable for said inspections performed by Consultant. Consultant shall certify in writing to the City as to the completeness and accuracy of each inspection required to be conducted by Consultant hereunder.
5. Services. The project or services set forth in Exhibit "A" shall be performed to the full satisfaction and approval of the City. In the event that the project or services set forth in Exhibit "A" are itemized by price in Exhibit "C", the City in its sole discretion may, upon notice to Consultant, delete certain items or services set forth in Exhibit "A", in which case there shall be a corresponding reduction in the amount of compensation paid to Consultant. City shall furnish Consultant to the extent available, with any City standards, details, specifications and regulations applicable to the Project and necessary for the performance of Consultant's services hereunder. Notwithstanding the foregoing, any and all additional data necessary for design shall be the responsibility of Consultant.

Only the City Council, City Manager, or the Department Head responsible for the administration of, or supervision of the scope of work under, this Agreement may authorize extra and/or changed work. Consultant expressly recognizes that other City personnel are without authorization to either order extra and/or changed work or waive contract requirements. Failure of Consultant to secure the written authorization for such extra and/or changed work shall constitute a waiver of any and all right to adjustment in contract price due to such unauthorized work and Consultant thereafter shall be entitled to no compensation whatsoever for performance of such work.

If Consultant is of the opinion that any work which Consultant has been directed to perform is beyond the scope of this Agreement and constitutes extra work, Consultant shall promptly notify the City of the fact. The City shall make a determination as to whether or not such work is, in fact, beyond the scope of this Agreement and constitutes extra work. In the event that the City determines that such work does constitute extra work, City shall provide extra compensation to Consultant on a fair and equitable basis. A written amendment providing for such compensation for extra work shall be executed by Consultant and the City.

If this Agreement requires Consultant to prepare plans and specifications, Consultant shall provide assistance as necessary to resolve any questions regarding such plans and specifications that may arise during the period of advertising for bids, and Consultant shall issue any necessary addenda to the plans and specifications as requested. Consultant shall perform in accordance with generally accepted professional practices and standards of Consultant's profession.
10. Business License. Consultant shall obtain a Redondo Beach Business License before performing any services required under this Agreement. The failure to so obtain such license shall be a material breach of this Agreement and grounds for immediate termination by City; provided, however, that City may waive the business license requirement in writing under unusual circumstances without necessitating any modification of this Agreement to reflect such waiver.
11. Termination Without Default. Notwithstanding any provision herein to the contrary, the City may, in its sole and absolute discretion and without cause, terminate this Agreement at any time prior to completion by Consultant of the

project or services hereunder, immediately upon written notice to Consultant. In the event of any such termination, Consultant shall be compensated for: (1) all authorized work satisfactorily performed prior to the effective date of termination; and (2) necessary materials or services of others ordered by Consultant for this Agreement, prior to Consultant's receipt of notice of termination, irrespective of whether such materials or services of others have actually been delivered, and further provided that Consultant is not able to cancel such orders. AGREEMENT TO COMPLY WITH CALIFORNIA LABOR LAW REQUIREMENTS

1. Contractor acknowledges that the project as defined in this Agreement between Contractor and the City, to which this Agreement to Comply with California Labor Law Requirements is attached and incorporated by reference, is a "public work" as defined in Division 2, Part 7, Chapter 1 (commencing with Section 1720) of the California Labor Code ("Chapter 1"), and that this Agreement is subject to (a) Chapter 1, including without limitation Labor Code Section 1771 and (b) the rules and regulations established by the Director of Industrial Relations ("DIR") implementing such statutes. Contractor shall perform all work on the project as a public work. Contractor shall comply with and be bound by all the terms, rules and regulations described in 1(a) and 1(b) as though set forth in full herein.

2. California law requires the inclusion of specific Labor Code provisions in certain contracts. The inclusion of such specific provisions below, whether or not required by California law, does not alter the meaning or scope of Section 1 above.

3. Pursuant to Labor Code Section 1771.4, Contractor shall post job site notices, as prescribed by regulation.

4. Pursuant to Labor Code Section 1773.2, copies of the prevailing rate of per diem wages for each craft, classification, or type of worker needed to perform the Agreement are on file at City Hall and will be made available to any interested party on request. Contractor acknowledges receipt of a copy of the DIR determination of such prevailing rate of per diem wages, and Contractor shall post such rates at each job site covered by this Agreement.

5. Contractor shall comply with and be bound by the provisions of Labor Code Sections 1774 and 1775 concerning the payment of prevailing rates of wages to workers and the penalties for failure to pay prevailing wages. The Contractor shall, as a penalty to the City, forfeit the maximum amount allowable by law for each calendar day, or portion thereof, for each worker paid less than the prevailing rates as determined by the DIR for the work or craft in which the worker is employed for any public work done pursuant to this Agreement by Contractor or by any subcontractor.

6. Contractor shall comply with and be bound by the provisions of Labor Code Section 1776, which requires Contractor and each subcontractor to (1) keep accurate payroll records and verify such records in writing under penalty of perjury, as specified in Section 1776, (2) certify and make such payroll records available for inspection as provided by Section 1776, and (3) inform the City of the location of the records.

Contractor shall be responsible for compliance with these aforementioned Sections for all apprenticeable occupations. Prior to commencing work under this Agreement, Contractor shall provide City with a copy of the information submitted to any applicable apprenticeship program. Within sixty (60) days after concluding work pursuant to this Agreement, Contractor and each of its subcontractors shall submit to the City a verified statement of the journeyman and apprentice hours performed under this Agreement.

8. Contractor acknowledges that eight (8) hours labor constitutes a legal day's work. Contractor shall comply with and be bound by Labor Code Section 1810. Contractor shall comply with and be bound by the provisions of Labor Code Section 1813 concerning penalties for workers who work excess hours. The Contractor shall, as a penalty to the City, forfeit twenty-five dollars (\$25) for each worker employed in the performance of this Agreement by the Contractor or by any subcontractor for each calendar day during which such worker is required or permitted to work more than eight (8) hours in any one (1) calendar day and forty (40) hours in any one calendar week in violation of the provisions of Division 2, Part 7, Chapter 1, Article 3 of the Labor Code. Pursuant to Labor Code section 1815, work performed by employees of Contractor in excess of 8 hours per day, and 40 hours during any one week shall be permitted upon public work upon compensation for all hours worked in excess of 8 hours per day at not less than 1 and 1/2 times the basic rate of pay.

9. California Labor Code Sections 1860 and 3700 provide that every employer will be required to secure the payment of compensation to its employees. In accordance with the provisions of California Labor Code Section 1861, Contractor hereby certifies as follows:

"I am aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this contract."

10. For every subcontractor who will perform work on the project, Contractor shall be responsible for such subcontractor's compliance with Chapter 1 and Labor Code Sections 1860 and 3700, and Contractor shall include in the written contract between it and each subcontractor a copy of those statutory provisions and a requirement that each subcontractor shall comply with those statutory provisions. Contractor shall be required to take all actions necessary to enforce such contractual provisions and ensure subcontractor's compliance, including without limitation, conducting a periodic review of the certified payroll records of the subcontractor and upon becoming aware of the failure of the subcontractor to pay his or her workers the specified prevailing rate of wages. Contractor shall diligently take corrective action to halt or rectify any failure.

11. To the maximum extent permitted by law, Contractor shall indemnify, hold harmless and defend (at Contractor's expense with counsel acceptable to the City) the City, its officials, officers, employees, agents, independent contractors, and volunteers from and against any demand or claim for damages, compensation, fines, penalties or other amounts arising out of or incidental to any acts or omissions listed above by any person or entity (including Contractor, its subcontractors, and each of their officials, officers, employees and agents) in connection with any work undertaken or in connection with the Agreement, including without limitation the payment of all consequential damages, attorneys' fees, and other related costs and expenses. ADOPT BY TITLE ONLY RESOLUTION NO. CC-2206-032, A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF REDONDO BEACH, CALIFORNIA, PROCLAIMING SUNDAY, SEPTEMBER 11, 2022 AS "OPEN WATER SWIM DAY" IN THE CITY OF REDONDO BEACH IN SPONSORSHIP AND SUPPORT OF THE FOURTH ANNUAL SWIM THE AVENUES WATER SPORTS EVENT TO BE HELD IN THE CITY OF REDONDO BEACH COASTAL WATERS AND IN APPRECIATION OF THE COUNTY OF LOS ANGELES' EFFORTS TO PERMIT THE EVENT AND PROVIDE LOGISTICAL SUPPORT

EXECUTIVE SUMMARY

The City has partnered with the County of Los Angeles, local water sports professionals, and businesses to create open water swim events and activate Redondo Beach coastal waters. The City intends to support an annual program of open water swim events that could integrate with internationally sanctioned swimming activities for the promotion of water sports as well as to demonstrate the capacity of the Redondo Beach coastal waters to sustain internationally recognized events.

Adoption of the recommended Resolution would officially recognize and support the September 11, 2022 "Swim the Avenues" open water swim event and its partnership with Los Angeles County.

BACKGROUND

The City of Redondo Beach supports the increased use of its coastal waters for recreation and sporting activities and has partnered with the County of Los Angeles, local water sports professionals, and businesses to create an inaugural open water swim event and activate Redondo Beach coastal waters.

With the approval of the recommended Resolution, the City of Redondo Beach will declare Sunday, September 11, 2022 as "Open Water Swim Day" in Redondo Beach and officially support the 4th annual "Swim the Avenues" water sports event in Redondo Beach.

Additionally, the City recognizes its partnerships with Los Angeles County and local sports and event promoters Rick Crump, Mike Ward, and Bryan Mineo for their expertise in organizing and implementing the open water swim event.

Approximately 600 swimmers are expected for the 2022 event, along with an anticipated viewing

audience of 1,000 spectators along the Esplanade and beaches. Of the registered swimmers, organizers expect 85% of the participants to be South Bay residents and 10% of the participants to be new to swim competitions. The event's Open swim category age ranges are multi-generational to promote the sport and encourage participation regardless of age. The event will utilize Social media to live stream pre-race, race, and post-race activities, as well as to post race results.

Individuals wishing to learn more about the September 11, 2022 "Swim the Avenues" event and to register, should visit the following website:

COORDINATION

The Resolution has been approved as to form by the City Attorney's Office.

FISCAL IMPACT

Use of the beaches and the waters of Santa Monica Bay fall within the jurisdiction of Los Angeles County. There is no fiscal impact to the City as a result of the proposed "Swim the Avenues" special event. The promoter's costs to present the swim event are unknown but are anticipated to be offset by participant registrations, sponsorships, and other partnerships.

TITLE

APPROVE AMENDMENT NUMBER TWO TO THE LETTER OF AGREEMENT FOR FUNDING AND OPERATION OF THE REDONDO BEACH EMERGENCY HOMELESS SHELTER (PALLET SHELTERS)

EXECUTIVE SUMMARY

The Letter of Agreement (LOA) with the Los Angeles County for the funding of the pallet shelters is set to expire on July 31, 2022. This second amendment to the LOA would extend the term an additional two months to September 30, 2022 at the same level of funding while we explore whether grant funding is available to continue the operations of the Pallet Shelters.

BACKGROUND

On December 31, 2020, the City Council approved a LOA with Los Angeles County for the shared operational and human services costs of the Pallet Shelters providing transitional housing for people experiencing homelessness in Redondo Beach. On June 8, 2021, the City Council approved the first amendment to the LOA to extend the term and reduce the costs of the City's monthly contribution through July 31, 2022. Recommended is a second amendment to the LOA to extend the term by roughly two months to September 30, 2022 at the same reduced costs while we explore whether grant funding is available to continue the operations of the Pallet Shelters.

COORDINATION

The City Attorney's Office coordinated with the City Manager's Office for the preparation of this report.

FISCAL IMPACT

The second amendment to the LOA would maintain the existing level of City funding for an additional two months.

CONTINUED PUBLIC HEARING TO CONSIDER THE FISCAL YEAR 2022-23 PROPOSED BUDGET, FIVE-YEAR CAPITAL IMPROVEMENT PROGRAM, AND ASSOCIATED BUDGET RESPONSE REPORTS

- a. Reconvene Public Hearing, take testimony;
- b. Continue Public Hearing to June 14, 2022; and
- c. Receive and file Budget Response Reports.

EXECUTIVE SUMMARY

On May 16, 2022, in accordance with the City Charter, the Mayor and City Council received the Proposed Budget for FY 2022-23 and the Five-Year Capital Improvement Program (CIP). On May 17, 2022, the first Public Hearing on these documents was conducted and continued to June 7, 2022. The May 17th Public Hearing provided an introduction and summary of the Proposed Budget. The June 7th Budget Hearing will be focused on department operations. The June 14th Budget Hearing will be focused on proposed capital projects. The June 21st Hearing will be focused on Council consideration of Budget Adoption.

BACKGROUND

The Proposed Fiscal Year 2022-23 Budget is balanced in accordance with the City Council's adopted Financial Principles. If all recommended Decision Packages are adopted as modifications to the core budget, the General Fund's unallocated balance (total revenues over expenditures) would be \$1.8M. To date, 25 Budget Response Reports (see attached) have been prepared and submitted to the City Council.

The City Manager's budget message describes the budget development process, the City's projected financial outlook for the upcoming fiscal year, proposed General Fund revenues and expenditures, and recommended decision packages. Decision packages are additions or reductions to the base budget that are not contractually obligated or the result of annual personnel allocation updates.

The departmental sections of the budget document discuss core service activities, key projects and assignments, and customer service and referral work measures. Financial Summary (mini-financial) reports spotlight important business units. The Capital Improvement Program (CIP) identifies capital investment required to meet our general plan and other policy goals and to ensure good stewardship of our existing infrastructure. The CIP identifies the projects, their estimated costs, and the financing

methods needed to implement the City's capital investment goals and the maintenance of new or existing infrastructure.

In summary:

- The total annual budget including all funds is \$156.5 million.
- The total core General Fund budget (with transfers and before decision packages) is roughly \$102 million.
- Recommended is a total of \$90.8 million in capital improvements.
- Funding is included for the payroll of 425 full-time employees (before decision packages).
- The General Fund's contingency reserve is \$8.26 million.
- The General Fund's unallocated balance is \$1.8 million (if all proposed decision packages are approved).

Core General Fund tax revenues are projected to increase by almost \$3.4 million. However, total FY 2022-23 General Fund revenue as compared to FY 2021-22, is lower by \$2.6 million due to the expiration of America Rescue Plan Act (ARPA) funding. The General Fund received \$5.8 million in one-time ARPA revenue during FY 2021-22.

Property Tax and related Property Tax in Lieu of VLF revenue are both expected to increase in FY 2022-23 by 5.1%. The revenue received from these sources is based on calendar year 2021 property values which have continued to show strong year over year increases.

HdL, the City's sales tax consultant, projects an 8.5% increase in FY 2022-23 sales tax revenue due to the full reopening of City retail establishments following pandemic-related business closures and continued growth in local returns from the Los Angeles County tax pool.

