TITLE

DISCUSSION OF PUBLIC WORKS COMMISSION APPROVED PROJECTS - STATUS UPDATES

EXECUTIVE SUMMARY

RECOMMENDATION:

1. Receive and file Public Works Commission project status updates

Based on the Public Works Commission's recommendation, Staff has prepared a table comprised of all projects that have been reviewed and then forwarded by the Commission to City Council for final approval since October 22, 2018. The table is included as Attachment 1. As directed, Staff is to continue providing ongoing project status updates to the Public Works Commission in tabular format on a quarterly basis. The next project status update will be presented to the Commission at the August 2021 Public Works Commission meeting.
