

Administrative Report

H.9., File # 21-2619

Meeting Date: 6/15/2021

To: MAYOR AND CITY COUNCIL
From: TED SEMAAN, PUBLIC WORKS DIRECTOR

TITLE

ADOPT BY TITLE ONLY RESOLUTION NO. CC-2106-055, A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF REDONDO BEACH, CALIFORNIA, AUTHORIZING SUBMITTAL OF THE FUNDING REQUEST CERTIFICATION TO THE DEPARTMENT OF RESOURCES RECYCLING AND RECOVERY (CALRECYCLE) FOR PAYMENT PROGRAMS AND RELATED AUTHORIZATIONS.

EXECUTIVE SUMMARY

Approval of this recommendation will allow staff to submit an application for the CalRecycle Used Oil Payment Program (OPP) and other CalRecycle payment programs for Fiscal Year (FY) 2021-2022. The grant allocation is based on a predetermined per capita population formula with the goal of development and maintenance of used oil and oil filter collection and recycling programs. The funds for the OPP grant will be used for advertisement of used oil filter certified drop off locations along with the purchase of supplies utilized in the occurrence of an oil spill. The FY 2021-2022 allocations for the City have not yet been determined, however they are expected to be lower than usual due to decrease in revenue in the Used Oil Recycling Fund.

BACKGROUND

The Department of Resources Recycling and Recovery (CalRecycle) administers a program to provide opportunities for local governments/other eligible jurisdictions to receive payments for used oil and used oil filter collection/recycling programs. The City has received funding from the OPP payment program over the last twelve years ranging from \$8,000 to \$20,000. The City's local used oil collection program must include used oil and used oil filter collection opportunities and a public education element as outlined in Public Resources Code (PRC) § 48691.

The CalRecycle OPP payment program funding will be used for advertisement of used oil filter certified drop off locations along with the purchase of supplies utilized in the occurrence of an oil spill. In addition, the funds will be utilized for HAZWOPER refresher training course for our Recycling Specialist and cover any indirect costs associated with administering the grant.

COORDINATION

The resolution was approved as to form by the City Attorney's Office.

FISCAL IMPACT

The FY 2021-22 grant allocations have not been disclosed by CalRecycle and is pending the

adoption of the State of California FY 2021-22 Budget.

APPROVED BY:

Joe Hoefgen, City Manager