The City's General Fund revenue source most impacted by COVID-19 has been transient occupancy tax (TOT). This revenue source is recovering, and is predicted to increase by 16.5% year over year, however it's still roughly \$3.2 million below normal annual levels due to the ongoing replenishment of the reserve account for the Marine Avenue hotel properties which requires the redirection of all site generated TOT until the three-million dollar account is full.

It is under these conditions that the Proposed Budget for Fiscal Year 2022-23 was developed. A total of 83 decision packages and 122 capital improvement projects are recommended.

The following provides details of the components of the estimated ending fund balances as shown in the Fiscal Year 2022-23 Proposed Budget.

In the Fiscal Year 2022-23 Proposed Budget, what items adjust beginning fund balances to their estimated ending fund balances?

In the Proposed Budget are the following items which adjust the General Fund beginning fund balance to the estimated ending fund balance.

\$11,078,523	General Fund estimated beginning fund balance
--------------	---

99,613,990	Fiscal Year 2022-23 proposed core revenues (as detailed in the "Revenues" section of the Proposed Budget document) without Transfers-In
(99,249,950)	Fiscal Year 2022-23 proposed appropriations (as detailed in the Proposed Budget document both in the "Expenditures" section and in the "Department Details" section) without Transfers-Out
1,750,927	Fiscal Year 2022-23 proposed Transfers-In (a transfer from the Harbor Tidelands Fund for the annual property tax in lieu payment and a transfer from the Harbor Uplands Fund for the 2019 lease revenue bond debt service payment)
(2,721,844)	Fiscal Year 2022-23 proposed Transfers-Out (subsidy of the Street Landscaping and Lighting Assessment District, and a transfer to the Community Financing Authority for the 2019 lease revenue bond debt service payment)
\$10,471,645	General Fund estimated ending fund balance (before consideration of the Fiscal Year 2022-2023 decision packages)

The estimated ending fund balances of the other funds are calculated similarly. The adjustments to the beginning fund balances for all funds are detailed in the "Revenues", "Expenditures", and "Department Details" sections of the Proposed Budget document.

What is the resulting impact of funding the recommended Decision Packages to the estimated ending fund balances?

Recommended adjustments to the estimated fund balances are to be considered by the City Council through supplemental requests called Decision Packages. Decision Packages can be related to policy, operational or financial matters. Those impacting the General Fund are categorized below.

\$10,471,645	General Fund estimated ending fund balance (before consideration of the Fiscal Year 2021-22 decision packages)
\$508,050	Decision Packages that Sustain or Improve Revenue to the City
(\$1,238,247)	Decision Packages that Restore Department Positions and Operating Budgets Lost During Prior Year Reductions
(\$1,340,859)	Decision Packages that are Needed to Comply with Mandates or Fund Unavoidable Costs for Current Basic Services
(\$506,562)	Decision Packages that Help Protect the Health, Safety and Quality-of-Life of the Public
(\$414,000)	Decision Packages that Improve Organizational Efficiency or Effectiveness
(\$580,000)	Decision Packages that Support Priority Objectives Suggested by City Commissioners or Members of the Public During the Budget Input Process (not otherwise listed in other categories)
(\$734,847)	Decision Packages that Fill Gaps in Service or Meet New Service Demands

\$6,165,180	General Fund estimated ending fund balance (after consideration of the FY 2022-23 decision packages)
\$4,350,380	Recommended CIP Allocation
\$1,814,800	Total Estimated Year-End Fund Balance after Recommendations

Budget Response Reports, which will be provided throughout the budget adoption process, give detailed information above and beyond what can be described in the budget document and provide the City Council opportunity to explore additional questions and potential budget proposals.

Question:

What would it cost to refurbish the Perry Park Teen Center, specifically the kitchen and flooring?

Response:

The kitchen at the Teen Center is typically used for prepping snacks and other basic items and is equipped with limited appliances. A refurbishment of the kitchen would include the following elements and estimated costs:

New cabinets	\$15,000
New counter tops	\$10,000
New refrigerator & appliances	\$ 5,000
New floor tile	\$ 5,500
Repainting	\$10,000
Other/Incidentals	\$10,000
<hr/>	
Kitchen Total	\$55,500

The majority of the floor tile in the Teen Center is in good shape. The cost to refurbish the general area, including limited flooring repairs, is detailed below:

Replace damaged floor tile (300sf)	\$ 5,500
Repaint interior and exterior	\$50,000
Repair windows	\$ 3,000
Replace four heating units	\$30,000
<hr/>	
General Area Total	\$88,500

Question:

What is the cost to steam clean the sidewalk on Artesia Boulevard?

Response:

The City's portion of Artesia Boulevard between Aviation and Hawthorne contains approximately 68,000 square feet of sidewalk. The trash hauling contract with Athens Services contains pricing for steam cleaning services. The cost to clean this segment of Artesia Boulevard, twice per month, would be \$21,900 per month and \$262,800 per year.

Staff contacted another local steam cleaning contractor for comparative pricing. This contractor provided a cost estimate for steam cleaning ranging from \$0.25 to \$0.40 per square foot, depending on the condition of the sidewalk. As such, the cost to steam clean the above segment of Artesia Boulevard each time would range from \$17,000 to \$27,000. The twice monthly cost of the alternative provider would therefore range from \$34,000 to \$54,000 per month and \$408,000 to \$648,000 per year, nearly double the cost of Athens.

CITY OF REDONDO BEACH

Budget Response Report #5

June 7, 2022

Question:

What transportation services does the City operate for seniors and people with disabilities? What would be the cost to provide a Taxi/TNC Program for seniors and people with disabilities?

Response:

The City operates two Beach Cities Transit (BCT) general public fixed routes, (Line 102 and Line 109,) that seniors and people with disabilities may use to meet their transportation needs. Fares for seniors and people with disabilities are 50 cents and monthly passes are \$10. City residents receive a pass subsidy and pay \$5 for a monthly pass. Due to COVID-19, fare collection was suspended in March 2020 on BCT services and passengers ride free.

The City supplements transportation services to resident seniors 62+ of age and people with disabilities of Redondo Beach and Hermosa Beach with the WAVE Dial-A-Ride (WAVE) program. The WAVE is a shared-ride curb-to-curb paratransit service, that operates daily, serving destinations within Hermosa Beach, Redondo Beach and designated satellite facilities in Torrance and Kaiser Medical facilities in Manhattan Beach. The \$1 fare for the WAVE has also been suspended since March 2020. The City owns 5 WAVE vehicles with ramps for safe access for wheelchair users and people who have difficulty with steps.

The WAVE operates Monday through Friday 6:00 AM to 8:30 PM, and Saturday and Sunday 8:00 AM to 8:30 PM, with reduced service hours on Thanksgiving Day, Christmas Day and New Year's Day. Riders can request trips for the same day, advanced reservation service, subscription service and group service. Same day services can be provided within two hours of request, advance reservations can be made 24 hours ahead of requested trip time, and subscription service may be scheduled up to 7 days in advance. The majority of trips are provided during the weekday.

The 2020 Census data shows a Redondo Beach senior (65+) population of 9,376 (13.1% of total population) and 2,433 residents with disabilities under 65 years of age (3.4% of total population). There are over 1,500 Redondo Beach residents and approximately 120 Hermosa Beach residents registered for the WAVE. Approximately 12% of the eligible Redondo Beach population is registered for the WAVE and new applicants continue to register for the program.

Before the COVID-19 pandemic*, WAVE ridership was averaging 1,110 trips per month, and trending towards 13,500 trips to be provided in FY 2019-20. After the State Stay-At Home orders were implemented, ridership decreased significantly to approximately 404 monthly trips (5 to 8 daily) through FY 2020-21. See Table 1 for WAVE service data.

Currently, FY 2021-22 ridership is improving with an average 608 monthly trips, approximately 50% of the total trips provided pre-COVID-19. Monthly trips continue to increase, with the majority taken by single riders in the vehicle. The WAVE service can easily provide more trips with the current bus fleet. The annual operations cost of the WAVE service including fuel is \$530,000 and is funded with dedicated transit funding under the Formula Allocation Procedure (FAP) and Proposition Local Return Funds.

Table 1 - WAVE Service Data

Fiscal Year	2017-18	2018-19	2019-20 July-Feb	2019-20 Mar-June	2020-21	2021-22 July-April

Taxi Voucher or Transportation Network Companies (TNC) Transportation Subsidy Programs

In 2005, the City made major changes to its transportation services that implemented three fixed routes (102, 104 and 109), and cancelled the Dial-A-Taxi program for seniors and people with disabilities in order to convert to the WAVE Dial-A-Ride service.

Currently, South Bay cities have different approaches to providing supplemental transportation services for seniors and people with disabilities to their residents. Hermosa Beach supplements the WAVE service with a Dial-A-Taxi program (up to \$450/mo. per person), Manhattan Beach operates a Dial-A-Ride similar to the WAVE, El Segundo changed their dial-a-ride service in mid-2021 to use a Transportation Network Company (TNC) (up to \$600/mo. per person) due to issues with hiring drivers, and Torrance offers a Dial-A-Taxi program (up to \$156/mo. per person).

Funding

Dedicated Local Return Proposition A funds which pay for City transportation programs are fully allocated to current transportation services and programs, bus capital expenses, and the new Transit Center location. Unless changes in existing service levels were made, the addition of a new transit program would require the use of other Local Return Funds such as Proposition C, Measure R or Measure M, or the use of General Funds. A taxi/TNC transportation subsidy program is not eligible to be funded by FAP or other state transit operations formula funding.

Cities with Taxi/TNC Transportation Subsidy Programs

Each city has a different program design and parameters which determine the annual costs for their individual programs. These factors include: the eligible population size, the percentage of the population that uses the service and the frequency of use by each person, the monthly value allocated per person, the amount the City pays for each trip, the maximum trip distance allowed, the amount the City pays each month per person, age and eligibility criteria, the use of a TNC or taxi companies, and the cost of the program administration using in-house staff or an outside contractor.

Table 3, “Taxi Voucher/TNC Program Parameters and General Information” (at the bottom of the report), provides brief general information and the annual budgets of the supplemental Taxi/TNC transportation subsidy programs offered by El Segundo, Hermosa Beach, Torrance, and West Hollywood. Approximately 2.4% (50) of El Segundo senior residents are registered to use the TNC program, approximately 4.43% (119) of Hermosa Beach senior residents are registered to use the taxi voucher program, approximately 6.07% (1,500) of Torrance senior residents are registered to use the Dial-A-Taxi program, and approximately 7% (504) of West Hollywood senior residents are registered to use the Van/TNC program.

While Hermosa Beach and El Segundo offer higher monthly trip values per person, they both have a smaller eligible population that uses the program. Torrance and West Hollywood offer a lower monthly trip value but have higher eligible populations that use their program. The design of a Redondo Beach program would determine the overall cost of the service, and staff would need to return to City Council with various program design options and detailed cost estimates before a final figure could be provided.

The Redondo Beach senior population is 9,376, and the population of people with disabilities is 2,433. The program parameters and the percentage of population that could register and use the service will determine the annual transportation cost to provide a voucher/TNC program. The budget would be based on the estimated people registered for the program, their approximate use each month, and the monthly trip value allocated to users.

Taxi/TNC Program Costs

Table 2, “Taxi/TNC Transportation Example of Estimated Costs” (below) shows annual cost estimates for a Redondo Beach program with parameters similar to the other Cities. If the program parameters are designed similar to Hermosa Beach, El Segundo, Torrance or West Hollywood, based on projections between 4% (472) to 7% (827) of the senior and disabled population who register and regularly use the program, the total cost for trips provided would range from \$566,000 per year up to \$5.9 million per year. If the percentage of residents using the program is higher than 7%, the total cost for trips would be more than \$6M per year.

The lower estimated program transportation cost would have a monthly trip value amount similar to West Hollywood (up to \$100 per month per person) and the higher estimated

program cost would have a monthly trip value similar to Hermosa Beach (up to \$450 per month per person) or El Segundo (up to \$600 per month per person).

Table 2 – Taxi/TNC Transportation Example of Estimated Costs For Trips

Eligible 65+	9,375		9,375	
Eligible Disabled	2,433		2,433	
Percentage and Number of Users	4%	472	7%	827
Up to 40 rides/month @ \$15 value Monthly Value per person: \$600/month	\$3,400,992 / Year		\$5,952,000 / Year	
Up to 30 rides/month. Avg trip value: \$15 Average Monthly Value per person: \$450/month	\$2,550,774 / Year		\$4,463,802 / Year	
Purchase up to 12 ride credits, @ \$13 each Monthly Value per person: \$156/month	\$884,256 / Year		\$1,547,100 / Year	
Purchase up to \$100 ride credits monthly value per person Average 10 trips/month \$200/month (with a medical condition)	\$566,832 / Year		\$991,956 / Year	

In addition, the administration of the program would need to be contracted out, as there is inadequate City personnel to oversee the program, and a Request for Proposals would need to be prepared and issued for the service. West Hollywood contracts the administration of their program and budgets approximately \$153,000 per year for the contractor's Project Manager, Customer Service Representative, Dispatcher, Call Center and application processing.

CITY OF REDONDO BEACH

Budget Response Report #6

June 7, 2022

Question:

What is the status of Transit Fund Revenues for FY 2022-23, and how will they be applied throughout the City?

Response:

All transportation programming is projected to be fully funded for FY 2022-23. Beach Cities Transit (BCT), as a recognized Municipal Transit Operator, receives its primary sources of funding from the Los Angeles County Metropolitan Transportation Authority (Metro) under the Countywide Formula Allocation Procedure (FAP) Transit Funds. Many elements of transit funding are voter-approved sales tax measures that provide stable sources of funding for transit activity. The use of Transit Funds and revenues are restricted to transit services and programs and are not eligible for non-transit related uses.

Due to the COVID-19 pandemic, the Federal Government approved the American Rescue Plan Act (ARPA) of 2021 which provided the Los Angeles County region \$1,464,954,367 of public transit formula operating and capital grants to prevent, prepare for, and respond to COVID-19. The ARPA authorizes the City to use these funds for reimbursement of BCT operating expenses, COVID-19 related costs, transit revenue losses, and transportation funding shortfalls. The ARPA transit funding allocations will continue to support FAP and farebox funding shortfalls in FY 2022-23.

Each year Metro approves the Countywide FAP Transit Funds for Municipal Transit Operators, and Proposition A/C, Measure R and Measure M Local Return Fund Allocations in June. Metro has projected a FAP funding increase of approximately 3.3% over FY 2021-22 Local Return revenue estimates based on economic forecasting data. BCT fare and bus pass revenues estimates are conservative, as the resumption of fare collection and BCT bus pass sales will begin later in FY 2022-23.

The City's FAP allocation is based on Metro's fare-unit formula that uses vehicle service miles and passenger revenues as factors to determine the proportionate share of revenue distributed to Municipal Transit Operators. Due to COVID-19, Municipal Transit Operators in the region suspended fare collection, so an average of FY 2019-20 and FY 2020-21 statistics will be used to determine the allocations for FY 2022-23.

Total available transit funds - inclusive of FAP revenues, Proposition A Local Return Funds and ARPA funds - are estimated to be approximately \$5,298,785 for FY 2022-23. The following is a summary of transit revenues for FY 2022-23:

Anticipated FY 2022-23 Transit Fund Revenues

Proposition A Fund Local Return Allocation Reserve Fund	\$ 860,674
Metro Transit FAP Funds Allocation FY 2022-23	\$ 3,126,817
ARPA Federal Transit Funds	<u>\$ 1,341,294</u>
Total Estimated Transit Fund Revenue	\$ 5,298,785

Transportation program expenditures include programming for BCT and WAVE service operations, transit center facilities operations, management and maintenance, transit marketing, transit security, bus pass sales and subsidy programs, senior and youth recreational trips, professional consultants, personnel costs, general transportation administration, and rideshare programming related to Rule 2202 compliance (SCAQMD regulation). In addition to the regular program costs, there will be increased costs related to the additional COVID-19 safety measures that have been implemented for public and operator safety, bus operations, transit operations facility and equipment cleaning. Additionally, Transit Fund expenditures will increase in FY 22-23 when the new transit center facility is operational due to new costs for building, landscaping and parking lot maintenance as well as increased utility usage.

Proposition A Fund Local Return funds require expenditure within three years of funding allocation. The City receives and spends approximately \$1.6 million Proposition A Fund Local Return funds per year; unexpended Proposition A Fund Local Return funds are placed in the Proposition A Special Revenue Fund for future allocation. The FY 2020-21 CAFR lists a fund balance of over \$2M. The City also receives funds from the South Coast Air Quality Management District (SCAQMD), the Federal Transit Administration (FTA), and California Department of Transportation (CALTrans) for capital and special project purchases.

Budget Response Report #7

June 7, 2022

Question:

The Proposed Budget includes a Decision Package recommending funding for the restoration of facility hours at the North Branch and Main libraries. What would the North Branch Library hours of operation be if the Decision Package is approved?

Response:

In FY 2020-21, due to COVID-19, facility hours at the North Branch Library were reduced by 8 hours per week, and at the Main Library by 16 hours per week. The combined reduction in hours resulted in part-time savings of approximately \$170,000.

Prior to FY 2020-21, the North Branch was open to the public during the following hours:

Monday – Thursday	12:00 PM – 8:00 PM
Saturday	9:00 AM – 5:00 PM

Currently the North Branch is open to the public during the following hours:

Monday – Thursday	1:00 PM – 7:00 PM
Saturday	9:00 AM – 5:00 PM

If “Decision Package #5 – Restoration of Library Hours” is approved, the North Branch library will be open to the public during the following hours:

Monday – Thursday	11:00 AM – 7:00 PM
Saturday	9:00 AM – 5:00 PM

The realignment of operating hours from 12:00 PM – 8:00 PM to 11:00 AM – 7:00 PM is suggested to better serve patrons during times of peak demand. Restoring the 8-hour Monday through Thursday schedule at the North Branch Library costs approximately \$30,000 per year in additional part-time funds.

Budget Response Report #8

Question:

Which area library systems have gone fine free? How much annual revenue does the Redondo Beach Public Library typically collect from fines? Why do library systems choose to go fine free?

Response:

Within the last five years, library systems in the following cities and counties have gone fine free: Altadena, Burbank, County of Los Angeles, Glendale, Inglewood, Los Angeles, Monterey Park, Palmdale, Pasadena, Sierra Madre, Simi Valley, Thousand Oaks, and Ventura County.

Library systems in Azusa, Calabasas, Oxnard, and Pomona are considering going fine free in the upcoming fiscal year.

El Segundo Public Library, Palos Verdes Library District, and Santa Monica Public Library are currently fine free for juvenile materials. El Segundo and Santa Monica libraries are considering going fine free for all materials this year.

The Redondo Beach Public Library is budgeted to collect approximately \$12,000 in library fines for overdue materials this fiscal year comprised of approximately \$5,400 in late fines on adult materials and approximately \$6,600 on juvenile materials. Total revenue from library book fines represents 0.3% of the Library's overall budget.

Revenue from fines has decreased over the years due to reduced circulation of physical materials (and a corresponding increase in digital circulation), automatic renewal of items, and the closure of the library system during the COVID-19 pandemic.

Fine revenue since FY 2010-11 is as follows:

Fiscal Year	Amount
FY 2021-22 (to date)	\$5,328.73
FY 2020-21	\$2,751.27
FY 2019-20	\$20,954.06
FY 2018-19	\$41,023.31
FY 2017-18	\$45,484.84
FY 2016-17	\$51,648.48

FY 2015-16	\$59,438.35
FY 2014-15	\$66,106.46
FY 2013-14	\$77,608.60
FY 2012-13	\$79,032.76
FY 2011-12	\$86,163.16
FY 2010-11	\$96,021.83
TOTAL	\$631,561.85

If the Library were to forgive all previously issued fines (that remain uncollected), the lost revenue would total approximately \$170,000. Approximately 369 Redondo Beach Public Library active cardholders are currently blocked from using the Library due to owing fines of over \$10.00. The blocked cardholders represent 0.6% of total library system participants.

Library systems typically decide to go fine free because it is generally labor intensive to collect and reconcile fines and, from an equity standpoint, fines have been found to have a disproportionate impact on lower-income individuals, keeping them from fully engaging with libraries. It should be noted that fine-free library systems still bill for unreturned items, and a certain number of overdue items prevent a patron from checking out additional materials.

Budget Response Report #9

June 7, 2022

Questions:

How does the City's Information Technology Equipment Replacement Program work and what equipment is recommended for replacement in FY 2022-23, per Decision Package #25 - Information Technology Equipment Replacement?

Response:

The City's Information Technology Equipment Replacement Program was established in FY 2005-06 as a way to keep the City's technological infrastructure up to date and to minimize failures and workplace disruption due to unreliable, outdated or failing computer hardware and software. The City had experienced considerable disruption due to old technology from the time it started implementing non-mainframe-based solutions around 1993 up to 2006. The replacement program was funded to combat these disruptions and to proactively maintain a mission critical system. Since the program's implementation, the City has enjoyed a very robust and reliable technological infrastructure.

During each mid-year budget review, IT staff evaluate the equipment replacement schedule and add or remove equipment based on current needs and circumstances. IT staff may also extend or reduce the lifespan based on the condition of the equipment or pending changes in the technological cycle. For example, in FY 2007-08 instead of replacing 21 computer servers, the City funded the implementation of a virtual server infrastructure. At times, equipment is replaced for other reasons than simply reaching the end of its lifespan, such as technological advances or the inability of equipment to run current software.

The spreadsheet used to manage the IT Replacement Schedule was created by Financial Services staff and provided to the IT Department. The schedule is based on the estimated useful lives of the equipment across a 10-year rolling period. The replacement value is calculated using a 3.5% compounded rate against the purchase price of the equipment, software and services for the respective number of life span years assigned. Examples are provided in the below table:

Equipment	Purchase Price	Life Span Years	Replacement Value Full Life (3.5% compounded rate)	Annual Rental
Network Edge Equipment	\$600,000	7	\$971,217	\$138,745
Network Core Routers	\$100,000	7	\$161,869	\$23,124

Each fiscal year, an IT Internal Service Annual Rental charge is assessed to each department for the eventual replacement of technological equipment. These charges are independent of the IT Internal Service Fund charges for personnel and maintenance and operations. The number of departmental computers, computer-related equipment, telephones, and telecom-related items is used to allocate equipment that cannot be identified directly to a department. The total yearly charge (beginning in FY 2006-07) has ranged from approximately \$420,000 to \$736,000 depending on the equipment included in the replacement schedule each year. The charge has declined over time as we move from capital equipment expenses to subscription-based services. The table below contains past departmental annual rental charges:

Fiscal Year	Amount
FY 2022-23	\$496,711
FY 2021-22	\$512,969
FY 2020-21	\$0
FY 2019-20	\$477,706
FY 2018-19	\$462,563
FY 2017-18	\$462,508
FY 2016-17	\$441,795
FY 2015-16	\$488,259
FY 2014-15	\$495,432
FY 2013-14	\$477,234
FY 2012-13	\$494,909
FY 2011-12	\$617,354
FY 2010-11	\$588,166
FY 2009-10	\$636,403
FY 2008-09	\$736,905
FY 2007-08	\$736,905
FY 2006-07	\$420,200

For FY 2020-21, due to budget restrictions, staff extended the life of equipment by one year and suspended the departmental rental charges. This extended the lifespan and replacement cycle of all equipment by one year and saved the General Fund \$454,748 and other funds \$95,158. The end result was a revenue reduction to the Information Technology Fund of \$548,906, representing approximately a 19% reduction in the IT budget.

FY 2022-23 Equipment Replacement:

Each fiscal year, a budget Decision Package is recommended for Council consideration to allocate funds from the IT Replacement Fund to the IT Internal Service Fund for equipment scheduled for replacement. Equipment is only recommended for replacement when it is fully funded - the funds to pay for the FY 2022-23 IT replacement program are currently fully accrued in the IT Replacement Fund.

The amount requested to be allocated each fiscal year depends on which equipment is scheduled to be replaced. It can be more or less than the annual departmental rental charge. Previous years allocations approved by City Council from the IT Equipment Replacement Fund to the IT Internal Service Fund are as follows:

Fiscal Year	Amount
FY 2022-23 (Proposed)	\$211,245
FY 2021-22	\$432,695
FY 2020-21	\$1,133,086
FY 2019-20	\$234,385
FY 2018-19	\$427,712
FY 2017-18	\$105,710
FY 2016-17	\$543,700
FY 2015-16	\$246,533
FY 2014-15	\$220,471
FY 2013-14	\$985,291
FY 2012-13	\$550,298
FY 2011-12	\$327,000
FY 2010-11	\$136,743
FY 2009-10	\$201,875
FY 2008-09	\$436,452
FY 2007-08	\$1,101,301
FY 2006-07	\$441,600

Following are some examples of enterprise wide mission critical systems that have benefitted from the replacement program:

- Data Network Infrastructure - (2006, 2013, 2021)
- Telecommunications System – (2006, 2012, 2021)
- Public Safety Computer Aided Dispatch and Records Management Systems (2005, 2010, 2015)
- Network perimeter firewalls – (2010, 2016)
- Network Equipment Battery Backup – (2011, 2015, 2019)
- High speed document imaging scanners – (2010, 2014, 2016, 2019)

An appropriation from the IT Equipment Replacement Fund (fully funded for FY 2022-23) to the Information Technology Internal Service Fund (Decision Package #25) is necessary to implement the FY 2022-23 IT replacement program.

In FY 2020-21, in light of the City's financial situation, staff recommended that only City network equipment be replaced as it had reached end-of-life and was showing some signs of instability (noisy fans, failures, unexpected behavior, etc.). All other equipment scheduled for replacement was deferred to FY 2021-22 and as such those funds remained in the IT Equipment Replacement Fund.

Below is a listing of technological equipment scheduled for replacement in FY 2022-23 and the estimated costs that make up the requested \$211,245:

CITY OF REDONDO BEACH Budget Response Report #10

June 7, 2022

Question:

What is the cost for adding shade structures over existing park play equipment similar to what was constructed at Perry Park?

Response:

The existing shade umbrellas used at Perry Park, as shown below, are attached elements of the play structures. Due to structural safety and liability concerns it is not practical to install this type of shade structure on existing play equipment at other parks post construction.

Perry Park Umbrella Shade Feature

The preferred method to increase shade over existing play equipment is to add separate freestanding structures. The two most common types of freestanding shade structures are canopy style and sail style, as pictured below.

The cost for canopy style structures ranges from \$7,000 to \$50,000, depending on the size and height of the structure. The most popular size, a 20' x 20' structure with an eight-foot entry height, costs roughly \$10,000. Installation costs, which includes concrete footings, support columns and associated hardware, vary significantly depending on the size of the play structure and the type of surface on which it sits. Installation costs range from \$15,000 to \$50,000. The cost to install a 20' x 20' structure is about \$18,000.

Canopy Style Shade Structure

Sail style structures are more expensive than canopy structures, with costs ranging from \$10,000 to \$75,000. The cost for a structure with 20-foot sides is about \$18,000. Installation costs are similar to that of canopy style structures.

Sail Style Shade Structure

The Public Works Department's annual operating budget does not include funding for the installation of shade structures at existing play equipment facilities. If the City Council would like to install additional shade structures, it is recommended that the park sites be identified and specific project funding be appropriated as part of the Capital Improvement Program.

Question:

What is the cost to purchase and install radar feedback signs that collect vehicle speed data?

Response:

The Public Works Department has deployed a number of static radar feedback (RFB) signs and is in the process of obtaining more to improve driver awareness, calm traffic, and reduce vehicle speeds. These “static” RFB signs are in addition to the portable signs mounted on trailers used by the Police Department.

In the current Public Works inventory, the RFB signs provide an instantaneous display of the speed of an approaching vehicle but do not track or retain data. Newer sign technology can support remote monitoring and data collection from the RFB signs, including a cloud-based data mining and reporting platform. These RFB signs communicate via on-going cellular service, which is bundled upfront as part of the purchase. Solar powered options also exist to simplify placement compatibility.

The price for the sign (hardware), software and cellular subscriptions, with a 10-year maintenance term has a one-time cost of approximately \$7,500 per sign unit. Most locations utilize two RFB signs, with one pointed in each travel direction. The installations have been performed by City crews, but could be contracted out in the future to avoid impacts on staff resources. Installation costs vary depending on whether an existing pole can be used for mounting or a separate pole must be purchased and installed at the desired location. Cost for installation and materials is estimated below for four scenarios, based on current market pricing.

Existing Pole Installation / Contractor

RFB Sign	\$7,500
Labor	\$1,000

Total	\$8,500

New Pole Installation / Contractor

RFB Sign	\$7,500

Total	\$14,000

Existing Pole Installation / City Crews

RFB Sign	\$7,500

Question:

What would be the cost to install a dog run in Czuleger Park?

Response:

Most areas of Czuleger Park are not suitable for a dog run because the terrain is too sloped and do not allow for ADA compliance. However, there is a suitable flat area in the northwest corner of the park, outlined in red below.

This area is ADA accessible, as it is serviced by the elevator in the Plaza Parking Structure. It is also the furthest location from residences which would ease potential noise concern. A dog run of approximately 3,600 square feet could be created in this area.

The costs would be as follows:

Install perimeter fencing:	\$22,000
Install gate and holding area:	\$1,000
Install dog waste bag dispensers:	\$75
Install wood chips:	\$750
Install signage:	\$500
General site improvements:	\$5,000
Irrigation system modifications:	\$2,000
15% contingency	\$4,700
Total	\$36,025

It should be noted that the dog run would also create on-going costs for maintenance and operation. The Public Works Department estimates an annual cost of roughly \$15,000 for trash and waste removal, restocking waste bags, replacing wood chips and other necessary maintenance.

The creation of similar dog runs in other parks throughout town have been popular and widely used by members of the community without greenspace to safely run their dogs in or around residences.

Question:

What special events were designated as “Signature Events” and received City subsidy prior to the COVID related budget reductions in Fiscal Year 2020-21? What is the City’s special event review and approval process? What are special event organizers charged for City expenses?

Response:

Prior to FY 2020-21, special events occurring on public property fell into one of three categories: (1) Signature Events, (2) City-Initiated Events; and (3) Other Special Events. While these three categories are collectively referred to as “Special Events,” there are important distinctions between the three categories as noted below.

Signature Events – Prior to FY 2020-21, there were six designated Signature Events that received City funding and/or staff support. The list of Signature Events and the degree of support was reviewed annually by the City Council as part of the budget process. In addition to subsidizing staff costs in identified annual amounts, the City waived rental, permit, and parking fees for these events.

Prior to FY 2020-21, the following event subsidies were in place:

Signature Events	General Fund	Tidelands	Uplands
Super Bowl 10K Run/Walk	\$20,000	\$ -	\$ -
Lobster Festival	\$ 5,500	-	-
Springfest Carnival	\$ 8,190	-	-
Riviera Village Summer Festival	\$ 2,500	-	-
Riviera Village Holiday Stroll	\$ 2,500	-	-
4 th of July City Fireworks*	\$ -	4,200	16,800

*The City’s annual Fireworks event used to be hosted by a contract partner that collected all event fees and covered all costs beyond the identified subsidy. The City’s subsidy was offset by retained parking fees.

It should be noted that there were two additional special events, not designated as “Signature”, that received a cost waiver from the City, the King Harbor Sea Fair (\$2,000) and the King Harbor Boat Parade (\$2,000).

As a budget savings measure in FY 2020-21, the City eliminated signature event subsidies and required all event sponsors to fully cover event costs. As a result of this

policy change and due to COVID related group gathering restrictions and a lack of anticipated participation, several special events did not occur in FY's 2020-22 including three historic signature events; the Riviera Village Summer Festival, the Lobster Festival, and the Springfest Carnival.

Other Special Events – All other special events are subject to the City's review policy for special events as outlined below. These special events are required to pay all requisite fees and to cover any resulting costs to the City. On an annual basis, the Community Services Department prepares an event calendar which lists these special events with dates and locations to be published on the City's website. Some of these events were not held in FY 2021-22, including the South Bay Greek Festival and the St. Patrick's Day 5k Run.

City-Initiated Events – Additionally, there are a limited number of City-Initiated events which are sponsored and funded through City department budgets as part of their regular work program including the Community Open House, Volunteer Appreciation, Egg Hunt, and the Senior Health Fair. These events are largely self-contained and do not create impacts causing concern to residents or businesses and are funded through annual department operating budgets.

Special Event Review/Approval Process – The Community Services Department receives special event applications and coordinates the interdepartmental review of all special events. The process flows as follows:

1. Upon receipt of the completed application, Community Services staff will distribute an electronic copy of the completed Special Event Application to the Special Events Review Committee comprised of the following individuals:
 - a. Traffic Engineer
 - b. Police Chief or designee
 - c. Fire Chief or designee
 - d. Public Works Director or designee
 - e. RCS Director or designee
 - f. Risk Manager
 - g. Waterfront & Economic Development Director or designee
 - h. Community Development Director or designee
2. Requirements and cost estimates concerning the special event application are collected via e-mail. In the event of significant concerns, a meeting of the above individuals is scheduled to review the application. In some cases, there is a pre-meeting of the Special Events Review Committee prior to the meeting held with the event promoter.
3. The event plan is modified/finalized based on direction from the Review Committee and the event is then executed with the identified supporting City resources.

4. Following the event, each impacted City department submits final charges for event support. Charges vary based on the size and scope of the event and typically include Public Safety staffing, Public Works support, Traffic Control Plan and Building Safety Inspections, and associated permit fees.

City Charges for Special Events – Invoices for each of the past year's events have been included as attachments to the BRR to illustrate typical City event charges. The attached invoices include the following special events:

- July 4 5K Run/Walk
- 4th of July Fireworks & Festival for a Fun 21
- Beach Life Festival – September
- LA Kings 5K/Walk
- Halloween Trick or Treat Stroll
- Riviera Village Holiday Stroll

CITY OF REDONDO BEACH

Budget Response Report #14

June 7, 2022

Question:

What is the Fire Department doing to address training needs?

Response:

The recent assessment of the Fire Department identified inconsistent training as one of the principal concerns of Redondo Beach Firefighters. Inconsistent training is defined by the organization as the varied delivery and practice of the core firefighter skills used by members during emergency response. The Fire Department has developed an ambitious multifaceted approach to resolve this concern. These strategies include developing a comprehensive Training Matrix (see attached), assigning a Fire Division Chief to training as their principal responsibility, and hiring subject matter experts to deliver curriculum to all personnel. Decision Package #'s 18 and 53 support resolving these inconsistencies and providing top level training for all members of the department.

COMPREHENSIVE TRAINING MATRIX

Historically the Fire Department has relied on quarterly training exercises to maintain competency. This system has not grown as the demands for Fire Department services have expanded. This has resulted in inconsistencies between shifts as members work on different skills in varying ways. This variance is a challenge for employees as they work with different supervisors. This spring, the Fire Department assigned personnel to develop a Training Matrix in response to this identified weakness. Three months of staff work were committed to developing a comprehensive plan to satisfy the following benchmarks:

- Capture the Fire Department core competencies
- Provide a unified, systematic skill delivery that develops similar emergency operations
- Create a simple and easy to use plan
- Implement a training cycle that is coordinated with other regional Fire Departments
- Provide a paperless system that documents all members completing training
- Obtain buy-in and contribution from all members
- Develop skills that could be delivered by different members of the organization with similar results

The Training Matrix is currently being beta tested with several modules. The complete application of the plan is anticipated by the start of FY 2022-23. The Training Matrix covers a two-year cycle to capture all of the required Fire Department core competencies. Appendix A is a copy of the Redondo Beach Training Matrix with Quick Response (QR) code access. Each month introduces operational competencies with related skills sheets and reference material for review. Over 240 hours of training are captured in the Training

Matrix with an additional 36 hours of emergency medical continuing education. The primary focus of all training is the hands-on application of identified critical job performance competencies. The Training Matrix also incorporates a digital library with videos developed by the Redondo Beach Fire Department that highlight operational best practices.

TRAINING DIVISION CHIEF

Inconsistent training was also the product of different Fire Division Chiefs and Captains taking on the responsibility of training oversight. This process invariably created widely diverse practices and frustration among team members. In June, an acting Division Chief position was assigned training as their primary area of responsibility. This Fire Division Chief is charged with implementing the Training Matrix, standardizing the department practices, and updating the methods used to document training. As part of the executive staff the Division Chief position has the influence and organizational oversight to completely overhaul the department training process. The Training Division Chief also has the ability to impact change at the highest levels of the organization. The Fire Department training records also require a significant overhaul. Since the Fire Department lost the Training Officer position in 2008, training files have been irregularly updated and completed. Direction from the Training Fire Division Chief, with support from administrative staff, will confirm that training is delivered effectively and then properly documented.

SUBJECT MATTER EXPERTS AND TRAINING RESOURCES

The Redondo Beach Fire Department is an “all-risk” response agency, meaning that the agency is accountable for any emergency that our community may face. Emergency response competencies that are high-risk but low frequency require expertise found outside of the agency. Examples of these types of responses include hazardous materials, wildfires, technical rescues, and automobile extrications. Decision Package # 53 supports the hiring of experts from across the country to teach our Firefighters the best practices to mitigate high-risk emergencies. Using outside instructors also allows the Fire Department to have the same material delivered by experts to all of our Firefighters, reducing inconsistencies. An example of this type of specialized high-risk training is our Hazardous Materials IQ course presented by the experts from Federal Resource. These instructors work for the Miami-Dade Fire Department and travel across the country to teach Redondo Beach Firefighters. They have developed a system and curriculum that allows our Firefighters to rapidly identify the risks associated with any hazardous material spill and, if we can, rescue exposed victims.

A second component to improve training consistency is having the training resources to support hands-on practice. DP # 18 supports the Fire Department hiring outside experts and purchasing the props to support that training. Currently one of our high-risk Fire Department operations is ventilation, where our Ladder Truck Firefighters make access to the roof of a building to release the smoke from inside the structure. This operation allows firefighters inside of the structure to locate victims and determine where the fire is burning. This skill requires constant practice to safely and effectively master. Currently our firefighters travel to Manhattan Beach or the El Camino Fire Academy to use their ventilation training prop.

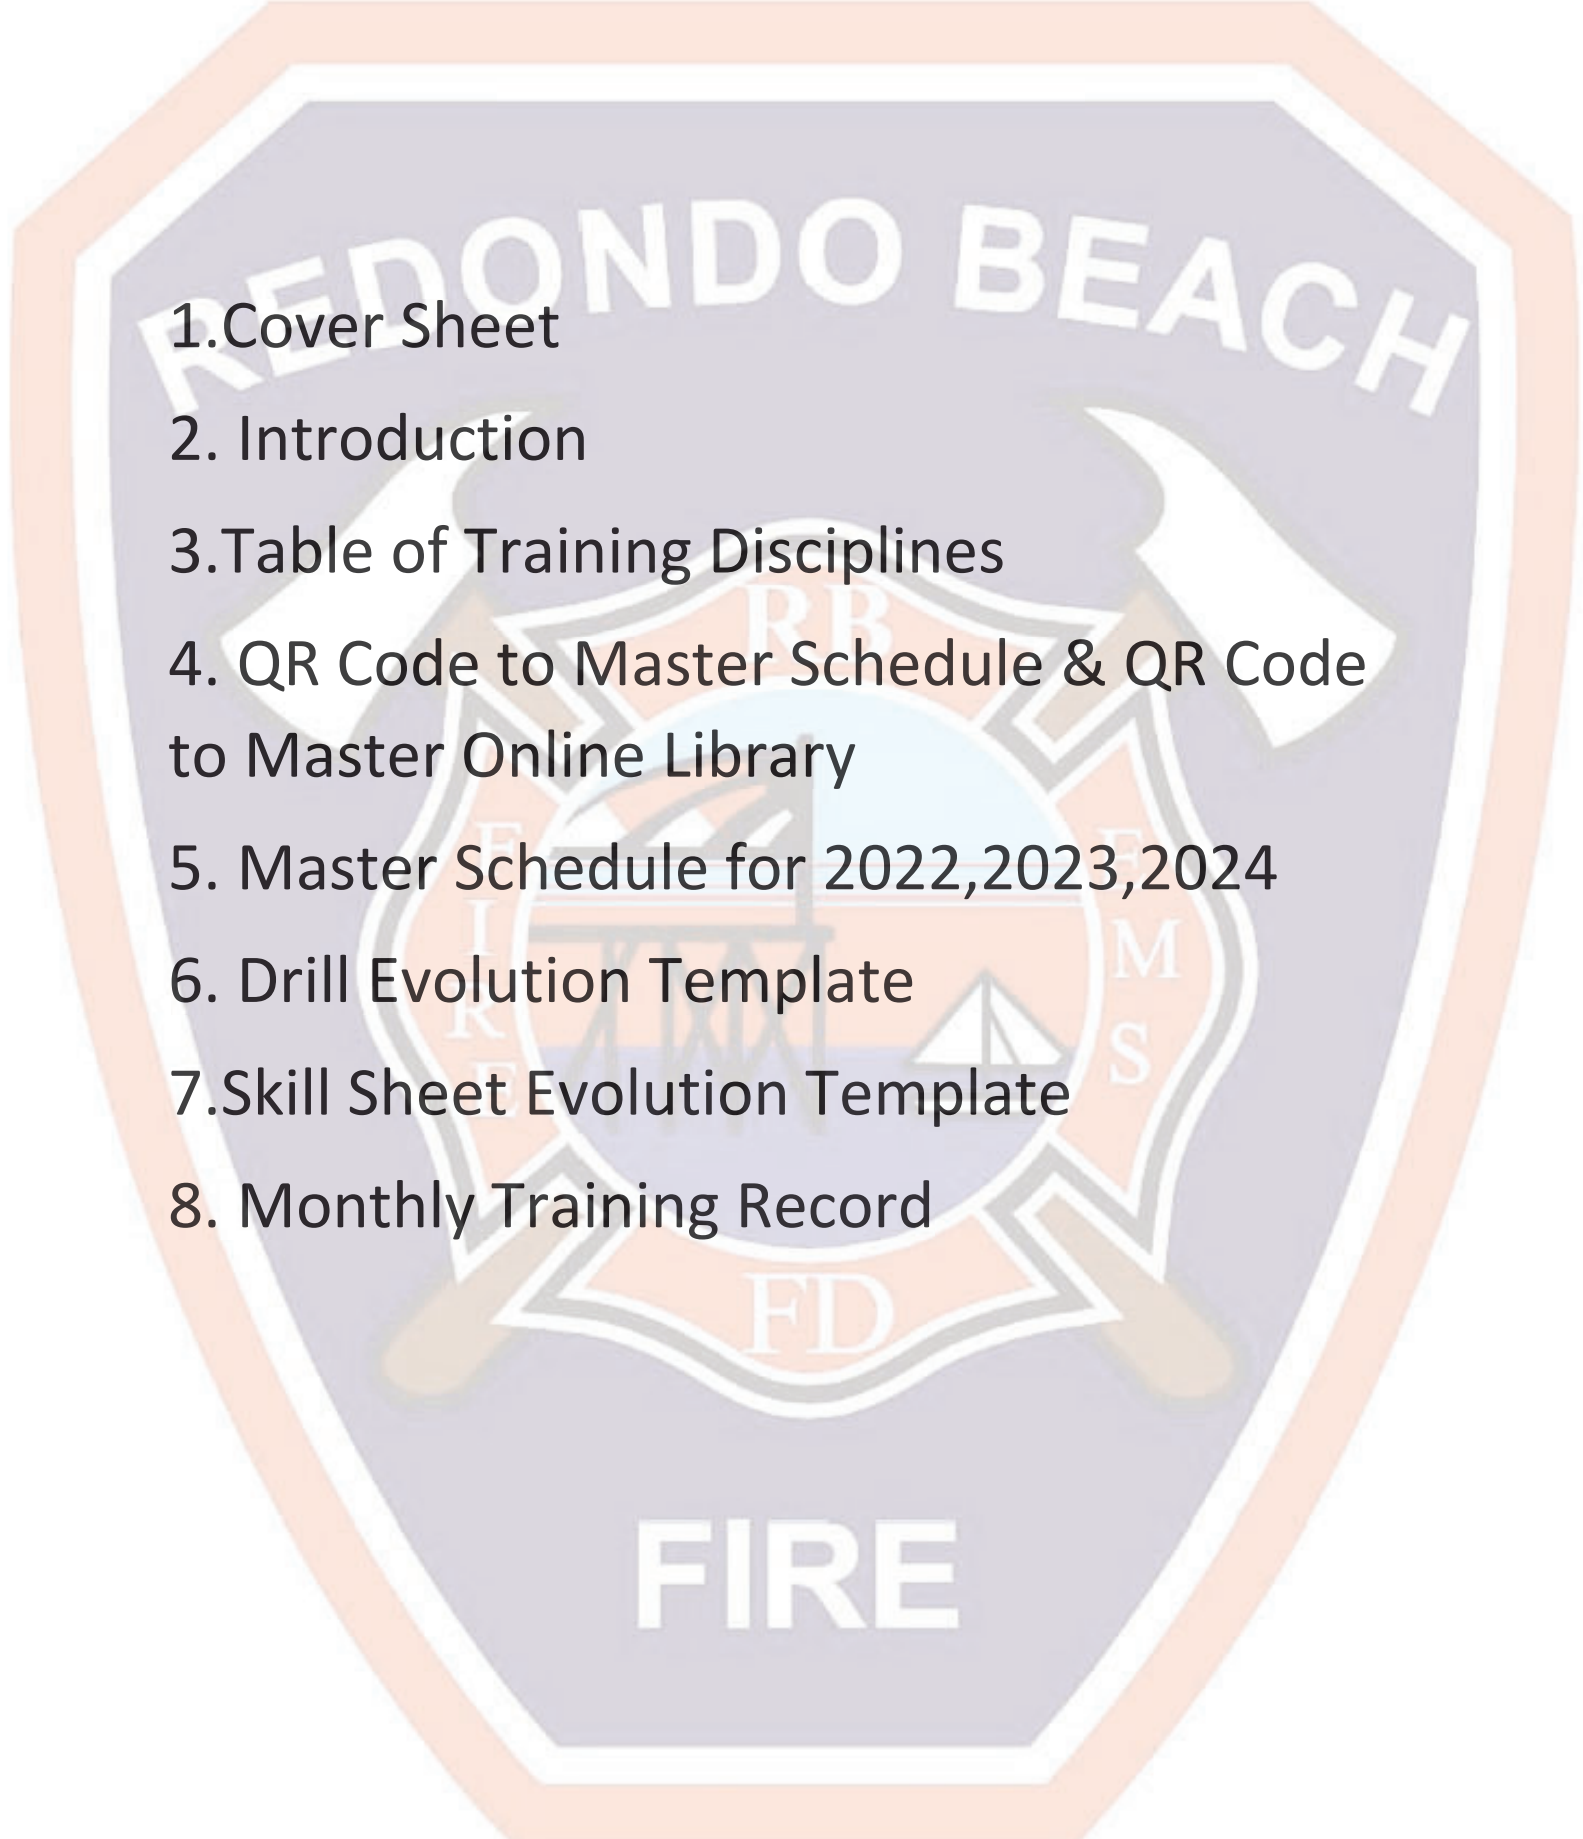

This limits their access to practice and developing ventilation skills is a challenge due to the infrequent exposure. DP # 18 supports the Fire Department building a ventilation training prop in Redondo Beach. This will allow firefighters to frequently practice a skill that can make a critical difference in rescuing victims in a fire.

Introduction

The Redondo Beach Fire Department is striving to increase the competency during emergency response while simultaneously increasing the safety of personnel. We are also always seeking to improve our customer service for the citizens, business partners, and visitors of Redondo Beach. As such, a thorough training program is being built to ensure standardized, consistent training for all members of the fire department. The purpose of this document is to provide systematic training to improve the efficiency and reliability of emergency response.

This training document will provide The Redondo Beach Fire Department with a detailed, multi-year training plan. This training plan is developed to create a safe, positive, and effective training environment. The training topics will enable all personnel to build upon foundational skills and to learn new and innovative firefighting concepts and techniques. The structure and content of this plan strives to provide the agency with a clear and concise training guide. Utilizing this guide will provide weekly, monthly, quarterly and annual training topics. The goal will be to follow this guide to meet the needed training topics set forth in this plan. Flexibility and revision will be expected as new training opportunities and agency and community needs arise or new events develop.

Personnel will be encouraged to promote personal training accountability, innovative thinking, and teamwork during all training activities. Reviewing training topics and skills prior to the training drills can also improve the training efficiency. It is imperative to create a new culture and mindset when it comes to training. Those cultural changes should include:

- providing training topics in advance
- providing resources to prepare personnel prior to topics
- encouraging positive dialogue, accepting that errors occur, and learning from them as an agency

Each discipline will be covered systematically throughout the training year. Topics will be loaded into the training matrix, so all crews can follow a consistent training schedule. The material covered will be developed by the captain assigned to that particular discipline. Station captains will ensure all training is provided to their respected shifts each month. Skill sheets, reference material, and video links will be uploaded as they are developed. This information will help personnel review material prior to training. Training records will be logged throughout the month to ensure proper record keeping and accountability.

CITY OF REDONDO BEACH Budget Response Report #15

June 7, 2022

Question:

What would it cost to repave Avenue I between Catalina Avenue and Elena Avenue?

Response:

The 2020 Pavement Management System Report (2020 Report) included a survey and evaluation of the pavement along the stretch of Avenue I between Catalina Avenue and S. Elena Avenue and provided a Pavement Condition Index (PCI) for the street segment of 52. This portion of Avenue I is approximately 55,590 square feet, which is equivalent to 6,177 square yards. PCI scores in this range are typically not good candidates for slurry seal treatment and require more intensive rehabilitation methods.

The recommended treatment for blocks with a PCI of 52 is typically a mill and thick overlay. The estimated unit cost for this treatment in the 2020 Report is set at \$50 per square yard.

Avenue I – Catalina Avenue to S. Elena Avenue Construction Costs

Total square yardage of asphalt:	6,177/SY
Unit cost for grind and thin overlay:	\$ 50/SY
Cost for Rehabilitating Pavement:	\$ 308,850

The above cost is only for paving rehabilitation and should not be used for budgeting without accounting for the additional work done by the City when these projects go to construction. There are additional costs to prepare design documents, repair concrete curb, gutter and ADA curb ramps as required, add back striping, replace traffic signal loops that are damaged in the milling process, and provide construction management and inspection services. For budgeting purposes, this number should be escalated by 25-30% to account for the other elements involved in completing the work. As such, the total cost to repave Ave I between Catalina and Elena Avenues is estimated to be \$400,000.

Budget Response Report #16

Question:

What is the cost to enhance the crosswalks at S. Catalina Avenue and S. Elena Avenue?

Response:

The intersection of S. Catalina Avenue and S. Elena Avenue is a three-legged intersection with all-way stop controls and upgraded solar powered flashing LED stop signs. Recently, as part of the crosswalk enhancements at the intersection, a curb bulbout was added to the west side of S. Catalina Ave to focus pedestrian crossing at this location and to add visibility to pedestrians emerging from the sidewalk. In addition, high visibility continental-style crosswalks were added to the north and east legs.

As the crosswalks are already enhanced with flashing all-way stop controls, a bulbout, and high visibility crosswalk markings there are limited options for further enhancement due to regulations in the California Manual on Uniform Traffic Control Devices (CA-MUTCD) outlined in Section 4N.02 In-Roadway Warning Lights at Crosswalks. The Section states, "If used, In-Roadway Warning Lights at crosswalks shall be installed only at crosswalks with applicable warning signs. They shall not be used at crosswalks controlled by YIELD signs, STOP signs, or traffic signals."

One remaining option is the installation of raised pavement reflective markers in the crosswalk that would increase visibility for oncoming motorists, especially at night. The cost to add raised pavement markers is approximately \$500 for this intersection.

Question:

What is the cost to enhance the crosswalks at Grant Avenue and Aviation Blvd.?

Response:

The intersection of Grant Avenue and Aviation Blvd is an offset four-legged intersection (Grant Ave is opposite Ormond Lane) that is controlled by a traffic signal, with pedestrian heads at each corner. As such, there are limited options for enhancing the crosswalks with more electronic devices (e.g. beacons or rapid flashers) due to regulations in the California Manual on Uniform Traffic Control Devices (CA-MUTCD), as outlined in Section 4N.02 In-Roadway Warning Lights at Crosswalks. The Section states, "If used, In-Roadway Warning Lights at crosswalks shall be installed only at crosswalks with applicable warning signs. They shall not be used at crosswalks controlled by YIELD signs, STOP signs, or traffic signals."

The remaining enhancement options at this intersection include upgrading the current standard crosswalks to high visibility continental style crosswalks and installing a Turning Vehicles Yield to Pedestrians (R10-15) sign to remind drivers who are making turns to yield to pedestrians. The cost to complete these enhancements is approximately \$3,500.

Question:

What do other cities charge merchants for use of outdoor dining parklets in the public right of way? How much parking meter revenue is lost per parking space and what expenses are involved in constructing a dining deck?

Response:

Staff contacted neighboring/comparable cities that have installed dining decks in public rights of way and found a wide variation of assigned fees and charges.

Neighboring Cities (alphabetical)

El Segundo – does not currently charge rent for dining decks or for the segment of Richmond Street that has been closed to traffic and used for outdoor dining.

Gardena – No rental fees on record.

Hawthorne – No rental fee on record. Application fees suspended through 06/30/2022.

Hermosa Beach - \$1.50 per square foot of area utilized.

Lawndale – No rental fees on record.

Manhattan Beach - \$3.00 per square foot. The fee is currently suspended to assist restaurants in recovering from pandemic impacts.

Other Comparable Cities (alphabetical)

Beverly Hills – Fees suspended through 12/31/2022, with fees varying from \$2.50 to \$5.00 per square foot for parklet dining under consideration by the OpenBH Conversion Code and Fee Structure Subcommittee.

Culver City - \$1.08 per square foot, plus a ROW Restoration Assessment, a Sewer Assessment, and an Application Fee.

Pasadena – Fees Suspended through 06/30/2022. Rates vary from \$0.51-\$1.34 per square foot and include an additional per spot parking recovery fee.

San Clemente - \$4.00 per square foot for public property, \$1.00 per square foot for private property.

Santa Barbara – Fees suspended through 07/01/2022.

Parking Meter Revenue

The rate charged for parking meters in Riviera Village is \$1.50 per hour. Meters are enforced from 6:00 am to 9:00 pm, making potential revenue per meter \$22.50 per day and \$8,212.50 per year.

However, several factors impact parking meter revenue, such as permit holders parking in metered spaces and spaces not being occupied. During the 2019 calendar year, when parking meter rates were the same, the City was not yet impacted by COVID-19 and there were no dining decks, the average revenue per meter in Riviera Village was \$3,527 per year, which equates to \$294 per month.

Dining decks vary in size and number of occupied metered parking spots. If we estimate that the average dining deck occupies three metered parking spaces, the City has accepted the loss of approximately \$882 in metered parking revenue per month for each dining deck. The average full parking space is 180 square feet, and three spaces total 540 square feet. As a comparison, if the City collects \$2 per square foot, per month for each dining deck, and the dining decks on average occupy three full parking spaces, the City would receive \$1,080 in monthly revenue.

Cost to Construct

The estimated cost to construct a permanent dining deck with K-rail traffic protection is approximately \$110 per square foot, including design, materials and installation. A deck of typical size (18' x 30') costs roughly \$59,400.

These estimates are based on previous installation costs and have been adjusted for the increased cost of construction over the past two years.

Question:

What funding options are available to support the repaving of Grant Avenue?

Response:

Grant Avenue spans 1.25 miles from Inglewood Avenue on the east and Aviation Blvd. on the west. During the pavement study conducted by NCE in 2020 the estimated cost of repaving Grant Avenue was \$2,617,000. Given increased construction and material costs, and the additive costs for necessary sidewalk concrete repairs, design services and other soft costs, it is reasonable to assume that the estimated cost has increased by 25%, pushing the estimated cost to repave Grant Ave. to approximately \$3,300,000.

Grant Avenue is not a bus route and therefore is not eligible for Prop C funding, a source that is typically used for the City's busier arterial streets. Potential funding sources include SB 1 State Gas Tax, Local Return Measure R, Local Return Measure M, and/or future General Fund Capital allocations.

It should be noted however, that there are specific ongoing/recurring street projects, including the City's annual Residential Rehabilitation Project, that traditionally occupy a significant portion of the local return funds and SB 1 State Gas Tax funds. Furthermore, there are specific street projects, such as Artesia Blvd. from Harper Ave. to Hawthorne Blvd., Aviation Blvd. from Artesia Blvd to Manhattan Beach Blvd, and Rindge Ln. that are programmed to be funded by local return funds over the next three fiscal years. These projects, if approved in future CIP budgets as currently scheduled in the five-year program, will utilize the majority of available local return funds over the next several years.

Repaving Grant Ave. could be added to the unfunded CIP list and/or programmed for local return funds and capital funds in out years of the CIP plan. The council could also make Grant Ave. a priority in the deferred maintenance street CIP and fund it through that project account as funds become available.

Question:

What is the cost to remodel the restrooms on the International Boardwalk near Quality Seafood?

Response:

In March 2020, the Public Works Department installed six new entrance doors and repainted the restrooms located near Quality Seafood. There are additional upgrades that could also be implemented. The estimated costs for these improvements are as follows:

Replace floor tile	\$30,000
Replace plumbing fixtures	\$60,000

A full reconstruction of the restroom can-not be accomplished at this location because the current restroom foot print and existing structural walls do not allow for the expansion of stall space needed to comply with ADA standards.

As an alternative, there may be an opportunity to place brand new ADA-compliant restrooms in a portion of the space formerly occupied by the Fun Factory. For planning purposes, new infill restrooms in this setting are estimated to cost approximately \$500

per square foot. Assuming four restrooms, averaging 80 square feet each, the estimated construction cost is calculated to be \$160,000. An additional 50% should be added to include design costs, contingencies, and construction management services required to effectively complete the project. Using these assumptions, the resulting budget estimate is approximately \$240,000 for the installation of four new restrooms in the vacant former Fun Factory space.

Question:

What is the cost to install raised crosswalks at four locations identified on Beryl Street and Diamond Street not currently included in the Capital Improvement Program?

Response:

Raised crosswalks can have the benefit of increasing visibility of pedestrians crossing a street and slowing traffic to accommodate the vertical displacement created by the raised portion of the roadway. Unlike midblock raised crosswalks that the City Council has considered in the past, raised crosswalks at intersections typically bring an entire intersection, not just the crosswalk, from street level to sidewalk level. The roadway rises somewhat abruptly at each leg of the intersection, inducing drivers to slow down to cross. Like raised midblock crosswalks, raised intersections also serve to reduce speeds and improve visibility of pedestrians. This forced slowing encourages motorists to yield to pedestrian crossers. Raised intersections also have the added benefit of being easier to navigate for emergency vehicles than crossing two raised crosswalks, one each at the entry point and departure point of the intersection.

The general cost to install a single raised intersection varies depending on the size of the intersection, the material used, and potential modifications to the existing infrastructure. The cost to install raised crosswalks along Beryl Street, at North Lucia Avenue and at North Maria Avenue, and along Diamond Street, at North Juanita Avenue and North Helberta Avenue, including design and construction, is estimated to be roughly \$547,000, (or \$137,000 per intersection). These intersections would require reconstruction of existing curb ramps, additional curb drains, adjustments to existing infrastructure, and the relocation of at least one storm drain side-opening catch basin.

The following is a summary of the benefits and disadvantages of raised intersections:

Benefits – Raised intersections create a safer, slow-speed crossing and public space at minor intersections. Similar to speed cushions and other vertical speed control elements, they reinforce slow speeds and encourage motorists to yield to pedestrians at the crosswalk.

Disadvantages – General disadvantages associated with the construction of raised intersections include cost of design and construction, especially if large modifications to existing infrastructure, such as reconstruction of existing curb ramps, storm drains, and catch basins, are required. Additionally, the construction of curb raised intersections can involve the removal of on-street parking spaces to accommodate the design (approximately 1 to 2 spaces per corner depending on the location and design).

Question:

What is required to improve maintenance of the upper pond at Wilderness Park and to reconstruct the lower pond?

Response:

Maintenance of the Upper Pond

A program for regular and improved maintenance of the upper pond should include the following:

- Skimming the pond surface daily to remove twigs, trash and small debris
- Feeding the fish daily
- Back washing pond filters weekly
- Comprehensive cleaning once per year in the spring, which involves removing the fish to clean the sand and remove algae and other debris

It is estimated these tasks would require roughly 1,400 hours of staff time per year, which represents roughly 3/4ths of the annual work hours of a full-time Maintenance Worker 1. The cost for a part-time maintenance worker dedicated to this function would be approximately \$40,000 per year. Additionally, it is estimated that it would cost roughly \$2,000 annually for needed materials including fish food, algicides and skimming nets. For comparison, when staff previously contracted out maintenance of the upper pond it cost \$1,000 per month and provided for only one servicing per week.

Reconstruction of the Lower Pond

In 2019, staff prepared a BRR discussing the cost to renovate the lower pond. In it, the cost to install a shallow depth lined pond with water filtration was estimated at \$475,000. An expressed caveat was whether ADA accessibility would be required to this pond. This is an important issue that would require determination by an ADA compliance expert and an issue that could potentially subject the City to legal challenge.

The cost to install such an accessible path of travel could easily double the cost of the pond redevelopment. Escalation of pricing from 2019 to now, and the hyper volatility of the market in these last few months also lend themselves to uncertainty about the existing cost estimates. An initial budget estimate, inclusive of an ADA accessible path of travel to the lower pond could reasonably be estimated at \$1,000,000 and could vary by 20% to 30%. Maintenance costs for the pond's water system are likely to run between \$2,000

to \$2,500 per month initially, depending on the type of filtration system used (chlorine, biofiltration, etc.).

A new concern emerging this year is also whether development of this feature will be consistent with water restrictions likely to be imposed as the current drought worsens. In the past, water features were shut down due to water restrictions. The City's efforts to reduce water use elsewhere could be negated by the addition of a new water feature that will, over time, consume potable water.

Question:

What is the status of sworn police officer staffing in the Redondo Beach Police Department?

Response:

The current staffing status for the Redondo Beach Police Department's 95 budgeted sworn personnel, as of June 1, 2022, is shown on the following table.

Position	Authorized	Frozen	Filled	Vacant
Chief of Police	1	0	1	0
Police Captain	3	0	3	0
Police Lieutenant	6	0	6	0
Police Sergeant	14	0	14	0
Police Officer	71	0	65	6
Total	95	0	89	6

The Redondo Beach PD currently has eighty-nine filled positions which includes two trainees who are currently part of the field training program, one police officer recruit currently in the academy, and one police officer recruit beginning the academy in July.

Three additional candidates were given conditional offers pending the results of their medical and psychological examinations and would bring the sworn personnel number to ninety-two (92). In addition, three Officers are out on IOD status, three Officers are on extended leave due to personal injury with no estimated return date, and two Officers are out on extended family leave.

Recruitment has been a consistent challenge for the Law Enforcement profession nationwide and Redondo Beach PD is not exempt from these challenges. The Department is committed to developing new and innovative ways to recruit qualified candidates via social media, academy visits, billboards, mobile sign boards, and professional flyers. Additionally, the Department is hoping to further incentivize hiring through the approval of Decision Package # 52 - PD Referral and Recruitment Program. This program would increase recruitment for lateral candidates through sign-on and referral bonuses. Additionally, the Department intends to continue to market the City's many video vignettes, special programs, special assignment details, positive history of community engagement, and its contemporary social media platforms to attract candidates from across the country.

What are the estimated costs for the March 7, 2023 General Municipal Election?

Response:

On March 7, 2023, the City Clerk's Office will conduct the General Municipal Election for Councilmembers in District's Three and Five, the City Clerk, the City Treasurer and two members of the Redondo Beach Unified School District Board. Also included on the ballot, as of June 7, is the cannabis initiative (a 20-page ordinance, as written). It is also possible that additional measures will be included on the ballot as a result of recommendations from the Charter Review Advisory Committee. Additional measures could increase printing and postage costs depending on the volume and type.

Overall, the estimated cost for the election is \$353,725. Funding for the election is proposed as part of Decision Package # 21 and is comprised of the following:

Budget Response Report #25

June 7, 2022

Question:

What are the benefits and feasibility of a self-service program at the North Branch Library?

Response:

As part of the January 2022 Strategic Plan process, the Redondo Beach Library Commission submitted a letter asking the City Council to consider implementing the open+access system for the North Branch Library. An analysis of the benefits and feasibility of a library self-service program was then added as an Objective of the Strategic Plan.

Developed by the company Bibliotheca, open+access is a system that allows patrons access to a library building, as well as the building's collections, computers, and Wi-Fi, during hours when the building is unstaffed. The service hours at both the North Branch and the Main Library were reduced during FY 2020-21 due to fiscal impacts from COVID-19. The North Branch is currently open thirty-two hours per week (down from forty) while the Main Library is currently open forty hours per week (down from fifty-six). Due to its smaller size, the North Branch is a more feasible location for open+access than the Main Library.

The implementation of open+access at the North Branch Library would offer multiple benefits. Primarily, it would allow for an expansion of service hours without incurring the full costs of staffing. As an example, the Hill Road Library in Ventura County implemented open+access in February of 2018 which allowed the branch to open two hours earlier during weekdays and Saturday and allowed for additional services on Sundays. This particular branch has over 1,000 program patrons and has provided these additional hours of service at an estimated 60% reduced cost compared to normal staffed operations.

Cities across the state have received the California State Library "Bringing the Library to You: Mobile Library Solutions" grant to implement open+access within their facilities. Santa Monica and Torrance are both recipients of this particular grant. While Santa Monica launched its open+access program in July 2021, Torrance was able to use grant funds to prepare for self-service hours by installing security cameras and retrofitting facility doors for automatic lock/unlock capabilities.

The California State Library plans to offer "Bringing the Library to You" grants again in FY 2022-23. This grant could potentially cover up to \$5,000 of set-up fees as well as the first two years of subscription fees.

Bibliotheca provided a quote to Redondo Beach Public Library for the installation and ongoing subscription fees to implement open+access at the North Branch Library. One-time installation fees total \$6,198, while ongoing subscription fees total \$10,688 annually.

The automatic door facing the parking lot would require modification to allow for electronically controlled access. Modifications could include a piggyback off a current access control, a link into the door sensor, or a dry contact relay going into an electronic strike lock. If the door has to be replaced entirely it could cost up to \$40,000. There is an adjacent manual door as well as a manual door on the opposite end of the lobby, facing Artesia Boulevard. Although these doors would remain locked to prevent entry, patrons could exit from them.

Bibliotheca is unable to provide security cameras for the North Branch due to the complexity of the building. Representatives from the City's existing security camera vendor, VectorUSA, provided the City with estimated costs. First year costs for the nine recommended cameras, installation, and monitoring would total approximately \$20,023 and ongoing annual maintenance costs would be approximately \$304. This turnkey system would tie into the existing video management software managed by the City Police Department.

The total cost for year one of the project, assuming the maximum cost for door modifications required, is estimated at \$76,909, with no grant funds factored in. Going forward, open+access would require ongoing costs of approximately \$10,688 for subscription fees and \$304 in security camera costs. This is compared to restoring eight staffed hours per week to the North Branch at a cost of \$30,000 annually in part-time funds. Additional hours, past the proposed restoration of eight per week, would require an additional allocation of full-time personnel.

<i>Installation Expenditures</i>		<i>Ongoing Annual Expenditures</i>	
Installation fee	\$6,198	Subscription fee	\$10,688
Subscription fee	\$10,688	Security cameras	\$304
Door modification	\$40,000	Total	\$10,992
Security cameras	\$20,023		
Total	\$76,909

Subject: Consider the Self-Service Model open+access for the North Branch Library During the Strategic Planning Process

Dear Honorable Mayor and Councilmembers:

As part of the strategic plan, the Library Commission would like the City to explore the library self-service model open+access, which allows patrons access to a library building, as well as the building's collections, computers, and Wi-Fi, during unstaffed hours. Due to logistical considerations the Library Commission believes that the North Branch building is a more feasible location for this service than the Main Library. The up-front cost estimate of \$50,000 may be eligible for grants. Ongoing operating expenses for open+access would be approximately \$1000 per month; the Library Commission estimates that, given staffing costs, anything above ten extra hours of service a month would produce operating savings.

During the FY 2020/2021 budget process, the hours for the Library system were reduced due to budget cuts. These reduced hours not only underserve the public but also leave a valuable City resource greatly underutilized.

- The North Branch, which had been and continues to be closed on Fridays and Sundays, had its hours reduced by 8 hours per week, so that the building is only open from 1 p.m.- 7p.m. Monday through Thursday as opposed to the prior schedule of 12 p.m.- 8 p.m. (Saturday hours remain the same).
- The Main Library's open hours were reduced by 16 hours per week in the FY 2020/2021 budget, and it is not open on Sundays.

While open+access has been successfully used in Europe for over a decade, Ventura County Library System was one of the first systems in the United States to implement it. The Library Commission had

the opportunity to hear a presentation by Ventura County Library Director Nancy Schram at its August 2 meeting. Director Schram deployed the open+access system at the new Hill Road Library in February of 2018 with great success.

The Ventura County Library System has registered over 1,000 patrons for the service and has allowed:

- Two additional early morning hours during weekdays
- Full-day Sunday “Express Hours”

Use of Express Hours rose by 78% in the first few months of use. The morning hours are unstaffed while the closing Sunday hours are temporarily staffed by a security guard. Since open+access has been in operation, the Library has had no incidents nor revoked any user privileges. The Ventura County Library System has determined that using open+access technology has increased access to basic library services at 60% lower cost¹ compared to traditional costs for staffed operations, and is now looking to expand this service to other locations.

This past year, Santa Monica Public Library and Torrance Public Library, both of which suffered open hour reductions, took advantage of California State Library “Bringing the Library to You: Mobile Library Solutions” grants in order to implement open+access at branch locations. Santa Monica Public Library launched the service on July 28, 2021 at the Ocean Park Branch in order to offer access to the building Wednesdays and Fridays between 10 a.m. and 4 p.m. Torrance Public Library is in the process of implementing open+access at the El Retiro Branch in order to offer early morning access to users of the surrounding park. Members of the Library Commission will visit the El Retiro Branch once open+access is in place to gain a better understanding of the technology.

The Library Commission estimates the up-front cost for open+access will be less than \$50,000 based on comparable installations and may be eligible for grants. It will also require support from City staff to install (cameras, cabling, and door access panel). Ongoing operating expenses for open+access would be approximately \$1,000 per month for the subscription costs vs. approximately \$100 per hour to staff the North Branch. Anything above ten extra hours of service a month would produce operating savings.

Frequently Asked Questions

1. **How does it work?** Patrons 18 years or older in good standing will apply and complete required training to access the building during self-service hours. They will use a card and password to access the building. The North Branch already has self-service options for checking out materials and using the computers and Wi-Fi. Meeting room checkout could also be added.
2. **Will patrons steal? Is it safe?** No incidents have been observed in Ventura County and the technology includes high-definition video recording equipment which the patrons are informed of during their training.
3. **How much does it cost?** While requirements for each facility differ and grant funding may vary, the Library Commission has collected information from recent installations in the area. Torrance Public Library received \$5,000 in grant funds which they used for wiring the building, for the cameras, and for retrofitting the door for automatic lock/unlock. Bibliotheca equipment and the first two years of an annual subscription (\$9,000 per year) were also covered by the grant.

¹ open+access annual cost of \$11,100 equates to approximately \$17.79 per hour for 12 Express Hours per week, versus approximately \$43.95 hourly rate for salary and benefits for a Librarian position.

Through grant funding, Santa Monica Public Library received two years of a subscription to open+access (valued at around \$24,000), a one-time \$5,000 set-up fee, and the open+access system and cameras. The Santa Monica Public Library spent approximately \$30,000 in additional funds for labor and materials involved in modification of the facility, wiring for the library controller, wiring for the entry panel, the installation of components, a door locking mechanism and wiring, and wiring for the cameras.

4. **Who uses this service in Ventura County?** Parents with young children, older adults, working adults that need meeting space, and City employees.
5. **What about privacy of patrons?** Ventura County Library does not monitor the video feed. They keep it for 5 days in case an incident occurs. Access to the video feed is strictly limited to post-incident review.

In light of reduced hours reflecting current and anticipated future budget constraints, the Library Commission recommends that the City investigate the feasibility of implementing open+access at the North Branch as part of the strategic plan as a way to better serve the residents and optimize the City's resources.

Sincerely,

Andrew Beauchamp

Re: Extending Access and Advanced Analytics

Dear Mrs. Anderson,

Libraries today are faced with many unique challenges. We have conversations with libraries that are struggling to respond to the need for patrons to gain access to library materials during the Covid-19 pandemic. During our conversation this week, we learned of your preliminary goal for reopening Redondo Beach Public Library and that creating a safe way increase access to materials is a top priority.

More than ever, shift workers, students, senior citizens and vulnerable individuals all need Redondo Beach Public Library's resources. They need access to crucial library materials and services, and they need a self-service experience that allows them to safely socially distance and while accessing your resources. We don't know how long the current pandemic will last, but forward-thinking libraries like yours are taking action now so they can continue to stay relevant and accessible well into the future.

With the right partner, Redondo Beach Public Library can re-open its libraries with extended access technology that **increases access to your resources and keeps patrons safe during and after the Covid-19 crisis**. bibliotheca will support you in taking the next steps toward enhancing library services at a time when the community needs it most.

This proposal includes special pricing to assist Redondo Beach Public Library in re-opening its libraries. As the Covid-19 pandemic has shown us, libraries remain critical for their communities, and providing accessible and safe ways to access library materials is of utmost importance. Please contact me with any questions.

Sincerely,

Mason Humphrey
VP of Sales, West

Flexible extended access

Redondo Beach Public Library needs a solution that will allow you to comply with social distancing guidelines and embrace the need for increasing patron engagement and awareness by offering extended access to your resources. By moving quickly to deploy technology in safely re-opening your libraries, Redondo Beach Public Library will be making it safer for patrons to access materials and library services in a way they find most comfortable. In fact, 75% of patrons prefer self-service solutions, according to a recent study by [Pew Research Center](#). Staff members will also benefit from increased patron self-service, as they can focus on the needs of community, rather than spending precious time on transactional processes.

How can you **encourage patrons to return to Redondo Beach Public Library and reassure them that safe social distancing will be in place?** How can you use technology to control the number of people physically allowed in the building at one time to comply with social distancing guidelines?

Without a measured approach to allowing access, Redondo Beach Public Library risks becoming a virus hotspot.

Our proposal includes two different Open+ solutions that will allow patrons to enter the library during staffed and un-staffed hours to use your solutions and services or accurately track occupancy in the building/spaces.

Libraries around the world have offered Open+, our flexible extended access solution, to their libraries for years. bibliothecca's Open+ will support you in meeting Redondo Beach Public Library's goals:

- | Supports **social distancing compliancy**
- | **Extends access** to library resources during a time when more and more patrons will need it
- | **Increase library hours**, especially on Sundays and for branches with fewer open hours

We appreciate the opportunity to present our solutions and welcome any discussion about our proposal.

open+ controlled library access

With almost 1000 libraries relying on open+ globally, bibliotheca is the first library technology provider in North America to bring a truly integrated library-focused solution that allows for extended access to library spaces and resources.

open+ complements staffed library hours, creating a more **convenient and accessible community hub**. From extending access to an entire library or only a section of it, providing full self-service resources or mainly a holds pick-up area, open+ allows libraries the **flexibility to extend access** in the way that best meets the needs of their community and space. There is no one-size-fits-all approach with this technology.

An annual open+ **subscription is predictable** as there is no increase to price if you increase open hours. In addition, the open+ subscription includes ongoing software releases and support for the entire solution, and it's a hosted solution, so CPL doesn't have to worry about on-site server maintenance.

Helping libraries comply with new social distancing regulations

By using state-of-the-art technology, bibliotheca's Open+ solutions has been deployed at hundreds of libraries around to world to:

Control the physical access to the building: Using the Open+ Core access control panel, library staff can remotely and automatically lock the doors when the building has reached its maximum level of compliancy. This ensures continued support of social distancing within the library. It also eliminates the need for staff to personally attempt to restrict people from entering the library. Once a user leaves the library, freeing up capacity, the doors automatically unlock for new library users to enter. This delicate balance of ingress and egress is controlled by a central software system with flexible occupancy limits. open+ can be linked to our digital communication platform and other displays to inform users of current occupancy restrictions to entry.

Broadcast messages to all members: Open+ Core includes an integrated audio system that plays pre-recorded announcements triggered by customizable scenarios. Library staff can use these messages to let people know when the library is close to capacity and kindly ask those who have been in the library for an extended time to finish their visit and free up space for new visitors.

Gain real-time accurate people counts with Open+ Count: Using a flexible, 3D camera-based people-counting solution on select library entrances, Open+ Analytics quickly, accurately, and anonymously determines how many people are inside the building at one time. Paired with the occupancy software, live screens placed throughout the library display real-time occupancy counts. Color-coded warning levels provide a visual indicator of library capacity and warn users and staff when occupancy nears a non-compliance.

Executive Summary

VectorUSA has assessed the library and is recommending the following surveillance solution. Our proposed surveillance design includes 10 Hanwha cameras, 10 new Qognify Ocularis Enterprise licenses and SMA's for the library. The libraries new surveillance system will tie into the existing video management software managed by the city police department. New cable support hardware will be provided in the area above the hard lid ceiling.

Statement of Work

Overview

VectorUSA will provide a new surveillance system that will tie into the existing video management software for the City of Redondo Beach Police Department.

Cameras and Mounts

VectorUSA will provide and install a total of ten (10) new cameras. The camera models and types to be installed indoors are as follows:

- (1) Hanwha PNM-9000VD – 2x5MP Dual-Sensor w/ IR – (1) Surface Mount
- (2) Hanwha QND-6082R – 2MP Indoor Dome w/ IR – (2) Surface Mount
- (5) Hanwha QND-8080R – 5MP Indoor Dome w/ IR – (5) Surface Mount
- (1) Hanwha QNF-9010 – 12MP Fisheye Dome w/ IR – (1) Surface Mount
- (1) Hanwha QND-6012R – 2MP Indoor Dome fixed 2.8mm lens w/ IR – (1) Surface Mount

Camera locations are shown on the IPVIM drawings in the Appendix. Camera views will be configured by VectorUSA with the direction of the end user main point of contact.

Servers, Storage and Licensing

VectorUSA will provide ten (10) new Qognify Ocularis Enterprise camera licenses and SMA for the cameras added to the North Library. It is assumed the cameras will link back to the police department VMS system so they can have the view of the cameras. It is assumed the centralized storage will have room for the new cameras. The following shows the calculation for the retention needed for the new cameras:

Resolution	Compression	Frame Size*, KB	FPS	Days	Cameras	Recording %	Bandwidth, Mbit/s	Disk Space, GB	Bitrate,kbit/s	Comment
2560x1920 (5 MP)	H.264-15 (High Quality)	61	10	30	7	100	34.98	11333.5	4997	
1920x1080 (Full HD)	H.264-15 (High Quality)	26	10	30	3	100	6.39	2070.3	2130	
4000x3000 (12MP)	H.264-15 (High Quality)	149	10	30	1	100	12.21	3954.8	12206	

Total FPS	Disk space,GB	Bandwidth, Mbit/s
110	17358.6	53.58

If more storage is needed on the back end to accommodate these cameras, the adjustment to the project will be addressed via a written change order or through a separate proposal. VectorUSA will configure the camera views and the VMS software on the back end to set the required recording retention and settings for the library cameras.

The yearly Ocularis SMA license cost for the ten (10) cameras in this proposal is **\$304.30** (*Pending price fluctuations year to year*).

Switching

VectorUSA assumes the existing switches have enough PoE ports and can be used for the ten new cameras.

Power

It is assumed PoE power will be used to power the new cameras.

Connectivity

VectorUSA will provide and install new Category 6 plenum copper cable to connect to the new cameras. Cables will have a permanent link between the patch panel in the IT Closet and a surface mount box near the camera location. Patch cords will be installed on each side with one connecting to the camera from the surface mount box and one connecting to the existing switch from the patch panel.

Pathway

New cable support hardware will be provided in the area above the hard lid ceiling. VectorUSA assumes there is an access hatch to get above the ceiling to run the cable for the cameras. If there is no access, a new solution for pathway will need to be addressed via a written change order.

Deliverables

ADOPT BY TITLE ONLY RESOLUTION NO. CC-2206-034, A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF REDONDO BEACH, CALIFORNIA, ESTABLISHING CONTRACTOR'S CHARGES AND CORRESPONDING CITY FEES FOR RESIDENTIAL, MULTIFAMILY AND COMMERCIAL REFUSE COLLECTION FOR THE 2022-2023 FISCAL YEAR

PROCEDURES:

EXECUTIVE SUMMARY

On June 18, 2019 the City Council approved an amendment with Athens Services for the continuation of solid waste handling services for a term of nine years plus a two-year City option to extend. The amendment included a varied five-year rate adjustment of seven (7%) percent per year for residential and multifamily customers; fourteen (14%) percent for commercial customers; and the typical annual base rate adjustment per the contractual methodology, plus one (1%). FY 2022-23 will be the fourth year of the City Council approved five-year rate adjustment.

The base rate of the total trash fee is calculated using the year to year changes in published price indices for six industry cost components: labor, fuel, equipment, waste-to-energy, disposal, and "other" costs and the individual component's weighted portion of the rate. In April 2019, the City conducted a Proposition 218 protest balloting process that set the refuse rates for the 2019-20 Fiscal Year and established the methodology for rate modifications through the 2023-24 Fiscal Year. Currently, the base refuse rate for single family homes is \$20.62 per month for a total monthly cost of \$22.72 (City fees of \$2.10).

This year, the recommended increase to the base refuse rate for the 2022-2023 Fiscal Year according to the prescribed methodology is 5.4%. The 5.4% is reflective of increased costs across

the Consumer Price Index (CPI) and is particularly driven by the rising cost of fuel, experiencing a 102.23% year over year increase in the index. After including the prescheduled annual 1% increase in the contract to account for extraordinary changes in the solid waste industry and the varied five-year adjustments of 7% (single/multi-family) and 14% (commercial) described above, the total recommended increase for single/multi-family customer rates in FY 2022-23 is 13.4% and for commercial customers is 20.4%.

As a result, single family residential customers monthly charge would increase from \$22.72 to \$25.48; the most common multi-family unit monthly charge would increase from \$125.29 to \$139.72; and the most common commercial customer monthly charge would increase from \$168.55 to \$203.55. Even with these increases, Redondo Beach residents and businesses would experience some of the lowest solid waste collection rates in the region (see the attached survey).

Athens has continued to inform staff about pressures affecting diversion rates (e.g. foreign-policy changes eliminating outlets for materials recovered, uncertainty of the availability of diversion options like SERF, and COVID guidelines that forced material recovery facilities (MRFs) to utilize less staff and cease the hand-sorting of waste). However, despite these challenges, Athens Services met the contractual diversion requirement of seventy-five percent (75%) in calendar year 2021 as reported to the City in the 2021 Annual Report.

BACKGROUND

The Solid Waste Handling Services Franchise Agreement with Athens Services (Agreement) is the City's single largest contract and affects nearly every resident and business in the community. The City Council approved the original agreement in January 2011 and it became effective July 1, 2011. The City Council subsequently approved an amendment to the agreement on June 18, 2019 for an additional nine-year term plus an additional two-year City option.

In April 2019, the City conducted a Proposition 218 protest balloting process that set the refuse rates for the 2019-20 Fiscal Year and established the methodology for rate modifications through the 2023-24 Fiscal Year. The base rate of the total trash fee is calculated using the year to year changes in published price indices for six industry cost components: labor, fuel, equipment, waste-to-energy, disposal, and "other" costs and the individual component's weighted portion of the rate.

On June 18th, 2019 the City Council approved an amendment to the Agreement with Athens Services for a term of nine years plus a two-year City option to extend. The approved amendment includes a varied five-year rate adjustment of seven (7%) percent per year for residential and multifamily customers; fourteen (14%) percent for commercial customers; plus one (1%) percent; and the approved annual rate adjustment. After the five-year rate adjustment structure the subsequent year's rates would adjust based on the annual rate adjustment plus one percent. All other elements of the existing Agreement remained in place, including the City's seventy-five (75) percent diversion rate.

Organics Collection Route Change

There are no proposed changes to the contract. However, Athens Services, has requested that they adjust their existing commercial organics collection route to streamline the service and reduce vehicle travel time (letter attached). The proposal is to service commercial Redondo Beach organics routes and then, after a certified weight ticket is acquired, move into the City of Hermosa Beach to complete

commercial organic collection routes in that city. Staff recommends this proposed adjustment to the collection route as it will have no impact on services in Redondo Beach, will reduce vehicle traffic and will maintain required accurate reporting. Staff will monitor the implementation and the City can revert to the original segregated commercial organics collection route, at no cost to the City, if any issues arise. Residential organics services are not impacted in any way by this change in route.

Proposed Annual Refuse Rate Adjustment for the FY 2022-2023

On February 4, 2022 Athens Services, in accordance with the requirements established in the Agreement with the City, submitted an annual adjustment request to modify the base refuse rates for FY 2022-2023. The proposed average increase to Redondo Beach customers will be 13.4% for residential customers and 20.4% for commercial customers.

Staff has reviewed Athens Services' requested adjustment and determined that it was calculated according to the prescribed methodology approved in the agreement and subsequently ratified by the Proposition 218 balloting process conducted in 2019. Specifically, staff reviewed the proposed increase/decrease for each industry cost component in the approved formula to ensure it was adjusted as follows.

- The Labor Cost component was adjusted by the change in the highest-level rate for the "Driver A/B" Classification as published in the Agreement between local haulers and Package and General Utility Drivers Local Union 396, International, from January 2021 to January 2022. The year-over-year increase was determined to be **2.86%**.
- The Fuel Cost component was adjusted by the change in the average annual index for the twelve-month period of November 2019 through October 2020 compared to November 2020 through October 2021 for the PPI-Fuels and related power products and power, natural gas (WPU 0531). The year-over-year increase was **102.23%**.
- The Equipment Cost component was adjusted by the change in average annual index for the twelve-month period of November 2019 through October 2020 compared to November 2020 through October 2021 for the Producer Price Index (PPI) - Heavy duty truck manufacturing (PCU336120336120). The year-over-year increase was **0.87%**.
- The Waste-to-Energy Cost component was based on the actual change in the facility gate fees of \$100 per ton on January 1, 2021 compared to \$105 per ton commencing on January 1, 2022. The change in the cost of the gate fees is **5%**.
- The Disposal Cost component, which includes green waste and organics, was adjusted by the change in the average annual index for the twelve-month period of November 2019 through October 2020 compared to November 2020 through October 2021 for the Consumer Price Index - for all Urban Consumers, Los Angeles-Riverside-Orange County, CA, all items (CUURA421SA0). The year-over-year increase was **3.00%**.
- The All Other Cost component was adjusted by the change in the average annual index for the twelve-month period of November 2019 through October 2020 compared to November 2020 through October 2021 for the Consumer Price Index-All Urban Consumers, U.S. City Average, all items less food and energy, (CUUR0000SA0L1E). The year-over-year increase was **2.98%**.

Additional information on how each industry cost component or index value has increased/decreased over the year-over-year is attached to this report. Tables 1 and 2 below illustrate how the **5.4%** rate adjustment percentage was calculated.

	A	B	C

Table 1. Industry cost components percentage change

In Table 2, the cost components are weighted as a percentage of the base rate total (column D) and are multiplied (in column E) by the percentage change in the index as calculated above to arrive at the total weighted change of each cost component (column F). The original cost component base rate percentages were determined as part of the approved contract with Athens Services and the subsequent Proposition 218 Noticing and Balloting process. The grand total base rate adjustment of 5.4% is determined by adding together the components total weighted change.

Additionally, the multi-family per unit fee for recyclables collection which is separate from the requested refuse rate and calculated differently under the terms of the Solid Waste Agreement (see Table 3 below) is adjusted by the change in the average annual index for the twelve-month period of November 2019 through October 2020 compared to November 2020 through October 2021 for the Consumer Price Index-All Urban Consumers, U.S. City Average, all items less food and energy, (CUUR0000SA0L1E).

Table 4 below illustrates how the 5.4% rate percentage increase plus the extraordinary rate increase of 1% and the prescheduled varied rate increases of 7% and 14%, for single family/multifamily and commercial customers, respectively, would affect the trash fees in the 2022-2023 FY for the most common types of service and lists the other City fees that make up the full monthly refuse rates.

Table 4. Current and Proposed Refuse Rates

In addition to modifying the refuse rates charged to residential and commercial customers, the rate resolution also modifies the charges to the City for services that are only provided to the City and optional services for customers. These services, which include household hazardous waste roundups, compactor roll-off box collection at the Pier, use of temporary cleanup bins, and bin cleaning will be adjusted and will have a negligible impact on the Solid Waste Fund's bottom line. Changes to these charges are in accordance with specific franchise contract terms stipulated in the approved amendment.

Rate Comparisons

The proposed residential refuse rate of \$25.48 per month continues to be a competitive rate when comparing with similar single-family service levels (see attachments). The proposed monthly commercial rate of \$203.55 for a three-yard bin collected one time per week is also competitive when compared to the cities surveyed with the same service levels (see attachments). A summary of the solid waste rates with City administrative fees for the past four years is shown below.

Service Category	FY 18-19	FY 19-20	FY 20-21	FY 21-22	Proposed FY22-23
Single Family Rate	\$17.06	\$18.84	\$20.74	\$22.72	\$25.48
Commercial 3-Yard Rate Serviced 1x Per Week	\$101.85	\$120.40	\$143.26	\$168.55	\$203.55

COORDINATION

The City Attorney's Office approved the resolution as to form.

FISCAL IMPACT

The proposed 2022-2023 rate modification would increase the pass-through funding collected by the City on behalf of the contractor and then paid to Athens by approximately \$535,594 and would increase the AB 939 and Administration fees collected by the City by an estimated \$29,446 and \$51,827.52 respectively.

SUBJECT: SERRF SOLID WASTE DISPOSAL FEE: January 1, 2021

Dear Hauler:

This letter is to advise you that effective **January 1, 2021**, the tipping fee at SERRF will be **\$100.00/ton**. This disposal fee increase is necessary to keep the SERRF facility viable into the future. This rate increase is the only anticipated increase for 2021. The SERRF tip fee increase is regulated by the City of Long Beach.

Your tonnage allocation will not change, nor the requirement that deliveries of Acceptable Waste be made on self-unloading vehicles at no charge to the City of Long Beach.

The definitions on the reverse side of this advisement govern the quality of waste to be brought to SERRF. Please note that these definitions are intended to preclude significant quantities of *Unprocessable Waste* from being delivered.

Please contact us at (562) 570-7840 if you have any questions.

Sincerely,

Charles R. Tripp, Manager

City of Redondo Beach

Per conversations exchanged between the City of Redondo Beach staff, Athens Services would like to formally provide the city with a proposal to comingle Redondo Beach Commercial Organics collection with Hermosa Beach Commercial Organics collection.

The plan is to continue to service Residential Organics routes in Redondo Beach as before with no changes scheduled. For the Commercial Organics, before entering the City of Hermosa Beach to service routes, all Redondo Bch Commercial Organic locations would be serviced and then the load will be taken to a Public Scale for a certified weight ticket before comingling with Hermosa Bch Residential /Commercial locations. No service interruptions or delays are to be expected with the comingling operations. Redondo Beach residential organics would maintain their schedule and collection in 32g & 64g barrels by the residential service teams.

Our proposed operational adjustments shall contribute positively to the South Bay cities' efforts to continue to be environmentally friendly as it relates to the number of vehicles on the streets.

We kindly ask for this city's approval to adjust our operations to allow for the comingling for Redondo Beach organics collection and Hermosa Beach organics collection.

Thank you for your consideration

Best Regards

Administrative Report

L.3., File # 22-4263

Meeting Date: 6/7/2022

To: MAYOR AND CITY COUNCIL
From: TED SEMAAN, PUBLIC WORKS DIRECTOR

TITLE

PUBLIC HEARING TO CONSIDER THE PROPOSED ASSESSMENTS FOR THE STREET LANDSCAPING AND LIGHTING ASSESSMENT DISTRICT FOR FISCAL YEAR 2022-2023;

ADOPT, BY TITLE ONLY, RESOLUTION NO. CC-2206-033, A RESOLUTION OF THE CITY COUNCIL OF REDONDO BEACH, CALIFORNIA, CONFIRMING THE DIAGRAM AND ASSESSMENT, AND LEVYING OF THE ASSESSMENT FOR THE STREET LANDSCAPING AND LIGHTING ASSESSMENT DISTRICT FOR THE FISCAL YEAR FROM JULY 1, 2022 TO JUNE 30, 2023; AND

PROCEDURES:

- A. OPEN THE PUBLIC HEARING, TAKE TESTIMONY; AND
- B. CLOSE THE PUBLIC HEARING; AND
- C. ADOPT THE RESOLUTION

EXECUTIVE SUMMARY

On May 3, 2022, the City Council approved the City Engineer's Report and adopted Resolution No. CC-2205-026, declaring its intention to levy assessments for the Street Landscaping and Lighting District for maintenance of street lighting fixtures and landscaped areas for the 2022-2023 Fiscal Year. As part of the approval, the City Council set June 7, 2022 as the date for a public hearing to consider the proposed District assessment. The annual assessment fee is not proposed for adjustment in the upcoming Fiscal Year and has not been changed since 1991. It should be noted that current assessment fee revenue does not fully cover District expenses. As a result, the General Fund must annually subsidize District operations. The subsidy for the 2022-2023 Fiscal Year is \$1,067,107.

BACKGROUND

On April 5, 2022, the City Council adopted Resolution No. CC-2204-014, ordering a report from the City Engineer for the 2022-2023 Fiscal Year Landscaping and Lighting Assessment District, including an assessment diagram, plans, specifications, and cost estimates for furnishing electrical energy, maintenance, and improvements for public lighting facilities and landscaped areas included in the District. The report was presented to the City Council on May 3, 2022.

At that time, the City Council approved Resolution No. CC-2205-026, declaring its intention to levy assessments for the 2022-2023 Fiscal Year for maintenance of the public lighting facilities and

landscaped areas. The Resolution set June 7, 2022 as the date for a public hearing to consider the proposed assessments (see attached) for the 2022-2023 Fiscal Year.

As described in the Engineer's Report, a typical home in Redondo Beach with a frontage of 40 feet pays approximately \$59.20 per year for street landscaping and lighting. The fee has not changed since 1991. In 2006, the City sought voter approval under Proposition 218 to adjust the assessment to pay for all District costs. Redondo Beach property owners voted against the proposed fee increase. The City Council considered initiating the process to increase the assessment during the FY 2016-17 budget adoption discussions, but ultimately decided to leave the assessment unchanged. In the 2022-2023 Fiscal Year, the District will run a \$1,067,107 deficit, which must be offset by a subsidy from the General Fund.

The District was formed in 1983 under the requirements of the 1972 Landscaping and Lighting Act. The District operates and maintains: 5,127 street lights (3,228 Southern California Edison owned and 1,899 City owned); 102 signals (55 traffic and 23 flashing yellow beacon and 24 flashing red beacon); and 21.85 acres of landscaping. Despite the lack of a proposed change to the annual fee, the Act requires that a public hearing be held before implementing each year's District assessment.

COORDINATION

The attached resolution was prepared by the City Attorney's Office. Public Works Department staff coordinated with staff in the Financial Services Department to prepare the District's annual revenue and expense figures.

FISCAL IMPACT

The following funding/expenditure plan is consistent with the May 3, 2022 City Engineer's Report. The amounts included in the Proposed FY 2022-2023 City Budget (page 42) are lower than the City Engineer's Report by \$87 in both the general fund subsidy and the personnel expenditures.

<u>FY 2022-23 Funding</u>		<u>FY 2022-23 Expenditures</u>	
Assessment Fee	\$ 1,513,000	Personnel	\$ 879,986
Public Services Lighting Fee	\$ 600	M & O	\$ 1,341,929
Other Revenues	\$ 17,000	POB Debt	\$ 97,450
General Fund Subsidy	\$ 1,067,107	Overhead/Internal Svc Chg	\$ 278,342

TITLE

DISCUSSION AND POSSIBLE ACTION REGARDING A WATERFRONT EDUCATION FACILITY AND PROGRAMMING CONCEPT TITLED OCEAN ENCOUNTER

APPROVAL OF THE CONCEPT AND DIRECTION TO STAFF TO PREPARE DRAFT PLANS, AGREEMENTS, AND OTHER APPLICABLE FACILITY IMPLEMENTATION DOCUMENTS

EXECUTIVE SUMMARY

The City of Redondo Beach is in the process of completing a master plan for the City's waterfront public amenities. The City has contracted with a consultant team, SWA, to assess current conditions, perform community outreach, and collaborate with a Working Committee, comprised of community stakeholders, to develop a draft plan for review by the Harbor Commission and City Council. SWA has completed the public outreach phase of this effort. One idea that has received universal support, from both the community and Working Committee, is the installation of an interactive educational facility on the site located west of Seaside Lagoon, currently occupied by Joe's Crab Shack. The site is city-owned and the existing tenant is on a month-to-month lease.

A unique and timely waterfront education center concept that would fit well at the Joe's Crab Shack site has been developed by a team of scientists in the marine biology, agriculture, aquaculture, medical and technological fields, lead by Thomas Grimm. The concept, titled "Ocean Encounter", which includes a preliminary design for a new technologically advanced and interactive education facility and a number of exciting and contemporary education and ocean restoration programs, was presented to the Harbor Commission in April and received unanimous support.

The Ocean Encounter concept is also supported by private philanthropists (who have expressed interest in funding the project), the UC medical education community (which would like to assist in the development of education curriculum and research and ocean restoration efforts at the site and in King Harbor), and the SEED Foundation (which is developing a charter school in LA and is interested in becoming an educational partner at the facility). It is also expected that partnerships with USC and Caltech would be developed, as there is currently no waterfront education facility of this type in the Santa Monica Bay.

Given the overwhelming community feedback in support of an educational facility, the number of potential world-class educational partners, and the anticipated private philanthropy that is available to

finance the project, staff recommends the City Council approve the concept and work with Mr. Grimm to develop a plan for facility implementation.

BACKGROUND

The City Council has made the revitalization of the waterfront a strategic priority for many years, the key to which is the creation, upgrade, or replacement of many of the public amenities within the area. These public amenities serve as the underpinning upon which other revitalization activities can occur including the attraction of private investment to the waterfront and the improvement of various offerings available to residents and visitors including recreational, educational, entertainment and other public facility uses.

As mentioned above, the City has contracted with a consultant team, SWA, to assess current conditions, develop a community participation plan, and collaborate with a Working Committee comprised of community stakeholders. The consultant has been charged to gather input from the community and Working Committee, and develop a draft plan that addresses which public amenities should be rebuilt, renovated, or newly added; where the amenities should be located; and what recreational, operational, and other functional elements should be included in the design.

SWA has concluded the public outreach phase of the process (the last public meeting was held on May 31st and had roughly 200 attendees) which included an interactive project website, social media posts, public workshops, and surveys. Next steps include continued dialogue with the Working Committee and digesting the community feedback received in order to develop a draft amenities plan. One idea in particular that was universally supported by both the community and Working Committee was the installation of an interactive educational facility on the waterfront. The facility would attract both residents and visitors and would help to cultivate interest in the area as well as in ocean conservation. Furthermore, community input has demonstrated the preferred location for such an educational facility to be the site located west of Seaside Lagoon currently occupied by Joe's Crab Shack. The site is City-owned and the existing tenant is on a month-to-month lease that the City can terminate with just 60-days' notice.

Due to the overwhelming support for a new educational facility within the waterfront, staff has invited Thomas Grimm to present to the City Council a potential programming idea called Ocean Encounter. Mr. Grimm is the owner and operator of the Carlsbad Aquafarm, a facility that has been in operation for over 50 years and specializes in growing shellfish in an ecologically-mindful manner in a way that has contributed to coastal conservation and habitat restoration. Ocean Encounter would aim to engage and deepen the community's connection with the coastal environment, inform the public about challenges facing the world's oceans, promote seafood for sustained brain and heart health, and address the issue of seafood sustainability. Mr. Grimm plans to achieve his vision through immersive experiences such as augmented reality as well as exhibits for restoration aquaculture, aquaponic gardens, and a studio kitchen.

Mr Grimm's team includes Belinda Zhang, head of research and development for Foxconn (which is the developer of the iPhone). Ms. Zhang also created an underwater drone company called QySea, a technology that would be utilized by Ocean Encounter as part of their educational program. The team also includes educators from John Hopkins University that specialize in marine biology and ocean restoration, as well as representatives from the University of California medical system. Prospective partnership discussions have also begun with the SEED School of LA, a non-profit organization that

provides a diverse range of educational opportunities to underserved students.

Mr. Grimm previously made a presentation on the Ocean Encounter concept to the Harbor Commission at the April 2022 meeting. Overall, the programming concept was well-received by the Harbor Commission; specific comments included a desire to incorporate an “on-the-water” experience that gets users to physically explore the ocean, a request to create partnerships with other local non-profit organizations, and the inclusion of an underwater robotics program.

If City Council has an interest in further pursuing this effort, staff is requesting direction to continue working with Mr. Grimm to locate the Ocean Encounter program at the Joe’s Crab Shack site. Potential next steps include staff returning to City Council for consideration of either a memorandum of understanding, negotiation of a lease with a non-profit organization, funding agreement, and/or design contract. In addition, the project would be subject to the typical entitlement process consisting of public hearings with the Planning Commission, Harbor Commission, City Council, and Coastal Commission.

COORDINATION

The Ocean Encounter concept has been prepared by a team of scientists and has support from a number of education and philanthropic groups. The concept was reviewed by the Harbor Commission and received unanimous support.

FISCAL IMPACT

There is no fiscal impact associated with staff’s work with Mr. Grimm on implementation of the Ocean Encounter concept. It is anticipated that funding for construction and operation of the facility would be largely provided by private philanthropists and prospective education grants.

Tom Grimm

Dear Tom,

We are pleased to support your proposal for the Ocean Encounters Project. The project presents an exciting opportunity for eco-restoration and a vibrant community.

In support of the Ocean Encounters Project, we will bring an extensive background at the intersection of ancient wisdom and modern science. We operate at the cutting-edge intersection of culinary medicine, environmental science, regenerative agriculture, and ancient healing wisdom. One central mission is to discover the potential synergies between different foods, algae, fungi, herbs, and other natural products and develop immune-potentiating solutions for disease states such as cancer, heart disease, Alzheimer's, autoimmune conditions, and COVID and other infectious diseases. We currently oversee more than 15 clinical trials, including two FDA-approved trials of INDs using natural products. We have also developed scalable educational programming, video and multimedia production, with hundreds of graduates and global reach.

We look forward to collaborating on a project that we believe will have broad and transformative impact on the Redondo Beach waterfront and community, with the ability to serve as a replicable model for positive global change.

Sincerely,

Gordon Saxe
